HOUSE CALENDAR

MEMBERS OF THE HOUSE:

I would like to express my appreciation to all Members for your hard work. Your continued diligence and respect for your fellow legislators and staff helps the legislative process move forward smoothly and efficiently.

We all worked hard and put in the extra hours to show our constituents that we can achieve results. We have proven that our constituents come first, and we will continue to do great work this Fall and next year.

I would also like to thank our General Court staff. We could not have finished our legislative business without their hard work. On behalf of the House, we give them our highest level of praise and gratitude.

Thank you all for taking the time to attend the Annual Ice Cream Social today. The weather was nice, and it was a great opportunity for us to enjoy each other's company outside of the Chamber walls with a sweet treat.

In keeping with past practice to minimize travel costs, there will be no legislative activity or mileage reimbursement between July and August, unless special circumstances arise and pre-authorization is granted or if you are a member of a statutory committee that is statutorily required to meet during that period. Be sure to contact the Speaker's office for pre-authorization. Starting on July 1st, mileage kiosks will only be found in the Speaker's Office Reception Area and in the Democratic Office.

During your Summer travel, and throughout your service in the House, please remember that your state-issued EZ-Pass devices will not work outside of New Hampshire.

With several national conferences and other events taking place throughout the Summer and Fall, Members should be aware of their obligations under the Legislative Ethics Guidelines. Members are permitted to accept expense reimbursement for the reasonable expenses for attendance, registration, travel, meals, and lodging related to a bona fide conference, meeting, seminar, or educational, cultural, or informational program related to the legislator's office (for example, reimbursement or stipends received from an organization such as NCSL or CSG) so long as disclosure of any such reimbursement is made no later than the last day of the month following the month during which the expense reimbursement was received. This disclosure shall be filed in the Office of the Secretary of State and shall be in the form prescribed in RSA 14-C. This provision does not require the reporting of an expense reimbursement made by the General Court to a legislator. If you have any questions on expense reimbursements or ethics filings, please feel free to contact Rich Lambert, Executive Administrator of the Legislative Ethics Committee, at either richard.lambert@gc.nh.gov or (603) 271-3435.

As has been our practice in previous years, beginning the first week in July, the House and Senate Calendars will be alternating publishing every other week through the Summer (specific dates will be published in the next Calendar).

State offices will be closed on Friday, July 4th, in observance of Independence Day.

As a reminder, I urge all Members to exercise professional and respectful decorum when engaging in online activity. We owe it to our constituents to hold ourselves to a higher standard and always act in a dignified manner worthy of the offices we hold, no matter the platform.

I wish all Members a restful and relaxing Summer.

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 319

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 3, 2025, I have vetoed House Bill 319, relative to the responsibility of local school districts to provide transportation for pupils in kindergarten.

Half-day kindergarten helps provide New Hampshire children with an educational foundation that sets them up for a lifetime of success. To no longer require transportation for these children to and from these schools would place an undue burden on working families. It could force working families to choose between providing themselves or not having their children attended kindergarten at all. While school districts throughout New Hampshire should be actively looking for ways to effectively utilize their funding, this is a step in the wrong direction. For the reason stated above, I have vetoed House Bill 319.

Respectfully submitted,

Kelly A. Ayotte, Governor

Date: June 3, 2025
