Motion adopted.

HOUSE JOURNAL No. 18

Wednesday, June 24, 2015

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker. Her Excellency, Governor Margaret Wood Hassan, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Father Andrew Nelson, son of Representative Nelson and Parochial Vicar at Good Shepherd and Holy Family Parishes in Berlin and Gorham.

Heavenly Father, as we begin this day, we pause to honor two of our brothers, Representative Robbie Parsons of Milton, and the Honorable Warren Leary, retired House Sergeant-at-Arms, who have been called from this earth. We give You thanks for their lives, for their service, and for their dedication to making this great state better for generations to come. We pray also for our brothers and sisters in South Carolina, who this week lay to rest so many, who in their lives and deaths, have witnessed not only to the prophets of faith, but also forgiveness and unity. As we gather in this historic chamber, we ask that You pour forth Your spirit of wisdom into our hearts, so that we may stand resolute in the pursuit of truth and justice, and united in protecting and promoting the dignity of all. May principles of truth always carry the day, and may our voices rise prophetically for the least of our brothers and sisters. May the barriers of politics and party in this chamber and in the State House be torn down and replaced by a common mission to improve the lives of all of New Hampshire citizens. May the principles of respect, civility, and integrity define our discourse this day and always. May we have the humility to do what is right, and the courage to face the consequences. May our citizens and all those who have sacrificed their lives, fortunes, and honor in defense of our nation see in what we do this day reason for hope. Amen.

Representative John Burt, member from Goffstown, led the Pledge of Allegiance.

The National Anthem was sung by members of St. Paul's Church in Concord, under the direction of Mark Pace, Director of Music Ministries.

UNANIMOUS CONSENT

Rep. Mullen requested Unanimous Consent of the House regarding memorial remarks for the member from Milton, the Honorable Robbie Parsons.

Rep. Mullen addressed the House.

MOTION TO PRINT REMARKS

Without objection, the Speaker ordered the remarks made by Rep. Mullen be printed in the Permanent Journal.

REMARKS

Rep. Mullen: Thank you, Mister Speaker. Monday, the New Hampshire House of Representatives lost one of its distinguished members, Robbie Parsons. He lost his struggle with cancer, which he fought with all his might. He was a dedicated legislator, which began in 2010 and was passionate about preserving the freedoms that the people of New Hampshire enjoy. He was tireless in his dedication to his family, the people of Milton

and Middleton and was most proud to be a member of this distinguished body. I was first introduced to Robbie in 2012 when I was considering a run as a State Representative. His wisdom of the process and his dedication to the constitution were inspiring. We became close friends and would discuss the events of the day on a weekly basis. While we did not agree on all things, we certainly talked about them and learned from our discussions. Robbie was one to never give up. Many times in the last couple of years he would be too tired to drive up to Concord for a Session, but he would ride with me and sit through many Sessions to ensure that he could represent his constituents. I will miss him for his sense of humor, his passion for the ideals he so strongly believed in and his commitment to civic service. May our prayers and good thoughts go to his wife, Lynda, and his family. God bless you Robbie Parsons.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the Representative from Milton, the Honorable Robbie Parsons.

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the Declaration read by the Speaker be printed in the Permanent Journal. Motion adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 135-FN

Committee of Conference Report on SB 135-FN, an act relative to lead poisoning in children.

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 130-A:6-a, III as inserted by section 4 of the bill by replacing it with the following:

III. *In circumstances where the presence of a lead exposure hazard is unsuspected, and becomes known only after the dwelling or dwelling unit has been rented to a family with a child, the owner may withdraw the unit from the residential rental market in lieu of undertaking reduction of the lead exposure hazard. In such case the owner may bring an action to evict the family but only if the owner fulfills all of the conditions set forth in RSA 130-A:8-a, II. The dwelling unit shall not be subsequently rented for residential purposes without reduction of all lead exposure hazards associated with the unit.*

Amend RSA 130-A:19, IX as inserted by section 6 of the bill by replacing it with the following:

IX. The commission shall review and assess effective and practicable means by which municipal and local building officials may help ensure contractors and property owners are informed about lead-safe renovation, repair, and painting practices, including the existing federal Renovation, Repair and Painting Program.

X. The commission shall submit an annual report of its activities, together with recommendations for legislation commencing on December 1, 2016 to the president of the senate, the speaker of the house of representatives, the governor, and the state library.

Amend the bill by replacing section 7 with the following:

7 Lead Paint Poisoning Prevention; Civil Suits. Amend RSA 130-A:18 to read as follows:

130-A:18 Civil Suits. Owners of pre-1978 rental housing and childcare facilities shall take reasonable care to prevent exposure to, and the creation of, lead hazards. Notwithstanding any provision of law to the contrary, the mere presence of a lead base substance shall not constitute negligence on the part of an owner of any dwelling. To establish negligence on the part of an owner, the plaintiff in a civil suit shall demonstrate actual injury caused by the lead base substance. Evidence of actions taken or not taken by the owner of a pre-1978 rental property or childcare facility in compliance with applicable public health laws and regulations concerning lead may be admissible evidence of reasonable care or negligence. Remedial actions taken by a property owner after a lead exposure has occurred shall not be admissible evidence for purposes of establishing liability. Evidence of a tenant's disturbance of painted surfaces containing lead paint also shall be admissible evidence. In addition, the mere presence of a lead base substance in a dwelling shall not by itself violate any warranty of habitability.

CONSIDERATION OF HOUSE JOINT RESOLUTION 2

This house joint resolution makes temporary appropriations for the expenses and encumbrances of the state of New Hampshire.

A **RESOLUTION** making temporary appropriations for the expenses and encumbrances of the state of New Hampshire.

Whereas, a budget has not yet been enacted for fiscal years 2016 and 2017; and

Whereas, action at this time is necessary to carry out the functions of state government after fiscal year 2015, and prior to enacting said budget act; now therefore be it

Resolved by the Senate and House of Representatives in General Court convened:

I.(a) That each state agency or state entity for which the general court appropriated funds for its operating budget for fiscal year 2015 is authorized to obligate additional funds for expenditures during the period this resolution is in effect at a rate not in excess of 6/12 of, and for the same purposes of, the appropriations for fiscal year 2015 contained in HB 1-A of the 2013 regular legislative session (2013, 143), unless due to an emergency it shall be otherwise authorized by the governor with the advice and consent of the council with prior approval of the fiscal committee of the general court. For the purposes of this resolution, the provisions of HB 2-FN-A-LOCAL of the 2013 regular legislative session (2013, 144) which relate to the 2014-2015 biennium shall apply; and

(b) Enactment of this resolution shall constitute acceptance by the state of federal funds in such amounts as under applicable state or federal law shall be necessary to give effect to the provisions of this resolution and shall further constitute the appropriation of such state funds as under federal law shall be required to be added to such federal funds as a condition of their transfer to the state. The authorization provided in this resolution shall be deemed to be a budget within the meaning of RSA 9; and

(c) Funds subject to obligation under this resolution shall be deemed subject to transfer under the provisions of RSA 9:16-9:17-d, with prior approval of the fiscal committee of the general court. The governor is authorized by and with the advice and consent of the council to draw warrants for the sums necessary to discharge obligations authorized by this resolution out of any money in the treasury not otherwise appropriated or, in the case of special funds, out of any such special funds. Expenditures obligated under authority of this resolution shall be charges upon any appropriations subsequently enacted with respect to identical purposes and periods; and

II. That the provisions of RSA 9 inconsistent with the provisions of this resolution and the provisions of any other statutes so inconsistent are hereby suspended to the extent of such inconsistencies during the time this resolution is in effect. The state of New Hampshire hereby indemnifies any state official, commissioner, trustee, or other person having control of public funds appropriated by the general court for any liability personally incurred because of the provisions of RSA 9:19 and RSA 9:20 for whatever period of time elapses from 12:01 a.m. July 1, 2015, until the time that the provisions of this resolution making temporary appropriations become law; and

III. That this resolution shall take effect July 1, 2015 and shall continue in effect until an operating budget is enacted into law but in no event later than January 1, 2016.

Rep. Kurk moved Ought to Pass.

Rep. Wallner offered floor amendment (2336h).

RESOLUTION

Rep. Flanagan offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time and when the House adjourns today, it be to the Call of the Chair.

Motion adopted.

UNANIMOUS CONSENT

Rep. Harvey requested Unanimous Consent of the House regarding memorial remarks for the former Representative from Nashua, the Honorable Paul Hackel and addressed the House.

Rep. Mangipudi requested Unanimous Consent of the House regarding International Yoga Day and addressed the House.

MOTION TO PRINT REMARKS

Rep. Flanagan moved that the remarks made by Rep. Harvey be printed in the Permanent Journal.
Motion adopted.

REMARKS

On June 3rd we lost one of our former House members, the Honorable Paul Hackel, who served three terms as a distinguished member of the Judiciary Committee. At the recent celebration of his life, people talked of Paul's warmth, humor, and big heart as a husband, father, grandfather, friend, and community leader. Paul, they each said, never spoke ill of anyone, it wasn't his way. He cared deeply about people and justice and, in everything he did, worked hard to make the world a better place. Paul graduated from the University of Vermont and received an MBA from Columbia University. He served in the US Army during the Korean War. Then, back in his home state, he chaired the Vermont Human Rights Commission, where he led the Mississippi Project, which resulted in the building of the Medgar Evers Community Center that still stands today in Jackson, Miss. Paul ran two family-owned companies in Vermont and then moved to Nashua in the late 1980s to be near family. He owned and operated Dream Kitchens, a thriving kitchen design store in Nashua that his daughter runs today. Back several years ago, I asked Paul to consider running with me in Nashua's Ward 2, and after talking it over with his wife, Sonya, he said yes. I couldn't have had a more generous running mate. Although Paul couldn't physically walk the district, he was part of our planning and our main cheerleader throughout the campaign. When his grandchildren did the literature drops for their grandfather, he made sure they took my literature as well. He and Sonya hosted many house parties for candidates and opened their home to house campaign workers. Paul loved serving in the House and was particularly proud of helping to pass NH's marriage equality bill into law. Thank you, Paul, for being with us and showing us what being a gentleman and a good citizen is all about. Please join me for a moment of silence to honor our colleague.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the former Representative from Nashua, the Honorable Paul Hackel.
