Rep. Kaen moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 21

Thursday, May 15, 2014

The House assembled at 9:30 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by the member from Holderness, Representative Sid Lovett.

Let us pray first in the silence of our hearts. Let us pray. As a New Hampshire poet once wrote, "We thank you, God, for this amazing day." The ice is out, the loons are back at Golden Pond, the land is greening, yet human-kind struggles with demons of conflict and the lust for power and the legislature gathers terrified of taxes, but yet wanting to care for those of our neighbors less fortunate. Grant us a full measure of wisdom, courage and humility to face the chores of today. May there be nothing that we not dare to doubt, nothing true that we are afraid to know, nothing false that we would wish to believe. Bless those who serve us, our country, our state, our towns, whose labors protect our liberties and nurture the freedoms we enjoy. Lord, if you have time, send us some additional men and women who could fearlessly restructure the revenues and spending obligations for a dynamic and democratic state. Again, oh Lord, we thank You God for this amazing day. Amen.

Representatives Carol and Dan McGuire, members from Epsom, led the Pledge of Allegiance.

The National Anthem was sung by the member from Alton, Representative Jane Cormier,

REGULAR CALENDAR (CONT'D FROM 5-14-2014)

SB 232, relative to speed limits for off highway recreational vehicles and snowmobiles. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Benjamin P. Lefebvre for the Majority of Fish and Game and Marine Resources. This legislation would increase the speed limit for OHRV and snowmobiles from 10 to 20 MPH on town roads and decrease the speed limit on trails for OHRV's from 45 to 35. This is bipartisan legislation that came out of a study committee, which met last summer to work on several issues related to OHRV's. Vote 12-3.

Rep. James C. Webb for the Minority of Fish and Game and Marine Resources. The minority of the committee expressed the concern with raising the speed limit on highways and public roads. The committee has had discussion on the concerns of accidents that could happen with these vehicles and if all safety equipment is in place on these machines and if they are equipped with seat belts, booster seats and car seats. The possibility of injury is greater at higher speeds even more so for children.

Majority Amendment (1697h)

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

Majority committee amendment adopted.

Majority committee report adopted and ordered to third reading.

SB 336-FN, prohibiting the taking of deer from baited areas on state-owned lands. **INEXPEDIENT TO LEGISLATE.**

Rep. Joe Duarte for Fish and Game and Marine Resources. The committee last session killed a baiting bill with clear recognition that the fish and game department already had authority to determine how, when or where baiting should be allowed. Therefore, the committee recommends ITL to allow the fish and game department to handle all deer baiting issues in the rule making process. Vote 12-3.

Rep. Ford spoke against.

Rep. Manley spoke in favor and yielded to questions.

Rep. Gary Richardson requested a roll call; sufficiently seconded.

and the committee report was adopted.

SB 389, relative to the enforcement of motor vehicle laws by officers of the fish and game department.
MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Jonathan F. Manley for the Majority of Fish and Game and Marine Resources. This bill would give authority to the fish and game department to make stops on the highway when the public safety is involved. This will give them the same powers as police in this regard and with the same restrictions. This will allow them to stop an impaired driver or pursue a OHRV when it takes to the highway. All law enforcement training in the state is the same for town, state, county police and conservation officers. This will give them all equal authority. Vote 13-2.

Rep. John A. Burt for the Minority of Fish and Game and Marine Resources. This bill grants unprecedented authority to the 45 NH fish & game conservation officers to utilize their existing warrantless search and seizure powers in the enforcement of NH motor vehicle laws, powers far beyond those granted currently to the NH state police. Currently, conservation officers only need to prove "there is reasonable and articulable suspicion" unlike current police officers who need to meet the higher legal standard of "probable cause." Furthermore, the minority believe that the bill as drafted violates Part 1st, Art. 19 of the New Hampshire Constitution and the 4th amendment of the Bill of Rights of the US Constitution. When a conservation officer gives a traffic ticket and that ticket ends up in court, who pays for the conservation officers day's pay while in court? Hunters when they buy their hunting and fishing licenses? The department of safety is not going to reimburse the fish and game department when they give traffic tickets. There is no fiscal note to SB 389 yet there is a cost to this bill for the conservation officers to act as a police officer. Even though conservation officers and state police may sit in the same class the education requirements for a conservation officer are lower than those of a police officer, yet the authority granted under this bill would give them increased responsibility and authority. For a department that is already overbooked and lacking sufficient resources to complete their job, the minority of the committee thought it strange to ask for additional responsibility.

The question being adoption of the majority committee report of Ought to Pass.
Rep. Burt offered floor amendment (1841h).

Floor Amendment (1841h)

Amend RSA 206:26, XV as inserted by section 1 of the bill by replacing it with the following:

XV. To enforce all provisions of RSA title XXI relative to motor vehicle laws, absent any violation or suspected violation of fish and game laws, with the same authority and powers as any other certified law enforcement officer in the state.

Rep. Burt spoke in favor.

Rep. Rose Marie Rogers spoke against.

Floor amendment (1841h) adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Wright offered floor amendment (1814h).

Floor Amendment (1814h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the enforcement of motor vehicle laws by officers of the fish and game department and relative to permitting qualifying patients and registered caregivers to cultivate cannabis for therapeutic use.

Amend the bill by replacing all after section 2 with the following:

3 Use of Therapeutic Cannabis for Therapeutic Purposes; Definitions. Amend RSA 126-X:1, IV to read as follows:

IV. "Cultivation location" means a locked and enclosed site, ***under the control of the qualifying patient or designated caregiver who shall report the location to the department in accordance with the provisions of this chapter, or*** under the control of an alternative treatment center where cannabis is cultivated, secured with one or more locks or other security devices in accordance with the provisions of this chapter.

4 Use of Therapeutic Cannabis; Definitions. Amend RSA 126-X:1, VI to read as follows:

VI. "Designated caregiver" means an individual who:

(a) Is at least 21 years of age;

(b)(1) Has ~~agreed to assist with one or more (not to exceed 5) qualifying patient's]~~ ***agreed to assist in the therapeutic use of cannabis, excluding the cultivation of therapeutic cannabis, for up to 5 qualifying patients***, except if the qualifying patient and designated caregiver each live greater than 50 miles from ~~[the nearest]~~ ***an*** alternative treatment center, ~~[in which case]~~ the designated caregiver may assist ~~[with]~~ ***in*** the therapeutic use of cannabis, ***excluding cultivation***, for up to 9 qualifying patients; ***or***

(2) Has agreed to cultivate cannabis for therapeutic use pursuant to this chapter for one qualifying patient, if the qualifying patient resides more than 30 miles from an alternative treatment center or if no alternative treatment centers are in operation in this state;

(c) Has never been convicted of a felony or any felony drug-related offense; and

(d) Possesses a valid registry identification card issued pursuant to RSA 126-X:4.

5 Use of Cannabis for Therapeutic Purposes; Definitions. Amend RSA 126-X:1, IX(a) to read as follows:

(a) "Qualifying medical condition" means the presence of:

(1) Cancer, glaucoma, positive status for human immunodeficiency virus, acquired immune deficiency syndrome, hepatitis C currently receiving antiviral treatment, amyotrophic lateral sclerosis, muscular dystrophy, Crohn's disease, agitation of Alzheimer's disease, multiple sclerosis, chronic pancreatitis, spinal cord injury or disease, traumatic brain injury, ***epilepsy, lupus, Parkinson's disease***, or one or more injuries that significantly interferes with daily activities as documented by the patient's provider; and

(2) A severely debilitating or terminal medical condition or its treatment that has produced at least one of the following: ***dementia associated with Alzheimer's disease***, elevated intraocular pressure, cachexia, chemotherapy-induced anorexia, wasting syndrome, severe pain that has not responded to previously prescribed medication or surgical measures or for which other treatment options produced serious side effects, constant or severe nausea, moderate to severe vomiting, seizures, or severe, persistent muscle spasms.

6 New Paragraphs; Use of Cannabis for Therapeutic Purposes. Amend RSA 126-X:2 by inserting after paragraph II the following new paragraphs:

II-a. A qualifying patient shall not be subject to arrest by state or local law enforcement, prosecution or penalty under state or municipal law, or be denied any right or privilege for the therapeutic use of cannabis in accordance with this chapter, if the qualifying patient possesses, or cultivates if the qualifying patient resides more than 30 miles from an alternative treatment center or if no alternative treatment centers are in operation in this state, an amount of cannabis that does not exceed the following:

(a) If the qualifying patient does not have a designated caregiver, for the possession or cultivation, or both, of cannabis that occurs at the cultivation location reported to the department, or while transporting cannabis and cannabis plants and seedlings to a new cultivation location that has been reported to the department within the prior 21 days:

- (1) Six ounces of usable cannabis;
- (2) Any amount of unusable cannabis; and
- (3) One flowering cannabis plant, one non-flowering cannabis plant not exceeding 12 inches in height, and 6 seedlings, with a total canopy of no more than 48 square feet.

(b) If the qualifying patient is not at a cultivation location reported to the department:

- (1) One ounce of usable cannabis; and
- (2) Any amount of unusable cannabis.

II-b. A designated caregiver shall not be subject to arrest by state or local law enforcement, prosecution or penalty under state or municipal law, or denied any right or privilege for the medical use of cannabis in accordance with this chapter on behalf of a qualifying patient if the designated caregiver possesses, or cultivates for a qualifying patient who resides more than 30 miles from an alternative treatment center or if no alternative treatment centers are in operation in this state, an amount of cannabis that does not exceed the following:

(a) If, at the cultivation location reported to the department, or while transporting cannabis and cannabis plants and seedlings to a new cultivation location that has been reported to the department within the prior 21 days:

- (1) Six ounces of usable cannabis; and
 - (2) Any amount of unusable cannabis; and
 - (3) Two mature cannabis plants and 12 seedlings, with a total canopy of no more than 50 square feet.
- (b) If not at a cultivation location reported to the department:
- (1) One ounce of usable cannabis; and
 - (2) Any amount of unusable cannabis.

II-c. A qualifying patient or designated caregiver shall not be subject to arrest by state or local law enforcement or prosecution or penalty under state or municipal law for giving cannabis to a qualifying patient or a visiting qualifying patient where nothing of value is transferred in return, or for offering to do the same, if the person giving the cannabis does not knowingly cause the recipient to possess more cannabis than is permitted by this section.

II-d. Notwithstanding paragraph II-c, a designated caregiver may receive compensation not to exceed \$500 per calendar year for costs, not including labor, associated with assisting a qualifying patient who has designated the designated caregiver to assist him or her with the therapeutic use of cannabis pursuant to RSA 126-X:1, VI. Such compensation shall not constitute the sale of a controlled drug pursuant to RSA 318-B.

7 New Subparagraph; Use of Cannabis for Therapeutic Purposes; Departmental Administration. Amend RSA 126-X:4, I by inserting after subparagraph (h) the following new subparagraph:

(i) A statement signed by the applicant consenting to random inspections of the cultivation location at the discretion of local public health officials. Such inspections may occur at least quarterly and shall be performed in the presence of the applicant during normal business hours.

8 New Subparagraph; Use of Cannabis for Therapeutic Purposes; Departmental Administration. Amend RSA 126-X:4, II by inserting after subparagraph (g) the following new subparagraph:

(h) A statement signed by the applicant consenting to random inspections of the cultivation location at the discretion of local public health officials. Such inspections may occur at least quarterly and shall be performed in the presence of the applicant during normal business hours.

9 Use of Cannabis for Therapeutic Purposes; Affirmative Defense. Amend RSA 126-X:5, I to read as follows:

I. It shall be an affirmative defense for any person charged with manufacturing, possessing, having under his or her control, selling, purchasing, prescribing, administering, transporting, or possessing with intent to sell, dispense, or compound cannabis, cannabis analog, or any preparation containing cannabis, if:

(a) The actor is a qualifying patient who has been issued a valid registry identification card, was in possession of cannabis in a quantity and location permitted pursuant to this chapter, and was engaged in the therapeutic use of cannabis; or

(b) The actor is a designated caregiver who has been issued a valid registry identification card was in possession of a cannabis in a quantity and location permitted pursuant to this chapter, and was engaged in the therapeutic use of cannabis on behalf of a qualifying patient; **or**

(c) The actor is a person with a qualifying medical condition who does not possess a registry identification card and, prior to the arrest, the actor submitted to the department a completed application to become a qualifying patient, including a written certification, but the actor had not yet received a registry identification card from the department; provided that:

(1) The actor does not possess more than the amount of cannabis permitted under RSA 126-X:2, II-a, if the cannabis is not on the actor's property; or

(2) If the cannabis is on the actor's property, the actor does not possess more than the amount of cannabis permitted under RSA 126-X:2, II-a, which shall be in a locked and enclosed location on the actor's property; or

(d) The actor is a person with a qualifying medical condition who is not yet in possession of a valid registry identification card and is arrested or cited prior to the date on which the department begins accepting registry identification card applications if:

(1) The actor produces a written statement signed by a provider stating that in the provider's professional opinion, after having completed a full assessment made in the course of a provider-patient relationship of at least 3 months duration, the actor has a qualifying medical condition. The 3-month requirement for the provider-patient relationship required in this subparagraph shall not apply if the provider issuing the written certification certifies that the onset of the patient's qualifying medical condition occurred within the past 3 months and the certifying provider is primarily responsible for the patient's care related to his or her qualifying medical condition; and

(2) The actor does not possess more than the amount of cannabis permitted under RSA 126-X:2, II-a, if the cannabis is not on the actor's property; or

(3) If the cannabis is on the actor's property, the actor does not possess more than the amount of cannabis permitted under RSA 126-X:2, II-a, which shall be in a locked and enclosed location on the actor's property.

10 Effective Date.

I. Sections 1 and 2 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows the fish and game officers to enforce the motor vehicle laws. This bill also permits qualifying patients and registered caregivers to cultivate cannabis for therapeutic use.

Rep. Wright spoke in favor, yielded to questions and requested a roll call; sufficiently seconded.

and the majority committee report was adopted and ordered to third reading.

SB 319-FN, relative to access to reproductive health care facilities. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Charlene F. Takesian for the Majority of Judiciary. The majority of the Committee believes that this legislation supports the privacy and dignity of patients, promotes public safety in communities where reproductive health facilities that provide abortion are located, and protects the rights of free speech for those who oppose abortion. The bill balances the right to seek and obtain health care in a safe and private manner with the right to assemble and demonstrate with opposing views or offer “sidewalk counseling” on public property. As amended, reproductive health care facilities will consult with the relevant local officials to craft protective buffers zones of up to 25 feet appropriate for the particular site and develop the signage necessary to enforce such a zone tailored to the specific requirements of each site. The committee heard nearly four hours of testimony indicating that while not all protestors use objectionable tactics, the sidewalks surrounding reproductive health centers are often contentious and present threats to the safety of patients, their family members, the protesters and the general public. Citizens use the services of these reproductive health care facilities for many reasons, while the protestors assume that those entering the facility are entering for one reason – to undergo a legal procedure that is objectionable to the protestor. There are currently no legal protections or restrictions that prevent a protestor from getting right in the physical space of a patient walking on a sidewalk or trying to access an entrance to a health center. There is constitutional precedent where the US Supreme Court has recognized the right to be left alone, specifically when entering or exiting a reproductive health facility. The committee was sensitive to the first amendment rights of all citizens in its deliberations on this bill. We tried to honor both free speech rights of the protesters and the right to privacy of those using the services. This bill is narrowly tailored to ensure that competing rights are protected. This legislation was developed with input from law enforcement and municipal officials in Manchester and Concord who currently have no tools to proactively maintain public order. Having clarity about boundaries will help law enforcement balance everyone’s rights. Vote 12-7.

Rep. Robert H. Rowe for the Minority of Judiciary. We must protect the rights of all. This bill will be statewide and apply to all abortion clinics and abutting properties in communities throughout the state. The bill prohibits a person from knowingly entering or remaining on a public way or sidewalk adjacent to a reproductive health facility that conducts abortions within a radius of up to 25 feet of the entrance, exit, or driveway of the clinic. This bill affects the legal rights of citizens desiring an abortion, those in opposition, the clinic, the property abutters, the municipalities and the general traveling public. In an urban or residential area, the up to 25 foot prohibited public area would very likely include signage that could be placed in front of abutting property and interfere with abutting property owners’ full use of the property. The amended bill allows the clinic the right to set the distance up to 25 feet with signage that may be placed in front of abutter land or public property after consulting with local authorities. Prior to the zone being set, the clinic is required to prepare a plan and then submit it to municipal authorities. The amended bill does not require that the municipality give notice to abutters and the public then hold a public hearing. Notice and hearings are important as the plan may affect the abutter’s reasonable use of their property. The bill protects private for-profit and not-for-profit professional reproductive health care facilities that conduct abortions, except hospitals. It makes no difference what the citizen’s intention is in entering or remaining in the restricted area; it is prohibited, unless you are a public official or an invitee or employee or just passing through the area to another destination. While the minority is sympathetic to the wants of both citizens seeking abortions and those that find that abortions are contrary to their religious or personal beliefs, the bill goes too far in relationship to property and personal rights. It is an all-sweeping prohibition. It doesn’t reflect the real property location of the facilities – rural or urban, the size of the facility such as one small building or a large multi tenant building, the surrounding properties, the needs of residential and commercial abutters, or the intent of the pedestrian. If the clinic is open and you linger, you are in violation. The prohibition exists even on days when abortions are not being conducted. The minority does not see this as an abortion bill but rather the need to carefully balance the rights for all. Both sides of this issue must recognize that there are citizen rights involved. Abortions are legal. A woman has a right to obtain one; to have freedom from intimidation, harassment, being threatened and violent confrontations. On the other side, citizens have the right to assemble, free speech, and religious freedom. All of these, and others, are current law. This bill must balance these and other rights that both sides of this issue have. The committee heard less than four hours of testimony; passionate and sincere, but none addressed facts such as: How many clinics are there? Where are they located? How many complaints have been made to the local authorities? What are the neighborhoods like? How will the up-to 25 foot no-linger zone affect abutters? One witness, who lives across from the Manchester clinic, stated that this bill would push any protesters to the sidewalk at his house where his daughter rides her bike. Before a no linger zone is imposed at the request of a private organization we should insure notice is given to abutters and a hearing held. The minority believes that all this law will do is move protesters further back, in front of homes and businesses, and sing, and pray louder and hold larger signs, or just walk back and forth through the restricted area to another location, or park cars in front of the center with signs in their cars – this is allowed. We are legislators and there is

clearly an issue here. We should ignore partisan pressure and lobby groups on both sides and craft a well-drafted law that is moderately acceptable to both sides and in keeping with the statutory and constitutional rights of all. Currently, the United States Supreme Court is hearing an appeal from Massachusetts on the same subject. Lastly, what about other commercial establishments that may be protested, can the owners use this as a precedent to establish a no access zone on public sidewalks and rights of way? It is unfortunate that no time was given for a legal analysis. There is case law on this subject relating to protest groups such as union picket lines being allowed to utilize the public way in front of the public and private buildings of the organization being picketed. The court has declared that union picketers have a right to use public property in picketing so long as the picketers do not impede access to the business they are protesting.

Majority Amendment (1720h)

Amend the introductory paragraph of RSA 132:38, I as inserted by section 2 of the bill by replacing it with the following:

I. No person shall knowingly enter or remain on a public way or sidewalk adjacent to a reproductive health care facility within a radius up to 25 feet of any portion of an entrance, exit, or driveway of a reproductive health care facility. This section shall not apply to the following:

Amend RSA 132:38, II and III as inserted by section 2 of the bill by replacing them with the following:

II. Reproductive health care facilities shall clearly demarcate the zone authorized in paragraph I and post such zone with signage containing the following language:

Reproductive Health Center

Patient Safety Zone

No Congregating, Patrolling, Picketing, or Demonstrating Between Signs

Pursuant to RSA 132:38

III. Prior to posting the signage authorized under paragraph II, a reproductive health care facility shall consult with local law enforcement and those local authorities with responsibilities specific to the approval of locations and size of the signs to ensure compliance with local ordinances.

IV. The provisions of this section shall only be effective during the facility's business hours.

Amend RSA 132:39 as inserted by section 2 of the bill by replacing it with the following:

132:39 Enforcement; Civil Fine.

I. Prior to issuing a citation for a violation of this section, a police officer or any law enforcement officer shall issue one written warning to an individual. If the individual fails to comply after one warning, such individual shall be given a citation. Failure to comply after one warning shall be cause for citation whether or not the failure or subsequent failures are contemporaneous in time with the initial warning.

II. Any person who violates this subdivision shall be guilty of a violation and shall be charged a minimum fine of \$100. In addition, the attorney general or the appropriate county attorney may bring an action for injunctive relief to prevent further violations of this subdivision.

III. This section shall not apply unless the signage authorized in RSA 132:38, II was in place at the time of the alleged violation.

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect 30 days after its passage.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.
Rep. Itse offered floor amendment (1833h).

Floor Amendment (1833h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to access to property used by incorporated entities.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Access to Property Used by Incorporated Entities; Enforcement; Civil Fine. Amend RSA 644 by inserting after section 20 the following new section:

644:21 Access to Property Used by Incorporated Entities; Prohibited Acts; Enforcement; Civil Fine.

I. In this section "incorporated entities" means for-profit and nonprofit entities incorporated in New Hampshire.

II. No person shall knowingly enter or remain on a public way or sidewalk adjacent to any property regularly used by an incorporated entity within a radius of 25 feet of any portion of an entrance, exit, or driveway of such property. This section shall not apply to the following:

(a) Persons entering or leaving such property.

(b) Employees or agents of such incorporated entity acting within the scope of their employment.

(c) Law enforcement, ambulance, firefighting, construction, utilities, public works and other municipal agents acting within the scope of their employment.

(d) Persons using the public sidewalk or street right-of-way adjacent to such property solely for the purpose of reaching a destination other than such property.

III.(a) Incorporated entities shall clearly demarcate the zone authorized in paragraph I and post such zone with signage containing the following language:

Safety Zone

No Congregating, Patrolling, Picketing, or Demonstrating Between Signs

Pursuant to RSA 644:21

(b) Prior to posting the signage authorized under subparagraph (a), an incorporated entity shall consult with local law enforcement and those local authorities with responsibilities specific to the approval of locations and size of the signs to ensure compliance with local ordinances.

IV. The provisions of this section shall only be effective during the incorporated entity's business hours.

V. Prior to issuing a citation for a violation of this section, a police officer or any law enforcement or code enforcement officer shall issue one verbal warning to an individual. If the individual fails to comply after one warning, such individual shall be given a citation. Failure to comply after one warning shall be cause for citation whether or not the failure or subsequent failures are contemporaneous in time with the initial warning.

VI. Any person who violates this section shall be guilty of a violation and shall be charged a minimum fine of \$100. In addition, the attorney general or the appropriate county attorney may bring an action for injunctive relief to prevent further violations of this section.

VII. If any provision of this section or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

2 Effective Date. This act shall take effect 30 days after its passage.

AMENDED ANALYSIS

This bill provides certain parameters for access to any property regularly used by incorporated entities. The bill establishes a civil fine and authorizes the attorney general or county attorney to seek injunctive relief in certain circumstances.

Reps. Itse and William O'Brien spoke in favor.

Rep. Wall spoke against.

Rep. Itse requested a roll call; sufficiently seconded.

Floor Amendment (1839h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to access to certain health care and agriculture-related facilities.

Amend the bill by replacing all after section 2 with the following:

3 New Subdivision; Access to Facilities Which Prepare Meat for Public Consumption. Amend RSA 427 by inserting after section 59 the following new subdivision:

Access to Facilities Which Prepare Meat for Public Consumption

427:60 Access to Facilities Which Prepare Meat for Public Consumption; Prohibited Acts; Enforcement; Civil Fine.

I. In this section a "facility which prepares meat for public consumption" means a meat broker and any other facility which butchers or prepares meat for sale or distribution to the public.

II. No person shall knowingly enter or remain on a public way or sidewalk adjacent to any facility which prepares meat for public consumption within a radius of 25 feet of any portion of an entrance, exit, or driveway of such facility. This section shall not apply to the following:

(a) Persons entering or leaving such facility.

(b) Employees or agents of such facility acting within the scope of their employment.

(c) Law enforcement, ambulance, firefighting, construction, utilities, public works and other municipal agents acting within the scope of their employment.

(d) Persons using the public sidewalk or street right-of-way adjacent to such facility solely for the purpose of reaching a destination other than such facility.

III.(a) Facilities which prepare meat for public consumption shall clearly demarcate the zone authorized in paragraph I and post such zone with signage containing the following language:

Safety Zone

No Congregating, Patrolling, Picketing, or Demonstrating Between Signs

Pursuant to RSA 427:60

(b) Prior to posting the signage authorized under subparagraph (a), a facility which prepares meat for public consumption shall consult with local law enforcement and those local authorities with responsibilities specific to the approval of locations and size of the signs to ensure compliance with local ordinances.

IV. The provisions of this section shall only be effective during the facility's business hours.

V. Prior to issuing a citation for a violation of this section, a police officer or any law enforcement or code enforcement officer shall issue one verbal warning to an individual. If the individual fails to comply after one warning, such individual shall be given a citation. Failure to comply after one warning shall be cause for citation whether or not the failure or subsequent failures are contemporaneous in time with the initial warning.

VI. Any person who violates this section shall be guilty of a violation and shall be charged a minimum fine of \$100. In addition, the attorney general or the appropriate county attorney may bring an action for injunctive relief to prevent further violations of this section.

VII. If any provision of this section or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

4 Effective Date. This act shall take effect 30 days after its passage.

and floor amendment (1839h) failed.

MOTION TO LIMIT DEBATE

Rep. Shurtleff moved that debate be limited to 30 minutes per side, including questions and answers.

MOTION TO AMEND

Rep. Carol McGuire moved to amend the motion to limit debate to 5 minutes per speaker plus 30 minutes per side for questions and answers.

On a division vote, 110 members having voted in the affirmative and 176 in the negative, the motion failed.

MOTION TO AMEND

Rep. Baldasaro moved to amend the motion to limit debate to 4.5 minutes per speaker and 29 minutes per side for questions and answers.

The Speaker ruled the motion out of order.

MOTION TO AMEND

Rep. Baldasaro moved to amend the motion to limit debate to 4 minutes per speaker.

Rep. Gary Richardson moved the previous question.

MOTION TO LAY ON THE TABLE

Rep. Jones moved that ***SB 319-FN***, relative to access to reproductive health care facilities, be laid on the table.

Rep. Jones requested a roll call; sufficiently seconded.

PROTEST

I hereby lodge a protest against the passage of SB 319, pursuant to Part 2, Article 24 of the Constitution of the State of New Hampshire. I believe this bill to be contrary to the rights guaranteed under the First Amendment to the Constitution for the USA and Part I, Article 22 of the Constitution of the State of New Hampshire and to the right of equality under the law protected by the Constitution of the State of New Hampshire and the 14th Amendment to the Constitution for the USA.

Reps. Abrami, Beaudoin, James Belanger, Berube, Boehm, Burt, Byron, Cormier, Danielson, Doolan, Duarte, Emerick, Flanders, Larry Gagne, Bianca Garcia, Marilinda Garcia, Gionet, Gordon, Groen, Harris,

Hoelzel, Introne, Itse, Kappler, Kolodziej, Kotowski, LeBrun, Martel, Carol McGuire, Dan McGuire, Keith Murphy, Kelleigh Murphy, Bill Nelson, William O'Brien, O'Connor, Parsons, Pellegrino, Peterson, Rapaport, Reilly, Frederick Rice, Rideout, Rowe, Sandblade, Souza, Stroud, Tilton, Tucker, Ulery, Umberger, Villeneuve and Weyler.

REGULAR CALENDAR (CONT'D)

SB 307, establishing a committee to review Citizens United amendments to the United States Constitution. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Robert L. Theberge for the Majority of State-Federal Relations and Veterans Affairs. The objective of the legislation is to establish a committee to review all proposed language and amendments to the Citizens United ruling and related cases by the U.S. Supreme Court. The majority believes that the Supreme Court's decision is an issue, which affects everyone across the political spectrum. It is not a conservative nor a liberal issue, but an issue affecting the integrity of our democracy. The intent of the report is to make recommendations for proposed legislation to New Hampshire's congressional delegation. Vote 8-5.

Rep. Alfred P. Baldasaro for the Minority of State-Federal Relations and Veterans Affairs. This bill, as amended, is a feel good study committee. The amendment sets up the study committee with two senators and two representatives, one each appointed by the majority and minority of both chambers. The resolution for the Supreme Court decision on Citizens United was not passed in the NH Senate. The minority feels that this back door approach is unnecessary for a study committee, which is a misuse of taxpayers' money that can be better used in other areas in need of financial support. The minority believes that if the Supreme Court decision was of such importance for NH, than why hasn't our Congressional delegation filed legislation in support of a constitutional amendment?

Majority Amendment (1600h)

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to review all proposed language and amendments to reverse the Citizens United ruling and related cases by the United States Supreme Court.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Two members of the senate, one to be appointed by the president of the senate and one appointed by the senate minority leader.

(b) Two members of the house of representatives, one to be appointed by the speaker of the house of representatives, and one appointed by the house minority leader.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. Recognizing the need for a constitutional amendment to overturn the Citizens United ruling and related cases while ensuring the protection of the First Amendment, the committee shall:

I. Examine the impact of the Citizens United ruling.

II. Examine the different approaches and language being proposed for a constitutional amendment.

III. Examine short term solutions to issues raised by the ruling such as requiring disclosure of donors and shareholder approval of corporate and labor election contributions.

IV. Make recommendations to the New Hampshire legislature as to which approaches, if any, the congressional delegation should support.

4 Chairperson; Quorum. The members of the committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Three members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation or resolution to the president of the senate, the speaker of the house of representatives, the chairperson of the senate public and municipal affairs committee, the chairperson of the house election law committee, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 2014.

6 Effective Date. This act shall take effect upon its passage.

Majority committee amendment adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Rideout spoke against.

Reps. Timothy Smith and Perry spoke in favor.

Rep. Timothy Smith requested a roll call; sufficiently seconded.

BILLS REMOVED FROM THE CONSENT CALENDAR OF MAY 14, 2014

SB 183-FN, relative to identification of voters, processing absentee ballots, and voluntary political expenditure limitations. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary B. Richardson for Election Law. SB 183 relates to identification of voters, processing absentee ballots and voluntary political expenditure limits. The provision relating to voter identification is a technical change to add ward clerks who were inadvertently omitted from RSA 659:13. The bill also increases the voluntary political expenditure limits. No one testified in opposition to the new limits. The most problematic provisions of the bill relate to the processing of absentee ballots. The House previously passed HB 1543, which would have allowed absentee ballots to be processed anytime after the polls had been open for two hours. SB 183, as amended by the Senate, would have required absentee ballots to be processed at 10 AM for polls that open no later than 9 AM. Many local election officials objected to designating a set time and preferred to give local officials flexibility because circumstances are different depending on the number of the number of absentee ballots received for a particular election. The committee amendment provides that absentee ballots shall be processed at 1 PM (which is current law) unless a different time is posted that is no earlier than 2 hours after the polls have been open. To ensure transparency, the moderator is required to post the time

in two public places at least 24 hours in advance of opening the polls and announce the time when the polls are opened. The committee amendment also eliminates a provision in current law that would allow 10 voters to challenge the time at which the absentee ballots are processed and require that the processing take place after the polls are closed. Eliminating this provision avoids the concern of local election officials that 10 voters could delay the counting of ballots after the polls closed for the processing of absentee ballots. Voters may still challenge absentee ballots as they are processed at the time designated by the moderator without delaying the counting of ballots. Vote 18-0.

Amendment (1497h)

Amend the bill by replacing section 3 with the following:

3 Processing Absentee Ballots. Amend RSA 659:49 to read as follows:

659:49 Processing Absentee Ballots.

I. Processing of previously received absentee ballots shall begin at 1:00 p.m. ***unless a different time, that is no earlier than 2 hours after the opening of the polls, is posted and announced in accordance with paragraph II.*** The processing of the absentee ballots shall not unnecessarily interfere with normal voting procedures, nor shall the polls be closed at any time ~~[during the]~~ ***for the*** processing of such ballots ***during normal polling hours.*** Absentee ballots which are received after ~~[1:00 p.m.]~~ ***the start time for processing absentee ballots*** and prior to 5:00 p.m. ***on the day of the election*** shall be processed as soon after receipt as possible. Under no circumstances shall absentee ballots be counted prior to the closing of the polls.

II. ~~[Notwithstanding the provisions of paragraph I, upon the written challenges of 10 or more voters who are present at the polls no later than 1:00 p.m., the moderator shall postpone the processing of all absentee ballots until after the polls close and prior to the counting of all ballots cast in the election.]~~ ***The moderator, or his or her designee, shall post the time at which the processing of absentee ballots shall begin at the polling place and one other public location at least 24 hours before the polls open. In addition, when the polls open the moderator shall announce the time at which the processing of absentee ballots shall begin.***

Amend RSA 664:5-b, V as inserted by section 4 of the bill by replacing it with the following:

~~[VI.]~~ V. For the purposes of this section, RSA 664:5-a, and the enforcement provisions of this chapter, “total expenditures” shall mean the sum of all expenditures made to influence either a state primary or a state general election made by a candidate and those made on the candidate’s behalf by the candidate’s committee or committees, the candidate’s party, and the candidate’s immediate family. For candidates for governor, ~~[United States senator, representative to Congress,]~~ state senate, state representative, and executive council, “total expenditures” shall include any such expenditures made after January 1 of the election year, regardless of when the person actually declares his or her candidacy. Each campaign expenditure limitation amount shall apply solely and independently to either the state primary election or the state general election.

Amend the bill by inserting after section 5 the following and renumbering the original section 6 to read as 7:

6 Vacancy; State Representative. Amend RSA 661:8, III to read as follows:

III. Notwithstanding the provisions of paragraph II, if a vacancy occurs in the office of state representative in a district comprised of a city ward or wards, a request to hold the primary and special elections on the same dates as the city’s biennial primary and regular elections may be submitted to the governor and council by the governing body of the city. If so requested, the governor and council shall declare the vacancy not less than 56 days prior to the date of the city’s primary election. ~~[The filing period shall be held not more than 50 days nor less than 43 days prior to the primary election.]~~ ***The filing period shall start on the Monday following the date on which the governor and council declare that there shall be a special election and shall end at 5:00 p.m. on the Friday of that week.*** The provisions of RSA 655:81, III, VI, VII, VIII, IX, X, and XI shall apply to elections held pursuant to this paragraph.

AMENDED ANALYSIS

This bill:

I. Clarifies additional forms of identification for voters.

II. Eliminates certain restrictions relating to when absentee ballots may be processed.

III. Increases voluntary campaign expenditure limits.

IV. Clarifies the filing period for state representative special elections.

Amendment adopted.

The question now being adoption of the committee report of Ought to Pass with Amendment.

Rep. James Belanger offered floor amendment (1815h).

Floor Amendment (1815h)

Amend RSA 659:49, I as inserted by section 3 of the bill by replacing it with the following:

I. Processing of previously received absentee ballots shall begin at 1:00 p.m. ***unless a different time, that is no earlier than 2 hours after the opening of the polls, is posted and announced in accordance***

with paragraph II. The processing of the absentee ballots shall not unnecessarily interfere with normal voting procedures, nor shall the polls be closed at any time ~~[during the]~~ **for the** processing of such ballots **during normal polling hours.** Absentee ballots which are received after ~~[1:00 p.m.]~~ **the start time for processing absentee ballots** and prior to 5:00 p.m. **on the day of the election** shall be processed as soon after receipt as possible. Under no circumstances shall absentee ~~[ballots]~~ **ballot votes** be counted prior to the closing of the polls. **Absentee ballots are to be treated the same as regular ballots after processing.**

Rep. James Belanger spoke in favor and yielded to questions.

Rep. Gary Richardson spoke against.

On a division vote, 70 members having voted in the affirmative and 194 in the negative, floor amendment (1815h) failed.

Committee report adopted and ordered to third reading.

SB 235, relative to the patients' trust fund and relative to a 10-bed psychiatric crisis unit. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Sharon Nordgren for Finance. This bill updates a law dealing with personal funds held by the state hospital when a patient is admitted. The other task of the bill is to require the department of health and human services to open a 10-bed psychiatric crisis unit in New Hampshire Hospital by July 01, 2015. To accomplish this, the hospital will need to hire by March 01, 2015 in order to complete training and orientation. The operating costs for FY 2015 will be covered by existing appropriations. Costs beyond FY 2015 will receive federal revenue and requests for general funds will be in future operating budgets. Vote 23-0.

Amendment (1661h)

Amend the bill by deleting section 3 and renumbering the original section 4 to read as 3.

Amendment adopted.

Committee report adopted and ordered to third reading.

CACR 19, relating to dedicated funds. Providing that dedicated funds shall be used solely for the purpose of the fund. **REFER FOR INTERIM STUDY.**

Rep. Thomas C. Schamberg for Ways and Means. The purpose for recommending Interim Study of CACR 19 is to review the absolute prohibition of diverting dedicated funds and the effect upon the financial commitment of the State of New Hampshire to programs and operations. Numerous financial problems were brought up in committee discussions. Vote 19-0.

Rep. Almy spoke in favor.

Rep. Steven Smith spoke against and requested a roll call; sufficiently seconded.

REMARKS

Rep. Campbell: Thank you, Madam Speaker. The Nashua Delegation stands before you today to honor a former, 15-term member of the House, the Honorable Roland Lefebvre. Roland passed away last month at the age of 90 years old. His loving and beloved wife, Joyce, to whom he was married to for nearly 60 years, predeceased him in 2008. He leaves behind his daughter and son and six grandchildren. Born in Lowell, Roland's family moved to Nashua when he was young. After Pearl Harbor, Roland enlisted and served his country in the U.S. Army Air Corps as a Tail Gunner on a B17 Bomber and later a crew chief for aircraft maintenance. After the war, he joined the Reserves and served a total of 41 years. In his later years, Roland sometimes shared stories of his wartime experiences. Suffice it to say that Roland knew the terrors of combat, the thrill of being part of the liberation of Europe and the horrors of man's inhumanity as a witness to the aftermath of the Nazi atrocities. Like millions of others part of the greatest generation, Roland returned home to a job and raised a family. He was also an outdoor and nature enthusiast, cyclist and avid snowmobiler, for which he both blazed and maintained trails that are still used today. So given his background, it was very fitting that during his 30 years in this Legislature, his committee assignments were Fish and Game, Resources and Recreation and Veterans Affairs. He was first elected to the House at age 48 in 1972 along with our Secretary of State, Bill Gardner, with whom he remained a lifelong friend. From this very well under Unanimous Consent, he often regaled the House with a unique brand of prose and poetry in both French and Au Francais. A debilitating and painful back condition forced Roland to retire from the House in 2006, however, a medical procedure reduced his pain and Roland ran for office one last time in 2008. Ever the cyclist during that time, Roland was often seen in our neighborhood in what could best be described as a 4-wheel, all-terrain vehicle/wheelchair. On Election Day in 2008, candidate Lefebvre rolled into the polling place, which is a mile and a half from his house, in his unregistered, bright red ATV decked with flags and homemade political signs with bells and horns a-blasting. Roland maintained a vast home garden to the very end and visits to Roland's home were rewarded, depending on the time of the season, with rhubarb, squash or beefsteak tomatoes. He also had this hybrid tree that he planted 40 years ago, which incredibly at the same time would yield purple plums and juicy peaches from different branches from the same tree. I have never seen anything else like it. His outdoor activities in his ATV were not confined to the backyard, however. A colleague, Representative Ken Gidge, who lives on the same street as Roland, reported just two years ago seeing Roland out at the end of his driveway with a homemade bucket full of stone and tar and with a spade tied to a pole. He was filling a pothole in the city street. A man after my own heart. So in conclusion, I ask that our fellow Representatives please join the Nashua Delegation in remembering a husband and father, saluting a veteran of the 2nd World War and paying tribute to the memory of our late colleague, the Honorable Roland Lefebvre.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the former member from Nashua, the Honorable Roland Lefebvre.

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Rep. Fields be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Fields (Remarks prepared by Rep. Huot): Thank you, Madam Speaker. Madam Speaker, I rise today to speak in memory of my friend, "The Doc in the House," the Honorable James P. Pilliod, M.D. Jim Pilliod came to New Hampshire in 1964 from training in pediatric medicine at the University of Michigan after graduating from Duke University Medical School in 1960. He settled in Belknap County and joined the then group practice known as The Laconia Clinic as a pediatrician in 1964 and practiced there continuously until his retirement in 1996. He was loved and respected by the children for whom he cared and their parents. He could tease from even the most reluctant of them, the history which allowed him to astutely diagnose their problem. In addition to prescribing the medical solution, he had the knack of schooling parents in taking the measures which would speed the child's recovery. In the community, Jim distinguished himself in advocating for citizens suffering from mental illness, and because he understood well the impact of mental illness on families and the community, he served as a loud, clear voice, for a population that far too often had none. He was also a leader in promoting the local day care center and was instrumental in the development of well-child program in which physicians were paid for performing well-child visits, but, in turn, treated the children when they were sick without compensation. I touch briefly on his many achievements, like his service as an officer in the United States Navy, President of the New Hampshire Medical Society, state delegate to the American Medical Association, and his work with the Lakes Region Child Care Services, but I must point out one important consideration, which drew Jim to the Lakes Region, Lake Winnepesaukee. He found it an outstanding environment in which to raise his seven children. There were many outings at which the family would gather round the fire and sing their favorite songs, like "Logger Lover" to the accompaniment

of Jim's omnipresent guitar. Then, of course, there was Jim's love of his boat. He managed to parlay that love into a side-calling, loading himself, and usually one or more of his children into the boat early on a summer weekend morning to ply the waters of Lake Winnepesaukee serving as "camp doctor" to the many boys and girls camps on the mainland and islands of the Lake. Many of you served with Jim during his sixteen years in this body. His first assignment was ED&A, then Judiciary, and then Health, Human Services and Elderly Affairs. He sponsored and supported many bills to benefit children, the mentally ill and the elderly. But, at least in the Lakes Region, his signature legislative achievement will be the speed limits on Lake Winnepesaukee. Everyone whose life Jim touched will be enriched by having known him. Thank you, Madam Speaker.

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Rep. Gary Richardson be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Gary Richardson: Thank you, Madam Speaker. Maybe some of you remember Mary Ann Lewis, who passed away last week at the age of 97. Mary Ann was born on November 6, 1916 in Chicago, the third of seven daughters of Constantine and Raffaello Juliano. I love that name. When the 2nd World War started, Mary Ann took a job with the United States Navy, got on a boat and moved to Pearl Harbor. It was there that she met her husband, Allen and lived with him in Hawaii until she moved to New Hampshire in 1946. If you knew Mary Ann, you know that she was a tenacious lady. It seemed in the 1970's Hopkinton was having a property reassessment and the only way you could find changes to the assessments and look up the property assessments on your neighbor's property, was to go down to the assessors office, look up the property by owner's name and by book and page from the registry of deeds. Of course there was no internet, no street numbers and certainly no published assessments. The simple task of determining your neighbor's assessment was no small undertaking. Mary Ann organized a group of ladies to get a copy of the list, which in itself was not always easy. Once she had it, they split it up and typed out a list on mimeograph paper and went to the Fish and Game department, where her husband Allen worked and on weekends ran off pages on an offset press, collated it and stapled up the assessment. Now I can tell you that when things are as opaque as property assessments were in the 1970's, and she made them noticeably more transparent, it was a consequence and quite an uproar that ensued, but it was Mary Ann's first experience with politics and at the end of the day, it was a successful one. Buoyed by that success, when Mary Ann retired, she decided to run for the New Hampshire House and that began a 12-year career that she truly loved representing Hopkinton, Webster and Dunbarton. Although Mary Ann held strong opinions, I think most people enjoyed having her as their representative. I say most people because at one point she prevailed in the primary on both sides of the ballot. She enjoyed the debate and while she might have seemed completely set in her ways, according to those who knew her best; she could be swayed on occasion. She worked hard to promote women's issues, especially pro choice, natural resources and very much anti-nuclear in the Meldrim Thompson, Seabrook era. In the more recent ages, she became focused on family and her home, but she remained active in civic affairs, working as one of our ballot clerks in Hopkinton well into her late 90's and more recently up until, I believe age 95, she became our official greeter of voters at the door. Her general 'can-do' attitude continued right up until the end. Several years ago, a new sidewalk was proposed as one of the federally funded 'shovel-ready' projects that would have built a sidewalk across her front lawn. Mary Ann wanted no part of a sidewalk on her front lawn and went door to door with a petition. All I can say to you is that today there is no sidewalk on Cedar Street. Some of the newer neighbors were amazed that this 90-year old was going door to door, while many others who knew her simply smiled and said, "That was Mary Ann being Mary Ann." I would have to agree with that assessment. She was a great wife and mother, a great patriot and a wonderful person. We will miss her dearly. Thank you.
