HOUSE JOURNAL No. 3 (Cont.)

Thursday, January 3, 2013

Rep. Kaen moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 4

Wednesday, January 30, 2013

The House assembled at 1:30 p.m. and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

Today's invocation is adapted from and based on a prayer from St. Teresa.

O Holy One, untamed by our names and unfazed by our agendas, we pray that Your Spirit would stir among us during our time here today. May there be today peace within us, and creativity among us. May we trust You that we are exactly who we are meant to be, and where we are meant to be, and that the work You have placed before us is the work we are meant to do. May we not forget the infinite possibilities that are born of faith, the glorious work that can be accomplished when we infuse our judgments with mercy, and when we allow ourselves to see our neighbors not as opponents, but as fully human partners whose concerns and dreams and fears are every bit as pressing and as real as our own.

May we be content knowing that each of us, and all of us, are Your children, and may we find occasion to tap into the inner youth within us, filled with hope and willing to work for a better day and a better way. We pray Your blessing upon each person in this hall, our families, and anyone we may know who is struggling with illness, with grief or with fear. We hold these, and all the people of New Hampshire in our thoughts, but especially those with far less than we. In Your Holy name we pray. Amen.

Representative Dudley Dumaine, member from Auburn, led the Pledge of Allegiance.

Her Excellency, Governor Margaret Wood Hassan along with the House Chaplain, Reverend Jared A. Rardin, led the singing of the National Anthem.

LEAVES OF ABSENCE

COMMUNICATION

January 3, 2013

Ms. Karen Wadsworth
 Clerk of the House of Representatives
 State House
 Concord, NH 03301

Dear Karen:

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Sullivan District No. 1 (Cornish, Grantham, Plainfield, Springfield)
 Benjamin P. Lefebvre, d, Grantham (PO Box 1131) 03753

Sincerely,
 William M. Gardner, Secretary of State

MOTION TO VACATE

Rep. Marjorie Smith moved that the House vacate the reference of **HB 128**, relative to recording public votes in public records, to the Committee on Judiciary.

Adopted.

The Speaker referred **HB 128** to the Committee on Municipal and County Government.

MOTION TO VACATE

Rep. Butler moved that the House vacate the reference of **HB 228**, relative to insurance fraud, to the Committee on Commerce and Consumer Affairs.

Adopted.

The Speaker referred **HB 228** to the Committee on Judiciary.

PETITIONS

Petitioner Representative Daniel Itse on behalf of Ralph Holder. This grievance against the State of New Hampshire, the circuit court family division and a guardian ad litem seeks introduction of legislation regarding attorneys and restraining orders.

Petitioner Representative Daniel Itse on behalf of Timothy Sanborn. This grievance against two marital masters and the judicial branch family court division seeks legislation regarding the Family Court Division and legislation seeking to overturn a court decision.

Petitioner Representative Timothy Comerford on behalf of Dorothy Knightly of Nashua. This grievance against the State of New Hampshire, Department of Health and Human Services, Division of Children, Youth and Families seeks consideration of a Bill of Address and legislation regarding grandparent custodial rights.

Petitioner Representative Robert Luther on behalf of Ann Marie Moynihan. This grievance against the 10th Circuit Court Family Division seeks review of court procedures in a particular case and disciplinary action against the presiding judge.

Petitioner Representative Robert Luther on behalf of Carlo Basner Fioli. This grievance against the State of New Hampshire, the Rockingham circuit court family division, a marital master and a guardian ad litem seeks legislation to bring about several changes in the guardian ad litem program and shared parenting arrangements and parental rights proceedings.

Petitioner Representative Stella Tremblay on behalf of Wade Henry. This grievance against the department of labor, some employees of the department and the members of the compensation appeals board, seeks redress in the form of a joint resolution requesting another hearing so that appropriate worker's compensation may be awarded.

Copies of petitions are on file in the Clerk's Office.

CONSENT CALENDAR

Rep. Shurtleff moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 103-FN, reducing the penalty for violating a local vendor ordinance, removed by Rep. Jones.
 Consent Calendar adopted.

HB 132-FN-L, relative to responsibility for medical costs incurred by a person in custody. **INEXPEDIENT TO LEGISLATE.**

Rep. Robert M. Fesh for Criminal Justice and Public Safety: The sponsor and co-sponsor of the legislation came in to the committee and asked that the bill be withdrawn. Accordingly, we voted to kill the bill. Vote 18-0.

HB 133, relative to the authority of the superintendent of a county correctional facility to release a prisoner. **INEXPEDIENT TO LEGISLATE.**

Rep. Larry G. Gagne for Criminal Justice and Public Safety: This bill would allow a superintendent to release any person sentenced to imprisonment in a county department of corrections facility for such purposes as the superintendent may deem conducive to his or her rehabilitation. The prime sponsor, with the concurrence of the committee, recommended Inexpedient to Legislate as even the sponsors had some concerns with the bill, as written. Vote 18-0.

HB 164, establishing a legislative oversight committee on corrections issues. **INEXPEDIENT TO LEGISLATE.**

Rep. Steve Vaillancourt for Criminal Justice and Public Safety: The committee believes that the idea of studying specific issues may well have merit, but this bill to establish a commission to oversee the entire scope of the department of corrections is overly broad and also duplicative of other efforts at both the legislative and executive level. For example, one function of the oversight committee would be to look at finances, but the House Finance Committee spent three days on this topic last session and will most likely do so again this year. Also, without the recommendation of any committee or commission, any single member may file specific legislation. Vote 17-1.

HB 165, establishing a committee to study the use of the sex offender registry. **OUGHT TO PASS.**

Rep. Robert R. Cushing for Criminal Justice and Public Safety: This bill establishes a committee to study the use of the sex-offender registry. Over the past several years this committee has heard concerns about and problems with the sex offender registry. This committee will evaluate whether any changes should be made to the law. The bill was supported by the Crisis Center of New Hampshire, the Coalition Against Domestic and Sexual Violence and criminal defense lawyers. Vote 17-0.

HB 167, relative to notice and information provided to the victim of a person seeking parole or the victim's next of kin. **OUGHT TO PASS.**

Rep. Robert R. Cushing for Criminal Justice and Public Safety: This bill provides that a crime victim be notified by either the adult parole board or the department of corrections when the person who committed the crime against them has a parole hearing. Victims have a right under the Crime Victim's Bill of Rights to notice of any action or change of status of the prisoner. The bill previously passed in the House and Senate but died in a committee of conference because of disagreement over a different part of the bill. The department of corrections supports this bill. Vote 17-0.

HB 160, relative to a school district's transportation responsibility for pupils of divorced parents with joint decision making responsibility. **OUGHT TO PASS.**

Rep. Judith T. Spang for Education: Established bus routes for a school coincide with the designated attendance area of that school. When a child of divorced parents resides with each parent in turn, one home may be within the same school district, but outside the designated attendance area and bus service route of the child's assigned school. Current laws stipulate that the school district must transport the child to school if the child is residing within the district. However, the laws do not explicitly state whether the school has a responsibility to transport a child when residing in the school district, but outside the attendance area of the child's assigned school. This bill corrects this problem and clearly states that in such cases, the school district and school to which the child is assigned are not responsible for transporting the student to and from the alternate parent's residence in another school service area. Vote 19-0.

HB 232, relative to the membership of the governor's commission on alcohol and drug abuse prevention, intervention, and treatment. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Charles E. McMahon for Health, Human Services and Elderly Affairs: The governor's council on alcohol and drug abuse prevention, intervention and treatment has been undergoing extensive strategic planning. One of the recommendations is an expansion of the commission membership. This legislation, consistent with the strategic plan, adds the commissioner of insurance; a member of the Business and Industry Association of New Hampshire; the Chancellor of the Community College Systems of New Hampshire; a member of the New Hampshire Medical Society; the New Hampshire Nurses' Association and the Chairman of the N.H. Suicide Prevention Council. These new appointments will strengthen the ability of the commission to implement the commission's strategic plan. Vote 17-0.

Amendment (0019h)

Amend RSA 12-J:1, IV(a) as inserted by section 2 of the bill by inserting after subparagraph (4) the following new subparagraph:

(5) A representative of the New Hampshire Nurses' Association, appointed by the association.

AMENDED ANALYSIS

This bill adds 6 members to the governor's commission on alcohol and drug abuse prevention, intervention, and treatment.

HB 236, relative to membership of the council on autism spectrum disorders. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Laurie Harding for Health, Human Services and Elderly Affairs: This bill amends the statute for the council on autism which was established in 2008. The bill allows several members to assign a designee in order to enhance the possibility of a quorum. The bill also amends the duties of the council so there is no longer an expectation that mediation is a council responsibility. Vote 17-0.

Amendment (0047h)

Amend RSA 171-A:32, I as inserted by section 2 of the bill by inserting after subparagraph (u) the following new subparagraphs:

(v) A representative of the New Hampshire Nurses' Association, appointed by the association.

(w) A licensed speech-language pathologist, appointed by the New Hampshire Speech-Language-Hearing Association, Inc.

HB 102, relative to custody and control of the remains of deceased persons by next of kin. **INEXPEDIENT TO LEGISLATE.**

Rep. Lenette M. Peterson for Judiciary: The committee voted Inexpedient to Legislate for two reasons: 1) The seven-day waiting period would be too much time for the funeral home directors to properly "preserve" the body for religious purposes and for an open casket wake/viewing; 2) No state has given stepchildren the same rights as natural children. Vote 19-0.

HB 104, amending certain requirements to obtain a local vendor license. **INEXPEDIENT TO LEGISLATE.**

Rep. Timothy D. Copeland for Municipal and County Government: This bill was defeated last year. Federal criminal record checks, also known as NCIC checks (National Crime Information Center) are critical in ascertaining the true identity of a person. Employment fingerprint checks are a regular way of doing business in today's society whether you are applying for a government or military position, child care, teacher, etc. A state name check is limited in accurately determining someone's criminal history, if any, and may be very misleading. If one is arrested in another state or jurisdiction under an assumed name and gives that name when fingerprinted, then later a state name check is performed on (without fingerprints) in New Hampshire under one's true birth/legal name the alias will not surface. The NH entity performing that name check will never uncover a criminal history under that different name because fingerprints are unique to people, not names. This legislation would eliminate the federal fingerprint check which currently is an accurate vetting process, putting the general public in possible danger by not knowing the true criminal record of a person arrested under an assumed name. This legislation is a big step backwards not only for our state but for the safety of our citizens who have an expectation that we have thoroughly vetted the individual to the best of our ability with the current available tools at hand. Vote 15-0.

HB 108, permitting manufactured housing parks and condominium associations to access dog registration records. **INEXPEDIENT TO LEGISLATE.**

Rep. Bruce L. Tatro for Municipal and County Government: This bill would allow manufactured housing and condo associations access to municipal dog registration records. The committee heard testimony from several people on both sides of the issue and concluded that access is not necessary. In the event a person is bitten, the authorities (police) must be notified and they access the vaccination records. Vote 15-0.

HB 109-FN-L, repealing group licenses for dog owners. **INEXPEDIENT TO LEGISLATE.**

Rep. Tom Lavender for Municipal and County Government: This bill would repeal group licenses for owners of more than five dogs. The issues raised were largely to do with fees and their unfair application, which is not addressed in this bill. No compelling reason was presented to necessitate repealing a program that works. Vote 16-0.

HB 113, relative to lot access for erection of buildings. **OUGHT TO PASS WITH AMENDMENT.**

Rep. James P. Belanger for Municipal and County Government: Current statute allows for buildings with access other than by a town approved road under certain conditions. Some of those include approval by planning board, governing body and zoning board. This bill makes no changes to those provisions but clarifies the necessary provisions in the event that access is a deeded right of way. This bill clarifies the difference between a private road and a right of way but imposes the same stipulations that absolve the municipality from liability. Vote 15-1.

Amendment (0008h)

Amend the bill by replacing section 1 with the following:

1 Erection of Buildings; Street Access. Amend RSA 674:41, III to read as follows:

III. This section shall supersede any less stringent local ordinance, code, or regulation, and no existing lot or tract of land shall be exempted from the provisions of this section except in accordance with the procedures expressly set forth in this section. For purposes of paragraph I, "the street giving access to the lot" means a street or way abutting the lot and upon which the lot has frontage. It does not include a street from which the sole access to the lot is via a private easement or right-of-way, unless:

(a) Such easement or right-of-way also meets the criteria set forth in subparagraphs I(a), (b), (c), (d), or (e); **or**

(b) *Such right-of-way provides access to a class VI or better highway, provided that:*

(1) *The municipality neither assumes responsibility for maintenance of said private right-of-way nor liability for any damages resulting from the use thereof; and*

(2) *Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds for the lot for which the building permit is sought.*

HB 115, relative to the procedure for filling a vacancy on a cooperative school district budget committee. **OUGHT TO PASS.**

Rep. James P. Belanger for Municipal and County Government: This bill makes changes to the statute concerning the filling of a vacancy on a cooperative school district budget committee and brings it into alignment with changes made last term to other sections of the statute concerning vacancies on cooperative school boards. Current law requires a vacancy to be filled within five days, but does not say when the five day count should begin. This bill addresses that issue. It also makes clear which town officials are responsible for making the appointment to fill the vacancy. Vote 16-0.

HB 126-L, relative to use of revolving funds by towns for maintaining recycling programs. **OUGHT TO PASS.**

Rep. Kathleen M. Stroud for Municipal and County Government: This bill allows a town, by vote of the legislative body, to establish a revolving fund to facilitate, maintain, or encourage recycling. Vote 16-0.

HB 111, relative to the acquisition of property at Akers pond dam in the town of Errol by the fish and game department. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Suzanne H. Gottling for Resources, Recreation and Development: Some state-owned dams have privately owned access areas and/or dikes adjacent to or abutting the dams. Access to these areas by the state is necessary for efficient repair, maintenance and operation of these dams and dikes. HB 111 allows the Fish and Game Department to expend \$1 to acquire an easement for these purposes at Akers pond dam in Errol. The amendment allows the Department of Environmental Services to acquire similar easements for the dikes at Northwood Lake in Epsom and Hermit Lake in Sanbornton. Vote 18-0.

Amendment (0014h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the acquisition of property rights at Akers Pond dam in the town of Errol by the fish and game department and the acquisition of property rights at Northwood Lake dam in the town of Epsom and Hermit Lake dam in the town of Sanbornton by the department of environmental services.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Acquisition by State of Certain Dams and Water Rights; Akers Pond Dam; Northwood Lake Dam; Hermit Lake Dam. Amend RSA 482:48 by inserting after paragraph VII the following new paragraphs:

VIII. For a consideration of \$1, the fish and game department may accept an easement from the property owners of all rights necessary to repair, maintain, and operate Akers Pond dam access and dike area in the town of Errol, adjacent to and abutting the state owned dam known as number 080.20 for the purpose of improving and controlling the water rights for the benefit of the state. The easement the fish and game department is authorized to acquire for the benefit of the state shall be exempt from taxation as long as the easement is held by the state. The fish and game department may transfer rights in these properties under RSA 482:51 to the department for purposes of repair and maintenance. With the exception of such \$1 consideration, nothing in this paragraph shall mandate or authorize the expenditure of any funds or capital relative to the provisions of this paragraph.

IX. For a consideration of \$1 each, the department of environmental services may accept an easement from the property owners of all rights necessary to access, repair, maintain, and operate the dike at Northwood Lake in the town of Epsom appurtenant to the state owned dam known as number 079.01 and the dike at Hermit Lake in the town of Sanbornton appurtenant to the state owned dam known as number 211.01, for the purpose of improving and controlling the water rights for the benefit of the state. The easements the department is authorized to acquire for the benefit of the state shall be exempt from taxation as long as the easements are held by the state. With the exception of such \$1 consideration for each, nothing in this paragraph shall mandate or authorize the expenditure of any funds or capital relative to the provisions of this paragraph.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

The bill allows the fish and game department to acquire an easement at the Akers Pond dam in Errol for the purpose of improving and controlling the water rights for the benefit of the state. The bill also allows

the department of environmental services to acquire easements at the Northwood Lake dam in the town of Epsom and the Hermit Lake dam in the town of Sanbornton for the purpose of improving and controlling the water rights for the benefit of the state.

HB 105, relative to the release of motor vehicle registration information. **INEXPEDIENT TO LEGISLATE.** Rep. Michael B. O'Brien for Transportation: This bill would have allowed hospital security to request vehicle information such as name and address of the vehicle owner prior to the vehicle being towed. This information would come from the local municipal police who would get the information from the department of motor vehicle (DMV) database. The bill was brought forward due to the towing of the bill sponsor's vehicle which was posted as an emergency vehicle only parking area, when he was admitted to the emergency room. Although the towing of the vehicle was a rare and unfortunate incident, the committee felt private information may fall into the hands of private security unregulated by state law. The committee also felt if the admitting staff at the hospital asked further questions as part of their admitting procedure, (such as do you have a vehicle parked in the emergency parking area, that this incident may have been averted.) Vote 17-1.

HB 112-FN, relative to registration permit fees for special use vehicles. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Elizabeth B. Burtis for Transportation: The amendment removes the originally proposed changes to the existing fee structure and the fiscal note no longer applies. The amended bill further clarifies the language of the existing law and explicitly allows the use of reclamation funds for any solid waste recycling after the cost of recycling motor vehicle waste has been expended. The amendment also clarifies the language of two motor vehicle definitions and is supported by the department of safety. Vote 18-0.

Amendment (0018h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to reclamation trust funds.

Amend the bill by replacing all after the enacting clause with the following:

1 Reclamation Trust Funds. Amend RSA 149-M:18 to read as follows:

149-M:18 Town Reclamation Trust Funds. A town which collects an additional fee under RSA 261:153, V shall create a town reclamation trust fund to receive the town share of such fee, to be used to pay the fees for the collection and disposal of the town's motor vehicle waste **and to pay for the recycling and reclamation of other types of solid waste**. For the purposes of this section, "motor vehicle waste" means used residential motor oil, residential motor vehicle batteries, and tires from residential motorized vehicles. "Residential", for the purposes of this paragraph, means any motor vehicle registered in a municipality which collects the fee assessed under RSA 261:153, V. ~~[Towns may use any moneys in the fund in excess of such fees for the recycling and reclamation of other types of solid waste.]~~

2 Reclamation Trust Funds. Amend the introductory paragraph of RSA 261:153, V to read as follows:

V. Beginning July 1, 1989, in addition to each registration fee collected under paragraph I, there may be collected an additional fee for the purposes of a town reclamation trust fund as established in RSA 149-M:18. Of this amount, \$.50 shall be retained by the city official designated by the city government or by the town clerk for administrative costs and the remaining amount shall be deposited into the reclamation trust fund established by the town for the purpose of paying collection and disposal fees for the town's motor vehicle waste **and paying for the recycling and reclamation of other types of solid waste**. For the purposes of this paragraph, "motor vehicle waste" means "motor vehicle waste" as defined in RSA 149-M:18. A town which collects such additional fees shall not charge a disposal fee for motor vehicle waste at the town's solid waste disposal facility. If a town finds the additional fee is not sufficient to cover fees for collection and disposal of town motor vehicle waste, it shall notify the office of energy and planning. The office shall study the fee in accordance with RSA 4-C:1 and make recommendations, if necessary, for increases in the fee. The additional fee schedule shall be graduated by class of vehicle as follows:

3 Fees for Registration Permits; Reclamation Trust Fund; Special Use Vehicles. Amend RSA 261:153, V(c) to read as follows:

(c) Unless otherwise provided, the fee for special use vehicles including all-terrain vehicles, agricultural and farm vehicles, and [historic] **antique** vehicles and for 2-wheeled vehicles including mopeds, motorcycles, and ~~[non-motorized car and boat]~~ **automobile utility** trailers, shall be \$2.

4 Effective Date. This act shall take effect July 1, 2013.

AMENDED ANALYSIS

This bill allows the use of funds from the optional additional motor vehicle permit fee deposited in reclamation trust funds to be used to pay for the recycling and reclamation of solid waste. This bill also clarifies references in the permit fee statute.

MOTION TO REFER PETITION TO COMMITTEE

Rep. Lambert moved to refer a Petition to a House Committee.
The Speaker ruled the motion out of order.

APPEAL OF THE RULING OF THE CHAIR

Rep. Lambert appealed the ruling of the Chair whereby the Chair, pursuant to House Rule 18, ruled the motion out of order.

The question being shall the ruling of the Chair be upheld?

Rep. Vaillancourt spoke in favor and requested a roll call; sufficiently seconded.

REGULAR CALENDAR

HB 131-FN-L, relative to payment for medical services for county prisoners. **OUGHT TO PASS.**

Rep. Gene P. Charron for Criminal Justice and Public Safety: This bill allows the superintendents of county correctional facilities the ability to negotiate costs by providing flexibility to negotiate better financial arrangements with hospitals. The bill addresses outpatient services. It also allows the superintendent to negotiate up to 125 percent for hospitals having a negative operating margin for the most recent year. Vote 15-3.

Committee report adopted and referred to the Committee on Finance.

HB 159, requiring patriotic exercises in public schools on federal Constitution Day. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Glenn Cordelli for Education: This bill, as amended, adds federal Constitution Day to RSA 189:18 which calls on all public schools to hold patriotic exercises during the week of Memorial Day and Veterans Day. Exercises related to federal Constitution Day may also recognize the New Hampshire Constitution and our civic rights and responsibilities. The patriotic exercises are to be appropriate as determined by the local school. Vote 15-4.

Amendment (0028h)

Amend the bill by replacing section 1 with the following:

1 School Boards, Transportation, and Instruction of Pupils; Patriotic Exercises. Amend RSA 189:18 to read as follows:

189:18 Patriotic Exercises. In all public schools of the state one session, or a portion thereof, during the weeks in which Memorial Day, ***federal Constitution Day***, and Veterans Day fall, shall be devoted to exercises of a patriotic nature ***which may include speakers, instruction, presentations, and other events as appropriate. Federal Constitution Day exercises may include recognition of the New Hampshire constitution as well as exercises related to our rights and responsibilities as citizens.***

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. Cordelli yielded to questions.

Rep. Baldasaro requested a roll call; sufficiently seconded.

and the committee report was adopted and ordered to third reading.

HB 106, relative to the demand for rent and other damages, and the repeal of the landlord-agent requirement.
INEXPEDIENT TO LEGISLATE.

Rep. Paul S. Berch for Judiciary: Current law allows only for rent and not other charges to be demanded when in arrears or due. This bill would add late fees, utility costs and any other charges the landlord may feel is due. The bill would increase liquidated damage from \$15 to \$160 and further, remove the duty of landlords of certain residential properties from providing service of process information to the municipality where the property is located. The committee was concerned that the charges other than rent are not easily ascertained and subject to litigation, that there was no relationship between the proposed fee of \$160 and the actual amount of liquidated damages incurred. As to the requirement of providing service of process information, the committee felt this provision has materially assisted the ability to serve out-of-state landlords or landlords operating through agents and therefore should remain in place. Vote 15-5.

Rep. Groen spoke against.

Rep. Berch spoke in favor.

Rep. Jones requested a roll call; sufficiently seconded

and the committee report was adopted.

HB 107, relative to the losing party's payment of the prevailing party's costs in tort actions. **INEXPEDIENT TO LEGISLATE.**

Rep. Peter M. Sullivan for Judiciary: This bill would require the losing party in a tort action to pay the legal expenses incurred by the prevailing party. This would constitute a radical and unnecessary change to New Hampshire's legal process. Under current law, a party that brings a frivolous lawsuit may be ordered to pay the other side's costs. By expanding this to include any losing litigant, even one who has acted in good faith and who has a legitimate cause of action, we are creating a disincentive for aggrieved parties to seek redress and justice. Access to the judicial process should be based on the merits of a case, not on financial considerations. Vote 20-0.

Committee report adopted.

HB 116, relative to the powers of an executor or administrator to take control of a decedent's social networking websites. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Timothy O. Horrigan for the Majority of Judiciary: The bill deals with a rapidly evolving area of state and federal law. Online service providers generally operate under contracts which stipulate that the law in

the provider's jurisdiction prevails in the case of a dispute between the provider and the customer (or the customer's estate). Those contracts can (and usually do) specify what happens when the user dies. The majority of the committee believes that this bill is premature, as well as unenforceable. Vote 13-7.

Rep. Peter M. Sullivan for the Minority of Judiciary: The rise of social networking sites such as Facebook and Twitter have created a new set of legal challenges. Unfortunately, the law has not kept pace with advances in technology. The intent of this bill is to allow the survivors of a deceased individual to assume control of that person's social media and email sites. They would then be able to use the deceased's page as an online memorial, delete the account entirely and make changes to the page if they wish to do so. The minority recognizes that there are questions as to the potential conflict of laws between New Hampshire and other jurisdictions. By retaining the bill in committee, those concerns can be addressed, without a negative House action that could preclude action in the second year of the biennium.

LAID ON THE TABLE

Rep. Peter Sullivan moved that **HB 116**, relative to the powers of an executor or administrator to take control of a decedent's social networking websites, be laid on the table.

On a division vote, 222 members having voted in the affirmative and 128 in the negative, the motion was adopted.

REGULAR CALENDAR (CONT'D)

HB 117, relative to driveway permits issued by the department of transportation. **INEXPEDIENT TO LEGISLATE.**

Rep. John R. Cloutier for Public Works and Highways: This bill, as written, would significantly change how the department of transportation (DOT) issues driveway or curb cut permits onto state roads under existing state statutes. The two-fold effect of the bill would be to give municipal planning boards, rather than the department, the authority to determine the location of driveways. Also, it would remove the department's current exemption from the administrative procedure act for issuing driveway permits. The committee felt that the DOT is better equipped to impartially determine engineering, sight-line and traffic considerations when it comes to issuing curb cuts on state owned roads. There would be insufficient uniformity or expertise in over 100 planning boards having jurisdiction over curb cuts on state roads. The department of transportation testified in opposition to this bill. Department officials stated that existing statutes are working well. They cited evidence that during the four year period between 2008-2012, of the total driveway permit applications submitted (3,852); over 98% of them (3,782) were approved by the department. Furthermore, only 15 denied applications went to a hearing on appeal, out of those: 12 were upheld, two overturned and one is pending. Vote 16-1.

Reps. Dan McGuire and Carey spoke against.

Rep. Franklin Tilton spoke in favor and yielded to questions.

Rep. Campbell spoke in favor.

Rep. Dan McGuire requested a roll call; sufficiently seconded.

BILLS REMOVED FROM THE CONSENT CALENDAR***HB 103-FN***, reducing the penalty for violating a local vendor ordinance. **INEXPEDIENT TO LEGISLATE.**

Rep. Timothy D. Copeland for Municipal and County Government: This bill reduces the penalty phase from a class B misdemeanor to a violation offence. The original intent of the existing law was to allow local towns to help protect their residents from nefarious vendors who use door-to-door sales as a ploy to commit crimes. The protection lies in the ability of towns to develop a local ordinance for vendors that requires a criminal record check. Presently, a vendor who has a class B misdemeanor conviction would be found out through this licensing process. If this same illegitimate vendor then attempted to ply his trade in another community and that community conducted a record check as part of the licensing process, that community would learn of his criminality and deny the license. By changing this law as proposed in this bill, violation level convictions would not be tracked and therefore, communities would not be able to learn of a criminal history by a vendor applicant. Further, this proposed change is contrary to the most recent change for RSA 31:102-a, effective Sept 11, 2010, that allows local communities to work with the state to conduct more stringent criminal record checks on vendors protecting its citizens from preying criminals. Vote 13-2.

Reps. Parison and Burt spoke against and yielded to questions.

Rep. Copeland spoke in favor and yielded to questions.

Rep. Jones requested a roll call; sufficiently seconded.

UNANIMOUS CONSENT

Rep. Boehm addressed the House.

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Rep. Boehm be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Boehm: Thank you, Madam Speaker. Thank you, fellow Representatives. This past August, former State Representative Leon Calawa, Jr., died after an extended illness. Myself and his friends called him "Jimmy." He was born in Nashua on February 16, 1929, raised in Litchfield and he was also a veteran of the United States Navy. He was a well-known real estate developer in Litchfield and Londonderry, having extensive property holdings in those towns. He was a founding partner of the Passaconaway Country Club in Litchfield and from what I have heard, an avid golfer. One hears the term, "Town Father." Leon Calawa fits that description. For many years, Leon served on the Litchfield School Board. He was chairman of the committee for the relocation refurbishment of the Old Town Hall in Litchfield and now the Litchfield Historical Society Building. He also served for many years as the fire chief for the town. He was an instrumental force behind the construction of the Litchfield Fire Station in 1957, which by the way is still the town's only fire station. He generously donated his time, building materials and paid his construction crews to help erect the building. We don't see that happening too much anymore. The population of Litchfield then was about 500 and is now about 8500. I remember one time he remarked that when he was a young man, young child, while sitting on his front porch on a Sunday afternoon on 3A and when the occasion of a car went by, he knew who was a resident and who wasn't. You can't do that anymore. Leon Calawa served for many years as Litchfield's representative to the N. H. State Legislature. For many years he served as the Vice Chair of the Public Works Committee. He also played a leadership role in the rehabilitation of both state and county buildings, in particular the Walker Building in Concord and the state buildings on Pleasant Street. He was recognized by the New Hampshire Chapter of the American Institute of Architects and by the New Hampshire Preservation Alliance for his role in saving many historic New Hampshire buildings. I first met Jimmy when I was a selectman in the 1980's and he was always a gentleman. I never heard him raise his voice or show anger and this was attested by all who knew him. I campaigned with him three times running for State Rep in 2002, 2004 and 2006. The one time where I noticed he was upset was redistricting that did away with Litchfield's House seats in 2002. We lost in 2002 and 2006, but succeeded in 2004 as the bigger towns that were redistricted took all of our seats. At least before he passed away, we had received the representation back. So hopefully he took solace in that. If you are ever in Litchfield playing golf at Passaconaway or in the State House and things aren't going your way, remember to keep your cool like Jimmy Calawa always did. Thank you.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the former member from Litchfield, the Honorable Leon C. Calawa, Jr.

RECESS MOTION
