GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 52

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 27, 2022, I have vetoed House Bill 52 and Senate Bill 200, apportioning congressional districts.

The citizens of New Hampshire will not accept Senate Bill 200, which moves both members of Congress into the same district. Also, by moving Manchester into Congressional District 2 we would be creating a single district dominated by our largest urban areas.

House Bill 52 is not in the best interest of New Hampshire. Granite Staters' expect districts that hold our incumbents accountable so that no one elected official is immune from challengers or constituent services.

Appropriately apportioned congressional districts are vital to a representative government.

For the reasons stated above, I have vetoed House Bill 52 and Senate Bill 200.

Respectfully submitted,
 Christopher T. Sununu
 Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 275

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 27, 2022, I have vetoed House Bill 275, relative to the declaration of a state of emergency.

Last session, I signed into law numerous reforms to the Governor's Emergency Powers codifying the transparency that was practiced in the current pandemic and giving the legislature a greater role in future States of Emergency.

If signed into law, this legislation would allow inaction by the State Legislature (such as the inability or unwillingness to meet) to end critical services necessary to serve the people of our state.

It is irresponsible to further bind a future Governor's ability to address and respond in a crisis, especially when the Legislature already has the power to suspend a State of Emergency at anytime.

For the reasons stated above, I have vetoed House Bill 275.

Respectfully submitted,
 Christopher T. Sununu
 Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 319

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on February 23, 2022, I have vetoed House Bill 319, requiring students in the University and Community College System of New Hampshire to pass the United States Citizenship and Immigration Services civics naturalization test.

We all can agree that an education in civics is fundamental to our students. Last year I signed House Bill 320, which implements a similar civics competency exam for high school students. That requirement goes into effect in 2023 and will help continue the Granite State tradition of a citizenry actively engaged in self-government. As such, House Bill 319 would serve to address the lack of civics education only in out-of-state public post-secondary students.

House Bill 319 would also represent the first time the legislature has imposed a universal graduation requirement for students at our public colleges and universities. I am concerned that this would create a precedent for future legislatures to mandate extreme requirements.

There is no lesson more important than understanding our individual responsibility to uphold democracy. Nevertheless, I believe the legislature's passage of House Bill 320 already addresses the important concerns of an engaged citizenry and an understanding of the fundamentals of democracy without some of the challenges House Bill 319 may unintentionally create.

For the reasons stated above, I have vetoed House Bill 319.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1022

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 24, 2022, I have vetoed House Bill 1022, permitting pharmacists to dispense the drug Ivermectin by means of a standing order and establishing a commission to study the use of Ivermectin to treat Covid-19.

The State currently only has four instances in which pharmacists can dispense medication without a prescription. These medications are smoking cessation, contraception, substance use disorder, and treatment for sexual assault, all of which have gone through rigorous reviews and vetting to ensure they meet all the necessary protocols prior to a medication being dispensed via standing order. All drugs and medications should be subject to that same rigorous process if they are to be dispensed by standing order.

Further, regardless of this veto, Ivermectin remains available for individuals if prescribed by their doctor. Patients should always consult their doctor before taking medications so that they are fully aware of treatment options and potential unintended consequences of taking a medication that may limit other treatment options in the future.

For the reasons stated above, I have vetoed House Bill 1022.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1131

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 20, 2022, I have vetoed House Bill 1131, an act relative to facial covering policies for schools.

Just because we may not like a local decision, does not mean we should remove their authority. One of the State's foremost responsibilities is to know the limits of its power.

As Granite Staters, we take pride in local control and our bottom-up approach to education. Similar to our fight to retain states' rights against a bloated and ever-encroaching federal government, we have a responsibility to ensure the State minimizes its infringement on local control. Big government is never the solution, and neither is a one-size-fits-all approach.

The State must remain steadfast in protecting local control as decisions like this are best left to authorities closest to parents and families where they can work with their neighbors to decide what is right for their children.

For the reasons stated above, I have vetoed House Bill 1131.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1454

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 24, 2022, I have vetoed House Bill 1454, relative to permits for the siting of new landfills.

I agree with the experts at the Department of Environmental Services (DES) that this bill would have been better suited as a study. It is extremely likely this bill would curtail landfill development in the state and lead to New Hampshire's waste to be transported out of state, creating higher costs and property taxes for our citizens.

New Hampshire's landfill regulations are already rigorous and robust. According to the DES, there is no data indicating that the lined landfills currently operating and adhering to our regulations in the state are adversely affecting our state's waterways. Therefore, while the intent of this bill is good, it is ultimately a solution in search of a problem. The requirements in HB 1454 would have likely prevented construction of some of the seven lined landfills operating in the state.

Acknowledging the desire to strengthen the state's requirements, I signed a reasonable bill (SB 396) earlier this year enabling the DES to require a landfill applicant to hire an independent engineer or hydrogeologist to ensure their proposed landfill meets our permitting requirements. I am open to further changes to our landfill requirements, but these changes must be based on data. Now is not the time to raise additional fees and taxes on our citizens as a result of asking other states to manage our trash.

For the reasons stated above, I have vetoed House Bill 1454.

Respectfully submitted,
Christopher T. Sununu
Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1625

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 27, 2022, I have vetoed House Bill 1625, repealing the prohibition on entering or remaining on a public way or sidewalk adjacent to a reproductive health care facility.

In the eight years since this law was originally enacted, we know of no instance where an individual or group has been harmed by it. As a result, I am not looking to make any changes at this time.

For the reasons stated above, I have vetoed House Bill 1625.

Respectfully submitted,
Christopher T. Sununu
Governor
