GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 98

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 30, 2021, I have vetoed House Bill 98, relative to the date of the state primary election. I agree with the Secretary of State that House Bill 98 creates more problems than it solves. House Bill 98 would change our state primary from its current September date to the first Tuesday in August, moving our primary election - and the campaign season for that election - into the middle of the summer. This is a time when many Granite Staters are enjoying their vacations and are far less likely to be involved in the electoral process. This change could lead to depressed voter engagement in the election and reduced turnout. Furthermore, moving the primary election to the summer could hurt the ability of municipalities to recruit poll workers and Election Day volunteers, greatly exacerbating a challenge that many municipalities are already struggling with. Some advocates of this legislation point to the supposed challenge of election officials meeting the deadlines to send absentee ballots

to members of the military or other overseas Granite Staters. It is important to note that New Hampshire has never failed to meet those deadlines set forth by the Federal Government. In fact, according to the Secretary of State, New Hampshire is one of just a few states that have never been sued for such a failure. However, House Bill 98 gives the Secretary of State nine fewer days between the end of the filing period and the primary day elections to make and print ballots. Although partially intended to ease time constraints on the Secretary of State, this bill could add burdens onto their process. New Hampshire's elections are the gold standard for the rest of the country, and our primary date schedule has stood the test of time. Our Secretary of State, who has run our state's elections for 45 years, believes this legislation will add significant challenges to a process that does not need to be changed.

For the reasons stated above, I have vetoed House Bill 98.

Respectfully submitted,
Christopher T. Sununu, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 239

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on August 10th, 2021, I have vetoed House Bill 239, relative to prosecutions for certain assaults against minors. Occasionally, well-intentioned legislation can fall apart because of a few misplaced words or technical language that was left out. Unfortunately House Bill 239 contains a fatal flaw that must prevent it from moving forward. I support the legislative intent to extend the statute of limitations for juvenile victims of first-degree and second-degree assault. However, this bill presents severe negative consequences that could greatly hinder ANY prosecution of first-degree assault in New Hampshire. In a letter dated August 6, 2021, the Attorney General and each of New Hampshire's 10 County Attorneys detailed their concerns with House Bill 239. This bill fails to make clear that the extension of the statute of limitations for prosecutions under RSA 631:1 to a victim's twenty-fourth birthday only applies to juvenile victims. Consequently, as the letter states, the bill "…could readily be interpreted to preclude any prosecution for a crime under RSA 631:1 beyond a victim's twenty-fourth birthday. As such, cases under RSA 631:1 with adult victims over twenty-four years of age simply would not be able to be charged or prosecuted." I encourage the legislature to address the concerns raised by the Attorney General and New Hampshire's County Attorneys in legislation next year. The letter recommends amendments necessary to ensure the legislative intent of House Bill 239 can be successfully implemented and I will be supportive of such a bill.

For the reasons stated above, I have vetoed House Bill 239.

Respectfully submitted,
Christopher T. Sununu, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 242

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 30, 2021, I have vetoed House Bill 242, relative to the content of an adequate education. I am encouraged by and support the idea of ensuring that New Hampshire students receive instruction in financial literacy and this legislation adds important concepts that will help ensure that students receive strong educational opportunities. However, after conversations with the Commissioner of the Department of Education, we agree that there needs to be additional clarity within the language of this bill so that these concepts can be applied and accessed consistently across the state and for all students. I have instructed the Department of Education to work with the legislature to address these concerns.

For the reasons stated above, I have vetoed House Bill 242.

Respectfully submitted,
Christopher T. Sununu, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 334

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on August 10th, 2021, I have vetoed House Bill 334, relative to prohibitions on carrying a loaded firearm on an OHRV or snowmobile and relative to the procedure for conducting firearm background checks. I support the provisions in this bill that would apply our constitutional right to carry a firearm to OHRVs and snowmobiles, and hope to sign such a bill next year. It is unfortunate that the legislature chose to tack on unrelated legislation that will cause those provisions to not move forward. As Governor, my record is very clear – I have consistently defended the 2nd amendment rights of New Hampshire's citizens and I remain committed to doing so. New Hampshire's laws are well-crafted and fit our culture of responsible gun own-

ership and individual freedom. The background check provisions are not about firearms rights, they are about government administrative processes. This bill, which was introduced to solve a problem caused by the COVID-19 pandemic, is no longer necessary. New Hampshire has taken steps to improve technology, processes, and staffing in order to address this issue without legislation. This bill would create substantial unintended negative consequences by ceding control of our state process to the Federal Government. Groups as diverse as the New Hampshire Firearms Coalition, the New Hampshire Coalition against Domestic and Sexual Violence, the Attorney General's Office, and the Judicial Branch all join me in raising significant concerns with this legislation.

For the reasons stated above, I have vetoed House Bill 334.

Respectfully submitted,
Christopher T. Sununu, Governor

With New Hampshire now developing more craft brewers but trailing in marijuana dispensaries, the Vegas Caucus will be meeting online in early September to discuss everything from alcohol laws to marijuana prohibition in our state and how to fix them. Many activities are legal in other states, but not the Live Free or Die state. All members are welcome to join or bring their legalization and decrimin bills. Contact Max.Abramson@leg.state.nh.us, but remember that we follow traditional caucus rules and, "What happens in Vegas stays in Vegas."
