Rep. Hinch moved that the House adjourn.
Motion adopted.

HOUSE JOURNAL No. 19

Thursday, June 22, 2017

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor Christopher Sununu, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by former House Chaplain, Reverend Roger Boucher.

Almighty God, You, who assisted this year's House Session with wisdom and fortitude in the making of law for this great State of New Hampshire, bless us as we end the legislative year with fair deliberations and the best judgments for the good of our people. Help us this day to enact what is needed to sustain the operation of good government. As our proceedings are suspended for the next two seasons, may we continue to ask Your blessings for liberty, equality and safety upon our people as together we wish to promote peace for our families, safety for our children, and virtue and happiness. We ask Your protection on all the members of this legislature, our Governor and those who will discharge their duties with ability and good judgment during our absence. May You bring good health to those who are ill, especially veterans who are in need. Bring those on active duty safely home. With You in mind, help us to recharge our own inner spirit, for You love Your creation and give life a nobler meaning when we serve our neighbors in the light of the first principles our founders enacted with Your vision. Help us to regain strength of spirit and the power of Your love during this recess, so that next year we may use our talent and Your counsel again in doing what is right and good for those we serve. We ask this in Your Holy name. Amen.

Representative Michael O'Brien, member from Nashua, led the Pledge of Allegiance.

The National Anthem was sung by Janani Sharma, a student from Nashua High School North.

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the former member from Goffstown, the Honorable Kevin Hodges.

MOTION TO PRINT REMARKS

Rep. Hinch moved that the remarks made by Rep. Backus during Unanimous Consent be printed in the Permanent Journal.

Motion adopted unanimously.

REMARKS

Rep. Backus: Thank you, Mister Speaker, and thank you colleagues for granting me the honor to offer some remarks in honor of my friend Kevin Hodges. We lost him exactly one week ago today. I am pleased that several members of his family, including his brother are able to be with us here in the gallery to help me remember Kevin, along with some of his closest friends who were introduced at the beginning of our session. Kevin served as a representative from Goffstown for one term, 2008-09, and served on Election Law. It is a testament to Kevin that at his memorial celebration this past Monday, about a dozen current and even former members attended including former Speaker Terri Norelli and Steve Shurtleff, our Minority Leader. Kevin came to New Hampshire from Oklahoma, where he grew up, via Austin, Texas where he had attended and received an advanced degree from the University of Texas. I believe he got a degree in something like "political performance." I can certainly vouch for his acting skills, especially in a comedy role. He was affectionately known by his family and friends as "the golden goof." That was in 2006. Just four years ago, on July 4, Kevin married the love of his life, Liz Mitchell, whose sister Jennifer is with us today. I was pleased and honored that they asked me to use my justice of the peace stamp and conduct the service and for my wife to be the wedding photographer. The wedding was to be on the top of the Uncanoonuc North Peak in Goffstown. It was a hot, muggy day. We hiked to the summit in sort of hot day hiking clothes, probably jeans and a t-shirt, and Kevin and Liz arrived similarly attired by another trail. There were only the four of us. Then Kevin and Liz went behind some bushes and emerged in, for Liz, a beautiful cream wedding dress and heels, and Kevin in a sharp suit complete with a boutonniere. I thought for maybe a millisecond that maybe I should retreat down the mountain to get at least a coat and tie. I didn't do it. Later, after the brief ceremony, Kevin and Liz returned to a lakeside home on Glen Lake and walked to the end of the dock to jump in the lake, hand in hand while still in their wedding attire. There is a wonderful picture of this. This was totally Kevin, always joyous and always doing the unexpected, always being kind and delightful company. Kevin and Liz transitioned from other jobs to run their own travel company and this made it possible for them to see a lot of the world themselves. I once asked Kevin how things were going for them as a couple, and he said, "It just keeps getting better." Can anybody say anything more wonderful about a marriage and a love affair? He loved Liz unconditionally. In his far too short time, he had been an actor, a playwright, a college administrator, a lobbyist and even a beekeeper and that's not a complete list. At the time of my 2016 campaign, one of my friends, Burt Cohen, whom many of you know, was running for Congress. His campaign manager had stolen campaign funds in large amounts which ended his campaign. I kind of kiddingly asked Kevin if he'd ever thought about that. Kevin assured me he would never contemplate such a thing and of course never did. I told him, Kevin, there are two people who to me represent the best of Christianity, you and Jimmy Carter. Colleagues, we too often hear remarks for our departed comrades, but for me it is just so poignant, indeed it is wrenching, to be offering remarks for a wonderful person who served with us and who was only 36 years old, less than half my age and much younger than our median age in this House as you all know. So much life was out there before him. I was tempted to read today A. E. Houseman's famous poem, "To an Athlete Dying Young." Many of you know about that, but that poem is just too bitter. It wouldn't be right. Kevin's obituary appeared in the Sunday News and concluded by suggesting that in lieu of flowers donations be made to a mental health awareness organization, Mental Health America. So I want to conclude these brief remarks on behalf of a wonderful person whose life was too brief by suggesting that the best thing we here can do to honor Kevin is to make sure that those like Kevin who suffer a mental health crisis, a life threatening crisis, have just as prompt access to the care and services they need as do those who suffer a physical crisis, such as a stroke or a heart attack. Let us make New Hampshire the national leader in delivering quality mental health services and deliver those services promptly in a crisis situation to all who need them. That would be the best thing we could do to honor the life of this remarkable young man who I'm going to miss for a long, long time. Thank you, Mister Speaker and thank you to my colleagues.

198:48-c Kindergarten Grants.

I.(a) For fiscal year 2019, in addition to any funds received pursuant to RSA 198:40-a, in the first year that a school district or chartered public school that operates an approved full-day kindergarten program, the commissioner of the department of education shall calculate and distribute a grant of \$1,100 per kindergarten pupil based on the enrollment number of eligible full-day kindergarten pupils on the first day of the school year. The superintendent, or designee, shall certify the enrollment number of kindergarten pupils to the commissioner.

(b) For fiscal year 2019, once pupils enrolled in an approved full-day kindergarten program have been counted in the school district's average daily membership in attendance as defined in RSA 198:38, I, a school district, or a chartered public school based on its kindergarten average daily membership enrollment number, shall receive, in addition to any funds received pursuant to RSA 198:40-a, an additional grant of \$1,100 per kindergarten pupil attending a full-day kindergarten program. The commissioner shall certify the amount of the grant to the state treasurer and direct the payment thereof from the education trust fund established in RSA 198:39 to the school district or chartered public school.

(c) Grants shall be disbursed to a school district pursuant to the distribution schedule in RSA 198:42 and to a chartered public school pursuant to the distribution schedule in RSA 194-B:11, I(c).

(d) The amount necessary to fund the grants under this section is hereby appropriated to the department from the education trust fund. The governor is authorized to draw a warrant from the education trust fund to satisfy the state's obligation under this section.

II. A school district or chartered public school that operates an approved full-day kindergarten program for which it receives funding under this section shall permit a pupil to attend kindergarten for a half-day.

III.(a) For fiscal year 2020 and each fiscal year thereafter, in addition to any funds received pursuant to RSA 198:40-a, the department of education shall distribute a total kindergarten grant, pursuant to RSA 198:40-a, for the remaining 1/2 of each average daily membership not counted under RSA 198:40-a to each school district or chartered public school that operates an approved full-day kindergarten program. If the amount of revenue raised through keno is insufficient to fully fund the distribution of grants under this section, the revenue shall be prorated proportionally based on entitlement among the districts entitled to a grant. The prorated portion of this grant shall not be less than the per pupil amount disbursed under paragraph I(b).

(b) Grants shall be disbursed to a school district pursuant to the distribution schedule in RSA 198:42 and to a chartered public school pursuant to the distribution schedule in RSA 194-B:11, I(c).

REMARKS

Rep. Steven Smith: Thank you, Mister Speaker. A lot of you didn't know Ernie Bridge. He wasn't here that long. He served with us last term. He was the oldest candidate I've ever worked with and despite his advanced years, he was always the first one to embrace new ideas. When I did candidate training and I tried to convince them that using the interweb and Facebook was a good idea, I got pushback from people half his age. When I showed Ernie how to use the tools, his response was, "Wow, that's cool." I don't want to make a big deal about it because Ernie didn't like big deals made about him. Matter of fact, those of you that were here last term might remember the whole flap about him bringing his oxygen tank. After that, he called me to apologize for making it a big deal. That's just the kind of the guy he was. He didn't leave things undone. That's how he became a candidate because we didn't have anybody to run for a given seat and he wasn't the guy to say I'll sit down when I should be standing up. Despite his heart problems and his lung problems, he marched in parades when I couldn't get people who were fit to do it and Ernie just didn't say no. He would want me to lighten this up a little bit so let me share two quick stories with you. One of those parades he really wasn't doing too well. It was like 95 degrees out. I'm not a heat guy and I didn't want to walk back and he was just a trooper. I had my 67 Pontiac there that day for the parade. I offered to give him a ride back so Ernie gets in the car and he looks and says, "Wow, this is cool, you go guy." I said yeah it is. He said, "No, no, it isn't that. I designed the chassis on this car when I was a chassis engineer for GM." That's how old he was. The best story though was once he committed to something, he just did it. He attacked it with total commitment. We convinced him to be a candidate over his strong objections. That didn't stop him from just going at it. He was at the Unity Old Home day celebration and he's candidate Ernie and he is handing out his cards and talking to anybody that will stand still for 45 seconds. He was working this one woman for like five minutes who had a really uncomfortably look on her face. I'm dying. He finally gets done with her and he comes over and asks what's so funny. I said that was Cynthia Sweeney. She is a Democratic Member of the House and I don't think she's going to vote for you Ernie. A good joke was had by all. She thought it was funny too. Ernie was like that. Ernie left us a week ago last Tuesday and he went out of the world the way he went through it. He sent an email letting us know that he had a plan and he was going to execute it. He said that his mind had stayed sharp but his body hadn't kept

up and he decided that on Monday he was going to begin the hospice process to leave this world and reunite with his wife whom he loved very much and he did that quickly and efficiently and with good cheer, stopping to bother to send me an email. That was Ernie. The guy who if he said he was going to do something, then you could bet your last dollar he was going to do it. I'm better for knowing him and I'll miss him. Thank you.

COMMUNICATION

Received June 30, 2017

Mr. Speaker,

I am writing to formally tender my resignation from the New Hampshire House of Representatives, effective June 30, 2017. I will not be able to attend the 2018 legislative session, but the voters of Strafford District 13 must not be without representation. I request that the City of Dover, the Secretary of State, and the Governor and Council schedule a special election to fill the vacancy as soon as is convenient. During my time in the House, I have learned from members from every political faction, and I hope other members have learned something from me. My service has helped me to recognize the value of consensus, and to understand that consensus requires a sound legislative process. Serving my constituents has been one of the greatest honors of my life, and I hope that I have the opportunity to serve in the House again. I thank the voters of Ward 1 of Dover for trusting me to represent them in Concord. I thank the House Clerk for being such an outstanding parliamentarian, and I thank my colleagues from all across the state for all I have learned from them. And, finally, I want to thank you. I rarely agree with your politics, but I have nothing but respect for your dedication to the House.

Sincerely,

Representative Isaac Epstein
Strafford District 13
