

HOUSE RECORD

Second Year of the 161st General Court Calendar and Journal of the 2010 Session

Vol. 32

Concord, N.H.

Wednesday, April 14, 2010

No. 32

HOUSE JOURNAL No. 13 (cont.)

Wednesday, March 24, 2010

RECESS

(Rep. Wallner in the Chair)

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 577, 1150, 1157, 1199, 1214, 1227, 1240, 1278, 1294, 1568, 1592 and 1665.

Rep. Schuett, Sen. D'Allesandro for the Committee

RECESS

Rep. Wallner moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 14

Wednesday, April 14, 2010

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Jared Rardin, Pastor of the South Congregational Church in Concord.

Scottish Blessing

If there is righteousness in the heart,
there will be beauty in the character.

If there is beauty in the character,

there will be harmony in the home.
If there is harmony in the home,
there will be order in the nation.
If there is order in the nation,
there will be peace in the world.
So let it be.

Representative Frank Tupper, member from Canterbury, led the Pledge of Allegiance.

The National Anthem was sung by the Lebanon High School Superlatives.

LEAVES OF ABSENCE

Reps. Davis, Hackel, Gina Hutchinson, Moran, Nordgren, Rice and Trinka Russell, the day, illness.

Reps. Julie Brown, Domingo, Dumaine, Gargas, Hinch, Infantine, Kaen, Kepner, Kidder, Levasseur, Lewis, Michael O'Brien, Lynne Ober, Russell Ober, Pilotte, Porter, Rokas, Joseph Russell, Kimberly Shaw, Sprague, St. Cyr, Stetson and Stohl, the day, important business.
Reps. Rip Holden and Timothy Soucy, the day, illness in the family.

INTRODUCTION OF GUESTS

Gilbert Mendoza, guest of Rep. DiFruscia. Joyce Gardiner, guest of Rep. Emiro. Amanda Cebrowski and Ed and Jane Crowder, wife and guests of Rep. Cebrowski. Glenn Ritter, guest of Rep. Ingram. Trevor Perkins, guest of Rep. Case. Rich Stanley and Alice Surago, guests of Rep. Burke. John Lorrette, Mark Wiggins and Mike Harte, guests of Rep. Weed. Yoriko Hoshino and Clark Williams, guests of Rep. Owen. Nick Wallner, husband of Rep. Wallner. Nurses and student nurses participating in New Hampshire Nurses Association Health Policy Day, guests of Reps. Schultz, Millham, Houde-Quimby, Skinder, French, DiPentima and Harding.

Hannah Fraitzl and Martha Dalrymple, students at Bedford High School, Pages for the day.

TARTAN DAY PROGRAM

Rep. John Hunt introduced special guests who performed for the House in honor of New Hampshire Tartan Day: Pipe Major Gordon Webster and Mrs. Lezlie Webster, proprietors of the New Hampshire School of Scottish Arts and Piper Campbell Webster. Dancers: Catherine Monroe, Rachel and Alicia Campbell, Anna Gordon, Kylee and Erin French. Rep. Beck, a native Glaswegian, addressed the House. Pipers played the lament in memory of Representative George Katsakiores and Rep. Leishman offered a Scottish Blessing.

PETITIONS

Petitioner Representative Peter Silva of Nashua on behalf of Denise-Marie McIntosh of Nashua, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative David Welch of Kingston on behalf of Greg and Sarah Clarkson of Kingston, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Peter Silva of Nashua on behalf of Candy Knightly of Nashua, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Daniel Itse of Fremont on behalf of Debra Ann Adams of Milford, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Peter Silva of Nashua on behalf of Patricia Patterson of Nashua, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Daniel Itse of Fremont on behalf of Jeanette Dionne of Kingston, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Daniel Itse of Fremont on behalf of Hope Nardone, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Peter Silva of Nashua on behalf of Dorothy Knightly of Nashua, seeks redress relative to a grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth, and Families.

Petitioner Representative Paul Ingbretson of Pike on behalf of Michael Puia of Stratham, seeks redress relative to a grievance against the judicial branch, Portsmouth Family Division; Marital Master Philip D. Cross; and Portsmouth District Court Special Justice Judge Sharon N. DeVries.

Copies of petitions are on file in the Clerk's Office.

COMMITTEE ASSIGNMENTS

The Speaker announced that the proposed amendment (1311h) to SB 450, currently in Finance, will be divided by subject matter for consideration by the following policy committees:

Sections 82 thru 85 will be considered by the Committee on Public Works and Highways. Sections 86 thru 88, 92 thru 97 and 99 will be considered by the Committee on Ways and Means.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wallner moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 302, relative to notice of driver's license expiration, removed by Rep. Robert Williams. Consent Calendar adopted.

SB 463-FN, relative to regulation of mental health practitioners by the board of mental health practice. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Charlotte Houde-Quimby for Executive Departments and Administration: This bill requires the board of mental health to create a professional conduct investigation committee to assist the board in more timely, consistent and focused complaint investigations. The bill also makes changes to the regulation of mental health practice, requires that examinations be proctored, provides for the re-instatement of licenses and creates a mechanism for inactive status for military reservists called to active duty. Vote 18-0.

Amendment (1221h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definitions; Board Investigator. Amend RSA 330-A:2 by inserting after paragraph II the following new paragraph:

II-a. "Board investigator" means a board member who is responsible for overseeing the activities of the professional conduct investigation committee.

2 New Paragraph; Definitions; Professional Conduct Investigator. Amend RSA 330-A:2 by inserting after paragraph VII the following new paragraph:

VII-a. "Professional conduct investigator" means a trained mental health practitioner licensed by the board who acts as the agent of the board under the guidance of the board investigator and is authorized to discover facts and make reports to the board.

3 Board of Mental Health Practice; Chairperson. Amend RSA 330-A:3, I to read as follows:

I. There shall be a board of mental health practice composed of the following members: one licensed psychologist, one licensed pastoral psychotherapist, one licensed clinical social worker, one licensed marriage and family therapist, one licensed clinical mental health counselor, and 3 public members. The members shall be appointed to a term of 3 years by the governor with the approval of the council. The members of the board shall elect a chairperson on an annual basis. No discipline's representative and no **individual** public member shall serve as chairperson for ~~[consecutive terms]~~ **more than 2 years consecutively**.

4 Advisory Committees. Amend RSA 330-A:4 to read as follows:

330-A:4 ~~[Advisory]~~ Committees Established; Duties.

I. The board shall create an advisory committee for each mental health discipline it licenses for the purpose of assisting the board in its responsibilities under RSA 330-A:10, II, and RSA 330-A:10, VI-XVI. The board member of each mental health discipline shall serve as the chair of that advisory committee. The balance of the membership of each of the advisory committees shall be composed of at least 2 persons and no more than 4 persons licensed in the mental health discipline of that committee.

I-a. The board shall create a professional conduct investigation committee for the purpose of assisting the board in its responsibilities under RSA 330-A:28 and RSA 330-A:29. A board investigator, appointed by the chairperson of the board with the advice of the board, shall serve as the chair of the professional conduct investigation committee. The balance of the membership of the professional conduct investigation committee shall be composed of one licensed psychologist, one licensed clinical social worker, one licensed clinical mental health counselor, and additional members from the professions licensed by the board to a maximum of 12 members.

II. ~~[Advisory]~~ Committee members other than the chair shall be appointed by the board and shall serve at the pleasure of the board for no more than ~~[2]~~ **2** consecutive, ~~[2-year]~~ **3-year** terms.

III. The board shall not form any standing committees other than those specified in this chapter.

5 Compensation. Amend RSA 330-A:7 to read as follows:

330-A:7 Compensation; Expenses. Members of the board and members of the ~~[advisory]~~ committees shall receive a per diem compensation of \$100, for a meeting or any other board or committee activity requiring 2 or more hours in a 24-hour period, and shall be reimbursed for all actual travel~~[, and incidental[, and clerical]]~~ **and** expenses necessarily incurred in carrying out the provisions of this chapter.

6 Organization and Meetings; Acting Board Members. Amend RSA 330-A:9, II to read as follows:

II. When a quorum is not available for just and timely resolution of a specific matter, former board members or advisory committee members may be appointed by the board to

serve as acting board members for purposes of obtaining the minimum quorum in the resolution of that specific matter **or when a particular profession cannot be represented in an adjudicatory hearing.**

7 Rulemaking; Reinstatements and Inactive Status. Amend RSA 330-A:10, V to read as follows:

V. How a license shall be renewed, **reinstated, or placed on inactive status.**

8 Rulemaking; Investigations. Amend RSA 330-A:10, XVI to read as follows:

XVI. Procedures for accepting and responding to written complaints, publicizing the complaint procedure, **standards of and procedures for** conducting investigations, **investigator training requirements**, and **procedures for** conducting disciplinary hearings under this chapter.

9 Mental Health Practice; Fees. RSA 330-A:12 is repealed and reenacted to read as follows:

330-A:12 Fees. The board shall establish fees pursuant to RSA 541-A for review of applicants for licensure; supervisory agreements; applications for licensed psychologist, pastoral psychotherapist, independent clinical social worker, clinical mental health counselor, and marriage and family therapist; renewal of license; renewal of dual license; reinstatement of license; inactive license status; reactivation of an inactive license; examination of applicants; transcribing and transferring records; and other services, including investigations and hearings conducted under this chapter.

10 Psychologists; Examinations. Amend RSA 330-A:16, I(a) to read as follows:

(a) Has passed a satisfactory **proctored** examination in psychology.

11 Pastoral Psychotherapists; Examinations. Amend RSA 330-A:17, I to read as follows:

I. Has passed a satisfactory **proctored** examination in pastoral counseling. The examination shall be set and defined by the board.

12 Clinical Social Workers; Examinations. Amend RSA 330-A:18, IV to read as follows:

IV. Has passed a national **proctored** examination approved by the board.

13 Clinical Social Workers; Experience. Amend RSA 330-A:18, III to read as follows:

III. Has ~~had 2 years of~~ **completed a minimum of 2 years of post-masters experience including completion of a minimum of 3,000 hours of** ~~paid~~ post-masters, supervised clinical experience.

14 Mental Health Practice; Clinical Mental Health Counselors. RSA 330-A:19 is repealed and reenacted to read as follows:

330-A:19 Clinical Mental Health Counselors. The board shall issue a clinical mental health counselor license to any person who meets all of the following requirements or their equivalent:

I. Has a 60 credit master's or doctoral degree in clinical mental health counseling from a Council for Accreditation of Counseling and Related Educational Programs (CACREP) accredited institution or its equivalent and which has received regional accreditation from the Association of Secondary Schools and Colleges.

II. Has passed the clinical mental health counselor's proctored examination of the National Board of Certified Counselors, Inc.

III. Has completed a minimum of 2 years of post-masters experience including completion of a minimum of 3,000 hours of post-masters, supervised clinical experience.

15 Marriage and Family Therapists; Examinations. Amend RSA 330-A:21, II to read as follows:

II. Has passed the national **proctored** examination of the Association for Marriage and Family Therapy Regulatory Boards.

16 Licenses; Reinstatement and Inactive Status Added. Amend RSA 330-A:31 to read as follows:

330-A:31 Expirations ~~and~~, Renewals, **Reinstatements, and Inactive Status.**

I. Licenses shall be valid for a period of 2 years and shall become invalid on the expiration date unless renewed. It shall be the duty of the board to notify every person

licensed by the board under this chapter of the date of expiration of the license and the amount of the fee that shall be required for its renewal for 2 years. Such notice shall be mailed at least 2 months in advance of the date of expiration of such license. Renewal shall be conditional upon filing a timely and complete renewal application and payment of the fee as set by the board.

II. If a license is not renewed it may be reinstated not later than 6 months after the date of license expiration upon payment of the fee and compliance with rules adopted by the board. A license may be placed on inactive status pursuant to rules adopted by the board.

III. Upon the request of a person licensed by the board who is a member of any reserve component of the armed forces of the United States or the national guard and is called to active duty, the board shall place such person's license on inactive status. The license may be reactivated, after notification to the board, within one year of the person's release from active status by payment of the renewal fee and with proof of completion of the most current continuing education requirement unless still within the renewal period.

17 Effective Date. This act shall take effect July 1, 2010.

SB 306, extending the commission to develop a legislative plan to meet the needs of certain adults with developmental disabilities. **OUGHT TO PASS.**

Rep. Joan H. Schulze for Health, Human Services and Elderly Affairs: This bill extends the report date for the commission to develop a legislative plan to meet the needs of certain adults with developmental disabilities from November 1, 2009 to November 1, 2010 to report its findings and recommendations. The commission did not meet until October 13, 2009 because a full complement of members was not appointed and has much work to accomplish. High risk behaviors of the individuals which may be harmful to themselves or others make some services difficult to secure. There are 206 individuals for whom a continuum of services must be developed. Vote 20-0.

SB 410, establishing a committee to study New Hampshire's rate of infant mortality and develop proposals for remediation. **OUGHT TO PASS.**

Rep. Joan H. Schulze for Health, Human Services and Elderly Affairs: This bill establishes a committee to study New Hampshire's rate of infant mortality and develop methods of remediation. The child fatality review committee was established in 1991 by an executive order of Governor Judd Gregg. In 1995, Governor Steve Merrill signed an executive order re-establishing the committee under the official auspices of the NH department of justice. It receives funding through the children's justice act grant. This committee does not look at natural causes of death; it looks at preventable deaths 0-18 years, e.g., drowning, firearm, motor vehicle, traffic, etc. It also looks at some sudden infant deaths syndrome cases (SIDS). It meets 6 times a year and reviews a sample of all cases. The NH DHHS, division of public health services (DPHS), maternal and child health section (MCH) administers the federal program that focuses solely on improving the health of all mothers and children with education and health care. Because the child fatality review committee was established by an executive order, the legislature cannot add duties. This proposed legislation is appropriate in order to get a comprehensive view of causes of death in ages 0-1 and plan remediation. Vote 15-2.

SB 445, relative to funds chargeable for unemployment compensation. **OUGHT TO PASS.**

Rep. Sally H. Kelly for Labor, Industrial and Rehabilitative Services: Last year the passage of Chapter 219, Laws of 2009 (SB 144) provided three new circumstances for unemployment eligibility. SB 445 makes a technical correction to that bill and the benefits will now be charged against the unemployment trust fund rather than against the employer's account. Vote 11-1.

SB 150, relative to low-speed utility vehicles and relative to registration fees for certain special number plates for veterans. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Karen C. Umberger for Transportation: This bill establishes a new vehicle type identified as a low-speed utility vehicle. These vehicles are for agricultural or light industrial use and may have no more than two occupants. The bill also provides for safety equipment necessary for the low-speed utility vehicle to be licensed. Additionally, there were corrections required relative to registration fees for certain special number plates for veterans. Previous legislation accidentally required veterans who were amputees, totally disabled, totally blind as a result of a service connected disability, or a POW to pay the registration fee. This bill removed the requirement to pay the registration fee and provide refunds to any veteran who had paid them. Vote 12-2.

Amendment (0945h)

Amend RSA 259:108, II as inserted by section 1 of the bill by replacing it with the following:

II. Any low-speed utility vehicle. "Low-speed utility vehicle" shall mean any vehicle with 4 wheels, an internal combustion or electric motor, or both, a load capacity of 1,500 pounds or less, and high-pressure tires, that is capable of carrying not more than 2 occupants plus the load, is capable of speeds 30 miles per hour or less on level ground, and is used for agricultural or light industrial use.

Amend RSA 266:115 as inserted by section 2 of the bill by replacing it with the following:

266:115 Equipment Required for Low-Speed Utility Vehicles. A low-speed utility vehicle as defined in RSA 259:108, II shall be equipped in accordance with 49 C.F.R. section 571.500. This equipment shall include headlamps, stop lamps, turn signal lamps, tail lamps, reflex reflectors, a parking brake, a rearview exterior mirror, a windshield, windshield wiper, brakes, seat belts, a vehicle identification number, and such other equipment as is required by federal regulations. Such vehicle may also use a flashing amber warning light when operating on a way.

Amend RSA 261:86, II as inserted by section 4 of the bill by replacing it with the following:

II. Plates furnished pursuant to subparagraphs I(a)-(c) shall be issued without charge. Plates furnished pursuant to subparagraphs I(d) and (e) shall be issued without the \$4 per plate fees under RSA 261:75 but shall require payment of the regular registration fee. Notwithstanding RSA 265:73 or any other law, any person who is issued a plate pursuant to subparagraphs I(c)-(e) shall not be entitled to free parking privileges for disabled veterans. Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6:

5 Refund of Registration Fees. Any veteran excused from registration fees under RSA 261:86, I(a)-(c) between August 7, 2009 and the effective date of this section shall be entitled to a refund of the fees paid.

SB 303, relative to motor vehicle dealers, transporters, and repairers. **OUGHT TO PASS.**

Rep. Theodoros V. Rokas for Transportation: This bill clarifies the authority of the director of motor vehicles to suspend or revoke the registration, license, or privileges of a dealer, utility dealer, automotive recycling dealer, transporter, or repairer. The committee felt that this technical clarification was needed in the existing law. The department of safety was in full support of this change. Vote 16-0.

SB 321, relative to the state coordinating council for community transportation in New Hampshire. **OUGHT TO PASS.**

Rep. Michael B. O'Brien for Transportation: This bill will make technical changes to the state coordinating council for transportation (SCC) by changing "shared ride" to "community transportation." It adds limits to terms of appointed members of SCC and limits liabilities of regional coordination councils (RCC) and defines the duties of the RCC. It also allows for the

expenditure of funds by the SCC to support community transportation. This bill has the support of the governor's council on disabilities. Vote 16-0.

SB 326, relative to certain extensions for temporary plates. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Roland H. LaPlante for Transportation: This bill authorizes the director of motor vehicles to extend the validity period of temporary plates for persons with any disabilities requiring modifications to the vehicles. There was no opposition to this bill as amended. Vote 16-0.

Amendment (1102h)

Amend RSA 261:56, II as inserted by section 1 of the bill by replacing it with the following:

II. If the owner has a disability and requires additional time to equip the vehicle to accommodate his or her disability, the owner shall submit a request on a form provided by the department setting forth the type of modification that is being made to the vehicle, the business or other person making the modification, and the estimated completion time for the modification, and the director shall issue a new set of temporary plates reflecting a reasonable extension of the expiration date to enable the modifications to be completed.

AMENDED ANALYSIS

This bill authorizes the director of the division of motor vehicles to extend the validity period of temporary plates for persons with disabilities requiring modifications to the vehicle.

SB 362, relative to giving swimmers and kayakers the right of way. **OUGHT TO PASS.**

Rep. Richard T. Stuart for Transportation: This bill expands the right of way rule already given to canoes, rowboats and sailboats (in RSA 270-D:2, ix) to kayaks and swimmers. The requirement shall not be construed to allow deliberate impediment of motorboats by any of these noted above. Vote 16-0.

SB 363, requiring the suspension of boating privileges for refusing a blood alcohol test. **OUGHT TO PASS.**

Rep. Karen C. Umberger for Transportation: Currently, if a person's driving license is suspended, his or her driving privileges are suspended for automobiles, snowmobiles and OHRVs - the license is suspended for all. Three years ago when this became law the privilege to operate a boat on the waters was inadvertently omitted. This bill now results in suspension of driving privileges of any motorized vehicle if your license is suspended. Vote 16-0.

SB 364, recognizing Canadian boating safety education certificates. **OUGHT TO PASS.**

Rep. Richard T. Stuart for Transportation: This bill exempts Canadian boating safety education certificate holders from the New Hampshire boating safety education certificate requirement. It amends RSA 270-D:13 I(a). The Canadian certificate must be approved by the National Association of State Boating Law Administrators (NASBLA) and transport Canada. Testimony included that Canadian rules are stronger than those in New Hampshire. Vote 16-0.

REGULAR CALENDAR

SB 344-FN, relative to employment and retirement benefits of certain non-judicial court employees. **OUGHT TO PASS.**

Rep. Daniel J. Sullivan for Executive Departments and Administration: This bill repairs a "glitch" that was created when the Manchester court system was consolidated with the state judicial system. Employees were given the opportunity to choose between the Manchester retirement system or the state retirement system. This bill allows certain non-judicial court

system employees who elected not to join the state retirement system upon the establishment of the unified court system but remained in the Manchester employees' contributory retirement system to be permitted, upon retirement, to be paid for accrued, unused sick time and receive credit for such paid time in the Manchester retirement system. This bill does not place a burden on the New Hampshire retirement system. Vote 14-4. On a division vote, 177 members having voted in the affirmative and 124 in the negative, the committee report was adopted. Referred to the Committee on Finance.

SB 310, relative to studies of case management and sign language interpreters for the deaf and hard of hearing. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Joan H. Schulze for the Majority of Health, Human Services and Elderly Affairs: This bill requires the NH Commission on Deafness & Hearing Loss to study the need for case management services for individuals who are hearing-impaired or deaf. If it finds that case management services are needed, possible approaches to providing such services are to be identified. The majority of the committee knows that the commission already has the ability to study these questions under current commission duties. To facilitate the process, the health human services and elderly affairs oversight committee will request that the aforementioned questions be studied by the commission in place. This bill also requests the board of licensing for the deaf and hard of hearing to study the possibilities of authorizing the state to provide the services of sign language interpreters. It requests the board to identify options for increasing the availability and affordability of interpreters and requests establishing levels of certification. The board of licensure for interpreters for the deaf and hard of hearing is not organized to "study" any issue. It is solely equipped to deal with the issuance of licenses for interpreters who meet the requirements of RSA 326, the investigation and resolution of complaints, and the development of a code of ethics. The board may provide licenses to two levels of individuals. Establishing further levels of licensing will not increase the number of qualified sign language interpreters who choose to provide those services to the deaf and hard of hearing community. The shortage of qualified "free-lance" interpreters is due to many interpreters preferring the advantages of direct employment vs. free-lancing. Vote 16-4.

Rep. Susan Emerson for the Minority of Health, Human Services and Elderly Affairs: The Deafness and Hearing Loss Commission (RSA 125-Q) was established by HB 140 in 2007. The duties are as follows: 1) Recommend where applicable, statutes, rules, policies and education programs necessary to successfully provide NH citizens who are deaf or hard of hearing with access to competent interpreters at all levels of local and state government. 2) Investigate establishing information and referral services operated by and for persons who are deaf and hard of hearing to promote access of such persons to the community-based health care, educational, employment, and social services that are available to all citizens. 3) Develop peer counseling, job placement and advocacy services which would enhance the ability of individuals who are deaf or hard of hearing to contribute to their communities. 4) Recommend legislation and identify funding sources. There are no sections in this RSA that relate to case management or licensing. SB 310 would give the commission the "shall" study the need for case management services for the deaf. If the commission finds that case management services for the deaf are needed, they will then identify possible approaches to providing such services. This bill is only adding language to an existing commission.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Emerson spoke against.

Reps. Miller and Donovan spoke in favor.

On a division vote, 268 members having voted in the affirmative and 74 in the negative, the majority committee report was adopted.

SB 318, relative to the authority to dispense therapeutic contact lenses. **OUGHT TO PASS.**
Rep. Kate W. Miller for Health, Human Services and Elderly Affairs: This bill would allow ophthalmologists and optometrists to dispense therapeutic contact lenses. Current scope of practice for these practitioners includes the ability to prescribe drops or other oral medications for certain ocular diseases. Contact lenses will soon become available with some of these medications impregnated into the lenses, dispensing the medication while the individual is wearing the lens. This legislation will simply add “therapeutic contact lenses” to the list of drug delivery devices which ophthalmologists and optometrists may dispense from their practices. New Hampshire practitioners want to be ready to take advantage of this new technology when it comes to the marketplace. Vote 10-3.
Committee report adopted and ordered to third reading.

SB 331, establishing a governor's commission task force on substance use disorder treatment for Medicaid eligible individuals. **MAJORITY: INEXPEDIENT TO LEGISLATE.**
MINORITY: OUGHT TO PASS.

Rep. Thomas E. Donovan for the Majority of Health, Human Services and Elderly Affairs: The majority believes that the subject matter of the bill is a valid area for investigation and Medicaid program improvement. However, the majority also understands that the commission, under RSA 12-J:2 II already has the authority to establish specific task forces which this bill specifically requests. The commission chair's indication of their support for the subject study reinforces the fact that this bill is not necessary. The health and human services oversight committee will request that the commission undertake the formation of the task force and conduct the investigation. Recognizing the exemplary leadership of New Futures in the area of reducing drug problems in our state, we also realize the commission's ability to name New Futures, who requested that this bill be filed, or any advocacy group, to a task force to look at the critical issue of Medicaid funding. Vote 12-8.

Rep. Alida I. Millham for the Minority of Health, Human Services and Elderly Affairs: Passage of this bill would cause the creation of a short-term task force to address how public dollars in Medicaid and state-funded treatments can be used more effectively to improve access to quality services and maximize federal financial participation in substance use disorder services in New Hampshire. The bill tells the chair of the governor's commission on alcohol and drug abuse prevention, intervention, and treatment to appoint the task force. The new chairman of the commission testified that he is ready to do so, noting that this would be a new and important area of activity for the commission. A nonprofit advocacy group working in the area of substance use disorder policy indicated it would provide staff support for the work of the task force. The bill is requested to indicate the legislature's interest in this subject which, in turn, will help to assure full buy-in by the governor's commission, needed support from DHHS, and active participation in the task force by other stakeholders. The committee minority believes this bill will substantially increase the odds that the task force can successfully address policy in this area, made even more important by the coming expansion of Medicaid through federal health insurance reform.

The question being adoption of the majority committee report of Inexpedient to Legislate.
Majority committee report adopted.

SB 343-FN, relative to Medicaid managed care. **INEXPEDIENT TO LEGISLATE.**
Rep. Trinkia T. Russell for Health, Human Services and Elderly Affairs: This bill requires the commissioner of the department of health and human services to release a request for information (RFI) no later than August 1, 2010, soliciting information regarding the feasibility of contracting with managed care organizations for risk-based managed care for all Medicaid recipients in NH, with special attention given to the potential for reducing costs or cost growth in the program while maintaining quality. The bill is not necessary since the

department can, and has already started to develop the RFI. The department has committed to continuing the process even without legislation and will present this information in the fall to the health and human services oversight committee. Therefore, this bill would be an unnecessary duplication of a process that has already been identified and is being addressed. Vote 12-4.

Rep. William O'Brien requested a roll call; sufficiently seconded.

SULLIVAN

Cunningham, Steven Howard, Thomas Osgood, Joe
and the committee report was adopted.

SB 154, naming a certain portion of route 18 in the town of Franconia in honor of Corporal Bruce McKay. **INEXPEDIENT TO LEGISLATE.**

Rep. Candace C. W. Bouchard for Public Works and Highways: The committee for decades has followed a policy of requiring written approval from the local town or city prior to taking action on the naming of bridges and roads. The policy has applied to fallen soldiers, police

officers as well as other individuals and organizations. At the March 9, 2010 town meeting in Franconia (where the proposed road to be named is located), voters opposed a warrant article on this specific naming by a vote of 93-73. Since the town meeting is the legislative body of the town and the committee has always honored home rule as a committee prerequisite of approval, the committee voted unanimously to recommend this bill ITL. Vote 19-0.

LAID ON THE TABLE

Rep. DeJoie moved that **SB 154**, naming a certain portion of route 18 in the town of Franconia in honor of Corporal Bruce McKay, be laid on the table.
On a division vote, 272 members having voted in the affirmative and 77 in the negative, the motion was adopted.

REGULAR CALENDAR (CONT'D)

SB 376, naming a bridge in honor of Joseph Sawtelle. **OUGHT TO PASS.**

Rep. Dale R. Sprague for Public Works and Highways: This bill would name the bridge connecting Portsmouth's Shapleigh Island to Goat Island in New Castle after a well-known local businessman and philanthropist, Joseph Sawtelle. It is a fitting tribute to a man who passed away 10-years ago, but even still today has an everlasting impact on the City of Portsmouth and the entire seacoast communities. During his lifetime, whether it was providing affordable housing in Portsmouth, renovating dormant mills in Somersworth, Dover and Gonic to bring in Liberty Mutual and Cabletron which provided jobs, or even starting the "Futures" program to help foster over 100 financially challenged kids to go onto college, Mr. Sawtelle had a vision to bring communities together. With written support from both community bodies involved in this process and positive testimony, passage was warranted. Vote 19-0.

Committee report adopted and ordered to third reading.

SB 481, relative to appropriations for certain turnpike system projects. **OUGHT TO PASS.**

Rep. John R. Cloutier for Public Works and Highways: This bill would simply reappropriate \$3 million in funds for certain specified turnpike system projects in the seacoast area in a fiscally neutral manner. It increases from \$2 to \$4 million, the appropriation for repairs and improvements to the Route 107 bridge over I-95 in Seabrook and from \$1 to \$2 million the appropriation for the construction of noise barriers along I-95 in Portsmouth. These projects had been previously approved, but it has now been determined by the state department of transportation (DOT) that both projects will cost more money than first estimated. To pay for the increased costs of both, the bill reduces from \$119,000,000 to \$116,000,000 the original appropriation for open road tolling equipment previously approved as part of House Bill 391, Chapter 146, Laws of 2009. It was again determined by the DOT that the total cost of the tolling equipment will be less than first estimated. The town of Seabrook will match the state funding for the bridge by providing no less than 20% of the total funds required. Vote 19-0.

Committee report adopted.

Referred to the Committee on Finance.

BILL REMOVED FROM THE CONSENT CALENDAR

SB 302, relative to notice of driver's license expiration. **OUGHT TO PASS.**

Rep. Richard T. Stuart for Transportation: This bill was submitted at the request of the department of safety. It permits the department to notify license holders 30 days before expiration of licenses of a place and time where they can renew. It will also note the possibility of electronic renewal for the issuance of a new license. Such notification can be

mailed as well as electronic, telephonic, or other means. The department testified to potential savings of up to \$250,000 per year by using methods other than mail. Vote 16-0.

Rep. Robert Williams moved Recommit and spoke in favor.

Adopted.

Recommitted to the Committee on Transportation.

SENATE MESSAGES

REQUESTS CONCURRENCE WITH AMENDMENTS

HB 1280-FN, relative to life and health guaranty limits. (Amendment printed SJ 3-31-10)
