HOUSE CALENDAR

MEMBERS OF THE HOUSE:

The House will meet on Wednesday, February 24th, and Thursday, February 25th at the NH Sportsplex facility at 68 Technology Dr. in Bedford, NH.

At over 50,000 square feet of floor space, we will have more than double the usable area of the Whittemore Center Arena to spread out and socially distance. We are working with the Department of Health and Human Services, the State Fire Marshal, Bedford Fire and Police, and the State Police to ensure a risk-mitigated and secure environment for all members and staff in attendance.

We are working to put together a health and safety plan for the session events, and we will get that documentation to you next week. In addition, we will include details on arrival, starting times, parking, and device distribution information.

We continue to research if a reasonable remote solution exists that will not compromise the operation of the 400 member House of Representatives. A solution that would meet our unique needs has not been identified.

As we near our first reporting deadline, I want to be sure that all of you recognize the hard work, sacrifice, and long days and nights that our House and General Court staff have put into this process. We are in unprecedented times, and they have gone over and above the call of duty to help us complete our business. Please thank the staff every chance you get. Without them, we would not be able to fulfil our duty to serve our constituents.

I also want to thank House members for their participation in committee business, which have consisted of long days and expanded work weeks, to get our business done. Though not perfect, we are hitting our stride, and we can say that we are doing the people's work on schedule despite these challenging times.

As a reminder, State Offices are closed on Monday, February 15th in observance of Presidents' Day.

Sherman A. Packard, Speaker of the House
