As a reminder, the next House Session will be on January 3rd and 4th, 2024. Please continue to hold January 11, 2024, as a possible Session day.

At our last session, the House adopted a floor amendment to extend the deadline to sign off on LSRs from Friday, November 3rd to Friday, November 17th. No other deadlines or processes will be affected by the extension of this deadline in 2023 or in 2024.

When working with our OLS staff please thank them for their hard work and dedication to the General Court this year. They are facing an unprecedented amount of work at this time with amendments to our record number of retained bills, around 800 new House bills to be drafted, and additional drafting demands with new Senate bills. They deserve our gratitude for keeping the legislative gears turning.
