Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as amended by the Senate, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Determining Qualifications of Applicant; Identity; Verification.

Amend RSA 654:12 by inserting after paragraph II the following new paragraphs:

III. To prove the qualifications set forth in paragraphs I and II, an applicant for registration as a voter must prove his or her identity to establish that the evidence used to prove age, citizenship, and domicile relate to the applicant. A person who has in his or her immediate possession a photo identification approved for use by paragraph II must present that identification when applying for registration. A person who does not have an approved photo identification with him or her may establish identity through any reasonable means, including, but not limited to: photo identification not approved by paragraph II, but determined to be legitimate by the supervisors of the checklist or clerk, verification of the person's identity by another person registered as a voter and known to the supervisor or clerk, or completion of the affidavit to be completed by a challenged voter. Residents of a

nursing home or similar facility may prove their identity through verification of identity by the administrator of the facility or by his or her designee. For the purposes of this section, the application of a person whose identity has been verified by an official of a nursing home or similar facility shall be treated in the same manner as the application of a person who proved his or her identity with a photo identification.

IV. Any person who is applying for registration as a voter and who is currently registered to vote in a different town or ward in New Hampshire shall complete the voter registration form provided for in RSA 654:7. If the election official receiving the application confirms through the centralized voter registration database required by RSA 654:45 that the applicant is currently registered to vote in New Hampshire, the applicant shall prove identity and domicile, but shall not be required to prove his or her age or citizenship.

V.(a) The election official approving the application for registration as voter of a person who does not present an approved form of photo identification as proof of identity when registering, shall mark the voter registration form to indicate that no photo identification was presented. The person entering the voter information into the centralized voter registration database shall determine if the person is listed in the system as having been previously registered in the town or ward reported by the applicant on the voter registration form. If the person is a new registrant who has not been previously registered anywhere in New Hampshire or if the centralized voter registration database does not confirm a previous registration claimed on the voter registration form, the election official shall cause the record created in the centralized voter registration database to indicate that the person is a new applicant in New Hampshire and that no photo identification was presented. When municipalities enter information on people who register on election day into the centralized voter registration database, to the extent practical applicants who are registering for the first time in New Hampshire and who also register without presenting an approved photo identification shall be entered first.

(b) The secretary of state shall cause a letter of identity verification to be mailed by first class mail to each voter identified at a state general election as a first-time election day registrant in New Hampshire who also did not verify his or her identity with an approved photo identification. The letter shall be mailed within 90 days after the general election. The secretary of state shall mark the envelope with instructions to the United States Post Office not to forward the letter and to provide address correction information. The letter shall notify the person that a person who was unable to present photo identification registered or registered and voted using his or her name and address and instruct the person to contact the attorney general immediately if he or she did not register and vote.

(c) The secretary of state shall cause any letters mailed pursuant to subparagraph (b) that are returned as undeliverable by the United States Post Office to be referred to the attorney general. Upon receipt of notice from a person who receives a letter of identity verification that the person did not register and vote, or upon receipt of a referral from the secretary of state, the attorney general shall cause an investigation to be made to determine whether fraudulent registration or voting occurred.

2 Obtaining a Ballot; Verification of Age. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot. A person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the ***paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the correction.*** The voter, if still qualified to vote in the town or ward and unless challenged as provided for in RSA 659:27-33, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the

enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, the following protest was presented to be entered on the Permanent Journal.

HB 656, as approved by the House, unlawfully and in violation of the provision of our constitution delegates the authority to make decisions concerning life and death of ill citizens to unknown “facilities”, though enactment of “policies”. This bill is an abrogation of our constitutional duty to ensure that the life of the citizens are properly protected. This bill elevates private policies to the level of duly enacted laws by this legislature, exposing the most vulnerable among us to untimely death.

Those who need the protection of the law the most, are placed at the mercy of unelected, and unaccountable entities which may be chartered for profit. This bill extends unprecedented degree of immunity where there should be none. This bill also attempts to confuse, beguile and mislead, through rewriting the common meaning of words and phrases. The bill redefines euthanasia, and by far, this bill is the most shameful act of this legislative session. The House should not grant an immunized license to kill innocent lives.

Reps. Soltani, Boyce, Crane, Carter, Bergeron, Carew, Balboni, Hopfgarten, Gionet, Hutchinson, Merrow, Forsing, Belanger, Rosen, Ulery, Hinkle, Adams, Lund, Babson, Waterhouse, Nowe, Reeves, Introne, Griffin, P. Katsakiores, Desmarais, Dumaine, Villeneuve, Elliott, Hagan, Tahir, Pepino, Morris, Bettencourt, Hirschmann, Souza, Itse, Carson, Mirski, Ingbretson, Newton, Mead, Hellwig, Cady, O'Brien, Wendelboe, and Rowe.

ADJOURNMENT FROM THE EARLY SESSION

Rep. O'Neil moved that the House now adjourn from the early session, that the business of the late session be in order at the present time and when the House adjourns today it be to meet Wednesday, June 28, 2006 at 10:00 a.m.

LATE SESSION

UNANIMOUS CONSENT

Reps. Graham, Sheila Francoeur, Cooney, and Lawrence Brown addressed the House.

REMARKS

Rep. Weyler moved that the remarks of Rep. John A. Graham be printed in the Permanent Journal.

Adopted.

Rep. Graham: Thank you, Mr. Speaker. Thank you, my colleagues. It is late and I will be even briefer than I had planned on, but, "freedom is not free." These words adorn the Korean Memorial in Washington, DC and over the last three centuries hundreds of thousands of our citizens have given of themselves in order to ensure that we can meet in places such as this. It is, therefore, entirely fitting that this true citizen's legislature take a few moments at the conclusion of its work to ponder the meaning of this coming weekend. I'm speaking about Memorial Day and its significance. Memorial Day is not just the start of summer. It's not just the day to sell clothes or furniture or cars. It is the day for us to reflect on the truism of that statement that "freedom is not free." I would like to ask each of you in this hall and all of you who are listening to join me this weekend in your local community to participate in a Memorial Day ceremony of some type. If you're not having one, please join me next

Wednesday, May 30th, at the Boscawen cemetery at 11:00 a.m. and we will remember those who have gone forward. But in remembering, I would like us to pay our special respects to our own citizens who have fallen in the ongoing global war on terrorism.

PFC Nicholas Cournoyer, USA, of Gilmingtton; Lance Cpl. Robert Moschillo, USMC, of Salem; PFC George Roehl, Jr., USA, Manchester; PFC Matthew Bertolino, USMC, Hampstead; CPO Dan Healy, USN, of Exeter; Cpl. Timothy Gibson, USMC, of Merrimack; Lance Corporal Adam Brooks, USMC, of Manchester; Specialist Alan Burgess, Army National Guard, of Landaff; Specialist Jeremy Reignier, USA, of Littleton; MSG Richard Furguson, USA, of Conway; SGT Randy Rosenberg, USA, of Berlin; SFC Robert Rooney, Army National Guard, of Nashua; SGT William Tracy, Jr., USA, of Webster and SGT Angelo Lozada, Jr., USA, of Nashua.

If I have either mispronounced or missed a name, I sincerely apologize.

And while we are all standing, I would like to ask that we take a moment of reverence in silence to honor their devotion to duty and to our country.

Thank you, Mr. Speaker.

Rep. Mirski moved that the remarks of Rep. Sheila T. Francoeur and Richard T. Cooney be printed in the Permanent Journal.

Adopted.

REMARKS

Rep. Sheila Francoeur: Thank you, Mr. Speaker. Honorable members of the House. Yes, those rumors that you have heard are true. I am not running again. And I thank you all who have come up to me and asked, "Are those rumors really true?" It was not an easy decision to make because being a part of this legislative body has been an honor for me, as well as an education. But, for me, ten years is enough.

I still remember the first Organization Day, walking over from Storrs, coming up the path to the State House, looking up at the dome glittering in the sunlight, and wondering, "What the heck have I gotten myself into?" How quickly I found out.

It was a privilege for me to be here under Speaker Sytek, who for me will always be the epitome of style and grace and leadership as she presided over this House. She assigned me to the Commerce Committee, my first choice. You know, they say that you can always remember your first Chairman. And I can tell you, I will always remember the honorable member from Rindge. During orientation I tell new members how important committee work is. That is where you develop the skills, learn the process, compromise and hopefully, create good legislation. I served as Clerk and Vice Chair on Commerce and during that time I learned a great deal from my Chairman. He was a good mentor and I thank him for that. Next, I was privileged to serve on the leadership team of Speaker Chandler as Majority Whip and I learned how to count votes. Whenever I have been at NCSL or any function that legislators from other states are at, they never failed to ask me, "How can you count the votes in a body as large as this?" My response was always, "Very carefully." I would always tell Speaker Chandler, "Don't worry, we have the votes." His reply was, "What are the numbers?" I learned to count very carefully.

My two years as Majority Whip, followed by two years as Speaker Pro Tem, allowed me to work with many committees and I got to know many of you. I hope that I had the opportunity to help you with your issues. But I always kept my seat on Commerce. So, Mr. Speaker, when you asked me to chair the Commerce Committee, I was surprised, but I was honored and I thank you for giving me that opportunity.

When I first ran for this House, I was a little concerned, because I did not have a cause or a passion. Nothing for any particular issue. I thought all politicians had to have a cause or an issue. I watched the honorable member from Weare and wished I had his passion for privacy issues. I share his concern, but not his passion. But after all this time, I finally realized that I do have a passion and it's for the process. Now, that's not as exciting as getting up here

and giving a “Give me liberty, or give me death” speech. But without the process, I can tell you we will not have the liberty. Process involves many facets, knowing the rules, following tradition, debating the issues, disagreeing but being respectful. It doesn’t make any difference whether we have an “R” or a “D” after our names. We are all here for the same purpose. To represent the citizens of New Hampshire and we should be ever mindful of the process that allows us to do that.

When I finally take the legislative plate off my car, I will be left with many memories of the wonderful friends I have met here, and how much I enjoyed knowing and working with you all. I will be forever grateful to my constituents for allowing me to represent them here for these five terms. It has been an honor and a privilege. And I thank you.

REMARKS

Rep. Cooney: That’s hard to follow but this is my first and last time to use Unanimous Consent because I, too, am not running for re-election. It’s time for me to move on to other things. It’s been my honor and privilege to serve the people of my district and the people of New Hampshire for the last ten years. I have learned a lot here. One of the things I learned is it’s a tough job to be a representative and you work hard. And I want to thank you for what you do. I will appreciate it in the future. I want to leave you with these words, “Like the old grandfather clock, old politicians never die, they just don’t run anymore.” Thank you, Mr. Speaker.
