RECESS

(Rep. Sloan in the Chair)

senate messages

concurrence

HB 212-FN, providing an alternative method of calculating state education property tax hardship relief and authorizing the commissioner of the department of revenue administration to establish certain positions.

HB 424, establishing a committee to study the exemption from property taxes for not-for-profit hospitals.

HB 581-FN, relative to the authority of the commissioner of agriculture, markets, and food to search for invasive species.

HB 1102, establishing a hazardous waste coordinator certificate program and making an appropriation therefor.

HB 1112, relative to the notice period for hearings on excavation permits.

HB 1118, relative to participation by certain judges in the state employee group health and dental insurance programs.

HB 1119-FN-L, relative to landfill closing costs reimbursed by the department of environmental services.

HB 1190, relative to a one-year certificate of eligibility to teach.

HB 1246, relative to the chairperson of the board of recount in school district recounts.

HB 1274, relative to town clerks and deputy town clerks.

HB 1305-FN, relative to the pollution prevention program.

HB 1308, relative to checklist corrections on election day.

HB 1336-FN, permitting wine manufacturers to be issued restaurant licenses.

HB 1352-FN-L, relative to establishing a hazardous duty classification in the length of service awards program.

HB 1354-FN, licensing body art practitioners.

HB 1372-FN, relative to certain residential care facilities.

HB 1373-FN, relative to the participation in the New Hampshire retirement system by certain school district employees.

HB 1398, relative to the vote required for issuance of bonds by the Sunapee water and sewer commission.

HB 1419-FN-A, increasing the capital appropriation made to the fish and game department for the Barry conservation camp building replacement.

HB 1438-FN-A, relative to registration of health clubs.

HB 1439-FN-A, relative to an agreement between the state of New Hampshire and city of Laconia and making an appropriation therefor.

HB 1440-FN-A-L, establishing a New Hampshire local government records management improvement program and fund.

HB 1455-FN-L, establishing portability of a person's qualifying retirement funds for the purchase of permissive service credit in the New Hampshire retirement system.

HB 1460-FN, relative to penalties for alcohol- and drug-related offenses.

HB 1465, extending the New Hampshire task force on deafness and hearing loss.

HB 1473-FN-A, relative to the capital appropriation made to the department of transportation for the new garage and testing lab facility.

HB 1482-FN-A, re-authorizing the motor oil discharge cleanup fund established under RSA 146-F, and establishing new positions at the department of environmental services and making appropriations therefor.

nonconcurrence

HB 1230-FN, authorizing the commissioner of the department of education to expend funds for special education advocacy.

HB 1284, relative to the time frame for petitions for zoning changes submitted to local planning boards.

HB 1288, relative to regular meetings of local planning boards.

enrolled bill amendments

HB 701, relative to municipal limitation of renewable energy systems.

Amendment (3496 -EBA)

Amend the bill by replacing sections 2-3 with the following:

2 Purposes of Zoning Ordinances. Amend RSA 674:17, I(h)-(i) to read as follows:

(h) To assure proper use of natural resources and other public requirements;
[and]

(i) To encourage the preservation of agricultural lands and buildings; **and**

(j) To encourage the installation and use of solar, wind, or other renewable energy systems and protect access to energy sources by the regulation of orientation of streets, lots, and buildings; establishment of maximum building height, minimum set back requirements, and limitations on type, height, and placement of vegetation; and encouragement of the use of solar skyspace easements under RSA 477. Zoning ordinances may establish buffer zones or additional districts which overlap

existing districts and may further regulate the planting and trimming of vegetation on public and private property to protect access to renewable energy systems.

3 Subdivision Regulations. Amend RSA 674:36, II(i)-(j) to read as follows:

(i) Prescribe minimum areas of lots so as to assure conformance with local zoning ordinances and to assure such additional areas as may be needed for each lot for on-site sanitary facilities; ~~and~~

(j) Include provisions which will tend to create conditions favorable to health, safety, convenience, or prosperity; **and**

Encourage the installation and use of solar, wind, or other renewable energy systems and protect access to energy sources by the regulation of orientation of streets, lots, and buildings; establishment of maximum building height, minimum set back requirements, and limitations on type, height, and placement of vegetation; and encouragement of the use of solar skyspace easements under RSA 477.

Adopted.

HB 1107, establishing a committee to study the telephone policies for juveniles under the care of the department of youth development services.

Amendment (3507-EBA)

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

Adopted.

HB 1153, establishing a committee to study the jurisdiction of the board of manufactured housing, and relative to addressing the location of the records of the board of manufactured housing.

Amendment (3437-EBA)

Amend section 7 of the bill by replacing line 1 with the following:

7 Effective Date. This act shall take effect upon its passage

Adopted.

RECESS

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 13

Thursday, April 25, 2002

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

O God, the Creator of all that is, seen and unseen, we give You grateful thanks for the good earth which You have given us and for the beauty of our beloved New Hampshire. We thank You for wonders too numerous to count: for the beauty of the North Country, the Great Bay and Lake Winnepesaukee, for sugar maples, giant rhododendron, the endangered Greater Marsh Bellflower, for curious black bears, graceful Great Blue Heron and for the shy Common Loons that grace our lakes. Help us to protect, preserve and pass on to future generations the natural order that You have given us for beauty and for life-giving food and resources.

Please bless the work of this honorable House today and be with all those who bravely defend the freedoms we share. Amen.

Rep. David M. Russell led the Pledge of Allegiance.

The National Anthem was sung by Elise Boutin and Julia Puglisi, students from Manchester's Central High School.

LEAVES OF ABSENCE

Reps. Balboni, Bishop, Cardin, Chabot, Feuerstein, Jane Kelley, Kobel, Langer, Lefebvre, O'Keefe and Zolla, the day, illness.

Reps. Andosca, Arndt, Batchelder, Bellavance, Bridle, Claire Clarke, Clemons, DeChane, Dewhirst, Dyer, Edwards, Fesh, Karl Gilbert, Hager, Hill, Introne, LaFlamme, Stephen L'Heureux, O'Neil, Owen, Pepino, Rausch, Rice, Rodd, Sweeney and Tsiros, the day, important business.

Reps. Flint and Gargas, the day, illness in the family.

INTRODUCTION OF GUESTS

Patti Puglisi, former Rep. David Boutin and Janet Boutin, guests of the Speaker. Katya Sullivan and Beth Reed, wife and guest of Rep. Peter Sullivan. Patricia Higgins, guest of the Hanover delegation. Marie Manning, guest of Rep. Manning. Febie Salts, wife of Rep. Salts. Bill Bradley, husband of Rep. Paula Bradley. Sam Slack, son of Rep. Slack. Ruth Ann Williams, Carrie Williams and Kendra

Simpson, wife and granddaughters of Rep. Burton Williams. Frankie Sapareto, son of Rep. Sapareto. Ansel Braseth, guest of Rep. Cox.

regular calendar

suspension of rules

Rep. Kurk and Foster moved that the Rules be so far suspended as to permit reporting after the deadline and consideration at the present time of **SB 352**, establishing a committee to study alternative regional public school programs for children who are at-risk,

Rep. Mirski requested a roll call; sufficiently seconded.

The question being adoption of the motion to suspend the rules.

and the motion was adopted by the necessary two-thirds.

SB 352, establishing a committee to study alternative regional public school programs for children who are at-risk. **OUGHT TO PASS WITH AMENDMENT**

Rep. for : This bill as amended does five things:

It establishes a committee to study regional schools for at-risk children, which was the purpose of the original bill.

It creates an optional school building aid grant formula which targets more construction aid to needy towns based on median family income and equalized valuation per pupil, but does not decrease the amount of aid that any district would receive under the current distribution formula. The new optional formula takes effect after April 1, 2006, the date by which all municipalities must have certified property reassessments. This alternative building aid program is estimated to cost the general fund \$150,000 in its first year (FY 2007), \$300,000 the next year, \$450,000 the third year and so on, assuming the program does not cause school districts to change their construction plans.

It establishes maximum per square foot construction costs and maximum space standards for new buildings and additions (but not for renovations) effective July 1, 2003. The adoption of such standards was recommended by the September 2001 LBA school construction aid performance audit. These standards should decrease general fund expenditures for building aid by a small but indeterminable amount.

It authorizes high school vo-tech programs which enter into a lease agreement for permanent space to receive school building aid grants under certain circumstances. This could have a small but indeterminable impact on general fund expenditures.

It establishes an early learning and literacy program that, as HB 757, has already passed the House Education Committee, the House Finance Committee and the full House with very strong affirmative votes. Since the Senate has substantially modified HB 757, the committees believe the House should re-state its strong support for its original position. Vote .

Amendment (3616h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study alternative regional public school programs for children who are at-risk, relative to the formula for distributing school building aid grants, permitting high school vocational technical education programs which lease space to be eligible for

school building aid grants, and establishing an early literacy and reading improvement program, and making an appropriation therefor.

Amend RSA 198:15-u, I as inserted by section 8 of the bill by replacing it with the following:

I. "Median family income" means that income for each municipality using the most recent data available from the United States Bureau of the Census.

Amend RSA 198:15-v, II and III as inserted by section 8 of the bill by replacing them with the following:

II.(a) The amount of the annual grant in this subdivision shall be a sum equal to a percentage of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district, joint maintenance agreement, or receiving district, for all approved costs of construction or purchase of school buildings and school administrative unit facilities, for which loans are approved after April 1, 2006 according to the following table:

Building Aid Factor	Single District Preexisting District in a Cooperative School District, A.R.E.A. School, or	
	Joint Maintenance Agreement	
0-59	60 percent	60 percent
60-69	55 percent	60 percent
70-89	45 percent	55 percent
90-114	40 percent	50 percent
115 or greater	30 percent	40 percent

(b) The percentage once determined for a particular borrowing shall not thereafter be subject to change.

III. A cooperative school district, receiving district operating an A.R.E.A. school, or joint maintenance agreement grant amount shall be determined by calculating the percentage of the average daily membership in residence represented by each municipality which has entered into the agreement and multiplying this percentage by each municipality's percentage of annual building aid eligibility under paragraph II of this section. This product shall be multiplied by the projected cost of the building project. The sum of the resulting products shall be the annual building aid grant for the cooperative school district, A.R.E.A. school, or joint maintenance agreement.

Amend the bill by replacing all after section 8 with the following:

9 School Building Aid; Amount of Annual Grant. Amend RSA 198:15-b, IV(c) to read as follows:

(c) Planning, construction, or both, of additions to existing buildings ~~to provide additional pupil capacity~~.

10 New Paragraph; School Building Aid; Cost and Size Standards. Amend RSA 198:15-b by inserting after paragraph VI the following new paragraph;

VII. In this paragraph, "new construction" means additional square footage but shall not mean the renovation of school buildings or school administrative unit facilities. The provisions of this paragraph shall apply to any school building aid grants made pursuant to RSA 198:15-a through RSA 198:15-w.

(a) The department of education shall issue annually maximum eligible cost standards for the construction of new school buildings or school administrative unit facilities, less site acquisition costs, qualifying for school building aid. These standards shall take into account the type, size, and location of the school or school administrative unit facility and shall be based on an appropriate construction cost index developed or adopted by the department which shall reflect cost differences in the several regions of the state. Maximum cost standards shall be computed and published annually and expressed as a maximum cost per square foot.

(b) Maximum size standards for new construction shall be as follows:

(1) Maximum gross square footage per pupil:

Elementary school 120

Middle or junior high school 140

Senior high school 160

(2) Maximum usable site size for new schools:

Elementary School 20 acres plus 1 acre for each 100 pupils

Middle or junior high school 25 acres plus 1 acre for each 100 pupils

Senior high school 30 acres plus 1 acre for each 100 pupils

(c) For the purpose of calculating the total school building aid grants made under RSA 198:15-a through RSA 198:15-w, the final approved cost for school construction or school project, shall not exceed the cost that would result if the project conformed to the maximum cost and size standards. The provisions of this section shall not preclude an eligible applicant from exceeding the maximum standards provided, however, the cost of the portion of the facilities which exceed the maximum standards shall not be eligible for school building aid. The maximum cost and size standards in effect at the time general contract work begins shall be used for the purposes of determining school building aid.

(d) The commissioner of the department of education shall have the authority to waive eligible cost and size standards for new construction for good reason shown.

11 School Building Aid; High School Vocational Technical Education Programs. Amend RSA 198:15-a to read as follows:

198:15-a Annual Grant for the Payment of Debt Service for School Construction. To aid local school districts in meeting the costs of the payment of debt for school buildings and educational

administration buildings, including office facilities for school administrative units, ***and to meet the costs of leasing permanent space in a building or buildings which are used for the operation of a high school vocational technical education program*** the state board of education shall, from funds appropriated by the general court to carry out the provisions of this subdivision, pay annually to the school districts of the state, sums in accordance with the provisions of this subdivision.

12 New Section; School Building Aid; Grants for High School Vocational Technical Education Programs. Amend RSA 198 by inserting after section 15-h the following new section:

198:15-i Annual Grant for Leased Space.

I. The amount of the annual grant to any school district duly organized, any city maintaining a school department within its corporate organization, any cooperative school district as defined in RSA 195:1, or any receiving district operating an area school as defined in RSA 195-A:1, shall be a sum equal to 30 percent of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district, joint maintenance agreement, or receiving district, heretofore or hereafter incurred, for the cost of leasing permanent space in a building or buildings located outside of the school district or school administrative unit which is used for the operation of a high school vocational technical education program, to the extent approved by the state board of education, provided that the amount of the annual grant in the case of a cooperative school district, joint maintenance agreement, or a receiving district operating an area school, shall be 40 percent plus 5 percent for each pre-existing district in excess of 2 and each sending district, in excess of one, and provided further that no cooperative school district, joint maintenance agreement, or receiving district operating an area school, shall receive an annual grant in excess of 55 percent. Such lease agreements shall be eligible for grants under this section, provided all of the following conditions apply:

(a) A school district, city, cooperative school district, joint maintenance agreement, or receiving district operating an area school as defined in RSA 195-A:1, which receives grants under this section shall remain eligible to apply for, receive, and expend moneys from other state or federal sources made available for the purpose of purchasing new equipment, materials, or supplies necessary for the operation of the program. Moneys received from such other state or federal sources shall not be used to make permanent upgrades or renovations to the leased space.

(b) A lease agreement for permanent space shall be adopted in the same manner as required by law for the passage of construction bonds in the school district, city, cooperative school district, joint maintenance agreement, or receiving district operating an area school as defined in RSA 195-A:1.

(c) An initial lease agreement for a term of 10 years or less shall be eligible to receive grants under this section. Upon renewal, a lease agreement may remain eligible to receive grants, provided the commissioner of the department of education determines that the lease agreement represents an efficient use of state and local resources.

(d) In any fiscal year where the state pays a pro rata share of school building aid grants, the state shall pay the same pro rata share for lease agreements approved under this section.

II. Lease agreements for the use of portable or modular classroom space shall not be eligible for grants.

III. A school district, city, cooperative school district, joint maintenance agreement, or receiving district operating an area school as defined in RSA 195-A:1, shall submit details of the lease arrangement, including a copy of the proposed lease agreement, in writing to the state board of education on such forms as the state board may prescribe. Grant applications for leased space shall be submitted before January 1 of each year in order to be eligible for grants in the fiscal year following the year of submittal. The state board of education shall, no later than August 1, 2002, adopt rules pursuant to RSA 541-A, relative to procedures for grant applications for leased space.

13 Department of Education; School Building Aid Information. No later than January 1, 2003, the commissioner of the department of education shall provide to the general court and the governor, information from the most recent 5 years detailing the total square footage of school construction projects for which school building aid grants were disbursed categorized by existing building size, size of the addition, new building size, and in each case the type of school and number of pupils served.

14 New Chapter; Early Literacy and Reading Improvement. Amend RSA by inserting after chapter 193-F the following new chapter:

CHAPTER 193-G

EARLY LITERACY AND READING IMPROVEMENT

193-G:1 Purpose. The general court finds that in order to implement New Hampshire's policy of providing all pupils with the opportunity to acquire an adequate public elementary and secondary education, it is essential that by the end of grade 3 virtually every child is reading independently at grade level. Therefore, the general court enacts a program of professional development and support for those who impact the child's reading skill: parents and early child care providers who prepare young children for reading, and primary school teachers.

193-G:2 Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of education.

II. "Department" means the department of education.

III. "State board" means the state board of education.

IV. "Primary school" means a school that includes grades K-3 or any grouping thereof.

V. "Pre-school children" means children through age 5 that are not enrolled in a primary school.

VI. "Early child care providers" means individuals that are paid to provide care and education to children through age 5 that are not enrolled in a primary school.

VII. "Early childhood specialist" means an experienced teacher who, by virtue of specialized training, appropriate experience, and demonstrated success, has the knowledge and skills necessary to provide early learning and reading assistance to other individuals.

VIII. "Primary caregivers" means parents, guardians, or others with primary responsibility for the child.

193-G:3 Comprehensive Early Literacy and Reading Improvement Program; Policy. It shall be the policy of this state to provide outcome-proven programs of support and education to primary caregivers, early child care providers, and primary school teachers and administrators that shape the language and literacy development of children through a comprehensive, coordinated, early literacy and reading improvement program which shall:

I. Provide primary caregivers with an outcome-proven program of information and support including the key elements of the young child's developing early literacy knowledge and skills.

II. Provide to early childhood providers:

(a) An outcome-proven program of instruction and support in the developing literacy of pre-school children delivered by early childhood specialists.

(b) Scholarships to participate in college credit courses in the development of early literacy in pre-school children.

III. Provide primary school teachers and administrators with structured, outcome-proven, school-wide professional development in reading instruction through the use of intensive summer institutes, regional meetings, and reading specialists who will provide follow-up activities and continuous technical assistance during the school year. Participating teachers will receive training and materials to implement baseline and checkpoint reading assessments on an individual basis in grades 1 and 2.

IV. Involve institutions of higher education in partnerships to:

(a) Better prepare new teachers to utilize outcome-proven early literacy knowledge and skills and deliver outcome-proven reading instruction.

(b) Coordinate opportunities for local school districts, institutions of higher education, early child care providers, and primary caregivers to work together to deliver high-quality, outcome-proven reading instruction to primary school children as well as provide research-based support for the development of early literacy in preschool children.

193-G:4 Early Literacy and Reading Improvement Program Established.

I. There is hereby established an early literacy and reading improvement program in the department of education. This program shall provide education and support to primary caregivers of young children, early child care providers and primary school teachers and administrators in developmentally appropriate literacy instruction. Beginning July 1, 2003, approximately equal parts of any funds appropriated shall be used to support the provisions of RSA 193-G:3, I-III.

II. The program shall design and implement a structured observation program to determine the extent to which pupils at earlier ages are making progress toward reading at grade level by the end of grade 3; determine if pupils at the end of grade 3 are reading at grade level by implementing an assessment instrument developed by the department and approved by the state

board of education; and provide early literacy and reading improvement assistance, including grants, to local school districts. The program shall also develop, provide, and evaluate outcome-proven programs and courses established in RSA 193-G:3, I-III, and shall provide technical assistance and professional development activities through grants, contracts with consultants, and the employment of individuals to fill authorized, program-related positions.

III. For the fiscal year beginning July 1, 2003, and each fiscal year thereafter, grants to local school districts shall be used to address the areas specified in RSA 193-G:3, as well as other demonstrated needs related directly to early literacy and the improvement of reading. The administration of the early literacy and reading improvement grant program involves the following:

(a) Establishing forms and procedures for districts to use for the development and submission of early literacy and reading improvement grant requests, including:

(1) A detailed plan and budget, with the opportunity to request up to 3 years of financial assistance for both primary school professional development and preschool or caregiver components; and the further opportunity to apply for additional assistance based on demonstrated need.

(2) An assurance that grant funds will be used only to supplement and not supplant on-going local efforts.

(3) A description, if applicable, of how grant activities were planned in consultation with, and will be implemented in coordination with the goals of the program, institutions of higher education, early child care providers, and primary caregivers.

(4) A delineation of the geographic area to be served by the project.

(b) Providing assistance to districts in the development of grant requests.

(c) Establishing an equitable grant review process that:

(1) Includes an evaluation of each proposal's adequacy, educational appropriateness, and cost effectiveness, and the extent to which additional revenues are required to implement the proposed plan and activities.

(2) Gives priority to districts with lower-performing schools in reading that have satisfactorily addressed the review criteria in subparagraph (1) and are proposing reasonable efforts to address early literacy needs and/or improve reading performance.

(d) Reviewing grant requests with recommendations for approval, including level of funding and, to the extent possible, balanced geographic distribution.

(e) Distributing grant payments to school districts in accordance with an established payment schedule specified in the district's grant approval notification.

(f) Monitoring the implementation of funded plans and activities.

(g) Evaluating the educational impact of the programs established in RSA 193-G:3, I-III on:

(1) Parent and early childhood provider understanding of child development concepts.

(2) Adult-child interactions in early childhood programs, as well as the phonological awareness, development of vocabulary, access to books and appropriate reading and writing opportunities, and understanding of print concepts of children in early childhood programs.

(3) Reading skill and comprehension in primary school students.

193-G:5 Rulemaking. The state board shall, pursuant to RSA 541-A, and not later than July 1, 2004, adopt rules relative to the administration of the early literacy and reading improvement program established in RSA 193-G:3 and RSA 193-G:4.

193-G:6 Early Learning Oversight Committee Established.

I. An early learning oversight committee shall be established and shall consist of the following members:

(a) Three members of the house of representatives, appointed by the speaker of the house.

(b) Three members of the senate, appointed by the senate president.

(c) Three members of the public appointed by the governor, 2 of whom shall serve a 2-year term, and one of whom shall serve a 3-year term.

(d) Two members of the public, appointed by the speaker of the house, one of whom shall serve a 3-year term and one of whom shall serve a 2-year term.

(e) Two members of the public, appointed by the senate president, one of whom shall serve a 3-year term and one of whom shall serve a 2-year term.

II. Legislative members of the committee shall serve a term of office coterminous with their membership in the general court.

III. Legislative members of the committee shall receive mileage at the legislative rate while attending to the duties of the commission.

193-G:7 Duties.

I. The duties of the early learning oversight committee shall be to:

(a) Examine administrative models in place in New Hampshire and in other states to determine the most effective administrative structure and oversight to assure the effective implementation of the early literacy and reading programs funded in this act.

(b) Determine the most effective administrative relationship between the department of education, the department of health and human services and other providers of early literacy and reading programs to assure that the services provided interact in a manner which promotes efficiency and maximizes benefits to children.

(c) Review the development and implementation of the program to ensure it is in accordance with legislative policy. Implementation of the program shall be consistent with the committee's determinations in subparagraphs (a) and (b).

(d) Oversee the outcome-proven early literacy and reading improvement programs established in RSA 193-G:3, I-III, including the impact of each program on the improvement of reading skills and comprehension of students in low-performing schools.

(e) Oversee the effect of each early literacy and reading improvement program established in RSA 193-G:3, I-III on the improvement of reading skill and comprehension of students in low-performing schools and early literacy and language skills of children in child care settings in the region of the schools.

II. The department of education shall provide administrative oversight and support to the committee.

193-G:8 Report. The committee shall submit a report of its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the state library, and the governor on or before November 1 of each year.

15 Appropriation; Positions Established.

I. The sum of \$485,349 for the biennium ending June 30, 2003 is hereby appropriated to the department of education to be used for the purposes set forth in this section. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

II. The department of education is hereby authorized to establish one program administrator position at labor grade 28, one education consultant position at labor grade 27, and one program assistant position, at labor grade 12 from funds appropriated in this act.

III. Funds appropriated in this section shall be used for the salary, benefits, equipment, and current expenses resulting from the new positions established in this act, to develop and implement the end of grade 3 reading assessment required in RSA 193-G:4, II, and to implement the early literacy and reading improvement program as set forth in RSA 193-G:4.

16 Effective Date.

I. Section 10 of this act shall take effect July 1, 2003.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Establishes a committee to study alternative regional public school programs for children who are at-risk.

II. Creates an optional school building aid grant formula which shall be available to school districts beginning in the 2003-2004 school year.

III. Establishes maximum cost and maximum size standards for the purpose of construction or purchase of school buildings or school administrative units.

IV. Authorizes high school vocational technical education programs which enter into a lease agreement for permanent space to receive school building aid grants under certain circumstances.

V. Establishes an early literacy and reading improvement program and makes an appropriation of \$485,349 for the biennium ending June 30, 2003.

Adopted.

The question is now on adoption of the committee report.

Rep. Sova inquired if Sections 6 through 13 of the bill could be divided.

The Speaker ruled that the bill was divisible and that without objection, Sections 6-13 would be considered at the present time.

Rep. Sova spoke against.

Rep. Ward spoke in favor and yielded to questions.

Sections 6 through 13 adopted.

Rep. Alger inquired if Sections 14 and 15 of the bill could be divided.

The Speaker ruled that the bill was divisible and that without objection, Sections 14 and 15 would be considered at the present time.

Rep. Alger spoke against and yielded to questions.

Rep. Linda Foster spoke in favor.

Rep. Souza spoke against and yielded to questions.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Alger requested a roll call; sufficiently seconded.

The question being adoption of Sections 14 and 15 of the bill.

None

and Sections 14 and 15 of the bill were adopted.

The question now being adoption of the remainder of the bill.

Adopted.

Ordered to third reading.

suspension of the rules

Rep. Kurk and Foster moved that the Rules be so far suspended as to permit third reading and final passage at the present time of **SB 352**, establishing a committee to study alternative regional public school programs for children who are at-risk.

On a division vote, 249 members having voted in the affirmative and 78 in the negative, the motion was adopted by the necessary two-thirds.

third reading motion on sb 352

Rep. Scanlan moved that **SB 352**, establishing a committee to study alternative regional public school programs for children who are at-risk, be read a third time by this resolution, and that its title be the same as adopted, and that it be passed at the present time.

Adopted.

Third reading and final passage

SB 352, establishing a committee to study alternative regional public school programs for children who are at-risk.

RULES SUSPENSION

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit Committee of Conference meeting without the 24-hour advance posting.

Reps. Herman and Burling spoke in favor.

Rep. Soltani spoke against.

On a division vote, 218 members having voted in the affirmative and 108 in the negative, the motion was adopted by the necessary two-thirds.
