Rep. Ley moved that the House adjourn.
Motion adopted.

HOUSE JOURNAL NO. 22

Thursday, September 19, 2019

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by the member from Hampstead, Representative Mark Pearson.

I wish as a lead in to our prayer today to invoke the memory of the Honorable John Langdon...It is technically a proclamation, but I offer it and many of us might hear it as an exhortation and a prayer. Langdon wrote, "It therefore becomes our indispensable duty, not only to acknowledge, in general with the rest of mankind, our dependence on the Supreme Ruler of the Universe, but as a people peculiarly favoured, to testify our gratitude to the Author of all our mercies, in the most solemn and public manner. To celebrate the praises of our divine Benefactor; to acknowledge our own unworthiness, confess our manifold transgressions, implore his forgiveness, and intreat the continuance of those favours which he had been graciously pleaded to bestow upon us...", October 21, 1785.

Representative Richard Lascelles, member from Litchfield, led the Pledge of Allegiance.

The National Anthem was sung by Ms. Ryann Frank of Concord.

ETHICS GUIDELINES**8 LEGISLATIVE EMPLOYEE CODE OF CONDUCT.****I. General Principles of Conduct.**

- (a) A legislative employee or officer shall view his or her work for the General Court as a public service and shall strive to promote the common good of the citizens of the State of New Hampshire through the devotion of his or her professional talents and energies to the support of the General Court in its mission as the representative of the citizens of this state.
- (b) A legislative employee or officer shall act in a way that makes him or her worthy of the trust the General Court places in staff members and officers.
- (c) A legislative employee or officer shall provide objective advice, information, and alternatives to legislators, independent of the employee's or officer's personal beliefs or interests or the interests of third parties. A legislative employee or officer shall avoid activities that conflict with this objectivity or give the appearance of conflict.
- (d) A legislative employee or officer shall treat all legislators with dignity and respect, and provide services of equal quality to the employee's or officer's appropriate legislative clientele.

II. Prohibited Activities.

- (a) The activities listed in this paragraph are prohibited. Making disclosure in compliance with paragraph IV of this section does not excuse or absolve legislative officers or employees from compliance with the provisions of this paragraph or the provisions of RSA 14-C:3 prohibiting certain activities.
- (b) A legislative employee or officer shall not violate the provisions of RSA 14-C.
- (c) A legislative employee or officer shall not accept any gift from givers who wish to influence the work activities of the employee or officer.

- (f) A legislative employee or officer shall not use or attempt to use the employee's or officer's official position to (1) personally obtain any privilege, exemption, special treatment, or any other thing of value, or (2) obtain any such benefit for others except as required to perform duties within the scope of employment.
- (g) A legislative employee or officer shall not accept or solicit anything of value for the private benefit of the employee or officer, or the employee's or officer's immediate family or household member under circumstances in which it can be reasonably inferred that the legislative employee's or officer's independence of judgment is impaired or is intended as a reward for any official action.
- (h) A legislative employee or officer shall not use state-provided services or facilities for private gain.
- (i) A legislative employee or officer shall not disclose confidential information acquired by reason of the employee's or officer's official position to any person or group not entitled to receive such information, nor shall the employee or officer use such information for personal gain or benefit or for the benefit of others.
- (j) A legislative employee or officer shall not enter into any contract with a state agency involving services or property, unless the contract is made after public notice and competitive bidding; except in cases where public notice and competitive bidding are not required, the contract or agreement shall be filed with the employee's or officer's supervisory officer.

III. Permitted Activities. The activities listed in this paragraph are permitted.

- (a) Acceptance of awards, prizes, honors, or gifts of a minimal value.
- (b) Acceptance of informational material relevant to the employee's or officer's official function, such as books, pamphlets, reports, documents, periodicals, or other information that is recorded in a written, audio, visual, or digital format.
- (c) Acceptance of expense reimbursement for the reasonable expenses for attendance, registration, travel, meals, and lodging related to a bona fide conference, meeting, seminar, or educational, cultural, or informational program related to the legislative employee's or officer's employment so long as disclosure of any such reimbursement is made no later than the last day of the month following the month during which the expense reimbursement was received. This disclosure shall be filed in the Office of the Secretary of State and shall be in a form prescribed in RSA 14-C. This provision shall not be construed to require reporting of an expense reimbursement made by the general court to a legislative employee or officer.

- (d) Acceptance of an honorarium so long as disclosure is made no later than the last day of the month following the month during which the honorarium was received. This disclosure shall be filed in the Office of the Secretary of State and shall be in the form prescribed in RSA 14-C.
 - (e) Acceptance of meals or beverages with a value of \$50 or more consumed at a meeting or event the purpose of which is to discuss official business so long as disclosure is made no later than 10 days following the meeting or event at which the meals or beverages were consumed. Meals or beverages accepted under this subparagraph shall be limited to \$250 in the aggregate from any single source during any calendar year. Disclosure shall be filed in a report in the Office of the Secretary of State and shall be in the form prescribed in RSA 14-C.
 - (f) ***Solicitation or acceptance of gifts, grants, or donations on behalf of an official meeting, conference, or event held within the state of New Hampshire of a state or national legislative association to which the general court pays dues and which includes among its membership the New Hampshire general court, officers, or staff.  - [(f)] (g) Acceptance of anything permitted to be accepted pursuant to RSA 14-C.
- IV. Disclosure Procedure. When a legislative employee or officer becomes aware that his or her participation in a particular activity presents a conflict of interest or conflicts with his or her objectivity or gives the appearance of a conflict, the employee or officer shall immediately make disclosure of this fact to his or her supervisory officer. All such reports shall be forwarded to the Chief of Staff of the House, or the Chief of Staff of the Senate, or the Director of the Office of Legislative Services, or the Legislative Budget Assistant, as appropriate.

MOTION TO PRINT DEBATE

Rep. Baldasaro moved that the debate on the motion to suspend House Rules, be printed in the Permanent Journal.

Motion adopted.

DEBATE

Representative Hinch: Thank you, Mister Speaker.

Speaker Shurtleff: Will the member suspend? The House will be in order. The member at the well, the leader of the Republicans in this chamber, has a right to be heard so I would ask members if you want to speak, please go out to the anteroom. Mr. Leader, proceed.

Representative Hinch: Thank you. Thank you, Mister Speaker. I rise in opposition to the suspension of rules. These bills coming forward are not a compromised budget and the Governor does not support them. Compromise is a two-way street. These bills masquerade as a compromise, but contain provisions that are unanimously opposed and that the Governor vetoed in June. The process involved in these bills in our opinion has been unfair. Despite ongoing negotiations with the Governor, this is nothing more than an end run around him. The House Republican office received these bills yesterday during our morning caucus leaving very little time for members to review the bills. There has been no public hearing. There has been no information session for members to learn of the changes in either side of the aisle. For those reasons it is important to note Republicans are united in our desire to pass a budget, but we are united in our opposition to pass a budget that does not reflect a bipartisan compromise. So, therefore, we will be voting in unison and united against the motion to suspend the rules. We stand ready. I stand ready, as the leader of the Republican caucus, to work with all parties to make sure that a budget comes forward that addresses the need of the residents of New Hampshire, but that budget must reflect a bipartisan compromise and will be soundly rejected if we are left out of that process. I hope that the Republicans here today, I'm confident they will, will show by our vote with a red button that we stand united and will not accept this suspension of rules. Thank you, Mister Speaker.

Speaker Shurtleff: We will wait until the debates are finished and then the member from Londonderry will be recognized for that motion. Just a reminder for everybody to turn their buttons on and that will tremendously help. The Chair recognizes the member from Concord, Rep. Wallner to speak in support of the motion.

Representative Wallner: Thank you, Mister Speaker. Thank you, members of the House. Every two years the legislature has the enormous responsibility of putting together a state budget. The budget is essentially a list of the state's priorities for the biennium. Putting together a budget is never easy and we can never do all we want to do, but we do all that we feel is best for the people of New Hampshire. Without a budget, Granite Staters suffer. Programs that would otherwise be funded are left out under a continuing resolution, important state deadlines that affect our constituents come and go and important money that is subject to a federal match can be lost. Having a budget is essential to the people of this state and it is why I implore you today to let HB 3 and HB 4 in for debate. If we continue without a budget, our constituents will be the ones to pay the price. For those concerned about learning more, if we vote to allow HB 3 and HB 4 in, I will ask the Speaker for a recess so that the legislative budget assistants can come up to the House floor and do a budget briefing for the House. Please vote yes to allow the compromise budget proposal to be heard. I urge you to vote yes on suspending the rules.

Speaker Shurtleff: Rep. Baldasaro has requested a roll call vote. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Members will kindly take their seats. The question before the House is the motion to suspend the rules. The Chair recognizes Leader Hinch for a parliamentary inquiry.

Representative Hinch: Thank you, Mister Speaker. Mister Speaker, if I know these bills are not a compromise and are being introduced without any agreement with Republicans in the legislature or with the Governor. If I know that these bills contain the majority of what the Governor already vetoed and Republicans unanimously opposed in June. If I know that we received 898 pages of these documents mid-morning yesterday and were forced to do what little reading we could during session yesterday and had no time to prepare to submit potential amendments before the deadline which is unfair to us and to our constituents. And, finally, if I know the content of these bills had no public hearing, no information session for any of us in the chamber to learn more about the questions and no opportunity to truly understand what the heck we are voting on, would I now press the red button and reject the introduction of these bills and this flawed process and this political stunt and move on to a more inclusive budget negotiation process and work towards true compromise? Thank you.

Speaker Shurtleff: The question before the House is the motion to suspend House Rules. The Chair recognizes Leader Ley for a parliamentary inquiry.

Representative Ley: Thank you, Mister Speaker. Mister Speaker, if I know the State of New Hampshire has been operating without a budget and under a continuing resolution since July 1 and that the continuing resolution expires in less than two weeks. And, I know that state agencies have been negatively affected and that essential services provided to our constituents have been disrupted by a lack of an operating budget. And, if I know that local tax rates are set October 1 and that our constituents will see tax increases if there is not a budget deal within 11 days. And, finally, if I know that this rules suspension will allow introduction of a budget proposal and that any and all members may introduce amendments and offer their views on this budget, would I now press the green button to permit introduction of HB 3 and HB 4 and to allow full discussion of budget proposals? Thank you.

Speaker Shurtleff: The question before the House is the motion to suspend the House Rules. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations will be open for 30 seconds. Have all members present had an opportunity to vote? The House will be attentive to the state of the vote. With 210 members voting Yea and 147 voting Nay, the motion fails for lack of the two-thirds.

ENROLLED BILL AMENDMENT

HB 226, relative to the renomination of teachers.

Amendment 2019-2645EBA

Amend section 1 of the bill by inserting after line 2 the following:

189:14-a Failure to be Renominated or Reelected.

Amend the bill by deleting section 2 of the bill and renumbering the remaining sections 3 and 4 to read as 2 and 3, respectively.

Rep. Weber spoke in favor.

Rep. Baldasaro requested a roll call; sufficiently seconded.

SENATE MESSAGE

The Senate has voted to override the Governor's veto on the following bill:

SB 74-FN-A, relative to register of deeds fees used to support the land and community heritage investment program (LCHIP), and establishing a committee to study the economic impact of land conservation and to review the LCHIP surcharge.

GOVERNOR'S VETO MESSAGE ON SB 74-FN-A

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 12th, 2019, I have vetoed Senate Bill 74, relative to register of deeds fees used to support the land and community heritage investment program (LCHIP), and establishing a committee to study the economic impact of land conservation and to review the LCHIP surcharge. The Land and Community Heritage Investment Program (LCHIP) is a great program that continues to benefit local communities across the state. This bill would have been better suited to offer a voluntary opt-in, rather than move forward with a mandatory fee increase that adds costs at closing onto homebuyers, and I hope such an option is taken up in the future. For the reasons stated above, I have vetoed Senate Bill 74.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **SB 74-FN-A**, relative to register of deeds fees used to support the land and community heritage investment program (LCHIP), and establishing a committee to study the economic impact of land conservation and to review the LCHIP surcharge, become law?

Rep. Suzanne Smith spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

SENATE MESSAGE

The Senate has voted to override the Governor's veto on the following bill:

SB 88-FN, relative to registry identification cards under the use of cannabis for therapeutic purposes law.

GOVERNOR'S VETO MESSAGE ON SB 88-FN

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 12th, 2019, I have vetoed Senate Bill 88, relative to registry identification cards under the use of cannabis for therapeutic purposes law. Maintaining a strong patient-provider relationship is an important part of ensuring that our medical marijuana program is used successfully and responsibly. A doctor or other health care provider uses their knowledge and relationship with a patient to explore the right treatment options for that individual. The exemptions in the current statute allow for patients in need to obtain appropriate treatment while preserving responsible prescribing. For the reasons stated above, I have vetoed Senate Bill 88.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **SB 88-FN**, relative to registry identification cards under the use of cannabis for therapeutic purposes law, become law?

Reps. Abramson and Shapiro spoke in favor.

Rep. Abbas spoke against.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

SENATE MESSAGE

The Senate has voted to override the Governor's veto on the following bill:

SB 100, relative to discrimination in employment based on criminal background checks.

GOVERNOR'S VETO MESSAGE ON SB 100

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 19th, 2019 I have vetoed Senate Bill 100, relative to discrimination in employment based on criminal background checks. This bill would generally prohibit public and private employers from inquiring about an applicant's criminal history on an application for employment, and would instead require that such inquiries be made in person or by phone. In addition, this bill would generally prohibit a public or private employer from conducting a criminal background check on an applicant prior to an initial interview. Exceptions for these prohibitions would be available in limited circumstances. I very much appreciate the bill's goal of providing individuals who have a criminal record or a troubled past with a path toward becoming productive members of society. However, even such a laudable goal does not justify forcing a business to interview applicants that the business may not wish to interview based on the applicant's own past actions and choices. Each individual business should have the right to determine whether to inquire about the criminal records of potential applicants at any step of the application process. Efforts to convince businesses to give applicants with criminal records a chance in the hiring process are more appropriately advanced through education and persuasion, rather than a government mandate. For the reasons stated above, I have vetoed Senate Bill 100.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **SB 100**, relative to discrimination in employment based on criminal background checks, become law?

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

SENATE MESSAGE

The Senate has voted to override the Governor's veto on the following bill:

SB 148, relative to notification to public employees regarding their right to join or not join a union.

GOVERNOR'S VETO MESSAGE ON SB 148

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 12, 2019, I have vetoed Senate Bill 148, relative to notification to public employees regarding their right to join or not join a union. Ensuring that public employees are informed of their options related to union membership is important. However, the other provisions laid out in this bill are items that should be negotiated through the collective bargaining process rather than enacted into law through the legislative process. For the reasons stated above, I have vetoed Senate Bill 148.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **SB 148**, relative to notification to public employees regarding their right to join or not join a union, become law?

Rep. Sullivan spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

REMARKS

Representative Somssich: Thank you, Mister Speaker. Thank you, Honorable Members, for this opportunity. I rise today to commemorate an anniversary which will be remembered in many, in my country of birth, Hungary, as well as many other countries in the world. October 23, 2019 is the 63rd anniversary of the October 23rd Hungarian Revolution when hundreds of thousands of Hungarians from all walks of life joined university students in a peaceful call for democracy and an end to the brutal and oppressive Communist government ruling their country. In the days that followed, millions of Hungarians, students, workers, men, women, children rose up against all odds and risked their lives to take part in a noble fight for freedom and democracy. Responding to the popular uprising, the Soviet Union launched a massive military counteroffensive against this revolution sending tens of thousands of troops and tanks that, remarkably, the vastly outnumbered and underequipped Hungarian army and the Hungarian freedom fighters managed to resist for several days. After this uprising was put down, thousands of Hungarians were tried, tortured and executed by the post 1956 Hungarian government and over 200,000 Hungarians, 2% of the population, fled their country in the aftermath with approximately 47,000 settling here in the United States. That uprising of the Hungarian people in 1956 dramatically confirmed the strength of popular support for democratic principles and the right of the Hungarian people to determine their own national destiny and significantly contributed to the 1989 collapse of communism throughout central Eastern Europe, including in Hungary. This year also commemorates the 30th anniversary of the events leading to the fall of the Berlin wall and communist governments throughout Eastern Europe. During that year, Hungarian officials collaborated and cooperated with the Austrian government and the German government as well as with Soviet Premier Mikhail Gorbachev to implement dramatic changes that resulted in a redrawing of the spheres of influence of Europe. One of these fateful events that year, which has been referred to as the year that changed the world, included the June 16, 1989 protest and reburial of five heroes of the 1956 revolution. That event included a Procession of six caskets. During the ceremony a previously unknown student by the name of Viktor Orban, Hungary's current Prime Minister, explained in a passionate speech that while five of these caskets contained the remains of 1956 Prime Minister Imre Nagy and four of his close allies, the sixth open casket symbolized on that day

a ceremonial burial of communism in Hungary, since as he said, "Communism and democracy do not mix." I'm grateful to the State of New Hampshire for memorializing the 1956 events here at our State House. In 1957, Governor Lane Dwinell authorized the installation of a plaque at the State House on October 23, 1957, which was created by Hungarian artist, Janos Kover, who fled Hungary and was then residing in Milford, New Hampshire. Governor Dwinell also proclaimed that day as Hungarian Freedom Day in New Hampshire. I will be requesting this year that both the Governor, the Senate President and the Speaker issue a similar proclamation this October 23rd. Thank you for your attention.

RECESS MOTION

Rep. Ley moved that the House stand in recess for the purposes of the introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports.
