HOUSE CALENDAR

MEMBERS OF THE HOUSE:

As a reminder, there will be no legislative activity or mileage reimbursement between July and August to reduce travel costs, unless special circumstances arise and pre-authorization is granted. If you are a member of an ongoing statutory committee that meets regularly, mileage will be allowed for attending those meetings.

Also, during your Summer travel, and throughout your service in the House, please remember that your General Court-issued EZ-Pass devices will not work outside of New Hampshire.

Let me again express my appreciation to all Members for your diligent service this term. Relatively few outside this body and our families know the extent of individual sacrifices that most legislators accept, but each of us can be proud that we have been so giving of our time to our state this term.

I wish you a relaxing and enjoyable Summer.

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 52

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 27, 2022, I have vetoed House Bill 52 and Senate Bill 200, apportioning congressional districts.

The citizens of New Hampshire will not accept Senate Bill 200, which moves both members of Congress into the same district. Also, by moving Manchester into Congressional District 2 we would be creating a single district dominated by our largest urban areas.

House Bill 52 is not in the best interest of New Hampshire. Granite Staters' expect districts that hold our incumbents accountable so that no one elected official is immune from challengers or constituent services.

Appropriately apportioned congressional districts are vital to a representative government.

For the reasons stated above, I have vetoed House Bill 52 and Senate Bill 200.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 275

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 27, 2022, I have vetoed House Bill 275, relative to the declaration of a state of emergency.

Last session, I signed into law numerous reforms to the Governor's Emergency Powers codifying the transparency that was practiced in the current pandemic and giving the legislature a greater role in future States of Emergency.

If signed into law, this legislation would allow inaction by the State Legislature (such as the inability or unwillingness to meet) to end critical services necessary to serve the people of our state.

It is irresponsible to further bind a future Governor's ability to address and respond in a crisis, especially when the Legislature already has the power to suspend a State of Emergency at anytime.

For the reasons stated above, I have vetoed House Bill 275.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 319

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on February 23, 2022, I have vetoed House Bill 319, requiring students in the University and Community College System of New Hampshire to pass the United States Citizenship and Immigration Services civics naturalization test.

We all can agree that an education in civics is fundamental to our students. Last year I signed House Bill 320, which implements a similar civics competency exam for high school students. That requirement goes into effect in 2023 and will help continue the Granite State tradition of a citizenry actively engaged in self-government. As such, House Bill 319 would serve to address the lack of civics education only in out-of-state public post-secondary students.

House Bill 319 would also represent the first time the legislature has imposed a universal graduation requirement for students at our public colleges and universities. I am concerned that this would create a precedent for future legislatures to mandate extreme requirements.

There is no lesson more important than understanding our individual responsibility to uphold democracy. Nevertheless, I believe the legislature's passage of House Bill 320 already addresses the important concerns of an engaged citizenry and an understanding of the fundamentals of democracy without some of the challenges House Bill 319 may unintentionally create.

For the reasons stated above, I have vetoed House Bill 319.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1131

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 20, 2022, I have vetoed House Bill 1131, an act relative to facial covering policies for schools.

Just because we may not like a local decision, does not mean we should remove their authority. One of the State's foremost responsibilities is to know the limits of its power.

As Granite Staters, we take pride in local control and our bottom-up approach to education. Similar to our fight to retain states' rights against a bloated and ever-encroaching federal government, we have a responsibility to ensure the State minimizes its infringement on local control. Big government is never the solution, and neither is a one-size-fits-all approach.

The State must remain steadfast in protecting local control as decisions like this are best left to authorities closest to parents and families where they can work with their neighbors to decide what is right for their children.

For the reasons stated above, I have vetoed House Bill 1131.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1625

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 27, 2022, I have vetoed House Bill 1625, repealing the prohibition on entering or remaining on a public way or sidewalk adjacent to a reproductive health care facility.

In the eight years since this law was originally enacted, we know of no instance where an individual or group has been harmed by it. As a result, I am not looking to make any changes at this time.

For the reasons stated above, I have vetoed House Bill 1625.

Respectfully submitted,
Christopher T. Sununu
Governor

NOTICE

The House Clerk's Office is accepting orders for the **2021 and 2022** hardcover **Permanent House Journals**.

Anyone who was a **New Hampshire Legislator for the 167th General Court** and all state agencies are entitled to one House Journal at no charge, **upon request**. All others interested in obtaining a House Journal, as well as any legislator or state agency requesting additional copies, will be charged for that copy. We estimate the cost for paid volumes to be approximately \$65 each. In addition, if the volume is to be mailed, there will be a \$5.00 shipping & handling charge. Those who order paid copies will be notified **and billed** when the House Journals are ready for distribution. **DO NOT** send any money now.

In an effort to contain costs, the number of House Journals printed will be determined by the number of advance orders received. **Extra copies will not be ordered.**

Please note that by placing an order for a House Permanent Journal for the 167th General Court biennium, it will be for two House Journals, one for the year 2021 and one for the year 2022.
