HOUSE CALENDAR

MEMBERS OF THE HOUSE:

For planning purposes, please hold January 3rd and 4th, 2024, as likely Session days, and January 11th, 2024, as a possible Session day. There will be no Fall Session to address vetoes. We will take up vetoes on January 3rd.

We are just one month away from the beginning of the Legislative Service Request (LSR) filing period, which lasts from Monday, September 11th through Friday, September 15th at 4:00 p.m. As a reminder, you should be conducting your research before filing.

The Research Division at OLS is always available to assist you in your research efforts. Our Research Team has decades of experience and is expert at answering your questions quickly. Whether it be looking back at past legislative efforts, contacting state agencies (here in New Hampshire or in any other state or at the federal level), getting legislation from other states or working with national organizations, they know who to call to get you an answer. You can reach the OLS Research Team by calling (603) 271-3435 or by emailing your research questions to OLSresearch@leg.state.nh.us.

When filing time comes, you must present complete information to OLS to begin the drafting process. Please refer to House Rule 36(d) for restrictions on what legislation can be filed in the second year of the term.

The State House Cafeteria is tentatively scheduled to return from their summer break and resume operations on September 1st. Construction and renovation projects are ongoing at the State House through the Fall. We urge all Members and the public to exercise caution when passing through an active work area.

During your Summer travel, and throughout your service in the House, please remember that your state-issued EZ-Pass devices will not work outside of New Hampshire.

With several national conferences and other events taking place throughout the Summer and Fall, Members should be aware of their obligations under the Legislative Ethics Guidelines. Members are permitted to accept expense reimbursement for the reasonable expenses for attendance, registration, travel, meals, and lodging related to a bona fide conference, meeting, seminar, or educational, cultural, or informational program related to the legislator's office (for example, reimbursement or stipends received from an organization such as NCSL or CSG) so long as disclosure of any such reimbursement is made no later than the last day of the month following the month during which the expense reimbursement was received. This disclosure shall be filed in the Office of the Secretary of State and shall be in the form prescribed in RSA 14-C. This provision does not require the reporting of an expense reimbursement made by the General Court to a legislator. If you have any questions on expense reimbursements or ethics filings, please feel free to contact Rich Lambert, Executive Administrator of the Legislative Ethics Committee, at either richard.lambert@leg.state.nh.us or (603) 271-3435.

I urge all Members to exercise professional and respectful decorum when engaging in social media activity. We owe it to our constituents to hold ourselves to a higher standard and always act in a dignified manner worthy of the offices we hold, no matter the platform.

Also as a final reminder, in keeping with past practice, there is no legislative activity or mileage reimbursement until September, unless special circumstances arise and pre-authorization is granted, or if you are a member of a statutory committee that is required to meet during that period. Thank you for adhering to this long standing practice, and I hope you all are enjoying your summer!

Sherman A. Packard, Speaker of the House

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 35

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 29, 2023, I have vetoed House Bill 35, requiring student identification cards to include the National Eating Disorders Hotline.

Since the legislature passed House Bill 35, the sponsor of the bill as well as numerous organizations, including the National Alliance on Mental Illness (NAMI), have written to me asking for me to veto it. According to NAMI and multiple public reports, the National Eating Disorders Hotline staff were terminated, the call line was later shut down.

Given the uncertainty around the National Eating Disorders Hotline moving forward, it would not be prudent to put the call line information on student ID cards at this time.

For the reasons stated above, I have vetoed House Bill 35.

Respectfully submitted,
 Christopher T. Sununu, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 337

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on August 8, 2023, I have vetoed House Bill 337, relative to directing the Office of Professional Licensure and Certification to provide notice of public meetings and an opportunity for comment from the public and creating a new attorney II position.

This bill creates different standards for the boards administratively attached to the Office of Professional Licensure and Certification (OPLC) than other public bodies subject to RSA 91-A. Currently, public bodies are required to post a public notice 24 hours in advance and records become available for public inspection after the completion of the meeting. This bill would require OPLC to notice meetings 14 days in advance and provide materials pertaining to those meetings seven days prior to the meeting. This bill would essentially require a legal review for every document this would need to be released in advance.

While I believe more transparency is important in state government, House Bill 337 would be unreasonable and burdensome for OPLC to implement, especially while the office is still working on implementing the major legislative achievements we've passed this session.

Additionally, there is no justification for singling out OPLC and holding them to a different standard than every other public entity in New Hampshire. This bill would open the door for carve-outs for other state agencies, eroding the uniformity among state and local governments that follow RSA 91-A.

For the reasons stated above, I have vetoed House Bill 337.

Respectfully submitted,
Christopher T. Sununu, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 342

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 29, 2023, I have vetoed House Bill 342, relative to lead testing in children.

While I acknowledge the importance of blood lead level testing in children, this bill is redundant. Both RSA 130-A:-a and RSA 130-A:5-c require health care providers and parents or legal guardians to have blood lead level testing on children who are residing in New Hampshire at the ages of one and two. This bill raises the threshold for children who enroll in New Hampshire's public schools and is an unnecessary barrier to entry. This bill may also incentivize future legislatures to require additional blood testing requirements for New Hampshire's kids attending public school. All New Hampshire children shall have access to public education and the legislature should not require New Hampshire schools to place a redundant statutory requirement on a form for entry whereby creating an unnecessary check on parents. Blood lead level testing is incredibly important for both health care providers, parents, and guardians, but has no place on entry forms for schools and day cares.

For the reasons stated above, I have vetoed House Bill 342.

Respectfully submitted,
Christopher T. Sununu, Governor

Representatives Alicia Gregg (D) and Fred Plett (R) announce the formation of the Granite Bridge Legislative Alliance, part of the Braver Angels Consortium. The purpose of this Alliance is to sponsor opportunities for Representatives to better understand and communicate with colleagues. The Alliance will encourage the ability to listen to all colleagues respectfully, to fully understand the points being made, and to walk away with mutual respect and admiration. Activities will likely include social activities, workshops on topics of interest, and opportunities to work together outside of the chamber, such as on a Habitat for Humanity project or soup kitchens. Stay tuned. We will be forming meetings as we come back from our summer break.
