HOUSE RECORD

Second Year of the 166th General Court

Calendar and Journal of the 2020 Session

Vol. 42 Concord, N.H. Friday, June 26, 2020 No. 26

Contains: House Deadlines; House Bills Amended by the Senate; Vacate Calendar; Revised Fiscal Notes; Meetings and Notices

HOUSE CALENDAR

MEMBERS OF THE HOUSE:

The House will meet in session on **Tuesday, June 30th at 10:00 a.m. at the Whittemore Center at the University of New Hampshire in Durham.**

Please read the session information included at the end of this calendar, especially for the amended times you should arrive at the Whittemore Center.

You will note in this calendar that there are 144 Senate Bills that had previously been assigned to House committees. As we have passed the deadline to act on those bills and will conclude our action on amended House bills this coming week, a joint motion will come to vacate the bills to a vacate calendar and lay the bills on said calendar on the table. (The list is printed below.) This is essentially a housekeeping measure as we have not historically left bills in committee to die, we do not want to set a precedent where that is permissible, and it will allow the Clerk's staff the ability to process those bills for journaling purposes and print final disposition of bills reports for state agencies.

During session next week, the House will take up the recommendation to accept the factfinder's report between the State of New Hampshire and the seven labor organizations representing the state's employees, as suggested by the Joint Committee on Employee Relations. Pursuant to RSA 273-A:12, III (a), when a dispute exists between the labor organizations and there is a rejection of the neutral party's recommendations, the legislative body shall vote to accept or reject the report. As the report is coming before us with a positive recommendation from the Joint Committee, but it is not in the form of legislation, it will not require a rules suspension to act on, nor does it have the full force of law, as it will not go the governor for signature.

As a reminder, June 30th will be the last session this year with the exception of when we return to take up veto overrides in the fall.

Thank you for all of your work, you all make New Hampshire proud. I also wanted to say thank you again to all of our wonderful staff. They have overcome every challenge and obstacle this year and our work would not be possible without them.

I look forward to seeing you on Tuesday, please remember to bring your calendar.

Stephen J. Shurtleff, Speaker of the House

The New Hampshire School Funding Fairness Project (NHSFFP) invites all candidates for the New Hampshire House of Representatives, Senate, and Executive Council to attend one of its "School Funding and Property Taxes" webinars. For more details and to register, please visit www.fairfundingnh.org/events. The deadline for registration is Friday, July 17th, but, as each webinar will be limited to 75 registrants, candidates are encouraged to register as soon as possible.
