HOUSE JOURNAL No. 22 (cont.)

Tuesday, June 22, 1999

(Speaker Sytek in the Chair)

RECONSIDERATION

Having voted with the prevailing side, Rep. Bruno moved that the House reconsider its action whereby it passed **HCR 10**, requesting Congress to give priority to preserving Social Security and ensuring that it continues as universal and mandatory for all workers.

Rep. Bruno spoke in favor and yielded to questions.

Rep. Jacobson spoke against.

Rep. Buckley requested a roll call; sufficiently seconded.

HOUSE JOURNAL No. 23

Wednesday, June 23, 1999

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Representative Gary L. Johnson from the Franconia Community Church of Christ.

Let us be in an attitude of prayer. God of the Universe, once again we come before You, ever mindful that we are both Your children and leaders of Your children. We are looked to for leadership and answers. We come before You in humility and humbleness, understanding our serious responsibility. We ask for Your guidance. Grant us wisdom, grant us understanding. Give us insight and sensitivity. Help us to remember that what we do today can make a difference for tomorrow. We pray for patience in our work and patience with each other. Bless the family of this House, representatives and staff; and bless their families who support their work and understand their absence. And now Lord, help us to always pray as if everything depended on You, and to work as if everything depended on us. Amen

Rep. Callaghan led the Pledge of Allegiance.

COMMITTEE REPORTS

CONSENT CALENDAR – PART II

Rep. Chandler moved that the Consent Calendar – Part II with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

HB 224-FN-A, establishing a joint committee on code enforcement and appropriating funds for hiring fire investigators in the division of fire safety. OUGHT TO PASS WITH AMENDMENT

Rep. Jeffrey C. MacGillivray for Finance: This bill establishes a joint committee on code enforcement. It also would have established two new fire investigators in the Division of Fire Safety, at a cost of \$270,000 in general funds for the biennium. The committee amendment removes the two new positions and the appropriation; since given the current budget situation, the committee is unable to support this appropriation at this time. Vote 18-0.

Amendment (1685h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a joint committee on code enforcement.

Amend the bill by deleting section 2 and renumbering the original section 3 to read as 2.

AMENDED ANALYSIS

This bill establishes a joint committee on code enforcement.

HB 297-FN, permitting a jury trial in the superior court for alleged violations of the state law against discrimination for a certain time period or with the written assent of the commission for human rights after an action has been filed with the commission. RE-REFER TO COMMITTEE

Rep. Susan W. Almy for Finance: This bill as amended by the policy committee allows both claimants and employers to remove discrimination complaints from the Commission for Human Rights after only three months. Since the average time to issue a decision (reduced two-thirds in recent years) has stabilized at 12-15 months, the Finance Committee felt that this would result in nearly all discrimination cases going to the court system. The bill was re-referred to get better information on the costs and on effects of changing the time period. Vote 19-0.

HB 417-FN-A, relative to the rehabilitation of the Walker building at New Hampshire hospital and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Robert E. Clegg for Finance: **This bill would appropriate \$340,000 of general funds for design work to rehabilitate the Walker building on the state hospital campus.** In light of the state's pressing financial needs at this time, the Committee felt it should delay considering this bill until next year Vote 16-0.

HB 498-FN, establishing a special education catastrophic aid fund and relative to exempting certain unexpected catastrophic special education expenses from the provisions of the municipal budget law. INEXPEDIENT TO LEGISLATE

Rep. Avis B. Nichols for Finance: **This bill would establish a \$2 million special education catastrophic aid fund.** It would also exempt certain unexpected catastrophic special education expenses from the municipal budget law. The Committee felt that the special education catastrophic aid fund was not needed, as school districts can borrow for these unanticipated expenses in advance of state reimbursement. The exemptions from the municipal budget law are taken care of in HB 577, which the Committee has recommended for passage. As a result, this bill is no longer needed. Vote 16-0.

HB 577, relative to the power of a school district to expend catastrophic special education funds and relative to the exemption of certain unexpected catastrophic special education expenses from the provisions of the municipal budget law. OUGHT TO PASS WITH AMENDMENT

Rep. Norman L. Major for Finance: This is a technical corrections bill. As amended, it authorizes a school district to expend funds reflecting the total catastrophic special education costs for pupils in the district and provides that certain catastrophic special education expenses which could not be identified or anticipated prior to the adoption of the school district budget shall be exempt from the provisions of the municipal budget law. The bill also clarifies the costs and the Department of Education liability for the cost of the school district borrowing relative to these special education funds. No additional general funds are involved. Vote 17-0.

Amendment (1474h)

Amend RSA 186-C:18, X as inserted by section 3 of the bill by replacing it with the following:

X. Unexpected special education costs incurred by a school district which are eligible for reimbursement from the state pursuant to RSA 186-C:18, III and which could not be identified prior to the adoption of the local district budget shall be exempt from the provisions of RSA 32:8, RSA 32:9, RSA 32:10, and RSA 32:11, III.

AMENDED ANALYSIS

This bill authorizes a school district to expend funds reflecting the total catastrophic special education costs for pupils in the district and provides that certain unexpected special education

expenses which are eligible for reimbursement from the state pursuant to RSA 186-C:18, III and which could not be identified or anticipated prior to the adoption of the school district budget shall be exempt from the provisions of the municipal budget law.

HB 618-FN-A, establishing a voucher program for smoking cessation and continually appropriating a special fund. RE-REFER TO COMMITTEE

Rep. Robert K. Boyce for Finance: This bill is not the first nor certainly the last seeking to allocate funds from the tobacco settlement. It sought to reserve a portion of the tobacco settlement money for a smoking cessation program. While the Committee felt this may be an appropriate use of these funds, since this money will most likely not be received until sometime next year it seems logical to re-refer this so that it can be considered along with other proposals which are sure to follow. Vote 23-0.

HB 630-FN-L, relative to the Skyhaven airport transfer plan. RE-REFER TO COMMITTEE

Rep. Paul J. Dwyer, Sr. for Finance: This bill would transfer the Skyhaven state airport to the city of Rochester. Due to time constraints and the overwhelming Finance Committee agenda this year, Division I felt it needed more time to address this matter. Vote 19-0.

HB 694-FN, relative to prevention and prohibition of MTBE contamination of drinking water, wells, and surface and groundwater resources. INEXPEDIENT TO LEGISLATE

Rep. Jeffrey C. MacGillivray for Finance: This bill relates to the study and control of methyl t-butyl ether (MBTE), a controversial gasoline additive. The House passed SB 70 last week, a slightly amended version of this bill with the fiscal impacts removed, and the policy committee has requested that we find this now-redundant bill Inexpedient to Legislate. Vote 17-0.

HB 699-FN-A, establishing the granite state scholars program and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Charles L. Vaughn for Finance: This bill establishes a Granite State Scholars Program which recognizes highly qualified high school graduates by providing them with incentive grants to pursue degrees at the state's public colleges. Private funds raised by the public institutions will be matched with state funds and together will be the source of student grants. **The bill calls for general fund appropriations of \$5 million for each year of the biennium.** The state's financial participation would end when it had contributed a total of \$25 million. In view of the shortage of state revenues to fund primary and secondary education pursuant to HB 117, the Committee cannot recommend passage at this time. Re-referring the bill will give the Committee the opportunity to consider other possible funding sources. Vote 16-0.

SB 37-FN, relative to fees for testing of domestic animals for disease. OUGHT TO PASS

Rep. Margaret A. Lynch for Finance: This bill requires fees for testing of domestic animals to include the costs of mileage, hourly wage and lodging be paid to the Department of Agriculture, Markets and Food. There is no impact on the general fund as the fees are paid by those using the service. Vote 19-0.

SPECIAL ORDER

SB 227-FN, establishing a gambling business felony. OUGHT TO PASS

Rep. Frank D. Callaghan for Criminal Justice and Public Safety: This bill establishes a gambling business felony. It makes it a misdemeanor for a person to knowingly and unlawfully permit gambling on the premises of a business conducted, financed, supervised, directed, or owned by such person. It makes it a felony for a person to knowingly and unlawfully conduct, finance, manage, supervise or direct any gambling activity of a certain magnitude or duration. It also requires persons convicted of illegal gambling operations to forfeit any implements, equipment, and apparatus, including money or proceeds wagered or gained by such gambling operations. Vote 10-7.

Rep. Welch spoke against.

Report failed.

Rep. Welch moved Ought to Pass with Amendment.

Rep. Loren Jean offered a floor amendment.

Floor Amendment (1765h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Business Conducting Illegal Gambling. Amend RSA 647:2 by inserting after paragraph I the following new paragraph:

I-a.(a) A person is guilty of a misdemeanor if such person conducts, finances, manages, supervises, directs, or owns all or part of a business and such person knowingly and unlawfully permits gambling on the premises of the business.

(b) A person is guilty of a class B felony if such person conducts, finances, manages, supervises, directs, or owns all or part of a business and such person knowingly and unlawfully conducts, finances, manages, supervises, or directs any gambling activity on the business premises which does any of the following:

- (1) Has had gross revenue of \$2,000 in any single day.
- (2) Has been or remains in substantially continuous operation for a period in excess of 10 days.
- (3) Accepts wagers exceeding \$5,000 during any 30 day period on future contingent events.

2 Effective Date. This act shall take effect January 1, 2000.

AMENDED ANALYSIS

This bill:

I. Makes it a misdemeanor for a person to knowingly and unlawfully permit gambling on the premises of a business conducted, financed, managed, supervised, directed, or owned by such person.

II. Makes it a felony for a person to knowingly and unlawfully conduct, finance, manage, supervise, or direct any gambling activity of a certain magnitude or duration on the premises of a business conducted, financed, managed, supervised, directed, or owned by such person.

Rep. Robert Lawton spoke against and yielded to questions.

Reps. Loren Jean and Welch spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Vaillancourt moved that ***SB 227-FN***, establishing a gambling business felony, be laid on the table.

Rep. Henderson requested a roll call; sufficiently seconded.

REGULAR CALENDAR – PART II

HB 25-FN-A, making appropriations for capital improvements. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: This is the capital budget bill. The Public Works and Highway Committee had done a fine job of reviewing requests to keep from exceeding the Treasurer's recommendation of \$50 million in general fund bonding.

Changes made by the Finance Committee were to extend bonding authority on ten projects approved in previous budgets, but about to lapse due to delays. Many of these requests arrived after Public Works' action on the bill.

The Department of Education expressed difficulty in accomplishing mandates from HB 117 without more information technology spending. **The committee added \$265,550 to their capital budget by reclassifying Department of Safety budget to highway funds. There was also a \$75,000 increase in Fish and Game bonding at the department's request.** Vote 15-0.

Amendment (1690h)

5 Expenditures; General. The appropriations made for the purposes mentioned in sections 1, 3, and 4 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

6 Expenditures; University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

V. Notwithstanding paragraphs I, III, and IV, the sums appropriated by section 2, paragraph A of this act for the Pettee Hall general renovation, may be expended and awarded by the trustees of the university system; provided that all contracts for all or any part of the building or facilities shall follow construction management procurement procedures and guidelines. If the trustees select construction management pursuant to this paragraph, paragraphs I, III, and IV shall not apply and the trustees shall retain the right to reject or negotiate following accepted construction management practices.

7 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, and 4 of this act, except such land, if any, as may be acquired under the appropriation for the department of environmental services, shall be purchased by the commissioner of the department of transportation with the approval of governor and council.

8 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$59,901,914 and for said purposes may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

9 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) Section 3 shall be made when due from the fish and game fund.

(b) Section 4 shall be made when due from the highway fund.

10 Liquidation. The state treasurer is authorized to deduct from the fund accruing to the university under RSA 187-A:7, or appropriation in lieu therefor, for each fiscal year such sum as may

be necessary to meet interest and principal payments in accordance with the terms and conditions of bonds and notes issued for the purpose of section 2.

11 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes of this act.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, and 4 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

12 Transfers. The individual project appropriations provided in sections 1, 2, 3, and 4 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by governor and council, or for expenditures made pursuant to section 6 by the trustees of the university system, to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget overview committee is obtained.

13 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3, and 4 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

14 Information Technology Equipment and Software. and the report was adopted.

Ordered to third reading.

Rep. Blaisdell did not vote and wished to be recorded in favor.

Amend the title of the bill by replacing it with the following:

AN ACT establishing a commission on the status of men.

Amend the bill by deleting section 4 and renumbering the original section 5 to read as 4.

AMENDED ANALYSIS

This bill establishes a commission on the status of men to address issues of cultural bias and stereotyping, health problems unique to men, and methods for encouraging personal growth.

The commission is terminated **HB 279-FN-A**, relative to refinancing the cost and rehabilitation of the Cheshire Bridge. RE-REFER TO COMMITTEE

Rep. Charles L. Vaughn for Finance This bill suggests refinancing the cost and rehabilitation of the Cheshire Bridge by abolishing the tolls used to pay off \$2,000,000 bonded indebtedness and authorizing bond payments from a special account established in the highway fund. Although the elimination of the toll collection is likely to have a positive economic impact on Charlestown and surrounding towns, the Finance Committee along with Public Works and Highways needs to determine the 4-to-1 federal match implications which would result from utilizing the gas tax funds towards bridge payments instead of using them for the federal match. **The use of \$2 million in gas tax funds over 5 years is likely to cause the loss of \$8 million in federal matching funds.** Moreover, the committee needs to consider the impact of the precedent set by this bill. Time is needed to get answers to these important questions. Vote 13-3.

Reps. Phinizy and Vaughn spoke in favor.

Adopted.

HB 303-FN-A, relative to the preservation of and access to legislative records and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Charles L. Vaughn for Finance: This bill is the result of a study committee (HB 111, Chapter 36:1, Laws of 1998). It requires the Division of Records Management and Archives, Department of State, to preserve legislative committee records, and appropriates general funds for equipment and other costs.

The study committee reviewed present procedures for receiving, storing and accessing our historical legislative records, reviewed various technologies, costs, durability and processes with many consultants, information system managers and others for accomplishing this task. The implementation and cost of the recommended preservation and electronic access plan is included in this bill. **With the sponsor's approval, we are recommending that this bill be re-referred to allow investigation of other methods of funding the \$140,000 cost.** Vote 17-2.

Adopted.

HB 553-FN-A, establishing a commission on the status of men, and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Robert K. Boyce for Finance: **This bill would require \$45,000 per year which is not in the budget.** The committee amendment removes the appropriation but leaves in the ability for the commission to accept and expend gifts or grants. Vote 17-2.

Amendment (1699h)

on September 1, 2005.

Adopted.

Rep. Bickford requested a roll call; sufficiently seconded.

The question being the adoption of the report.

Rep. Mock spoke against and yielded to ques**HB 617-FN-A-L**, relative to funding and monitoring seacoast harbor issues. RE-REFER TO COMMITTEE

Rep. Jeffrey C. MacGillivray for Finance: The committee has attempted to deal with the important harbor dredging and pier maintenance issues in this bill. Unfortunately time pressures have not allowed us to settle these issues and re-referral will give us the time to give these issues the full attention they deserve. The studies contained in this bill have been placed in HB 2. Vote 17-0.

Adopted.

HB 625-FN-A, relative to a mercury emissions reduction and control program and a study of mercury in ash landfills. OUGHT TO PASS WITH AMENDMENT

Rep. Jeffrey C. MacGillivray for Finance: This bill establishes a mercury emissions reduction and control program. The committee enthusiastically supports the provisions of this bill as they apply to the Penacook incinerators, since these will have no general fund impact. The committee was unwilling to fund 100% of the cost of the mercury emissions reduction equipment at the Claremont incinerator **(this would have cost over \$170,000 per year for 5 years)**, and was unable to determine what fraction the state should pay or whether Part 1, Article 28-a would apply. The committee amendment postpones the applicability of the new state mercury emissions standard for the Claremont incinerator until it is subject to a new federal standard which appears to be in the pipeline, and eliminates the now-unnecessary grant program. This will also allow additional time to examine additional options. There is no financial impact to the general fund in this bill as amended. Vote 18-0.

Amendment (1703h)

Amend RSA 125-L:3, I as inserted by section 1 of the bill by replacing it with the following:

I. Any municipal waste combustor with a design capacity to burn 100 tons per day or more of municipal solid waste which is subject to a federal maximum mercury emission rate of 0.08 milligrams per dry standard cubic meter (mg/dscm) or less shall reduce its mercury emissions to achieve a mercury emission rate of no greater than 0.028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis, or at least 85 percent control efficiency.

Amend RSA 125-L:4 as inserted by section 1 of the bill by replacing it with the following:

125-L:4 Rulemaking Authority. The commissioner shall adopt rules, under RSA 541-A relative to:

I. Procedures and frequency for stack testing, testing protocols, measurement methods, and other such actions as may be necessary to verify compliance with this chapter.

II. Fees for implementing and enforcing the terms and conditions relating to reduction of mercury emissions of a permit issued in accordance with RSA 125-C.

Amend RSA 125-L:5, I as inserted by section 1 of the bill by replacing it with the following:

I. No person shall operate a municipal waste combustor with the design capacity to burn 100 tons per day or more of municipal solid waste without a temporary or operating permit issued by the department in accordance with RSA 125-C. Any source subject to this section shall file a complete application for a permit or permit modification under the provisions of RSA 125-C and a plan for achieving compliance with this chapter. Combustors with a design capacity of 250 tons per day or more shall submit such plan and application by July 1, 2000 in order to comply by January 1, 2001 with the emission limits established by this chapter. Combustors with a design capacity of less than 250 tons per day but not less than 100 tons per day which are subject to RSA 125-L:3, I shall submit such plan and application by January 1, 2001 in order to comply by July 1, 2001 with the emission limits established by this chapter.

Amend RSA 125-L as inserted by section 1 of the bill by deleting RSA 125-L:8.

Adopted.

Report adopted and ordered to third reading.

HB 643-FN-A-L, transferring the regulation of emergency medical services from the department of health and human services to the department of safety. OUGHT TO PASS WITH AMENDMENT

Rep. Jeffrey C. MacGillivray for Finance: This bill transfers the regulation of emergency medical services from the Department of Health and Human Services to the Department of Safety. This transfer has been studied for several years and is supported by all relevant parties. All costs and appropriations of the division, previously budgeted under the Department of Health and Human Services are being transferred to the Department of Safety, so the only increased cost is due to converting the new division director from a classified employee to an unclassified employee.

The committee amendment completes the original intention of the bill to place all operating fees and operating revenues generated by this division in the general fund. Vote 15-0.

Amendment (1523h)

Amend RSA 21-P:12-b, II(l) as inserted by section 3 of the bill by replacing it with the following:

(l) With the approval of the commissioner, accept in the name of the state any and all donations and grants from any governmental unit, public agency, institution, person, firm, or corporation and receive, utilize, expend, and dispose of such funds subject to budgetary provisions, consistent with the rules of the department of safety and the purposes or conditions of the donation or grant.

Amend RSA 21-P:12-b, III as inserted by section 3 of the bill by replacing it with the following:

III. The receipt of a donation or grant under subparagraph II(l) shall be noted in the biennial report of the department of safety, which will also identify the nature of the donation or grant and the conditions of the donation or grant, if any. Any moneys received by the division pursuant to subparagraph II(l) shall be deposited in the state treasury to the account of the department of safety and shall not lapse. In addition, the division may receive, hold, and use gifts, bequests, and devises either outright or in trust for purposes consistent with this chapter.

Amend RSA 153-A:15 as inserted by section 6 of the bill by replacing it with the following:

153-A:15 Fees. The commissioner may charge a fee for licensure of an emergency medical service unit, an emergency medical service vehicle, or an emergency medical care provider. However, no fee shall be charged to a nonprofit corporation or volunteer association. The sums obtained from fees charged for licensure shall be forwarded to the state treasurer to be deposited into the general fund.

Amend paragraph II as inserted by section 12 of the bill by replacing it with the following:

II. All of the functions, powers, duties, and responsibilities of the department of health and human services, office of community and public health, bureau of emergency medical services are transferred to the department of safety, division of emergency medical services. The transfer provided for in this section shall include all of the personnel, books, papers, records, equipment, unexpended appropriations or other available funds in any account or subdivision of an account of the department of health and human services and authorized for use by the office of health management, bureau of emergency medical services, actions and other property or obligations of any kind of the department of health and human services, office of community and public health management, bureau of emergency medical services.

Amend paragraph IV as inserted by section 12 of the bill by replacing it with the following:

IV. Notwithstanding the provisions of RSA 21-P:3, II and RSA 21-P:12-b, the first term of the director of emergency medical services shall be for a period of one year. The initial salary for the first-appointed director of emergency medical services shall be at step 1 of RSA 94:1-a, group N.

Amend the bill by replacing all after section 12 with the following:

13 Contingency. Sections 1-12 of this act shall take effect on the date on which 1999, HB 1-A, An Act making appropriations for the expenses of certain departments of the state for the fiscal years ending June 30, 2000, and June 30, 2001, takes effect.

14 Effective Date.

I. Sections 1-12 of this act shall take effect as provided in section 13 of this act.

II. The remainder of this act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 649-FN, relative to nitrogen oxide emissions from electricity generation. OUGHT TO PASS WITH AMENDMENT

Rep. Jeffrey C. MacGillivray for Finance: This bill relates to air pollution emissions of nitrogen oxides from small power plants. There is no cost to the general fund, only the collection of funds for a dedicated fund. The committee amendment simplifies the dates on which charges collected change, and eliminates the collection of charges until January 1, 2000. Vote 17-0.

Amendment (1704h)

Amend RSA 125-J:13, II(b) as inserted by section 1 of the bill by replacing it with the following:

(b) The payment provided for in subparagraph II(a) shall be made annually and shall be equal to the number of tons of NOx emitted by the NOx-emitting generation source, less the tons of NOx not requiring emission reduction mechanisms under paragraph I, times a fee of \$200 per ton for tons emitted during the period running May 1 to September 30 and a fee of \$100 per ton for tons emitted during the period running October 1 to April 30. These fees shall be multiplied by:

(1) Zero for tons emitted prior to January 1, 2000.

(2) One for tons emitted between January 1, 2000 and June 30, 2000,
inclusive.

(3) Two for tons emitted between July 1, 2000 and June 30, 2001,
inclusive.

(4) Three for tons emitted between July 1, 2001 and June 30, 2002,
inclusive.

(5) Four for tons emitted between July 1, 2002 and June 30, 2003, inclusive.

(6) Five for tons emitted on or after July 1, 2003.

Adopted.

Report adopted and ordered to third reading.

HB 669-FN, relative to the determination of current comparable compensation for persons with gainful earnings who receive disability retirement benefits. OUGHT TO PASS

Rep. Jeffrey C. MacGillivray for Finance: This bill benefits a small number of employees who became disabled, attempted to return to work at a lower rate of pay, and subsequently lost some of their disability benefits as a result. The committee agrees that these employees should be commended for their attempt to return to work after their disability, not punished with a smaller disability benefit. **The total cost to the retirement system's special account will be \$786,000 in FY 2000.** By law, there is no current or future impact on the general fund. Vote 19-0.

Adopted.

REGULAR CALENDAR – PART II (CONT'D.)

HB 704-FN-A, establishing a wildlife damage control program and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Vivian R. Clark for Finance: This bill, as filed, would have obligated the Fish and Game Department to substantially increase its expenditures to assist farms and orchardists in fencing their fields, yet kept those farmers eligible to receive payment for crop damage caused by game. The policy committee amendment reversed the effect of the bill by reducing the amount of funding for fences, eliminating the appeals board, and repealing all of the game damage statutes. The amended bill was presented to the House as a compromise, but before the Finance Committee it became clear that this was not a compromise. Finance therefore first decided to recommend ITL, but was persuaded to reconsider.

Three members of Finance who thought that it might be possible to find a more acceptable compromise thus met in work session with representatives of both the Wildlife and Marine Resources and the Environment and Agriculture committees. The session was very informative, but we were unable to reach any agreement between the extremes of no fencing assistance and no damage payment program, and increased fencing assistance and maintenance of the existing damage payment program. However, neither side wanted ITL or Re-refer, either.

Finance members were sympathetic to the policy position that the state should not provide business risk protection for one specific type of free enterprise. However, we also felt that suddenly eliminating that protection for those who have made long-term investments based on its existence would likely create another area of litigation which could be very costly to the state.

The amendment put forth by the Finance Committee therefore reflects what we think is the most fiscally sound approach of eventually eliminating damage payments. **It allows growers who have already planted crops which normally produce yields for at least three years from one planting to apply for fencing assistance, and appropriates \$350,000 from Fish and Game funds for that purpose.** Fish and Game can decide who gets the assistance and when. It further provides that any grower who has made such application shall continue to be eligible for compensation for damages caused by game animals, but no longer birds, up until the grower gets the fencing assistance or his crop needs to be re-planted, whichever comes first. It also reinstates the appeals board because that is less expensive for everyone than appeals to a superior court.

Although we doubt that this amendment will satisfy those on either side of the argument, we believe that it is a reasonable solution to a very contentious issue Vote 17-0.

Amendment (1462h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a wild animal damage control program and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Legislative Findings and Purpose. The general court finds that wild animals are a valuable ecological, recreational, and economic resource enjoyed by New Hampshire citizens and by visitors to the state, however, the general court notes that damage to agricultural and horticultural products by game and other wild animals often creates conflicts and economic losses. The general court further finds that as a consequence of continued growth in New Hampshire's human population and development patterns that result in frequent contacts between people and wild animals, as well as increases in some wild animal populations, demands to address conflicts may be expected to increase in the future. Therefore, a wild animal damage control program is hereby formally established to minimize the effects of wild animals on agriculture, human health and safety, property, and natural resources by providing educational and technical advice and recommendations to all citizens while conserving the wildlife resources of the state.

2 Subdivision Heading Changed. The subdivision heading preceding RSA 207:22 is repealed and reenacted to read as follows:

Wild Animal Damage Control

3 Limitations for Persons Posting Property. RSA 207:22-a is repealed and reenacted to read as follows:

207:22-a Limitations for Persons Posting Property. Any person whose land is posted pursuant to RSA 635:4 to prohibit hunting shall forfeit the right to participate in the wild animal damage control program established pursuant to RSA 207:22-c, or to receive payment pursuant to RSA 207:23-a, except that this limitation shall not apply in the following circumstances:

I. To a person who posts only the person's land lying within 100 yards of a dwelling or other farm or outbuildings contiguous to the person's dwelling and used regularly by the person, or the person's family or tenant.

II. To any person whose land is posted for the protection of crops only during the closed season for the type of animals for which the person seeks assistance from the wild animal damage control program.

III. To any person who posts such person's land "Hunting by Permission Only", provided that the names and addresses of the hunters who have received permission to hunt that land in that year shall be furnished when requested by the executive director, and that in the judgment of the executive director, the history of hunter access and hunter density represents a good-faith effort by the landowner to allow hunting.

4 New Sections; Wild Animal Damage Control Program; Advisory Board Established. Amend RSA 207 by inserting after section 22-a the following new sections:

207:22-b Wild Animal Damage Control Advisory Board.

I. There is established a wild animal damage control advisory board which shall consist of the following members:

(a) The executive director of the fish and game department, or designee, who shall act as chairperson.

(b) The commissioner, department of agriculture, markets, and food, or designee.

(c) The director for New Hampshire of the United States Department of Agriculture, Animal and Plant Health Inspection Services, Wildlife Services, or designee.

(d) A fish and game commissioner appointed each fiscal year by the chairperson of the commission.

(e) The executive director of the New Hampshire Farm Bureau Federation.

II. The board shall have responsibility for the duties designated to the board under RSA 207:22-c, II.

III. The chairperson of the board shall submit an annual report by October 1 of each year, beginning in 1999, to the governor, the senate president, the speaker of the house, and the chairpersons of each of the senate and house standing committees having jurisdiction over wildlife and agriculture matters, relative to all receipts and disbursements of the wild animal damage control program established in RSA 207:22-c.

207:22-c Wild Animal Damage Control Program; Administration. There is established a wild animal damage control program which shall be administered by the executive director in cooperation with the United States Department of Agriculture and the New Hampshire department of agriculture, markets, and food. The program shall emphasize a comprehensive approach that integrates wildlife management and wildlife control methods and strategies and shall respond to conflicts between wild animals and human populations by stressing the importance of prevention of damage by initiating one or more of the following courses of action:

I. A general wild animal damage mitigation program:

(a) The general wild animal damage mitigation program shall address conflicts between wild animals and human populations by disseminating educational and technical information, and providing assistance. The program may make available various repellents, institute the loan of direct control devices and materials including electric fences and frightening devices, and make referrals to nuisance wildlife cooperators.

(b) Actions under this paragraph shall be of a temporary nature and may include any other nuisance control methods available, as determined by the executive director, or designee.

II. A cooperative fencing program:

(a) Commercial growers, whose crop normally produces significant yield for at least 3 years from the time of planting, may participate in a cost-share-fencing program on a 75 percent state to 25 percent commercial grower cost share basis. Under this program, the executive director may provide payment from funds designated for this program in the fish and game fund to an eligible commercial grower for the purchase of fencing materials and their installation, provided the commercial grower's participation and eligibility has been approved by the wild animal damage control advisory board.

(b) Commercial growers desiring to participate in the 75/25 cost share program shall submit written applications to the executive director in such manner as prescribed by the executive director on or before January 1, 2000. Separate applications shall be required for non-contiguous areas. Each application shall include a statement of the nature of the crop to be fenced and the date its planting was completed.

(c) Maintenance costs of installed fences shall be the responsibility of the applicant.

(d) The wild animal damage control advisory board shall determine on an annual basis no later than June 30 of each year the recipients of the fencing moneys for the ensuing year. The board will make its determinations based on urgency of need for damage relief, the remaining useful life of the planting, and any other factors necessary to ensure a fair and equitable allocation of funds. The decisions of the board shall be final.

(e) The failure of a commercial grower to properly install and maintain fencing purchased under this paragraph shall make the commercial grower ineligible to participate in this program until such time as approved by a majority of the wild animal damage control advisory board.

(f) The executive director shall adopt rules pursuant to RSA 541-A to implement and execute the cooperative fencing program, which may include but not be limited to eligibility criteria, fencing specifications, funding levels, and inspection procedures.

(g) The provisions and penalties of RSA 641 concerning false statements shall apply to all reporting and documentation required pursuant to this paragraph.

(h) For purposes of this paragraph, a "commercial grower" means any person who grows an agricultural or horticultural crop from which the person has derived, or reasonably expects to derive an annual gross income from the sale of crops normally produced of at least \$2500.

III. A depredation permit program:

(a) The executive director shall adopt rules, pursuant to RSA 541-A, regulating the issuance of depredation permits to kill animals causing damage to commercial crops. Such rules shall address the method and manner of taking animals, the disposition of animals taken under such permits, as well as the qualifications necessary to participate in the program. Such qualifications shall include, but not be limited to, the provision of information concerning the history of damage, the record of preventative methods used in the past, and the public hunting access history.

(b) The depredation permit program shall include the issuance of 2 pre-damage deer kill permits, each with 6 deer tags, to commercial growers as defined in RSA 207:22-c, II(h) upon request to the director. Issuance of pre-damage deer kill permits will facilitate protection of qualifying crops at the onset of deer visitation to said crops. Any deer taken under this provision shall be subject to investigation by the local conservation officer to determine whether or not the potential existed at the time of taking for damage to have occurred. Any additional depredation permits shall be issued following the procedures in this paragraph.

5 Damage by Game. RSA 207:23 is repealed and reenacted to read as follows:

207:23 Game Damage.

I. Commercial growers who have made application for inclusion in the fencing program under RSA 207:22-c, II may receive payment for damages to crops caused by game after the time that application is made and before the funds are made available for fencing and the fencing is installed, provided that:

(a) The crop for which application has been made was planted no later than June 1, 1999;

(b) The crop for which application has been made produces a significant yield for at least 3 years after planting;

(c) The crop, if an orchard, was planted no more than 20 years before the date of the damage, or if any other crop, was planted no more than 3 years before the date of the damage; and

(d) Installation of the fencing has not been unjustifiably delayed after receipt of funds from the fencing program.

II. A person who suffers loss or damage to crops, fruit trees, or nursery stock shall, if the person claims damages therefor, within 10 days from the discovery thereof, notify the executive director in writing of such damage. The executive director or agent shall investigate such claim within 30 days from the receipt of notice of such damage, determine whether such damage was caused by game, and appraise the amount thereof to be paid. The appraisal shall be made at the time of harvest. The executive director shall present a certificate of the amount of the appraisal to the governor, who is authorized to draw a warrant upon the fish and game fund in payment therefor.

6 Reference to Game Birds Removed. Amend RSA 207:23-b to read as follows:

207:23-b **Preventative Measures to Alleviate Damage.** Upon receiving a complaint of damages caused by ~~[game birds,]~~ game animals~~[-]~~ or mountain lions, the executive director may expend funds for materials and other preventive measures to alleviate the damage.

7 Depredation Permit Required. Amend RSA 207:26 to read as follows:

207:26 Killing by Land Owner of Bird or Animal Inflicting Damage. A person may pursue, wound or kill, on land owned or occupied by ~~[him]~~ **such person**, any ~~[wild]~~ **unprotected** bird or wild animal which ~~[he]~~ **the person** finds in the act of doing actual and substantial damage to poultry, **crops, domestic animals**, or ~~[his]~~ **the person's** property, and ~~[he]~~ may authorize, **for a wild animal**, a **family** member ~~[of his family or a person employed by him]~~, **employee, or other person requested** to do so under the provision of ~~[written authority or direction from]~~ **a depredation permit issued by the executive director pursuant to RSA 207:22-c, III.**

8 Discretion of Executive Director. Amend RSA 207:29 to read as follows:

207:29 Disposition of Game, etc., Killed. Any game or fur-bearing animal killed or wounded as provided in this subdivision shall, in the discretion of the executive director, be returned to the person who killed the same ~~[or]~~, be given to some charitable institution, **or otherwise disposed of.**

9 Appropriation; Funding.

I. There is hereby appropriated the sum of \$350,000 for the fiscal year ending June 30, 2000 from the fish and game fund to the fish and game department for the purpose of funding the wild animal damage control program, established in RSA 207:22-c.

II. The executive director may accept and expend federal funds and funds from any other source that may be designated for wild animal damage control programs.

III. The sums appropriated by this section shall not be used for any other purpose and shall be non-lapsing.

10 Applicability. The provisions of this act shall apply to claims applied for after the effective date of this act. Any claim applied for under the provisions of RSA 207:22-25 prior to the effective date of this act shall continue to be governed by the fish and game department laws and procedures in effect prior to the effective date of this act.

11 Repeal. RSA 207:22, relative to damage by game birds, is repealed.

12 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a wild animal damage control program and the wild animal damage control advisory board. The bill also repealed provisions relating to damage by game birds.

Rep. Abbott spoke against.

Reps. Vivian Clark, Patten and Alger spoke in favor.

tions.

Rep. MacGillivray spoke in favor and yielded to questions.

Rep. Mock offered a floor amendment.

Floor Amendment (1731h)

Amend the bill by replacing section 1 with the following:

1 Legislative Findings and Purpose. The general court finds that wild animals are a valuable ecological, recreational, and economic resource enjoyed by New Hampshire citizens and by visitors to the state, however, the general court notes that damage to agricultural and horticultural products by game and other wild animals often creates conflicts and economic losses. The general court further finds that as a consequence of continued growth in New Hampshire's human population and development patterns that result in frequent contacts between people and wildlife, as well as increases in some wildlife populations, demands to address conflicts may be expected to increase in the future. Therefore, a wildlife damage control program is hereby formally established to minimize the effects of wild animals on agriculture, human health and safety, property, and natural resources by providing educational and technical advice and recommendations to all citizens while conserving the wildlife resources of the state. In addition to the appropriation contained in this act, it is the intent of the general court and the fish and game department to secure the necessary appropriations in future bienniums to fund the wildlife damage control program.

Amend the bill by replacing section 9 with the following:

9 Appropriation; Funding.

I. There is hereby appropriated the sum of \$350,000 for the biennium ending June 30, 2001 from the fish and game fund to the fish and game department for the purpose of funding the wildlife damage control program, established in RSA 207:22-c.

II. The executive director may accept and expend federal funds and funds from any other source that may be designated for wildlife damage control programs.

III. The sums appropriated by this section shall not be used for any other purpose and shall be non-lapsing.

Rep. Aikens spoke against.

The floor amendment was adopted.

The question now being the adoption of the report.

Rep. Melcher spoke against.

Rep. Mock spoke in favor.

Rep. Mirski requested a roll call; sufficiently seconded.

On a division vote, 184 members having voted in the affirmative and 95 in the negative, the motion was adopted.

Rep. Bruno did not vote and wished to be recorded against.

Rep. Burling withdrew floor amendment (1734h) offered on June 22, 1999.

Rep. Burling offered a floor amendment.

Floor Amendment (1763h)

Amend the bill by replacing all after the enacting clause with the following:

1 Intent. The purpose of this bill is to make those changes to the general laws necessary to effectuate the intent of the operating budget, but which are prohibited from being included in the operating budget by Part II, Article 18-a of the New Hampshire Constitution.

2 Pharmaceutical Purchasing Program; Department of Health and Human Services. Subject to the approval of the governor and executive council, the commissioner of the department of health and human services may implement a pharmaceutical purchasing initiative by contracting with an established entity for the purchase of maintenance drugs at the lowest pricing available for recipients under federally-funded programs, including the medicaid program. Any such contracts for the purposes of this section shall have the authority to establish a pharmaceutical network and a capacity for processing the prescription volume anticipated for medicaid and other recipients.

3 Additional Revenues; Department of Health and Human Services. Notwithstanding any provision of the law to the contrary, the legislative fiscal committee and the governor and council may authorize the commissioner of the department of health and human services to accept and expend additional revenues, in excess of or in addition to the budgeted amounts, from any source, which become available to the department. Such additional revenues shall be available to the department of health and human services to supplement funds in the following subcomponents: division of family assistance's food stamp administration, division for children, youth, and families' settlement program, division of family assistance's New Heights maintenance services, division for children, youth, and families' NH Bridges maintenance services, the office of program support, division of child support's New England Child Support Enforcement System maintenance services, and any other such subcomponent that requires deficit reduction or for which revenue has been specifically obtained.

4 Transfer of Funds by Division of Children, Youth, and Families, Department of Health and Human Services. Notwithstanding any other provision of law, the division for children, youth, and families, department of health and human services, may, with approval of the fiscal committee and the governor and council, transfer in each of the fiscal years 2000 and 2001 up to \$200,000 in funds which would otherwise lapse to the salary adjustment fund from class 10, personal services

permanent in components 05, 01, 03, 02, 01 and 05, 01, 03, 03, 01 to class 91 training in component 05, 01, 03, 06, 00, to provide training for social workers and juvenile service officers.

5 Authority to Fill Unfunded Positions; Department of Health and Human Services. Notwithstanding any other provision of law, the commissioner of the department of health and human services may fill any authorized unfunded positions during the biennium ending June 30, 2001, provided that the total expenditures shall not exceed the amount appropriated for personal services, permanent and personal services, unclassified.

6 Transfer of Authority; Department of Health and Human Services. Notwithstanding any provision of law to the contrary, the commissioner of the department of health and human services may make transfers among any and all accounts and program appropriation units of the department of health and human services, with the exception of benefit appropriations which shall be limited to transfers between benefit appropriation accounts, as the commissioner shall deem necessary and appropriate to effect a reorganization of the department, address present or projected deficits, or respond to changes in federal laws, regulations, or programs and otherwise as necessary for the efficient management of the department. The commissioner may transfer not more than \$2,277,000 in general funds each year for the purpose of increasing salaries for direct care providers for persons with developmental and acquired disabilities. Applicable matching federal funds shall be accepted to the extent that they become available in accordance with section 3 of this act. The commissioner shall not execute a transfer without obtaining the approval of the legislative fiscal committee and the governor and council.

7 Department of Administrative Services; State Facility Energy Cost Reduction; Definitions; Energy Cost Saving Measure; Debt Service Extended. Amend RSA 21-I:19-b, I to read as follows:

I. "Energy cost saving measure" means any construction, improvement, repair, alteration, or betterment of any building or facility or any equipment, fixture, or furnishing to be added to or used in any building or facility that will be a cost effective energy-related project. This shall include any project that will lower energy or utility costs in connection with the operation or maintenance of such building or facility and will achieve energy cost savings sufficient to recover any project costs or incurred debt service within [7] 10 years from the date of project implementation.

8 Department of Administrative Services; State Facility Energy Cost Reduction; Energy Performance Contracting; Contract Period Extended. Amend RSA 21-I:19-d, II(d)-(f) to read as follows:

(d) The term of any energy performance contract entered into pursuant to this section shall not exceed [7] 10 years.

(e) Any contract entered into shall contain the following annual allocation dependency clause: "The continuation of this contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the applicable funding authority. If that authority fails to appropriate sufficient funds to provide for the continuation of the contract, the contract shall terminate on the last day of the fiscal year for which allocations were made."

(f) Any energy performance contract should require the contractor to include all energy efficiency improvement in selected buildings that are calculated to recover all costs within [7] 10 years at existing energy prices. The contract shall require that the public utility or energy services provider be repaid solely from energy cost savings and only to the extent of energy cost savings. Repayments shall be interest-free.

9 Appropriation; Office of Energy and Community Services. The sum of \$5,147 for the fiscal year ending June 30, 1999, is hereby appropriated to the governor's office of energy and community services for the purpose of satisfying disallowed federal reimbursed costs as observed and disclosed in a financial audit of the office. This appropriation shall be in addition to any other sums appropriated to the governor's office of energy and community services. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

10 Budget Surplus; Transfer to Education Trust Fund. Notwithstanding RSA 9:13-e, any general fund undesignated surplus for the fiscal year ending June 30, 1999 up to \$20,000,000 shall be transferred to the education trust fund established pursuant to RSA 198:39. Any general fund undesignated surplus in excess of \$20,000,000 shall be transferred according to RSA 9:13-e.

11 Addition to Personnel Group. Amend RSA 94:1-a by inserting in group N:

Warden, Northern New Hampshire Correctional Facility, department of corrections

12 Applicability of Salary Classifications. The warden of the Northern New Hampshire Correctional Facility (formerly the Berlin prison facility) on the effective date of this act shall become the unclassified warden at step 4 in group N.

13 Pease Development Authority Bonds; Comprehensive Development Plan Required; Bond Guarantee Amount Reduced. Amend RSA 12-G:27-b, I to read as follows:

I. Notwithstanding any other provision of law and subject to approval by the fiscal committee of the general court of a comprehensive development plan for the former Pease Air Force Base prepared and submitted by the Pease development authority, the governor and council may award an unconditional state guarantee of the principal and interest thereon of bonds issued under this section. The full faith and credit of the state shall be pledged for any such guarantees of principal and interest, but the total amount of the principal of bonds guaranteed by the state under this section shall not exceed [~~\$60,000,000~~] **\$35,000,000**, plus interest. The comprehensive development plan shall include the designation and delineation of a research district within the bounds of the former Pease Air Force Base. The governor, with the advice and consent of the council, is authorized to draw [his] a warrant for such a sum out of any money in the treasury not otherwise appropriated, for the purpose of honoring any guarantee awarded under this section. The state's guarantee shall be evidenced on each guaranteed bond by an endorsement signed by the state treasurer in substantially the following form:

The state of New Hampshire hereby unconditionally guarantees the payment of the whole of the principal and interest thereon of the within bond and for the performance of such guarantee the full faith and credit of the state are pledged.

State Treasurer

14 Repeal. RSA 12-G:27-b, II, relative to state guarantee of bank financing for Pease development plan, is repealed.

15 Rehiring; Laid-Off State Employees. The provisions of 1990, 261:1, as amended by 1991, 4:10 and 355:103, relative to rehiring of laid-off state employees, shall apply to any person laid-off between July 1, 1999, and June 30, 2001, as a result of any state law, regardless of the funding

source for the person's position. The head of each department or agency shall submit the names and classification of individuals laid-off from July 1, 1999, to June 30, 2001, to the director of the division of personnel within 10 days of the layoff.

16 Labor; Public Employee Labor Relations; Bargaining by State Employees; Joint Committee on Employee Relations; Order of Members Changed; Member Added. RSA 273-A:9, V(a) is repealed and reenacted to read as follows:

(a) The joint committee on employee relations shall include the following members:

- (1) Speaker of the house of representatives.
- (2) President of the senate.
- (3) Majority leader of the senate.
- (4) Majority leader of the house of representatives.
- (5) Minority leader of the senate.
- (6) Minority leader of the house of representatives.
- (7) Senate finance committee chairperson.
- (8) House of representatives finance committee chairperson.
- (9) Senate capital budget committee chairperson.
- (10) House of representatives public works and highways committee chairperson.
- (11) Senate ways and means committee chairperson.
- (12) House of representatives finance committee vice chairperson.
- (13) House of representatives labor, industrial, and rehabilitative services committee chairperson.
- (14) House of representatives labor, industrial, and rehabilitative services committee ranking minority member.
- (15) Senate insurance committee chairperson.
- (16) Senate insurance committee vice chairperson.

17 New Subparagraphs; Labor; Public Employee Labor Relations; Bargaining by State Employees; Joint Committee on Employee Relations; Alternates. Amend RSA 273-A:9, V by inserting after subparagraph (d) the following new subparagraphs:

(e) The president of the senate may appoint one or more alternates to serve on the joint committee on employee relations in the event that a senate member is unable to attend.

(f) The speaker of the house of representatives may appoint one or more alternates to serve on the joint committee on employee relations in the event that a house member is unable to attend.

18 Feasibility Study; Mutual Use of Coast Guard Facilities. The department of safety, division of safety services, the New Hampshire state port authority, and the fish and game department shall jointly prepare a study relative to the feasibility of an agreement for the mutual use of United States Coast Guard facilities. The division, the authority, and the department shall report their joint findings and any recommendations for executive or legislative action to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 1999.

19 Navigation Project Obligations; Report by Port Authority. The New Hampshire state port authority shall prepare a report relative to justifications for the United States Army Corps of Engineers to release the state from its obligation to dredge the Hampton-Seabrook Harbor under the 1964 agreement relative to the Navigation Project for the Improvement of Hampton Harbor, NH. The authority shall report its findings and any recommendations for proposed executive or legislative action to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 1999.

20 Committee to Study the Protection of Waterfront Properties from Erosion.

I. Committee Established. There is established a committee to study the protection of waterfront properties from erosion.

II. Membership and Compensation.

(a) The members of the committee shall be as follows:

(1) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(2) Three members of the senate, appointed by the president of the senate.

(b) Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. Duties. The committee shall study the potential establishment of joint state and local projects to protect from erosion selected waterfront properties along the seacoast and various rivers throughout the state. The committee shall examine options for sharing the cost of the design, engineering, and construction of such projects.

IV. Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

V. Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 1999.

21 Route 93 Borrow-a-Lane Project; Appropriation. The sum of \$30,000 is appropriated for the fiscal year ending June 30, 2000, and the sum of \$30,000 is appropriated for the fiscal year ending June 30, 2001, to the department of transportation for the operation and maintenance of temporary southbound lanes on Route 93 in Concord and Bow which can be utilized on an as needed basis. This appropriation shall be a charge against the highway fund.

22 Interstate Cooperation; Reference Deleted. Amend RSA 421-B:31-a to read as follows:

421-B:31-a Interstate Cooperation. The secretary of state and ~~his~~ **the secretary of state's** staff shall maintain close relations with the securities and corporate administrators of other states and shall actively participate in the activities and affairs of the North American Security Administrators Association and other organizations so far as it will, in the secretary of state's judgment, enhance the purposes of the securities and corporate laws [and shall be exempt from the provisions of RSA 9:25]. The actual and necessary travel and related expenses incurred in attending meetings of said association, their committees, subcommittees, hearings, and other official activities, as well as the general expenses of participation in such associations, shall be a charge on available funds and the appropriation of the office of the secretary of state.

23 Repeal. RSA 9:25 and 9:26, relative to expenses for out-of-state trips by state officials or employees, are repealed.

24 Deputy Director of Motor Vehicles. Amend RSA 21-P by inserting after section 11 the following new section:

21-P:11-a Deputy Director of Motor Vehicles.

I. The commissioner of safety shall nominate a deputy director of motor vehicles for appointment by the governor, with the consent of the council. The deputy director of motor vehicles shall serve a term of 4 years, and may be reappointed. The deputy director of motor vehicles shall be qualified to hold that position by reason of education and experience.

II. The deputy director of motor vehicles shall perform such duties as are assigned by the director of motor vehicles. The deputy director of motor vehicles shall assume the duties of the director of motor vehicles in the event that the director of motor vehicles is unable for any reason to perform such duties.

III. The salary of the deputy director of motor vehicles shall be as specified in RSA 94:1-a.

25 Change of Title of Position. Amend 94:1-a, I, group N by deleting the director of enforcement, department of safety and inserting in place thereof the deputy director, division of motor vehicles, department of safety.

26 Classified Salaries; October 1, 1999. RSA 99:1-a is repealed and reenacted to read as follows: 99:1-a Salaries Established. The salary ranges for all classified state employees commencing October 1, 1999, shall be established as follows:

MOTION TO SPECIAL ORDER

Rep. Peterson moved that **HB 707-FN**, relative to the family division of the courts be made a special order for the next session day in the regular calendar order .

On a division vote, 233 members having voted in the affirmative and 6 in the negative, the motion was adopted by the necessary two-thirds.

REGULAR CALENDAR - PART II (CONT'D.)

SB 12-FN-A, relative to the World War II memorial campaign and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Jeffrey C. MacGillivray for Finance: This bill would have appropriated \$60,000, representing \$1 for each of the 60,000 New Hampshire World War II veterans, as a contribution to a national World War II memorial. The committee is aware that considerable private funds have also been raised, but given the current budget situation, the committee is unable to support this appropriation at this time. In a few months the situation may have changed. Vote 12-5.

Rep. Kurk spoke against.

On a division vote, 17 members having voted in the affirmative and 227 in the negative, the report failed.

Rep. Kurk moved Ought to Pass.

On a division vote, 238 members having voted in the affirmative and 9 in the negative, the motion was adopted by the necessary two-thirds.

Ordered to third reading.

SB 36-FN-A, relative to salary increases for care providers for persons with developmental and acquired disabilities and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Robert K. Boyce for Finance: There was discussion about whether this proposed increase of funds would actually increase the pay to direct care personnel since there was testimony that not all are receiving the current \$7.54 rate. There is no money in the proposed budget or in the governor's budget to pay the \$4.5 million annual cost of this increase. We would like to re-refer this bill in order to find further answers to the problems brought to the committee. Vote 16-3.

Rep. Manning spoke in favor.

On a division vote, 205 members having voted in the affirmative and 30 in the negative, the report was adopted by the necessary two-thirds.

MOTION TO SPECIAL ORDER

Rep. Jacobson moved that SB 40, relative to the health care fund be made a Special Order for the next session day in the Regular Calendar order.

On a division vote, 225 members having voted in the affirmative and 17 in the negative, the motion was adopted by the necessary two-thirds.

REGULAR CALENDAR - PART II (CONT'D.)

SB 134-FN, relative to medicaid reimbursement rates and dental care. RE-REFER TO COMMITTEE

Rep. Robert K. Boyce for Finance: This bill sought to increase the rate of reimbursement to dentists for services to Medicaid-eligible children in the expectation that this increase would result in more children being treated by dentists. This bill would increase general fund spending by \$350,000 in fiscal year 2000, increasing subsequently to \$1.1 million in fiscal year 2003. Such additional funds are not available at this time. Re-referring this bill will allow the committee to investigate other possible sources of funding.

In addition, significant questions were raised regarding the existence of other reasons why so few dentists will treat these children, beyond the current Medicaid reimbursement rates. The fraction of Medicaid children already being treated in New Hampshire is already significantly above the national average. Time is needed to get answers to these important questions. Vote 11-7.

On a division vote, 226 members having voted in the affirmative and 13 the negative, the report was adopted by the necessary two-thirds.

SB 145-FN-A, relative to state financial aid for state fairs, and making an appropriation therefor. INEXPEDIENT TO LEGISLATE

Rep. Jeffrey C. MacGillivray for Finance: This bill would have appropriated \$250,000 annually from the general fund to support state agricultural fairs. The committee does not believe that this appropriation is of sufficient comparative importance to be funded in this biennium. Vote 15-4.

On a division vote, 209 members having voted in the affirmative and 28 in the negative, the report was adopted by the necessary two-thirds.

SB 205-FN, expanding medical coverage to pay dental assistance for adults on medicaid. INEXPEDIENT TO LEGISLATE

Rep. Robert K. Boyce for Finance: These are new services not now provided, and there is a question about a 28-a violation since 25% of the cost would fall upon the counties. While the cost of this in 2000 would have been \$200,000 in general funds, it is projected to grow to \$1.5 million in 2003. There is no money in the proposed budget or in the governor's budget to pay for this. Vote 11-7.

Rep. Kurk spoke against.

On a division vote, 15 members having voted in the affirmative and 232 in the negative, the report failed.

Rep. Kurk moved Re-refer to Committee.

On a division vote, 241 members having voted in the affirmative and 6 in the negative, the motion was adopted by the necessary two-thirds.

SENATE MESSAGES

REQUEST CONCURRENCE WITH AMENDMENTS

HB 675-FN, extending the applicability of postsecondary educational assistance for New Hampshire national guard members and requiring an annual reporting from state-supported postsecondary institutions. (Amendment printed, SJ 23, 6/17/99)

Rep. O'Hearn moved that the House concur and spoke in favor.

On a division vote, 225 members having voted in the affirmative and 4 in the negative, the motion was adopted by the necessary two-thirds.

HJR 2, urging that federal air pollution programs not punish early adopters of air pollution control technology. (Amendment printed SJ 24, 6/22/99)

Rep. Norelli moved that the House concur and spoke in favor.

On a division vote, 228 members having voted in the affirmative and 3 in the negative, the motion was adopted by the necessary two-thirds.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly Enrolled House Bills 1, 325 and 428.

Rep. Ronald Nowe, Sen. D'Allesandro for the Committee

RECONSIDERATION

Having voted with the prevailing side, Rep. Welch moved that the House reconsider its action whereby it ordered to third reading, SB 227-FN, establishing a gambling business felony and spoke against.

Rep. Welch requested a roll call, sufficiently seconded.
