REMARKS

Rep. Thompson: Thank you, Madam Speaker. Today I come before you with a heavy heart. Last year during my campaign, I had the opportunity to speak with a great deal of people. I want to tell you about one of them today. He was a former State Rep. from district 9, Hillsborough County. We had a very pleasant conversation that day on the porch with him and his wife. I learned a valuable lesson that day from him. I thought it was odd that his name was not on my list, but his wife's name was. I did see the many political signs on his lawn and thought it was another opportunity for me to put a sign out. As our conversation went on I felt that I had possibly gained a couple of votes in the general election. I then asked if I could put a sign on the lawn and they both looked at each other and he said, "It's half your house too." She said it was okay and that nobody had ever asked before. I replied by saying, "I'll put one on the left side." You may have guessed by now that all of the signs on the lawn were for Republican candidates. I still had a feeling of confidence when I left. Well as it worked out, I got to see this gentleman again. He worked at the polls on election day. I walked up to him and he checked me in and we chatted a bit. Afterwards, I got ready to go back outside and the moderator came up to me and said, "Any Democrat that can put a sign on Bill Golding's lawn deserves my vote." That is my story. A story about William M. Golding. A lesson I learned that day was when he told me, "Don't ever take anything for granted." I could win an election, but could never win re-election. This is a lesson I will carry with me forever. William M. Golding, Commander U.S. Navy, retired, three terms State Representative from Manchester, a long time member of the Community Players of Concord died on May 31st. I realize Bill worked with many of you here in this House including the Speaker. He will be missed by all of those who knew him and by this freshman Democrat who appreciated his candor and humor. He was a really special person, may he rest in peace.

A moment of silence was observed in honor and in memory of the former Representative from Manchester, the Honorable William M. Golding.
