GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 115

Given that House Bill 1 was signed into law, the continuing resolution contained in House Bill 115 is no longer needed. For this reason, I am vetoing House Bill 115.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 148

I believe there are important and legitimate privacy and safety concerns raised by biological males using places such as female locker rooms and being placed in female correctional facilities. At the same time, I see that House Bill 148 is overly broad and impractical to enforce, potentially creating an exclusionary environment for some of our citizens.

While I believe that the legislature should address this serious issue, it must be done in a thoughtful and narrow way that protects the privacy, safety, and rights of all New Hampshire citizens. However, with House Bill 148, I have concerns about the broadness of this bill, the unintended impacts accompanying its implementation, and that it will spur a plethora of litigation against local communities and businesses.

Furthermore, as the mother of a daughter who competed in three sports in high school, I have serious concerns about fairness and safety when biological males participate in women's sports. State law already rightly addresses this by prohibiting biological males from competing in girls' sports in K-12 schools. See RSA 193:41, RSA 193:42. While this law has been challenged in federal court, my administration will continue to vigorously defend it.

The language in House Bill 148 addressing women's sports is largely redundant and, frankly, weaker than the current law. This exact piece of legislation was vetoed by Governor Sununu last year, and for the reasons stated above, I have decided to do the same.

Respectfully submitted,
Kelly A. Ayotte, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 319

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 3, 2025, I have vetoed House Bill 319, relative to the responsibility of local school districts to provide transportation for pupils in kindergarten.

Half-day kindergarten helps provide New Hampshire children with an educational foundation that sets them up for a lifetime of success. To no longer require transportation for these children to and from these schools would place an undue burden on working families. It could force working families to choose between providing themselves or not having their children attended kindergarten at all. While school districts throughout New Hampshire should be actively looking for ways to effectively utilize their funding, this is a step in the wrong direction. For the reason stated above, I have vetoed House Bill 319.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: June 3, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 324

As a parent, I understand and appreciate the concerns parents have about their children being exposed to age-inappropriate or objectionable materials in schools. New Hampshire law requires school districts to adopt a policy allowing an exception to specific course material based on a parent's determination that the material is objectionable. See RSA 186:11:IX-c. Parents must be notified at least two weeks in advance of course materials that involve human sexuality, sexual education, sexual orientation, gender, gender identity, or gender expression. If a parent objects in writing, New Hampshire law further requires an alternative agreed upon between the school district and the parent.

Current State law appears to provide a mechanism for parents through their local school district to exercise their rights to ensure their children are not exposed to inappropriate materials. Therefore, I do not believe the State of New Hampshire needs to, nor should it, engage in the role of addressing questions of literary value and appropriateness, particularly where the system created by House Bill 324 calls for monetary penalties based on subjective standards.

Furthermore, I have concerns that that this bill envisions the possibility of extensive civil action over materials in our schools, which could open the door to unnecessary litigation from out-of-state groups. If the Legislature determines that RSA 186:11:IX-c is not being implemented or enforced adequately, the more suitable and narrow way to address these concerns would be to modify that statute.

For the reasons stated above, I have vetoed House Bill 324.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 356

Local school boards are run properly and in a nonpartisan manner. Additionally, there is no need to fix a system that is not broken. Making these local elections into partisan fights will create unnecessary division between Granite Staters.

For the reason stated above, I have vetoed House Bill 356.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 7, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 358

Childhood immunizations play an important role in preventing the resurgence and spread of previously deadly diseases. While parents must be the final decision makers on what immunizations their child receives, the State already has an established process by which parents can claim a religious exemption, and I see no reason to change it.

For this reason, I have vetoed House Bill 358.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 446

As a parent, I understand the concerns surrounding what type of material children are exposed to in school. With respect to the Youth Risk Behavior Survey, parents already have the freedom to opt their child out of taking it. I have heard tremendous concerns about this bill from those on the front lines of addressing our mental health crisis and helping those with substance use disorders, including state and local public health officials, youth mental health professionals, as well as the Governor's Commission on Addiction, Treatment, and Prevention. Making the survey "opt-in" rather than continuing to give parents the choice to opt their child out could lower participation and undermine the reliability of the data collected, jeopardizing efforts to respond to the needs of vulnerable youth in our state.

Moreover, it could reduce the State's eligibility to receive critical federal funding that helps us protect our most vulnerable. For the reasons stated above, I have vetoed House Bill 446.

Respectfully submitted,
Kelly A. Ayotte, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 475

Recruiting and retaining first responders is of paramount importance for public safety, and local departments across our state are facing enough difficulty with this already. This bill will make it even harder to hire police and fire personnel. The New Hampshire Association of Fire Chiefs and Association of Police Chiefs have written me that 'this bill, should it be signed into law, will have far reaching effects for public safety... [and] increase the length of time for roads to be plowed, fire department coverage, police response, and staffing.' It is also an unnecessary overreach by the State into municipal affairs. For these reasons, I have vetoed House Bill 475.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 613

This legislation impacts people with disabilities and would conflict with federal law that requires accessible voting systems be available at all polling places during federal elections.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: August 1, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 667

I do not believe the state should dictate to local school districts that they must show a high-quality computer generation or ultrasound video that shows the gestational development of a fetus in health classes. That is not an appropriate role for the State to be mandating such requirements. For the reasons stated above, I have vetoed House Bill 667.

Respectfully submitted,
Kelly A. Ayotte, Governor
Date: July 15, 2025

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 781

Thanks to the leadership of Representative Litchfield and others in the House and Senate, a bell-to-bell ban on cell phones in schools with stronger language was passed in House Bill 2. I am grateful for the work that went into getting that language into the budget which I signed into law. Our bell-to-bell ban will ensure students can learn without the distraction from screens and ensures teachers do not have to police cell phone use in the classroom, making New Hampshire an even better place to learn.

For the reason stated above, I have vetoed House Bill 781.

Respectfully submitted,
Kelly A. Ayotte, Governor
