HOUSE CALENDAR

MEMBERS OF THE HOUSE:

Even though we consolidated our reporting deadlines for committees, most committees made significant progress over the past week, and have completed reporting on all but a few House bills. Thank you for your perseverance. This is yet another example of the legislature getting our work done despite challenges presented by the pandemic. Scheduling of Senate bills will be occurring prior to crossover and allow us to get a head start on the next phase of our legislative calendar.

I'd like to remind all Members that although the Zoom meeting platform provides flexibility, you should act with the same level of decorum and reverence as if you were in your committee meeting room in Concord. There have been too many cases of remote members talking over one another, remote members talking out of turn, and remote members not allowing the chair to run the meeting in an orderly fashion. Whether you are in-person or remote, out of respect for our great institution, please allow your chairs to run the meetings. Seek guidance from your chairs when you'd like to speak or ask a question. The chairs are the referees of your meetings, and without your cooperation with them, meetings can devolve into disorder.

After communication this week with the House Democratic and Majority Leaders, I am announcing today that I will alter one further deadline for our business relating to crossover. Due to availability constraints with our venue and their contractual obligations with other clients, we will need to hold April 9th as a meeting day. Therefore, pursuant to House Rule 67, I am moving our crossover deadline to April 9th. This simple 1-day move will ensure we can meet on that day to act on our remaining House bills.

Please mark your calendars for April 7th, 8th, and 9th for House sessions at the NH Sportsplex in Bedford. Our venue hosts have cleared their calendar for us on those days for us to address our business in time for our crossover deadline period. Further details and official notice, including start times, will come in future calendars. Three-day sessions, and Friday sessions while uncommon, are not unprecedented. I thank you for working with us through these challenges. We've received some very helpful feedback from our last session, and we look forward to making our upcoming meeting days even better than the last.

Also, as a reminder, the State House complex face covering policy is still in place, and a face covering, or face shield is required whenever you are out of your committee room seat or in a common area. Compliance has been great but let's not let our guard down. If you cannot comply with the mask protocol, please do not attend meetings in-person. For the health and safety of each other, and for our General Court staff, please abide by these guidelines.

Please continue to thank our General Court staff for all their hard work throughout this challenging year. Without them, we would not be where we are today!

Sherman A. Packard, Speaker of the House

The House Veterans Interest Caucus invites all Representatives to associate with others interested in legislative and other issues affecting our veterans. Whether you are a veteran, or someone interested in veteran's issues, you're welcome to engage your fellow Representatives in a non-partisan organization. The caucus shares information on bills effecting veterans without taking a position on them by regularly distributing a status tracker. Future events may consist of talks presented by groups such as Easter Seals, Veterans Affairs Medical Center, and Veteran Service Organizations. We have approximately 75 current associates. If interested, email jess.edwards@leg.state.nh.us with the subject line reading "VIC".
