HOUSE CALENDAR

MEMBERS OF THE HOUSE:

I hope you are enjoying some quiet time as our legislative business winds down for summer.

In keeping with past practice to minimize travel costs, there will be no legislative activity or mileage reimbursement in July and August, unless special circumstances arise and pre-authorization is granted or if you are a member of a statutory committee that is statutorily required to meet during that period. Standing committees may take up interim study work in June and/or September/October.

House members with inquiries about statutory or study commissions/committee appointments may send an email to houseappointments@gc.nh.gov or call the Speaker's Office at 603-271-3661.

When travelling out-of-state, and throughout your service in the House, please remember that your state issued EZ-Pass devices will not work outside of New Hampshire. Members are reminded to utilize our Visitor's Center staff if you wish to bring family and friends on a tour of our historic State House.

As always, please make every effort to be civil, kind and professional with your colleagues, staff, and constituents. Our principles of conduct (paragraph IV), appropriately require us to "...treat each other, legislative employees, and the public with dignity and respect." As elected officials we should hold ourselves to high standards even in the most contentious of times.

Sherman A. Packard, Speaker of the House

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 221

I have questions about the impact of this legislation. I understand that this language is also attached to another bill scheduled for a conference committee and will work with the conference committee in an effort to reach an outcome that is protective of ratepayers.

For the reasons stated above, I have vetoed House Bill 221.

Respectfully submitted,
Kelly A. Ayotte, Governor

GOVERNOR'S VETO MESSAGE REGARDING HOUSE BILL 1267

I appreciate the Legislature's attention to protecting children and respecting parental rights. However, I also have concerns about the scope and unintended impacts of this legislation as drafted. After consulting with the Attorney General's Office, this bill could both impede criminal investigations and negatively impact public safety.

For the reason stated above, I have vetoed House Bill 1267.

Respectfully submitted,
Kelly A. Ayotte, Governor
