HOUSE JOURNAL No. 19

Wednesday, September 24, 2008

The House assembled at 10:00 a.m. and was called to order by the Speaker.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

Reconvening God, You who blesses us with summer breaks, also finds ways to bring us back into the stream of life where we are most needed. Sometimes You bring us back with a lurch and a start, sometimes smoothly and gently. So whether we find ourselves back here today as this gathered body lurching or transitioning smoothly, help us to remember that what we do here today and every time we meet is important, far-reaching work that affects many lives. Be with us in the carrying and the shaping of the work that we do. Give us ears to hear one another fully, awareness to know our own positions clearly, and hearts willing to respond to You if we sense the movement of Your Spirit. Be with those in this House and in our families who are in need of Your care or Your healing today. In Your Holy name we pray. Amen.

Rep. William Knowles, member from Dover, led the Pledge of Allegiance.

The National Anthem was sung by Jessica Graham, a junior at Exeter High School and granddaughter of Rep. Don Petterson.

GOVERNOR'S VETO MESSAGE ON HB 1220

June 27, 2008

By the authority vested in me, pursuant to part II, article 44 of the New Hampshire Constitution, on June 27, 2008, I vetoed House Bill 1220, an act establishing a study commission to study the taxation of alternative fuel and electric powered motor vehicles for the purpose of funding improvements to the state's highways and bridges.

While I appreciate the efforts of the sponsors of this legislation, I am concerned that this may send the wrong message about our commitment to developing alternative fuels and alternative vehicles.

Over the long term, alternative fuels and electric powered motor vehicles will help New Hampshire families and businesses lower their fuel costs, make our air and water cleaner, and provide new economic development opportunities.

These products and technologies are still in their infancy, and I am concerned that the consideration at this time of new taxes on this class of fuels and vehicles will harm the growth of this important new technology.

Respectfully submitted,
John H. Lynch
Governor

The question being, notwithstanding the Governor's veto, shall **HB 1220**, establishing a study commission to study the taxation of alternative fuel and electric powered motor vehicles for the purpose of funding improvements to the state's highways and bridges, become law?

Rep. Daniel Eaton spoke against.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

GOVERNOR'S VETO MESSAGE ON HB 1333

July 11, 2008

By the authority vested in me, pursuant to part II, article 44 of the New Hampshire Constitution, on July 11, 2008, I vetoed House Bill 1333, an act relative to post foreclosure eviction actions.

I appreciate the sponsor's efforts to address an ambiguity in our laws regarding how evictions take place following a foreclosure sale. However, I cannot support HB 1333. This bill would allow the successful bidder at a foreclosure auction, prior to becoming the owner of the property, to immediately begin to evict tenants on the property. This may mean that tenants could be evicted by somebody who does not yet legally own the property where the tenants live. And, in some cases, the sale of the property could fall through without the auction winner ever becoming the property owner. For this reason, I believe that it is more prudent for any eviction process to commence after legal title to the property has passed to

the new owner. That approach will result in a process that is fairer to tenants who face eviction and live in property subject to foreclosure.

Respectfully submitted,
John H. Lynch
Governor

The question being, notwithstanding the Governor's veto, shall **HB 1333**, relative to post foreclosure eviction actions, become law?

Rep. Rowe spoke against.

Rep. Hess spoke in favor.

MOTION TO AMEND HOUSE RULES

Reps. DiFruscia and Robert Elliott offered the following amendment to House Rules: Any member of the House who seeks a leadership position, including, but not limited to, that of Speaker, must submit to a criminal history record check consisting of information relative to conviction(s) of a felony, misdemeanor or who are known to be habitual criminals. Said candidate must provide authorization in writing, duly signed and notarized, explicitly allowing the requestor to receive such information in accordance with RSA 106-B 14 I (c) with the appropriate filing fee payable to "State of New Hampshire – Criminal Records" on a form provided by the Department of Safety.

Any candidate for Speaker must submit the notarized authorization form to the House Clerk. All other members of the House of Representatives seeking and/or chosen for a leadership position – including Deputy Speaker, Majority Leader, Minority Leader, Deputy Leaders or Committee Chair – must submit the notarized authorization form to the Clerk who will retain the form until a successor form is required.

Rep. DiFruscia withdrew the motion.

RESOLUTION

Rep. Wallner offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns, it be to meet at the Call of the Chair.

Adopted.

UNANIMOUS CONSENT

Reps. Gorman, Barbara Richardson, Stephanie Eaton, Benjamin Moore, Lawrence, Phinizy, Vaillancourt, Wendelboe, Snow and Itse addressed the House.

MOTION TO PRINT REMARKS

Rep. Hess moved that the remarks made by Rep. Barbara Richardson be printed in the Permanent Journal.

Adopted.

REMARKS

Rep. Barbara Richardson: Irene Pratt died on Saturday, September 20, 2008. She had served 8 terms in the legislature and did not run for this term due to failing vision. She served on the Children, Youth and Juvenile Justice Committee which evolved through the Judiciary and Family Law Committee to the current Children and Family Law Committee. Irene was a wonderful, caring, effective, generous and achieving person who dedicated her life to helping others. She contributed her wisdom to legislative public hearings and discussions. She had unusually persuasive and important reasoning skills. She sponsored and co-sponsored many bills, all directed toward improving the lives of children and families. After her husband Phil had a stroke and was able to travel, Irene brought him to Concord for committee meetings and sessions. She pushed Phil in his wheelchair from the House parking garage, across Main Street in Concord and up to the Legislative Office Building. Finally, Susan Spears, a fellow legislator, told her that a parking space had become available in the Legislative Office Building garage. Later Irene learned that Susan had given up her own space for herself and Phil. Irene ran her election campaigns with total honesty, never accepting money and never making promises she could not deliver. During one election she considered asking Republicans to write her in on the ballot so she would be listed as

representing both parties. She discussed this with one Republican gentleman who said if she wanted Republican votes she should become a Republican. This persuaded Irene not to mail out the 25 postcards she had prepared requesting Republican support. Later she learned that Elmer Johnson, a staunch and well respected Republican, was angry with her. She asked him what she had done to upset him. He said he had been calling Republicans asking them to vote for her but she was not campaigning for their votes. This caused Irene to purchase 25 two cent stamps and mail the cards. Fifty cents was her total cost for that year's campaign. Irene had a wonderful sense of humor, along with her many other fine qualities. Her memory and influence will continue to bring joy and understanding to her family members, friends and future generations.

MOTION TO PRINT REMARKS

Rep. Daniel Eaton moved that the remarks made by Rep. Lawrence be printed in the Permanent Journal.
Adopted.

REMARKS

Rep. Lawrence: On Friday, September 5th this House lost a colleague and a friend. I can still remember the first day that I met Peter R. Goyette, Jr. as if it were yesterday. At the time I was a young Air Force officer and I walked into his store to buy some supplies. Pete and the rest of the people in his store, that I later learned often were in there discussing the issues of the day, noticed me and the uniform and asked me who I was and where I was stationed. When I was finished collecting my items, Pete looked at me with a devilish grin and said, "I have the perfect thing for a young Air Force officer like you." I said, "What is that?" He put the items I had purchased in a green Army bag and he handed it to me and said, "Here you go. Be all that you can be." At that point the store erupted into laughter. Not knowing what to say, I smiled and walked out of the store that day not realizing that I had just met a man that I would experience so much with for the remainder of his time here on earth. During the entire time I knew Pete, he never changed. He had a passion for life that permeated everything he did. He oozed with passion and pursued his endeavors aggressively but somehow he always knew how to lighten the mood before things got too serious to prevent situations from boiling over. I will always remember Pete for the qualities that he brought to the community around him. Whether it was creating a fishing day for the physically impaired, supporting his constituents here in the State House, running his family business or supporting his family, Pete always gave 100% and was unrelenting in his attempts to achieve his goals. Pete lived his life in an enviable fashion. He lived his life with passion and unwavering adherence to his principles and beliefs. He was the type of man that would stand up for whatever he believed in despite the consequences he often suffered. It may have taken me over a decade to understand the wisdom of Pete's first words to me, but this former Air Force officer has certainly learned something from the way that Peter Goyette lived his life. I may not have been in the Army, but I still hear what Pete said to me all those years ago loud and clear, and I know to emulate the example he set for me in the life that he lived, to be all that I can be.

MOTION TO PRINT REMARKS

Rep. Daniel Eaton moved that the remarks made by Rep. Snow be printed in the Permanent Journal.
On a division vote, 245 members having voted in the affirmative and 37 in the negative, the motion was adopted.

REMARKS

Rep. Snow: Thank you, Madam Speaker. Honorable members of the House, I am following up on the Speaker's congratulations. I would like to recognize and offer a special measure of appreciation to those individuals, seen and unseen, whose daily efforts on our behalf provide us with the aid, assistance and comfort that allow us to accomplish our legislative duties. For the mountains of paper that our Clerk of the House, our Sergeant-at-Arms and the members of their staff have generated, updated, copied and distributed, we thank you. For the advice, guidance and interpretations by our House Counsel, we thank you. For the times, and times again, that the architects and drafters in the Office of Legislative Services have crafted, refined and interpreted our words, making whole and coherent our grand schemes and ideas, we thank you. For the information that our research assistants give us, so vital to understanding our problems, and those wonderful spread sheets from the Legislative Budget Office that enlightened and entertained us, we thank you. For the advice, support and services that the Speaker's office and our Majority and Minority staff members have given us, we thank you. For the days and nights that our protective service officers and state police have spent watching over us, we thank you. For copies made, letters typed, meetings scheduled and coffee brewed by the ladies in committee offices and on the 4th floor of the Legislative Office Building, we thank you. For tables, chairs and walls moved, mail delivered, food prepared and building maintenance done, we thank you. For the waste baskets emptied, floors mopped, stairs swept, grounds maintained and yes, toilets cleaned, we thank you. Finally, for the times that the person on the other side of the counter or behind the desk, seeing us without a smile, gave us one of theirs, we thank you, from the bottom of our hearts.

MOTION TO PRINT REMARKS
