HOUSE CALENDAR

MEMBERS OF THE HOUSE:

In case you missed it last week, please be aware of the new feature on the General Court website where New Hampshire citizens can upload written testimony on bills without the need to appear in person. Legislators are welcome to promote this new tool with your constituents. Legislators should also check the submissions page frequently to review testimony that has been submitted on bills coming before your committee. Testimony submitted online is available for anyone to view so we are encouraging this method of written testimony. The form accepts testimony through the end of the day of each bill's public hearing.

Since we are in full swing, please remember to park in your assigned space only. If you do not have an assigned street or LOB garage space, please utilize the Storrs Street parking garage. We have very limited parking around the State House and LOB. If you're assigned to Storrs and you instead park on the street, you are likely taking the space of someone who has a medical need for the space or using one that belongs to the city, and you will be ticketed.

As always, thank you for your ongoing efforts to help us maintain a risk-mitigated and healthy working environment by staying home if you are experiencing any symptoms of illness. While face coverings are not mandated within the State House and Legislative Office Building, you should strongly consider wearing one. I'd also ask all who enter our buildings to act with courtesy, and respect the personal decisions individuals have made regarding mask use.

Please note that state offices will be closed on Monday, February 21st in observance of Presidents' Day.

Sherman A. Packard, Speaker of the House
