Rep. Hinch moved that the House adjourn.
Motion adopted.

HOUSE JOURNAL No. 15

Wednesday, June 1, 2016

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Margaret Wood Hassan, joined the Speaker **on the rostrum** for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Kate Atkinson, Rector of St. Paul's Church in Concord. God of many names but one light, You give us the light of life in countless ways. You bathe us in sunlight and You brighten our nighttime path with moonbeams. The stars You scattered in the heavens astound us with their number, their intensity, and the patterns they create. As we stand on the brink of summer, ready to welcome the long, hot days, inspire us to notice Your gift of light in all its forms: darting fireflies in the dusk; fireworks that explode and cascade through the July sky; campfires reflecting in the faces of friends and loved ones; and brilliant zigzags of lightening that herald a storm. Today, as we grieve with our sister Representative, Rebecca Brown and the loss of her husband, Harry, we also give You thanks for brightening our lives with the presence of loved ones and warming our hearts with memories of those who have gone before us. And now as we enter summer's slower pace, as time and space opens up in our busy lives, help us to appreciate Your many gifts of light. Open our eyes and our hearts to dazzling smiles that speak of pure joy; enlighten our minds with new discoveries and ideas; and inspire us to be a guiding, comforting, life-giving light to others - so that, together, we can set the world on fire with the flame of Your love. Amen.

COMMUNICATION

Timothy Soucy
33 Gillis Street
Nashua, NH 03060
May 25, 2016

Dear Mr. Speaker:

Due to my impending relocation to the City of Concord, I am resigning my seat in Nashua Ward 7, District 34 effective immediately.

Respectfully Submitted,
Timothy Soucy

COMMUNICATION

Mister Speaker, Honorable House Clerk, and colleagues in the NH House of Representatives:

It is with a great deal of sadness that I must tender my resignation from the office of State Representative. As you know, I have represented the District of Strafford 23, comprising Wards 2 and 3 from the City of Rochester, since December 3, 2014.

It has been a great honor to be able to speak on behalf of the people of my District, and I owe them a debt of gratitude for having elected me to this office...an office that I originally did not want to seek!

During the last 2 years, it has been an honor to work with the great people who I have had the good fortune to know in the House Ways and Means Committee. I have learned much from them, and hope to work with them once again if I am elected by the people in the ward into which I will be establishing my domicile.

This resignation will be effective immediately upon acceptance by the NH House or by the Office of the Speaker. Sincerely,

Don E. Leeman
Strafford 23

COMMUNICATION

Email dated June 1, 2016

Mr. Speaker,

It is with mixed emotions that I tender you this letter of resignation. It saddens me that I will be unable to complete my entire term here at the New Hampshire State House but I leave feeling more optimistic than ever with the knowledge that this great State is in such capable hands. While finances have prompted my move today, they do not suppress my desire to return as a colleague. It is my hope that the voters of Keene feel the same and send me back to this esteemed body next November so that we can continue our work towards a better Granite State!

"Live free or die: Death is not the worst of evils."

UNANIMOUS CONSENT

Rep. Barbara French requested Unanimous Consent of the House regarding her last term and addressed the House.

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Rep. Barbara French during Unanimous Consent be printed in the Permanent Journal.

Motion adopted.

REMARKS

Rep. French: Thank you, Mister Speaker and colleagues. This is my last Session. I am retiring after 24 years of service. I'd like to make a few comments and observations. Government is of the people, by the people and for the people. The United States Constitution tells us, among other things, to promote the general welfare. The New Hampshire Constitution also tells us that all government is an institution for the common good. I am well acquainted with mental health. While a student at UNH, I worked two summers as an aide on a geriatric ward at New Hampshire Hospital. It was a wonderful experience. After graduating from Cornell University, New York Hospital School of Nursing, I worked for three years at the hospital and then returned to New Hampshire. I worked as a staff nurse and then as an instructor in the affiliate nursing program at New

Hampshire Hospital. I remember in the 1980s when the patients were all discharged from New Hampshire Hospital and New Hampshire was to develop a community-based system of care. We didn't and were taken to court. We created an excellent system of care which is one of the best in the country and people came from all over to learn about it. Funding became an issue and we were taken back to court. We again developed a system of care, the court accepted it and we are in the process of trying to implement it and we need to stay at it. There were some accomplishments. We passed expanded Medicaid and this Session we renewed our support. This is a significant accomplishment as about 50,000 people now have health care who either had no health insurance or inadequate coverage. Their lives have been improved, the hospitals have greatly reduced uncompensated care and the insurance companies are insuring many more people in the state. Is it perfect? No. After losing school nurse certification 50 years ago, it is now reinstated. This means better quality house services for our students. When I entered the legislature in 1992, it didn't matter what party we were. We all worked together as we knew what we were elected to do; the people's business. We didn't always agree, but we got the job done. Ever since I've been here we've had a structural deficit and New Hampshire should finally realize we have a revenue problem, not a spending problem. New Hampshire is a wonderful state. We have a lot of hard-working, caring people who deserve to have their needs met. I have hope that we can turn the situation around as; we too, are caring people. I did not come to the legislature to win a popularity contest, but to help our people in the state. It has been an honor and privilege to represent Henniker and Bradford. I have passed legislation that commits New Hampshire to primary prevention. I have made many good friends. I shall miss this place. Best wishes to everyone.

AMENDMENT TO HOUSE RULES

Reps. Hinch and Shurtleff moved the adoption of an amendment to House Rules, as proposed by the Rules Committee and printed in Calendar 33A, to amend House Rule 35 (b) adding the following two lines:

"Failure of a member to engage in mediation may result in legislation not being filed. If mediation is not successful between members, the Speaker shall be the ultimate arbiter in deciding which bill will be filed."

Rep. Hinch spoke in favor.

On a division vote, with 243 members having voted in the affirmative, and 74 in the negative, the motion was adopted by the necessary two-thirds vote.

MOTION TO SUSPEND HOUSE RULES

Reps. Hinch and Shurtleff moved that House Rules be so far suspended as to permit late drafting, introduction and consideration at the present time, without the required printing, referral to committee, public hearing and report from committee of a bill relative to changing certain study committee reporting dates, and if said bill passes, to allow immediate third reading.

Motion adopted by the necessary two-thirds vote.

RESOLUTION

Reps. Hinch and Shurtleff offered the following: RESOLVED, that late introduction having been approved by a two-thirds vote of the House, House Bill numbered 1702 shall be by this resolution read a first and second time by the therein listed title.

Motion adopted.

COMMITTEE OF CONFERENCE REPORTS ON SENATE BILLS

COMMITTEE OF CONFERENCE REPORT ON SB 4

Committee of Conference Report on SB 4, relative to eligibility to vote and relative to availability of voter information.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing sections 1-3 with the following:

1 Voter; Domicile. Amend RSA 654:1, I to read as follows:

I. *(a)* Every inhabitant ~~[of the state]~~, having ~~[a single]~~ established domicile ~~[for voting purposes]~~ ***in this state for no less than 10 consecutive days before any election where the inhabitant offers to vote,*** being a citizen of the United States, of the age provided for in Article 11 of Part First of the Constitution of New Hampshire, shall have a right at any meeting or election, to vote in the town, ward, or unincorporated place in which he or she is domiciled.

(b)(1) An inhabitant's domicile for voting purposes ~~[is that one place where a person, more than any other place, has established a physical presence and manifests an intent to maintain a single continuous presence for domestic, social, and civil purposes relevant to participating in democratic self-government.]~~ ***shall be the principal or primary home or place of abode of a person. Principal or primary home or place of abode is that home or place in which his or her habitation is fixed and to which a person, whenever he or she is temporarily absent, has the intention of returning after a departure or absence therefrom, including when the person is absent because of military service or temporarily absent as described in RSA 654:2.***

(2) ***In determining what is a principal or primary place of abode of a person, without limitation the following factors or evidence relating to such person may be taken into account: civic and community participation, the place where a person spends most nights of the year, the location from which a person would apply for a passport or other federal identification, residence for income or other tax purposes, eligibility for a resident hunting and fishing license, and a New Hampshire driver's license.***

(3) ***A qualified voter who has left his or her home and gone into another state or town of this state for a temporary purpose only shall not be considered to have lost his or her domicile as described in RSA 654:2.***

(4) ***A person shall not be considered to have gained a domicile in any town or ward of this state into which he or she comes for temporary purposes only, without the intention of making it his or her home but with the intention of leaving it when he or she has accomplished the purpose that brought him or her there. Evidence that a person who, prior to arriving in New Hampshire, was domiciled in another state and is temporarily present in New Hampshire for any purpose including, but not limited to vacation, short-term temporary work, volunteering for social or civic purposes, or volunteering or working on political campaigns is not sufficient evidence that the person has established a domicile in New Hampshire.***

(5) ***If a qualified voter moves to another state, with the intention of making it his or her permanent home, he or she shall be considered to have lost his or her domicile in this state.***

(c) A person has the right to change domicile at any time, however a mere intention to change domicile in the future does not, of itself, terminate an established domicile before the person actually moves.

2 New Paragraphs; Voter; Domicile. Amend RSA 654:1 by inserting after paragraph I-a the following new paragraphs:

I-b. Any person who establishes a voting domicile that otherwise meets the requirement of paragraph I, less than 10 days before any election where the inhabitant offers to vote shall vote at the polling place for the town or ward of his or her most recent previous domicile. Except that any person who transfers an existing New Hampshire voter registration and satisfies the requirements of this chapter for proving his or her new domicile may vote at the polling place for the town or ward of his or her new domicile.

I-c. Any person who met the requirements of this chapter to register to vote in New Hampshire who has established a voting domicile outside of New Hampshire within the 10 consecutive days before an election and is not allowed to register and vote in that election in the state of his or her new domicile because he or she established that new domicile within 10 consecutive days before that election may vote at the polling place for the New Hampshire town or ward where he or she was previously domiciled.

3 Voter Registration Form. Amend RSA 654:7, IV to read as follows:

IV. *(a)* ~~[A]~~ Standard registration application ~~[form]~~ ***forms*** shall be used throughout the state. The registration ~~[form]~~ ***forms*** shall be no larger than 8 1/2 inches by 11 inches.

(b) The secretary of state shall prescribe the form of the voter registration form to be used for voter registrations, ***transfers, or updates*** other than those at the polling place on the date of a state general election, which shall be in substantially the following form:

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

(c) The secretary of state shall prescribe the form of the voter registration form to be used only for voter registrations, ***transfers, or updates*** at the polling place on the date of a state general election, which shall be in substantially the following form:

___ ***NEW REGISTRATION I am not registered to vote in New Hampshire***

___ ***TRANSFER I am registered to vote in New Hampshire and have moved my voting domicile to a new town or ward in New Hampshire***

___ ***NAME CHANGE/ADDRESS UPDATE I am registered to vote in this town/ward and have changed my name/address***

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

Amend the bill by replacing section 5 with the following:

5 Statement of Purpose. The New Hampshire constitution states: "Every person shall be considered an inhabitant for the purposes of voting in the town, ward, or unincorporated place where he has his domicile." Members of the 1974 Constitutional Convention voted to make "domicile" a prerequisite for voting, rather than being an inhabitant or resident, with the intent to require a more definite and permanent qualification that preserves and promotes confidence in elections. It was deemed that a person may have multiple residences at one time, but only one domicile. The amendment to the constitution was passed during the 1976 general election; however, under the wording of our current statutes, it is difficult for the state to assert this constitutional interest in preserving the integrity, fairness, and efficiency of the election process. The Supreme Court has stated that this interest justifies the state's imposition of certain eligibility requirements for voters and has upheld the legislatures' duty to set qualifications for the equal constitutional right to be elected. A 10-day domiciliary requirement for electors provides administrative clarification while preserving and promoting voter confidence in New Hampshire's unmatched tradition of ballot access and voter participation.

The signatures below attest to the authenticity of this Report on SB 4, relative to eligibility to vote and relative to availability of voter information.

CLERK'S NOTE

The Committee of Conference report on Senate Bill 305, relative to the brew pub license, will not be taken up by the House. A member brought to my attention that they thought the report was in violation of the rules and, after reviewing current RSAs and both the House and Senate versions of the bill, I determined that the fee contained therein was not included in the statute being amended, had not had an affirmative vote of the House, nor had a public hearing. Thus, pursuant to House Rule 49 (j) which states in part "the House shall not accept a committee of conference report that amends any bill with a tax or fee increased, or creates a new tax or fee," the committee of conference report cannot come before the House and will have the same status of a bill that died in conference.

The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

2 New Section; Property Subject to Forfeiture. Amend RSA 617 by inserting after section 1 the following new section:

617:1-a Criminal Forfeiture; Property Subject to Forfeiture.

I. Subsequent to a criminal conviction pursuant to a statute that authorizes forfeiture, including but not limited to RSA 318-B:17-b, the court may order the person convicted to forfeit:

(a) Property the person derived from the commission of the crime;

(b) Property directly traceable to property derived from the commission of the crime; and

(c) Instrumentalities the person used in the commission of the crime.

II. When a conviction or agreement of the parties is not possible due to the person's death, incompetence, unavailability, or not being within the jurisdiction of the court, or the person to be charged cannot be identified, forfeiture proceedings may be commenced.

III. Property may be forfeited if the state establishes that the property is forfeitable by clear and convincing evidence.

II. If the forfeiture is granted, the court may order the state to deliver any currency to the state treasurer and any other property to the commissioner of the department of administrative services within 30 days. The commissioner of the department of administrative services shall dispose of the forfeited property at public auction.

III. Upon motion, the court may order that a portion of the currency seized or proceeds from public auction be used to pay reasonable nonpersonnel expenses of the seizure, storage, and maintenance of custody of any forfeited items.

IV. The auction proceeds and forfeited currency shall be forwarded to the state treasurer and shall be used first to pay all outstanding recorded liens on the forfeited property, then to comply with an order of the court to pay reasonable non-personnel expenses, with all remaining funds to be deposited into the drug forfeiture fund.

5 Forfeiture of Items Used in Connection with Drug Offense. Amend RSA 318-B:17-b, II(e) to read as follows:

(e) The department of justice shall, within 60 days of the seizure, ~~[either]~~ file a petition in the superior court having jurisdiction under this section ~~[or seek administrative forfeiture pursuant to RSA 318-B:17-d]~~. V. Final orders for forfeiture of property under this section ~~[or under RSA 318-B:17-d]~~ shall be implemented by the department of justice and shall provide for disposition of the items or property interests by the state in any manner not prohibited by law, including retention for official use by law enforcement or other public agencies or sale at public auction. The department of justice shall pay the reasonable expenses of the forfeiture proceeding, seizure, storage, maintenance of custody, advertising, court costs, and notice of sale from any money forfeited and from the proceeds of any sale or public auction of forfeited items. All outstanding recorded liens on said items or property interests seized shall be paid in full upon conclusion of the court proceedings from the proceeds of any sale or public auction of forfeited items. The balance remaining shall be distributed by the department of justice as follows:

8 Drug Forfeiture Fund; Reporting Requirement. Amend RSA 318-B:17-c, II to read as follows:

II. Law enforcement agencies may apply to the department of justice for grants from the forfeiture fund. Such grants shall be utilized exclusively for meeting expenses associated with drug related investigations. The attorney general shall report 60 days after the close of each fiscal year to the governor and council and to the fiscal committee of the general court a ~~[summary]~~ **detailed accounting** of the grants provided to law enforcement agencies under this paragraph **by agency, including the department of safety, and the amount forwarded to the department of health and human services, bureau of drug and alcohol services,** for the preceding fiscal year. **The attorney general's report shall also include a detailed accounting of the costs of investigations, enforcement programs, and prosecutions paid under paragraph I.**

Committee of Conference Report on SB 533-FN-A-L, relative to the governor's commission on alcohol and drug abuse prevention, treatment, and recovery and making supplemental appropriations to the commission and the New Hampshire housing finance authority.

Recommendation:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend section 10 of the bill by replacing paragraph I with the following:

I. In addition to any other sums appropriated for fiscal year 2017, \$2,500,000 for the fiscal year ending June 30, 2017 is hereby appropriated to the governor's commission on alcohol and drug abuse prevention, treatment and recovery for the purpose of contracts for program services, within the department of health and human services. Additionally, \$2,000,000 for the fiscal year ending June 30, 2017 is hereby appropriated to the New Hampshire housing finance authority for the purposes set forth in RSA 204-C:56 through RSA 204-C:62, relative to the affordable housing fund, provided the appropriated funds are used for the purpose of funding supportive housing projects for persons with substance abuse disorders. The New Hampshire housing finance authority shall prepare a report on the status of projects funded, in whole or in part, by this appropriation to be delivered to the house health and human services and elderly affairs committee by December 31, 2017 and annually thereafter until the appropriated funds have been fully allocated.

Amend the bill by inserting after section 12 the following and renumbering the original section 13 to read as 15:

13 Department of Health and Human Services; Supplemental Appropriation; Bureau of Drug and Alcohol Services.

I. In addition to any other sums appropriated for fiscal year 2017, the sum of \$500,000 for the fiscal year ending June 30, 2017 is hereby appropriated to the department of health and human services, bureau of drug and alcohol services to support direct grants for the creation, initiation, expansion and/or operational costs for peer recovery support services. The sum appropriated shall be awarded within 150 days after the effective date of this section. For the purposes of funding said appropriations, the governor shall identify excess appropriations from sums appropriated pursuant to 2015, 275 and 276, and shall transfer said sums to the appropriate class lines. Any transfers made pursuant to this section shall not require the prior approval of the fiscal committee of the general court and the governor and council and shall not be subject to the provisions of RSA 9:16-a, 9:17-a and RSA 9:17-c. Prior to making such transfers, the governor shall certify to the fiscal committee of the general court that any excess appropriations identified pursuant to this section are in addition to the projected lapses assumed during the adoption of the state operating budget for the biennium ending June 30, 2017.

II.(a) Existing and proposed peer recovery support services organizations shall be eligible to receive a grant, if the organization:

(1) Is registered with the association of recovery community organizations under the Faces and Voices of Recovery;

(2) Is accredited by, or will initiate the process of being accredited by the Council on Accreditation of Peer Recovery Support Services within 30 days of the governor and council approving the grant;

(3) Has an established relationship with a certified public accountant;

(4) Has a board of directors and has established bylaws; and

(5) Does not receive a grant through a facilitating organization.

(b) No more than one grant shall be awarded per regional public health network catchment area basis. The bureau shall forward information on selected grant recipients to the governor and council. No grant shall be awarded without the approval of the governor and council.

III. Organizations that receive a grant under this section or through a facilitating organization shall file semi-annual data submissions with the department of health and human services, to prove the effectiveness of recovery services based upon addiction wellness and recovery capital index scores, or a data system that demonstrates individual addiction wellness across a continuum of care, including measurements upon the 8 dimensions of wellness criteria, or any other comparable data system recognized by the department. The department shall to the extent practical determine the cost effectiveness of recovery services and shall report its findings to the president of the senate and the speaker of the house of representatives on an annual basis beginning in fiscal year 2018.

IV. No later than December 31, 2017, the bureau of drug and alcohol services shall report to the fiscal committee of the general court the number of grants awarded, which organizations received a grant, and the total number of individuals served as a result of said grants.

14 Department of Justice; Attorney Position. For the biennium ending June 30, 2017, the department of justice is authorized, subject to the approval of the fiscal committee of the general court and the governor and council, to accept gifts, grants, and donations for the purpose of funding an assistant attorney general dedicated to prosecuting drug cases. No general fund moneys shall be expended to fund this position. The signatures below attest to the authenticity of this Report on SB 533-FN-A-LOCAL, relative to the governor's commission on alcohol and drug abuse prevention, treatment, and recovery and making supplemental appropriations to the commission and the New Hampshire housing finance authority.

Motion adopted.

Third Reading and Final Passage

HB 1703-FN, relative to brew pub licenses.

INTRODUCTION OF SPECIAL GUESTS

The Sergeant-at-Arms introduced House and Joint staff.

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Speaker Jasper be printed in the Permanent Journal. Without objection, the Speaker so ordered.

REMARKS

Speaker Jasper: I just thought it was appropriate that we take a few moments to thank our staff. They work so hard on our behalf. We keep them here many late nights. I know some of them have worked weekends, particularly during the budget season. They do a great job. On behalf of us, and we of course work on behalf of the people of New Hampshire, so that's what they do as well. I also think I would be remiss if I didn't thank the Senate staff, who works in cooperation with our staff, particularly the Chief of Staff, Kristy Merrill, who has done a great job working with our Chief of Staff this year. I think you have seen the results. We have had a smooth Session. Two years, really, doing a great job sometimes under some very difficult circumstances and we certainly owe them our thanks. They are truly the definition of public servants. Again, thank you all.

SENATE MESSAGE**REFUSAL TO ADOPT COMMITTEE OF CONFERENCE REPORT**

MOTION TO PRINT REMARKS

Rep. Eaton moved that the remarks made by Rep. Sytek be printed in the Permanent Journal.
Motion adopted.

REMARKS

Rep. Sytek: Thank you, Mister Speaker. I listened attentively to the Representative from Epsom and she's quite correct in the fact that the effective date has been changed. The plain fact is that nobody is going to understand that Encyclopedia Britannica in 2018 or 2500. What we are entrusting, and it's a matter of trust, is our word from the Fire Marshal, who has not double-crossed me in my experience here, that the enforcement agencies, including testimonies from my own Fire Chief in Salem, are that these people are willing to work with the homeowners, with manufacturers, with builders. There are exceptions in place that they will continue. The life safety code, as was passed by this House on a voice vote on March 11. While the Representative have brought up a valid point, I don't think it has any practical merit and I think that New Hampshire wants to follow the most recent reasonable codes, be it the building code, the life safety code or the fire safety code. We are accepting the life I'll recap the blurb. We are accepting the life safety code, the Senate is. They want to study the fire safety code and what we're going to do. If I am successful here, I'm going to spoil my summer I guess on this thing to study that. How do we study an Encyclopedia like this? We bring in representatives from the building trades, from enforcement, and we as a policy committee try to find out, are the jury, try to find out what is the right thing to do. There is no way that anyone here is going to study that code so having acknowledged and respecting the representative from Epsom's valid point. The fact is we've done this kind of thing before. This works and I ask you to support the Committee of Conference. Thank you, Mister Speaker.

(Rep. Shurtleff in the Chair)

COMMUNICATION

May 24, 2016

Hon. Shawn Jasper, Speaker
NH House of Representatives
State House
Concord, NH 03301
Subject: Resignation

Dear Speaker Jasper:

On the 23 of May I was selected by the Hillsborough County delegation to be the replacement county commissioner for the balance of this term. Since the position of county commissioner and House representative are not compatible offices under the laws of New Hampshire, I must tender my resignation. It is my plan to delay my being sworn in as a county commissioner until I have completed my committee of conference tasks and report to the House on June 1st. I request that my resignation be effective as of the end of the House session on June 1st.

I have found that serving the citizens of New Hampshire in the House of Representatives as a most rewarding task. I will miss the legislative challenge, but most of all the opportunity to associate with the members of the House who come from all parts of New Hampshire. I feel blessed to have been able to meet and work with this diverse group of men and women. I will miss them most of all.

Sincerely yours,

Representative Robert H. Rowe

cc: Clerk, New Hampshire House of Representatives

UNANIMOUS CONSENT

Rep. Rowe requested Unanimous Consent of the House regarding resigning from the House.

(Rep. Packard in the Chair)

MOTION TO PRINT REMARKS

Rep. Shurtleff moved that the remarks made by Rep. Rowe during Unanimous Consent be printed in the Permanent Journal.

Motion adopted.

REMARKS

Rep. Rowe: Thank you, Mister Speaker. After 20 years this is a very emotional time for me. I'm leaving. I was going to slip out before it was read, but someone prevailed on me to say a few words. It's hard to think and feel. This will be my last time in this well speaking in this historic Chamber in this historic House. I will miss that. Another thing I will miss is the drama. The drama of passing legislation. Now, my wife, Helen and I have subscriptions to theater and we pay good money for the subscriptions, but here I get comedy, drama and tragedy and \$100 every year. Those two pale in relationship to what I really and truly will miss and that is all of you, members here now and members of the past. People from all over the state, different personalities, different views. I will miss them. Yes, I will miss those few members that are sitting here that almost gave me a heart attack in the committee and I won't mention their name. So, I thank you and God Bless all of you. Now I will slip out.

ADJOURN FROM THE EARLY SESSION

Rep. Hinch offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time.

Motion adopted.

(Speaker Jasper in the Chair)

UNANIMOUS CONSENT

Rep. Cahill requested Unanimous Consent of the House regarding the passing of the member from Newmarket, the Honorable Marci Moody.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the member from Newmarket, the Honorable Marcia Moody.

MOTION TO PRINT REMARKS

Rep. Hoelzel moved that the remarks made by Rep. Cahill during Unanimous Consent be printed in the Permanent Journal.

Motion adopted.

REMARKS

Rep. Cahill: Thank you, Mister Speaker. I've asked that Representative Lovejoy and Schroadter join me down here at the well. We have a small delegation; made somewhat smaller now with the passing of the Honorable gentle lady from Newmarket, Marcia Moody. For those of you who knew Marcia Moody knew her to be hard working, conscientious, ardent, but not strident in her views and just a good person. I think that was illustrated by the attendance at her service just yesterday and I thank you, Mister Speaker and others, past and present, who joined us to say goodbye to our good friend Marcia. I'm very sorry that she is not with us. She was a wonderful legislator, a wonderful friend and we will miss her very much. Thank you, Mister Speaker.

UNANIMOUS CONSENT

Reps. Irwin and Steven Smith requested Unanimous Consent of the House regarding the passing of the former member from Newport, the Honorable Beverly Rodeschin.

MOTION TO PRINT REMARKS

Rep. Hinch moved that the remarks made by Reps. Irwin and Steven Smith during Unanimous Consent be printed in the Permanent Journal.

Motion adopted.

REMARKS

Rep. Irwin: Thank you, Mister Speaker. If there are other members of the Sullivan County Delegation that would like to join us, please do. As you can see, I am not Representative Steven Smith. I am Representative Virginia Irwin and I am here to honor my friend, Beverly Rodeschin. In 1984, I served in this House and a woman by the name of Beverly Rodeschin approached me on the street in Newport and said, "So, what's it like serving down in Concord?" I said oh, it's not too bad. At that time we only came once a year and the off year we didn't have to come to Concord. She said, "Oh, well I'm thinking I might run, but I don't really know." I encouraged her to run. I lost my seat and Beverly has been here, had been here for 24 years. She was a devoted Legislator to her community. She never took a vote without saying how's it going to play in Newport. She never cast a ballot in the Senate or in the House without calling the Town Manager to see if it made sense for our community. I had the pleasure of serving with her for 13 years on the Board of Selectmen. So, we were colleagues, although our political parties were quite distant. We were colleagues, we were friends and she did the best for our town and she will be greatly missed. In 2013, the Board of Selectmen devoted the annual report to Beverly and to her husband, Henry and the one comment that I will make from that is they are two of the hardest working and dedicated public servants that anyone has ever encountered. I can't think of two more deserving people than Henry and Beverly Rodeschin for this year's dedication, so thank you, Henry, but particularly for the people of New Hampshire, thank you, Beverly. Her service is Friday at 11:00 at St. Patrick's in Newport.

Rep. Steven Smith: Thank you, Mister Speaker. Bev Rodeschin made a big difference for me. I met her a little over 10 years ago. I was a fire-breathing activist, ready to tell everybody that what they were doing was wrong and every time I tried to get my local political committee to see the light and do things different, there was Bev Rodeschin in my way, shutting me down – or so I thought. A few years later, she actually once asked me right to my face, "Steven, why do you have to be such a persistent pain in the butt all of the time?" I think five or six years ago, the Speaker may agree that's a great question. I'm just trying to do things differently and make you guys come forward and these two guys agree with me, and she said, "But they agree with anything you say and you have wonderful ideas, but you don't have any clue how to actually do them." So, a little while later, there was something that was really important to me I wanted to do and I'm trying to figure out how to schedule it when Bev's not there. Epic fail, Bev was always there. So, I did the work and I talked to the people that disagreed with me and I tried to figure out the hard work, the mechanics of how to actually get the thing done and I went in still to be shut down again and I presented it and there was crickets and then Bev said, "Well, that sounds like a good idea, let's vote," and we did and she laughed, patted me on the shoulder and walked out – lessoned learned. So, if I don't work as hard to create adversaries, I inadvertently find allies and I am eternally grateful to her for beating that lesson in to my head and giving up on me for as many years as she did it somehow. Thank you, Bev.

UNANIMOUS CONSENT

Rep. Cushing requested Unanimous Consent of the House regarding the Dean of the House, Representative Laura Pantelakos.

MOTION TO PRINT REMARKS

Rep. Hoelzel moved that the remarks made by Rep. Cushing during Unanimous Consent be printed in the Permanent Journal.

Motion adopted.

REMARKS

Rep. Cushing: Thank you, Mister Speaker. Nine Governors and 38 years ago, Laura Pantelakos first graced Representative's Hall and I know that for many of us she has been kind of a constant source of inspiration. Sometimes, if she thinks you are not doing things quite the way you should be doing them, she gently will point that out to you. What she really is though, she is the Dean of the House. Something about Laura also, because she is on kind of a limited income she decided that she didn't want to get any special number plate. Thanks to the generosity of our Speaker, the plates have been made to recognize her and I just want to Laura, you want to come up and get them? The Dean of the House.

RECESS MOTION

Rep. Hinch moved that the House stand in recess for the purposes of receiving Senate messages, enrolled bill amendments, enrolled bill reports and veto messages from the Governor, at the completion of which the House will stand adjourned to the Call of the Chair.

The House recessed at 1:30 p.m.
