HOUSE JOURNAL NO. 9 (Cont'd)

Thursday, March 21, 2024

Rep. Osborne moved that the House adjourn.
Motion adopted.

HOUSE JOURNAL NO. 10

Thursday, March 28, 2024

The House assembled at 9:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Rabbi Daniel Aronson of Congregation Ahavas Achim in Keene.

Spirit of wisdom, kindness, and justice, wellspring of life, love, and community, You who are known by many names and are beyond all names, we ask Your blessings on the New Hampshire House of Representatives as it adjourns to do the people's business this day. May these legislators govern justly, disagree with civility, and lead with humility, seeking to understand before insisting to be understood, treating one another with the dignity and respect they wish for themselves. Remind them that all human beings, near and far, are neighbor and sibling, gay, straight, transgender, male and female, black and white, Hispanic and Asian, Muslim, Jew, Christian, Hindu, Sikh, Buddhist, and atheist, and yes, Democrat, Republican, and Independent. Let them heed the calls of prophets throughout the ages to respect and protect the most vulnerable among us, our children, the elderly, the poor, those who are hungry, those who have no homes, those who are ill in body, mind, or spirit, the strangers and immigrants in our midst, those who live on the margins, those who are alone, those who are forgotten. Grant these elected officials the wisdom and courage to know and do what is right and good and true. To borrow the words of Father Greg Boyle, may they strive to create a community of kinship and an ever-widening circle of compassion. May they abandon the idea that there is us and them, for ultimately there is only us, one humanity, only us. Source of goodness, we pray that the work of their hands shall prosper for the sake of all Granite Staters and their neighbors and siblings everywhere. Let us say, "Amen."

Representative Tim Cahill, member from Raymond, led the Pledge of Allegiance.

The National Anthem was sung by Jana El-Sayed of Raymond.

HOUSE RESOLUTION NO. 34

Memorializing Arthur S. Ellison of Concord

WHEREAS, we have learned with profound sorrow of the death of our friend and colleague Arthur S. Ellison, who was serving his third term as a State Representative representing the citizens of Merrimack County District 28, wards 1, 2, and 3 of the City of Concord; and

WHEREAS, a dedicated civil servant, Arthur Ellison worked for 38 years in the Department of Education where he made a verifiable difference in the lives of countless Granite Staters; and

WHEREAS, Art Ellison served the entirety of his legislative career on the House Education Committee where he was known as a consummate professional, who while passionate in his beliefs and advocacy, was never disagreeable, and was a pleasure to work with; and

WHEREAS, Art Ellison's skill at organizing with the State Employees' Association and within his caucus was acknowledged by his appointment as an Assistant Democratic Leader; and

WHEREAS, above all, Art Ellison was a devoted husband, father, and grandfather, who spoke lovingly of his family and his joy in being in their company as he bravely faced his illness; now, therefore, be it

RESOLVED, by the House of Representatives in Regular Session convened, Arthur S. Ellison be granted the highest praise and accolades and our profound thanks for his service to his state, and the city he called home for many years, and, be it further

RESOLVED, that expressions of our most heartfelt sympathy be extended to his family and that a suitable copy of this Resolution be prepared for presentation to them.

Offered by the House of Representatives.

Adopted unanimously

MOMENT OF SILENCE

A moment of silence was observed in honor and in memory of the member from Concord, the Honorable Arthur Ellison.

CONSENT CALENDAR

Rep. Osborne moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 1637, relative to reducing requirements for vehicle inspections, removed by Reps. Sykes, Rombeau, Plamondon, St. Clair, Almy, Foote, Fox, Corman, Gorski and Jones.

Consent Calendar was adopted.

HB 1018, relative to on-premise and off-premise liquor licenses. **OUGHT TO PASS WITH AMENDMENT.** Rep. John Potucek for Commerce and Consumer Affairs. This bill makes various changes to various liquor laws relative to on-premise and off-premise liquor licenses that are just clarifications of the current laws. The amendment clarifies the distilling law and adds hookahs to the cigar law. Vote 17-0.

Amendment (0998h)

Amend the bill by replacing section 6 with the following:

6 Liquor Manufacturer License. Amend RSA 178:6, III-a to read as follows:

III-a. Each liquor manufacturer ~~[distilling]~~ **licensed to distill** less than 1,000 cases of liquor per year may sell at retail at its facility for off-premises consumption any of its liquor. Each retail sale shall be limited to one 9-liter case or less per sale. No liquor manufacturer ~~[distilling]~~ **licensed to distill** less than 1,000 cases of liquor per year shall sell more than 12 9-liter cases of liquor to any one customer in any calendar year.

Amend the bill by inserting after section 6 the following and renumbering the original section 7 to read as 8:

7 On-Premises Cigar, Beverage, and Liquor Licenses. Amend RSA 178:20-a to read as follows:

178:20-a On-Premises Cigar, Beverage, and Liquor Licenses.

I. The commission may issue a license to a person who operates a cigar bar as defined in this section and who holds a tobacco retailers license under RSA 178:19-a in any town which has voted to accept the provisions of RSA 663:5, I(b), (c), and (d). The license shall entitle the licensee to serve beverages containing at least 1/2 percent and not more than 6 percent alcohol by volume at 60 degrees Fahrenheit by the glass or other suitable container and by the bottle with the cork or cap removed; specialty beer in any suitable container; liquor containing more than 6 percent alcohol by volume at 60 degrees Fahrenheit, by the glass or other suitable container; and wines, by the glass, by the bottle with the cork or cap removed; or other suitable container, under rules adopted by the commission.

II. In this section, "cigar bar" means a business that:

(a) Generates 60 percent or more of its quarterly gross revenue from the sale of cigar-related **and hookah** products, which is limited to cigars, humidors, cigar cutters, cigar cases, lighters, ~~[and]~~ ashtrays, **hookah pipes, shisha tobacco, hookah accessories, and hookah pipe sessions or rentals for on-site use**. Revenue from keno, mail order and Internet sales, as well as revenue generated from other tobacco sales in store, including cigarettes and loose tobacco sales, shall not be used to determine whether an establishment satisfies the definition of a cigar bar.

(b) Has a humidor **or offers hookah pipes for on-site use** on the premises.

(c) Does not allow any person under the age of 21 on the premises unless accompanied by a parent, legal guardian, or adult spouse.

(d) Does not allow cigarette smoking or sale of food on the premises.

III. No beverage or liquor shall be consumed on the premises except that which is sold by the licensee.

IV. All applicants for employment at a cigar bar shall be presented with a written notice that states that working in a cigar bar has serious and permanent negative health effects, including, but not limited to, an increased risk of cancer and heart disease, and that no level of exposure to second-hand smoke is safe.

V. Establishments selling hookah products shall adhere to operating hours restrictions in RSA 179:17, II(b).

VI. The fee for an on-premises cigar, beverage, and liquor license shall be as determined in RSA 178:29, I.

AMENDED ANALYSIS

This bill makes changes to the laws relative to on-premise and off-premise liquor licenses, including the regulation of certain on-premises licensees which sell hookah products.

HB 1033, relative to the advertising of nominal dimensions of lumber. **INEXPEDIENT TO LEGISLATE.** Rep. Carry Spier for Commerce and Consumer Affairs. The industry standard, when expressing the "nominal" dimensions for lumber is to use the board's rough-cut size before it has been planed smooth. After it has been planed, lumber shrinks at a rate predictable based on the type of wood. The committee heard from a representative for the New Hampshire lumber industry that the state sells lumber all over the world and customers expect the wood to be specified in nominal dimensions. In addition, design software used by architects and designers expect lumber to be listed using nominal dimensions and account for planning and shrinkage automatically based on wood specifications. Vote 18-0.

HB 1071, relative to the right to repair certain educational technology. **INEXPEDIENT TO LEGISLATE.** Rep. Carry Spier for Commerce and Consumer Affairs. The specific equipment referred to are laptop computers and accessories purchased by a publicly funded school. Both California and New York have passed laws for right to repair. In both cases the laws have limited applicability with some positive and negative impacts. For example, the repair module for a laptop can be the whole motherboard, not just the processor chip, costing almost as much as the computer to begin with. The laws in both states go into effect later this year. After

reviewing the information available, the committee feels that right to repair laptops can be taken up again after the impact of the various state laws (all of which are different) have had an effect on the market, the industry and data security to determine the best approach for New Hampshire. Vote 17-0.

HB 1076-FN, relative to wine manufacturer licenses. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill enables a wine manufacturer licensee to hold an on-premises license on the premises of the wine manufacturer facility, or on the premises of the wine manufacturer retail outlet. The amendment allows beverage manufacturers to have the same privilege. Vote 18-0.

Amendment (0950h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to wine manufacturer licenses and relative to on-premises licenses for beverage manufacturers.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3: 2 Beverage Manufacturer License; Location. Amend RSA 178:12, II to read as follows:

II. The holder of a beverage manufacturer license may be issued one on-premises license ~~[for the manufacturer's premises]~~, providing all requirements of the license are fulfilled. ***For the purposes of this paragraph, the on-premises license shall either be on the premises of the manufacturing facility or on the premises of the beverage manufacturing retail outlet.*** The annual fee for each license issued under this section shall be as required under RSA 178:29.

AMENDED ANALYSIS

This bill enables a wine manufacturer licensee to hold an on-premises license on the premises of the wine manufacturer facility or on the premises of the wine manufacturer retail outlet.

This bill enables the holder of a beverage manufacturer license to have an on-premise license either on the premises of the manufacturing facility or on the premises of the beverage manufacturing retail outlet.

HB 1081, relative to insurance payments to ambulance providers. **OUGHT TO PASS.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill requires health insurance carriers that provide benefits for medically necessary ambulance services to directly reimburse ambulance service providers subject to the terms and conditions of the policy, plan, or contract. The intent is that when an ambulance provider is out-of-network and provides a service to the health carrier's enrollee, the carrier shall directly pay the carrier's allowed amount for that service to the ambulance service provider. The allowed amount may be less than the in-network contracted rate. Ambulance service providers are encouraged to join carrier networks in order to enhance consumer protection by bringing an end to ground ambulance balance billing. This bill does not interfere with an out-of-network ambulance service provider's choice to balance bill the patient for any balance due after the provider receives payment from the carrier. This bill also does not interfere with a health insurance carrier's choice to provide assistance to a health plan enrollee who has been balanced billed, including directly reimbursing an enrollee who has been balanced billed at an amount determined by the carrier. Vote 18-0.

HB 1090-FN, repealing the requirement to register "farmers' market" as a trade name. **INEXPEDIENT TO LEGISLATE.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill repeals the prohibition against using the term "farmers' market" in a trade name unless the use met specific requirements. The bill was considered unnecessary, so the committee recommends it be found Inexpedient to Legislate. Vote 17-0.

HB 1094, relative to insurance coverage for pediatric autoimmune neuropsychiatric disorders. **INEXPEDIENT TO LEGISLATE.**

Rep. Susan Porcelli for Commerce and Consumer Affairs. The purpose of this bill was to remove the prospective repeal of a reference to treatments for pediatric autoimmune neuropsychiatric disorders (PANDA) in the requirement for insurance coverage of certain biologically based mental illnesses. The intention of the sponsor was to make the law permanent. The sponsor requested a motion of Inexpedient to Legislate since changes to the law were not required. Vote 18-0.

HB 1117, relative to creating a committee to study the protection of business operators against requests to accommodate customers with fraudulent or untrained service animals. **REFER FOR INTERIM STUDY.**

Rep. Brian Cole for Commerce and Consumer Affairs. Right now, it is too easy to commit fraud in this area, as anyone can obtain a service vest for an animal. The Americans with Disabilities Act does not require a vest or ID badge for service animals. Until a national registry is created for trained certified service animals there is no current method of verifying authenticity of claims. To consider the matter further, therefore, the committee recommends that this bill be Referred for Interim Study. Vote 17-0.

HB 1129, relative to the authority to vote by proxy in a condominium association. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jane Beaulieu for Commerce and Consumer Affairs. The bill, as amended, makes changes to the Condominium Act, RSA 356-B:39. The votes pertaining to any unit may be cast in person at a properly noticed meeting of the unit owner's association or pursuant to a directed or undirected proxy. The option of a directed or undirected proxy shall be the choice of the unit owner. The board of directors or the association secretary shall implement a process to ensure the integrity of all votes. Vote 17-0.

Amendment (0871h)

Amend the bill by replacing section 2 with the following:

2 Condominium Act; Voting RSA 356-B:39, IV is repealed and reenacted to read as follows:

IV.(a) The votes appertaining to any unit may be cast in person at a properly noticed meeting of the unit owners' association or pursuant to a directed or undirected proxy or proxies duly executed by or on behalf of the unit owner, or, in cases where the unit owner is more than one person, by or on behalf of all such persons. The option of a directed or undirected proxy shall be the choice of the unit owner. A person may not cast undirected proxies representing more than 10 percent of the votes in the association for a condominium of more than 20 units. A person may not cast undirected proxies representing a majority of the votes in the association for a condominium of 20 units or fewer. There shall be no limit on directed proxies. The board of directors or the association secretary shall implement a process to ensure the integrity of all votes cast in person or by directed or undirected proxy in order to properly register the votes cast.

(b) The complete text of all voting articles must be included in the properly noticed meeting agenda. Voting on articles amended during a meeting must be deferred until the next properly noticed meeting. Proper notice must be delivered to all condominium owners in accordance with the provisions in RSA 356-B:37.

(c) The proxy or proxies shall list the name of the person who is to vote. No such proxy shall be revocable except by actual notice to the person presiding over the meeting, by the unit owner or by any of such persons, that it be revoked. Any proxy shall be void if it is not dated or if it purports to be revocable without the required notice. The proxy of any person shall be void if not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Any proxy shall terminate automatically upon the adjournment of the first meeting held on or after the date of that proxy. The board of directors shall deliver to the unit owners, together with their notice of meeting and agenda, both directed and undirected proxy forms bearing a control number which the board of directors shall correlate to the list of all unit owners then entitled to vote. At the noticed meeting, the board of directors shall recover all proxies and compare them to the control list maintained for that purpose. Any proxies which are on a form other than that provided by the board of directors or which do not correlate with the control list maintained by the board of directors shall be disregarded for purposes of determining whether a quorum was present at the meeting and for purposes of casting any vote at that meeting.

(d) The board of directors shall retain all proxies delivered to the board of directors and all independent written confirmation of any such proxies for inspection by the unit owners for a period of not less than 3 years from the date of the unit owners' association meeting.

(e) This section shall not apply if the condominium is comprised of time sharing interests.

HB 1135, relative to the definition of specialty beer. **INEXPEDIENT TO LEGISLATE.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill amends the definition of specialty beer by reducing the threshold level of alcoholic content from 6% to .5%. Under current law, any beverages (beer, wine, or distilled) that are 6% or less are considered a "beverage," regardless of what kind of alcohol they are. Redefining them as a "specialty beer" would disrupt the purpose of the specialty beer definition which can only be a beer with an alcohol level greater than 6%. Therefore, the committee recommends this bill be found Inexpedient to Legislate. Vote 18-0.

HB 1144, relative to requirements for sewage disposal system information to be disclosed during real estate transactions. **OUGHT TO PASS.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill requires certain information to be disclosed about sewage disposal systems during real estate transactions of dwellings and food service establishments. Purchase and sale agreements shall require information relative to the private sewage disposal system serving the property including copies of the most recent state approvals, the number of approved bedrooms if the system serves a residential unit, the number of approved seats if the system serves a food service establishment; its location, malfunctions, the date it was most recently serviced; and the name of the contractor who services the system. Vote 17-0.

HB 1151, relative to the carrying of alcoholic beverages on hotel premises. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Brian Cole for Commerce and Consumer Affairs. As amended, this bill amends RSA 179:27 by inserting a paragraph that allows a guest of a hotel to purchase a drink at a hotel bar or restaurant and carry it back to the guest's room. This bill also makes a change to RSA 176:16 by request of the liquor commission. It changes the deposit rate of the balance left in the liquor commission fund from daily to monthly. This bill will also allow service on stages, in designated performance areas, or in areas designated for entertainers.

The New Hampshire Liquor Commission supports this, believing it will clarify and uniformly apply liquor laws while recognizing entertainers' unique role in licensed establishments. By voting for this bill, legislators can demonstrate their commitment to supporting artists' freedom and creativity in New Hampshire. The passage of this bill, as amended, ensures that performers can engage with audiences more authentically without unnecessary restrictions on their ability to consume alcohol in designated areas. This bill balances responsible alcohol regulations and fosters an environment where artists can thrive. A vote for this bill is a vote for keeping our state's cultural scene vibrant and appealing. Vote 18-0.

Amendment (0768h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the carrying of alcoholic beverages on hotel premises and monthly deposits from the liquor commission to the general fund.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Restrictions on Serving and Congregating of Patrons. Amend RSA 179:27 by inserting after paragraph II the following new paragraphs:

III. Stages or designated performing areas and areas designated for entertainers may be approved areas of service.

IV. Notwithstanding paragraphs I and II, a hotel guest may purchase an alcoholic beverage, or bottle of wine, at a hotel lounge, as described in RSA 178:22, V(k) or hotel full-service restaurants as described in RSA 178:21, II(b) and may carry the alcoholic beverage or partially consumed bottle of wine from the lounge or dining room to the guest's room. For the purposes of this paragraph, the number of alcoholic beverages shall be limited to the number of registered guests to that room who are 21 years of age or older. For the purposes of this paragraph, any partially consumed bottle of wine shall be securely sealed.

2 The Liquor Commission; Funds. Amend RSA 176:16, I to read as follows:

I. Except as provided in paragraph II, the state treasurer shall credit all gross revenue derived by the commission from the sale of liquor, or from license fees, and interest received on such moneys, to a special fund, to be known as the liquor commission fund, from which the treasurer shall pay all expenses of the commission incident to the administration of this title. Any balance left in such fund after such expenses are paid shall be deposited in the general fund on a [daily] **monthly** basis.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows a guest of a hotel to purchase a drink at a hotel bar or restaurant and carry it back to the guest's room.

This bill also requires the liquor commission to make a monthly deposit to the general fund.

HB 1155, relative to insurance coverage for living organ donors. **OUGHT TO PASS WITH AMENDMENT.** Rep. Tim McGough for Commerce and Consumer Affairs. This bill prohibits disparate treatment of a life insurance or long-term care insurance policy holder based on their status as a living organ donor. The committee believes organ donation should be encouraged and there exists a shortage of life saving organs for transplantation and potential donors should not be concerned about procurement of insurance policies due to status as a living prior organ donor. Vote 18-0.

Amendment (0885)

Amend the bill by replacing sections 1 and 2 with the following:

1 New Paragraph; Unfair Insurance Trade Practices; Coverage of Living Organ Donors. Amend RSA 417:4 by inserting after paragraph VIII the following new paragraph:

VIII-a. Living Organ Donors.

(a) No individual or group life insurance policy, long-term care insurance policy, or policy providing disability income protection, shall:

(1) Deny or cancel coverage to a covered person solely on the basis of the person's status as a living organ donor.

(2) Deny a covered person eligibility or continued eligibility to enroll or to renew coverage under the terms of a policy, contract, or certificate, solely on the basis of the person's status as a living organ donor.

(3) Reduce or limit coverage or benefits, increase the premiums or otherwise adversely affect the coverage or cost for a covered person's policy, contract, or certificate solely on the basis of the person's status as a living organ donor without any additional separate actuarial risk involved.

(4) Preclude a covered person from donating all or part of an organ or tissues as a condition of receiving or continuing to receive coverage under a policy, contract, or certificate.

(5) Otherwise discriminate against an individual or covered person in the offering, issuance, amount of coverage, premium, or any other policy conditions based solely and without any additional actuarial risks because the individual is a living organ donor.

(b) In this section:

(1) "Covered person" means a policyholder, subscriber, enrollee, member, or individual covered by any policy, contract, or certificate or by any life insurance policy, long-term care insurance policy, or a policy providing disability income protection.

(2) "Living organ donor" means a person who is not deceased and who has donated all or part of one or more of the person's own organs or tissue to another person for transplant.

2 Applicability. This act shall apply to any individual or group life insurance policy, long-term care insurance policy, or a policy providing disability income protection offered, issued, renewed, delivered, or issued for delivery in this state on or after July 1, 2024.

AMENDED ANALYSIS

This bill prohibits disparate treatment of a life insurance, long-term care insurance, or disability insurance policy holder based on their status as a living organ donor.

HB 1159, relative to toilet facilities provided by restaurants and other food establishments. **INEXPEDIENT TO LEGISLATE.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill would require that restaurants designed to seat 50 or more patrons have at least two separate toilet rooms and eliminates the requirement for separate bathrooms to be gender specific. The committee addressed this issue in a bill from last year, so this bill was unnecessary. Vote 17-0.

HB 1172, relative to meetings of condominium boards and committees. **OUGHT TO PASS.**

Rep. Carry Spier for Commerce and Consumer Affairs. This bill allows condominium boards to give a five-day notice instead of a ten-day notice of a board of directors meeting under certain circumstances. It also clarifies the definition of what constitutes a board of directors meeting. Based on information provided at the hearing, the committee unanimously found the bill to be reasonable in solving the issues presented. Vote 18-0.

HB 1224, relative to amendment of condominium instruments. **INEXPEDIENT TO LEGISLATE.**

Rep. Carry Spier for Commerce and Consumer Affairs. At the hearing it was found that changing a shared utility service could require a very large capital investment from each condominium owner. For instance, the installation of solar panels on all units, or the installation of geothermal heat pumps could be examples of such changes. The committee felt that a much more substantial majority should be required before committing to such a project. Vote 18-0.

HB 1225, relative to prescription drug affordability board conflicts of interest. **REFER FOR INTERIM STUDY.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill expands regulation of conflicts of interest applicable to members of the prescription drug affordability board. The bill, as written, and the amendment that was proposed were unworkable, so the committee decided to recommend that the bill be Referred for Interim Study. Vote 18-0.

HB 1227, relative to extending the hours of alcoholic beverage sales for on-premises licensees. **OUGHT TO PASS.**

Rep. Jared Sullivan for Commerce and Consumer Affairs. This bill would extend the mandatory closing hours for all on-premises licensees from 1:00 a.m. to 2:00 a.m. and bring New Hampshire in line with the majority of states in the country. An extended closing time has not been convincingly shown to cause social issues or increased crime. Two of the three states bordering New Hampshire have 2:00 a.m. closing times, and as New Hampshire works to attract and retain young people, nightlife in our cities and towns is one of the considerations for potential new residents of our state. Vote 18-0.

HB 1236, relative to repealing the commission on the status of health coverage markets for individuals and small employers. **OUGHT TO PASS.**

Rep. John Hunt for Commerce and Consumer Affairs. The purpose of this bill is to repeal RSA 404-J because it is no longer needed. Vote 18-0.

HB 1241, relative to regulation of money transmitters. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Keith Ammon for Commerce and Consumer Affairs. This bill, as amended, replaces New Hampshire's existing money transmitter statutes with the Conference of State Bank Supervisors' Model Money Transmission Modernization Act. The bill updates definitions, licensing requirements, and regulatory provisions for money transmitters. The bill aligns the license renewal terms for money transmitters with those of mortgage loan originators, mortgage bankers/brokers, small loan lenders, and debt adjusters. It establishes net worth and surety bond requirements for licensees. It exempts certain payroll processing activities from money transmitter licensing, except for payroll processors that issue stored value cards directly to employees. It also clarifies that those dealing solely with virtual currency are not subject to the money transmitter provisions and will remain subject to the state's consumer protection laws. Vote 16-1.

Amendment (1245h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the regulation of money transmitters and relative to license applications and renewals for certain consumer credit entities.

Amend RSA 399-G:1, XVIII as inserted by section 1 of the bill by replacing it with the following:

XVIII. "Money transmission" means any of the following:

- (a) Selling or issuing payment instruments to a person located in this state.
- (b) Selling or issuing stored value to a person located in this state.
- (c) Receiving money for transmission from a person located in this state.

Amend RSA 399-G:2, XXVIII as inserted by section 1 of the bill by replacing it with the following:

XXVIII. "Stored value" means monetary value representing a claim against the issuer evidenced by an electronic or digital record, and that is intended and accepted for use as a means of redemption for money or monetary value, or payment for goods or services. The term includes, but is not limited to, "prepaid access" as defined by 31 C.F.R. Section 1010.100, as amended or recodified from time to time. Notwithstanding the foregoing, the term "stored value" does not include a payment instrument or closed loop stored value, or stored value not sold to the public but issued and distributed as part of a loyalty, rewards, or promotional program. Pursuant to RSA 399-G:3, VII, nothing in this paragraph shall be construed so as to affect persons engaged in the business of selling or issuing payment instruments or stored value solely in the form of convertible virtual currency or who receive convertible virtual currency for transmission to another location.

Amend RSA 399-G:3 as inserted by section 1 of the bill by inserting the following after paragraph XVII:

XVIII. A person performing payroll processing services, solely to the extent of its operation as a payroll processor. Provided, however, that this exemption shall not apply to any person providing stored value cards, including digital stored value cards, directly to individual employees.

Amend section 1 of the bill by deleting RSA 399-G:26 and renumbering RSA 399-G:27-40 as RSA 399-G:26-39, respectively.

Amend RSA 399-G:26, IV as inserted by section 1 of the bill by replacing it with the following:

IV. For purposes of this section, a licensee that issues proprietary cryptocurrency, non-fungible tokens, or other digital assets shall not include the value of such assets when calculating tangible net worth. For purposes of calculating net worth under this section, cryptocurrency, non-fungible tokens, or other digital assets shall be considered "proprietary" when such assets are developed or created by the licensed entity. Nothing in this paragraph shall prevent a licensed entity from including the reasonable value of cryptocurrency, non-fungible tokens, or other digital assets developed or created by other entities and held as assets when calculating tangible net worth.

Amend RSA 399-G:39 as inserted by section 1 of the bill by replacing it with the following:

399-G:39 Transition Period.

I. A person licensed in this state to engage in the business of money transmission shall not be subject to the provisions of this chapter, to the extent that they conflict with current law or establish new requirements not imposed under current law, until January 1, 2026.

II. Notwithstanding paragraph I, a licensee shall only be required to amend its authorized delegate contracts for contracts entered into or amended after the effective date or the completion of any transition period contemplated under paragraph I. Nothing herein shall be construed as limiting an authorized delegate's obligations to operate in full compliance with this chapter as required by RSA 399-G:21, III.

Amend the bill by replacing all after section 1 with the following:

2 New Subparagraph; Mortgage Loan Originators; License Renewal. Amend RSA 397-A:5, IV-d by inserting after subparagraph (c) the following new subparagraph:

(d) The initial license term shall begin on the day the application is approved. The license shall expire on December 31 of the year in which the license term began, unless the initial license date is between November 1 and December 31, in which instance the initial license term shall run through December 31 of the following year.

3 New Paragraph; Mortgage Bankers, Brokers, and Servicers; License Renewal. Amend RSA 397-A:8 by inserting after paragraph II the following new paragraph:

II-a. The initial license term shall begin on the day the application is approved. The license shall expire on December 31 of the year in which the license term began, unless the initial license date is between November 1 and December 31, in which instance the initial license term shall run through December 31 of the following year.

4 New Paragraph; Small Loan Lender; License Renewal. Amend RSA 399-A:5 by inserting after paragraph IV the following new paragraph:

V. The initial license term shall begin on the day the application is approved. The license shall expire on December 31 of the year in which the license term began, unless the initial license date is between November 1 and December 31, in which instance the initial license term shall run through December 31 of the following year.

5 New Paragraph; Debt Adjustment Services; License Renewal. Amend RSA 399-D:5 by inserting after paragraph VIII the following new paragraph:

VIII-a. The initial license term shall begin on the day the application is approved. The license shall expire on December 31 of the year in which the license term began, unless the initial license date is between November 1 and December 31, in which instance the initial license term shall run through December 31 of the following year.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adopts the model money transmission modernization act. This bill also adjusts renewal procedures for certain consumer credit entities to align with those in the model money transmission.

HB 1243, revising the laws relative to retail installment sales of motor vehicles. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Chris McAleer for Commerce and Consumer Affairs. The bill, as amended, is a request of the Banking Department. It revises the law on retail installment sales of motor vehicles administered by the Banking Department. There are no new policy changes, just updating the statute. Vote 17-0.

Amendment (0157h)

Amend RSA 361-A:1, XXIX as inserted by section 1 of the bill by replacing it with the following:

XXIX. "Significant event" means:

- (a) The filing of a petition by or against the licensee under the United States Bankruptcy Code, 11 U.S.C. Section 101-110, as amended or recodified from time to time, for bankruptcy or reorganization;
- (b) The filing of a petition by or against the licensee for receivership, the commencement of any other judicial or administrative proceeding for its dissolution or reorganization, or the making of a general assignment for the benefit of its creditors;
- (c) An indictment or conviction of the licensee, any of the licensee's principals, or any person in control of the licensee for a felony;
- (d) The filing of a civil lawsuit in any court located in New Hampshire or by any resident of New Hampshire, except small claims actions, naming the licensee as a defendant that concerns the licensee's practices under this chapter;
- (e) The commencement of a proceeding to revoke or suspend the licensee's license in a state or country in which the licensee engages in business or is licensed;
- (f) Receiving notification of a license denial, cease and desist, consent agreement or order, suspension or revocation or any other formal administrative action in any state against the licensee;
- (g) Receiving notification of any enforcement action or formal investigation by the attorney general of the state of New Hampshire or of any other state pursuant to any consumer protection statute, and the reasons thereof, except routine investigations of consumer complaints; or
- (h) Entering into a consent agreement, settlement agreement, memorandum of understanding, or similar agreement with any regulatory body by the licensee that concerns the licensee's practices under this chapter.

Amend RSA 361-A:5, III as inserted by section 1 of the bill by replacing it with the following:

III. The initial license term shall begin on the day the application is approved. The license shall expire on December 31 of the year in which the license term began, unless the initial license date is between November 1 and December 31, in which instance the initial license term shall run through December 31 of the following year. Licenses issued pursuant to this chapter shall be renewed annually. The renewal term shall be for a period of 1 year and shall begin on January 1 of each year after the initial license term and shall expire on December 31 of the year the renewal term begins.

Amend RSA 361-A:12 as inserted by section 1 of the bill by replacing it with the following:

361-A:12 Examinations and Investigations.

I. The commissioner or the commissioner's representative may, with or without notice to the licensee or any other person subject to this chapter, examine the business affairs of any licensee or any other person subject to this chapter, whether licensed or not, at any time the commissioner deems necessary, for the purpose of determining whether the licensee or other person subject to this chapter is in compliance with the laws of this chapter and any rules adopted thereunder. In determining compliance, the commissioner or the commissioner's representative may examine relevant books, accounts, records, files, and other documents, whether electronically stored or otherwise. Upon request, the commissioner or the commissioner's representative shall be provided with access to the licensee's or unlicensed person's principal place of business and additional offices, if applicable, where files, records, safes, and vaults that are relevant to the examination may be located. The commissioner or the commissioner's representative may require the attendance of any licensee's principal or control person and may examine him or her under oath concerning the subject matter of any examination or investigation, and may require that person to produce relevant books, accounts, papers, and records.

II. The commissioner may, in his or her discretion, accept all or part of a report of examination of another state agency or an agency of another state or of the federal government. To avoid unnecessary duplication of examinations, the commissioner may, insofar as he or she deems practicable in administering this section, cooperate with and conduct examinations in conjunction with the regulators of other states, the Federal Trade Commission, other federal regulators, or their successors in conducting examinations and investigations.

III. The department may subpoena witnesses, administer oaths, and compel, by subpoena duces tecum, the production of all books, records, files, and other documents and materials whether electronically stored or otherwise relevant to its investigation at any time in any matter over which the department has jurisdiction, control, or supervision pertaining to the provisions of this chapter.

IV. Upon request, every person being examined, and all of the officers, directors, employees, agents, and representatives of such person shall make freely available to the commissioner or the commissioner's examiners the accounts, records, documents, files, information, assets, and matters in their possession or control that are relevant to the subject of the examination and shall facilitate the examination.

V. The expense of such examination or investigation shall be chargeable to and paid by the licensee or other person subject to this chapter being examined. No licensee shall be charged for more than one examination or investigation within a 24 month period, unless good cause exists to conduct more than one examination or investigation within a 24 month period. Under such circumstances, the expense of any examination or investigation shall continue to be chargeable to and paid by the licensee or other person subject to this chapter being examined. The examination and investigation costs shall be calculated as set forth in RSA 383:11.

VI.(a) The affairs and records of any licensee or person subject to this chapter shall be subject at any time to periodic, special, regular, or other examination by the department with or without notice. Any licensees, including those that maintain their files and business records in another state, or other person subject to this chapter, shall:

(1) Deliver to the commissioner or the commissioner's representative a list of all New Hampshire consumers who have contracted with the licensee or with whom the licensee is otherwise engaged in business regulated under this chapter, and any other requested lists or information summarizing the business of the licensee, within 30 days of receipt of the commissioner or commissioner representative's written request; and

(2) Deliver to the commissioner or the commissioner's representative files selected by the commissioner or the commissioner's representative from the lists delivered in subparagraph (a)(1), and any other files or documents requested, within 60 days of receipt of the commissioner or commissioner representative's written request.

(b) The commissioner or commissioner representative's written requests, as described herein, shall be sent to the licensee. Upon proof of valid delivery of such a written request, a licensee's failure to provide the requested files or documents within the time established by this paragraph shall subject a licensee or person subject to this chapter to a fine of \$50 per day for each day the files or documents are not provided. Failure to provide files or documents to the commissioner within 60 days after receipt of the request shall be sufficient cause for license revocation, suspension, or denial.

VII. The commissioner or the commissioner's representative may investigate at any time any person that the commissioner reasonably believes is engaged in the business of a sales finance company or retail seller or participating in such business as principal, agent, broker, or otherwise; or any person that the commissioner has reasonable cause to believe is violating or is about to violate any provision of this chapter, or any rule or order under this chapter.

VIII. In addition to the costs of any investigation, as set forth herein, the commissioner may recover the costs of any investigation conducted under this chapter, in addition to any other penalty provided for under this chapter.

IX. If the commissioner or examiner finds any accounts or records to be inadequate, or kept or posted in a manner not in accordance with generally accepted accounting principles, the commissioner may employ experts to reconstruct, rewrite, post, or balance the inadequate accounts or records for purposes of the examination at the expense of the person being examined, but only after the commissioner or examiner has given the licensee or person subject to this chapter written notice and a reasonable opportunity to do so.

X.(a) Before a report of examination is finalized, the examiner shall offer the licensee an opportunity to discuss the initial findings of the examination with the examiner.

(b) Upon receipt of the written report of examination, the licensee shall have 30 days or such additional reasonable period as the commissioner for good cause may allow, within which to review the report, recommend any changes, and set forth in writing the remedial course of action the licensee will pursue to correct any deficiencies outlined in the report.

(c) All reports of examination under this section shall be confidential and shall not be available for public inspection and shall not be subject to disclosure under RSA chapter 91-A. The comments and recommendations of the examiner shall also be confidential information and shall not be available for public inspection and shall not be subject to disclosure under RSA chapter 91-A.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect January 1, 2025.

HB 1257, relative to contracts between public adjusters and the insured. **INEXPEDIENT TO LEGISLATE.** Rep. John Hunt for Commerce and Consumer Affairs. Although this bill was a request of the Insurance Department to provide that a property insurance policy shall not prohibit the insured from hiring a public adjuster, it was agreed by all that the law is unnecessary. Vote 18-0.

HB 1259, relative to property and casualty insurance laws administered by the insurance department. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill clarifies the distinction between personal and commercial lines in homeowner's policies; permits the use of electronic communication for auditable basis policies; and requires the insurer to state the specific reason for cancellation or refusal to renew a policy. The bill was a request of the Insurance Department and was amended to add an exemption for a person who solely investigates, negotiates, settles, or completes a first notice of loss form for automobile glass replacement or repair claim. Vote 18-0.

Amendment (0762h)

Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6: 5 New Subparagraph; Insurance Claims Adjusters; Definitions; Exemptions. Amend RSA 402-B:2, III by inserting after subparagraph (e) the following new subparagraph:

(f) A person who solely investigates, negotiates, settles, or completes a first notice of loss form for automobile glass replacement or repair claims.

AMENDED ANALYSIS

This bill clarifies the distinction between personal and commercial lines in homeowners policies; permits the use of electronic communication for auditable basis policies; requires the insurer to state the specific reason for cancellation or refusal to renew a policy; and provides an exemption to the insurance claims adjusters statute for persons who solely handle automobile glass claims.

HB 1275-FN, relative to requiring notice to consumers of vehicles that require repair solely through a dealership and contain proprietary information. **INEXPEDIENT TO LEGISLATE.**

Rep. Carry Spier for Commerce and Consumer Affairs. The committee found that some of the information can already be found in the operator's manual and that modern automobiles and motorcycles not only contain more proprietary parts than can fit on a list or somewhere on a motorcycle but that the tools used to repair a vehicle are often themselves proprietary. The bill did not indicate at which system or subsystem level the label information is to be provided to be of any help to the consumer. Vote 17-0.

HB 1296-FN, relative to insurance coverage for diagnostic and supplemental breast examinations. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Anita Burroughs for Commerce and Consumer Affairs. This bill would expand an existing mandate and require fully insured employer-sponsored health plans to cover diagnostic and supplemental breast examinations without cost sharing to the individual when such services are medically necessary and appropriate and are delivered by an in-network provider. Under the Affordable Care Act, fully insured health plans are currently required to pay for certain recommended preventive services with no out-of-pocket expenses, including no more than one screening mammogram per year for women ages 40 and older. This bill would require that medically necessary and appropriate follow-up examinations to a screening mammogram be covered by fully insured employer-sponsored health plans without cost sharing. Such follow-up examinations may include a breast ultrasound, or a breast MRI used, for example, to evaluate a detected abnormality or to screen individuals who have recently been treated for breast cancer. By eliminating cost sharing on diagnostic and supplemental breast examination services, the Insurance Department assumes there would be the potential for upward pressure on premiums in fully insured employer-sponsored health plans that is indeterminable at this time. The committee is very cognizant of the need to avoid passing new requirements that can increase insurance premiums for New Hampshire's employers and their employees. The committee was willing to support this bill because they view it as a unique and very narrow expansion of an existing mandate, and a claims data analysis performed by the Insurance Department suggests the impact on premiums should be quite small. Vote 17-0.

Amendment (1133h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect January 1, 2025.

HB 1306, relative to special assessments for capital improvements in condominiums. **REFER FOR INTERIM STUDY.**

Rep. Carry Spier for Commerce and Consumer Affairs. At the time of the hearing, no details or clarifications were provided. Therefore, the committee feels more work is needed to understand the context and issues this bill is specifically trying to address. Vote 18-0.

HB 1320, relative to real property and flood risk disclosure. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill, as introduced, requires disclosures to purchasers of property and to tenants or lessees of the flood risk of certain property. The amendment removes the requirement for tenants and simplified the language required for purchase and sale agreements. Vote 17-0.

Amendment (1247h)

Amend the bill by replacing all after the enacting clause with the following:

1 Conveyances of Realty; Notification Required; Flood Risk. Amend RSA 477:4-a to read as follows:

477:4-a Notification Required; Radon, Arsenic, and Lead **and Flood**

I. Prior to the execution of any contract for the purchase and sale of any interest in real property which includes a building, the seller, or seller's agent, shall provide the following notification to the buyer. The buyer shall acknowledge receipt of this notification by signing a copy of such notification:

"Radon: Radon, the product of decay of radioactive materials in rock, may be found in some areas of New Hampshire. Radon gas may pass into a structure through the ground or through water from a deep well. Testing of the air by a professional certified in radon testing and testing of the water by an accredited laboratory can establish radon's presence and equipment is available to remove it from the air or water."

"Arsenic: Arsenic is a common groundwater contaminant in New Hampshire that occurs at unhealthy levels in well water in many areas of the state. Tests are available to determine whether arsenic is present at unsafe levels, and equipment is available to remove it from water. The buyer is encouraged to consult the New Hampshire department of environmental services private well testing recommendations (www.des.nh.gov) to ensure a safe water supply if the subject property is served by a private well."

"Lead: Before 1978, paint containing lead may have been used in structures. Exposure to lead from the presence of flaking, chalking, chipping lead paint or lead paint dust from friction surfaces, or from the disturbance of intact surfaces containing lead paint through unsafe renovation, repair or painting practices, or from soils in close proximity to the building, can present a serious health hazard, especially to young children and pregnant women. Lead may also be present in drinking water as a result of lead in service lines, plumbing and fixtures. Tests are available to determine whether lead is present in paint or drinking water."

"Flood: Properties in coastal areas and along waterways may be subject to increased risk of flooding over time. A standard homeowners insurance policy typically does not cover flood damage. The buyer is encouraged to determine whether separate flood insurance is required and consult the Federal Emergency Management Agency's flood maps (FEMA.GOV) in order to determine if the property is in a designated flood zone."

II. Nothing in this section shall be construed to have any impact on the legal validity of title transferred pursuant to a purchase and sale contract in paragraph I, or to create or place any liability with the seller or seller's agent for failure to provide the notification described in paragraph I.

2 New Subparagraph; Conveyances of Realty; Notification Required. Amend RSA 477:4-d by inserting after subparagraph (c) the following new subparagraph:

(d) Information relative to the property's location within a flood zone and whether or not the seller has flood insurance.

3 Effective Date. This act shall take effect January 1, 2025.

AMENDED ANALYSIS

This bill requires that prior to the execution of a purchase and sale agreement for real property that flood risks be disclosed to the buyer.

HB 1321, relative to repealing penalties for the sale of kegs of malt beverages without a receipt. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill, as amended, repeals RSA 179:5-a relative to prohibited keg sales which required the sale of malt beverage kegs to have a sticker identifying the purchaser's name, address, and motor vehicle operator's license number. As amended, the bill also changes the junk and scrap metal dealers' statute to reflect the repeal and to add a new sentence to say: As used in this section, "keg" means any refillable brewery-sealed, individual container of malt beverage having a liquid capacity of more than 64 fluid ounces. Vote 18-0.

Amendment (0123h)

Amend RSA 322:12-a as inserted by section 2 of the bill by replacing it with the following:

322:12-a No junk or scrap metal dealer licensed by a governing body under the authority of this chapter shall purchase any metal keg for malt beverages[, as defined in RSA 179:5-a, V,] or pieces of such metal keg, unless the seller is the brewer whose name or marking appears on the keg. If the brewer's name or marking has been removed or obliterated, the licensee shall not purchase the keg. ***As used in this section, "keg" means any refillable brewery-sealed, individual container of malt beverage having a liquid capacity of more than 64 fluid ounces.***

HB 1334, relative to the sale of beer in refillable containers. **OUGHT TO PASS.**

Rep. John Potucek for Commerce and Consumer Affairs. The committee agreed with the sponsor, in that the retail sale of beer in refillable containers should be authorized regardless of the labeling or “branding” on the refillable container belonging to the customer. Vote 18-0.

HB 1346, relative to food service at a bed and breakfast. **INEXPEDIENT TO LEGISLATE.**

Rep. Carry Spier for Commerce and Consumer Affairs. During the hearing the committee learned that the sponsors were particularly interested in the ability to serve snacks or food prepared off-site and brought in for the purpose of providing food for late arriving guests. In order to recognize that bed and breakfasts are often located in areas where guests may have limited access to other food service establishments for meals, particularly at late hours of the day, the Division of Public Health Services of the New Hampshire Department of Health and Human Services provided information that they are currently updating their “Administrative Rules He-P 2300, the New Hampshire Rules for Sanitary production and Distribution of Food,” to change the definition of bed and breakfasts to allow for snacks to be offered after dinner hours for the purpose of providing food for late arriving guests. The bill was found, therefore, to be unnecessary at this time. Vote 17-0.

HB 1357, relative to condominium board meetings. **INEXPEDIENT TO LEGISLATE.**

Rep. Christopher Herbert for Commerce and Consumer Affairs. Condominium associations meet every three months. There is no need for monthly meetings. If an emergency occurs, the board can call a meeting. Vote 18-0.

HB 1358, relative to contract manufacturers of beer, wine, and liquor. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Potucek for Commerce and Consumer Affairs. This bill combines tenant brewing and contract brewing into one statute. The bill also includes manufacturers of wine and liquor with the same capability to have both contract and tenant capabilities which allows them to either produce or bottle alcohol in a separate location under contract with a separate licensee. Vote 17-0.

Amendment (1072h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to tenant and contract manufacturers of beer, wine, and liquor.

Amend the bill by replacing all after the enacting clause with the following:

1 Contract Brewer; Definitions. RSA 175:1, XXV-a and XXV-b is repealed and reenacted to read as follows:

XXV-a. “Contract brewer” means a beverage manufacturer, hired to produce a beverage on the behalf of another beverage manufacturer, nano brewery, or brewpub, licensed by the commission or holding a license to manufacture a beverage issued by another state.

XXV-b. “Contract brewing arrangement” means a business relationship in which a beverage manufacturer is hired to produce a beverage on the behalf of another beverage manufacturer, nano brewery, or brewpub, licensed by the commission or holding a license to manufacture a beverage issued by another state.

2 New Paragraphs; Contract Wine Manufacturer; Contract Liquor Manufacturer; Definitions. Amend RSA 175:1 by inserting after paragraph XXV-b the following new paragraphs:

XXV-c. “Contract wine manufacturer” means a wine manufacturer, hired to produce a wine on the behalf of another wine manufacturer, licensed by the commission or holding a license to manufacture wine issued by another state.

XXV-d. “Contract wine arrangement” means a relationship in which a wine manufacturer is hired to produce a wine on the behalf of another wine manufacturer, licensed by the commission or holding a license to manufacture wine issued by another state.

XXV-e. “Contract liquor manufacturer” means a liquor manufacturer, hired to produce a liquor on the behalf of another liquor manufacturer, licensed by the commission or holding a license to manufacture liquor issued by another state.

XXV-f. “Contract liquor arrangement” means a business relationship in which a liquor manufacturer is hired to produce a liquor on the behalf of another liquor manufacturer, licensed by the commission or holding a license to manufacture liquor issued by another state.

3 Host Manufacturer; Definitions. RSA 175:1, XXXVI-b is repealed and reenacted to read as follows:

XXXVI-b. “Host manufacturer” means a beverage manufacturer, wine manufacturer, or liquor manufacturer facility involved in a host-tenant relationship. In this relationship, the tenant party holds a tenant manufacturer license under RSA 178:12-b; 178:8-a or 178:6-a, allowing them to produce or package beverages, wine, or liquor as permitted by their specific license type on the premises of the host manufacturer.

4 Tenant Manufacturer; Definition. RSA 175:1, LXIV-cc is repealed and reenacted to read as follows:

LXIV-cc. “Tenant manufacturer” means a person who has a permit or notice approved by the United States Department of the Treasury Alcohol and Tobacco Tax and Trade Bureau allowing the person to engage in an alternating proprietorship.

5 Tenant Manufacturing License; Brewer Option. RSA 178:12-b is repealed and reenacted to read as follows:

178:12-b Tenant Brewer Manufacturing License; Brewer Option.

I. A holder of a tenant manufacturer license may manufacture and/or package alcoholic beverages on the premises of a host manufacturer, and shall be consistent with all terms and conditions contained in Title XIII for their license type.

II. A holder of a tenant manufacturer license may transport in bulk alcoholic beverages produced on the Tenant's premises to a host manufacturer for the purpose of packaging alcoholic beverages on the host manufacturer's premises.

III. To be eligible for a tenant manufacturer license, the applicant shall have all applicable licenses or permits required by the United States Department of the Treasury Alcohol and Tobacco Tax and Trade Bureau allowing the person to use the facilities, equipment, and employees of a host manufacturer.

IV. A tenant manufacturer shall be subject to the same requirements regarding production of alcoholic beverages as if the manufacturer conducted its manufacturing on its own premises independently.

V. The commission may require a tenant brewer manufacturer to maintain a record or log indicating which equipment is being used at any time by the tenant brewer manufacturer in the production of alcoholic beverages and which employees are working on production of the tenant brewer manufacturer's product.

VI. A tenant manufacturer is subject to the same reporting requirements as a beverage manufacturer, wine manufacturer, and liquor manufacturer as required by their New Hampshire manufacturer's license.

VII. A tenant manufacturer license shall have the right to transport beverages it manufactures in barrels, kegs, bottles, or other closed containers within the state for sale to licensees and to the state border for transportation and sale outside the state.

VIII. The annual fee for each license issued under this section shall be \$240.

6 New Paragraphs; Wine Manufacturer License; Tenant Option. Amend RSA 178:8 by inserting after paragraph VIII the following new paragraphs:

IX. A wine manufacture licensee may be issued a tenant wine manufacturer license under RSA 178:8-a if the licensee meets the requirements of RSA 178:8-a. Wines produced or packaged by a wine manufacturer licensee as a tenant wine manufacturer at a host manufacturers' facility shall be included in the production reports submitted to the commission. No alcohol may be sold by the wine manufacturer in any manner which is inconsistent with the provisions of this title.

X. A wine manufacturer may enter into a contract wine manufacturer arrangement with a contract wine manufacturer, manufacturing in the state of New Hampshire after the wine manufacturer has been in operation for one year. Wine produced by a contract wine manufacturer intended for sale outside the state may be warehoused at the contract wine manufacturer's facility or at some other facility accessible only to the wine manufacturer. A contract wine manufacturer shall not deliver wine to on-premises and off-premises licensees within the state. A wine manufacturer shall file all contract wine manufacturer arrangements with the commission.

XI. The wine manufacturer shall submit to the liquor commission an annual report of all wines by:

(a) The wine manufacturer on-site.

(b) Any tenant wine manufacturer.

(c) Any contract wine manufacturer the wine manufacturer has contracted with under paragraph X.

XII. All taxes due on product that is made by a contract wine manufacturer shall be paid by the wine manufacturer.

7 New Section; Tenant Wine Manufacturer License; Tenant Option. Amend RSA 178 by inserting after section 8 the following new section:

178:8-a Tenant Wine Manufacturer License; Tenant Option.

I. A holder of tenant wine manufacturer license may manufacture and/ or package wine on the premises of a host manufacturer, and shall be consistent with all terms and conditions contained in Title XIII for their license type.

II. A holder of a tenant manufacturer license may transport in bulk wine produced on the tenant's premises to a host manufacturer for the purpose of packaging wine on the host manufacturer's premises.

III. To be eligible for a tenant wine manufacturer license, the applicant shall have all applicable permits or notices required by the United States Department of the Treasury Alcohol and Tobacco Tax and Trade Bureau allowing the person to use the facilities, equipment, and employees of a host manufacturer.

IV. A tenant wine manufacturer is subject to the same requirements regarding production of wine as if the manufacturer conducted its manufacturing on its own premises independently.

V. Each tenant wine manufacturer shall maintain records and prepare reports for the commission which shall indicate the sales made under this section and shall pay to the commission monthly a fee equal to 5 percent of such sales on or before the fifteenth day of the month following the sale.

VI. The annual fee for each license issued under this section shall be \$240.

VII. The commission may require a tenant wine manufacturer to maintain a record or log indicating which equipment is being used at any time by the tenant wine manufacturer in the production of alcoholic beverages and which employees are working on production of the tenant wine manufacturer's product.

8 New Paragraphs; Liquor Manufacturer Licenses; Tenant Option. Amend RSA 178:6 by inserting after paragraph X the following new paragraphs:

XI. A liquor manufacturer may be issued a tenant manufacturer license under RSA 178:6-a if the licensee meets the requirements of RSA 178:6-a. Liquor produced or packaged by a liquor manufacturer licensee, as a tenant liquor manufacturer at a host manufacturers' facility, shall be included in the production reports submitted to the commission. No alcohol may be sold by the liquor manufacturer in any manner which is inconsistent with the provisions of this title.

XII. A liquor manufacturer may enter into a contract liquor manufacturer arrangement with a contract liquor manufacturer, manufacturing in the state of New Hampshire after the liquor manufacturer has been in operation for one year. Liquor produced by a contract liquor manufacturer intended for sale outside the state may be warehoused at the contract liquor manufacturer's facility or at some other facility accessible only to the liquor manufacturer. A contract liquor manufacturer shall not deliver liquor to on-premises and off-premises licensees within the state. A liquor manufacturer shall file all contract liquor manufacturer arrangements with the commission.

XIII. The liquor manufacturer shall submit to the liquor commission an annual report of all liquor by:

(a) The liquor manufacturer on-site.

(b) Any tenant liquor manufacturer.

(c) Any contract liquor manufacturer the liquor manufacturer has contracted with under paragraph X.

XIV. All taxes due on product that is made by a contract liquor manufacturer shall be paid by the liquor manufacturer.

9 New Section; Tenant Liquor Manufacturer License; Tenant Option. Amend RSA 178 by inserting after section 6 the following new section:

178:6-a Tenant Liquor Manufacturer License; Tenant Option.

I. A holder of tenant liquor manufacturer license may manufacture and/ or package liquor on the premises of a host manufacturer, and shall be consistent with all terms and conditions contained in Title XIII for their license type.

II. A holder of a tenant manufacturer license may transport in bulk liquor produced on the tenant's premises to a host manufacturer for the purpose of packaging liquor on the host manufacturer's premises.

III. To be eligible for a tenant liquor manufacturer license, the applicant shall have all applicable permits or notices required by the United States Department of the Treasury Alcohol and Tobacco Tax and Trade Bureau allowing the person to use the facilities, equipment, and employees of a host manufacturer.

IV. A tenant liquor manufacturer is subject to the same requirements regarding production of liquor as if the manufacturer conducted its manufacturing on its own premises independently.

V. Each tenant liquor manufacturer shall maintain records and prepare reports for the commission which shall indicate the sales made under this section and shall pay to the commission monthly a fee equal to 8 percent of such sales or 8 percent of the retail value of such samples on or before the fifteenth day of the month following the sale or the sample distribution.

VI. The annual fee for each license issued under this section shall be \$240.

VII. The commission may require a tenant liquor manufacturer to maintain a record or log indicating which equipment is being used at any time by the tenant liquor manufacturer in the production of alcoholic beverages and which employees are working on production of the tenant liquor manufacturer's product.

10 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill expands tenant brewing to include manufacturers of wine and liquor.

HB 1374-FN, relative to liquor licenses for restaurants. **REFER FOR INTERIM STUDY.**

Rep. Jared Sullivan for Commerce and Consumer Affairs. This bill is not ready to be passed. An interim study would afford the opportunity for additional research to be conducted and for the issues intended to be addressed in this bill to be better understood. Vote 18-0.

HB 1380-FN, relative to brew pub licenses. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill allows a brew pub licensee to also hold an on-premises or off-premises license. The amendment reduces the total amount of barrels from 5,000 to 2,500 to reflect the current amount a brew pub is allowed to produce. Vote 18-0.

Amendment (0872h)

Amend RSA 178:13, XV(b) as inserted by section 1 of the bill by replacing it with the following:

(b) An on-premises or off-premises licensee holding 2 or more brew pub licenses shall not sell more than 2,500 barrels of beer or cider to any New Hampshire licensed retailer.

HB 1395, relative to home heating oil and propane contracts. **REFER FOR INTERIM STUDY.**

Rep. Brian Cole for Commerce and Consumer Affairs. There is an issue with swapping gas tanks that are underground. There have been occasions in the northeast where the frost has lasted over 5 months, and the tank can't be removed to fit the contract timeline. Therefore, the committee recommends that the bill be Referred for Interim Study. Vote 17-0.

HB 1430, relative to electric rates approved by the public utilities commission for residential condominium property. **INEXPEDIENT TO LEGISLATE.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill requires non-commercial condominium associations to have public utility residential electric rates apply. The committee felt this bill violates a long-standing requirement that any communal or shared space in a condominium that the electric meter is being used by everyone in the condominium and therefore must be billed at the communal share rate as a business. Vote 17-0.

HB 1444-FN, relative to local regulation of digital mining. **REFER FOR INTERIM STUDY.**

Rep. Brian Cole for Commerce and Consumer Affairs. With the most expensive electricity in the country, digital mining is not going to happen in New Hampshire. The committee recommends Referral for Interim Study to address possession of digital currency. Vote 18-0.

HB 1491, prohibiting the repricing of heating fuel subsequent to a concluded sale. **INEXPEDIENT TO LEGISLATE.**

Rep. Carry Spier for Commerce and Consumer Affairs. The bill would require that no heating fuel dealer or agent of a dealer shall reprice fuel above a previously quoted price after a concluded sale, meaning a sale agreed to at a quoted price and paid for at that price prior to delivery. The intent of the sponsor was that after confirming an order with credit card for fuel that the purchaser would be allowed to delay the delivery. Since fuel oil varies in price daily, this mandate of fuel deliveries would be inappropriate. Currently if a consumer is trying to lock in a price, they need to sign a pre-buy contract. Vote 17-0.

HB 1498-FN, establishing a state short term rental registry. **INEXPEDIENT TO LEGISLATE.**

Rep. Chris McAleer for Commerce and Consumer Affairs. This bill includes short-term rentals in the licensing and registration requirements for taxes on meals and rooms, which is already required by the Department of Revenue Administration. The bill also requires that this information regarding short-term rentals must be regularly updated and shared with the local municipalities to ensure local law enforcement are able to access property ownership and renter status. This last requirement was extremely problematic, so the committee recommends that this bill be found Inexpedient to Legislate. Vote 17-0.

HB 1507, relative to innovative financial services **REFER FOR INTERIM STUDY.**

Rep. Brian Cole for Commerce and Consumer Affairs. This bill grants the Banking Department authority to allow businesses to trial new products, services, and business models while bypassing laws and rules unsuited for their innovative idea and establishes the financial services regulatory sandbox fund. The committee found that no matter what the length of time of the protective sandbox, no commissioner should be given carte blanche authority to try or test new ideas without oversight from the legislature. Vote 18-0.

HB 1537, relative to credit card notifications. **INEXPEDIENT TO LEGISLATE.**

Rep. Tim McGough for Commerce and Consumer Affairs. This bill would require prior notification before a change in a consumer credit card issuer or servicer such as if one retailer changes a relationship with the issuing bank from Citibank to Chase for example. The committee found, in general, sufficient notice is already provided when this occurs both by postal mail and by electronic notice under current federal and state regulations governing these requirements and therefore this bill is unnecessary and may create an undesired and unique business climate in New Hampshire for creditors doing business here. Vote 18-0.

HB 1538, relative to credit card late fees and interest. **INEXPEDIENT TO LEGISLATE.**

Rep. Tim McGough for Commerce and Consumer Affairs. This bill would have required that the total of interest and other charges in a consumer credit transaction not exceed the consumer's total original balance from the credit card sale or loan. The committee felt this would be improper interference with a business contract and a consumer is adequately able to decide whether or not to enter into such a financial arrangement. Vote 18-0.

HB 1540-FN, relative to the definitions of full course meals and full service restaurant for purposes of alcohol licensing. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jared Sullivan for Commerce and Consumer Affairs. This bill, as amended, cleans up and simplifies confusing language in the current RSA regulating food requirements for obtaining a liquor license. Current language defines food as something that cannot easily be eaten while standing and generally requires tableware. This definition technically excludes pizza and sandwiches from what qualifies as food for the purpose of obtaining a liquor license. This is a simple change that aims to make it easier for new businesses to build sensible menus for their establishments. Vote 18-0.

Amendment (0939h)

Amend the bill by replacing section 1 with the following:

1 Alcoholic Beverages; Definitions of Full Course Meal and Full Service Restaurant. Amend RSA 175:1, XXXII and XXXIII to read as follows:

XXXII. "Full course meal" means a diversified selection of food ~~[which ordinarily cannot be consumed without the use of tableware and which cannot be conveniently consumed while standing or walking].~~

XXXIII. "Full service restaurant" means a room or rooms capable of seating, at **one or more** tables with chairs or at booths, at least 20 guests at one time, ***unless granted an exception from the liquor commission.*** ~~[The dining room and kitchen shall be sufficiently staffed. Meals shall be readily available, promoted and served to the table. The menu shall contain a variety of full course meals and a sandwich menu may be substituted at the noon meal.]~~ ***Meals shall be readily available and served to the table.***

HB 1559-FN, repealing the chapter relative to cash dispensing machines. **OUGHT TO PASS.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill repeals RSA 399-F relative to cash dispensing machines. Another current bill, HB 1241, relative to regulation of money transmitters, contains the regulation of cash dispensing machines so RSA 399-F is no longer needed. Vote 18-0.

HB 1571-FN, relative to requiring insurance coverage for glucose monitoring devices for people with diabetes. **REFER FOR INTERIM STUDY.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill requires insurance coverage and Medicaid coverage for glucose monitoring devices for people with diabetes. The bill needs more work due to the possibility that it could have a major increase in premiums. The committee is having the Insurance Department do an economic impact study, which will report back in time for the committee to make a recommendation this fall. Vote 18-0.

HB 1582-FN, relative to allowing for the consumption of alcohol in artist performance areas. **REFER FOR INTERIM STUDY.**

Rep. John Potucek for Commerce and Consumer Affairs. This bill should be Referred for Interim Study because the matter was taken up in an amendment to HB 1151. Vote 17-0.

HB 1591-FN, relative to fines for prohibited sales of tobacco. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Hunt for Commerce and Consumer Affairs. This bill, as amended, moves fines for tobacco-related violations from statute to administrative rules, adopted by the Liquor Commission. The bill also includes all other tobacco products, e-liquid, and alternative nicotine products, by ensuring that tobacco products, e-liquid, and alternative nicotine products will not be supplied to persons under the age of 21. Vote 18-0.

Amendment (0840h)

Amend the bill by replacing section 10 with the following:

10 Retail Tobacco License. Amend RSA 178:19-a to read as follows:

178:19-a Retail Tobacco License.

I. The commission may issue a retail tobacco license to a person engaged in the business of retail sales and distribution of tobacco products including e-cigarettes and ***alternative nicotine products*** in this state. Each retail outlet shall have a separate license regardless of the fact that one or more outlets may be owned or controlled by a single person.

I-a. The commission may issue a retail tobacco license to any business holding a license to sell alcoholic beverages under RSA 178 for an additional fee of \$6 per licensed location.

II. A retail tobacco license shall be prominently displayed on the premises described in it.

III. The commission, when issuing or renewing a retail tobacco license, shall furnish a sign which shall read or be substantially similar to the following: "State Law prohibits the sale of tobacco products or e-cigarettes to persons under age 21. Warning: violators of these provisions may be subject to a fine."

IV. All sales of tobacco, including e-cigarettes, shall be recorded on cash registers. No additional registers shall be added during the remainder of the year without prior approval of the commission. No rebate shall be allowed for cash registers discontinued during the license year.

V. The fee for a retail tobacco license shall be as determined in RSA 178:29, II(e).

VI. All New Hampshire tobacco licensees shall abide by all federal laws, regulations, and rules governing the sale, packaging, distribution and advertising of tobacco products, e-cigarettes, liquid nicotine, and alternative nicotine products.

VII. The commission may adopt rules under RSA 541-A necessary to effect the purposes of this section.

HB 1624, relative to allowing the distillation of hobby liquors. **OUGHT TO PASS.**

Rep. Keith Ammon for Commerce and Consumer Affairs. This bill will expand the state's allowance for producing beer and wine for personal or family use, including the distillation of liquors from beer or wine. The bill would permit single-person households to distill liquor from up to 100 gallons of beer or wine per calendar

year, while households with two or more persons would be allowed to distill liquor from up to 200 gallons. This practice is currently legal. Only the quantity of liquor able to be distilled from the presently legal quantity of wine or beer lawfully produced shall be distilled under this statute. By allowing residents to engage in the hobby distillation of liquors derived from beer or wine, the state acknowledges the importance of personal freedom and the right to pursue one's interests without excessive government intervention. Vote 18-0.

HB 1635, relative to the definition of short-term rental. **INEXPEDIENT TO LEGISLATE.**

Rep. Chris McAleer for Commerce and Consumer Affairs. This bill applies the definition of "short-term rental" to certain statutes governing housing authorities, taxation of room rentals, and certain rental proceedings. Since some of these are redundant under current law, the committee felt there was no compelling need for this legislation. Vote 17-0.

HB 1694, relative to establishing a committee to study a New Hampshire public bank. **INEXPEDIENT TO LEGISLATE.**

Rep. Anita Burroughs for Commerce and Consumer Affairs. State banking is potentially risky. If a state bank becomes financially distressed or in need of a bail-out, it could negatively and significantly impact the taxpayers. The cost to establish a state bank could be prohibitive, and these could be funds that could be used for infrastructure or other significant needs of the state of New Hampshire. Vote 17-1.

HB 1702-FN, relative to oversight of liquor commission funding and repealing the liquor commission fund. **REFER FOR INTERIM STUDY.**

Rep. John Potucek for Commerce and Consumer Affairs. The sponsor of this bill's intent was to create increased oversight over the New Hampshire Liquor Commission's operation and funding, but this legislation creates more problems than solutions. This bill repeals the Liquor Commission Fund and removes the requirement for the state treasurer to credit all gross revenue from the sale of alcohol to the Liquor Commission Fund and instead directs the revenue to be deposited into the general fund. By repealing the Liquor Commission Fund and depositing all liquor commission revenues into the general fund, this bill would conflict with the Medicaid expansion program's law on the prohibition of using general funds. This would put the future of this critical program, which provides healthcare coverage to more than 50,000 Granite Staters, at risk. This bill also removes the requirement that "5%" of gross profits from alcohol sales be deposited into the Alcohol Abuse Prevention and Treatment Fund ("Alcohol Fund") and instead directs the legislature to set an amount based on an appropriation included in the state operating budget using general funds. This change would disrupt vital and desperately needed funding for substance use disorder prevention, treatment, and recovery programs. Those who testified opposed to this bill said that the burden of the societal harms of alcohol sales in this state should rightfully come from the gross profits of alcohol sales and not the general fund. The Department of Health and Human Services also testified that the funding from the Alcohol Fund provides the state restriction free flexibility with funding certain programs, that may not always be the possible with general funds. By referring this bill for Interim Study, this will allow the sponsors time to find another solution to address their concerns. Vote 18-0.

HB 1046-FN, requiring a boat owner who is not the operator to notify law enforcement and file an accident report in certain circumstances. **OUGHT TO PASS.**

Rep. Jennifer Rhodes for Criminal Justice and Public Safety. This bill amends current law to require owners of boats to file accident reports if they become aware of a boat they own having been in an accident but not reported. The committee heard testimony that with the growing market for boat rentals, renters are increasingly getting in accidents that result in property damage and not reporting it. This bill would require an owner, be it a rental company or otherwise, to file a report with law enforcement if they notice damage to the boat upon its return that would indicate that it was in a reportable accident. Citizens often find damage to their boat or other property, after the accident has occurred and with no reports being filed by boat renters, who may be from out of state, the local owner is on the hook for the damages. Vote 20-0.

HB 1195, relative to allowing school districts to approve different apportionment methods for school administrative unit costs. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Glenn Cordelli for Education. Current law restricts apportionment to only one-half enrollment and one-half equalized property valuation. The amended bill will allow for different methods of apportionment if approved by all the school districts in the School Administrative Unit (SAU). Vote 20-0.

Amendment (1125h)

Amend RSA 194-C:91 as inserted by section 1 of the bill by replacing it with the following:

IV. In addition to the method of apportionment set forth in paragraph I, the school administrative unit board may consider other methods. Any method of apportionment to be used shall have been approved by the constituent school districts pursuant to RSA 194-C:2.

HB 1298-FN, relative to the definition of part-time teachers. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Margaret Drye for Education. This bill, as amended, defines "part-time teachers" and establishes the conditions they must meet in order to be eligible for adjunct authorization in a content area. These conditions

include being employed for less than 20 hours per week, working in a “teacher shortage content area,” and having a degree and occupational experience in their content field of authorization. Part-time teachers must undergo a criminal history records check and are subject to the Code of Ethics and Code of Conduct for New Hampshire Educators. This allows those without a standard educator certificate but with experience and ability to be able to help meet, on a part-time basis, needs due to teacher shortages. Vote 20-0.

Amendment (1127h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Part-time Teachers. Amend RSA 189 by inserting after section 39-b the following new section:

189:39-c Part-time Teachers; Adjunct Authorization.

I. For a part-time teacher to be eligible for adjunct authorization in a content area, the following conditions must be met:

(a) A public school or school district in the state shall employ the individual to work as a teacher on a part-time basis for less than 20 hours per week in a local or statewide teacher shortage content area.

(b) The individual must have earned a bachelor’s degree or higher with a major in, or related to, the field of authorization and must submit passing scores on the content knowledge exam or exams required for the authorization area if one exists.

(c) The individual must submit verification of 5 years of occupational experience in or related to the content field of the authorization for which the individual is applying. If the New Hampshire department of education determines that this requirement is not met, the individual and the employing public school or district may apply to the New Hampshire department of education for a determination as to whether adequate occupational experience is documented to justify the issuance of an adjunct authorization.

II. The local school district shall seek a criminal history record check clearance authorization from the department of education as outlined in RSA 189:13-a prior to receiving a final offer of employment.

III. The adjunct authorization issued under this option shall not lead to a standard educator certificate, but may be renewed as indicated for the content area. An educator who has been issued an adjunct authorization who wishes to pursue a standard educator certificate may do so through completion of an approved traditional educator preparation program or through an approved alternative program.

IV. Any person who has had a teaching credential, teaching license, or other teaching certification revoked under RSA 189:14-c or RSA 189:14-d, or who has been rendered ineligible to be employed as a teacher under another provision of law, shall not be eligible to teach under this section.

V. The state board of education shall adopt rules pursuant to RSA 541-A to implement this section.

2 Rulemaking; Professional Code of Ethics. Amend RSA 21-N:9, II(cc)(2) to read as follows:

(2) The professional code of ethics and the professional code of conduct shall apply to all teachers, *part-time teachers*, specialists, and administrators who are licensed or certified by the department.

3 Effective Date. This act shall take effect July 1, 2025.

HB 1382-FN, relative to special education support for military-connected students. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Rick Ladd for Education. As amended, this bill enables the reimbursement of fees to military parents for due process hearing expenses should a hearing officer find in favor of the parent. Upon transferring to a school from a sending school, New Hampshire public schools are required to honor and implement a military student’s individualized education program (IEP). Should the receiving school recognize that a subsequent IEP meeting is needed, an IEP meeting is held in accordance with the Individuals with Disabilities Education Act (IDEA) and the Interstate Compact on Educational Opportunity for Military Children, RSA 110-D:6, III. The Department of Education supports this bill as amended. Vote 20-0.

Amendment (1129h)

Amend the title of the bill by replacing it with the following:

AN ACT granting witness fee reimbursement to unrepresented parents in the armed forces who prevail in special education hearings.

Amend the bill by deleting sections 1 and 2 and renumbering the original sections 3 and 4 to read as 1 and 2, respectively.

AMENDED ANALYSIS

This bill authorizes witness fee reimbursement for a parent in the armed forces who represents themselves at a special education hearing and prevails.

HB 1450, relative to establishing a commission on higher education consolidation. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Rick Ladd for Education. This bill, as amended, requires the University System of New Hampshire (USNH) and the Community College System of New Hampshire (CCSNH) to further work toward implement-

ing comprehensive education alignment strategies and findings identified in the Governor's Public Higher Education Task Force Report, Executive Order 2023-06. This bill, as amended, further requires the USNH and CCSNH board of trustees to collaboratively work together in implementing report alignment findings and recommendations. The chancellors of both systems shall submit joint quarterly reports addressing education alignment initiatives to the Public Higher Education Study Committee beginning with the quarter ending June 30, 2024. The chancellors shall also submit annual reports identifying progress toward: a) increasing opportunities to raise attainment levels in part to meet workforce needs; b) improving accessibility (student financial savings) and compatibility for New Hampshire students; c) minimizing duplication of academic programs while optimizing access for students; d) creating potential for economies of scale and synergy; e) enhancing regional growth and development; f) streamlining administrative costs and obligations; and g) continuing collaborative work toward easing credit transfer within and between the systems. The existential threats facing institutions of higher education throughout this state and nation are real. The urgency of addressing findings and recommendations contained in the task force report cannot be underestimated. Vote 19-1.

Amendment (0964h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring the university system of New Hampshire and the community college system of New Hampshire to further work toward implementing comprehensive higher education alignment strategies and findings identified in the governor's public higher education task force report.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Public Higher Education Strategic Alignment. Amend RSA 187-A by inserting after section 28-d the following new section:

187-A:28-e Public Higher Education Strategic Alignment.

The university system of New Hampshire and the community college system of New Hampshire shall consider and work collaboratively toward the implementation of strategies identified in the report of the public higher education task force, established by Executive Order 2023-06, as necessary to successfully meet projected demands for New Hampshire higher education.

I. The university system of New Hampshire and the community college system of New Hampshire shall, in accordance with findings identified in the public higher education task force report, develop and implement system-wide higher education alignment strategies to:

- (a) Increase opportunities to raise education attainment levels, in part to meet workforce needs;
- (b) Improve accessibility and compatibility for New Hampshire students;
- (c) Minimize duplication of academic programs as appropriate while optimizing access for students;
- (d) Create potential for economies of scale and synergy;
- (e) Enhance regional growth and development;
- (f) Streamline administrative costs and obligations; and
- (g) Continue collaborative work establishing curricular pathways for the transfer of program and degree credit across institutions in the 2 systems pursuant to RSA 187-A:16-c and RSA 188-F:6-a.

II. The board of trustees of the university system of New Hampshire and the board of trustees of the community college system of New Hampshire are encouraged to collaboratively develop and implement pilot projects to align administrative functions under guidance, monitoring, and legislative oversight of the public higher education study committee established pursuant to RSA 187-A:28-a. The public higher education study shall include technical support from the director of higher education, New Hampshire department of education, who shall serve as a non-voting committee member.

III. The chancellors of the university system of New Hampshire and the community college system of New Hampshire shall submit joint quarterly progress reports, addressing higher education strategic alignment outcomes, to the public higher education study committee beginning with the calendar quarter ending June 30, 2024, or as requested by the committee. Beginning November 1, 2024, and each November 1 thereafter, the chancellors shall submit an annual report regarding implementation of comprehensive higher education alignment strategies and findings to the governor and council, the senate finance and education committees, the house finance and education committees, the board of trustees of the university system of New Hampshire and the community college system of New Hampshire, and the commissioner of the department of education.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill directs the university system of New Hampshire and the community college system of New Hampshire to work collaboratively toward implementation of the comprehensive higher education alignment strategies identified in the report of the public higher education task force, established in Executive Order 2023-06.

HB 1493, relative to the powers and duties of cooperative school district budget committees. **REFER FOR INTERIM STUDY.**

Rep. Katy Peternel for Education. This bill would expand the duties of cooperative school district budget committees. Considering the complexities of changing duties and powers of cooperative school districts, as well as disparity among multiple articles of agreement, the committee determined that this bill should be referred to Interim Study for further discussion and research. Vote 20-0.

HB 1552, relative to the duties and responsibilities of superintendents of school administrative units. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Rick Ladd for Education. During the hearing process, the committee heard that a single school administrative unit (SAU) shall be exempt from meeting the requirements of RSA 194-C (School Administrative Units) provided that the individual providing superintendent services does so in accordance with RSA 194-C:4. A principal possessing a master's degree, but who also has successfully completed courses required to accomplish superintendent services as outlined in RSA 194-C:3 and rules, is qualified to administer the single district SAU. This bill, as amended, also requires the individual assigned to perform superintendent services to receive the annual inspection report detailing any state code compliance issues in each school building from the local fire chief. Vote 20-0.

Amendment (0931h)

Amend the bill by deleting section 4 and renumbering the original section 5 to read as 4.

HB 1579-FN, relative to the merging of school administrative units. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Katy Peternel for Education. This bill, as amended, allows for the incentivizing of school administrative units (SAUs) to merge. New Hampshire has the highest national rate of increased administrative staff despite declining enrollment. Pre-existing SAUs may merge their administrative office with another pre-existing SAU to consolidate administrative costs. There is an appropriation for a one-time merger grant, drawn from the Education Trust Fund, of \$200 per student. The merger must be completed by July 1, 2026, in order to qualify. Vote 20-0.

Amendment (1128h)

Amend the bill by replacing section 2 with the following:

2 New Paragraph; School Administrative Units; Merger. Amend RSA 194-C:2 by inserting after paragraph IV the following new paragraph:

V.(a) Pre-existing school administrative units may merge their administrative office with another pre-existing school administrative unit to consolidate administrative costs. Such mergers shall meet the following condition: the proposed merged school administrative unit shall have only one superintendent, or personnel responsible for superintendent duties pursuant to RSA 194-C:5, II-a.

(b) The planning committee shall study and evaluate mergers in the same manner provided for reorganization under paragraph III.

(c) Any school administrative units who are approved for merger by the planning committee shall be awarded a merger grant of an additional \$200 per pupil in the merged administrative unit annually for a period of 2 years. In order to qualify for a grant under this subparagraph, the merger must be completed by July 1, 2026. The source of funds for grants under this subparagraph shall be moneys from the education trust fund established in RSA 198:39. The governor is authorized to draw a warrant from the education trust fund to satisfy the state's obligation under this subparagraph.

(d) The number of students, as defined for the purpose of the merger grant, shall be measured based on the school district in which the student resides and is educated at the school district's expense as of the October 1st count. The count shall not include charter school students.

(e) All school districts served by the newly merged school administrative unit shall be eligible for the merger grant.

HB 1605-FN, relative to alternative education programs for granting credit leading to graduation. **INEXPEDIENT TO LEGISLATE.**

Rep. Valerie McDonnell for Education. Violations of federal and state anti-discrimination laws are serious offenses which have recourse. Moreover, sufficient evidence was not provided to suggest any for-profit or nonprofit entities offering educational programs in New Hampshire are in violation of such laws. Vote 19-1.

HB 1608-FN, relative to providing an induction program for new teachers. **REFER FOR INTERIM STUDY.**

Rep. Mel Myler for Education. This bill would create a process for school districts to provide an induction program for new teachers to a school district. The Teacher Shortage Committee found that new teachers, either beginning teachers or experienced teachers, to a school district need formal orientation to curriculum, procedures, rules, etc. to provide the proper assimilation to the new work environment. Although the need is recognized, further study is needed. Vote 20-0.

HB 1682-FN, relative to the civics test graduation requirement. **REFER FOR INTERIM STUDY.**

Rep. Katy Peternel for Education. This bill provides authority for schools to use the Department of Education provided civics test to satisfy graduation requirements. It would put the required U.S. Citizenship and Im-

migration Services test under RSA 193-C, which is the statewide assessment. Accommodations for students with an individualized education plan are available since the test would be part of the statewide assessment. Although there was much discussion and a clearer amendment had been brought forth, the committee decided the bill needed more research. Vote 20-0.

HB 1173-FN, relative to the disposition of vicious dogs. **INEXPEDIENT TO LEGISLATE.**

Rep. Barbara Comtois for Environment and Agriculture. Although the committee heard the concerns of the prime sponsor, we felt that the law is clear, and this additional language is not needed. RSA 466:31 and 466:31-a provide that where its behavior presents a threat to public safety, immediate district court or municipal court proceedings may be initiated in lieu of the civil forfeiture. The court can order the dogs to be euthanized if they conclude that the dogs are a threat to the public. We felt having a court hearing, and due process, that facts of the case could be brought forward and that there could be mitigating circumstances heard which may demonstrate that animals may not need to be euthanized but rather removed from the residence, or other actions taken. Vote 20-0.

HB 1221, relative to including solid waste landfills in the definition of development of regional impact. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Nicholas Germana for Environment and Agriculture. As amended, this bill adds proposed solid waste landfills to existing RSA 36:56 as projects of regional impact requiring notice to all communities in the state that lie within the watershed area of the proposed project or, if outside a watershed, lie within 10 miles of the boundaries of the proposed project location. This bill will provide for greater communication with residents in impacted communities and, consequently, offer greater opportunities for public input. The provisions of the bill would not apply to applications for expansion of currently existing solid waste landfills. Vote 20-0.

Amendment (1027h)

Amend the bill by replacing all after the enacting clause with the following:

1 Development of Regional Impact; Definition. Amend RSA 36:55, VI to read as follows:

VI.(a) Shared facilities such as schools and solid waste disposal facilities; **and**

(b) Solid waste disposal facilities includes a solid waste landfill requiring a department of environmental service permit under the department of environmental services administrative rules contained in Env-Sw 800.

2 New Paragraph; Regional Impact. Amend RSA 36:56 by inserting after paragraph II the following new paragraph:

III. All proposed solid waste landfills shall be projects of regional impact and notice shall be made to all communities located within New Hampshire that are:

(a) Located within any watershed (as defined by the 8-digit Hydrologic Units from the National Hydrography Dataset 2011 and as may be from time to time amended) where such landfill may be proposed; and

(b) If outside the watershed, located within 10 miles of the boundaries of such proposed landfill location.

3 Procedure; Regional Planning Commissions. Amend RSA 36:57, II to read as follows:

II. Not more than 5 business days after reaching a decision regarding a development of regional impact, the local land use board having jurisdiction shall, by certified mail, furnish the regional planning commission and the affected municipalities with copies of the minutes of the meeting at which the decision was made. The local land use board shall, at the same time, submit an initial set of plans to the regional planning commission, the cost of which shall be borne by the applicant. **When a solid waste facility as defined in RSA 36:55, VI(b) is found to affect a watershed area outside the boundaries of the state of New Hampshire, notification of a development of regional impact shall be mailed to the secretary of state of that state.**

4 Applicability. Nothing in this act shall be construed to include landfill facilities on any site on which, as of December 1, 2022, a RCRA Subtitle D landfill exists that has been fully permitted. For the purposes of this section, the term "site" shall mean a single parcel or adjacent parcels, owned in its entirety by a landfill operator or its affiliates as of December 1, 2022, including a site where one or more public utility easements traverse the site; perennial water bodies traversing a footprint shall still be monitored in accordance with or exceeding United States Environmental Protection Agency regulations and guidelines.

5 Effective Date. This act shall take effect 60 days after its passage.

HB 1316, relative to co-ownership of dogs. **INEXPEDIENT TO LEGISLATE.**

Rep. Judy Aron for Environment and Agriculture. This bill was proposed to further define co-ownership of dogs in an attempt to solve a problem within a town where a person set up a doggie daycare business claiming it wasn't a daycare business, but that the business owner was "watching" dogs that the person "co-owned" with his clients. This was done in order to get around zoning ordinances which prohibited a doggie daycare business. The committee felt that this bill, as written, attempted to correct a problem that is best left to the local authorities. Had the town followed its own rules and zoning laws and enforced the same, the case in question would not have to be brought before the General Court to resolve what is essentially a local ordinance and

lack of enforcement at the local level. The bill as written would also create an open file for any individual under the right to know statutes to have access, violating the original owner's right to privacy and in direct violation of various state statutes which protect personally identifiable information or "PII." It was noted that co-ownership of dogs essentially happens mostly when there are contracts made between one or more parties with regard to show dogs. The committee felt that changing dog co-ownership laws was unnecessary. Vote 19-0.

HB 1501-FN-L, repealing the requirement to register dogs annually. **INEXPEDIENT TO LEGISLATE.**

Rep. Megan Murray for Environment and Agriculture. The committee as a whole felt that this proposed legislation was not necessary and that it would upend the successful process of dog registration through town clerk offices across New Hampshire. We also felt that this would have unintended consequences on efforts relating to the crucial processes that ensure that our town dog license registration program together with the rabies vaccination program continue to be successful throughout the state. Vote 20-0.

HB 1504-FN, relative to architectural paint recycling. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Megan Murray for Environment and Agriculture. Unanimously, the position of House Environment and Agriculture Committee is that an architectural paint stewardship program is necessary and timely. Given that the State of New Hampshire's waste disposal hierarchy seeks source reduction and reuse, recycling and composting, and energy recovery as preferable options to landfilling, the program established in this bill accomplishes the goal of recycling paint and keeping it out of our landfills. This program is a targeted approach to keep paint, a potentially toxic item, out of our landfills. It allows for the costs of the program to be borne by paint producers, who have been amenable to financially contributing to programs which properly dispose of, and recycle, their unused product. The program also by default reduces tipping fees, as wet paint is often added to dried absorbent materials, like kitty litter, prior to disposal in landfilling currently, which adds weight to the trash that is hauled away to the landfill. This program would support a recapture/recycle, reuse, and repurchase program that would create affordable and diverse options for recaptured/recycled paint. Vote 20-0.

Amendment (1210h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Architectural Paint Recycling Program. Amend RSA 149-M by inserting after section 63 the following new subdivision:

Architectural Paint Recycling Program

149-M:64 Purpose.

I. The general court recognizes that it is unusual for any painting project to use all of the paints purchased for the project, and that current disposal practices for the remaining paints are inefficient and can be costly. The general court further recognizes that the recycling cannot be done efficiently and economically, and in a way that allows a level playing field for producer competition, without the collaboration of all paint producers. The general court thus establishes a paint stewardship program to support and encourage the collection and recycling of latex paint and of oil-based paints and stains that can be exempt from regulation as hazardous waste if properly managed.

II. The goals of the paint stewardship program are:

(a) To reduce the amount of unwanted paint generated and promote the reuse and recycling of such paint.
(b) To establish collection points for post-consumer paints that are convenient and accessible to all areas of the state; to manage post-consumer paint collected at the collection points established under the program using environmentally-sound management practices.

(c) To manage post-consumer paint and paint containers using environmentally-sound management practices in an economically sound manner, while adhering to the waste management hierarchy of source reduction, reuse, recycling, energy recovery, and disposal; and to generate sufficient revenues to cover all costs of the paint stewardship program.

149-M:65 Definitions. In this chapter:

I. "Architectural paint" or "paint" means any interior or exterior architectural coating sold in containers of 5 gallons or less which is either latex-based paint, oil-based paint, or stain that, if properly managed, can be exempt from regulation as hazardous waste under RSA 147-A and has been exempted by rules adopted by the commissioner under RSA 147-A.

II. "Collection point" means a location that is under the direct supervision and control of a retailer, producer, or political subdivision at which there is a suitable container dedicated to collecting and consolidating post-consumer paint.

III. "Consumer" means a purchaser or user of architectural paint.

IV. "Costs of the paint stewardship program" means the actual costs incurred by the stewardship organization to establish and maintain the program plus the actual costs of the department for program oversight and compliance assurance.

V. "Distributor" means a business that has a contractual relationship with one or more producers to market and sell architectural paint to retailers in the state.

VI. "Energy recovery" means recovery in which all or a part of solid waste materials is processed in order to use the heat content or other forms of energy of or from the materials.

VII. "Environmentally-sound management practices" means procedures for the collection, storage, transportation, reuse, recycling, and disposal of post-consumer paint to be implemented to ensure compliance with all applicable federal, state, and local laws, regulations, rules, and ordinances and protection of human health and the environment. Such procedures shall include adequate recordkeeping, tracking, and documentation of the final disposition of collected materials both within the state and beyond, as well as adequate environmental liability coverage for professional services and for the operations of the contractors working on behalf of the stewardship organization.

VIII. "Final disposition" means the point after which no further processing takes place and the paint has been transformed for reuse as a feedstock in producing new products or is disposed of, including for energy recovery, at permitted facilities.

IX. "Paint stewardship assessment" means the amount added to the purchase price of architectural paint sold in the state to cover the costs of the paint stewardship program.

X. "Paint stewardship program" or "program" means a program for management of post-consumer paint to be operated by a stewardship organization.

XI. "Post-consumer paint" means architectural paint that was purchased by or for a consumer that was not used and is no longer wanted by the consumer.

XII. "Producer" means a manufacturer of architectural paint that sells, offers for sale, or distributes such paint in the state under the producer's own name or brand.

XIII. "Recycling rate" means the percentage of the total amount of post-consumer paint collected by a stewardship organization in a calendar year that is recycled within 12 months of being collected.

XIV. "Recycling" means any process by which discarded products, components, and byproducts are transformed into new, usable, or marketable materials in a manner in which the original products may lose their identity but does not include energy recovery or energy generation by means of combusting discarded products, components, and by products with or without other waste products, for purposes of this subdivision.

XV. "Representative organization" means a nonprofit organization created by producers to operate a paint stewardship program that is open to all producers on a nondiscriminatory basis.

XVI. "Retailer" means a person that offers architectural paint for sale directly to consumers in the state, whether from a physical location or through catalogs or electronically via the Internet or similar conduits.

XVII. "Reuse" means the return of a product into the economic stream for use in the same kind of application as originally intended.

XVIII. "Stewardship organization" means a producer or representative organization that has submitted a paint stewardship program plan in accordance with RSA 149-M:66 and has received approval for the plan pursuant to RSA 149-M:67, II.

149-M:66 Proposals to Establish a Paint Stewardship Program.

I. Any producer or representative organization that wishes to become the stewardship organization shall, by January 1, 2025, submit a plan for the establishment of a paint stewardship program to the department for approval, together with a non-refundable application fee as specified in paragraph III and established in rules.

II. A retailer or political subdivision, may participate in being a collection site, but paint manufacturers shall participate in the paint stewardship program and fees associated within the state of New Hampshire to ensure the paint stewardship program remains viable for years to come.

III. The plan required by paragraph I shall include:

(a) A description of the applicant, including whether it is a producer or a representative organization, how it is managed and operated, how it is funded, and whether it is operating or has operated a paint stewardship program or similar product stewardship program in another jurisdiction and, if so, a description of that program.

(b) A description of how the applicant proposes to collect, transport, recycle, and process post-consumer paint covered by the program to meet the goals stated in RSA 149-M:64, II, including the number and location of proposed collection points, which shall be situated so as to ensure that at least 90 percent of state residents have a permanent collection point within a 25-mile radius of their residence.

(c) A description of how containers used to collect and consolidate post-consumer paint will be managed and protected against damage that could result in a spill, leak, or other discharge.

(d) The proposed initial amount of the paint stewardship assessment and the information on which the initial amount was determined, together with a description of the process by which the applicant will review and propose adjustments to the assessment, and the frequency of such review and proposed adjustments. A description of the financial assurance mechanism the applicant proposes to use as required by RSA 149-M:70.

IV. A non-refundable application fee shall be paid by an applicant for review of a paint stewardship plan the application fee structure shall be determined in rulemaking. The applicant shall pay such costs prior to the department issuing a decision under RSA 149-M:67.

149-M:67 Approval of Plan.

I. The department shall review a plan submitted under RSA 149-M:66 as provided in RSA 541-A:29. The department shall publish a notice on its web site that the plan is available for public review at least 30 days prior to making a determination of whether to approve the plan.

II. The department shall approve a plan and send written notification of such approval to the organization that submitted the plan upon determining that:

(a) The organization submitting the plan appears capable of implementing the plan;

(b) The proposed methods of collecting, transporting, and processing post-consumer paint appear adequate to meet the goals stated in RSA 149-M:64, II; and

(c) The funding mechanism proposed in the plan appears adequate to meet the requirements of RSA 149-M:68, I; and the proposed financial assurance mechanism meets applicable requirements.

III. If the department does not approve the plan, the department shall provide written notification to the organization that submitted the plan of the reason for the denial. Such denial shall not preclude the organization from submitting an amended plan.

149-M:68 Paint Stewardship Program Funding.

I. The stewardship organization shall administer the paint stewardship assessment for all architectural paint sold by participating producers in the state. The amount of the assessment shall be set so as to recover the costs of the paint stewardship program without exceeding such costs, based on a good faith estimate of those costs. If the funds generated by the assessment exceed the amount necessary to recover the costs of the program, the excess funds shall be used by the stewardship organization as stated in the approved plan to reduce future paint stewardship assessments and to improve services under the program. The department shall approve such changes in services before they are instituted.

(a) The original assessment shall not be more than: \$3.50 for cans above one gallon and no less than \$0.75 for quantities less than or equal to one pint. Otherwise, these fees, as set forth in the rulemaking process, shall be reviewed annually to ensure the fees continue to meet the cost of the program. However, nothing in this section shall be construed to require the product stewardship organization to implement the paint stewardship program if the amount of the approved assessment does not recover the costs of the paint stewardship program based on a good faith estimate of those costs.

(b) By July 1, 2025 the department shall establish the assessment by rule. Any change in the assessment shall be proposed by the department with the approval of the joint legislative committee on administrative rules and copies of the proposal shall be sent to the chairs of the house and senate ways and means committees at least 2 weeks before the public hearing.

II. All paint manufacturers shall add the paint stewardship assessment to the cost of all architectural paint sold for sale or other distribution in the state. Each producer/manufacturer shall remit the assessments collected to the stewardship organization. Collection of the paint stewardship assessment shall commence no later than July 1, 2025.

III. A retailer or distributor shall include the paint stewardship assessment in the consumer's purchase price of the architectural paint sold by that retailer or distributor. The organization managing the program shall provide sample language to be displayed in the paint department explaining the paint stewardship program.

IV. No additional charge of any type shall be made at the time of post-consumer paint collection by a retailer or distributor.

V. The department shall send an invoice to the stewardship organization in each quarter that accrued costs exceed \$100, with documentation of the costs being invoiced to the organization. The stewardship organization shall pay such costs within 30 days of the date of the invoice. In any quarter that the department's costs do not exceed \$100, the amounts shall continue to accrue and be invoiced when the total exceeds \$100. All funds received at the department as recovered costs shall be deposited to the hazardous waste cleanup fund established under RSA 147-B:3.

149-M:69 Operation of Paint Stewardship Program.

I. The stewardship organization shall implement the approved plan within 3 months of receiving approval under RSA 149-M:67, II.

II. Upon implementation of the plan, no producer shall sell or offer for sale architectural paint in the state unless the producer participates in the paint stewardship program. The stewardship organization shall notify the department within 30 days of which producers are participating in that organization's paint stewardship program.

III.(a) The stewardship organization shall provide consumers and retailers with educational materials regarding the paint stewardship assessment and paint stewardship program. Such materials shall include information regarding available end-of-life management options for architectural paint offered through the paint stewardship program; promote waste prevention, reuse and recycling; and notify consumers that the assessment to fund the paint stewardship program is included in the purchase price of architectural paint sold in the state and that state law prohibits consumers from being charged any fee at the point of collection of waste paint.

(b) The materials provided pursuant to subparagraph (a) may include the following:

- (1) Signage that is prominently displayed and easily visible to consumers;
- (2) Printed materials and templates of materials for reproduction by retailers to be provided to the consumer at the time of purchase or delivery;
- (3) Advertising or other promotional materials that include references to the paint stewardship program; and
- (4) A manual for the operator of a collection point to ensure the use of environmentally-sound management practices when handling architectural paints.

IV. The stewardship organization shall notify the department in writing within 30 days of establishing any additional collection points, changing the location of a collection point, or terminating a collection point.

V. If the stewardship organization wishes to change the paint stewardship assessment, the stewardship organization shall submit a request to change the assessment to the department. The organization shall explain in detail the basis for the change and include audited financial reports to support the request. The department shall submit the request to the joint legislative committee on administrative rules by the process provided in RSA 149-M:68, I(b) if it determines that the change is necessary to cover the actual reasonable costs of the program.

VI. The stewardship organization that organizes the collection, transportation, and processing of post-consumer paint, in accordance with the paint stewardship program approved by the department under this subdivision, shall be exempt from RSA 356 with respect to any claims of a violation of antitrust arising from conduct undertaken in accordance with the paint stewardship program.

VII. Paint received at a collection location shall be considered universal waste pursuant to rules adopted by the department of environmental services. Nothing in this section shall otherwise reclassify paint as universal waste elsewhere in statute. This classification applies only to the paint stewardship collection receiving locations under the oversight of the nonprofit organization.

149-M:70 Financial Assurance Required.

I. Upon receiving approval of a proposed paint stewardship program, the stewardship organization shall take such steps as are necessary to ensure that financial assurance is in place. No post-consumer paint shall be collected until financial assurance is in place.

II. Financial assurance shall be in the form of a bond, letter of credit, or some other financial mechanism, with or without a trust or standby trust, provided that whatever mechanism is used shall:

(a) Be in an amount sufficient to remove all collected post-consumer paint if the stewardship organization terminates the program unexpectedly or fails to provide collection services that are consistent with the approved plan.

(b) Insure to the benefit of, and be payable to, the state of New Hampshire, department of environmental services, upon presentation of appropriate documentation; and require at least 120 days prior notice to the department prior to termination.

149-M:71 Annual Report Required.

I. The stewardship organization shall submit a report to the department annually, with the first report due 90 days after completion of the first year of program implementation, and in no case later than 18 months from the date the plan was approved pursuant to RSA 149-M:67, II. Thereafter, annual reports shall be submitted within 90 days after the end of each operating year. Such reports shall include:

(a) A description of the methods used to collect, transport, reduce, reuse, and process post-consumer paint in the state, including the location of each collection point;

(b) The volume and type of post-consumer paint collected in the state by method of disposition, including reuse, recycling, and other methods of processing; and whether the recycling rate has increased, decreased, or remained the same;

(c) The total costs of the paint stewardship program, as determined by an independent financial audit which may be funded from the paint stewardship assessment, that includes a breakdown of administration, collection, transportation, disposition, and communication costs; a summary of all outreach and educational activities undertaken and samples of educational materials provided to consumers of architectural paint;

(d) The total volume of post-consumer paint collected by the paint stewardship program and a breakdown of the volume collected at each collection site;

(e) Based on the paint stewardship assessment collected by the paint stewardship program, an estimate of the total volume of architectural paint sold in the state during the preceding year;

(f) An evaluation of the effectiveness of the paint stewardship program compared to prior years and anticipated steps the stewardship organization plans to take to improve performance throughout the state, if needed; and

(g) A report on how the stewardship organization has ensured environmental compliance at all collection points within the program.

II. Reports submitted to the department under this section shall be posted on the department's website, except that proprietary information submitted to the department in a plan, in an amendment to a plan,

or pursuant to reporting requirements of this section that is identified by the submitter as proprietary information shall be subject to the exception for confidential information in RSA 91-A. As used in this paragraph, "proprietary information" means information that is a trade secret or production, commercial, or financial information, the disclosure of which would impair the competitive position of the submitter and would make available information not otherwise publicly available. Such an exclusion shall not be used to conceal information necessary to the understanding of the finances of the program or in opposition to any rules adopted by the department of environmental services or regulations enacted by the Environmental Protection Agency.

III. The department shall append to each annual report submitted under this section its own accounting of its activities and finances relative to this chapter, and shall provide the combined report to the chairs of the house and senate environmental and ways and means committees.

149-M:72 Retailers.

I. Beginning July 1, 2025 or 3 months after a plan is approved by the commissioner under RSA 149-M:67, whichever occurs later, no retailer shall sell architectural paint unless, on the date the retailer ordered the architectural paint from the producer or the producer's agent, the producer or the paint brand is listed by the department as provided under RSA 149-M:73 as implementing or participating in an approved paint stewardship program.

II. Any retailer may serve as a paint collection point under the paint stewardship program provided the retailer complies with all applicable requirements of the paint stewardship program, including using environmentally-sound management practices.

149-M:73 List of Producers and Brands. The department shall maintain a list of producers participating and the brands included in the paint stewardship program. Such list shall be made available to the public on the department's web site and by other means as the department deems appropriate.

149-M:74 Liability for Discharges.

I. Any person who causes or suffers a spill, leak, or other discharge of materials collected under this program shall be liable for all costs of containment and removal of the discharged paint and, if the spill, leak, or discharge was onto or into any land surface, sewer or storm water collection network, surface water, or wetland, or in any area where the paint could reach surface water or groundwater, also shall be liable for the costs of cleanup and restoration of the site and surrounding environment.

II. Any person who causes or suffers a spill, leak, or other discharge of materials collected under this program due to gross negligence or reckless disregard, or by intention, shall be subject to the applicable penalty provisions of RSA 149-M and RSA 147-A.

III. Any person who agrees to operate a collection point and who responsibly implements environmentally-sound management practices in good faith shall not be subject to penalties for the acceptance or storage of, or for any spill, leak, or discharge of collected paint, or other materials that are inadvertently accepted pursuant to the program, and which occurs despite the implementation of such practices.

149-M:75 Rulemaking. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

I. The content and structure of applications under RSA 149-M:66, including information and other materials to be submitted by an applicant.

II. The amount of the assessments for the stewardship organization.

III. The types of financial assurance that may be used to comply with RSA 149-M:70.

IV. The content and structure of annual reports under RSA 149-M:71, including information and other materials to be submitted by the stewardship organization.

V. Procedures for filing and review of requests to change the paint stewardship assessment.

VI. Environmentally-sound management practices at collection points.

VII. Definitions of terms not defined in this chapter.

VIII. Standards for granting any waivers from RSA 149-M:64-74.

2 Effective Date. This act shall take effect July 1, 2024.

AMENDED ANALYSIS

I. Establishes a paint stewardship program wherein a nonprofit organization approved by the department of environmental services organizes a program for the reception of discarded architectural paint.

II. Establishes an assessment to fund the paint stewardship program.

III. Requires the department of environmental services to propose changes to the assessment for approval by the joint legislative committee on administrative rules.

HB 1556-FN, relative to exemptions from the rabies vaccine. INEXPEDIENT TO LEGISLATE.

Rep. Catherine Sofikitis for Environment and Agriculture. The committee felt that rabies is well controlled with the current protocol in place in statute. We feel that muzzling exemption requests should be petitioned at the municipal level as is allowed by law. Vote 20-0.

HB 1574-FN, removing regulations on the direct sale of raw milk to consumers. **INEXPEDIENT TO LEGISLATE.**

Rep. Sherry Dutzy for Environment and Agriculture. In 2021, the Environment and Agriculture Committee passed HB 95-FN relative to milk pasteurization and Governor Sununu signed it into law in 2022. This bill was carefully crafted with the help of a committee member with over 20 years of experience in the dairy industry. This law allows for the sale of less than 20 gallons of raw milk per day. The committee believes that an incremental approach to the sale of raw milk is best for New Hampshire and that more time is needed to analyze the results of this law before eliminating the current limit which is what HB 1574-FN is requesting. Vote 20-0.

HB 1575, prohibiting the state of New Hampshire from enforcing any federal agricultural checkoff program. **INEXPEDIENT TO LEGISLATE.**

Rep. Lisa Smart for Environment and Agriculture. The prime sponsor did not introduce the bill to the committee or come to explain the reasons behind submitting this bill. The committee felt that the bill was not clear as written. Committee members learned that the check off programs are programs in which farmers pay a small percentage of their product, such as milk or beef sales, to various programs which market their products. Commissioner Shawn Jasper, from the Department of Agriculture, Markets and Food, testified that New Hampshire currently has no check off programs at the state level and that we have no ability to control check off programs from the federal level. So, the bill would not work even if it was adopted. All parties that came to testify were in opposition to the bill, and they included the New Hampshire Farm Bureau, the New Hampshire Dairy Association, and dairy farmers. Vote 11-0.

HB 1632-FN, relative to out-of-state solid waste. **OUGHT TO PASS.**

Rep. Nicholas Germana for Environment and Agriculture. This bill places a 15 percent cap on the amount of out-of-state solid waste that future solid waste facilities in New Hampshire can receive. The cap does not apply to currently permitted solid waste facilities or potential future expansions of those facilities. This bill was a result of the study committee on out-of-state waste (SB 159). The study committee heard testimony from the attorney general's office that some exceptions to the limitations placed on the state by the interstate commerce clause can be made by demonstrating an appropriate balance of public benefits and burdens. This legislation asserts the need for such a balance with regard to solid waste facilities. Vote 20-0.

HB 1698-FN, relative to the use of drones for the aerial application of pesticides. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Judy Aron for Environment and Agriculture. This bill allows for the spraying of pesticides by certified individuals using unmanned aircraft, also known as drones. This will be more efficient and economical for our farmers as targeted spraying will reduce the amount of pesticide needed. This type of pesticide application will also be more environmentally friendly. With a 20-foot height for spraying, this eliminates drift and the rotors of a drone also direct pesticides downwards as opposed to ground spraying by trucks which spray upwards. This new technology will be greatly welcomed by our agriculture community. Vote 20-0.

Amendment (1147h)

Amend RSA 430:34-a, IV as inserted by section 1 of the bill by replacing it with the following:

IV. This section shall not apply to the aerial application of pesticides by a person possessing a valid certificate of registration or permit pursuant to RSA 430:33 while applying pesticides for agricultural purposes using unmanned aircraft as defined in RSA 422:3, XXX at a height not exceeding 20 feet above ground level.

HB 1703-FN, relative to the sale of kangaroo and caribou meat. **INEXPEDIENT TO LEGISLATE.**

Rep. Jim Creighton for Environment and Agriculture. There was no one who wanted to establish a kangaroo or caribou farm that came to testify in our committee. The driving argument supporting the Inexpedient to Legislate recommendation was made by the Department of Fish and Game who testified that passing this bill would dramatically increase the risk and threat of chronic wasting disease in New Hampshire. The risks associated with passing this bill far outweigh the benefits. The Commissioner of the Department of Agriculture also testified that passing this bill would create many conflicts in our current agriculture statutes since kangaroo and caribou are not listed as livestock and none of these wild animals are in the list of "farmed animals." There are also no current slaughter facilities for these types of animals in New Hampshire. Vote 20-0.

HB 1075, relative to abolishing daylight saving time. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Sherry Gould for Executive Departments and Administration. This bill provides that New Hampshire shall exempt itself from daylight saving time when authorized to do so by the United States Congress. The committee has heard similar bills for years, people do not want to continue with the time changes. We heard testimony from many sectors that it was important to stay connected to the time standards in the surrounding states due to interdependence of work and family life across state boundaries. We learned there is a national

movement of states that have enacted laws allowing a uniform transition once the US Congress authorizes a change. The committee amendment to this bill is modeled after the bill that neighboring Maine has already passed and is in line with the bills passed in eleven other states nation wide. By passing this law the states are letting Congress know the will of the citizens across the nation. Vote 19-0.

Amendment (0572h)

Amend the bill by replacing all after the enacting clause with the following:

1 Standard Time. Amend RSA 21:36 to read as follows:

21:36 Standard Time. The standard time within the state~~[, except as hereinafter provided, shall be based on the mean astronomical time of the seventy-fifth degree of longitude west from Greenwich, known and designated by the federal statute as "Eastern Standard Time." At 2 o'clock ante-meridian of the second Sunday in March of each year, the standard time in this state shall be advanced one hour, at 2 o'clock ante-meridian of the first Sunday in November of each year, the standard time in this state shall, by the retarding of one hour, be made to coincide with the astronomical time hereinbefore described as Eastern Standard Time, so that between the second Sunday in March at 2 o'clock ante-meridian and the first Sunday in November at 2 o'clock ante-meridian in each year the standard time in this state shall be one hour in advance of the United States Standard Time.]~~ ***is the time as determined by 15 U.S.C. sections 260-267, except that the state observes year-round the provisions of 15 U.S.C. section 260a, providing for the advancement of time commonly known as eastern daylight saving time.*** In all laws, statutes, orders, decrees, rules, and regulations relating to the time of performance by any officer or department of this state, or of any county, city, town, or district thereof, or relating to the time in which any rights accrue or determine, or within which any act shall or shall not be performed by any person subject to the jurisdiction of this state, or of any county, city, town, or district thereof, and in all contracts or choses in action made or to be performed in this state, it shall be understood and intended that the time shall be as set forth in this section.

2 Contingency. Section 1 of this act shall take effect on the first date of January in the first year following or coinciding with the effective date of the United States Congress' amendment to 15 U.S.C. section 260a authorizing states to observe eastern daylight saving time year-round.

3 Effective Date.

I. Section 1 of this act shall take effect as provided in section 2 of this act.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that New Hampshire shall exempt itself from daylight saving time when authorized to do so by the United States Congress.

HB 1079, relative to critical incident stress management team members. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Matthew Simon for Executive Departments and Administration. Critical incident stress management team members are people trained to provide peer-to-peer critical incident stress management and crisis intervention services, as a member of an organized and registered team. In its original form, this bill simply adds emergency room employees as a group that qualifies for these teams. As amended, the bill allows retired emergency response and public safety workers to participate in the program, adds the Commissioner of the Department of Corrections, the superintendent of county corrections, and the chief of emergency medical services as people who can designate team members, requires critical incident teams to register with the commissioner of safety, provides confidentiality protections for people receiving services, and better defines criteria that would disqualify communications shared during support sessions from remaining confidential. Vote 20-0.

Amendment (1096h)

Amend the bill by replacing all after the enacting clause with the following:

1 Critical Incident Intervention and Management; Definitions. RSA 153-A:17-a, I is repealed and reenacted to read as follows:

I. In this section:

(a) "Critical incident" means an event or events that result in acute or cumulative psychological stress or trauma to an emergency response/public safety worker because of their exposure to the event or events.

(b) "Critical incident stress" means a strong emotional, behavioral, cognitive, or physical reaction that has the potential to interfere with an emergency response/public safety worker's ability to function and that results from the response to a critical incident or long-term occupational exposure to a series of critical incident responses over a period of time that are believed to be causing debilitating stress that is affecting an emergency response/public safety worker and their work performance or personal experiences. This may include, but is not limited to, physical and emotional illness, failure of usual coping mechanisms, loss of interest in the job, personality changes, or loss of ability to function.

(c) "Critical incident stress management" means a process of crisis intervention designed to assist emergency response/public safety workers in coping with the psychological trauma resulting from response to a critical incident or personal experiences.

(d) "Critical incident stress management and crisis intervention services" means consultation, peer support, debriefing, defusing, intervention services, management, prevention, and referral provided by a critical incident stress management team member and/or management team.

(e) "Critical incident stress management team" or "team" means the group of one or more trained volunteers, including members of peer support groups organized by a unit of state, local, or county government, or members of a union of emergency response/public safety workers, as defined in subparagraph (g), who offer critical incident stress management and crisis intervention services following a critical incident or long term or continued, debilitating stress being experienced by emergency response/public safety workers, including retired emergency response/public safety workers, and affecting them or their families.

(f) "Critical incident stress management team member" means an emergency response/public safety worker, including any retired emergency response/public safety workers, specially trained to provide critical incident stress management and crisis intervention services as a member of an organized and registered team.

(g) "Emergency response/public safety worker" means any law enforcement officer certified under RSA 106-L, certified county corrections officer, sheriff or deputy sheriff, state police officer, civilian law enforcement employee, civilian county corrections employee, any call, volunteer, or regular firefighter, civilian fire department employee, rescue or ambulance worker, including ambulance service, emergency medical personnel, first responder service, and volunteer personnel, hospital emergency department personnel, telecommunicators, and local dispatchers.

(h) "Hospital emergency department personnel" means staff rendering care, rescue, support, and lifesaving services while working for and/or in the hospital emergency department.

(i) "Local dispatcher" means a person who determines the location, status, and assistance required by callers and walk-in customers for public safety services and dispatches the appropriate police, fire, ambulance, or other units to provide needed emergency services at the state, city, town, or private emergency services level.

(j) "Telecommunicator" means an employee of the department of safety, division of emergency services and communications who is responsible for receiving at the public safety answering point telephone calls made to E911 and transferring or relaying such calls to public or private safety agencies.

2 Critical Incident Intervention and Management. Amend RSA 153-A:17-a, II and III to read as follows:

II.(a) Team members shall undergo and sustain certification standards set forth in guidelines established by the International Critical Incident Stress Foundation (ICISF) approved by the commissioner of the department of safety, or a similar organization for which the commissioner shall not unreasonably withhold approval. The team shall be registered with ICISF, or a similar organization **and the commissioner of safety**, and maintain training standards to date as required.

(b) All critical incident stress management team members, sworn, [or] civilian, **or retired**, shall be designated by the police chief, sheriff, director of the division of state police, fire chief, **commissioner of the department of corrections, superintendent of county corrections, chief of emergency medical services**, [or] director of the division of emergency services and communications, or head of a union of emergency response/public safety workers as defined by RSA 281-A:2, V-c.

III.(a) Any information divulged to the team or a team member during the provision of critical incident stress management and crisis intervention services shall be kept confidential and shall not be disclosed to a third party or in a criminal, civil, or administrative proceeding. Records kept by critical incident stress management team members are not subject to subpoena, discovery, or introduction into evidence in a criminal, civil, or administrative action. Except as provided in subparagraph (c), no person, whether critical incident stress management team member or team leader providing [or receiving] critical incident stress management and crisis intervention services, **nor any person receiving any critical incident stress management and crisis intervention services**, shall be required to testify or divulge any information **disclosed or** obtained solely through such crisis intervention.

(b) The purpose of this section is to provide a consistent framework for the operation of critical incident stress management teams and their members. In any civil action against any individual, agency, or government entity, including the state of New Hampshire, arising out of the conduct of a member of such team, this section is not intended and shall not be admissible to establish negligence in any instance where requirements herein are higher than the standard of care that would otherwise have been applicable in such action under state law.

(c) A communication shall not be deemed confidential pursuant to this section if:

(1) ~~The communication indicates the existence of a danger to the individual who receives critical incident stress management and crisis intervention services or to any other person or persons.~~

(2) ~~The communication indicates the existence of past child abuse or neglect of the individual, abuse of an adult as defined by law, or family violence as defined by law.~~

~~(3) The communication indicates the existence of past or present acts constituting an intentional tort or crime, provided the applicable statute of limitation has not expired on the act indicated.]~~

(1)(A) The communication is an explicit threat of suicide by an individual in which the individual shares:

(i) An intent to die by suicide; and

(ii) A plan for a suicide attempt or the means by which the individual plans to carry out a suicide attempt.

(B) A communication that contains the disclosure of suicidal thoughts, but not the information described in both subparagraphs (A)(i) and (ii) shall be deemed confidential.

(2) The communication is an explicit threat of imminent serious physical bodily harm or death to another individual or individuals.

(3) The communication indicates the abuse or neglect of:

(A) A child; or

(B) An elderly or vulnerable adult as defined in RSA 161-F:43.

(4) The communication contains information otherwise required by law to be disclosed.

(5) The communication indicates the existence of past or present acts constituting an intentional commission of a crime, provided the applicable statute of limitation has not expired on the act indicated.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill revises membership of critical incident stress management teams and terminology regarding critical incident intervention and management.

HB 1095, relative to the official pronunciation of “New Hampshire” and “Concord.” **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jaci Grote for Executive Departments and Administration. This bill, as amended, puts into statute the policy changes that were made last year with respect to the administrative functions of the Office of Professional Licensure and Certification. These changes include the issuance of licenses, the setting of fees for licenses and applications, record keeping and the investigation of complaints. Previously, these functions were completed by the various boards and found to be cumbersome. This bill completes the streamlining of these administrative functions. The boards continue to maintain rule making authority, approving licensing credentials, continuing education programs and adjudicates, as necessary, investigations carried on by the office. Vote 20-0.

Amendment (1212h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the administration of occupational boards by the office of professional licensure and certification.

Amend the bill by replacing all after the enacting clause with the following:

1 Alcohol and Other Drug Use Professionals; Definitions. Amend RSA 330-C:2, IV to read as follows:

IV. “Certified recovery support worker,” or CRSW, means an individual certified by the [board] **office of professional licensure and certification** to provide recovery support to persons with substance use disorders, who meets the qualifications in this chapter.

2 Alcohol and Other Drug Use Professionals; Definitions. Amend RSA 330-C:2, XIII-XV to read as follows:

XIII. “Licensed alcohol and drug counselor,” or LADC, means an individual licensed by the [board] **office of professional licensure and certification** to practice substance use counseling who meets the qualifications set forth in this chapter.

XIV. “Licensed clinical supervisor,” or LCS, means an individual licensed by the [board] **office of professional licensure and certification** to practice and supervise substance use counseling, who meets the qualifications set forth in this chapter.

XV. “Master licensed alcohol and drug counselor,” or MLADC, means an individual licensed by the [board] **office of professional licensure and certification** to practice substance use, mental health, and co-occurring disorder counseling who meets the qualifications set forth in this chapter.

3 Alcohol and Other Drug Use Professionals; Advisory Committees. Amend RSA 330-C:6, II to read as follows:

II. The advisory committees may be assigned the following duties:

~~[(a) Application advisory committee, if established, shall review applications for licensure, reinstatement, and certification and] make recommendations to the board concerning such applications;~~

~~[(b)] (a) Testing and examination advisory committee, if established, shall [carry out the testing requirements of this chapter and] review and evaluate the appropriate standards to be used for selecting examinations;~~

~~[(e)]~~ **(b)** Continuing education and collaboration advisory committee, if established, shall advise the board on continuing education requirements ~~[and procedures to be adopted]~~ for ~~[documenting]~~ peer collaboration ~~[hours]~~ **requirements**.

4 Alcohol and Other Drug Use Professionals; Rulemaking Authority. RSA 330-C:9 is repealed and reenacted to read as follows:

330-C:9 Rulemaking Authority. The board shall adopt rules, in accordance with RSA 541-A, relative to the following:

I. Eligibility requirements for the issuance of all initial and renewal licenses issued by the office including without limitation:

(a) The eligibility requirements for the issuance of such licenses to applicants holding a current license issued by the board of nursing or the board of medicine; and

(b) The eligibility requirements for the issuance of a MLADC license under RSA 330-C:16.

II. Eligibility requirements for the reinstatement of licenses after lapse and after disciplinary action.

III. Eligibility requirements, training requirements, and other criteria for the issuance of certification, renewal of certification, and reinstatement of certification for certified recovery support workers and certified recovery support worker supervisors.

IV. The criteria for approval of education programs for the continuing education requirements of this chapter and providers of such programs, and the criteria for approval of providers engaged in clinical supervision.

V. The criteria for approval of individuals engaged in clinical supervision.

VI. The requirements for clinical supervision and the documentation of clinical supervision hours.

VII. Ethical standards for the practice of substance use counseling and co-occurring disorder counseling and clinical supervision that are generally in keeping with standards established by NAADAC: The Association for Addiction Professionals, or its successor organization.

VIII. Continuing education requirements for license renewal and continuing education requirements for renewal of certification.

IX. The determination of disciplinary sanctions authorized by this chapter, including the assessment of administrative fines.

X. The criteria for required examinations.

XI. The requirements for peer collaboration and the documentation of peer collaboration hours, and the requirements for participation as a peer collaborator.

XII. Standards for the waiver of a felony conviction under RSA 330-C:27, III(f), and for determinations of whether an applicant has made sufficient restitution or been rehabilitated under RSA 330-C:15, I(e).

XIII. If rules on the topic are determined by the board to be necessary, determinations of equivalent academic fields for initial MLADC licensure or initial LADC licensure.

5 Licensed Alcohol and Other Drug Use Professionals; Completion of Survey; Rulemaking. Amend RSA 330-C:9-a to read as follows:

330-C:9-a Completion of Survey; Rulemaking. The board shall adopt rules, pursuant to RSA 541-A, requiring, as part of the **criteria for** license renewal ~~[process]~~, completion by licensees of a survey or opt-out form provided by the office of rural health, department of health and human services, for the purpose of collecting data regarding the New Hampshire primary care workforce, pursuant to the commission established in RSA 126-T. Any rules adopted under this section shall provide the licensee with written notice of his or her opportunity to opt-out from participation in the survey.

6 Alcohol and Other Drug Use Professionals; Telemedicine. Amend RSA 330-C:14-a to read as follows:

330-C:14-a Telemedicine. Persons licensed ~~[by the board]~~ **under this chapter** shall be permitted to provide services through the use of ~~[telemedicine]~~ **"telemedicine," as defined in RSA 310:7.** ~~["Telemedicine" means the use of audio, video, or other electronic media for the purpose of diagnosis, consultation, or treatment.]~~

7 Alcohol and Other Drug Use Professionals; Licensure and Certification; Applicants. Amend RSA 330-C:15, I(e) through II to read as follows:

(e) Have committed none of the following, unless the ~~[board]~~ **office of professional licensure and certification** finds, **using criteria established by the board**, that the applicant has made sufficient restitution or been rehabilitated:

(1) Fraud or deceit in procuring or attempting to procure a license, certification, or other authorization to practice substance use counseling or treatment in this or another state or territory of the United States;

(2) Sexual relations with, solicitation of sexual relations with, or sexual abuse of, a client or past client;

(3) Failure to remain free from the use of a controlled substance or alcohol to the extent that use impairs the ability to conduct with safety to the public the practices authorized by this chapter;

(4) Conviction of a felony not waived by the board;

(5) An act or omission causing another state or territory of the United States to revoke or suspend a license, certification, or other authorization to practice substance use counseling or treatment or to discipline the person authorized to practice by placing him or her on probation;

(6) Failure to maintain confidentiality as described in RSA 330-C:26; and

(7) False or misleading advertising;

(f) Have no mental disability that affects professional ability or judgment to the extent that it impairs the ability to conduct with safety to the public the practices authorized by this chapter, unless the board finds that measures have been taken to control the effects of the disability;

(g) Meet education requirements for new applicants and continuing education requirements for renewals and reinstatements, as established by the board; and

(h) Meet other criteria as established by the board.

II. The [board] **office of professional licensure and certification** shall make no final decision concerning the qualifications of a new or reinstatement applicant until it has received the results of all required examinations, criminal history record checks, and all third-party certifications required to be submitted with the application, and the time periods specified by RSA 541-A:29 shall be calculated from the date the last of the required documents is received by the [board] **office**.

8 Master Licensed Alcohol and Drug Counselor; Initial License. Amend RSA 330-C:16, I(b)-III to read as follows:

(b) Have graduated with a master's degree of less than 60 hours in a discipline described in subparagraph (a) and has completed the necessary additional hours of master's level course work as determined by the board pursuant to RSA 330-C:9, [H(d)] **I(b)**.

II. Pass testing procedures of a nationally recognized credentialing entity specified by the board. Such procedures shall be based on the core functions and practice dimensions of substance use and co-occurring disorders counseling.

III. Complete 3,000 hours of clinically supervised post-master's degree work experience in the treatment of substance use, **mental health**, and co-occurring disorders. Up to 1,500 hours of clinically supervised work experience accumulated by the applicant during his or her practice as an LADC may be counted toward the required 3,000 hours. A current license issued ~~[by the board of mental health practice under]~~ **pursuant to** RSA 330-A may be substituted for up to 1,500 hours of the required 3,000 hours of clinically supervised work experience. ~~[Where substitution of the full 1,500 hours is denied by the board, the applicant shall be provided the rationale for the board's denial. The board shall not deny the substitution of hours solely based on the applicant's clinical supervisor holding a license issued by the board of mental health practice.]~~

9 Alcohol and Other Drug Use Professionals; Certified Recovery Support Worker; Initial Certification. Amend RSA 330-C:19, I to read as follows:

I. Submit a completed application and fees established by the [board] **office of professional licensure and certification**;

10 Alcohol and Other Drug Use Professionals; Criminal Record Checks. Amend RSA 330-C:20 to read as follows:

330-C:20 Criminal Record Checks.

I. Every applicant for initial licensure or certification or reinstatement shall submit to the [board] **office of professional licensure and certification** a criminal history record release form, as provided by the New Hampshire division of state police, which authorizes the release of his or her criminal history record, if any, to the [board] **office**.

II. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the department of safety. If the first set of fingerprints is invalid due to insufficient pattern, a second set of fingerprints shall be necessary in order to complete the criminal history records check. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the [board] **office** may, in lieu of the criminal history record check, accept police clearances from every city, town, or county where the person has lived during the past 5 years.

III. The [board] **office** shall submit the criminal history record release form and fingerprint form to the division of state police which shall conduct a criminal history record check through its records and through the Federal Bureau of Investigation. Upon completion of the record check, the division of state police shall release copies of the criminal history record to the [board] **office**.

IV. The [board] **office** shall review the criminal history record information prior to making a decision and shall maintain the confidentiality of all criminal history records received pursuant to this section.

V. The applicant shall bear the cost of a criminal history record check.

11 Alcohol and Other Drug Use Professionals; Continuing Education. Amend RSA 330-C:24, I to read as follows:

I. As a prerequisite to renewal of licensure or certification, a licensee or certificate holder shall present satisfactory evidence ~~[to the board]~~ of having met the continuing education requirements of this chapter.

12 Repeals; Alcohol and Other Drug Use Professionals. The following are repealed:

I. RSA 330-C:5, I and X, relative to the powers and duties of the board of licensing for alcohol and other drug use professionals.

II. RSA 330-C:6, III, relative to advisory committees of the board of licensing for alcohol and other drug use professionals.

III. RSA 330-C:8, relative to fees and charges.

IV. RSA 330-C:16, V, relative to issuance of a MLADC license.

V. RSA 330-C:21, relative to applicants from other states.

VI. RSA 330-C:22, relative to renewals.

VII. RSA 330-C:23, relative to reinstatement.

13 Athletic Trainers; Eligibility for Initial Licensure. Amend RSA 326-G:4, I to read as follows:

I. Demonstrate sufficient evidence of good professional character and reliability to satisfy the **office of professional licensure and certification, using criteria established by the** board, that the applicant shall faithfully and conscientiously avoid professional misconduct and adhere to this chapter, RSA 328-F, and the board's rules.

14 Barbering, Cosmetology, and Esthetics; Definitions. Amend the introductory paragraph of RSA 313-A:1, II-a to read as follows:

II-a. "Master barber" means any person licensed by the [board] **office of professional licensure and certification** as a master barber to practice the following:

15 Barbering, Cosmetology, and Esthetics; Definitions. Amend RSA 313-A:1, XI-a to read as follows:

XI-a. "Operator" means a person age 18 or older who has received training through a program approved by the board in the safe operation of tanning devices, operates the tanning device, controls the length of the exposure to UV light, and instructs the consumer in the proper use of the device. ~~[A person age 16 or older who, prior to January 1, 2005, has been certified by a program that was subsequently approved by the board shall be an operator under this paragraph.]~~

16 Barbering, Cosmetology, and Esthetics; Maintenance of Records. Amend RSA 313-A:4 to read as follows:

313-A:4 Maintenance of Records. The [board] **office** shall maintain a record containing the names and addresses of all licensees and of all salons, barbershops and schools licensed pursuant to this chapter in accordance with the retention policy established by the office of professional licensure and certification. The [board] **office of professional licensure and certification** shall issue all notices, license, and registration certificates. The record shall include the date of issuance, renewal, suspension, or revocation of all licenses. This record shall be open to public inspection at all reasonable times.

17 Barbering, Cosmetology, and Esthetics; Duties. RSA 313-A:7 is repealed and reenacted to read as follows:

313-A:7 Duties.

I. The board shall:

(a) Prescribe the duties of its officers;

(b) Keep a record of its proceedings in accordance with the retention policy established by the office of professional licensure and certification; and

II. The board may establish criteria pursuant to RSA 541-A to license a school to operate either:

(a) Dedicated programs within secondary schools, the purpose of which is to teach cosmetology, manicuring, barbering, or esthetics; or

(b) Postsecondary programs conducted for the purpose of teaching cosmetology, manicuring, barbering, or esthetics, including postsecondary programs leading to a certificate in manicuring, barbering, cosmetology, or esthetics.

18 Barbering, Cosmetology, and Esthetics; Rulemaking Authority. RSA 313-A:8 is repealed and reenacted to read as follows:

313-A:8 Rulemaking Authority. The board shall adopt rules, pursuant to RSA 541-A, relative to:

313-A:18 Temporary Permit.

I. Any person eligible to take an examination for a license under this chapter may apply to the [board] **office of professional licensure and certification** for a permit to professionally operate temporarily pending the holding of such examination. The application shall be accompanied by the payment of a fee established by the [board] **office** which shall be credited as the required examination fee.

II. A temporary permit shall authorize its holder to engage temporarily in the practice of the profession for which such permit was issued under the guidance of a licensed practitioner in a registered salon or barbershop. If, upon notice from the [board] **office**, the applicant fails without just cause to take the examination, the permit shall terminate. If the applicant fails to pass the examination, the [board] **office** in its discretion may grant a second temporary permit, under like conditions, which permit in all circumstances shall expire 60 days from its issuance, unless just cause for failure to take the examination shall be shown to the satisfaction of the board.

26 Barbering, Cosmetology, and Esthetics; Expiration and Renewal of Licenses and Certificates. RSA 313-A:20 is repealed and reenacted to read as follows:

313-A:20 Expiration and Renewal of Licenses. All licenses established under this chapter shall expire in accordance with RSA 310:8.

27 Barbering, Cosmetology, and Esthetics; Apprentice Registration and Certificates. Amend RSA 313-A:24, I-IV to read as follows:

I. No person shall enter an apprenticeship or enroll in a school under this chapter unless such person has registered with the [board] **office of professional licensure and certification** as an apprentice and been issued an apprentice certificate. [~~The board shall have sole authority to regulate apprentices and apprenticeship under this chapter.~~] The [board] **office** shall issue an apprentice certificate to any student receiving instruction within a licensed school and/or shop to learn barbering, cosmetology, esthetics, or manicuring.

II. A person applying for an apprentice certificate under this section shall be granted such certificate upon:

(a) Submitting proof sufficient to the board to show that such person is at least 16 years of age;

(b) Paying a fee established by the office of professional licensure and certification; and

(c) Being deemed by the [board] **office** to be of good professional character **based upon criteria established by the board**.

III. No salon or barbershop shall at any one time have more than one apprentice per licensed professional, except as follows:

(a) Each licensed barber may have up to 2 apprentices for barbering.

(b) Each licensed master barber may have up to 2 apprentices for barbering, or one apprentice master barber and one apprentice barber.

IV. Upon completing the number of hours specified in the board's apprentice rules, an apprentice shall be eligible to apply to the [board] **office** for certification.

28 Barbering, Cosmetology, and Esthetics; Compliance with Law. Amend RSA 313-A:27, II to read as follows:

II. The board shall enforce this chapter against a person who adulterates or misbrands a tanning device. The [board] **office of professional licensure and certification** may investigate a person accused of adulterating or misbranding a tanning device.

29 Barbering, Cosmetology, and Esthetics; Registration of Tanning Facility. Amend RSA 313-A:28, II to read as follows:

II. Any person, corporation, partnership, association, or other entity operating or intending to open or operate a tanning facility within this state shall file a registration statement annually with the [board] **office of professional licensure and certification** in accordance with rules adopted under RSA 541-A. Such registration statement shall be required for each facility location, shall be duly signed [and verified], and shall be posted in a prominent location at the tanning facility. Such registration statement shall include, but not be limited to, the name and the business address of the applicant; if an individual, the name under which the business will be conducted; if a partnership, the name and business address of each member thereof; the name under which the business is to be conducted; if a corporation, the name of the corporation and the name and business address of each of the officers of the corporation; and the place, including the complete mailing address and physical address, where the business is to be conducted. Registration statements shall also list the number and type of tanning devices at each tanning facility location.

30 Repeal. The following are repealed:

I. RSA 313-A:14, relative to nonresidents.

II. RSA 313-A:29, relative to registration fees.

III. RSA 313-A:34, relative to unregistered tanning facilities.

31 Body Art; License Required; Fees. Amend RSA 314-A:2, III to read as follows:

III. Licenses shall be issued to any person who:

(a) Makes application on a form prescribed by the executive director;

(b) Makes payment of fees required [under RSA 314-A:6, III];

34 Body Art; License Revocation or Suspension. Amend the introductory paragraph of RSA 314-A:9 to read as follows:

314-A:9 License Revocation or Suspension. After [notice and hearing] **a finding of misconduct** the executive director may [revoke or suspend] **sanction, in accordance with RSA 310:12**, any [license issued] **licensee** under this chapter if the licensee:

35 Repeal. RSA 314-A:10, relative to administrative fines, is repealed.

36 Chiropractic; Rulemaking Authority and Practices. Amend RSA 316-A:3, IV-V to read as follows:

IV. [Procedures] **Board criteria** for oral examinations and interviews, if appropriate. Such rules shall include a listing of permissible areas of inquiry and a statement of the means by which the inquiry shall be recorded. Transcripts or recordings shall be maintained by the board or commission in accordance with the retention policy established by the office of professional licensure and certification.

V. [Procedures] **Board criteria** for practical examinations, if appropriate. Such rules shall provide that at least 2 experienced practitioners shall observe and pass on any practical examination.

37 Chiropractic; Fees; Qualifications. Amend RSA 316-A:11, I to read as follows:

I. Each applicant shall pay to the [secretary-treasurer] **office of professional licensure and certification** a fee, established by the [board] **office**, for which the applicant shall be entitled to an examination and to a reexamination, if necessary, within one year.

38 Chiropractic; Licenses and Certificates. Amend RSA 316-A:14-a to read as follows:

316-A:14-a Licenses and Certificates. Each applicant who qualifies under this chapter and who attains a minimum grade of 70 percent upon the examination given under RSA 316-A:13, I shall receive a license from the [board] **office of professional licensure and certification** as a chiropractor permitted to practice in New Hampshire. Each applicant who qualifies under this chapter shall pay a fee for an initial license and a license renewal. The initial license and license renewals shall be valid for the terms established under [RSA 310] **RSA 310:8**.

39 Chiropractic; Effect. Amend RSA 316-A:15 to read as follows:

316-A:15 Effect. Any chiropractor who has received and holds a certificate or license issued by the board **or office of professional licensure and certification** may practice chiropractic as defined in RSA 316-A:1 but shall not prescribe for, or administer to, any person any medicine or drugs now or hereafter included in materia medica, practice major or minor surgery, obstetrics or any branch of medicine or osteopathy.

40 Chiropractic; National Examination. Amend RSA 316-A:17 to read as follows:

316-A:17 National Examination; Examination Requirements. The board shall require that applicants pass parts 1, 2, and 3 and the written clinical competency examinations of the national examination given by the National Board of Chiropractic Examiners if an applicant was licensed after January 1, 1990, and parts 1, 2, 3, and 4 and the written clinical competency examinations of the national examination given by the National Board of Chiropractic Examiners if the applicant was licensed or applied for a license after January 1, 1996. Applicants having passed the national examinations shall be exempt from taking a written examination and, provided the applicant meets all other qualifications and requirements of this chapter, shall be registered and granted a license by the [state board] **office of professional licensure and certification** upon payment of the required fee and presentation of satisfactory proof that the applicant has passed the parts of such national examination.

41 Chiropractic; Renewal. Amend RSA 316-A:20 to read as follows:

316-A:20 Renewal.

I. The procedure and timeframe for license renewals shall be as described in [RSA 310-A:1-h] **RSA 310:8**.

II. Each applicant for renewal shall submit satisfactory evidence that the applicant has completed at least 20 hours of continuing education approved by or conducted by the International Chiropractors Association, or the American Chiropractic Association, or the **office of professional licensure and responsibility on behalf of the** New Hampshire board of chiropractic examiners, or any state-chartered chiropractic school or college, within one year prior to the date of renewal. In the event of failure to comply with the provisions of this section, the applicant shall appear before the board to show cause why the license should not be suspended.

42 Chiropractic; Inactive List. Amend RSA 316-A:21 to read as follows:

316-A:21 Inactive List. A chiropractor licensed under this chapter and who is a resident of this state, who does not intend to engage in practice as a chiropractor, upon written [request to the board] **notification to the office of professional licensure and certification**, may be listed on an inactive list and shall not be required to renew such license biennially or pay any renewal fee as long as such chiropractor remains inactive. Any chiropractor whose name has been included in the inactive list as provided in this section shall be restored to active status by the [board] **office** upon the filing of a written request with the [board] **office**, accompanied by the required renewal fee, and after satisfactorily passing a competency test [to be administered] **for which criteria have been established in rule** by the board.

43 Repeal. The following are repealed:

I. RSA 316-A:5, relative to fees.

II. RSA 316-A:8, relative to income.

III. RSA 316-A:18, relative to applicants from other states.

IV. RSA 316-A:23-a, relative to investigations, subpoenas, and oaths.

44 Board of Dental Examiners; Duties. RSA 317-A:4, I is repealed and reenacted to read as follows:

I. The board of dental examiners shall establish criteria for the examination, registration, and licensure of applicants to be qualified as provided in this chapter to practice dentistry and dental hygiene.

45 Dentistry and Dental Hygiene; License Required. Amend RSA 317-A:7 to read as follows:

317-A:7 License Required. No person shall begin the practice of dentistry, or dental hygiene, without first obtaining a license for such purpose from the [board] **office of professional licensure and certification**.

46 Dentistry and Dental Hygiene; Telemedicine. Amend RSA 317-A:7-b to read as follows:

317-A:7-b Telemedicine. Persons licensed by the board shall be permitted to provide services through the use of "telemedicine", **as defined in RSA 310:7**. [~~"Telemedicine" means the use of audio, video, or other electronic media for the purpose of diagnosis, consultation, or treatment.~~]

47 Dentistry and Dental Hygiene; Applications. Amend RSA 317-A:8 to read as follows:

317-A:8 Applications.

I. Applications for licensure shall be made to the [board] **office of professional licensure and certification** in writing or online and shall be accompanied by a fee established in rules adopted under RSA 541-A

by the [board] **office** and by satisfactory proof that the applicant is a graduate of a school that is recognized by the Commission on Dental Accreditation (CODA). The applicant shall be of good professional character and 18 years of age or older.

II. Any person applying for any license or privilege under this chapter, including any person seeking to convert from inactive to active status, shall provide the [board] **office** with information relating to dental competence and professional conduct, to permit the **office, based on criteria established by the board**, to make a [fully informed] decision that the applicant possesses sufficient competence and character to be issued a license under this chapter.

III. A temporary license may be issued, at the discretion of the **office, in consultation with the board**, to a person for research projects and programs of professional education having clinical dental components.

IV. A temporary license may be issued, at the discretion of the [board] **office, in consultation with the board**, to dentists and dental hygienists for the provision of voluntary dental or dental hygiene services. To qualify for licensure under this paragraph, the applicant shall be an active, inactive, or former licensee in New Hampshire or in another state or Canadian province as determined by the board.

V. No application shall be granted unless the [board] **office** finds that the applicant possesses the necessary educational, character, and other professional qualifications to practice dentistry or dental hygiene [; and that no circumstances exist which would be grounds for disciplinary action against a licensed dentist or hygienist pursuant to RSA 317-A:17, H].

48 Dentistry and Dental Hygiene; Criminal History Record Checks. Amend RSA 317-A:8-a to read as follows:
317-A:8-a Criminal History Record Checks.

I. Every applicant for initial permanent licensure or reinstatement shall submit to the [board of dental examiners] **office of professional licensure and certification** a criminal history record information authorization form, as provided by the New Hampshire division of state police, which authorizes the release of his or her criminal history record information, if any, to the [board] **office**.

II. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the department of safety. In the event that the first set of fingerprints is invalid due to insufficient pattern, a second set of fingerprints shall be necessary in order to complete the criminal history records check. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the [board] **office** may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where the person has lived during the past 5 years.

III. The [board] **office** shall submit the criminal history records release form and fingerprint form to the division of state police which shall conduct a criminal history records check through its records and through the Federal Bureau of Investigation. Upon completion of the records check, the division of state police shall release copies of the criminal history records to the [board] **office**.

IV. The [board] **office** shall review the criminal record information prior to making a licensing decision and shall maintain the confidentiality of all criminal history records received pursuant to this section.

V. The applicant shall bear the cost of a criminal history record check.

49 Dentistry and Dental Hygiene; Examinations. Amend RSA 317-A:9 to read as follows:

317-A:9 Examinations. Applicants for a license to practice dentistry or dental hygiene shall [be examined] **pass an examination as determined** by the board or have successfully passed a national or regional test [accepted] **approved** by the board. Examinations may be oral, clinical, written, or any combination at the discretion of the board and shall be of such character as to test the qualifications of the applicant to practice dentistry or dental hygiene. No license shall be granted to any applicant who shall not pass such examination.

50 Dentistry and Dental Hygiene; Rulemaking Authority. Amend RSA 317-A:12, III and IV to read as follows:

III. The qualifications of applicants in addition to those requirements set by statute [~~including experience requirements for application for license by endorsement~~];

XII. The imposition of administrative fines [~~authorized under RSA 317-A:17, III(f)~~];

XII-a. The use of general anesthesia, deep sedation, and moderate sedation, in dental treatment under RSA 317-A:20, including:

- (a) Required credentials.
- (b) Application.

(c) On-site evaluations of personnel, facility, equipment, and records as they pertain to the use of required drugs, general anesthesia, deep sedation, or moderate sedation, or any combination thereof.

(d) The **criteria for the** issuance of permits for use of general anesthesia, deep sedation, and moderate sedation, or of permits for use of moderate sedation.

(e) The **criteria for the** issuance of permits to dental facilities for use of general anesthesia, deep sedation, and moderate sedation at the dental facilities where the services are performed.

(f) The establishment of the qualifications and requirements of dental facilities where general anesthesia, deep sedation, and moderate sedation are performed.

(g) The requirement that the physical presence of the dentist licensed under RSA 317-A:7, an anesthesiologist licensed under RSA 329, or a nurse anesthetist licensed under RSA 326-B:18 is required while general anesthesia, deep sedation or moderate sedation is in effect.

(h) The establishment of the qualifications of dentists to administer general anesthesia or deep sedation, which may include a residency training program accredited by the Commission on Dental Accreditation (CODA) or equivalent, and which may include a method for established practitioners to document his or her qualifications. Administration of general anesthesia or deep sedation to patients under the age of 13 shall be subject to additional rules including:

(1) In addition to the dentist performing the procedure, there shall be a dedicated anesthesia provider present to monitor the procedure and recovery from anesthesia. The dedicated anesthesia provider shall be a dentist who is qualified to administer general anesthesia or deep sedation, a physician anesthesiologist, or a certified registered nurse anesthetist (CRNA). The board may exempt the dentist from this requirement if they are board-eligible or board certified in either dental anesthesiology or oral and maxillofacial surgery.

(2) The dentist shall be trained in pediatric advanced life support (PALS) and airway management, equivalent to the American Academy of Pediatrics and American Academy of Pediatric Dentistry (AAP-AAPD) guidelines or equivalent as determined by the board.

(3) Informed consent shall include the statement that the procedure may be performed in a hospital setting with additional anesthesia personnel, possibly at an increased expense.

(i) A physical evaluation and medical history shall be taken before the administration of moderate sedation, deep sedation, or general anesthesia. The board shall adopt rules regarding the minimum requirements for physical evaluation and medical history;

52 Dentistry and Dental Hygiene; Completion of a Survey; Rulemaking. Amend RSA 317-A:12-a to read as follows:

317-A:12-a Completion of Survey; Rulemaking. The board shall adopt rules, pursuant to RSA 541-A, requiring, as part of the **criteria for** license renewal [process], completion by licensees of a survey or opt-out form provided by the office of rural health, department of health and human services, for the purpose of collecting data regarding the New Hampshire primary care workforce, pursuant to the commission established in RSA 126-T. Any rules adopted under this section shall provide the licensee with written notice of his or her opportunity to opt-out from participation in the survey.

53 Dentistry and Dental Hygiene; License Renewal. RSA 317-A:13 is repealed and reenacted to read as follows:

317-A:13 License Renewal.

I. License renewals and notifications shall be issued in accordance with RSA 310:8.

II. All persons licensed to practice dentistry or dental hygiene in this state shall notify the office of professional licensure and certification in writing within 30 days of any change of business or residential address which may occur during the period between biennial registrations.

54 Dentistry and Dental Hygiene; Inactive List. Amend RSA 317-A:16 to read as follows:

317-A:16 Inactive List. A dentist or dental hygienist licensed under this chapter who does not actively engage in such practice in New Hampshire within 2 years of his or her previous biennial registration shall have the licensee's name transferred to an inactive list and shall be required to register biennially and pay the inactive registration fee as long as the licensee remains inactive. Any dentist or dental hygienist holding an inactive license shall be restored to active status by the [board] **office of professional licensure and certification** upon the filing of a written request with the [board] **office** and the furnishing of evidence of continuing professional character and continuing education and upon payment of the full registration fee established in rules adopted by the [board] **office**. A licensee on inactive status who has been practicing in another state shall provide a letter of good standing from that state. A person's right to maintain a license with active status shall not be affected by any absence from active practice in New Hampshire while serving on active duty in the armed forces of the United States.

55 Practice of Dentistry. Amend RSA 317-A:20, II to read as follows:

II.(a) Any dentist or dental facility who wishes to administer general anesthesia, deep sedation, or moderate sedation shall apply to the [board] **office of professional licensure and certification** for the appropriate permit and pay an application fee.

(b) The [board] **office** shall require the documentation of competence according to the rules adopted under RSA 317-A:12, XII-a(f) and RSA 317-A:12, XII-a(h) before issuing such a permit.

(c) The rules of the board shall require an appropriate number of hours of continuing education as a condition for issuing or reissuing such a permit.

56 Dentistry and Dental Hygiene; Licensure. Amend RSA 317-A:21, II to read as follows:

II. Applications for licensure as a dental hygienist shall be made to the ~~[board in writing]~~ **office of professional licensure and certification** and shall be accompanied by a fee established by the office ~~[of professional licensure and certification]~~ and by satisfactory proof that the applicant is a graduate of a school of dentistry or a school of dental hygiene with a minimum of a 2-year program in an institution of higher education, the program of which is accredited by a national accrediting agency recognized by the United States Department of Education and the Commission on Dental Accreditation.

III. RSA 325:22, relative to nonresidents.

IV. RSA 325:22-a, relative to interstate agreements.

V. RSA 325:23, relative to expiration.

VI. RSA 325:24, relative to notices of expiration.

VII. RSA 325:34-a, relative to license suspension.

VIII. RSA 325:35, relative to immunity from civil action.

IX. RSA 325:36, relative to reinstatement applications.

86 Cremation of Human Remains; Crematory; License Required. Amend RSA 325-A:2 to read as follows:

325-A:2 Crematory; License Required. A crematory shall not be established, operated, or maintained in this state except by a crematory authority licensed by the **office of professional licensure and certification in accordance with rules promulgated by the** board under this chapter. The [board] **office** shall issue a license to a crematory authority that satisfies the requirements for licensure under the chapter. Human remains shall not be cremated in this state except at a crematory operated by a crematory authority licensed under this chapter.

87 Cremation of Human Remains; License; Application; Requirements; Fee. Amend 325-A:4 to read as follows:

325-A:4 License; Application; Requirements; Fee. An applicant for an initial or renewal license as a crematory authority shall file a written application with the [board] **office**. The application shall be accompanied by the license fee [required under RSA 325-A:7] and a certificate confirming that the crematory operator has attended, prior to issuance of the license, a training course provided by the Cremation Association of North America or by the manufacturer of the cremation chamber maintained and operated by the crematory authority and shall set forth the full name and address of the applicant, the address and location of the crematory, the name of the crematory operator, the name and address of the owner of the crematory, and additional information as required by the board, including affirmative evidence of the applicant's ability to comply with rules adopted under this chapter. The application shall include the applicant's social security number if the applicant is an individual. The social security number shall not be public record and shall only be used for administrative purposes.

88 Cremation of Human Remains; Change in Location, Ownership, or Name. Amend 325-A:6 to read as follows:

325-A:6 Change in Location, Ownership, or Name.

I. A crematory authority desiring to relocate a crematory shall file a written application [with the board] **to the office** at least 30 days prior to the designated date of such relocation. The application shall be accompanied by [a fee as determined by the board in rules adopted under RSA 541-A] **the required fee**.

II. A crematory authority desiring to change ownership of a crematory shall file a written application [with the board] **to the office** at least 30 days prior to the designated date of such change. The application shall be accompanied by [a fee as determined by the board in rules adopted under RSA 541-A] **the required fee**.

III. A crematory authority desiring to change its name shall file a written application [with the board] **to the office** at least 30 days prior to such change. The application shall be accompanied by [a fee as determined in rules adopted under RSA 541-A] **the required fee**.

89 Cremation of Human Remains; Inspection; Board; Duties; Authority for Appointments. Amend 325-A:8 to read as follows:

325-A:8 Inspection; Board; Duties; Authority for Appointments.

I. The [board] **office of professional licensure and certification** shall at least once every 3 years inspect or provide for the inspection of any crematory operated by a crematory authority licensed under this chapter in [such manner and at such times as provided in rules adopted by the board] **accordance with standards established by the board in rules adopted pursuant to RSA 541-A**.

II. The [board] **office** shall issue an inspection report and provide a copy of the report to the crematory authority within 10 working days after the completion of an inspection. The board shall review any findings of noncompliance contained in such report within 20 working days after such inspection.

III. If the board determines, after such review, that the evidence supports a finding of noncompliance by a crematory authority with any applicable provisions of this chapter or rules adopted under this chapter, the board may send a letter to the crematory authority requesting a statement of compliance. The letter shall include a description of each alleged violation, a request that the crematory authority submit a statement of compliance within 10 working days, and a notice that the board may take further action if the statement of compliance is not submitted. The statement of compliance shall indicate any actions by the crematory authority which have been or will be taken and the period of time estimated to be necessary to correct each alleged violation. If the crematory authority fails to submit such statement of compliance or fails to make a good faith effort to correct the alleged violations, the board may take further action as provided in this chapter **and RSA 310**.

[IV.(a) The board may appoint technical advisors or other investigators to assist with any investigation or adjudication, and may, with the approval of the attorney general, appoint legal counsel for such purposes.

(b) To the extent the board lacks budgeted funds to conduct a significant investigation or adjudication, it may, with the approval of the attorney general, petition governor and council to receive funds not otherwise appropriated in order to retain professional advisors in the proceeding.

~~(c) If the governor and council approve the use of funds not otherwise appropriated, the governor is authorized to issue a warrant for the approved amount out of any moneys in the treasury not otherwise appropriated. The board shall then promptly increase its licensing fees to the extent necessary to repay the amount advanced to the general fund during the next fiscal year by means of a fee surcharge.]~~

90 Deny or Refuse to Renew License; Grounds. Amend RSA 325-A:11 to read as follows:

325-A:11 Deny or Refuse to Renew License; Grounds. The ~~[board]~~ **office of professional licensure and certification** may deny or refuse to renew a license under this chapter or take disciplinary action against a crematory authority licensed under this chapter as provided in RSA 325-A:12 on any of the following grounds:

I. Violation of this chapter or rules adopted and pursuant to this chapter;

II. ~~[Conviction of any crime involving moral turpitude;]~~

III. Conviction of a misdemeanor or felony under state law, federal law, or the law of another jurisdiction which, if committed within this state, would have constituted a misdemeanor or felony and which has a rational connection with the fitness or capacity of the crematory authority to operate a crematory;

IV. Conviction of a violation pursuant to RSA 325-A:15;

V. Obtaining a license as a crematory authority by false representation or fraud;

VI. Misrepresentation or fraud in the operation of a crematory; or

VII. Failure to allow access by an agent or employee of the ~~[board]~~ **office** to a crematory operated by the crematory authority for the purposes of inspection, investigation, or other information collection activities necessary to carry out the duties of the **office or** board.

91 Cremation of Human Remains; Rulemaking. Amend RSA 325-A:28, I to read as follows:

I. ~~[Procedures]~~ **Criteria** for licensure of crematory authorities.

II. Eligibility requirements for the reinstatement of licenses after [lapse] **expiration** and after disciplinary action.

III. Recognition of national certifying bodies issuing specialty certifications required for licensure as an APRN which shall also be recognized by the National Council of State Boards of Nursing.

IV. The standards to be met by[, and the process for approval of,] education programs designed to prepare applicants to qualify for licensure or certification in any of the disciplines regulated by the board under RSA 326-B:32, including the time period within which noncompliance must be corrected before such approval is withdrawn.

V. The standards to be met by[, and the process for approval of,] education programs designed to prepare LPNs in intravenous therapy and by programs designed to prepare LNAs to perform tasks not addressed in the basic curriculum required for licensure.

VI. The determination of disciplinary sanctions authorized by this chapter **and in accordance with RSA 310:12**, including the determination of administrative fines.

VII. The **criteria for** administration of examinations authorized by this chapter, and the manner in which information regarding the contents of any licensing examinations may be disclosed, solicited, or compiled.

VIII. Ethical standards for the practice of nursing and nursing-related activities.

IX. Continuing competence requirements.

X. Designations that may be used by persons regulated by the board and retired persons regulated by the board.

XI. The implementation and coordination of the nurse licensure compact adopted in RSA 326-B:46. The board shall use model rules developed for the nurse licensure compact by the National Council of State Boards of Nursing as the basis for adopting rules which shall be modified as necessary to comply with state statutes.

XII. Prescribing controlled drugs pursuant to RSA 318-B:41.

XIII. [A process for registering] **Requirements for registration of** practitioners who have been granted a special registration to prescribe controlled substances via telemedicine pursuant to 21 U.S.C. section 831(h).

XIV. The implementation of strategies and [procedures] **criteria** necessary to increase the acceptance of military training and experience towards licensure for military veterans seeking to be licensed as a nurse. For the purposes of this subparagraph, "veterans" means veterans as defined in 38 U.S.C. section 101(2).

XV. Implementation of the nursing assistant registry pursuant to 42 C.F.R. section 483.156, including scope of duties for nursing assistants and placement of qualified individuals on the nursing assistant registry.

103 Nurse Practice Act; Criminal History Records Checks. Amend RSA 326-B:15 as follows:

326-B:15 Criminal History Record Checks.

I. Every applicant for initial licensure shall submit to the [board] **office of professional licensure and certification** a criminal history record release form, as provided by the New Hampshire division of state police, department of safety, which authorizes the release of his or her criminal history record, if any, to the [board] **office**.

II. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the department of safety. In the event that the first set of fingerprints is invalid due to insufficient pattern, a second set of fingerprints shall be necessary in order to complete the criminal history records check. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the [board] **office** may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where the person has lived during the past 5 years.

III. The [board] **office** shall submit the criminal history records release form and fingerprint form to the division of state police which shall conduct a criminal history records check through its records and through

the Federal Bureau of Investigation. Upon completion of the records check, the division of state police shall release copies of the criminal history records to the ~~[board]~~ **office**. IV. RSA 326-F:11, relative to audiologists from outside of New Hampshire.

156 New Hampshire Accountancy Act; Definitions. Amend RSA 309-B:3, XVIII to read as follows:

XVIII. "Substantial equivalency" is a determination by the ~~[board]~~ **office** or its designee that the education, examination, and experience requirements contained in the statutes and administrative rules of another jurisdiction are comparable to or exceed the education, examination, and experience requirements contained in the Uniform Accountancy Act, or that the individual certified public accountant's education, examination, and experience qualifications are comparable to or exceed the education, examination, and experience requirements contained in the Uniform Accountancy Act. In ascertaining substantial equivalency as used in this statute, the ~~[board]~~ **office** shall take into account the qualifications without regard to the sequence in which experience, education, or examination requirements were attained.

157 New Hampshire Accountancy Act; Board of Accountancy; Appointment; Disposition of Fees; Rulemaking. Amend RSA 309-B:4, II(b) to read as follows:

(b) The board shall meet at such times and places as may be fixed by the board. Meetings of the board shall be open to the public, except insofar as they are concerned with investigations ~~[under RSA 309-B:11]~~

and except as may be necessary to protect information that is required to be kept confidential by board rules or by the laws of this state. A majority of the board members then in office shall constitute a quorum at any meeting duly called.

158 New Hampshire Accountancy Act; Qualifications for a Certificate as a Certified Public Accountant. Amend RSA 309-B:5 to read as follows:

309-B:5 Qualifications for a Certificate as a Certified Public Accountant.

I. The certificate of “certified public accountant” shall be granted to persons of good character who meet the education, experience, and examination requirements of this section, who make application therefor pursuant to RSA 309-B:7, and who pay the fees prescribed by the [board] **office of professional licensure and certification**.

II. Good character for purposes of this section means the lack of a history of dishonest or felonious acts.

III. The education requirements for a certificate shall be as follows:

(a) Until January 1, 2005, a baccalaureate degree or its equivalent conferred by a college or university acceptable to the board, with an accounting concentration or equivalent as determined by board rule to be appropriate.

(b) After January 1, 2005 and until June 30, 2014, at least 120 semester hours of college education including a baccalaureate or higher degree conferred by a college or university acceptable to the board, the total educational program to include an accounting concentration or equivalent as determined by board rule to be appropriate; provided however, that candidates for a certificate may sit for the examination described in paragraph IV if they have at least 120 semester hours of college education including a baccalaureate degree conferred by a college or university acceptable to the board, the total educational program to include an accounting concentration or equivalent as determined by board rule to be appropriate.

(c) On or after July 1, 2014, at least 150 semester hours of college education including a baccalaureate or higher degree conferred by a college or university acceptable to the board, the total educational program to include an accounting concentration or equivalent as determined by board rule to be appropriate; provided however, that candidates for a certificate may sit for the examination described in paragraph IV if they have at least 120 semester hours of college education including a baccalaureate degree conferred by a college or university acceptable to the board the total educational program to include an accounting concentration or equivalent as determined by board rule to be appropriate. The applicant’s degree shall include 30 semester hours of accounting courses. The accounting credits shall include coverage in financial accounting auditing, taxation, and management accounting. In addition, the degree shall include, or be supplemented by, 24 semester hours of business courses other than accounting courses. These business courses may include, but not be limited to, coverage in the areas of business law, business information systems, finance, professional ethics, business organizations, and economics.

IV. The examination required to be passed as a condition for the granting of a certificate shall ~~be held as often as the board may specify by rule, and shall~~ test the applicant’s knowledge of the subjects of accounting and auditing and such other related subjects as the board may specify by rule. The board shall prescribe by rule the methods of ~~applying for and~~ conducting the examination, including methods for grading papers and determining a passing grade required of an applicant for a certificate, provided, however, that the board shall, to the extent possible, see to it that the examination itself, the grading of the examination and the passing grades are uniform with those applicable in all other states. The board may make such use of all or any part of the Uniform Certified Public Accountant Examination and Advisory Grading Service of the American Institute of Certified Public Accountants, and may contract with third parties **through the office** to perform such administrative services with respect to the examination as it deems appropriate to assist it in performing its duties under this section.

V. An applicant shall be required to pass all sections of the examination provided for in paragraph IV in order to qualify for a certificate. A passing grade for each section shall be 75. The applicant shall pass all sections of the examination within 18 months of the examination at which the first section was passed.

VI. An applicant shall be given credit for any and all sections of an examination passed in another state if such credit would have been given, under applicable requirements at that time, had the applicant taken the examination in this state.

VII. The board may in particular cases waive or defer any of the requirements of paragraphs V and VI regarding the circumstances in which the various sections of the examination must be passed, upon a showing that, by reason of circumstances beyond the applicant’s control, the applicant was unable to meet such requirement.

VIII. The [board] **office** may charge, or provide for a third party administering the examination to charge, each applicant a fee in an amount prescribed by the [board] **office** by rule, for each section of the examination or reexamination taken by the applicant.

IX. The experience requirement shall consist of public accounting experience in providing one or more kinds of services involving the use of accounting or auditing skills, including the issuance of reports on financial statements, or one or more kinds of management advisory, financial advisory, or consulting services,

or the preparation of tax returns or the furnishing of advice on tax matters, or the equivalent, all of which was under the direction of a licensee in any state in practice as a certified public accountant or as a public accountant, or in any state in employment as a staff accountant by a certified public accountant or anyone practicing public accounting, or a combination of either of such types of experience and for the following periods of time:

(a) Until June 30, 2014, 2 years for a candidate with a 4-year college degree, or the equivalent, and one year for a candidate holding a master's degree in accounting, taxation, finance, or business administration.

(b) On or after July 1, 2014, one year.

X. Experience obtained in the employment of a governmental agency for the periods of time provided in paragraph IX in the following areas shall be accepted by the [board] **office** as qualifying experience under this section:

(a) In auditing the tax returns or books and accounts of nongovernmental entities in 3 or more distinct lines of commercial or industrial business in accordance with generally accepted auditing standards under the direction of a licensee; or

(b) In auditing the books and accounts or activities of 3 or more governmental agencies or distinct organizational units in accordance with generally accepted auditing standards under the direction of a licensee and reporting on their operations to a third party, to the Congress, or to a state legislature; or

(c) In reviewing financial statements and supporting material covering the financial condition and operations of nongovernmental entities engaged in 3 or more distinct lines of commercial or industrial business under the direction of a licensee to determine the reliability and fairness of the financial reporting and compliance with generally accepted accounting principles and applicable government regulations for the protection of investors and consumers.

XI. [Repealed.]

159 Repeal. RSA 309-B:6, relative to substantial equivalency, is repealed.

160 New Hampshire Accountancy Act; Issuance and Renewal of Certificates; Maintenance of Competency. RSA 309-B:7 is repealed and reenacted to read as follows:

309-B:7 Issuance and Renewal of Certificates; Maintenance of Competency.

I. The office shall grant or renew certificates to persons who make application and demonstrate that their qualifications, including where applicable the qualifications prescribed by RSA 309-B:5, are in accordance with the requirements of this section. The holder of a certificate issued under this section may provide attest services as defined in RSA 309-B:3, I(a), and compilation services as defined in RSA 309-B:3, III-a, only in a CPA firm that holds a permit issued under RSA 309-B:8.

II. Certificates shall be initially issued, and renewed as required by RSA 310:8.

III. For renewal of a certificate under this section each licensee shall participate in a program of learning designed to ensure continuing professional competence. The requirements established by the board shall specify any reasonable approach to meeting this requirement, including but not limited to, the setting of hours and the conducting of random audits of reports submitted to the board. The approach to meeting this requirement specified by the board shall be comparable to guidelines specified in the Statement on Standards for Continuing Professional Education (CPE) Programs jointly approved by the National Association of State Boards of Accountancy (NASBA) and the American Institute of Certified Public Accountants (AICPA). The board may by rule create an exception to this requirement for licensees who do not perform or offer to perform for the public one or more kinds of services involving the use of accounting or auditing skills, including issuance of reports on financial statements or of one or more kinds of management advisory, financial advisory or consulting services, or the preparation of tax returns or the furnishing of advice on tax matters. Licensees granted such an exception by the board shall place the word "inactive" adjacent to their CPA title or PA title on any business card, letterhead, or any other document or device, with the exception of their CPA certificate or PA registration, on which the CPA or PA title appears.

IV. The office shall charge a fee for each application for initial issuance or renewal of a certificate under this section in an amount prescribed by the office by rule.

V. Applicants for initial issuance or renewal of certificates under this section shall in their applications list all states in which they have applied for or hold certificates, licenses, or permits and list any past denial, revocation, or suspension of a certificate, license, or permit, and each holder of or applicant for a certificate under this section shall notify the board in writing, within 30 days after its occurrence, of any issuance, denial, revocation, or suspension of a certificate, license, or permit by another state.

VI. The office shall issue a certificate to a holder of a substantially equivalent foreign designation, granted in a foreign country, provided that:

(a) The foreign authority which granted the designation makes similar provision to allow a person who holds a valid certificate issued by this state to obtain such foreign authority's comparable designation; and

(b) The foreign designation:

(1) Was duly issued by a foreign authority that regulates the practice of public accountancy and the foreign designation has not expired or been revoked or suspended;

(2) Entitles the holder to issue reports upon financial statements; and

(3) Was issued upon the basis of educational, examination, and experience requirements established by the foreign authority or by law; and

(c) The applicant:

(1) Received the designation, based on educational and examination standards substantially equivalent to those in effect in this state, at the time the foreign designation was granted;

(2) Completed an experience requirement, substantially equivalent to the requirement set out in RSA 309-B:5, IX, in the jurisdiction which granted the foreign designation or has completed at least 4 years of professional experience in this state; or meets equivalent requirements prescribed by the board by rule, within the 10 years immediately preceding the application; and

(3) Passed a uniform qualifying examination in national standards acceptable to the board.

VII. An applicant under paragraph VI shall in the application list all jurisdictions, foreign and domestic, in which the applicant has applied for or holds a designation to practice public accountancy, and each holder of a certificate issued under this paragraph shall notify the board in writing, within 30 days after its occurrence, of any issuance, denial, revocation, or suspension of a designation or commencement of a disciplinary or enforcement action by any jurisdiction.

VIII. The board shall by rule require as a condition for renewal of a certificate under this section, by any certificate holder who issues compilation reports for the public other than through a CPA firm, that such individual undergo, no more frequently than once every 3 years, a peer review conducted in such manner as the board shall by rule specify, and such review shall include verification that such individual has met the competency requirements set out in professional standards for such services.

IX. The office of professional licensure and certification may contract with the NASBA Qualification Appraisal Service to assess any applications made under this section.

161 New Hampshire Accountancy Act; Firm Permits to Practice; Attest Experience and Peer Review. Amend RSA 309-B:8, I-III to read as follows:

I. The ~~[board]~~ **office** shall grant or renew permits to practice as a CPA firm to applicants that demonstrate their qualifications therefor in accordance with this section.

(a) The following are required to hold a permit issued under this section:

(1) Any firm with an office in this state performing attest services as defined in RSA 309-B:3, I, or compilation services under RSA 309-B:3, III-a;

(2) Any firm with an office in this state that uses the designation "CPAs" or "CPA firm"; or

(3) Any firm that does not have an office in this state but offers or renders attest services as described in RSA 309-B:3 for a client having its home office in this state, unless it meets each of the following requirements:

(A) It has the qualifications described in paragraphs III and VIII of this section;

(B) It performs such services through an individual with practice privileges under RSA 309-B:6 **and RSA 310:17**; and

(C) It can lawfully do so in the state where said individuals with practice privilege have their principal place of business.

(b) A firm which is not subject to the requirements of subparagraphs (a)(3) or (b) of this paragraph may perform other professional services while using the title "CPA" or "CPA firm" in the state without a license issued under this section only if:

(1) It performs such services through an individual with practice privileges under RSA 309-B:6 **and RSA 310:17**; and

(2) It can lawfully do so in the state where said individuals with practice privileges have their principal place of business.

II. Permits shall be initially issued and renewed for periods **in accordance with RSA 310:8**. ~~[of not more than 3 years. Annual periods shall coincide with the state's fiscal year, beginning on July 1 and ending on the subsequent June 30. Applications for such permits shall be made in such form and in the case of applications for renewal, between such dates, as the board shall by rule specify. A permit shall remain valid for the period of time that the board requires to act on the application for renewal, provided that the renewal was submitted in accordance with the rules adopted by the board. The board shall grant or deny any application no later than 90 days after the application is filed in proper form. In any case where the applicant seeks the opportunity to show that issuance or renewal of a permit was mistakenly denied or where the board is not able to determine whether it should be granted or denied, the board may issue to the applicant a provisional permit, which shall expire 90 days after its issuance or when the board determines whether or not to issue or renew the permit for which application was made, whichever shall first occur.]~~

III. An applicant for initial issuance or renewal of a permit to practice under this section shall be required to show that:

(a) Notwithstanding any other provision of law, at least a simple majority of the ownership of the firm, in terms of financial interests and voting rights of all partners, officers, shareholders, members or

managers, belongs to holders of a certificate who are licensed in some state of the United States and such partners, officers, shareholders, members, or managers, whose principal place of business is in this state, and who perform professional services in this state, hold a valid certificate issued under RSA 309-B:5 or the corresponding provisions of prior law or are public accountants licensed under RSA 309-B:9. Firms may include non-licensee owners but the firm and its ownership shall comply with rules adopted by the board. For firms of public accountants, at least a simple majority of the ownership of the firm, in terms of financial interests and voting rights, shall belong to holders of registration under RSA 309-B:9. ~~[An individual who has practice privileges under RSA 309-B:6 and who performs services for which a firm permit is required under RSA 309-B:6, IV shall not be required to obtain a certificate from this state pursuant to RSA 309-B:5.]~~

(b) Any CPA or PA firm may include non-licensee owners provided that:

(1) The firm designates a licensee of this state~~[- or in the case of a firm which must have a permit pursuant to RSA 309-B:6, IV a licensee of another state who meets the requirements in RSA 309-B:6, I,]~~ who is responsible for the proper registration of the firm and identifies that individual to the ~~[board]~~ **office**.

(2) All non-licensee owners are of good moral character and are active individual participants in the CPA or PA firm or affiliated entities.

(3) The firm complies with such other requirements as the board may impose by rule.

(c) Any individual licensee and any individual qualifying for practice privileges under RSA 309-B:6 **and RSA 310:17** who is responsible for supervising attest services, and signs or authorizes someone to sign the accountant's report on behalf of the firm, shall meet the appropriate experience requirements for such services as required by professional standards for such services.

(d) Any individual licensee and any individual qualifying for practice privileges under RSA 309-B:6 **and RSA 310:17** who signs or authorizes someone to sign the accountant's report on behalf of the firm shall meet the experience requirement of RSA 309-B:8, III(c).

162 New Hampshire Accountancy Act; Firm Permits to Practice; Attest Experience and Peer Review. Amend RSA 309-B:8, VI to read as follows:

VI. Applicants for initial issuance or renewal of permits under this section shall in their application list all states in which they have applied for or hold permits as CPA firms and list any past denial, revocation, or suspension of a license or permit by any other state, and each holder of or applicant for a permit under this section shall notify the ~~[board]~~ **office** in writing, within 30 days after its occurrence, of any change in the identities of partners, officers, shareholders, members, or managers whose principal place of business is in this state, any change in the number or location of offices within the state, any change in the identity of the persons in charge of such offices, and any issuance, denial, revocation, or suspension of license or permit by any other state.

163 New Hampshire Accountancy Act; Firm Permits to Practice; Attest Experience and Peer Review. Amend RSA 309-B:8, VIII(d) to read as follows:

(d) Shall require, with respect to peer reviews contemplated by subparagraph (b), that the peer review processes be operated, and documents maintained in a manner designed to preserve confidentiality, and that neither the board nor any third party, other than the peer review oversight body, shall have access to documents furnished or generated in the course of such peer review. This subparagraph shall not ~~[be construed to limit the board's subpoena power under RSA 309-B:11, I; nor shall it]~~ be construed to prevent the board from obtaining from the applicant, its peer review report, the related letter of comment, and the related letter of response.

164 New Hampshire Accountancy Act; Enforcement Against Holders of Certificates, Permits, and Registrations. Amend RSA 309-B:10, I-a(c) to read as follows:

(c) Failure, on the part of a holder of a certificate under RSA 309-B:7 or permit under RSA 309-B:8 or registration under RSA 309-B:9, to maintain compliance with the requirements for issuance or renewal of such certificate, permit, or registration or to report changes ~~[to the board]~~ **as required** under RSA 309-B:7~~;~~ VI] and 309-B:8, VI.

165 New Hampshire Accountancy Act; Unlawful Acts. Amend RSA 309-B:14 to read as follows:
309-B:14 Unlawful Acts.

I. Only licensees, individuals who have practice privileges under RSA 309-B:6 **and RSA 310:17**, and firms exempt from the permit requirement under RSA 309-B:8, may issue a report on financial statements of any other person, firm, organization, or governmental unit or otherwise offer to render or render any attest service. This restriction shall not prohibit any act of a public official or public employee in the performance of that person's duties as such; or prohibit the performance by any person from the use of accounting skills, or analyzing and preparing projections of financial data in the performance of management advisory services, financial advisory services, consulting services, the preparation of tax returns, or the furnishing of advice on tax matters. This restriction also does not apply to non-licensees who may prepare financial statements and issue reports thereon which do not purport to be in compliance with the Statements on Standards for Accounting and Review Services (SSARS).

II. Licensees, individuals who have practice privileges under RSA 309-B:6 **and RSA 310:17**, and firms exempt from the permit requirement under RSA 309-B:8, performing attest services shall provide those services pursuant to statements on standards relating to those services adopted by reference or directly by the board.

III. No person not holding a valid certificate or a practice privilege under RSA 309-B:6 **and RSA 310:17** shall use or assume the title or designation “certified public accountant,” or the abbreviation “CPA” or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that such person is a certified public accountant.

IV. No firm shall provide attest services or assume or use the title or designation “certified public accountants,” or the abbreviation “CPAs,” or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that such firm is a CPA firm unless [(1)] the firm holds a valid permit issued under RSA 309-B:8 or is in compliance with a valid exemption from the permit requirement pursuant to RSA 309-B:8.

V. No person shall assume or use the title or designation “public accountant,” or the abbreviation “PA,” or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that such person is a public accountant unless such person holds a valid registration issued under RSA 309-B:9.

VI. No person or firm not holding a valid certificate, permit, or registration issued under RSA 309-B:7, 309-B:8, or 309-B:9, unless they qualify for a practice privilege under RSA 309-B:6 **and RSA 310:17** or are exempt from the permit requirement under RSA 309-B:8, shall provide attest services or assume or use the title or designation “public accountant,” the abbreviation “PA,” or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that such firm is composed of public accountants.

VII. No person or firm not holding a valid certificate, permit, or registration issued under RSA 309-B:7, 309-B:8, or 309-B:9, or qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or an exemption from the permit requirement under RSA 309-B:8, shall assume or use the title or designation “certified accountant,” “chartered accountant,” “enrolled accountant,” “licensed accountant,” “registered accountant,” “accredited accountant,” or any other title or designation likely to be confused with the titles “certified public accountant” or “public accountant,” or use any of the abbreviations “CA,” “LA,” “RA,” “AA,” or similar abbreviation likely to be confused with the abbreviations “CPA” or “PA.” The title “Enrolled Agent” or “EA” may only be used by individuals so designated by the Internal Revenue Service.

VIII. Persons not licensed under this chapter, unless they qualify for a practice privilege under RSA 309-B:6 **and RSA 310:17** or are exempt from the permit requirement under RSA 309-B:8, shall not use language in any statement relating to the affairs of a person or entity which is conventionally used by licensees in reports on financial statements or any attest service. In this regard, the board shall issue safe harbor language that persons not licensed under this chapter, or not qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or not exempt from the permit requirement under RSA 309-B:8 may use in connection with such financial information. Such disclaimer language shall include the following:

“I (we) have prepared the accompanying (financial statements) of (name of entity) as of (time period) for the (period) then ended. This presentation is limited to preparing in the form of financial statements information that is the representation of management (owners).

I (we) have not audited or reviewed the accompanying financial statements and accordingly do not express an opinion or any form of assurance on them.”

IX. No person or firm not holding a valid certificate, permit, or registration issued under RSA 309-B:7, 309-B:8, or 309-B:9, or qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or an exemption from the permit requirement under RSA 309-B:8, shall assume or use any title or designation that includes the words “accountant,” “auditor,” or “accounting,” in connection with any other language, including the language of a report, that implies that such person or firm holds such a certificate, permit, or registration or has special competence as an accountant or auditor. This paragraph shall not prohibit any officer, partner, or employee of any firm or organization from affixing a signature to any statement in reference to the financial affairs of such firm or organization with any wording designating the position, title, or office that person holds, nor shall it prohibit any act of a public official or employee in the performance of that person’s duties. Nothing in this chapter shall prohibit non-licensees who perform services involving the use of accounting skills from describing such services as “bookkeeping,” “tax preparation” or “general accounting” services, or describing themselves as “accountants.”

X. No persons holding a certificate or registration, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm holding a permit under this chapter or an exemption from the permit requirement under RSA 309-B:8, shall use a professional or firm name or designation that is misleading about the legal form of the firm, or about the persons or number of persons who are partners, officers, members, managers, or shareholders of the firm, or about any other matter; provided, however, that names of one or more of the former partners, members, managers or shareholders may be included in the name of a firm or its successor.

XI. No provision of this section shall have any application to a person holding a certification, designation, degree, license, or permit granted in a foreign country entitling the holder to engage in the practice of public accountancy or its equivalent in such country, whose activities in this state are limited to the provision of professional services to persons or firms who are residents of, governments of, or business entities of the country in which the person holds such entitlement, who performs no attest services as defined, and who issues no reports with respect to the information of any other persons, firms, or governmental units in

this state, and who does not use in this state any title or designation other than the one under which that person practices in such country, followed by a translation of such title or designation into English, if it is in a different language, and by the name of such country.

XII. No holder of a certificate issued under RSA 309-B:7 or a registration issued under RSA 309-B:9 shall perform attest services described in RSA 309-B:3, I(a) or compilation services described in RSA 309-B:3, III-a in any firm that does not hold a valid permit issued under RSA 309-B:8.

XIII.(a) A licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, shall not for a commission recommend or refer to a client any product or service, or for a commission recommend or refer any product or service to be supplied by a client, or receive a commission, when the licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, also performs for that client an attest service as defined in RSA 309-B:3, I or a compilation of a financial statement when the licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, expects, or reasonably might expect, that a third party will use the financial statement and the compilation report does not disclose a lack of independence.

(b) A licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, who is not prohibited by this section from performing services for or receiving a commission and who is paid or expects to be paid a commission shall disclose that fact to any person or entity to whom the licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, recommends or refers a product or service to which the commission relates.

(c) Any licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, who accepts a referral fee for recommending or referring any service of a licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, to any person or entity or who pays a referral fee to obtain a client shall disclose such acceptance or payment to the client.

XIV.(a) A licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, shall not:

(1) Perform for a contingent fee any professional services for, or receive such a fee from a client for whom the licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, or the licensee's firm or firm of the individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17** performs an attest service as defined in RSA 309-B:3, I or a compilation of a financial statement when the licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, expects, or reasonably might expect, that a third party will use the financial statement and the compilation report does not disclose a lack of independence; or

(2) Prepare an original or amended tax return or claim for a tax refund for a contingent fee for any client; provided however that a licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, may prepare an amended return or claim for refund for a contingent fee if that licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, has a reasonable expectation that the amended return or claim for refund will be the subject of substantive review by the taxing authority.

(b) The prohibition in subparagraph (a) applies during the period in which the licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, is engaged to perform any of the services listed in subparagraph (a) and the period covered by any historical financial statements involved in any such listed services.

(c) Except as otherwise provided in this subparagraph, a contingent fee is a fee established for the performance of any service pursuant to an arrangement in which no fee will be charged unless a specified finding or result is attained, or in which the amount of the fee is otherwise dependent upon the finding or result of such service. Solely for purposes of this section, fees are not regarded as being contingent if fixed by courts or other public authorities, or, in tax matters, if determined based on the results of judicial proceedings or the findings of governmental agencies. The fees of a licensee, individual qualifying for a practice privilege under RSA 309-B:6 **and RSA 310:17**, or firm exempt from the permit requirement under RSA 309-B:8, may vary depending, for example, on the complexity of services rendered.

XV. Nothing within this section shall prohibit a practicing attorney or firm of attorneys from preparing or presenting records or documents customarily prepared by an attorney or firm of attorneys in connection with the attorney's professional work in the practice of law, or from billing a client or receiving a fee from a client in conformity with the professional conduct rules that govern the practice of law by such attorney or firm of attorneys.

XVI. Notwithstanding any provision of this section, it shall not be a violation of this section for a firm which does not hold a valid permit under RSA 309-B:8 and which does not have an office in this state to provide its professional services in this state if it complies with the requirements of ~~[RSA 309-B:8, I(b) or (c)]~~ **RSA 309-B:8, I(a)(3) or I(b)**, whichever is applicable.

166 New Hampshire Accountancy Act; Single Act as Evidence of Practice. Amend RSA 309-B:17 to read as follows:

309-B:17 Single Act as Evidence of Practice. In any action brought under ~~[RSA 309-B:12, RSA 309-B:15, or]~~ RSA 309-B:16, evidence of the commission of a single act prohibited by this chapter shall be sufficient to justify the imposition of a ~~[penalty, injunction, restraining order, or]~~ conviction, ~~[respectively,]~~ without evidence of a general course of conduct.

167 New Hampshire Accountancy Act; Confidential Communications. Amend RSA 309-B:18 to read as follows:

309-B:18 Confidential Communications. Except by permission of the client for whom a licensee performs services, or the heirs, successors, or personal representatives of such client, a licensee or any partner, officer, member, manager, shareholder, or employee of a licensee shall not voluntarily disclose information communicated to such person by the client relating to and in connection with services rendered to the client by the licensee. Such information shall be deemed confidential, provided, however, that nothing in this chapter shall be construed as prohibiting the disclosure of information required to be disclosed by the standards of the public accounting profession in reporting on the examination of financial statements or as prohibiting disclosures in court proceedings or administrative proceedings before governmental agencies in instances where a subpoena or summons has been issued, in investigations or proceedings under ~~[RSA 309-B:11 or RSA 309-B:12]~~ **RSA 310**, in ethical investigations conducted by private professional organizations, or in the course of peer reviews, or to other persons active in the organization performing services for that client on a need to know basis or to persons in such professional organization, peer review entity, or organization performing services for that client who need this information for the sole purpose of assuring quality control.

168 Repeal; Accountancy. The following are repealed:

- I. RSA 309-B:4, VI(e), relative to rules on substantial equivalency.
- II. RSA 309-B:8, V, relative to fees for application for initial issuance or renewal of a permit.
- III. RSA 309-B:12, relative to hearings by the board.
- IV. RSA 309-B:15, relative to injunctions against unlawful acts.
- V. RSA 309-B:16, I, relative to board investigations.

169 Architects; Definitions. Amend RSA 310-A:28, I to read as follows:

I. "Architect" means a person who, by reason of having acquired through professional education and practical experience an advanced training in building construction and architectural design and an extensive knowledge of building standards created to safeguard the public from hazards such as fire, panic, structural failure, and unsanitary conditions, is technically and legally qualified to practice architecture and who is licensed by the ~~[board]~~ **office of professional licensure and certification** or otherwise authorized by this subdivision to engage in the practice of architecture.

170 Architects; Preliminary Requirements for Licensure as an Architect. Amend RSA 310-A:38 to read as follows:

310-A:38 Preliminary Requirements for Licensure as an Architect.

I. The following preliminary requirements shall be considered as minimum evidence satisfactory to the ~~[board]~~ **office of professional licensure and certification** that an applicant is qualified for licensure to practice architecture in this state:

(a) Applicant shall be at least 21 years of age and shall have graduated from an approved high school or its equivalent; and

(b) Applicant shall hold a professional degree in architecture from an accredited school and have had such diversified practical experience, including academic training, as the board shall deem appropriate; or

(c) In lieu of a professional degree in architecture, the ~~[board]~~ **office** may accept evidence of additional diversified practical experience, including academic training, as the board shall deem appropriate.

II. The ~~[board]~~ **office** shall have the discretion to reject an applicant who is not of good professional character, as evidenced by:

(a) Conviction for commission of a felony;

(b) Misstatement of facts by the applicant in connection with the application;

(c) Violation of any of the standards of conduct required of architects as they are set forth in this subdivision or in rules adopted by the board; or

(d) Practicing architecture without being licensed in violation of laws of the jurisdiction in which the practice took place.

III. Upon complying with the preliminary requirements set forth in this section, the applicant shall, in order to become licensed, pass written examinations as provided in RSA 310-A:43~~[-except as otherwise provided in RSA 310-A:45]~~.

171 Architects; Applications. Amend RSA 310-A:42 to read as follows:

310-A:42 Applications. Applications for licensure shall be on forms prescribed and furnished by the [board] **office of professional licensure and certification**, ~~[shall contain statements made under oath,]~~ showing the applicant's education and a detailed summary of the applicant's technical work, and shall contain not less than 5 references, of whom at least 3 shall be licensed architects having personal knowledge of the applicant's professional experience. ~~[The board shall establish fees for application and any examination required under this subdivision.]~~ Should the [board] **office** deny the issuance of a license to any applicant, any initial fee deposited shall be retained as an application fee.

172 Architects; Certificates for Business Organizations. Amend RSA 310-A:42-a to read as follows:

310-A:42-a Certificates for Business Organizations.

I. The practice of, or offer to practice, architecture for others by individual architects, licensed under this subdivision, through a business organization as officers, partners, associates, employees, or agents is permitted, subject to the provisions of this subdivision; provided that:

(a) One or more of the corporate officers of a corporation or one or more general partners or associates is designated as being responsible for the architectural activities and architectural decisions of the business organization and is a licensed architect under this subdivision.

(b) All personnel of the business organization who act in its behalf as architects are licensed under this subdivision.

(c) The business organization has been issued a certificate of authorization by the [board] **office of professional licensure and certification**, as provided in this section.

II. The requirements of this subdivision shall not affect a business organization or its employees in performing services for such business organization or its subsidiary or affiliated business organizations. All final drawings, specifications, plans, reports, or other architectural papers or documents involving the practice of architecture, when issued or filed for public record, shall be dated, and bear the signature and seal of the architect who prepared them or under whose direct supervisory control they were prepared.

III. A business organization desiring a certificate of authorization shall file with the [board] **office** an application, using a form provided by the [board] **office**, listing the names and addresses of all officers and board members, general and limited partners, associates, and any individuals duly licensed to practice architecture in this state who shall be in responsible charge of the practice of architecture in this state through the business organization, and any other information required by the board. The same form, giving the same information, shall accompany the [annual] renewal fee. If there is a change in any of these persons during the year, such change shall be designated on the same form and filed with the [board] **office** within 30 days after the effective date of such change. If all requirements of this section are met, the [board] **office** shall issue a certificate of authorization to such business organization, and such business organization shall be authorized to contract for and to collect fees for furnishing architectural services.

IV. No business organization shall be relieved of responsibility for the conduct or acts of its agents, employees, officers, or partners, by reason of its compliance with the provisions of this section, nor shall any individual practicing architecture be relieved of responsibility for architectural services performed by reason of such individual's employment by or relationship with such business organization.

V. The secretary of state shall not issue a certificate of incorporation to an applicant for incorporation or for registration as a foreign business organization which includes the words Architect, Architectural, or Architecture or any modification or derivative thereof in its corporate or business name or which includes the practice of architecture among the objects for which it is established unless the [board] **office** shall have issued, with respect to such applicant, a certificate of authorization or eligibility for authorization, a copy of which shall have been presented to the secretary of state. Similarly, the secretary of state, after a reasonable transition period, shall decline to register any trade name or service mark which includes such words or modifications or derivatives thereof in its firm or business name except to partnerships, sole proprietorships and associations holding certificates of authorization issued under the provisions of this subdivision, a copy of which shall have been presented to the secretary of state.

VI. An architect who renders occasional, part-time, or consulting architectural services to or for a business organization may not, for the purposes of this section, be designated as being responsible for the architectural activities and decisions of such business organization.

173 Architects; Examinations. Amend RSA 310-A:43 to read as follows:

310-A:43 Examinations. Examinations in architecture shall be held as the [board] **office of professional licensure and certification** shall determine. The applicant shall be permitted to take the examination upon fulfilling the requirements established by the board. The board shall prescribe ~~[the methods of procedure and]~~ the scope of the examination which shall include the following subjects: pre-design, general structures, lateral forces, mechanical and electrical systems, materials and methods, construction documents and services, site planning, building planning, and building technology.

174 Architects; Certificates; Seals. Amend RSA 310-A:44 to read as follows:

310-A:44 Certificates; Seals. The [board] **office of professional licensure and certification** shall issue a license upon payment of the registration fee established by the office [of professional licensure and certification], to any applicant who [~~in the opinion of the board,~~] has satisfactorily met all the requirements of this subdivision. Licenses shall show the full name of the licensee and have a serial number. The issuance of a license by the [board] **office** shall be prima facie evidence that the person named in the license is entitled to all the rights and privileges of a licensed architect while the license remains valid. Each licensee shall upon licensure obtain a seal of the design authorized by the board, bearing the registrant's name and the legend, "Licensed Architect." All papers or documents involving the practice of a profession under this subdivision, when issued or filed for public record, shall be dated, and bear the signature and seal of the licensed professional who prepared or had responsibility for and approved them. It shall be a class B misdemeanor for the licensee to stamp or seal any documents with such seal after the license of the licensee has expired or has been revoked, unless such license shall have been renewed, reinstated, or reissued.

175 Architects; Expiration and Renewals. Amend RSA 310-A:46 to read as follows:

310-A:46 Expiration and Renewals. All licenses issued by the [board] ~~shall expire on the last day of the month of the licensee's birth in the year 2 years following the year of issuance. The board shall cause notification of the impending license expiration to be sent to each licensee at least one month prior to the expiration date of the license. If the renewal fee is not submitted within 12 months after the expiration date of the license, the licensee's name shall be removed from the mailing list. An application for reinstatement shall be required to return to active status. The office of professional licensure and certification shall charge up to a 20 percent late fee for each month or fraction of a month the renewal is late, up to 12 months, in addition to the renewal fee]~~ **office of professional licensure and certification shall expire in accordance with RSA 310:8.**

176 Architects; Continuing Education Required. Amend RSA 310-A:46-a to read as follows:

310-A:46-a Continuing Education Required. Any person holding a license shall be required to complete 12 units of continuing education each year in the area of health, safety, and welfare. Each person shall be responsible for maintaining evidence of his or her continuing education units and shall submit such evidence of continuing education units to the [board] **office** biennially upon renewal of his or her license.

177 Repeal; Architects. The following are repealed:

I. RSA 310-A:33, relative to fees.

II. RSA 310-A:45, relative to reciprocal licensure.

III. RSA 310-A:49, relative to reissuance of licenses.

178 Auctioneers; Definitions. Amend RSA 311-B:1, IV to read as follows:

IV. "Authorized business organization" means any entity organized for gain or profit and carrying on any business activity within the state of New Hampshire which is:

(a) A corporation or business association having at least one officer holding a valid license issued by the [board] **office of professional licensure and certification**;

(b) A partnership in which at least one partner holds a valid license issued by the [board] **office**;

(c) A limited liability company in which the managing member holds a valid license issued by the [board] **office**;

(d) A sole proprietorship or sole-shareholder corporation in which the sole proprietor or sole shareholder holds a valid license issued by the [board] **office**; or

(e) A trust in which at least one trustee holds a valid license issued by the [board] **office**.

179 Auctioneers; Use of Name by Business Organization. Amend RSA 311-B:4, III to read as follows:

III. The secretary of state shall not issue a certificate of incorporation to an applicant for incorporation or for registration as a foreign business organization which includes the words "auction," "auctioneer," or "auctioneering" or any modification or derivative thereof in its corporate or business name or which includes the practice of auctioneering among the objectives for which it is established unless the [board] **office** shall have issued, with respect to such applicant, a certificate of authorization, a copy of which shall have been presented to the secretary of state. The [board] **office** shall issue such a certificate only to an authorized business organization. The secretary of state shall decline to register any trade name or service mark which includes such words or modifications or derivatives thereof in its firm or business name except for trade names and service marks of business entities which have presented to the secretary of state proof that they qualify as authorized business organizations under this chapter.

180 Electricians. Amend RSA 319-C:1 to read as follows:

319-C:1 Electricians. No electrician installation shall be made for compensation, unless made by an electrician or other person licensed by the [electrician's board] **office of professional licensure and certification**, except as provided in this chapter.

181 Electricians; Definitions. Amend RSA 319-C:2, IV to read as follows:

IV. "Journeyman electrician" means a person doing work of installing electrical wires, conduits, apparatus, fixtures, and other electrical equipment. A journeyman electrician shall be employed by a **New Hampshire licensed master electrician or entity licensed pursuant to RSA 319-C:10**. [~~Each journeyman electrician shall work under the direction and supervision of a master electrician.~~]

182 Electricians; Exceptions. Amend RSA 319-C:3, IX-a to read as follows:

IX-a. Any electrical installations in residential or commercial buildings performed by students enrolled in a high school vocational electrical program, college vocational electrical program, and apprenticeship training program, approved by the department of education, provided such work is performed under the supervision of either a teacher holding an electrician's license or by a licensed electrician who is a supervisor of students in cooperative education placements from such programs; and in those cases where the installation is in a new building being constructed as a part of the vocational program, that the installation will be inspected and approved by an individual or group of individuals chosen by the local school districts from persons nominated by the state board of electricians. Any person nominated by the state board shall hold a master's license issued by the ~~[board]~~ **office of professional licensure and certification**.

183 Electricians; Third Party Electrical Inspections. Amend RSA 319-C:5-a, I to read as follows:

I. The board shall adopt rules under RSA 319-C:6-a requiring any entity engaging a person who conducts residential electrical inspections for up to 4 contiguous units, which shall be considered a level 1 inspector, or a person who conducts all types of electrical inspections, which shall be considered a level 2 inspector, who is conducting third-party electrical inspections of electrical installations in this state to have the person conducting the inspection be approved by the ~~board~~ **office of professional licensure and certification in accordance with criteria established by the board**. The board shall determine the qualifications necessary for approval as a level 1 or level 2 electrical inspector. The ~~[board]~~ **office of professional licensure and certification** shall maintain and make available a list of such persons approved for level 1 or level 2 third-party electrical inspections. The approval of a person to conduct either level of third-party electrical inspections shall not prohibit a city or town that has established inspections under RSA 47:22 or RSA 674:51 from contracting with any person of its choice to perform third-party electrical inspections.

184 Electricians; Continuing Education; NFPA 70 Changes. Amend RSA 319-C:6-c to read as follows:

319-C:6-c Continuing Education, NFPA 70 Changes. The board shall adopt rules relative to continuing education applicable to all licensees for training and compliance with the latest published edition of the NFPA 70, National Electrical Code, as published by the National Fire Protection Association. Each licensee shall show proof of completion of continuing education requirements adopted under this section within 12 months from the January 1 following the publication date of the latest version of the NFPA 70. Proof of completion shall be furnished to the ~~[board]~~ **office** by the continuing education provider. Failure to complete the continuing education shall render the electrician's license invalid until the licensee demonstrates to the board that he or she has completed the requisite number of continuing education hours.

185 Electricians; Licensing Requirements. Amend RSA 319-C:7 to read as follows:

319-C:7 Licensing Requirements.

I. ~~[Repealed.]~~

II. The ~~[board]~~ **office** shall issue a license as a master or journeyman electrician to any person who files an application and meets the following qualifications:

(a) Completion of 8,000 hours of service as an apprentice electrician. The board may give credit toward such service for the satisfactory completion of a course of instruction in the field at a school recognized by the board or experience in the field received in military service, in accordance with rules adopted by RSA 541-A; and

(b) Satisfactory passing of an examination approved by said board as provided in RSA 319-C:8 to determine the person's fitness to receive such license.

II-a. The ~~[board]~~ **office** shall issue a license as a high/medium voltage electrician to any person who files an application and meets the following qualifications:

(a) Shows proof of successfully completing a state, national, or employer certification program approved by the board or;

(b) Prior to January 1, 2003, shows proof of having been employed for a minimum of 5 years as a high/medium voltage electrician working for a company with an approved training program.

III. All persons licensed by the ~~[board]~~ **office** shall receive a certificate which must be publicly displayed at the principal place of business of said electrician, or, if no such place of business, must be carried on his or her person and displayed at any time upon request to any electrical inspector appointed by the board under this chapter, as long as said person continues in the business as herein defined. The certificate shall specify the name of the person licensed who, in the case of a firm, shall be one of its members or employees and, in the case of a corporation, one of its officers or employees passing the examination. In the case of a firm or corporation, the license shall be void upon the death of or the severance from the company of said person.

IV. Apprentice electricians shall register with the ~~[board]~~ **office**.

186 Electricians; Examinations for License. Amend RSA 319-C:8 to read as follows:

319-C:8 Examinations for License. Each applicant for licensure shall present to the ~~[board]~~ **office**, ~~[on forms furnished by the board,]~~ a written application for examination and license, containing such information as the board may require, accompanied by the required application fee established by the ~~[board]~~ **office**. Proctored examinations shall be written, written and oral, oral, or computerized as approved by the board, and shall be of a thorough and practical character. They shall include such provisions of the National Electrical Code as

the board may deem appropriate. Any person failing to pass his or her first examination may be reexamined ~~[at any subsequent examination meeting of the board or]~~ by an examination entity approved by the board, and thereafter may be examined as often as he or she may desire upon submitting the written application for examination and license and payment of the required application fee as set forth in this chapter.

187 Electricians; Corporations and Partnerships. Amend RSA 319-C:10 to read as follows:

319-C:10 Corporations and Partnerships.

I. The ~~[board]~~ **office** may issue a license to corporations and partnerships engaged in the business of making electrical installations, provided that one or more officers or employees of any such corporation directly in charge of the business affairs of such corporation, or a member of such partnership directly in charge of its business affairs, is a licensed master electrician.

II. The ~~[board]~~ **office** may issue a license to corporations or partnerships engaged in the business of making electrical installations on high or medium voltage distribution systems operating over 600 volts, provided that one or more officers or employees of any such corporation directly in charge of the electrical business affairs of such corporation, or a member of a partnership directly in charge of its business affairs, is a licensed master electrician or a licensed high/medium voltage electrician.

188 Foresters; Rulemaking. Amend RSA 310-A:102, III to read as follows:

III. Examination ~~[procedures]~~ **requirements**.

189 Foresters; Qualifications for License. Amend RSA 310-A:104 to read as follows:

310-A:104 Qualifications for License. Applicants for licensure as foresters shall qualify under one of the following categories:

I. Possession of a 4-year forestry degree and 2 years' experience of a nature satisfactory to the board **in accordance with rules adopted under RSA 541-A**. The board may ~~[require]~~ **adopt rules requiring** an applicant to pass an ~~[oral or written]~~ examination~~[-, or otherwise meet the approval of the board]~~.

II. Possession of a 2-year forestry degree and 4 years' experience of a nature satisfactory to the board **in accordance with rules adopted under RSA 541-A**. The board may ~~[require]~~ **adopt rules requiring** an applicant to pass an ~~[oral or written]~~ examination~~[-, or otherwise meet the approval of the board]~~.

III. Possession of a 4-year degree in a related field and 4 years' experience of a nature satisfactory to the board **in accordance with rules adopted under RSA 541-A**. The board may ~~[require]~~ **adopt rules requiring** an applicant to pass an ~~[oral or written]~~ examination~~[-, or otherwise meet the approval of the board]~~.

IV. Possession of a 2-year degree in a related field and 6 years' experience of a nature satisfactory to the board **in accordance with rules adopted under RSA 541-A**. The board may ~~[require]~~ **adopt rules requiring** an applicant to pass an ~~[oral or written]~~ examination~~[-, or otherwise meet the approval of the board]~~.

V. There shall be no minimum educational requirement for licensure as a forester for applicants who have 8 years of experience within the last 10 years of a nature satisfactory to the board **in accordance with rules adopted under RSA 541-A**. The board may ~~[require]~~ **adopt rules requiring** an applicant to pass an ~~[oral or written]~~ examination~~[-, or otherwise meet the approval of the board]~~.

190 Foresters; Applications; Fees. Amend RSA 310-A:105 to read as follows:

310-A:105 Applications; Fees. Applications for licensing shall ~~[be made on forms prescribed and furnished by the board, and shall]~~ contain statements made under oath as to citizenship, residence, the applicant's education, a detailed summary of the applicant's technical experience, and shall contain the names of not less than 5 references, 3 or more of whom shall be individuals having personal or professional knowledge of the applicant's forestry experience. The fee for a license as a forester shall be fixed by the ~~[board]~~ **office pursuant to RSA 541-A**. ~~[One-half of the fee shall accompany the application, the balance to be paid before the issuance of the license. Should the applicant fail to remit the remaining balance within 30 days after being notified by certified mail, return receipt requested, that the application has been accepted, the applicant shall forfeit the right to have the license issued and the applicant may be required to again submit an original application and pay an original fee on such application. Should the board deny the issuance of a license to any applicant, the fee deposited shall be retained by the board as an application fee.]~~

191 Foresters; Examination; Re-Examination; Fee. Amend RSA 310-A:106 to read to as follows:

310-A:106 Examination; Re-Examination; Fee. **The requirements for examination, if any,** ~~[The methods and procedure for written and oral examinations]~~ shall be prescribed by the board. ~~[A candidate failing an examination may apply for re-examination at the expiration of 6 months and shall be entitled to one re-examination without payment of an additional fee. Subsequent re-examinations may be granted upon payment of a fee to be fixed by the board.]~~

192 Foresters; Issuance of License; Endorsement of Documents. Amend RSA 310-A:107 to read as follows:

310-A:107 Issuance of License; Endorsement of Documents. The ~~[board]~~ **office of professional licensure and certification** shall issue a license upon payment of the fee as provided in this subdivision to any applicant, who~~[-, in the opinion of the board,]~~ has satisfactorily met all the requirements of this subdivision. Licenses shall show the full name of the licensee and shall have a serial number. The issuance of a license by the ~~[board]~~ **office of professional licensure and certification** shall be evidence that the person named in the license is entitled to all rights and privileges of a licensed forester while such license remains unrevoked

or unexpired. Plans, maps, and reports issued by the licensee shall be endorsed with the licensee's name and license number during the life of the license. It shall be a class B misdemeanor for anyone to endorse any document with such name and license number after the license of the named licensee has expired or has been revoked, unless said license has been renewed or reissued. It shall be a class B misdemeanor for any licensed forester to endorse any plan, map, or report unless the licensed forester shall have actually prepared such plan, map, or report, or shall have been in the actual charge of the preparation of the same.

193 Foresters; Expiration. Amend RSA 310-A:108 to read as follows:

310-A:108 Expiration. All licenses issued by the board shall expire ~~[on the last day of the month of the licensee's birth in the year 2 years following the year of issuance]~~ **as set forth in RSA 310:8.**

194 Foresters; License Renewal. Amend RSA 310-A:109 to read as follows:

310-A:109 License Renewal. Licenses may be renewed ~~[by written application prior to the expiration date and by payment of the prescribed renewal fee]~~ **every two years in accordance with RSA 310:8.** ~~[The secretary shall notify each forester one month prior to the expiration of such certificate.]~~ The applicant shall ~~[submit proof of completion of]~~ **have completed** 20 hours of continuing education approved by the board at the time of license renewal, ~~[together with a]~~ **and shall submit a** record of any legal action brought against the applicant for services as a forester.

195 Foresters; Repeals. The following are repealed:

- I. RSA 310-A:101, relative to procedures.
- II. RSA 310-A:110, relative to failure to renew.
- III. RSA 310-A:111, relative to reciprocity.
- IV. RSA 310-A:113-a, relative to additional powers.
- V. RSA 310-A:115, relative to injunctions.
- VI. RSA 310-A:116, relative to administrative costs.

196 Professional Geologists; Definitions. Amend RSA 310-A:118, IV to read as follows:

IV. "Licensed professional geologist" means a person who, by reason of advanced knowledge of geology and the supporting physical and life sciences, acquired by education and experience, is technically and legally qualified to engage in the practice of geology as defined in this section and has successfully passed the examination as may be required in this subdivision and who is licensed by the ~~[board]~~ **office** or otherwise authorized by this subdivision to engage in the practice of the profession of geology.

197 Professional Geologists; Rulemaking; Fees. Amend RSA 310-A:121, I to read as follows:

- I. The board shall adopt rules, pursuant to RSA 541-A, relative to:
 - (a) ~~[Repealed.]~~
 - (b) The qualifications of applicants in accordance with applicable statutes, and the ethical standards required for licensure;
 - (c) The examination ~~[procedures]~~ **criteria** in accordance with applicable statutes;
 - (d) License renewal, including requirements for continuing education;
 - (e) Ethical and professional standards required to be met by each holder of a license under this subdivision and how disciplinary actions by the board shall be implemented for violations of these standards;
 - (f) ~~[Repealed.]~~
 - (g) The design of an official seal;
 - (h) What constitutes geology experience for the purposes of RSA 310-A:125; **and**
 - (i) ~~[Procedures]~~ **Requirements** for a waiver of the fundamentals of geology examination under RSA 310-A:129; **and**
 - (j) ~~Interstate licensure and temporary permits under RSA 310-A:131].~~

198 Professional Geologists; Licensure. Amend RSA 310-A:124 to read as follows:

310-A:124 Licensure. No person shall practice professional geology or represent oneself as a professional geologist who is not licensed by the ~~[board]~~ **office** or whose license expired, or was canceled, suspended, or revoked, except as otherwise provided in this subdivision. Licensure to practice geology shall not be required until after the one-year period set forth in RSA 310-A:125, II has ended.

199 Professional Geologists; Requirements for Licensure as a Professional Geologist. Amend RSA 310-A:125 to read as follows:

310-A:125 Requirements for Licensure as a Professional Geologist.

I.(a) Applicants for licensure as a professional geologist shall meet the ethical standards set forth in this subdivision and shall have committed no misconduct as set forth in RSA 310-A:133, II. In addition, each applicant shall have a bachelor's degree in geology or a bachelor's degree in a related field which included 30 credit hours or 45 quarter hours in geology from an accredited 4-year college, or a master's or doctoral degree from an accredited graduate program in geology, including but not limited to degrees or credit hours in geochemistry, geohydrology, geomorphology, geophysics, groundwater geology, hydrogeology, hydrology, marine geology, mineralogy, mining geology, paleontology, petrography/petrology, sedimentology/stratigraphy/historical geology, or water resources studies; and shall present evidence suitable to the board of at least 5 years of experience in the practice of geology, of which at least 3 years must have been under the supervi-

sion of a licensed professional geologist or a geologist who otherwise meets the requirements of a licensed professional geologist as determined by the board. Applicants meeting these ethics, education and experience requirements shall be eligible to sit for an examination ~~[to be administered by the board]~~. Unless otherwise provided, applicants shall take the examination and receive a passing score.

(b) Experience in the practice of geology, obtained before the expiration of the period described in paragraph II of this section, may count towards the experience in the practice of geology under the supervision of a professional geologist required in subparagraph I(a) of this section if the supervising geologist met the education and experience qualifications of paragraph II at the time of the relevant experience. For purposes of this section, experience in the practice of geology does not include routine sampling, laboratory work or geological drafting.

(c) A completed academic year of graduate study in geology may be applied either towards a year of the experience requirement of this section up to a total maximum of 2 years, or to the education requirement of this section, but not both.

(d) A completed academic year of college or graduate level teaching in geology may be applied towards a year of the experience requirement of this section.

II. Following the effective date of the initial adoption by the board of rules under RSA 541-A, the ~~[board]~~ **office** may issue licenses without examination to applicants whose applications for licensure have been received during a one-year period following the effective date of adoption of rules and who either meet the education and experience requirements of subparagraph I(a) of this section, or who provide evidence satisfactory to the board of knowledge and experience equivalent to such requirements.

III. Whenever information presented in an application for licensure or renewal is determined by the ~~[board]~~ **office** to be incomplete or insufficient, the ~~[board]~~ **office** may require additional information as necessary to determine if the application requirements of this section have been met.

200 Professional Geologists; Continuing Education. Amend RSA 310-A:127 to read as follows:

310-A:127 Continuing Education. ~~[Evidence satisfactory to the board of the]~~ Completion in each biennial renewal period of a minimum of 24 hours of continuing education shall be required for license renewal. The board shall identify the types of educational courses and activities that would further the professional competence of licensees. In general, the continuing education credits shall be determined on the basis of one credit for each contact hour of course instruction or professional development activity actually attended by a licensee.

I. Applications for licensure shall be made using the method prescribed and furnished by the office of professional licensure and certification. Applications shall contain statements made under oath, showing the applicant's education and a detailed summary of the applicant's technical work, and shall contain not less than 5 references, of whom at least 3 shall be professional geologists having personal knowledge of the applicant's professional experience.

II. References relating to experience in the practice of geology performed prior to the effective date of this subdivision may be provided by either a professional geologist or a person determined by the board **according to rules** to be of equivalent ethical standards, education, and experience who may or may not have been licensed.

III. If the ~~[board]~~ **office** denies the issuance of a license or a temporary permit to any applicant, any initial fee deposited shall be retained as an application fee.

201 Professional Geologists; Examinations. Amend RSA 310-A:129 to read as follows:

310-A:129 Examinations. ~~[Written technical examinations in geology shall be held at least annually as the board shall determine.]~~ The scope of the technical and professional examination and the methods of procedure shall be prescribed by the board. ~~[A candidate failing an examination may apply for reexamination upon payment of an additional fee determined by the board and shall be reexamined on the next regularly scheduled examination date. A candidate failing the examination 3 consecutive times shall be required to furnish evidence of additional experience, study, or education credits acceptable to the board before being allowed to proceed with the examination.]~~

202 Professional Geologists; Certificates; Seals. Amend RSA 310-A:130 to read as follows:

310-A:130 Certificates; Seals. The ~~[board]~~ **office** shall issue a license, upon payment of the licensing fee established by the office of professional licensure and certification, to any applicant who has satisfactorily met all the requirements of this subdivision. Licensees shall show the full name of the licensee and have a serial number. The issuance of a license by the board shall be prima facie evidence that the person named in the license is entitled to all the rights and privileges of a licensed professional geologist while the license remains valid. Each licensee shall upon licensure obtain a seal of the design authorized by the board, bearing the registrant's name and the legend, "Licensed Professional Geologist." All papers or documents involving the practice of geology affecting public health, safety, and welfare, under this subdivision, when issued or filed for public record, shall be dated, and bear the signature and seal of the licensed professional geologist who prepared or had responsibility for and approved them.

203 Professional Geologists; License Renewals. RSA 310-A:132 is repealed and reenacted to read as follows:

310-A:132 License Expiration and Renewals. All licenses issued by the board shall expire in accordance with RSA 310:8. Licensees in good standing may renew their licenses by paying the renewal fee prior to the expiration date of the license, and by presenting evidence satisfactory to the board of completion of the continuing education requirements established by the board. If properly renewed, a license shall remain in effect continuously from the date of issuance, unless suspended or revoked by the board for just cause.

204 Professional Geologists; Repeals. The following are repealed:

- I. RSA 310-A:122, relative to immunity.
- II. RSA 310-A:131, relative to interstate licensure.
- III. RSA 310-A:134, relative to enforcement.
- IV. RSA 310-A:136, relative to reissuance of licenses.
- V. RSA 310-A:138, relative to restraint of violations.

205 Home Inspectors; Rulemaking Authority. Amend RSA 310-A:187 to read as follows:

310-A:187 Rulemaking Authority.

I. The board shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The qualifications of applicants in addition to requirements of this subdivision, and including the qualifications for satisfactory evidence of good professional character.

(b) The criteria for a license to be renewed or reinstated, including any requirements for continuing education.

(c) [Repealed.]

(d) [Repealed.]

(e) [~~Procedures for approving education courses for eligibility for licensure and for a continuing education program.~~]

(~~f~~) How an applicant shall be examined, including the form of the examination.

(~~g~~) (*f*) The design of an official seal.

(~~h~~) (*g*) The establishment of administrative fines which may be levied in the administration of this subdivision.

II. The board shall adopt one eligibility examination required for licensure that is an independent nationally recognized proctored examination.

[~~III. At least 40 days prior to any hearing to be held pursuant to RSA 541-A:11, the board shall furnish a copy of any proposed rules of or amendments thereto, to all affected professionals licensed by the board.~~]

206 Home Inspector Licensure Requirements. Amend RSA 310-A:190 to read as follows:

310-A:190 Eligibility Requirements for Licensure as a Home Inspector.

I. Each applicant for licensure as a home inspector shall meet the following minimum requirements:

(a) Completion of no less than 80 hours of board-approved education covering all of the following core components of a residential building of 4 units or less:

- (1) Heating system.
- (2) Cooling system.
- (3) Plumbing system.
- (4) Electrical system.
- (5) Structural components.
- (6) Foundation.
- (7) Roof covering.
- (8) Exterior and interior components.
- (9) Site aspects as they affect the building.

(b) Have successfully completed high school or its equivalent.

(c) Proof of passing the board-adopted examination required for licensure.

(d) Be at least 18 years of age.

(e) Submit to the [~~board~~] **office of professional licensure and certification** a public criminal history record information authorization form as provided by the New Hampshire state police, which authorizes the release of the applicant's public criminal history record information, if any. The applicant shall bear the cost of the public criminal history record information check.

II. A person who was actively engaged in the business of home inspection in this state as a means of his or her livelihood for at least 12 months preceding the effective date of this subdivision shall be eligible for licensure by the [~~board~~] **office of professional licensure and certification** without completion of the requirements of subparagraph I(a). An applicant under this paragraph shall be issued a license by providing evidence satisfactory to the board of the knowledge and experience equivalent to the requirements of subparagraph I(a). All applicants shall meet the requirements of subparagraphs I(b) through (e), pay an initial fee, and fulfill all other license application requirements.

III. The board shall approve all education programs under subparagraph I(a) of organizations or education institutions providing acceptable education and training.

IV. The board shall have the discretion to reject an applicant who is not of good professional character, as evidenced by:

- (a) Conviction for commission of a felony;
- (b) Misstatement of facts by the applicant in connection with the application;
- (c) Violation of any of the standards of practice or code of ethics as they are set forth in this subdivision or in rules adopted by the board; or

310-A:192 Continuing Education. ~~[Evidence satisfactory to the board of the]~~ Completion in each 2-year renewal period of a minimum of 20 hours of continuing education shall be required for license renewal, provided that one hour of the 20 required hours shall be from a board-approved course on appropriate building regulations including any recent revisions to regulations. The board shall approve educational courses and activities that would further the professional competence of licensees. The continuing education credits shall be determined on the basis of one credit for each contact hour of course instruction or professional development activity actually attended by a licensee.

208 Home Inspectors; Issuance of Licenses. Amend RSA 310-A:193 to read as follows:

310-A:193 Issuance of Licenses. The ~~[board]~~ **office** shall issue a license upon payment of the license fee established by the office of professional licensure and certification, to any applicant who~~[-in the opinion of the board,]~~ has satisfactorily met all the requirements of this subdivision. Licenses shall show the full name of the licensee and have a serial number. The issuance of a license ~~[by the board]~~ shall be prima facie evidence that the person named in the license is entitled to all the rights and privileges of a licensed home inspector while the license remains valid. It shall be a class B misdemeanor for the licensee to perform home inspections after the license of the licensee has expired or has been revoked, unless such license shall have been renewed, reinstated, or reissued.

209 Home Inspectors; Expirations and Renewals. Amend RSA 310-A:195 to read as follows:

310-A:195 Expiration and Renewals.

I. ~~[The board shall send, by mail or otherwise, notification of the impending license expiration to each licensee at least one month prior to the expiration of the license, along with a request for payment of a renewal fee.]~~ Licensees in good standing may renew their licenses ~~[by paying the renewal fee prior to the expiration date of the license , and by presenting evidence satisfactory to the board of completion of the continuing education requirements]~~ **every two years in accordance with RSA 310:8**. If properly renewed, a license shall remain in effect continuously from the date of issuance, unless suspended or revoked by the board for just cause.

II. ~~[All licenses issued by the board shall expire on the last day of the licensee's month of birth in the second year following the year of issuance, or upon such other biennial date as the board may adopt. If the renewal fee is not submitted within 12 months after the expiration date, the licensee's name shall be removed from current status, and application for reinstatement shall be required to return to current status. The board shall charge a 20 percent late fee for each month or fraction of a month the renewal is late, up to 12 months, in addition to the renewal fee. Any renewal application received 12 months after the expiration date shall be rejected, unless accompanied by proof of successful completion of the examination required by the board.]~~ A licensed home inspector shall complete at least 20 hours of board-approved continuing education during each license period in order to maintain his or her license. ~~[If a licensee fails to renew such license within the 12 months after the date of expiration, it shall become null and void and the licensee shall be required to reapply and to be re-examined for licensure.]~~

III. ~~Licensees who have been activated by the military shall be exempt from any penalties or fees for renewal or reinstatement due to their absence, as approved by the board.]~~

210 Office of Professional Licensure and Certification; Repeals. The following provisions of RSA 310-A are repealed:

- I. RSA 310-A:188, relative to fees.
- II. RSA 310-A:194, relative to reciprocity.
- III. RSA 310-A:198, relative to re-issuance of licenses.
- IV. RSA 310-A:200 relative to restraint of violations.

211 Land Surveyors; General Provisions. Amend RSA 310-A:53, IV and V to read as follows:

IV. The practice of or the offer to practice land surveying in this state by individual licensed land surveyors as a business organization, a material part of the business which includes land surveying, is permitted provided certain personnel of such entity who shall act in its behalf are licensed land surveyors under the provisions of this subdivision and provided such entity has been issued a certificate of authorization by the ~~[board]~~ **office** as provided in this subdivision. (d) Demonstrates no record of unprofessional conduct;

(e) Furnishes any evidence required by the commission relative to good reputation for honesty, trustworthiness, and integrity;

(f) For a broker acting as a principal broker or a managing broker, but excluding associate brokers or a corporation, partnership, limited liability company, or association, files a surety bond with the ~~[commission]~~ **office** which shall be held in accordance with RSA 331-A:14;

(g) Submits evidence ~~[acceptable to the commission]~~ of at least 6 separate real estate transactions in which the applicant was actively involved and was compensated or proves to the ~~[commission]~~ **office, based on criteria set by the commission**, that the applicant has equivalent experience **in accordance with rules adopted pursuant to 541-A**; and

(h) Complies with the criminal records check under RSA 331-A:10-a.

242 New Hampshire Real Estate Practice Act; Examinations. RSA 331-A:11 is repealed and reenacted to read as follows:

331-A:11 Examinations. Any applicant seeking a salesperson's or broker's license shall first pass a reasonable written examination approved by the board. Any person who has passed the examination for broker or salesperson shall become licensed within 6 months of the date of the examination. Any person who fails to become licensed within the 6-month period shall be required to retake the examination.

243 New Hampshire Real Estate Practice Act; Supervision of Real Estate Office; Branch Offices. Amend RSA 331-A:16, I to read as follows:

I. Every real estate office or real estate branch office, whether operated as a corporation, partnership, or sole proprietorship, shall be directed, supervised, and managed by a licensed real estate broker. The principal broker shall submit to the ~~[commission]~~ **office** a branch office application form prior to the opening of any branch office. The principal broker shall designate a managing broker for each branch office the principal broker opens. The principal broker shall notify the ~~[commission]~~ **office** when any licensee associated with the principal broker transfers from one branch office to another branch office within the same association.

244 New Hampshire Real Estate Practice Act; Programs of Study. Amend RSA 331-A:20 to read as follows:
331-A:20 Programs of Study; Preparatory Education; Continuing Education.

I. An individual, institution, or organization seeking accreditation or renewal of accreditation to ~~[offer]~~ **teach** a preparatory or continuing education program of study shall meet criteria and submit documentation **to the office** as required by the commission prior to approval.

I-a. The commission shall require any individual, institution, or organization seeking accreditation or renewal of accreditation of a real estate **preparatory or continuing education** course to submit documents, statements, and forms prior to approval.

II. ~~[In reviewing and approving an application for a continuing education course, the commission shall assess the content with the primary purpose of assuring that real estate licensees possess the knowledge, skills, and competence necessary to perform the licensee's duties in the real estate business].~~ The subject matter of the **preparatory or continuing education** course must be directly related to real estate practice in New Hampshire ~~[-]~~ **and satisfy all requirements established by the commission pursuant to RSA 541-A.** Continuing education courses shall consist of the following:

(a) Continuing education 3-hour core courses shall cover, but not be limited to, changes in state and federal laws dealing with real estate brokerage, housing, financing of real property and consumer protection as well as changes in state enabling laws dealing with zoning and subdivision practices. The core courses shall be designed to assist the licensee in keeping abreast of changing laws, rules and practices which will affect the interest of the licensee's clients or customers.

(b) Continuing education elective courses shall cover, but not be limited to, property valuation, construction, contract and agency law, ethics, financing and investment, land use and zoning, property management, taxation, environmental issues, and supervision and office management. The elective courses shall be designed to assist the licensee in keeping abreast of changing laws, rules, and practices which affect the interest of the licensee's clients or customers.

~~[III. The commission shall establish a program of continuing education for license renewal to be administered in at least 5 geographical locations including, but not limited to, locations in or near Berlin, Concord, Keene, Nashua and Portsmouth, depending upon local requirements and the ability to engage accredited individuals, corporations or educational institutions.]~~

~~IV.]~~ **III.** The ~~[commission]~~ **office** may establish a fee for educational program evaluation.

~~[V.]~~ **IV.** Any **instructors accredited by the office to teach** ~~[individual, institution, or organization offering]~~ a preparatory or continuing education program who commits any of the following acts, conduct, or practices shall, after a hearing under RSA 331-A:30, be subject to disciplinary action as provided in RSA 331-A:28:

(a) Obtaining or attempting to obtain an accreditation or re-accreditation by means of fraud, misrepresentation, or concealment.

(b) Violating any of the provisions of this chapter, or any rules adopted, or order issued pursuant to this chapter.

(c) Advertising the availability of accredited courses in a false, misleading, or deceptive manner.

(d) Failing to include in any advertisement the individual, institution, or organization's legal name or reasonable derivative thereof accredited to teach the course.

(e) Offering or providing a course with curriculum or subject matter which is not the curriculum or subject matter submitted for accreditation.

(f) Engaging in conduct which demonstrates incompetence.

(g) Providing an affidavit of completion of an accredited course to a licensee or a potential licensee who has not completed the required hours of such course.

(h) Providing outdated, inappropriate, or inaccurate teaching materials or information.

(i) Receiving poor student evaluations or commission audits.

(j) Failing to take corrective action toward unsatisfactory performance or issues identified in commission audits.

245 New Hampshire Real Estate Practice Act; Temporary Licenses. Amend RSA 331-A:21 to read as follows:

331-A:21 Temporary Licenses. In the event of the death or total incapacity of a licensed real estate principal broker of a real estate business, the ~~[commission]~~ **office** may, upon application by the principal broker's legal representative, issue without examination a temporary license to such legal representative or to an individual

designated by the legal representative and approved by the commission, and by the payment of the prescribed fee, which shall authorize such temporary licensee to continue to transact real estate business for a period not to exceed one year from the date of death or incapacitation.

246 New Paragraphs; New Hampshire Real Estate Practice Act; Rulemaking. Amend RSA 331-A:25 by inserting after paragraph XV the following new paragraphs:

XVI. The supervision requirements for salespersons.

XVII. The accreditation of instructors of preparatory and continuing education courses.

XVIII. The requirements for accreditation of preparatory and continuing education courses.

247 Repeals; Real Estate Practice Act. The following are repealed:

I. RSA 331-A:5, VII, relative to an official seal.

II. RSA 331-A:12, I, relative to application forms.

III. RSA 331-A:24-a, relative to notice of rulemaking.

248 Cremation of Human Remains; Deny or Refuse to Renew License; Grounds. Amend RSA 325-A:11 to read as follows:

325-A:11 Deny or Refuse to Renew License; Grounds.

The [board] **office of professional licensure and certification** may deny or refuse to renew a license under this chapter or take disciplinary action against a crematory authority licensed under this chapter as provided in RSA 325-A:12 on any of the following grounds:

I. Violation of this chapter or rules adopted and pursuant to this chapter;

II. ~~[Conviction of any crime involving moral turpitude];~~

III. Conviction of a misdemeanor or felony under state law, federal law, or the law of another jurisdiction which, if committed within this state, would have constituted a misdemeanor or felony and which has a rational connection with the fitness or capacity of the crematory authority to operate a crematory;

IV. Conviction of a violation pursuant to RSA 325-A:15;

V. Obtaining a license as a crematory authority by false representation or fraud;

VI. Misrepresentation or fraud in the operation of a crematory; or

VII. Failure to allow access by an agent or employee of the [board] **office of professional licensure and certification** to a crematory operated by the crematory authority for the purposes of inspection, investigation, or other information collection activities necessary to carry out the duties of the board **or office of professional licensure and certification**.

249 Physician Assistants; License Required. Amend RSA 328-D:2, I to read as follows:

I. No person shall practice as a physician assistant in the state of New Hampshire unless he or she is licensed ~~[by the board of medicine]~~ in accordance with this chapter.

250 Physician Assistants; Criminal History Records Check. Amend RSA 328-D:3-a to read as follows:

328-D:3-a Criminal History Record Checks.

I. Every applicant for initial permanent licensure or reinstatement shall submit to the [board] **office** a criminal history record release form, as provided by the New Hampshire division of state police, which authorizes the release of his or her criminal history record, if any, to the [board] office.

II. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the department of safety. In the event that the first set of fingerprints is invalid due to insufficient pattern, a second set of fingerprints shall be necessary in order to complete the criminal history records check. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the board may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where the person has lived during the past 5 years.

III. The [board] office shall submit the criminal history records release form and fingerprint form to the division of state police which shall conduct a criminal history records check through its records and through the Federal Bureau of Investigation. Upon completion of the records check, the division of state police shall release copies of the criminal history records to the [board] office.

IV. The [board] **office** shall review the criminal record information prior to making a licensing decision and shall maintain the confidentiality of all criminal history records received pursuant to this section.

V. The applicant shall bear the cost of a criminal history record check.

251 Physicians Assistants; Renewal of License. Amend RSA 328-D:5 to read as follows:

328-D:5 Renewal of Licenses. Every person licensed to practice under this chapter shall apply to the [board] **office** for biennial renewal of license on forms provided by the office of professional licensure and certification and shall pay a renewal fee as established by the office of professional licensure and certification. ~~[Applications for renewal shall be filed no later than December 31 of every other year.]~~ A license issued under this chapter shall **expire unless renewed in accordance with RSA 310:8** ~~[not expire until the board has taken final action upon the application for renewal].~~

252 Repeal. RSA 328-D:5-a, relative to physicians assistants failure to renew, is repealed.

253 Office of Professional Licensure and Certification; Complaints and Investigations. Amend RSA 310:9, V(a) to read as follows:

V. To carry out investigations, the executive director is authorized to:

(a) Retain qualified experts according to criteria established by the relevant board. ***If the board has not established criteria, or under extraordinary circumstances, the executive director may retain qualified experts*** [or] who have sufficient knowledge on appropriate statutes or professions and their practices.

254 Professional Engineers; Definitions. Amend RSA 310-A:2, II to read as follows:

II. "Professional engineer" means a person who by reason of advanced knowledge of mathematics and the physical sciences, acquired by professional education and practical experience, is technically and legally qualified to practice engineering, and who is licensed by the [board] ***office*** or otherwise authorized by this subdivision to engage in the practice of engineering.

255 Professional Engineers; Receipts and Disbursements. RSA 310-A:8 is repealed and reenacted to read as follows:

310-A:8 Disbursements.

The office may make expenditures for the reasonable expenses of the board's delegate to meetings of, and membership dues to, the National Council of Examiners for Engineering and Surveying (NCEES).

256 Professional Engineers; Applications. Amend RSA 310-A:16 to read as follows:

310-A:16 Applications. Applications for licensure or for a temporary permit shall be on forms prescribed and furnished by the [board] ***office***, shall contain statements made under oath, showing the applicant's education and a detailed summary of the applicant's technical work, and shall contain not less than 5 references, of whom at least 3 shall be licensed professional engineers having personal knowledge of the applicant's professional experience. ~~[The board shall establish fees for application and any examination required under this subdivision.]~~ If the [board] ***office*** denies the issuance of a license or a temporary permit to any applicant, any initial fee deposited shall be retained as an application fee.

257 Professional Engineers; Examinations. Amend RSA 310-A:17 to read as follows:

310-A:17 Examinations. Proctored technical examinations in engineering shall be held at least annually as the [board] ***office of professional licensure and certification*** shall determine. If examinations are required on fundamental subjects, the applicant shall be permitted to take this part of the examination upon completion of the requisite years of professional experience. The [board] ***office*** may issue to each applicant, upon successfully passing the examination in fundamental subjects, a certificate stating that the applicant has passed the examination. The scope of the technical and professional examination ~~[and the methods of procedure]~~ shall be prescribed by the board. A candidate failing an examination may apply for reexamination upon payment of an additional fee determined by the [board] ***office*** and shall be reexamined on the next regularly scheduled examination date. A candidate failing the examination 3 consecutive times shall be required to furnish evidence of additional experience, study, or education credits acceptable to the board before being allowed to proceed with the examination.

258 Professional Engineers; Certificates; Seals. Amend RSA 310-A:18 to read as follows:

310-A:18 Certificates; Seals. The [board] ***office*** shall issue a license, upon payment of the registration fee established by the office of professional licensure and certification, to any applicant who ~~[, in the opinion of the board,]~~ has satisfactorily met all the requirements of this subdivision. ~~[Licenses shall show the full name of the licensee and have a serial number.]~~ The issuance of a license by the [board] ***office*** shall be prima facie evidence that the person named in the license is entitled to all the rights and privileges of a licensed professional engineer while the license remains valid. Each licensee shall upon licensure obtain a seal of the design ~~[authorized]~~ ***meeting the criteria established*** by the board, bearing the registrant's name and the legend, "Licensed Professional Engineer." All papers or documents involving the practice of engineering under this subdivision, when issued or filed for public record, shall be dated, and bear the signature and seal of the licensed professional engineer who prepared or had responsibility for and approved them. It shall be a class B misdemeanor for the licensee to stamp or seal any documents with such seal after the license of the licensee has expired or has been revoked, unless such license shall have been renewed or reissued.

259 Professional Engineers; Interstate Licensure; Temporary Permit. Amend RSA 310-A:19, II-III to read as follows:

II. Applicants who are certified by the National Council of Engineering Examiners (NCEE) may apply for licensure by having their NCEE record sent to the [board] ***office*** and by furnishing such other information on a standard application form as the [board] ***office*** may direct.

III. A person not a resident of and having no established place of business in this state who wishes to practice or to offer to practice engineering in this state may make application to the [board] ***office*** for a temporary permit. A temporary permit shall be limited to practice on a specific project in this state for a period not to exceed 6 months in any one calendar year, provided such person is a licensed professional engineer in a state or country where the requirements and qualifications for obtaining a certificate of licensure are substantially equivalent to or higher than those specified in this subdivision.

260 Professional Engineers; Engineering Certificates for Business Organizations. Amend RSA 310-A:20 to read as follows:

310-A:20 Engineering Certificates for Business Organizations.

I. The practice of or offer to practice professional engineering for others by individual engineers licensed under this subdivision through a business organization as officers, partners, associates, employees, or agents is permitted, subject to the provisions of this subdivision; provided that:

(a) One or more of the corporate officers, of a corporation or one or more general partners, or associates is designated as being responsible for the engineering activities and engineering decisions of the business organization, and is a licensed engineer under this subdivision.

(b) All personnel of the business organization who act in its behalf as professional engineers are licensed under this subdivision.

(c) The business organization has been issued a certificate of authorization by the [board] **office of professional licensure and certification**, as provided in this section.

II. The requirements of this subdivision shall not affect a business organization or its employees in performing services for such business organization or its subsidiary or affiliated business organizations. All final drawings, specifications, plans, reports, or other engineering papers or documents involving the practice of engineering, when issued or filed for public record, shall be dated, and bear the signature and seal of the professional engineer who prepared them or under whose direct supervisory control they were prepared.

III. A business organization desiring a certificate of authorization shall file with the [board] **office of professional licensure and certification** an application, using a form provided by the [board] **office of professional licensure and certification**, listing the names and addresses of all officers and board members, general and limited partners, associates, and any individuals duly licensed to practice engineering in this state who shall be in responsible charge of the practice of engineering in this state through the business organization, and any other information required by the board. The same form, giving the same information, must accompany the [annual] renewal fee. If there is a change in any of these persons during the year, such change shall be designated on the same form and filed with the [board] **office of professional licensure and certification** within 30 days after the effective date of such change. If all requirements of this section are met, the [board] **office of professional licensure and certification** shall issue a certificate of authorization to such business organization, and such business organization shall be authorized to contract for and to collect fees for furnishing engineering services.

IV. No business organization shall be relieved of responsibility for the conduct or acts of its agents, employees, officers, or partners, by reason of its compliance with the provisions of this section, nor shall any individual practicing engineering be relieved of responsibility for engineering services performed by reason of such individual's employment by or relationship with such business organization.

V. The secretary of state shall not issue a certificate of incorporation to an applicant for incorporation or for registration as a foreign business organization which includes the words "Engineer" or "Engineering" or any modification or derivative thereof in its corporate or business name or which includes the practice of engineering among the objects for which it is established unless the [board] **office** shall have issued, with respect to such applicant, a certificate of authorization or eligibility for authorization, a copy of which shall have been presented to the secretary of state. Similarly, the secretary of state, after a reasonable transition period, shall decline to register any trade name or service mark which includes such words or modifications or derivatives thereof in its firm or business name except to partnerships, sole proprietorships and associations holding certificates of registration or authorization issued under the provisions of this subdivision, a copy of which shall likewise have been presented to the secretary of state. However, the requirements of this subdivision shall not apply to any business formed and registered with the secretary of state prior to January 1, 1999, which uses the words "Engineer" or "Engineering" or any modification or derivative thereof in its corporate or business name, and which does not perform or require the services of a professional engineer.

VI. A professional engineer who renders occasional, part-time or consulting engineering services to or for a business organization may not, for the purposes of this subdivision, be designated as being responsible for the engineering activities and decisions of such business organization.

261 Professional Engineers; Investigations and Disciplinary Proceedings. Amend RSA 310-A:22, II(k) to read as follows:

(k) Failure to provide, within 30 calendar days of receipt of notice by certified mail, return receipt requested, information requested by the [board] **office** as a result of any formal complaint to the [board] **office** alleging a violation of this subdivision.

262 Repeal. The following are repealed:

I. RSA 310-A:5-a, relative to notice of rulemaking proceedings.

II. RSA 310-A:6, I(o), relative to rulemaking authority on interstate licensure and temporary permits.

III. RSA 310-A:6, I(p), relative to rulemaking authority on waiver of certain renewal fees.

IV. RSA 310-A:6, I(q), relative to rulemaking authority on civil penalties.

V. RSA 310-A:6, III, relative to notice of proposed rules of professional conduct.

VI. RSA 310-A:6-a, relative to immunity from civil liability.

VII. RSA 310-A:7, relative to fees.

VIII. RSA 310-A:11, relative to licensure required.

IX. RSA 310-A:19, I, relative to interstate licensure.

X. RSA 310-A:21, relative to license expiration and renewals.

XI. RSA 310-A:23, relative to hearings, appeals, and penalties.

XII. RSA 310-A:24, relative to reissuances of licenses.

XIII. RSA 310-A:25, II, relative to attorney general as a legal advisor.

263 New Hampshire Veterinary Practice Act; License Required and Exceptions. Amend the introductory paragraph of RSA 332-B:2 to read as follows:

Except as provided in RSA 332-B:9, no person may practice veterinary medicine in the state who is not a licensed veterinarian, or the holder of a valid temporary permit issued by the [board] **office of professional licensure and certification**. This chapter shall not be construed to prohibit:

264 New Hampshire Veterinary Practice Act; Meetings and Duties. Amend RSA 332-B:5 to read as follows:

332-B:5 Meetings and Duties. The board shall meet at least 6 times a year at the time and place fixed by rule of the board. Other necessary meetings may be called by the president of the board by giving notice as may be required by rule. The quorum and the actions of the board shall be in accordance with RSA 91-A. At its annual meeting, the board shall organize by electing a president and such other officers as may be prescribed by rule. Officers of the board serve for terms of one year and until a successor is elected, without limitation on the number of terms an officer may serve. The president shall preside at board meetings ~~and serve as administrative head of the board~~. Records shall be kept pursuant to RSA 91-A:3 and in accordance with the retention policy established by the office of professional licensure and certification.

265 New Hampshire Veterinary Practice Act; Powers of the Board. Amend RSA 332-B:7, I to read as follows:

I. ~~[Examine and]~~ Determine **the criteria for examinations and** the qualifications and fitness of applicants for a license to practice veterinary medicine in this state.

266 New Hampshire Veterinary Practice Act; Rulemaking Authority. Amend RSA 332-B:7-a, XII to read as follows:

XII. Establishing ~~and enforcing~~ standards for veterinary facilities; and

267 New Hampshire Veterinary Practice Act; Application for License; Qualifications. Amend RSA 332-B:9 to read as follows:

332-B:9 Application for License; Qualifications. Any person desiring a license to practice veterinary medicine in this state shall make written application to the [board] **office of professional licensure and certification**. The application shall show that the applicant is 18 years of age or more, a graduate of an AVMA accredited school of veterinary medicine or other veterinary school acceptable to the board, or the holder of an ECFVG certificate or a PAVE certificate, a person of good professional character, and such other information and proof as the board may require by rule. The application shall be accompanied by [a] **the requisite** fee ~~[in the amount established and published by the board]~~.

268 New Hampshire Veterinary Practice Act; Examinations. Amend RSA 332-B:10 to read as follows:

332-B:10 Examinations. The [board] **office of professional licensure and certification** shall hold at least one examination during each year and may hold such additional examinations as are necessary. The [board] **office** shall give public notice of the time and place for each examination at least 90 days in advance of the date set for the examination. A person desiring to take an examination shall make application at least 30 days before the date of the examination. The preparation~~[-administration,]~~ and grading of examinations shall be governed by rules prescribed by the board. Examinations shall be designed to test the examinee's knowledge of and proficiency in the subjects and techniques commonly taught in veterinary schools and familiarity with the law and rules governing veterinary medicine in this state. To pass the examination, the examinee must demonstrate scientific and practical knowledge sufficient to prove that he or she is a competent person to practice veterinary medicine in ~~[the judgment of]~~ **accordance with criteria established by** the board. All examinees shall be tested by a written examination, supplemented by such oral interviews and practical demonstrations as the board may deem necessary. The board may adopt and use a national examination as adopted in rules of the board. For purposes of licensure~~[-except by reciprocity,]~~ an individual's results from a national examination shall be valid for 5 years from the date of the examination. After each examination, the [board] **office** shall notify each examinee of the results of the examination~~[-and the board shall issue licenses to the persons successfully completing the examination]~~. The [board] **office** shall record the new licenses and issue a certificate of registration to the new licensees. Any person failing an examination shall be admitted to any subsequent examination on payment of the application fee.

269 New Hampshire Veterinary Practice Act; Reciprocity. Amend RSA 332-B:11, II to read as follows:

II. Applicants who are not graduates of schools of veterinary medicine accredited by the AVMA~~[-other than those described in paragraph I,]~~ shall possess a certificate issued by the ECFVG, PAVE, or a Certificate of Qualification issued by the Canadian Veterinary Medical Association, unless at the time such applicant became licensed in the state, province, or U.S. territory from which they are applying, an ECFVG certificate or a PAVE certificate was not required by this state.

270 New Hampshire Veterinary Practice Act; Temporary Permit. Amend RSA 332-B:12 to read as follows:

332-B:12 Temporary Permit. The [board] **office of professional licensure and certification** may issue without examination a temporary permit to practice veterinary medicine in this state to any person who is a graduate of a veterinary college recognized as provided for in RSA 332-B:9 for a period not to exceed one year, providing that the person write the next available set of examinations and also providing said person is employed by and practices the profession under the supervision of a duly licensed veterinarian practicing in the state. ~~[A temporary permit may be summarily revoked by a majority vote of the board.]~~

271 New Hampshire Veterinary Practice Act; License Renewal and Lapse. Amend RSA 332-B:13 to read as follows:

332-B:13 License Renewal and Lapse.

~~I. [The procedure and timeframe for license renewals shall be as described in RSA 310-A:1-h. Persons previously licensed who allow their license to lapse shall be required to file a reinstatement application containing such information as required by the board. Persons who have allowed their license to lapse more than 5 years shall apply for reinstatement of licensure in accordance with RSA 332-B:17.]~~ **All licenses established under this chapter shall be renewed in accordance with RSA 310:8.**

~~[H. The board may by rule waive the payment of the renewal fee of a licensed veterinarian during the period when the person is on active duty with any branch of the armed services of the United States, not to exceed 3 years or the duration of a national emergency, whichever is longer.]~~

~~[HH.]~~ **II.** As a condition of renewal of license, each licensed veterinarian shall be required to show proof that he or she has attended an approved educational program or programs totaling at least 24 hours in the 2-year period preceding each renewal date. Approved educational programs shall be ~~[at the discretion of the board;]~~ in accordance with rules adopted by the board. The board may excuse a licensee from all or a portion of the educational requirement upon the filing of a petition establishing good cause for the waiver as set forth in rules adopted by the board.

272 New Hampshire Veterinary Practice Act; Enforcement. Amend RSA 332-B:19 to read as follows:

332-B:19 Enforcement.

I. Any person who shall practice veterinary medicine without a currently valid license or temporary permit shall be guilty of a misdemeanor, and each act of such unlawful practice shall constitute a distinct and separate offense.

II. No person who shall practice veterinary medicine without a currently valid license or temporary permit may receive any compensation for services so rendered.

~~[HH. The board or any citizen of this state may bring an action to enjoin any person from practicing veterinary medicine without a currently valid license or temporary permit. If the court finds that the person is violating, or is threatening to violate, the provisions of this chapter, it shall enter an injunction restraining the person from such unlawful acts.]~~

~~IV. The successful maintenance of an action based on any one of the remedies set forth in this section shall in no way prejudice the prosecution of an action based on any other of the remedies.~~

~~V. In addition to other penalties imposed by this section, a person who practices veterinary medicine without a currently valid license or temporary permit shall be subject to civil penalties assessed by the board in the amount of \$2,000 per violation, or, in the case of continuing violations, \$200 for each day the violation continues, whichever is greater. A person who disputes such an assessment may request a hearing by the board, and any final disposition rendered by the board shall be enforceable as any other civil judgement.]~~

273 New Hampshire Veterinary Practice Act; Animal Physical Therapy Certification. Amend RSA 332-B:20, I to read as follows:

I. Any physical therapist practicing physical therapy on any animal shall meet the requirements of this section and any additional requirements set by the board of veterinarians pursuant to RSA 332-B:7-a, XIV and shall be certified by the ~~[board of veterinary medicine]~~ **office of professional licensure and certification**.

274 Repeal. The following are repealed:

I. RSA 332-B:6, relative to revenues.

II. RSA 332-B:7, II, relative to board power relevant to licenses and temporary permits.

III. RSA 332-B:7, VI, relative to board employment and office space.

IV. RSA 332-B:7-a, IV(a), relative to rulemaking authority regarding the time and place of examination.

V. RSA 332-B:7-a, XIII, relative to rulemaking authority regarding civil penalties.

VI. RSA 332-B:11, I, relative to interstate reciprocity.

VII. RSA 332-B:17, relative to reinstatement applications.

275 Mental Health Practice; Clinical Social Workers. Amend the section heading of RSA 330-A:18 to read as follows:

330-A:18 **Licensed Independent** Clinical Social Workers (**LICSW**).

276 Mental Health Practice; Social Work; Conditional License. Amend the introductory paragraph of RSA 330-A:18-d, I(a) to read as follows:

(a) **Licensed Independent** Clinical Social Worker:

277 Effective Date. This act shall take effect July 1, 2024.

AMENDED ANALYSIS

This bill makes various changes to the procedures and terminology of the office of professional licensure and certification and the occupational regulatory boards thereunder to coordinate with regulatory changes made in recent legislative sessions.

HB 1131, relative to mental health practice. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol McGuire for Executive Departments and Administration. This bill initially added outpatient private practices to the list of organizations eligible to employ mental health counselors without a license, or with a conditional license. The committee decided that the form of the organization was not the controlling factor, but rather that it provided counseling and clinical supervision of its employees and contractors. The committee amendment provides these requirements, which will insure that private businesses are not held to different standards than nonprofit businesses in respect to their employees. Vote 20-0.

Amendment (1071h)

Amend the bill by replacing section 1 with the following:

1 Mental Health Practice; Persons Exempted. Amend RSA 330-A:34, I(d) to read as follows:

(d) The psychotherapy activities and services of any other person providing mental health services as an employee of or consultant ~~[to]~~ **of** an ~~[institution, facility, or nonprofit institution or agency]~~ **organization** which provides clinical mental health services, **employs licensed mental health practitioners**, ~~[and which]~~ provides clinical supervision of its staff, and ~~[which]~~ assumes professional, ethical, and legal responsibility for such mental health services.

AMENDED ANALYSIS

This bill expands the persons exempted list to include any organization which provides clinical mental health services, employs licensed mental health practitioners, provides clinical supervision of its staff, and which assumes professional, ethical, and legal responsibility for such mental health services.

HB 1188-FN, relative to qualifications for licensed nursing assistants. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Latha Mangipudi for Executive Departments and Administration. This bill, as amended, streamlines the application process for LNA licensing by combining the licensing and registry applications, hence cutting back on the time it takes to secure an LNA license in New Hampshire. This bill addresses workforce shortages in the health care field with the ability to on board LNAs into the field quicker with proper vetting. Vote 20-0.

Amendment (1025h)

Amend the bill by replacing section 1 with the following:

1 Nurse Practice Act; Licensure; All Applicants. Amend RSA 326-B:16 to read as follows:

326-B:16 Licensure; All Applicants.

I. All applicants seeking licensure as an APRN, RN, or LPN shall:

~~[I-]~~ **(a) Submit a completed application and fees as established by the [board] executive director.**

~~[II-]~~ **(b) Have the ability to read and write in the English language.**

~~[III-]~~ **(c) Report any pending criminal charges, criminal convictions, or plea arrangement in lieu of convictions.**

~~[IV-]~~ **(d) Have committed no acts or omissions which are grounds for disciplinary action as set forth in this chapter, or, if such acts have been committed and would be grounds for disciplinary action, the board has found, after investigation, that sufficient restitution has been made.**

~~[V-]~~ **(e) Meet continuing competence requirements as defined in rules adopted under RSA 541-A.**

~~[VI-]~~ **(f) Meet other criteria as established by the board.**

II. All applicants seeking licensure as an LNA shall:

(a) Submit a completed application and fees as established by the executive director.

(b) Have sufficient aptitude in the English language as defined in rules adopted under RSA 541-A.

(c) Report any pending criminal charges, criminal convictions, or plea arrangement in lieu of convictions.

(d) Have committed no acts or omissions which are grounds for disciplinary action as set forth in this chapter, or, if such acts have been committed and would be grounds for disciplinary action, the board has found, after investigation, that sufficient restitution has been made.

(e) Meet continuing competence requirements as defined in rules adopted under RSA 541-A.

(f) Meet other criteria as established by the board.

HB 1286, relative to merging the board of land surveyors and the board of professional engineers. **INEXPE- DIENT TO LEGISLATE.**

Rep. Carroll Brown for Executive Departments and Administration. This bill, as requested by the Office of Professional Licensure and Certification, proposes to merge the boards of professional engineers and land surveyors as part of the effort to “promote efficiency and economy and eliminate redundancies in licensure require-

ments.” While the committee has found that often times this effort makes sense and has worked to change the structure of many boards, all committee members were in agreement that this merger would not do so. The testimony highlighted that these two professions are quite unique from each other. Land surveyors would have little or no experience to bring to a combined board relating to engineering and engineers generally only work with land surveyors as hired contractors and are not experts on their processes. It was also made clear that the professions felt combining the boards would make each meeting more complicated and longer, potentially slowing down their response to the public. Both professions clearly stated that reducing each of their numbers of representatives when a combined board was created would very likely slow the process simply due to having less representatives on the board. As a result, the committee felt that, in this particular case, combining these boards would not serve the purpose stated and would create a slower, less efficient process. Vote 20-0.

HB 1352, relative to firefighting personal protective equipment. **OUGHT TO PASS WITH AMENDMENT.** Rep. Matthew Simon for Executive Departments and Administration. This bill, as amended, will encourage fire departments to give preference to safe alternatives to turnout gear that contain PFAS when available. It also puts in place a policy that limits unnecessary exposure to PFAS in fire fighter personal protection equipment or station wear. This will reduce the exposure to chemicals that studies show have harmful effects to an individual’s health. Vote 20-0.

Amendment (0981h)

Amend the bill by replacing section 1 with the following:

1 Firefighting Personal Protective Equipment; Limit Exposure to PFAS Chemicals. Amend RSA 154:8-c to read as follows:

154:8-c Firefighting Personal Protective Equipment.

I. In this section:

(a) “Department” means the department of safety.

(b) “Firefighting personal protective equipment” means any clothing designed, intended, or marketed to be worn by firefighting personnel in the performance of their duties, designed with the intent for use in fire and rescue activities, including jackets, pants, shoes, gloves, helmets, hoods, and respiratory equipment.

(c) “Firefighting station wear” means uniforms, garments, or apparel worn by firefighting personnel while in the performance of their duties, often worn under their personal protective equipment. For the purpose of this section, firefighting station wear shall refer to uniform shirts or pants only.

~~[(c)]~~ **(d)** “Manufacturer” includes any person, firm, association, partnership, corporation, governmental entity, organization, joint venture, importer, or domestic manufacturer or distributor of firefighting agents or firefighting equipment. For the purposes of this section, “importer” means the owner of the product.

~~[(d)]~~ **(e)** “Municipalities” means any county, city, town, fire district, regional fire district, or other special purpose district that provides firefighting services.

~~[(e)]~~ **(f)** “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS chemicals” means, for the purposes of firefighting agents and firefighting equipment, a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

II. Beginning January 1, 2020, a manufacturer or other person that sells firefighting personal protective equipment to any person, municipality, or state agency shall provide written notice to the purchaser at the time of sale **that** ~~[if]~~ the firefighting personal protective equipment **does or does not** ~~[contains]~~ **contain** PFAS chemicals. The written notice shall include a statement that the firefighting personnel protective equipment **does or does not** ~~[contains]~~ **contain** PFAS chemicals. All notices shall be included in all personnel files of all employees using the firefighting personal protective equipment **and a copy of the same shall be provided directly to the employee,**

III. The manufacturer or person selling firefighting personal protective equipment and the purchaser of the equipment shall retain the notice in procurement files for at least 3 years from the date of the transaction. Upon the request of the department, a person, manufacturer, or purchaser shall furnish the notice, or written copies, and associated sales documentation to the department within 60 days.

IV. The department shall assist other state agencies, fire protection districts, and other municipalities to give priority and preference to the purchase of firefighting personal protective equipment that does not contain PFAS chemicals.

V.(a) Should a safe alternative to the current firefighting personal protective equipment be designed and manufactured, fire departments may give preference to that alternative as part of their existing personal protective equipment replacement program.

(b) Until such time that a safe alternative is provided to the employee, fire departments shall have in place a policy that limits the unnecessary exposure to firefighting personal protective equipment. Nothing in this sub-section shall refute that it remains the best practice for firefighting personal protective equipment to be worn while operating in an environment that poses an immediate danger to life or health.

VI. Beginning January 1, 2025, fire departments shall not provide as an option the purchasing of firefighting station wear that contains intentionally added PFAS or fire-resistive chemicals which contain fluorine, chlorine, bromine, lead, or antimony, and beginning July 1, 2025 fire departments shall not provide as an option the wearing of the same. Manufacturers of firefighting station wear shall provide fire departments with safer alternatives should they exist.

HB 1385-FN, relative to establishing the veteran licensing acceleration program. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol McGuire for Executive Departments and Administration. This bill, as amended, clarifies the existing responsibilities of the Department of Veterans Affairs and the OPLC in regard to licensing veterans and active military, and their spouses. The department has a program to reconcile military function codes and show their applicability to licensing requirements; the OPLC has a requirement to accelerate licenses for veterans, active military, and spouses, and the data from the department will help them to meet existing time frames. A new program is not needed. Vote 19-1.

Amendment (1090h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to establishing the veteran licensing acceleration program and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Veterans Licensing Acceleration Program. Amend RSA 110-B by inserting after section 90 the following new section:

110-B:91 Veterans Licensing Acceleration Program.

I. For this section:

(a) "Board" means a regulatory body with jurisdiction over professions within the office of professional licensure and certification under RSA 310.

(b) "License" shall include licenses, certifications or registrations required to practice a regulated occupation, or commensurate training and experience in a military occupational specialty as determined by the OPLC.

(c) "OPLC" means the office of professional licensure and certification.

(d) "Scope of practice" means the procedures, actions, processes, and work that a person may perform under an occupational license issued in this state.

(e) "Written confirmation" means confirmation by any writing, including email or text message.

II. The veteran licensing acceleration program (VLAP) is hereby established to provide accelerated licensing and certification processes for veterans seeking to enter licensed occupational professions overseen by boards organized under the OPLC.

III. VLAP shall be administered by the department of military affairs and veterans services, in consultation with the OPLC, United States Department of Veterans Affairs, relevant licensing boards, relevant educational institutions, state and national veterans service organizations, and relevant professional organizations. The department of military affairs and veterans services shall designate a VLAP administrator within its office.

IV. The VLAP administrator shall:

(a) Provide veterans with comprehensive resources and support to assist them in navigating the licensing process, including, but not limited to, the requirements of this section, as well as educational materials and access to mentors or subject matter experts;

(b) Collaborate with the United States Department of Veterans Affairs and other appropriate agencies to provide employment counseling and assistance to participating veterans.

(c) Conduct an annual assessment of VLAP's impact on licensure and employment outcomes of participating veterans; and

(d) Submit an annual report to the senate and house of representatives committees with jurisdiction over veterans affairs detailing program activities, participant outcomes, and recommendations for program improvements; and

(e) Assist the OPLC in determining what military experience or training satisfies licensure requirements under RSA 310:16.

2 Military Service Members and Spousal Temporary Licensure. Amend RSA 310:16 to read as follows:

310:16 Military Service Members, [~~and Spousal Temporary Licensure~~] ***Spouse and Veterans***.

I. The office of professional licensure and certification shall issue temporary licenses to a member of the armed forces or their spouse, if the applicant holds a current, valid unencumbered occupational or professional license in good standing issued by a state or territory of the United States, in accordance with rules adopted ***under RSA 541-A*** by ***the*** executive director [~~of the office of professional licensure and certification under RSA 541-A, provided that the~~]. ***Provided an*** applicant meets the requirements of this section, ***the***

executive director shall issue the temporary license within 30 days of having received an application or, if the applicant is subject to a criminal records check, within 14 days of having received the results of a criminal records check. The rules shall contain the following provisions:

[I-] (a) The applicant shall obtain a temporary license for a period of not less than 180 days while completing any requirements for licensure in New Hampshire so long as no cause for denial of a license exists under this title, or under any other law.

[II-] (b) The [license] applicant must submit a notarized affidavit affirming, under penalty of law, that the applicant is the person described and identified in the application, that all statements made on the application are true and correct and complete, that the applicant has read and understands the requirements for licensure, [and] certifies that they meet those requirements, and that the applicant is in good standing in all jurisdictions in which the applicant holds or has held a license ***or was not subject to discipline in a jurisdiction where the applicant previously held a license that resulted in the loss of licensure.***

[III-] (c) The applicant may request a one-time 180-day extension of the temporary license if necessary to complete the New Hampshire licensing requirements. The applicant must make this request within 15 days prior to the [temporary license's] expiration date ***of the temporary license.***

[IV-] (d) All individuals licensed under this section shall be subject to the jurisdiction of the state licensing body for that profession.

II. Notwithstanding any general or special law to the contrary, the executive director shall facilitate the issuance of a license or certification for a person:

(a) ***Licensed in a state other than New Hampshire;***

(b) ***Whose spouse is a member of the armed forces in the United States;***

(c) ***Whose spouse is the subject of a military transfer to New Hampshire; and***

(d) ***Who left employment to accompany a spouse to New Hampshire.***

III. The executive director shall, in consultation with the boards, councils, and commissions, adopt rules, under RSA 541-A for what constitutes commensurate military education, training, or service acceptable for the specific regulated occupation or profession, as required pursuant to RSA 332-G:7, I.

3 Appropriation. For the fiscal year ending June 30, 2025, or effective upon receipt of sufficient funding, funds to implement and sustain the VLAP shall be appropriated from the general fund to the New Hampshire department of military affairs and veterans services. For each biennium thereafter, appropriations of state general funds for such program shall be made through the New Hampshire department of military affairs and veterans services biennial operating budget. Such funds shall be nonlapsing. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Effective Date. This act shall take effect July 1, 2024.

AMENDED ANALYSIS

This bill establishes the veteran licensing acceleration program for occupational licensure administered by the office of professional licensure and certification, and makes an appropriation therefor.

HB 1413, relative to mental health supervision agreements. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Matthew Simon for Executive Departments and Administration. This bill started as a repeal of the statutory definition of supervision agreements due to concerns that the definition created liability for supervisors that went beyond the scope of the mental health services they oversee. However, testimony convinced the committee that repealing this section of statute would be problematic. So, instead of seeking to repeal the whole section, the committee introduced an amendment that clarifies that a supervisor's liability is limited to the mental health services provided by the candidate they oversee. Vote 20-0.

Amendment (1076h)

Amend the bill by replacing section 1 with the following:

1 Mental Health Practice; Candidates for Mental Health Licensure. Amend RSA 330-A:22, II(b) to read as follows:

(b) The supervisor shall assume professional, ***ethical, and legal*** responsibility for ***mental health services provided by*** the candidate in a written agreement on record with the board. ~~[The supervisor must assume both professional and legal responsibility in the agreement.]~~

AMENDED ANALYSIS

This bill revises the requirements for the written agreement that must be on record with the board of mental health practice concerning a supervisor's responsibilities with respect to a candidate for mental health licensure.

HB 1420, relative to communications between agencies and citizens. **REFER FOR INTERIM STUDY.**

Rep. Jaci Grote for Executive Departments and Administration. This bill addresses the need for a more rapid response to the public from state agencies. The bill requests a 3-business day deadline. Although this is an important issue, the committee felt that 3 business days might be too limiting and wished to study this matter before mandating a deadline to an agency response. Vote 15-1.

HB 1456, relative to the appointment of the members of the board of tax and land appeals and the housing appeals board. **OUGHT TO PASS.**

Rep. Jaci Grote for Executive Departments and Administration. Currently, appointments to the Board of Tax and Land Appeals are made by the New Hampshire Supreme Court. This bill changes this process to appointments by the governor and executive council. Because this board is quasi-judiciary in its standing, candidates would be vetted by the Supreme Court but the appointment by the governor and council would allow public comments which is not in the scope under the existing statute. Vote 20-0.

HB 1474, relative to the commission on Native American affairs. **OUGHT TO PASS.**

Rep. Carol McGuire for Executive Departments and Administration. This commission has been non-functional for some time, due to difficulties in appointing members and attaining a quorum. This bill adds a member specifically from UNH's Native American and indigenous studies program and ensures that two public members are not from the same tribe or other group. Critically, it sets the quorum based on the members appointed and serving, rather than the full complement of the group. Minor changes to the duties of the commission are to reflect current concerns and simplify their charge. Vote 20-0.

HB 1521, requiring agencies to respond to issues raised by the public during the rulemaking process. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jaci Grote for Executive Departments and Administration. As amended, this bill puts into statute a definition for recovery houses that enables these facilities to exist within municipalities without the zoning constraints assigned to households where individuals are not related. Even municipalities that support recovery houses testified that current law was unnecessarily confusing. The bill prevents this definition from being used for a boarding house or rooming house, or any licensed facility. Recovery houses are an important part of a safe, supportive, family style environment for those recovering from addiction, and are needed in New Hampshire as part of recovery programs. Zoning laws can make their establishment unnecessarily lengthy and costly. This bill would help overcome this burden. Vote 20-0.

Amendment (0902h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to recovery houses.

Amend the bill by replacing all after the enacting clause with the following:

1 Recovery House; Definition. Amend RSA 153:10-d, II to read as follows:

II. In this section, "recovery house" means a ~~[residence]~~ **primarily non-transient dwelling or dwelling unit** that provides a ~~[safe, healthy, family-like,]~~ substance-free living environment that supports individuals in recovery from addiction **living as a single household** and is centered on peer support and a connection to services that promote long-term recovery; provided that "recovery housing" shall not include **a boarding house, a rooming house, a halfway house, or any other facility requiring a license pursuant to RSA 151.**

2 New Paragraph; Purposes of Zoning Ordinances; Recovery Houses. Amend RSA 674:17 by inserting after paragraph IV the following new paragraph:

V. A recovery house, as defined in RSA 153:10-d, II, that is located within a single-family, 2-family, or multi-family structure shall be treated in every zoning ordinance as a single-family, 2-family, or multi-family use, respectively, and shall not be subject to permitting or approval processes that a zoning ordinance or other land use regulation adopted under this title does not similarly require of other such uses. Use of an existing multi-family structure as a recovery house under this paragraph shall not require site plan review. For purposes of this paragraph, a recovery house shall be certified pursuant to RSA 172-B:2, V(a)(2) or shall be actively pursuing certification and achieve certification within one year after beginning operations. For a recovery house to be included under this paragraph, its operator shall first provide written notification to the local governing body at least 30 days prior beginning operations, and the local governing body may seek to ensure that the recovery house is either certified or seeking certification, as well as to ensure that the requirements of RSA 153 and RSA 155-A are met.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes changes to the definition of recovery house and specifies how a recovery house ought to be treated when interpreting zoning ordinances.

HB 1526-FN, relative to a conditional veterinary license for veterinarians educated in other countries. **OUGHT TO PASS.**

Rep. Sherry Gould for Executive Departments and Administration. This bill enables the board of veterinary medicine to issue a conditional veterinary license for veterinarians who are educated in other countries in order to address the serious shortage of veterinarians in New Hampshire. The veterinarian must be currently in the process of obtaining an ECFVG certificate with specific steps spelled out. This acknowledges the significant delay in working through the process of obtaining the ECFVG certificate. The conditional license will be issued

only on the conditions that the veterinarian has legal immigration status in the United States and verifiable status information as maintained by the United States Citizenship and Immigration Services. They must be employed by and practice the profession under the supervision of a duly licensed veterinarian practicing in the state. The conditional license may be summarily revoked by a majority vote of the board. Vote 20-0.

HB 1622-FN, relative to administrative rulemaking and license renewals by the office of professional licensure and certification. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol McGuire for Executive Departments and Administration. This bill settles some statutory conflicts about license periods and increases the possible penalties for enforcing an expired rule, including refunds of any fees or fines that were collected on an expired rule. The committee amendment continues clarifying the rulemaking process, incorporates a requirement to publish public comment on a rule, and adds specificity to the required agency report on public comment. These last two requirements had been in HB 1521 prior to its amendment. Vote 20-0.

Amendment (1226h)

Amend the bill by inserting after section 4 the following and renumbering the original sections 5 through 9 to read as 7 through 11, respectively:

5 New Paragraph; Rulemaking; Public Comments; Requirement for Online Availability. Amend RSA 541-A:11 by inserting after paragraph VIII the following new paragraph:

IX.(a) Every public comment on a proposed rule that the agency receives electronically shall be promptly uploaded to a web page maintained by the agency. Each proposed rule shall have a separate location for all public comments received for that rule.

(b) Public comments received via regular mail shall, to the extent agency resources permit, be scanned and added to the web page as electronic documents.

6 Rulemaking; Filing Final Proposal Public Comments; Report. Amend RSA 541-A:12, II(e) to read as follows:

(e) A report of public comments received on the rule ***shall be created.*** ~~[and an explanation of how they were addressed in the final rule.]~~ ***The report shall indicate how the comment was incorporated into the final rule. If the comment was not incorporated into the final rule, a substantive explanation of the adopting authority overrule relevant arguments and considerations made in the comment shall be included.***

AMENDED ANALYSIS

This bill requires rulemaking relative to the recordkeeping of the executive director of the office of professional licensure and certification and expands categories included in license renewal time frames. This bill also updates several provisions regarding public comments, reports and expired rules.

HB 1688-FN, relative to the use of artificial intelligence by state agencies. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol McGuire for Executive Departments and Administration. This bill defines artificial intelligence (AI) and establishes guardrails about its use by state agencies. The committee amendment aligns the definitions with those in other bills this session, removes some possibly problematic language, requires a warrant to use AI surveillance, typically facial or speech recognition, in public areas, and requires agencies to comply with the DOIT Code of Ethics for AI Systems. This bill imposes no constraints on individuals, private businesses, or local governments. Vote 20-0.

Amendment (1254h)

Amend RSA 5-D:1 as inserted by section 1 of the bill by replacing it with the following:

5-D:1 Definitions. In this chapter:

I. “Artificial intelligence” or “AI” is the ability of a machine to display human-like capabilities for cognitive tasks such as reasoning, learning, planning, and creativity. AI systems may adapt their behavior to a certain degree by analyzing the effects of previous actions and operating under varying and unpredictable circumstances without significant human oversight.

II. “Generative AI” is AI that can generate text, images, or other media in response to prompts.

III. “Deepfake” means a video, audio, or any other media of a person in which his or her face, body, or voice has been digitally altered so that he or she appears to be someone else, he or she appears to be saying something that he or she has never said, or he or she appears to be doing something that he or she has never done.

IV. “State agency” means any department, commission, board, institution, bureau, office, law enforcement, or other entity, by whatever name called, including the legislative and judicial branches of state government, established in the state constitution, statutes, session laws or executive orders.

Amend RSA 5-D:3 as inserted by section 1 of the bill by replacing it with the following:

5-D:3 Prohibition. The following uses of AI by state agencies shall be prohibited:

I. Classifying persons based on behavior, socio-economic status, or personal characteristics resulting in unlawful discrimination against any individual person or group of persons.

II. Real-time and remote biometric identification systems used for surveillance in public spaces, such as facial recognition, except by law enforcement with a warrant.

III. Deepfakes when used for any deceptive or malicious purpose.

Amend RSA 5-D:5 as inserted by section 1 of the bill by replacing it with the following:

5-D:5 Compliance.

I. All state agencies shall take the following actions no later than 9 months after the effective date of this chapter and report their compliance with the department of information technology:

(a) Review the use of AI in their computer systems to verify, to the best of their knowledge, that they comply with the provisions of this chapter and the department of information technology code of ethics for AI systems. Any AI system that is prohibited shall be removed.

(b) Modify all procedures relative to any use of AI that are inconsistent with this chapter so that these procedures are consistent with the requirements in this chapter.

II. Any AI systems newly deployed by a state agency after the effective date of this chapter shall comply with the provisions of this chapter and the department of information technology code of ethics for AI systems. All newly implemented procedures relative to any use of AI that are implemented by a state agency after the effective date of this chapter shall be consistent with the requirements in this chapter.

III. One year after the effective date of this chapter, the department of information technology shall provide to the governor, the speaker of the house of representatives, and the president of the senate a report summarizing AI systems identified by state agencies recording which of those systems were prohibited and removed in compliance with this chapter, which systems are allowed according to this chapter, and what procedures have been implemented to ensure that the procurement and use of these systems will be in compliance with this chapter. This report shall be updated annually to include new systems that state agencies have purchased. All such reports shall also be posted on the department of information technology's website.

5-D:6 Severability.

The provisions of this chapter are severable. If any provision of this chapter or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

HB 1067, relative to a patient's right to sterilization treatment. **REFER FOR INTERIM STUDY.**

Rep. Erica Layon for Health, Human Services and Elderly Affairs. This bill seeks to address the problem of women being denied hysterectomies primarily because the physician believes that she will want more children, even if she emphatically states otherwise. This bill disallows this belief as a reason to deny a procedure. It also requires a provider to refer a person seeking voluntary sterilization to be a willing and able provider. Lastly, it provides protection against patients who change their mind despite appropriate documentation. While this bill addresses a very real and important issue of inappropriately denied care, at this point we cannot overcome the problem that the bill places this protection in the Patient's Bill of Rights which is binding on facilities and not providers. For this reason and other reasons, the committee recommends this bill be referred for Interim Study. Vote 17-3.

HB 1300, relative to terminal patients' right to try act. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary Merchant for Health, Human Services and Elderly Affairs. The amendment to the bill expands the right for a patient to try investigational drugs, biologics, or devices when they are unable to participate in a clinical trial for the that drug, biologic, or device. The bill requires a physician to diagnose a patient as having a life-threatening disease or condition and provides additional liability protection for physicians under the chapter. The bill is modeled after the federal right to try law. Vote 20-0.

Amendment (1223h)

Amend the bill by replacing all after the enacting clause with the following:

1 Terminal Patients' Right to Try Act. Amend RSA 126-Z to read as follows:

CHAPTER 126-Z

[TERMINAL PATIENTS'] RIGHT TO TRY ACT

126-Z:1 Definitions.

In this chapter:

I. "Eligible patient" means a person to whom all of the following apply:

(a) The person has ~~[a terminal illness as determined by the person's physician and a consulting physician]~~ **been diagnosed by the person's physician with a life-threatening disease or condition.**

(b) The ~~[person's physician has determined that the person has no comparable or satisfactory]~~ **person has already tried or is not a candidate for eligible** United States Food and Drug Administration (FDA) approved treatment options ~~[available to diagnose, monitor, or treat the disease or condition involved and that the probable risk to the person from the investigational drug, biological product, or device is not greater than the probable risk from the]~~ **for their** disease or condition.

(c) The person ~~[has received a prescription or recommendation from the person's physician for an investigational drug, biological product, or device]~~ **is unable to participate in a clinical trial involving the eligible investigational drug, biologic or device.**

(d) The person has given written informed consent for the use of the investigational drug, biological product, or device or, if the patient is a minor or lacks the mental capacity to provide informed consent, a parent or legal guardian has given written informed consent on the patient's behalf.

(e) The ~~[person has documentation from the person's physician that the person has met the requirements of this paragraph]~~ **physician providing access to an investigational drug, biologic, or device will not be compensated directly by the manufacturer for providing access to this therapy.**

II. "Investigational drug, ~~[biological product]~~ **biologic**, or device" means a drug, ~~[biological product]~~ **biologic**, or device that has successfully completed phase one of a clinical trial, but has not been approved for general use by the FDA and remains under investigation in a clinical trial.

II-a. "Life-threatening disease" means:

(a) **Diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted; and**

(b) **Diseases or conditions with potentially fatal outcomes, where the end point of clinical trial analysis for new drugs, biologics, or devices for that disease or condition is survival.**

II-b. "Other protected access" includes:

(a) **"Expanded access" whereby the treating physician requests access to an investigational drug, biologic, or device from the FDA and is subject to oversight from an Institutional Review Board; and**

(b) **"Off-label use" means prescribing an FDA approved drug, biologic, or device for a use not approved for that specific indication consistent with RSA 329:17, VI-b.**

III. "Physician" means the licensed physician who is providing medical care or treatment to the eligible patient for the terminal illness.

~~[IV. "Terminal illness" means a disease that, without life-sustaining procedures, will result in death in the near future or a state of permanent unconsciousness from which recovery is unlikely.]~~

126-Z:2 Availability of Investigational Drugs, ~~[Biological Products]~~ **Biologics**, or Devices; Costs; Coverage.

I. A manufacturer of an investigational drug, ~~[biological product]~~ **biologic**, or device may make available an investigational drug, ~~[biological product]~~ **biologic**, or device to eligible patients pursuant to this chapter. A manufacturer may:

(a) Provide an investigational drug, ~~[biological product]~~ **biologic**, or device to an eligible patient without receiving compensation.

(b) Require an eligible patient to pay the costs of or associated with the manufacture of the investigational drug, ~~[biological product]~~ **biologic**, or device.

(c) Require an eligible patient to participate in data collection relating to the use of the investigational drug, ~~[biological product]~~ **biologic**, or device.

II. This chapter shall not require a health care insurer or any state agency to provide coverage for the cost of any investigational drug, ~~[biological product]~~ **biologic**, or device.

III. Nothing in this chapter shall require the manufacturer of an investigational drug, ~~[biological product]~~ **biologic**, or device to include an eligible patient in a particular clinical trial or study.

126-Z:3 Liability of Physician; Facility.

I. Notwithstanding any provision of law to the contrary, the board of medicine shall not revoke, fail to renew, or take any other action against a physician's license issued pursuant to RSA 329 based ~~[solely]~~ **primarily** on a physician's recommendation to an eligible patient regarding or prescription for or treatment with an investigational drug, ~~[biological product]~~ **biologic**, or device.

II. Notwithstanding any provision of law to the contrary, the department of health and human services shall not take action against a facility licensed under RSA 151 based ~~[solely]~~ **primarily** on the institution's participation in the treatment or use of an investigational drug, ~~[biological product]~~ **biologic**, or device under this chapter.

126-Z:4 Private Cause of Action. Nothing in this chapter shall be construed to create a private cause of action against a manufacturer of an investigational drug, ~~[biological product]~~ **biologic**, or device or against any other person or entity involved in the care of an eligible patient using the investigational drug, ~~[biological product]~~ **biologic**, or device for any harm done to the eligible patient resulting from the investigational drug, ~~[biological product]~~ **biologic**, or device, if the manufacturer or other person or entity is complying in good faith with the terms of this chapter and has exercised reasonable care.

126-Z:5 Severability. If any provision of this chapter, or the application thereof to any person or circumstance is held invalid, the invalidity does not affect the other provisions or applications of the chapter which can be given effect without the invalid provisions or applications and to this end the provisions of this chapter are severable.

2 Effective Date. This act shall take effect January 1, 2025.

AMENDED ANALYSIS

This bill renames RSA 126-Z as the right to try act; revises eligibility criteria and definitions, and replaces the term biological products with biologics.

HB 1585, relative to medication administration by direct care staff in residential care facilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Gary Merchant for Health, Human Services and Elderly Affairs. The bill creates a new category of healthcare worker called a Certified Assisted Living Medication Aide or CALMA. Residential care facilities care for many individuals who need assistance with the administration of their medications. Current law does not allow residential care workers to assist residents with their medication. Healthcare facilities, such as nursing homes or assisted care facilities may utilize healthcare workers as licensed nursing aids who have been certified by the nursing board to administer medications to patients. Residential care facilities do not usually employ licensed nursing aides, creating a void that this bill will address. For safety reasons, the amendment limits injectable medications to manufacturer prefilled auto-injectors or pre-injectors. Vote 20-0.

Amendment (1246h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the position of certified assisted living medication aide.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Nurse Practice Act; Definition of Administrator Added. Amend RSA 326-B:2 by inserting after paragraph I-a the following new paragraph:

I-b. "Administrator" means the licensee or individual appointed by the licensee of the facility to be responsible for all aspects of the daily operation of the licensed premise.

2 New Paragraphs; Nurse Practice Act; Definitions Added. Amend RSA 326-B:2 by inserting after paragraph II the following new paragraphs:

II-a. "Certified assisted living medication aide" or "CALMA" means an individual who is certified by the office of professional licensure and certification to administer specific classes of and routes of medication, as described in rule, in a residential setting as defined in RSA 151:9, VII(a)(1) and RSA 151:9, VII(a)(2) under the direction of the facility administrator with access to clinical consultation 24 hours a day.

II-b. "Clinical consultant" means an APRN, RN, LPN, PA, or physician available electronically or in person 24 hours a day to provide clinical consultation.

3 New Section; Nurse Practice Act; Scope of Practice; Certified Assisted Living Medication Aide. Amend RSA 326-B by inserting after section 14 the following new section:

326-B:14-a Scope of Practice; Certified Assisted Living Medication Aide.

I. A certified assisted living medication aide (CALMA) shall practice under the supervision of the administrator of the licensed facility and have access to clinical consultation 24 hours a day appropriate for the setting in accordance with regulations established pursuant to RSA 326-B:4, I.

II. A CALMA is responsible for competency in the CALMA education program curriculum approved by the board.

III. A CALMA is authorized to administer medication if:

(a) The individual holds a currently valid certificate of completion from a board-approved CALMA education program; and

(b) The persons served are in a residential setting as defined in RSA 151:9, VII(a)(1) and (2).

IV. After successful completion of the CALMA education program, a CALMA shall be able to:

(a) Apply knowledge and techniques in the practice of medication administration, provided that injectable medication shall be limited to medications administered using a manufacturer prefilled auto-injector or pen-injector, and shall not include injection of a medication drawn from a container as a vial;

(b) Communicate effectively with the administrator and other health care professionals concerning the administration of medication;

(c) Maintain safe and effective methods of medication administration; and

(d) Maintain records as directed by the administrator of the facility.

V. Any expansion of the scope of practice shall be adopted by legislation in accordance with RSA 332-G:6.

4 New Section; Nurse Practice Act; Certified Assisted Living Medication Aide. Amend RSA 326-B by inserting after section 27 the following new section:

326-B:27-a Certified Assisted Living Medication Aide (CALMA).

I. Applicants for an initial certification for CALMA shall:

(a) Have participated in and completed a board-approved CALMA education program which offers a minimum of 40 hours of classroom and clinical setting education as defined by the board.

(b) Have passed an examination approved by the board.

- (c) Have paid the certification fee.
- (d) Be an employee of a residential care facility or supported residential care facility.
- (e) Be at least 18 years of age.

II. Certification shall be renewed as required by RSA 310:8.

5 New Paragraph; Nurse Practice Act; Continuing Education; CALMA. Amend RSA 326-B:31 by inserting after paragraph III the following new paragraph:

IV. A CALMA shall complete 8 hours of continuing education relative to medication administration in programs approved by the board every 2 years.

6 New Paragraph; Nurse Practice Act; Rulemaking; Medication Administration. Amend RSA 326-B:9 by inserting after paragraph XIV the following new paragraph:

XV. Criteria for the administration of medications and the process of approving a registered nurse to conduct a medication administration educational program. Such rules shall:

(a) Include CALMA continuing education regarding medication administration under RSA 326-B:31, IV; and

(b) Provide that CALMA administration of injectable medication shall be limited to medications administered using a manufacturer prefilled auto-injector or pen-injector, and shall not include injection of a medication drawn from a container as a vial.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill defines the position of certified assisted living medication aide (CALMA) under the nurse practice act, provides for certification as a CALMA through the office of professional licensure and certification, and authorizes a CALMA to administer medication to individuals in specified residential settings.

HB 1187, relative to local legislative bodies' voting threshold for approval of lease agreements over \$100,000. **ought to pass with amendment.**

Rep. Diane Pauer for Municipal and County Government. This bill, as amended, revises RSA 33:7-e to prohibit the inclusion of the costs associated with building or facility improvements that become fixtures in lease agreements of equipment. The statutory intent of this section is to permit governing bodies to propose lease agreements of equipment with nonappropriation (i.e. escape) clauses requiring approval by the legislative body by simple majority vote. Lease agreements with escape clauses allow for leased equipment, non-fixed items, to be returned to the vendor in future years without penalty should the governing body choose not to continue the lease or should funding be unavailable to continue the lease. Under RSA 33:7-e, any building or facility improvements allowed in a lease agreement were intended to be small incidental costs to hook-up the piece of equipment. Testimony, in committee, cited more than a dozen cases statewide where a lease agreement with an escape clause was used to fund significant, expensive building renovations ranging from \$295,000 to \$25.2 million for up to 20 years, which incidentally included some equipment as part of the overall project to justify the use of RSA 33:7-e. Renovation projects entailing the installation of framing, drywall, brick, doors, windows, insulation, flooring, lighting, HVAC systems, and even an elevator, cannot be practically "escaped," that is, returned by the governing body. Clearly, any such renovation projects should be bonded and not leased with an escape clause, which is exactly why the costs for building or facility improvements should not be permitted to be part of lease agreements of equipment. Furthermore, this imprudent practice of leasing such expensive renovations as opposed to properly bonding them undoubtedly increases the overall cost to taxpayers, as interest rates for lease agreements are typically much higher than bond interest rates. Therefore, the practice of including costs of building or facility improvements that become fixtures in lease agreements of equipment must be disallowed due to overt misuse by political subdivisions across the state. Vote 20-0.

Amendment (1229h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to prohibiting lease agreements of equipment for building or facility improvements.

Amend the bill by replacing all after the enacting clause with the following:

1 Lease Agreements of Equipment. Amend RSA 33:7-e to read as follows:

33:7-e Lease Agreements of Equipment. The governing body may enter into leases of equipment as required by the municipality. Appropriations to fund lease agreements with nonappropriation clauses may be approved by a simple majority vote of the legislative body. Lease agreements with nonappropriation clauses shall not be treated as debt under RSA 33:4-a. For the purposes of this section, "lease" shall include lease-purchase, sale and lease back, installment sale, or other similar agreement to acquire use or ownership of such equipment as is from time to time required by the municipality. ~~[For purposes of this section and RSA 382-A,]~~ Building or facility improvements *that become fixtures* related to the installation, purpose, or operation of such equipment shall *not* ~~[be deemed to constitute equipment and the costs of such improvements may]~~ be financed through lease agreements under this section.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill specifies that building or facility improvements that become fixtures related to the installation, purpose, or operation of leased equipment shall not be financed through lease agreements.

HB 1494, relative to OHRVs. OUGHT TO PASS WITH AMENDMENT.

Rep. Suzanne Vail for Resources, Recreation and Development. The bill places language that is consistent in statute to define utility/industrial registrations for off highway recreational vehicles (OHRVs). This closes the door where a person can register their OHRV for utility use, as the registration costs less, when in fact they are using the vehicle for recreational purposes. As amended, the bill removes sections one, two, and five, and requires the person who is registering the vehicle to sign an official document at the registry or at the town clerk's office, stating they agree to restrict their use for what the plates are intended for. Additionally, the bill asks the Fish and Game Department to post a calendar of permitted events to allow folks in the region to plan their time away during events, if they choose. Vote 20-0.

Amendment (1038h)

Amend the bill by replacing all after the enacting clause with the following:

1 Agricultural/Industrial Utility Vehicles; Registration. Amend RSA 261:41-a, I to read as follows:

I. An agricultural/industrial utility vehicle, as defined in RSA 259:2-a, if operated upon a way shall be registered as provided in RSA 261:141, III(dd).

(a) To be eligible for the issuance of an agricultural/industrial utility vehicle registration to be operated on a way, the applicant shall sign the following form which the treasurer of a city or such other official as the city government may designate or the town clerk shall provide. This form shall be provided to the applicant upon request without further evidence from the applicant that the plate shall be used for purposes of this section.

I, the undersigned, fully understand the limitations concerning the use of agricultural/industrial utility vehicles registered under RSA 261:41-a, and hereby certify that my vehicle will be used only for agricultural/industrial utility vehicle purposes and uses incidental thereto, as defined in RSA 259:2-a.

2 Snowmobiles; Event Calendar and Fee Distribution. Amend RSA 215-C:50, I to read as follows:

I. Any person, organization, or corporation who wishes to operate or to promote any snowmobile or OHRV event or contest involving the use of unregistered snowmobiles and OHRVs shall procure a permit from the executive director. The application for the permit shall be on an annual basis, shall include a listing of scheduled events, and shall be accompanied by an annual fee of \$50. Participants in an event or contest shall not be required to register in New Hampshire, but shall operate under the provisions of the permit. HB 1503-FN, relative to the definition of wetlands. **INEXPEDIENT TO LEGISLATE.**

Rep. Will Darby for Resources, Recreation and Development. This bill would redefine the term “wetlands” in New Hampshire statute to exclude those that develop as a side-effect of public works projects. The term wetland is scientifically defined, and the same definition is used throughout the United States, including in the general permit issued to the State of New Hampshire by the US Army Corps of Engineers (USACE), which allows the New Hampshire Department of Environmental Services (NHDES) to manage the permitting process of these federally protected areas. The bill would thereby force landowners to obtain a permit directly from the USACE for work in areas excluded as wetlands by this bill, resulting in increased costs and delays to landowners. NHDES and the New Hampshire Association of Natural Resource Scientists opposed this bill, and recommended changes to permitting exemptions to wetland areas rather than redefining the term to address the sponsor’s concerns. Vote 20-0.

HB 1513, relative to the board of directors of the Pease development authority. **INEXPEDIENT TO LEGISLATE.**

Rep. Jessica LaMontagne for Resources, Recreation and Development. This bill would take away local authority of the governments of the City of Portsmouth and the towns of Newington and Greenland to each appoint a member to the Board of Directors of the Pease Development Authority (PDA) and would instead give that authority to the governor and executive council. As the governor already appoints one member, and two other members are state-wide appointments by the Senate and the House of Representatives, there is no justification to take away this authority by the three towns most impacted by the Pease Development Authority. The PDA has been very successful in the redevelopment of the Pease Air Force Base and the committee saw no need to change how appointments are made to the PDA board, and the chair of the board, among others, spoke against the bill. Vote 20-0.

HB 1542-FN, relative to possession and presentation of safe boater education certificates. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Rosemarie Rung for Resources, Recreation and Development. This is a commonsense bill to allow people to show a hard copy or a phone picture of both front and back of the safe boating certificate. This would be going the way many documents are going now-a-days and perhaps someday they may even have an app for this like many companies seem to be going toward for future applications. Marine Patrol also testified that they have no issue with this bill if passed. The amendment stipulated the copy show both the front and back of the physical original. Vote 20-0.

Amendment (0745h)

Amend RSA 270-D:11, I(a) as inserted by section 1 of the bill by replacing it with the following:

(a) Possess the certificate when operating a motorized vessel with any type of power motor in excess of 25 horsepower on the public waters of the state. ***The certificate shall be a physical original or copy, or an electronic copy, or a photograph of the certificate on an electronic device. Any electronic copy or photograph of the certificate shall contain the front and back of the physical original.***

HB 1554, relative to certified culvert maintainer program reporting. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Andrew Renzullo for Resources, Recreation and Development. The present law, RSA 482-A, requires all certified individuals, working for a municipality, who perform culvert replacement work shall submit a quarterly report to the New Hampshire Department of Environmental Services (NHDES), fully identifying work that they performed during each quarter and documentation of continuing education requirements. This bill transfers the quarterly reporting task to the person(s) who supervise the certified individual(s). The NHDES Wetlands Bureau Administrator testified that the supervisor, with clerical support staff, would allow for more efficient reporting as the certified personnel were normally in the field actually installing the culverts. In addition, the bill was amended to unequivocally clarify that NHDES has the authority to, and shall regulate, the cutting of native aquatic vegetation in New Hampshire’s lakes under RSA 482-A. Considering all the issues our lakes are having, not the least of which is cyanobacteria, there is a clear and present danger not to make certain the state maintains the continuity of its stewardship over New Hampshire’s waters which are held in trust for the people of New Hampshire. Vote 20-0.

Amendment (0969h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to certified culvert maintainer program reporting and requiring the commissioner of the department of environmental services to regulate the cutting of native aquatic vegetation on submerged lands in lakes and establishing rulemaking authority for such regulation.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3: 2 New Subdivision; Native Aquatic Vegetation. Amend RSA 482-A by inserting after section 482-A:35 the following new subdivision:

Native Aquatic Vegetation

482-A:36 Rulemaking. The commissioner shall regulate the cutting of native aquatic vegetation on submerged lands in lakes subject to this chapter. The commissioner shall adopt rules to effect the requirements of this section in furtherance of the purpose enumerated in RSA 482-A:1.

AMENDED ANALYSIS

This bill:

I. Specifies who in a municipality shall submit a quarterly report on culvert maintainers.

II. Requires the commissioner of the department of environmental services to regulate the cutting of native aquatic vegetation on submerged lands in lakes and establishes rulemaking authority to accomplish that.

HB 1562, relative to personal watercraft. **INEXPEDIENT TO LEGISLATE.**

Rep. Rosemarie Rung for Resources, Recreation and Development. This bill would have closed a loophole that excluded two plus seater personal watercraft from the statutory definition and updated the terminology in several areas in the RSAs. Concern was raised in the public hearing about the bill's impact on current restrictions on one seater watercraft. More work needs to be done to clarify and streamline the appropriate operation of personal watercraft on New Hampshire's lakes, ponds, and rivers. A motion to recommend Inexpedient to Legislate was put forth by the prime sponsor before the committee debated. Vote 20-0.

HB 1065, relative to fire sprinkler requirements in residential buildings. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Hope Damon for Special Committee on Housing. This bill adds an exception to the state fire code to make fire sprinkler systems optional in detached residential buildings for up to four dwelling units as long as that building is otherwise in compliance with the state fire code. Currently sprinklers are required for more than two dwelling units in a building. The Housing Committee collaborated with the State Fire Marshal and the building code review board chair to achieve a statute that will make it more feasible for existing buildings to be converted into apartments. The bill additionally prohibits counties and municipalities from adopting regulations that are more stringent than the state fire code relative to residential sprinkler systems. Vote 10-0.

Amendment (1046h)

Amend the bill by replacing section 1 with the following:

1 State Fire Code and Rules; Fire suppression or Sprinkler Systems. Amend RSA 153:5, III and IV to read as follows:

III. Notwithstanding any other provision of the law, the state fire code and associated rules shall not require fire suppression or sprinkler systems in detached one, or 2-family dwelling units *or existing buildings for no more than 4 dwelling units* in a structure used only for residential purposes. *Fire suppression or sprinkler systems shall not be required in existing buildings intended for no more than 4 dwelling units if that building is in compliance with the state fire code.*

IV. The state fire marshal may exempt a building, structure, or equipment from such rules if he or she finds that such exemption does not constitute a hazard to the public welfare and safety. A reasonable time, as determined by the state fire marshal, shall be allowed to make necessary alterations. Nothing in this section shall be construed to prevent municipalities from adopting bylaws or ordinances relative to a subject area of rules adopted by the state fire marshal in accordance with this section if such bylaws or ordinances are no less restrictive than rules adopted by the state fire marshal. *However, counties, towns, cities, and village districts shall not adopt rules, regulations, or ordinances that are more stringent than the state fire code relative to residential sprinkler systems.*

HB 1168, establishing a committee to study the impact of the housing crisis on people with disabilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Ellen Read for Special Committee on Housing. The committee heard hours of compelling testimony about the very complicated ways in which the current housing crisis is impacting the disability community. Some of this testimony was incredibly heartbreaking. For example, parents of adult children with severe developmental disabilities testified that they hope that they outlive their children because they fear for their children's living situations when they themselves pass. It quickly became clear that the incredible scope and

depth of needs of the disability community in housing far exceeded our committee's expertise and was in pressing need of an in-depth and serious study. Establishing a committee to study the impact of the housing crisis on people with disabilities, to which we hope members of the disability caucus are assigned, this bill demonstrates a commitment to understanding the complex factors contributing to housing inequities and developing evidence-based solutions to address them. Through data collection, stakeholder engagement, and comprehensive analysis, this committee will lay the groundwork for informed policy recommendations aimed at expanding affordable and accessible housing opportunities for individuals with disabilities across the state. The unanimously adopted committee amendment strengthens the underlying bill by guaranteeing that all of the active disability organizations in the state will be solicited for input, that the study committee will meet no fewer than six times, and that among the list of entities to be reported to by the study committee will be the special committee on housing. Vote 9-1.

Amendment (0927h)

Amend the bill by replacing sections 3-5 with the following:

3 Duties.

I. The committee shall consider the scope and severity of the housing problem for individuals with disabilities, the current availability of housing for people with disabilities, and potential remedies for increasing the supply of housing that is both affordable and suitable for people with disabilities.

II. The committee shall solicit information and testimony from state agencies, advocates, and members of the disability community in furtherance of its objectives. Such agencies and organizations shall include, but not be limited to, the following: the New Hampshire Council on Developmental Disabilities, ABLE NH, the Institute on Disability, the department of health and human services, division of long term support and services, Community Support Network Inc., Granite State Independent Living, Private Provider Network, New Hampshire housing finance authority, Southern New Hampshire Services, Manchester department of housing stability, Easterseals, Our Place, and Visions for Creative Housing Solutions.

III. The committee shall hold a minimum of 6 meetings in order to have adequate opportunity to solicit testimony, compile research and information regarding the scope and severity of the housing shortage, and develop potential legislative remedies.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. On or before November 1, 2024, the committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the house of representatives special committee on housing, the governor, the executive council, the department of health and human services oversight committee, New Hampshire housing finance authority, the United States Department of Housing and Urban Development, the Institute on Disability, and the state library.

HB 1215, relative to subdivision regulations on the completion of improvements and the regulation of building permits. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Joe Alexander for Special Committee on Housing. This bill, as amended, seeks to amend RSA 674:34, 674:39, & 155-A:11-b to the extent such that an approved subdivision would be subject only to the zoning ordinances, fire codes, building codes, and any other requirements in existence and full effect of the time of approval of said plan, and lengthen the time period covered under the accepted plan to get the project "active and substantially" underway and completed. The bill would provide protections to developers and property owners against changes in zoning ordinances and other restrictions on development once they are approved preventing escalating costs once a project is approved. Additionally, the same protections would be provided to holders of building permits issued and approved for any construction project in the event that a municipality's rules or zoning ordinance should change after issuance of a building permit but before issuance of a certificate of occupancy. Lastly the bill would provide relief from dealing with a zoning board of appeal for a building code dispute between a contractor or homeowner and a municipality that does not have a building code review board and appeal directly to the State Building Code Review board in an effort to speed up the process overall. Vote 9-0.

Amendment (1080h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to development approvals and appeals.

Amend the bill by replacing all after the enacting clause with the following:

1 Regulation of Subdivision of Land; Exemption. Amend RSA 674:39 to read as follows:
674:39 [Five] **Ten**-Year Exemption.

I. Every subdivision plat approved by the planning board and properly recorded in the registry of deeds and every site plan approved by the planning board and properly recorded in the registry of deeds, if recording of site plans is required by the planning board or by local regulation, shall be exempt from all subsequent changes in subdivision regulations, site plan review regulations, impact fee ordinances, and zoning ordinances adopted by any city, town, or county in which there are located unincorporated towns or unorganized places, except those regulations and ordinances which expressly protect public health standards, such as water quality and sewage treatment requirements, for a period of [5] **10** years after the date of approval; provided that:

(a) Active and substantial development or building has begun on the site by the owner or the owner's successor in interest in accordance with the approved subdivision plat within [~~24 months~~] **5 years** after the date of approval, or in accordance with the terms of the approval, and, if a bond or other security to cover the costs of roads, drains, or sewers is required in connection with such approval, such bond or other security is posted with the city, town, or county in which there are located unincorporated towns or unorganized places, at the time of commencement of such development;

(b) Development remains in full compliance with the public health regulations and ordinances specified in this section; and

(c) At the time of approval and recording, the subdivision plat or site plan conforms to the subdivision regulations, site plan review regulations, and zoning ordinances then in effect at the location of such subdivision plat or site plan.

II. Once substantial completion of the improvements as shown on the subdivision plat or site plan has occurred in compliance with the approved subdivision plat or site plan or the terms of said approval or unless otherwise stipulated by the planning board, the rights of the owner or the owner's successor in interest shall vest and no subsequent changes in subdivision regulations, site plan regulations, or zoning ordinances, except impact fees adopted pursuant to RSA 674:21 and 675:2-4, shall operate to affect such improvements.

III. The planning board may, as part of its subdivision and site plan regulations or as a condition of subdivision plat or site plan approval, specify the threshold levels of work that shall constitute the following terms, with due regard to the scope and details of a particular project:

(a) "Substantial completion of the improvements as shown on the subdivision plat or site plan," for purposes of fulfilling paragraph II; and

(b) "Active and substantial development or building," for the purposes of fulfilling paragraph I.

IV. Failure of a planning board to specify by regulation or as a condition of subdivision plat or site plan approval what shall constitute "active and substantial development or building" shall entitle the subdivision plat or site plan approved by the planning board to the [~~5-year~~] **10-year** exemption described in paragraph I. The planning board may, for good cause, extend the [~~24-month~~] **5-year** period set forth in subparagraph I(a).

V. The 5-year period and 10-year exemption in this section shall apply to any approval granted on after July 1, 2019.

2 Powers of Building Code Board of Appeals. Amend RSA 674:34, I to read as follows:

I. The building code board of appeals shall hear and decide appeals of orders, decisions, or determinations made by the building official or fire official relative to the application and interpretation of the state building code or state fire code as defined in RSA 155-A:1. ***If the zoning board of adjustment is acting as the building code board of appeals under either RSA 673:1, V or RSA 673:3, IV, its jurisdiction shall be limited to hearing appeals of local amendments to the state building code or state fire code, and all other appeals shall be made to the building code review board under RSA 155-A:11-b.*** An application for appeal shall be based on a claim that the true intent of the code or the rules adopted thereunder have been incorrectly interpreted, the provisions of the code do not fully apply, or an equally good or better form of construction is proposed. The board shall have no authority to waive requirements of the state building code or the state fire code.

3 New Hampshire Building Code; Appeal of Decisions of Local Building Code Board of Appeals. Amend RSA 155-A:11-b, I to read as follows:

I. The board ***shall hear and decide appeals of orders, decisions, or determinations made by the local building official relative to the application and interpretation of the state building code and state fire code as defined in RSA 155-A:1*** and shall hear appeals of final decisions of any local building code board of appeals established under RSA 674.

4 Register of Deeds; Site Plans. Amend RSA 478:1-a by inserting after paragraph XIII the following new paragraph:

XIV. The register of deeds shall not refuse to record a plat under this section for failure to comply with a law, regulation, or ordinance adopted after the date the site plan or plat was approved by the municipal planning board.

5 Effective Date. This act shall take effect on July 1, 2024.

AMENDED ANALYSIS

This bill extends the existing 5-year exemption for subdivision plats to 10 years, and increases the preliminary step from 2 years to 5 years. The bill also changes the building code and fire code appeals process, limiting the jurisdiction of the local building code board of appeals to hearing decisions made under local amendments to those codes.

HB 1361, relative to municipal land use regulation for manufactured housing and subdivisions. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Joe Alexander for Special Committee on Housing. This bill does two things: First, it clarifies the current law on how local zoning ordinances must address manufactured housing, making it easier for municipal officials to understand the law. It achieves this by breaking up a complex paragraph into separate statements that clearly present the law's requirements. Second, it establishes a requirement that municipalities must allow a reasonable and realistic opportunity for existing manufactured housing parks to expand. This acknowledges the fact that manufactured housing is for many New Hampshire residents the best way to achieve the security of homeownership. Vote 10-0.

Amendment (1040h)

Amend the bill by replacing section 1 with the following:

1 Local Land Use Planning and Regulatory Powers; Manufactured Housing. RSA 674:32, I is repealed and reenacted to read as follows:

I.(a) Municipalities shall afford reasonable and realistic opportunities for the siting of manufactured housing as required in subparagraph (b) and a municipality shall not exclude manufactured housing completely from the municipality by regulation, zoning ordinance or by any other police power.

(b) A municipality that adopts land use control measures shall allow, in its sole discretion, manufactured housing to be located:

(1) On individual lots in most, but not necessarily all, land areas and lots in districts zoned to permit residential uses within the municipality; or

(2)(A) In manufactured housing parks, as defined in RSA 205-A:1, II, in most, but not necessarily all, land areas and lots in districts zoned to permit residential uses within the municipality; and

(B) In subdivisions created for the placement of manufactured housing on individually owned lots in most, but not necessarily all, land areas and lots in districts zoned to permit residential uses within the municipality; or

(3) In all 3 types of locations.

(c) Manufactured housing located on individual lots pursuant to subparagraph (b)(1) shall comply with lot size, frontage requirements, space limitations and other reasonable controls that conventional single-family housing in the same district must meet. No special exception or special permit shall be required for manufactured housing located on individual lots pursuant to subparagraph (b)(1) or manufactured housing subdivisions pursuant to subparagraph (b)(2)(B) unless such special exception or permit is required by the municipality for single family housing located on individual lots or in subdivisions.

(d) Municipalities permitting manufactured housing parks pursuant to subparagraph (b)(2)(A) shall afford reasonable and realistic opportunities for their development. In order to provide such opportunities, lot size and overall density requirements for manufactured housing parks shall be reasonable and realistic.

(e) Municipalities shall allow reasonable and realistic opportunities for the expansion of manufactured housing parks existing as of July 1, 2024. For expansion of existing manufactured housing parks, municipalities shall not require standards stricter than NFPA 501A, "Standard for Fire Safety Criteria for Manufactured Home Installations, Sites, and Communities".

AMENDED ANALYSIS

This bill requires municipalities that adopt land use control measures to provide reasonable and realistic opportunities for the siting of manufactured housing on individual lots and in manufactured housing parks and subdivisions within residential districts. The bill also directs municipalities to provide reasonable and realistic opportunities for expansion of existing manufactured housing parks.

HB 1400, relative to the required maximum number of residential parking spaces. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Joe Alexander for Special Committee on Housing. This bill, as amended, allows municipalities to regulate accessory parking for vehicles, but the municipality shall not require more than one residential parking space per unit. We heard testimony that the size of two standard parking spaces is the same as one studio apartment. The average development cost of a parking space ranges from \$2,500 for gravel rural sites to \$36,000 for structured garage parking. Reducing parking requirements helps reduce the overall cost of new housing. Because of consumer demand, many projects will continue to provide more than one parking space per unit on-site regardless of the state baseline of one space per housing unit. Outside of areas with strong

transit connections, consumers may expect parking to be available to them, and even if residential developers prefer to build fewer parking spaces, in some cases, project lenders or investors may require more parking as a predicate to their investment. This bill will allow developers greater flexibility to adjust parking based on financial feasibility, rather than the requirements dictated by local regulations. Vote 9-1.

Amendment (0853h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to residential parking spaces.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Zoning and Planning; Grant of Power; Parking. Amend RSA 674:16 by inserting after paragraph V the following new paragraph:

VI. In its exercise of the powers granted under this subdivision, the local legislative body of a city, town, or county in which there are located unincorporated towns or unorganized places may regulate accessory parking for vehicles, but shall not require more than one residential parking space per unit.

2 Effective Date. This act shall take effect January 1, 2025.

AMENDED ANALYSIS

This bill provides that zoning and planning regulations shall not require more than one residential parking space per unit.

REGULAR CALENDAR

HB 1365, relative to substitution of biological products by pharmacies. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: REFER FOR INTERIM STUDY.**

Rep. Keith Ammon for the Majority of Commerce and Consumer Affairs. This bill, as amended, updates New Hampshire law regarding the substitution of biological products by pharmacists. It expands the current ability for pharmacists to substitute “interchangeable biological products” to include all biosimilar biological products licensed by the Food and Drug Administration (FDA) for a referenced FDA-licensed biological product, not just those that have gone through the detailed and expensive “interchangeable” designation process. The amended bill recognizes recent evidence suggesting that the “interchangeable” designation may be more political than scientific, as safety and efficacy profiles for a biosimilar are, by definition, nearly identical to the original across studied biosimilar types. The bill maintains provisions requiring pharmacists to inform patients when dispensing an interchangeable product and to notify the prescriber of the substitution. Prescribers can prevent substitution by specifying that the prescribed biological product is medically necessary. Patients can prevent substitution when they are informed by the pharmacist. Vote 16-1.

Rep. Tim McGough for the Minority of Commerce and Consumer Affairs. This legislation dramatically changes the patient-doctor relationship by inserting a pharmacist and allowing the pharmacists to alter the prescribed drug choice without consulting the doctor or prescriber in advance of dispensing the drug. Interchangeable drugs are not the same as biosimilar drugs. They have not undergone the same licensing and clinical trials as biosimilar drugs by the Public Health Safety Act (PHSA) and the Food and Drug Administration (FDA). No other state allows what is proposed by this bill. Europe and the European Medical Act do not consider interchangeable drugs in this fashion whatsoever in their medical or pharmacy system. In fact, the very definition of interchangeable and biosimilar drug have different meanings than in our USA system of regulation. Should this bill pass into law, pharmacists could be indemnified from mistakes made in medication dispensing because the legislature will have codified switching one unlicensed (by the PHSA) interchangeable for another. Currently pharmacists are required under New Hampshire law to have Collaborative Practice Agreements (CPAs) like Physician Assistants in order to act like prescribers, and to consult with prescribers such as MDs. This legislation would possibly circumvent that provision in current law. In no way is this law a cost saving measure. In fact, this bill could cause patients to be unknowingly switched to an off-formulary, and therefore higher co-payment medication. Lastly, just Monday March 11, 2024, new policy statements from President Biden’s 2025 budget and FDA Commissioner Califf tell us this issue is actively being discussed and is evolving at the federal level. If ever a bill should be placed into Interim Study, this legislation appropriately belongs there.

Majority Amendment (1243h)

Amend RSA 318:47-dd, IV as inserted by section 1 of the bill by replacing it with the following:

IV. When a pharmacist dispenses an interchangeable biological product for the prescribed biological product, the pharmacist or his or her designee shall inform the patient *and the prescriber*.

Amend RSA 318:47-dd, VII as inserted by section 1 of the bill by replacing it with the following:

VII. The label of all biological products dispensed by a pharmacist shall include the proper name and the name of the manufacturer of the product.

VIII. A pharmacist shall not substitute an interchangeable biological product that results in an increased cost to the patient.

AMENDED ANALYSIS

This bill allows for the substitution by a pharmacist of an interchangeable biological product for another interchangeable biological product, and prohibits the substitution of an interchangeable biological product if the substitution would result in an increase in cost to the patient.

Majority committee amendment was adopted.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

Majority committee report was adopted, and the bill was ordered to third reading.

HB 1366-FN, relative to penalties for the negligent or reckless operation of boats. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Terry Roy for Criminal Justice and Public Safety. This bill establishes a different offense of negligent operation of a boat in addition to reckless operation of a boat. This gives law enforcement the option to charge the lesser violation level offense where appropriate. As amended, it also aligns the suspension of boating privileges with the boating season, so that someone is not allowed to avoid the suspension by it being enacted during a period of time when no boating occurs. Vote 20-0.

Amendment (0111h)

Amend RSA 270:29-b as inserted by section 2 of the bill by replacing it with the following:

270:29-b Reckless Operation of Boats. Any person who shall operate a power boat upon any waters of the state in a reckless manner or so that the lives and safety of the public are endangered shall be guilty of a misdemeanor. A violation of this section shall include payment of a fine of not less than \$500, a loss of the person's driver's license for 60 days, and loss of the person's privilege to operate a boat for 60 days. The period for the loss of the person's privilege to operate a boat shall be between Memorial day and Labor day. Any unserved suspension will be continued to the following year's boating season.

Committee amendment was adopted.

Committee report was adopted, and the bill was ordered to third reading.

HB 1539-FN, relative to annulling, resentencing, or discontinuing prosecution of certain cannabis offenses. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Jonah Wheeler for the Majority of Criminal Justice and Public Safety. This bill updates the existing annulment statutes found in the criminal code. The current system is such that an individual seeking an annulment must pay a \$300 fee, and in most cases if they want the effort to be successful, they must pay for a lawyer. We know that the overwhelming majority of people eligible for annulments do not get them. This bill would solve that and the economic barrier to a cannabis annulment by charging the Department of Safety with annulling the misdemeanor cannabis possession charges off all eligible records in their system. This bill does not change the possession limit for cannabis. The current law would still stand. This bill allows for the individual to petition the court they were sentenced in for resentencing or annulment. Whether or not you are a supporter of legalization, New Hampshire is currently in the process of setting up a system by which we sell this product. How hypocritical is it for us to have citizens with a charge on their record for a product that the state is getting ready to sell? Nobody should have a criminal record for a product that's about to be sold by the entity which gave them that record. An individual may petition for resentencing but is not guaranteed that resentencing will be granted. Cannabis criminal records follow the charged individual for the rest of their life. People who have rehabilitated themselves and moved on from a charge which may have been decades ago, find themselves living in the shadow of that charge from years past. Preventing them from getting a house, a job, and moving on with their life. This bill helps those people finally become fully functioning members of society. Vote 14-6.

Rep. Jonathan Stone for the Minority of Criminal Justice and Public Safety. After hearing witness testimony, it is the opinion of the minority that this bill is unnecessary as we currently have an annulment process established under NH RSA 651:5 for violation, misdemeanor and felony offenses to include possession of the non-narcotic drug, cannabis. There was no testimony or supporting evidence of an individual who had filed for annulment petition with the Judicial Branch and was not granted one. In New Hampshire, a violation is an offense, which is not a crime. The penalties for a violation include a fine and, in some cases, license suspension but no jail time will be imposed. Also, a violation conviction is not reported on your criminal record and will have no long-term effects. On the misdemeanor offense, no evidence was presented on any individual currently serving a period of incarceration for a cannabis offense in any New Hampshire House of Correction. The misdemeanor offense would be part of a criminal record but would be eligible for annulment. If an individual broke the law, and was subsequently convicted, they bear responsibility for their actions and should have the burden to seek an annulment. This bill seeks to put the burden on the state. At the time of conviction and currently, cannabis possession and sales are still violations of current state and federal law. Finally, it is the opinion of the minority that while the nature of the offense is important, part of the equation lost on the majority, is that the offenders at the time had no way to know that it might be someday legal-

ized. The minority believes that a major component of any crime is the refusal to recognize the authority of the rule of law itself. We are a nation of laws and allowing retroactive wholesale forgiveness because society changes its opinion on the subject matter of the law, ignores that the need to obey the law does not change. Retroactive sanctioning of disobedience to the law, will lead to lack of respect for law. Lack of respect for the law, leads to anarchy.

The question being adoption of the majority committee report of Ought to Pass.

Rep. Rhodes spoke against.

Rep. Wheeler spoke in favor and yielded to questions.

Rep. Granger requested a roll call; sufficiently seconded.

and the majority committee report was adopted, and the bill was ordered to third reading.

HB 1713-FN, relative to a defendant's presence during certain criminal proceedings. **OUGHT TO PASS.** Rep. Terry Roy for Criminal Justice and Public Safety. This bill would require defendants charged with crimes punishable by a period of incarceration of 15 years to life, to appear in court to answer to their charges in person. The committee felt, that given the importance the legislature has placed on giving a voice to and empowering the victims of crime, as can be seen in our laws related to victim impact statements; allowing a defendant to choose to not attend court proceedings is contradictory. What good is giving a voice to victims if no one is there to hear it? A defendant's refusal to face and hear their victim, is revictimizing them by robbing them of their voice. Even in crimes without an obvious personal victim, society itself deserves to see the defendant stand before us all and answer for their crimes. This ensures the public of equal justice for all and protects defendants from secret trials where the defendant is not allowed to speak in their own defense. While the impetus for this bill was one person's refusal to face the family of the victim of his horrific crimes, the committee is also cognizant of the historical need for the right of a defendant to face their accuser and the importance of habeas corpus. This bill strengthens those protections as well. The bill still allows for some judicial discretion in appearances and broad discretion in sentencing. The only limit being any sentence under this bill must be served consecutively with any other sentence. Vote 15-0.

The question being adoption of the committee report of Ought to Pass.

Rep. Roy offered floor amendment (1367h).

Floor Amendment (1367h)

Amend RSA 592-B:10, I as inserted by section 1 of the bill by replacing it with the following:

I. In any case where a defendant is charged with or awaiting sentence for an offense punishable by life imprisonment or imprisonment of a maximum term of 15 years or more, the defendant shall be required to be present at the return of the verdict and at sentencing after trial, unless excused by the court pursuant to paragraph II. The court shall inform the defendant of this requirement and the potential penalty prior to trial. Amend the bill by replacing section 2 with the following:

2 New Section; Obstructing Governmental Operations; Failure to Appear at Trial or Sentencing. Amend RSA 642 by inserting after section 8 the following new section:

642:8-a Unexcused Failure to Appear at Trial or Sentencing.

I. A person is guilty of a class A felony if, having been charged or awaiting sentence for an offense punishable by life imprisonment or imprisonment of a maximum term of 15 years or more, the person knowingly:

(a) Fails to appear as required by RSA 592-B:10 and without being excused by the court.

(b) Refuses to comply with a transport order issued pursuant to RSA 592-B:10, IV.

II. It is an affirmative defense to a prosecution under this section that uncontrollable circumstances prevented the person from appearing or complying and that the person did not contribute to the creation of such circumstances in reckless disregard of the requirement that he or she appear or comply, and that he or she appeared or complied as soon as such circumstances ceased to exist.

III. A term of imprisonment imposed pursuant to this section may be consecutive to the sentence of imprisonment for any other offense.

IV. A person shall not be subject to multiple sentences for a violation of both this section and RSA 642:8 arising out of the same failure to appear or comply.

V. Following a conviction for an offense under this section and consistent with RSA 651:2, the court may consider whether the person was convicted of the underlying offense that was punishable by life imprisonment or imprisonment of a maximum term of 15 years or more in determining what, if any, sentence to impose, in the interest of justice.

AMENDED ANALYSIS

This bill requires that a defendant who is charged with or awaiting sentence for an offense punishable by life imprisonment or imprisonment of a maximum term of 15 years or more be present at the return of the verdict and at sentencing after trial, subject to excusal for cause. The bill further permits a court to order the use of reasonable force in carrying out a transport order issued pursuant to this section of an incarcerated defendant who refuses to comply with that order. The bill further makes it a class A felony to knowingly violate this provision.

HB 1014, relative to the registration of high school students to vote. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: The intent of this bipartisan bill is to require school districts and private high schools to adopt policies to promote student voter registration. Such policies include informing students of state requirements for voter registration as well as providing access to and assistance with filing registration applications. These policies may include collaboration with the town or city clerk or the supervisor of the checklist to conduct voter registration at high schools. Even though New Hampshire prides itself in its tradition of overall high voter turnout, the voter registration rate for 18-year-olds in New Hampshire is a mere 15.6%. Our American democracy is strongest when all eligible citizens participate. This bill is a way New Hampshire can increase youth participation in elections by requiring school districts and private high schools to adopt policies on voter education and registration.

Rep. Muriel Hall

Statement in support of Ought to Pass with Amendment: We would all like to see a higher turnout of legal voters at our elections. We do not have an issue with registering any voters but want to make sure that all the laws are being followed. The original bill requiring district policies leaves open many questions. Are registrations at high schools public events requiring the public to be allowed to register? What about regional schools serving multiple towns? If not all town clerks were present, would the students in the other towns be discriminated against? There was much committee discussion that voter registration should be part of civics instruction. As amended, the bill moves the issue into the civics instruction statutes and references current law that requires the State Board of Education to provide a constitution and information to schools on voting. The amended bill should resolve the issue of any schools not providing information on voting to students.

Rep. Glenn Cordelli

Rep. Hall moved Ought to Pass.

Rep. Cordelli offered amendment (1159h).

Amendment (1159h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to instruction in government and civics, including information on election laws and voting.

Amend the bill by replacing all after the enacting clause with the following:

1 Instruction in National and State History and Government and Civics. Amend RSA 189:11, I-c(f) to read as follows:

(f) The role, opportunities, and responsibilities of a citizen to engage in civic activity. ***This shall include information on the laws governing election and voting pursuant to RSA 189:23.***

2 Effective Date. This act shall take effect 60 days after its passage.

HB 1015-FN, relative to requirements for literacy skill development in elementary grades. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill, as originally introduced, makes changes to the elementary grade literacy skill development requirements that school districts must meet. Two amendments were introduced in committee, amendment 1109h and amendment 1106h. The non-germane amendment, 1109h, completely replaces the bill by mandating a new reading assessment and intervention program for all public schools. Although this bill, as amended with 1109h, suggests an appropriation of \$2.5 million for competitive reading improvement grants of \$75,000 per school with an English Language Arts proficiency rating below the state average, the committee heard testimony as to the financial burden and limited capacity of all schools to meet all the requirements of the bill. Conversely, this bill, with amendment 1106h, is a bipartisan bill, presented by two professional educators who have many years of experience teaching students how to read. Excellent literacy instruction is essential in building a strong foundation for learning and equips children with the skills they need to broaden their learning in all other academic areas. Passage of this bill would provide continuity and consistency in the execution of teaching reading to all our children, in all our public schools. It is based on the National Reading Panel research, targeting five essential elements of reading: comprehension, vocabulary, fluency, phonics, and phonemic awareness. Implementation includes explicit and systematic instruction in the five components of reading. The five components of reading are inclusive of the various English language arts areas and must be delivered in a response-to-intervention model that requires screening, benchmarking, and progress monitoring. This bill will ensure all New Hampshire children in public and public charter schools are afforded reading development and instruction that is delivered to meet their individual needs and abilities. Full implementation by July 1, 2027 allows schools sufficient time to begin professional development, acquire appropriate curricular materials, and engage in structuring literacy instruction.

Rep. Peggy Balboni

Statement in support of Ought to Pass with Amendment: The average proficiency in reading across the state is 52%. Therefore, 48% of students are not proficient. The bill amended with 2024-1109h presents a comprehensive approach to improving literacy. It is the result of working with international, national, and state literacy experts. It will require screening of all students in grades K-3 using a screener and training contracted for by the Department of Education based upon evidence-based instructional methods. If deficiencies are found, intervention is required. A plan to address the issues is required, as well as involving the parents. The amended bill also requires that college teacher programs be evaluated for their use of these evidenced-based methods. Some colleges and school districts are using now discredited methods of teaching reading. This bill changes that. Teachers currently employed possibly are not aware of the new methods. Teachers involved in reading instruction seeking renewal of their certifications will have to pass a test on this beginning in 2028. There is also provision for a competitive grant program open to schools with proficiency levels below the state average. Schools applying for the grants will have to submit a plan for improving reading literacy and the instructional methods to be used. If we are going to improve literacy in New Hampshire, then we have to start now and have a comprehensive plan for doing it. If we do not move forward, we are failing our children and what does that mean for our future?

Rep. Glenn Cordelli

Rep. Balboni moved Ought to Pass and offered amendment (1106h).

Amendment (1106h)

Amend the bill by replacing section 1 with the following:

1 Literacy Skill Development in Elementary Grades. Amend RSA 189:53 to read as follows:

189:53 Literacy Skill Development in Elementary Grades.

Beginning July 1, 2027, all school districts **and chartered public schools** [which] **that** provide elementary education shall [have] **provide measurable, evidence-based** instruction in literacy for all students through grade [3] **5**, including: **explicit, systematic** instruction in [reading;] **phonemic awareness, phonics (both decoding and encoding of sounds and words), fluency, vocabulary and comprehension; writing[;] (including grammar and mechanics); speaking[;]; listening[;]; mathematics reasoning[;]; and mathematics calculation (including fluency)**. All instruction shall be designed to assist students to achieve **grade-level** literacy and to provide the opportunity for each [child] **student** to learn according to such [child's] **student's** needs and abilities as set forth by the state board of education in the minimum standards for New Hampshire public elementary schools.

AMENDED ANALYSIS

This bill makes changes to the elementary grade literacy skill development requirements that school districts and chartered public schools must meet.

The question being adoption of amendment (1106h).

Rep. Cascadden spoke in favor.

On a division vote, with 297 members having voted in the affirmative, and 77 in the negative, amendment (1106h) was adopted.

The question being adoption of the motion of Ought to Pass with Amendment.
Rep. Cordelli offered floor amendment (1314h).

Floor Amendment (1314h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to a reading assessment and intervention program, dyslexia, and related disorders.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Reading Assessment and Intervention. Amend RSA 189 by inserting after section 53 the following new section:

189:53-a Reading Assessment and Intervention.

I. The department of education shall identify and contract for a measurable evidence-based universal reading screener for local school district and chartered public school use by January 1, 2025. The screener and training on the use of the screener will be made available at no cost to districts by the department. The screener shall be validated for both universal screening of literary proficiency and risk factors of dyslexia. It shall provide for data collection and analysis of skills appropriate to grade-level literacy benchmarks at the beginning, middle, and end of the school year. Additionally, it shall monitor the progress of those students who do not meet the screening benchmarks to track instructional effectiveness. The screening shall measure skills based on grade level predictive measures to include:

- (a) Letter naming fluency;
- (b) Phonemic awareness;
- (c) Decoding fluency (use of nonwords preferred);
- (d) Word reading fluency (inclusive of phonetic and irregularly spelled words);
- (e) Oral reading fluency;
- (f) Reading comprehension;
- (g) Letter sound fluency; and
- (h) A separate, progressive spelling inventory to be used to track student understanding is the alphabetic principle.

II. All public schools and chartered public schools shall screen all students in kindergarten through grade 3 (K-3) using the universal reading screener approved by the department. The universal reading screener shall be given in the first 40 days of the school year and repeated at midyear and at the end of the school year to determine student reading progress. Any student enrolling in a public school kindergarten through grade 3 (K-3) from an education setting that does not require screening shall be screened within 40 days.

III. Each student who exhibits a deficiency below grade appropriate benchmarks as demonstrated on the approved universal reading screener conducted in kindergarten and grades 1 through 3 shall be given general education reading intervention within 30 calendar days following the identification of the reading deficiency. This diagnostic prescriptive reading instruction and intervention must be documented for each student in an individual reading plan. The department shall provide a recommended reading plan form for districts. The plan shall include, at a minimum, the following:

- (a) The student's specific reading skill deficiencies as determined by data collected by the universal reading screener and teacher observation.
- (b) Individual goals and benchmarks for growth toward grade level proficiency.
- (c) Progress will be monitored and documented based on the targeted reading skill deficiencies. Smaller, early skill deficiencies such as letter naming, letter sound, and word reading will be progress monitored every other week. Oral reading fluency skills will be progress monitored at least every 3 to 5 weeks to ensure interventions are working and the student is progressing at an accelerated rate.
- (d) The description of additional instructional services and interventions the student will receive including the frequency, duration, group size, time on task and program materials used.
- (e) The evidence-based reading instructional program the teacher will use to target skill deficiencies during the intervention addressing the areas of phonemic awareness, phonics, fluency, vocabulary and comprehension and the skills to be addressed.
- (f) The instructional and intervention program used shall not include those that employ the three-cueing system of reading, or those using visual memory as the primary basis for word recognition.
- (g) The strategies the student's parent is encouraged to use in assisting the student to achieve reading proficiency.
- (h) Any additional services the teacher deems appropriate to accelerate the student's reading skill development.

IV. The parent of any K-3 student who exhibits a deficiency below grade appropriate benchmarks in reading at any time during the school year must be notified in writing no later than 14 calendar days after the identification of the reading deficiency, and the written notification must include the following:

- (a) That his or her child has been identified as having a deficiency in reading, and a reading improvement plan will be developed by the teacher, reading specialist, other pertinent school personnel, and the parents.

(b) The importance of grade level reading proficiency.

(c) The proposed measurable evidence-based individual reading plan, including strategies and activities the parents are encouraged to use in assisting the student to achieve reading proficiency.

(d) Notification that the parent will be informed in writing of their child's progress towards grade level reading at least every 3-4 weeks.

V. Students who do not make meaningful gains to lessen the reading deficiency after a measurable evidence-based intervention program shall be referred for special education evaluation or sooner if an educational disability is suspected.

VI. Each local school district and chartered public school shall engage local stakeholders to discuss the importance of reading, solicit stakeholder suggestions for improving literacy and district plans to increase reading proficiency.

VII. The department shall provide periodic workshops for educators and parents in evidence-based reading instructional programming addressing the areas of phonemic awareness, phonics, fluency, vocabulary, and comprehension.

VIII. The department shall provide guidance to districts on evidence-based instructional materials by September 1, 2024.

IX. Each district school board and chartered public school shall annually report in writing to the department by September 1 of each year, the following information on the prior school year:

(a) By grade, school, and town (if a multi-town district), the number and percentage of students in grades K-3 performing below grade appropriate benchmarks at the beginning, middle and end of the school year on the approved measurable evidence-based universal reading screener.

(b) By grade, school, and town (if a multi-town district or cooperative), the number of universal reading screeners administered and the number of pupils screened.

(c) By grade, school, and town (if a multi-town district or cooperative), the number and percentage identified with a reading deficiency.

X. The department shall post on the department web site and provide an annual report by December 1 of each year to the governor, senate president, speaker of the house of representatives, the state library, and the chairs of senate and house education committees including:

(a) State progress on improving reading literacy.

(b) Grades 1-3 end of year screening results by district.

(c) Percentages of pupils identified with a reading deficiency by district.

XI. The department shall report annually beginning September 1, 2025 on each New Hampshire teacher preparation program implementation of evidence-based and science of reading programs. Copies of the report shall be provided to the governor, senate president, speaker of the house of representatives, the state library, and members of senate and house education committee. The reports shall include the following for each of the essential components of phonemic awareness, phonics, fluency, vocabulary, and comprehension:

(a) Instructional hours;

(b) Knowledge of individual components through objective measures of knowledge;

(c) Hours of practice opportunities including student instruction and assessment of student skills;

(d) Background materials included textbooks and instructional materials

2 New Subdivision; Competitive Reading Improvement Grants. Amend RSA 198 by inserting after section 62 the following new subdivision:

Competitive Reading Improvement Grants.

198:63 Reading Improvement Grants.

I. In addition to aid for the cost of the opportunity for an adequate education provided under RSA 198:40-a, each local elementary school will be eligible for a competitive reading improvement grant of up to \$75,000.

II. To be eligible for a competitive reading improvement grant, an elementary school shall have an English Language Arts (ELA) proficiency rating below the state average.

III. In order to receive a competitive reading improvement grant, the eligible school shall:

(a) Provide a plan to the department outlining how the school intends to use grant award funds to offer an intensive reading intervention program pursuant to RSA 189:53-a, III to each K-3 student who exhibits a reading deficiency to ensure each student can read at or above grade level.

(b) Document the use of instruction and instructional materials that are measurable, evidence-based, and reflective of science of reading research.

IV. A department evaluation committee will review the submissions and determine the school awards.

3 Literacy Skill Development in Elementary Grades. Amend RSA 189:53 to read as follows:

189:53 Literacy Skill Development in Elementary Grades.

I. All school districts which provide elementary education shall ~~have~~ **provide measurable, evidence-based** instruction in literacy for all students through grade [3] **5**, including instruction in reading, writing, speaking, listening, and reasoning. All instruction shall be designed to assist students to achieve literacy and

to provide the opportunity for each child to learn according to such child's needs and abilities as set forth by the state board of education in the minimum standards for New Hampshire public elementary schools. ***Literacy instruction and instructional materials shall be measurable, evidence-based, and reflective of science of reading research which reflects a conclusion that effective beginning reading instruction includes the following essential components of reading: phoneme awareness, letter name knowledge, understanding of the alphabetic principle, morphology, semantics (vocabulary), syntax, verbal reasoning, text structures, automaticity at all levels, exposure via listening, speaking, reading, and writing. Districts shall not employ the three-cueing system model of reading, visual memory as the primary basis for teaching word recognition, or the three-cueing system model of reading based on meaning, structure and syntax, and visual cues.***

II. The department of education shall adopt rules under RSA 541-A concerning screening implementation, reading interventions, evidence-based instruction in literacy, certification renewals, and reading improvement grants.

4 Schools; Screening and Intervention for Dyslexia and Related Disorders. RSA 200:59, I-I-a are repealed and reenacted to read as follows:

I. All public school and chartered public school students shall be screened, including English learners, using the approved universal reading screener for the identification of potential indicators or risk factors of dyslexia and related disorders and shall be administered pursuant to RSA 189:53-a. I-a. If any such screening determines that a student fails to meet relevant benchmarks for grade-typical development in specific foundational skills, then the intervention and parental notification requirements will be followed pursuant to RSA 189:53-a.

5 New Section; Certification Renewal. Amend RSA 189 by inserting after section 13-c the following new section:

189:13-d Certification Renewal.

I. Beginning January 1, 2028, the following educators shall meet the requirements under this section prior to renewing their teaching license:

- (a) Elementary education teacher;
- (b) English for Speakers of Other Languages (ESOL) Teacher;
- (c) Early childhood education teacher;
- (d) English language arts teacher for grades 5-8;
- (e) English language arts teacher for grades 5-12;
- (f) Special education teacher;
- (g) Early childhood special education teacher;
- (h) Reading and writing teacher; and
- (i) Reading and writing specialist.

II. Prior to renewing their teaching license, educators identified in paragraph I shall pass a subject assessment test demonstrating the ability to promote student learning through the use of evidence-based instruction in the following:

- (a) Phonemic awareness;
- (b) Phonics;
- (c) Fluency;
- (d) Vocabulary; and
- (e) Comprehension.

6 Effective Date. This act shall take effect September 1, 2024.

AMENDED ANALYSIS

This bill creates a reading assessment program in the department of education, requires assessments of kindergarten through 3rd grade students for reading deficiencies, and establishes a reading improvement grant program.

The question being adoption of floor amendment (1314h).

Rep. Cascadden spoke against.

Rep. Cordelli spoke in favor.

On a division vote, with 145 members having voted in the affirmative, and 229 in the negative, floor amendment (1314h) failed.

The question being adoption of the motion of Ought to Pass with Amendment.

On a division vote, with 365 members having voted in the affirmative, and 9 in the negative, the motion of Ought to Pass with Amendment was adopted, and the bill was ordered to third reading.

HB 1084, relative to qualifications for the commissioner of education. **WITHOUT RECOMMENDATION** Statement in support of Ought to Pass with Amendment: This bill sets minimum education and experience requirements for a person to serve as the state's Commissioner of Education. The commissioner would have

to hold an earned degree from an accredited college or university, certification as an educator, and five years' experience as either a teacher or administrator in a public school system, to ensure competence, knowledge, and understanding of the public school system. The amendment makes these qualifications apply only to appointments or reappoints after the effective date of the act.

Rep. David Luneau

Statement in support of Inexpedient to Legislate: The Commissioner of Education is responsible for the organizational goals of the department and through his or her administration, to improve the effectiveness and efficiency of administrative and instructional services to all public schools in New Hampshire. In accordance with New Hampshire statute, the Governor, after consultation with the Board of Education, shall appoint the commissioner. This bill is narrowly constructed. Among the three qualifying criteria, the bill requires that a commissioner be certified as a teacher and have five years combined experience in teaching or administration in public schools. The bill disallows teaching experience or administration in private schools or successful leadership experience and accomplishments in the competitive world of private industry or business. Certainly, to be a successful educational commissioner, one must be informed and understand the world of careers and workforce needs. The current commissioner, along with previous commissioners of education, have brought leadership experience, knowledge of the state's educational opportunities, and intelligence that has served and will continue to best serve New Hampshire's K-12 students and higher education systems. Qualifying job criteria that will best serve our state should recognize proven leadership accomplishment, excitement for the job, and a willingness to challenge the status quo. Simply possessing a certificate or a diploma should not be the identifying marker or requirement for New Hampshire's educational leader. Within New Hampshire, qualifying criteria should remain the responsibility of the executive branch of government without micromanagement interference from either the legislature or controlling interests within education.

Rep. Rick Ladd

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1084**, relative to qualifications for the commissioner of education, be laid on the table.

Rep. Sweeney requested a roll call; sufficiently seconded.

REGULAR CALENDAR CONT'D

HB 1087, establishing a commission to study information literacy and media literacy instruction in public schools. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill establishes a Commission to Study Information Literacy and Media Literacy Instruction in Public Schools to improve students' media literacy skills. These skills are important to workforce readiness, responsible citizenship, and youth health and well-being. Media literacy instruction is an issue that has seen wide bipartisan agreement across the country. Twenty states have already enacted legislation focused on media skills and instruction for students. This bill proposes a commission with stakeholders and legislators that builds on Governor Sununu's 2023 executive order directing a statewide response to the impact of social media on children. The commission would offer a first step to investigate what effective solutions could be developed for public education in the Granite State. With the introduction of artificial intelligence (AI) and the complex and manipulative issues of social media messaging, this bill, as amended, will start important dialogue for the development and implementation of media literacy curriculum and standards.

Rep. Linda Tanner

Statement in support of Inexpedient to Legislate: This bill would establish a Commission to Study Information and Media Literacy Instruction in Public Schools. This topic is of utmost importance because it is becoming increasingly difficult for students to discern the truth when confronted with all the informational sources that bombard them today. While those committee members who opposed this bill appreciate the urgency of students learning how to tell truth from lies and fact from fiction, we are concerned that the politically biased composition of the commission would pose problems in fulfilling this mission. Among other criteria, this bill calls for two members to be appointed by the New Hampshire School Library Media Association which aligns closely with the American Library Association and its obvious political agenda. Another member would be appointed by an organization called Media Power Youth, which trains youth activists and promotes social-emotional learning in its already existing curricular materials (the existence of which creates a clear conflict of interest). Since one of the main functions of this commission would be to recommend proposed legislation, it seems unwise to have members from two such biased organizations.

Rep. Arlene Quaratiello

MOTION TO LAY ON THE TABLE

Rep. Myler moved that **HB 1087**, establishing a commission to study information literacy and media literacy instruction in public schools, be laid on the table.

Motion was adopted.

MOTION TO REMOVE FROM THE TABLE

Rep. Osborne moved that **HB 1683-FN**, relative to coverage of circumcision under the state Medicaid plan, be removed from the table.

Rep. Osborne requested a roll call; sufficiently seconded.

and the motion of Inexpedient to Legislate failed.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Tim Cahill moved that the House reconsider its action whereby, on a Division vote of 178-197, the House failed to adopt the majority committee report of Ought to Pass with Amendment on **HB 1683-FN**, relative to coverage of circumcision under the state Medicaid plan.

Rep. Yokela requested a roll call; sufficiently seconded.

MOTION TO LAY ON THE TABLE

Rep. Weber moved that **HB 1683-FN**, relative to coverage of circumcision under the state Medicaid plan, be laid on the table.

Motion was adopted.

REGULAR CALENDAR CONT'D

HB 1093, prohibiting mandatory mask policies in schools. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill would prohibit public schools from adopting policies that require students or members of the public to wear a mask while on the school's property. This would not apply to protective equipment worn for sports or for handling chemicals for scientific or educational purposes. When the Governor created the state-wide mask mandate in November of 2020, K-12 students, teachers, and staff were exempt. Local school districts created their own policies for mandating masks. Forcing children to wear masks had a negative impact on their learning, their speech, their mental and emotional well-being, their physical health, and their social development. This bill protects choice, but it also protects school boards from placing themselves in the middle of what parents want for their children. School boards are not qualified to make these types of decisions. If there is a public health crisis in the future, then the state will need to create the mandate and not our local school districts.

Rep. Kristin Noble

Statement in support of Inexpedient to Legislate: This bill prohibits school districts and chartered public schools from adopting, enforcing, or implementing policies requiring facial coverings with limited exceptions. During the pandemic, state and local officials were directed to rely on current mitigation recommendations by the New Hampshire Department of Education and the New Hampshire Division of Public Health Services. These recommendations were based on information from national, state, and local health agencies. In the fall

of 2020, New Hampshire school districts and local school boards were instructed to rely on Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (DHHS), and public health guidelines, which were provided to schools in a document provided to local districts through the New Hampshire School Transition Reopening and Redesign Taskforce. This guidance was provided to maximize the ability of public schools to offer some level of in-person instruction. The recommendations followed by public school districts were based on the best information available at the time. While not perfect, the intent of masking was to best protect our public students from infection, to allow for more students and families to return to in-person instruction and provide the safest environment for everyone in our public schools. Fluctuating infection rates led to disruptions to in-person learning and increases in remote instruction, causing parent confusion and frustration with the continued requirement of masking of children. This bill is a reaction to those pandemic-era health advisories and restrictions. It will eliminate the ability of local school districts to put in place practices, procedures, and policies to protect students and staff in the event of any future health emergencies, regardless of guidance being provided by state or local health officials. No one can predict what will happen in the future. Best practices in health, disease, and prevention continue to evolve based upon scientific advances. We need to continue to allow our local, elected school boards the freedom to respond to health emergencies according to the individual needs of their community, rather than remove options that could potentially be recommended by other local, state, and federal health experts.

Rep. Peggy Balboni

Rep. Noble moved Ought to Pass and offered amendment (0911h).

Amendment (0911h)

Amend the bill by replacing section 1 with the following:

1 New Section; Schools; Facial Coverings Policy. Amend RSA 189 by inserting after section 74 the following new section:

189:75 Facial Covering Policy for Schools. The school board of a school district or the chief executive officer of a chartered public school or public academy shall not adopt, enforce, or implement a policy that requires students or members of the public to wear a facial covering for any purpose while on the school's property unless the facial covering is necessary for a specific extracurricular or instructional purpose, or is required by some other section of the law. In this section, "facial covering" means any item worn on the face which covers a student's mouth, nose, or both. This provision shall not prohibit any public school board or governing person or body of a school from requiring participating students to wear athletic gear intended to protect against concussive or similar sports-related physical damage, or to wear protective equipment while handling chemicals, fire, or other similar hazardous elements for scientific or similar educational purposes. Further, this provision shall not prohibit policies that may require facial coverings as part of a student's individualized education program pursuant to RSA 186-C or accommodation plan pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq).

The question being adoption of amendment (0911h).

On a division vote, with 172 members having voted in the affirmative, and 163 in the negative, amendment (0911h) was adopted.

The question being adoption of the motion of Ought to Pass with Amendment.

Rep. Damon spoke against.

Rep. Noble spoke in favor and requested a roll call; sufficiently seconded.

and the motion of Ought to Pass with Amendment was adopted, and the bill was ordered to third reading.

HB 1287-FN, relative to the definition of the term “evidence-based” within public education. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: This “Science in Education Act” proposes defining the term “evidence-based” within public education in such a manner as to exclude subjective data sets, such as surveys, that we may rely solely on good, objective science to steer education. It further requires that school districts make available the science on which they are relying for transparency purposes and limits executive public communications of the term “evidence-based” to observe this definition. This requirement does not apply to curriculum, nor does it place any burden on teachers, as it only applies to institutions, such as the Department of Education, when adopting teaching methods. As such this represents a low-cost way to improve education. This bill does not dictate what specific teaching methods are adopted, but only requires that consideration be limited to those methods having demonstrated efficacy in studies. This is necessary to help curb the historical practice of chasing poorly substantiated fads within the field of education, and thereby contributes towards improved standards from which improved outcomes can be reasonably anticipated, as well as reduced long-term costs resulting from lesser turnover of materials and retraining of educators.

Rep. Mike Belcher

Statement in support of Inexpedient to Legislate: This bill turns science and history on its head. Public school curriculum would no longer be based on peer-reviewed facts. It would require schools to devote precious instructional time to present “alternative facts” peddled by con artists, hucksters and conspiracy theorists. Students would be presented with discredited ideas about slavery, history, science, health, as well as other misinformation and ideological propaganda. New Hampshire students perform among the best in the country, and this speaks volumes about the high standards used today by our public school teachers and staff. When it comes to teaching our kids, our public schools should continue to rely on facts supported by primary references and credible sources.

HB 1383, relative to cooperative school board district elections. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: Current law provides several options for the election of cooperative district school board members. One option provides for the election of a representative for specific towns in the district. The issue is that it requires everyone in the entire cooperative district to vote for that town's representative. This amended bill states that the voters in that town shall elect their own representative. It is not fair for a small town in a district to have its representative elected by voters in the larger towns who might not even know the candidates. Small town residents need fair elections.

Rep. Glenn Cordelli

Statement in support of Refer for Interim Study: The bill and amendment are directed to how cooperative school districts elect members of their school boards. Current law requires cooperative school districts to define the number, composition, method of selection, and terms of school board members in their articles of agreement. Districts formed after the passage of the current law have the option to choose from one of several alternatives spelled out in statute and conform to the "one person one vote" doctrine. The bill and amendment make a change that violates this doctrine. And unlike how the current law was drafted, the stated intent of the bill and amendment is to apply retrospectively to existing articles of agreement without voter approval. Members of the committee who support the Interim Study recommendation believe cooperative school district members will object to the state's interference with existing contracts.

Rep. David Luneau

Rep. Cordelli moved Ought to Pass and offered amendment (1123h).

Amendment (1123h)

Amend the bill by replacing section 1 with the following:

1 Composition of Cooperative School Boards. Amend RSA 195:19-a to read as follows:

195:19-a Composition of Cooperative School Boards.

The number, composition, method of selection, and terms of members of cooperative school boards shall be as provided in the bylaws or articles of agreement of the cooperative school district, as the case may be; provided, however, that such bylaws and articles of agreement shall be limited to the alternatives contained herein where applicable; and provided further that no cooperative school district in existence on August 22, 1971 shall be required to conform hereto unless it is so voted pursuant to RSA 671:9.

I. All members of the cooperative school board shall be elected at large; or

II. The cooperative school district shall be divided into single board member districts according to population with as nearly equal population in each district as possible; or

III. The cooperative school district shall be divided into multi-board member districts or a combination of single member or multi-member districts so that proportional representation will be most nearly achieved; or

IV. The members of the cooperative school board shall each be domiciled in and represent a pre-existing district with each pre-existing district having at least one such resident representative ~~[but all members of the cooperative school board shall be elected at large]~~ **who shall be elected within their own district**; or

V. Such other method of selection of cooperative school board members compatible with proportional representation, one-man one-vote principle as may be approved by the state board of education.

VI. The terms of the members of the cooperative school board shall be as provided in the bylaws or articles of agreement provided that in no case shall such terms exceed 3 years.

VII. Whenever the bylaws or articles of agreement provide for the election of cooperative school board members pursuant to this chapter, said election shall be with the use of the non-partisan ballot system under RSA 669.

AMENDED ANALYSIS

This bill requires cooperative school boards to elect representatives from pre-existing districts only from voters within the district.

The question being adoption of amendment (1123h).

HB 1452-FN, relative to credentials for the position of superintendent of schools and school business officer. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill establishes minimum standards for superintendents and business administrators employed by public school districts. The bill is necessary after the State Board of Education eliminated all standards for school business administrators and reduced the standards for school superintendents. Some may argue that the standards were too high and have led to few candidates applying for these positions. But the department's low standards and no standards are not the solution. Low standards and no standards are not appropriate when these professionals are responsible for the education and safety of 165,000 students every day and are responsible for more than \$3 billion per year in public tax dollars. Granite Staters expect high standards for our public school employees and strong outcomes for our students. This bill, with or without amendment, restores these high standards.

Rep. David Luneau

Statement in support of Inexpedient to Legislate: Statutes lay out general principles and sometimes specific details, but most of the finer details belong in rules and regulations. This bill – both the original and the amended versions – carries the details of credentials for the positions of superintendent of schools and school business officer far beyond the scope of statute. While both versions could be used as a sample framework for a district looking to fill either of these positions, these multi-page lists belong in rules and regulations, not in the statutes.

Rep. Margaret Drye

REGULAR CALENDAR CONT'D

HB 1453, relative to degree granting authority of certain institutions of higher education. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: This bill sets minimum standards for institutions of higher education authorized by the state to confer undergraduate and graduate degrees. New Hampshire is home to many high-quality public and private colleges and universities. All private colleges and universities in New Hampshire are non-profit institutions. The bill would establish minimum standards for private institutions to be non-profit organizations, as they all are now, and to comply with state and federal anti-discrimination laws and the federal higher education act, including Title IX.

Rep. David Luneau

Statement in support of Inexpedient to Legislate: This bill requires institutions of higher education approved by the Higher Education Commission for degree granting authority to be organized as nonprofit organizations and to comply with the Higher Education Act and state and federal anti-discrimination laws. We don't believe that we should be limiting institutions of higher education to not-for-profit institutions as for-profit institutions may be more responsive to the needs of their customers (students). In addition, institutions of higher education already have to comply with the Higher Education Act and all applicable state and federal anti-discrimination laws.

Rep. Alicia Lekas

Rep. Luneau moved Ought to Pass.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1453**, relative to degree granting authority of certain institutions of higher education, be laid on the table.

REGULAR CALENDAR CONT'D

HB 1476-FN, relative to charter school memorandums of understanding. **WITHOUT RECOMMENDATION**
Statement in support of Ought to Pass: This bill changes the date when a memorandum of understanding (MOU) must be completed between a school district and a charter school for the provision and billing of special education services. Currently, a student's school district of residence and the charter school of attendance must adopt an MOU before the start of the school year. This is impractical for many charter schools because personnel are not available during the summer months. As a result, some MOUs are not completed, although special education services are still provided to the student according to their individualized education plan. In addition, many students are not identified as needing special education services until after October 1. The bill moves the MOU date to November 1, giving time to identify students and the services they need, and time to complete the MOU for the provision and billing of these services.

Rep. David Luneau

Statement in support of Refer for Interim Study: Currently, memorandums of understanding (MOUs) are required between a charter school and the resident school district of any charter school student with a disability and IEP. The resident district is responsible for the services for that child. The bill requires MOUs to be signed by November 1st annually. The fiscal note says that if the MOU is not signed until after the start of school, they might have difficulty finding service providers. We also had testimony from the Department of Education that there have been times when the charter school has refused to sign the MOU and this bill might result in some students not receiving services until November. There are unresolved questions that need to be answered before we put a date into law. We cannot risk situations in which a child with a disability might be left without services.

Rep. Glenn Cordelli

Rep. Luneau moved Ought to Pass.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1476-FN**, relative to charter school memorandums of understanding, be laid on the table.

On a division vote, with 192 members having voted in the affirmative, and 182 in the negative, the motion was adopted.

(Rep. Steven Smith in the Chair)

REGULAR CALENDAR CONT'D

HB 1481, relative to appointments to fill vacancies to at large cooperative school board seats. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: The number, composition, method of selection, and terms of members of cooperative school boards are provided in the bylaws or articles of agreement of the cooperative school district, and they vary from district to district. When a vacancy occurs in any cooperative board seat that is elected at large, it is important to maintain any balance of town or municipality representation that may exist on the board. The easiest way to do this is to have the vacancy filled by a successor who is from the same municipality as the outgoing member. This bill establishes that requirement in the sections of law that describe cooperative school boards and school district elections.

Rep. Margaret Drye

Statement in support of Refer for Interim Study: This bill is directed to how cooperative school districts fill at large vacancies to their school boards. Current law requires cooperative school districts to define the number, composition, method of selection, and terms of school board members in their articles of agreement. Districts formed after the passage of the current law have the option to choose from one of several alternatives spelled out in statute and conform to the "one person one vote" doctrine. Unlike how the current law was drafted, the intent of the bill and amendment is to apply retrospectively to existing articles of agreement without voter approval. Members of the committee who support the Interim Study recommendation believe cooperative school district members will object to the state's interference with existing contracts.

Rep. David Luneau

Rep. Drye moved Ought to Pass and spoke in favor.

Rep. Tanner spoke against.

On a division vote, with 186 members having voted in the affirmative, and 188 in the negative, the motion of Ought to Pass failed.

Rep. Luneau moved Refer for Interim Study.
Motion was adopted.

HB 1592-FN-L, relative to the use of education freedom account funds in religious schools. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: The intent of this bill is to recognize that the New Hampshire Constitution prohibits public taxpayer tax dollars from being used to support religious schools and religious education. In the foundational language of the June 2, 1784, New Hampshire Constitution, Part 1, Article 6, Morality and Piety, states in part: "But no person shall ever be compelled to pay towards the support of schools of any sect or denomination." The vast majority of the Education Freedom Account (EFA) vouchers are devoted to students attending primarily Christian and Catholic private schools. The funds for the EFA vouchers come from the state budget's Education Trust Fund. Obviously, the budget is supported by the tax dollars of New Hampshire taxpayers. To wit, the funding of EFA funds to religious institutions is a violation of the New Hampshire Constitution.

Rep. Mel Myler

Statement in support of Inexpedient to Legislate: This bill would prohibit the use of Education Freedom Account funds from being used for tuition to religious schools. This would be contrary to multiple U.S. Supreme Court rulings dating back several decades. These include *Zelman v. Simmons-Harris* (2002), *Trinity Lutheran v. Comer* (2017), *Espinoza v. Montana Dept of Revenue* (2020), and *Carson v. Makin* (2022). The opinion in the Carson case sums up these cases: "A neutral benefit program in which public funds flow to religious organizations through the independent choices of private benefit recipients does not offend the Establishment Clause." Passage of this bill will lead to a federal court case and maybe back to the U.S. Supreme Court.

Rep. Glenn Cordelli

Rep. Myler moved Ought to Pass.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1592-FN-L**, relative to the use of education freedom account funds in religious schools, be laid on the table.

Rep. Sweeney requested a roll call; sufficiently seconded.

HB 1616, relative to parental consent for student participation in Medicaid to schools program. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: The current law provides for schools to bill Medicaid for reimbursement for medical and health related services provided to students with disabilities. The law requires only an initial consent by parents for the billing. The intent of this bill is very simple. Written parental consent should be obtained for each new service provided to the child and billed to Medicaid. An initial consent should not be an open door for all services and billing for the child. Parents have a right to know.

Rep. Glenn Cordelli

Statement in support of Refer for Interim Study: The New Hampshire Medicaid to Schools (MTS) program gives local education agencies (LEAs) and school administrative units (SAUs) the opportunity to obtain federal Medicaid dollars for eligible services. These dollars offset the cost to schools of delivering Medicaid-covered services. A broadly revised version of New Hampshire's MTS Program Rules (He-W 589) went into effect in February 2020. Engagement in the MTS Program offers an opportunity for reimbursement for services that schools are required to provide based on Individualized Education Plans (IEPs). The parents of a student whose services are billed through Medicaid must give consent for this billing process to happen. This parental consent is typically received during the IEP process. The parent also receives a written prior notice, outlining all of the proposals considered in the annual team meeting, prior to providing consent. This bill conflates consent for Medicaid billing purposes (releasing information to a billing company) with parental consent for IEP services as a whole. Not all IEP services are considered "medically necessary" or would be eligible for MTS, but all IEP services must be consented to by parents prior to being implemented. In New Hampshire, this consent is done annually, which exceeds the federal IDEA consent requirement. Parents can withdraw consent for MTS billing or call a team meeting to discuss services in a child's IEP at any time. However, the school must set up a meeting no less than annually to review all of these. Receiving services in the school setting does not limit a child's eligibility to receive services outside of school. As long as both services are considered medically necessary and meet federal Medicaid law, children can receive services through the

school that are paid for by MTS and traditional Medicaid. We are unaware of any special education services being provided to a student without consent from a parent in general, and a child's information cannot be released to MTS without parental consent. The Department of Health and Human Services has indicated that New Hampshire will be transitioning to a new claiming methodology to better reflect direct and indirect healthcare costs in schools. Interim Study would allow the committee to look at Medicaid to School and other Medicaid programs as a whole to better understand all issues that could be addressed by the department or through future legislation.

Rep. Peggy Balboni

Rep. Cordelli moved Ought to Pass and offered amendment (0716h).

Amendment (0716h)

Amend RSA 186-C:25 as inserted by section 1 of the bill by deleting paragraph IX.

AMENDED ANALYSIS

This bill requires schools to obtain parental consent for each service is provided to a student under the Medicaid to schools program. The bill also requires certain legislative policy committees to receive reports regarding the Medicaid to schools program.

Amendment (0716h) was adopted.

The question being adoption of the motion of Ought to Pass with Amendment.

Rep. Balboni spoke against.

Rep. Cordelli spoke in favor.

On a division vote, with 190 members having voted in the affirmative, and 187 in the negative, the motion of Ought to Pass with Amendment was adopted, and the bill was ordered to third reading.

MOTION TO REMOVE FROM THE TABLE

Rep. Kuttap moved that **HB 1353**, relative to authorizing the commissioner of the department of education to issue subpoenas, be removed from the table.

On a division vote, with 183 members having voted in the affirmative, and 194 in the negative, the motion failed.

REGULAR CALENDAR CONT'D

HB 1642, relative to the role of cooperative school district board member representatives on school district budget committees. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: This bill changes the school board appointed member on the cooperative school board budget committee to a non-voting ex-officio role. Current law gives the appointee a vote on both the board and committee. The members in support of Ought to Pass find that a school board member should only have one vote on the school board as opposed to the same elected member having two votes, one on the school board and one on the school district budget committee.

Rep. Katy Peternel

Statement in support of Refer for Interim Study: This bill is directed to the voting members serving on a budget committee for a cooperative school district. If the voters at a cooperative school district meeting approve to have a budget committee, current law requires the budget committee to include one member from the cooperative school board as a voting member. The bill would restrict the school board member to serve "in an ex-officio, non-voting capacity." The state has 31 cooperative school districts, most of which were formed in the 1950s and 1960s. These cooperative school districts operate under agreements adopted by voters from each of the municipalities served. Committee members who support the Interim Study recommendation believe this bill and other related bills should be worked on with representatives from the cooperative school districts and municipalities to better understand their needs and consider future legislation.

Rep. David Luneau

Rep. Peternel moved Ought to Pass and spoke in favor.

Rep. Tanner spoke against.

On a division vote, with 185 members having voted in the affirmative, and 189 in the negative, the motion of Ought to Pass failed.

Rep. Luneau moved Refer for Interim Study.

Motion was adopted.

HB 1091, relative to the financing of political campaigns. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Connie Lane for Election Law. This bipartisan bill revises many provisions in the campaign finance statutes that have been identified by the Secretary of State and Attorney General as confusing, contradictory, or unclear. It simplifies the existing statutes by consolidating the definitions and types of political committees and conforms reporting dates for all political committees and candidates. Vote 20-0.

Amendment (1215h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definitions; Candidate and Political Committee. RSA 664:2, II - III are repealed and reenacted to read as follows:

II. "Candidate" means an individual who seeks election to any public office or party position to be voted at a primary, general, or special election, whether or not the public office or party position has been specifically identified at such time and whether or not such individual is nominated or elected. An individual should be considered a candidate seeking election, or re-election, if the individual has:

- (a) Taken the action necessary to qualify for election, such as filing as a candidate;
- (b) Taken the action or authorized any other person to obtain, nominating petitions to qualify for election, or election to office; or
- (c) Received contributions or made expenditures, or given consent to any other person to receive contributions or make expenditures, with the purpose to bring about the individual's nomination for election, or election, to office at any time during the election cycle.

III. "Political committee" means a group of 2 or more persons that receive contributions or makes expenditures for the purpose of the success or defeat of a political party, candidate, candidates, measure, or measures, including, but not limited to the following:

- (a) Candidate committee created by a candidate running for office;
- (b) Political committee of a political party as further defined in RSA 664:2, V; or
- (c) The committee of a segregated fund established by any organization with a separate legal existence the purpose of which is to support the success or defeat of a candidate or candidates or measure or measures.

2 Definitions; Political Advertising, Communication, Contribution, and Expenditure. RSA 664:2, VI - IX are repealed and reenacted to read as follows:

VI. "Political advertising" means any paid communication that expressly advocates or is the functional equivalent of express advocacy for the success or defeat of a party, candidate, candidates, measure or measures.

VII. "Communication" means imparting, exchanging, or sending, of information by any medium or in any format, including, but not limited to: publication in any newspaper or other periodical, Internet, social media, or other digital method; broadcasting on radio, television, cable, or over any public address system; transmission by telephone, email, or facsimile; placement on any billboards, trucks or mobile billboards, outdoor facilities, window displays, posters, cards, pamphlets, leaflets, flyers, signs, or other circulars, or any direct mailing, digital or otherwise.

VIII. "Contribution" means anything of value made for the purpose of promoting the success or defeat of a candidate, candidates, measure, measures, or political party, including, but not limited to a payment, gift, subscription, assessment, contract, payment for services, dues advance, forbearance, loan to a candidate or political committee, or personal or professional services for less than full consideration.

IX.(a) "Expenditure" means the purchase, payment, contribution, subscription, distribution, loan, advance, deposit, or gift of money or anything of value; the making of a legally binding commitment to make a purchase, payment, contribution, subscription, distribution, loan, advance, deposit, or gift of money or anything of value in the future; or the transfer of funds by a political committee to another political committee or to a candidate. "Expenditure" includes disbursement of funds for:

- (1) Communications:
 - (A) That contain express advocacy or its functional equivalent supporting or opposing the election of a candidate, candidates, measure, or measures; or
 - (B) That promote the success or defeat of a party, candidate, candidates, measure, or measures regardless of whether the communication or activities contain express advocacy or its functional equivalent.
- (2) Partisan voter activity, partisan voter registration activity, partisan get-out-the-vote activity, or other partisan campaign-related activities.
- (3) Research, design, production, polling, data analytics, mailing or social media list acquisition or other activities conducted in preparation for or conjunction with communications or activities described in this paragraph.
- (4) Childcare expenses incurred by a candidate if the expenses are a direct result of the candidate's activities.
- (5) An independent expenditure, as defined in paragraph XI.
- (b) "Expenditure" does not include:
 - (1) The candidate's expenses for personal non-campaign travel and subsistence;
 - (2) Activity designed to encourage individuals to register to vote or to vote, if that activity or communication is non-partisan;
 - (3) Any communication by any membership organization or corporation to its members or stockholders, if the primary purpose of that membership organization or corporation is not for the purpose of promoting the success or defeat of a candidate, candidates, measure, or measures;

(4) The incidental expenses made by or on behalf of a person in the course of volunteering that person's time on behalf of a candidate or political committee or the use of real or personal property and the cost of invitations, food, or beverages voluntarily provided by a person to a candidate in rendering voluntary personal services on the person's residential premises for candidate-related activity if the aggregate value of such activities by such person on behalf of any candidate does not exceed \$ 250 with respect to any election.

3 Definitions; Independent Expenditures. RSA 664:2, XI - XIII are repealed and reenacted to read as follows:

XI. "Independent expenditure" means the disbursement of funds for an expenditure made by a political committee without cooperation or consultation with any political committee, political party, candidate, or agent of such candidate, and which are not made in concert with, or at the request or suggestion of, any political committee, political party, candidate, or agent of such candidate.

XII. "Full name" means the full legal name of a person making the identity of the contributor apparent by unambiguous reference.

XIII. "Person's post office address" means:

(a) If an individual, the address used by the individual for voter registration purposes; and
(b) If a person that is not an individual, the primary business location of the person, both which shall include a street and post office box, if any, city, state, and zip code.

(c) "Person's post office address" shall not mean:

(1) An individual's business address.
(2) An individual's vacation home address or rental property address when the home or rental property is owned, but not occupied by the contributor.

(3) Any address not that of the contributor.

4 Definitions; Push-Polling. Amend RSA 664:2, XVII to read as follows:

XVII. "Push-polling" means:

(a) ~~[Calling]~~ **Communications with** voters on behalf of, in support of, or in opposition to, any candidate **or candidates** for public office **or measure or measures by any means, including, but not limited to** telephone, **text, via the Internet, through social media or digitally**; and

(b) Asking questions related to opposing candidates for public office which state, imply, or convey information about the ~~[candidates]~~ **candidate's** character, status, or political stance or record; and

(c) Conducting such ~~[calling]~~ **communication** in a manner which is likely to be construed by the voter to be a survey or poll to gather statistical data for entities or organizations which are acting independent of any particular political party, candidate, or interest group as part of a series of like ~~[telephone calls]~~ **communications** that consist of more than 2,000 connected ~~[calls]~~ **communications** that last less than 2 minutes in presidential, gubernatorial, United States senatorial, or United States congressional elections; or conducting such calling as part of a series of like ~~[telephone calls]~~ **communications** that consist of more than 500 connected ~~[calls]~~ **communications** that last less than 2 minutes in executive council, state senate, city, town, school district, or village district elections; or conducting such calling as part of a series of like ~~[telephone calls]~~ **communications** that consist of more than 200 ~~[connected calls]~~ **communications** that last less than 2 minutes in state representative elections; and

(d) Conducting such ~~[calling]~~ **communication** for purposes other than bona fide survey and opinion research.

5 Definitions; Receipts. Amend RSA 664:2, XIX to read as follows:

XIX. "Receipts" shall mean the receipt of money or ~~[thing]~~ **anything** of value or the receipt of a legally binding commitment to receive money or thing of value in the future for the purpose of promoting the success or defeat of a **political party**, candidate, ~~[or]~~ candidates, ~~[or a]~~ measure, or measures. Receipts shall not include amounts received by a political committee in commercial transactions in the ordinary course of any trade or business conducted by the political committee or in the form of investments in the political committee or amounts received by the political committee from payors who, at the time of payment, prohibited, in writing, the use of the payment as an expenditure.

6 Definitions; Organization. RSA 664:2, XXII is repealed and reenacted to read as follows:

XXII. "Organization" includes 2 or more natural persons; business entities formed under state law, except those entities qualified under section 501(c)(3) of the United States Internal Revenue Code of 1986; or any other association of natural persons or entities formed under state law that is not registered as a business entity. Any candidate whose receipts or expenditures did not exceed \$1,000 during the election cycle shall attest thereto in the report due under RSA 664:6, I(a)(9) in the online campaign finance system prescribed by the secretary of state.

7 New Paragraphs; Definitions; Election Cycle, Person, Individual. Amend RSA 664:2 by inserting after paragraph XXII the following new paragraphs:

XXIII. "Election cycle" means the period of time beginning on the eighth day after a state general election through 21 days after the next state general election. For special elections, the election cycle shall be the date of the event that necessitates the special election and continues through 21 days after the end of the next state general election day.

XXIV. "Person" is an individual, collection of individuals, business organization, club, or any other entity created under the law.

XXV. "Individual" means a human being.

8 Registration of Political Committees. RSA 664:3, I is repealed and reenacted to read as follows:

I. Any political committee shall register with the secretary of state as provided in this section. As of November 26, 2024 and thereafter, any political committee or candidate filing any statements pursuant to this chapter for the election of governor, executive council, and senate shall file all such statements pursuant to the online campaign finance system prescribed by the secretary of state. As of November 26, 2026 and thereafter, any political committee or candidate filing any statements pursuant to this chapter for the election of the house of representatives, county commissioner, and all other offices shall file all such statements pursuant to the online campaign finance system prescribed by the secretary of state. A political committee may register for an election cycle at any time after the final report is due following the then-most-recent general election. The political committee's registration shall be received by the secretary of state not later than 48 hours after the political committee meets the criteria under RSA 664:2, III. The registration shall be accompanied by an itemized statement of the receipts and expenditures, if any, made by the political committee in the current election cycle prior to registration. Such itemization shall be made pursuant to the manner set forth in RSA 664:6. The registration shall also be accompanied by a fee of \$50, which shall be deposited by the secretary of state into the general fund; provided, however, that a candidate or a political committee of a political party that registers under this section shall not be required to pay the \$50 fee. Each political committee shall designate a treasurer who is a citizen of this state and who is authorized to receive all process and other legal documents on behalf of the political committee, and through whom may be obtained access to all books and records of the political committee. The political committee shall file with the secretary of state a statement of the purpose of the committee and shall indicate whether the committee will be making independent expenditures. The registration shall also include a statement of the name, address, occupation, and principal place of business of its chairperson and treasurer, and the names and addresses of other officers. The committee shall file an amendment to its registration within 14 days of any change in the officers or purpose of the committee.

9 Validity of Registrations. Amend RSA 664:3, IV to read as follows:

IV. All political committees' registrations under this chapter shall be valid from the date of registration until ~~[40]~~ **21** days after the primary or general election, whichever is appropriate, unless terminated sooner, in writing, by the chairman and the treasurer of the committee. However, any committee which has a continuing obligation to report as required under RSA 664:6 shall continue to exist for the purpose of making such reports.

10 New Paragraph; Political Committees and Candidates. Amend RSA 664:3 by inserting after paragraph VI the following new paragraph:

VII. Any political committee or candidate with the following may apply to the secretary of state on a form under oath prescribed by the secretary of state asking for a waiver of the requirements of RSA 664:3, I, RSA 664:7, and RSSA 664:9-b to file all statements pursuant to the online campaign finance system prescribed by the secretary of state:

(a) With less than \$3,000 in receipts or expenditures; and

(b) That does not possess a computer or the skills to file statements pursuant to the online campaign finance system prescribed by the secretary of state.

11 Prohibited Political Contributions. Amend the introductory paragraph of RSA 664:4 to read as follows:

664:4 Prohibited Political Contributions. No contribution, whether tangible or intangible, shall be made to a candidate, a political committee, or political party, or in behalf of a candidate or political committee or political party, directly or indirectly, for the purpose of promoting the success or defeat of any candidate, **candidates measure, measures**, or political party at any state primary or general election:

12 Contribution Limits. RSA 664:4, IV - V is repealed and reenacted to read as follows:

IV. By an individual or corporation in excess of the following amounts:

Contributed to:	Maximum amount of contributions:
Candidate or candidate committee	\$15,000
Any other political committee or political party	\$30,000

V. By any candidate or political committee in excess of the following amounts:

Contributed to:	Maximum amount of contributions:
Candidate or candidate committee	Unlimited
Any other political committee or political party	Unlimited
Political advocacy organization	Unlimited

13 Prohibited Coercion of Political Contributions. Amend RSA the introductory paragraph of 664:4-a, II to read as follows:

II. No business organization, and no officer, director, executive, agent or employee acting in behalf of the business organization, and no enterprise representing or affiliated with one or more business organizations,

and no officer, director, executive, agent or employee acting in behalf of such enterprise, shall knowingly coerce, or attempt to coerce, any employee of the business organization or of the enterprise, or any contractor or subcontractor or any employee of the contractor or subcontractor doing business with the business organization, to make a contribution to any political campaign or political committee, or to any candidate, party, *measure*, or cause, for the purpose of promoting the success or defeat of any candidate or political party:

14 Surplus Campaign Contributions and Deficits. Amend RSA 664:4-b to read as follows:

664:4-b Surplus Campaign Contributions *and Deficits*. Surplus campaign contributions *and deficits at the end of an election cycle shall be reported as the opening balance in the next election cycle's first statement. Surplus contributions* may be used [after a general or special election] for fund raising activities and any other politically related activity sponsored by the candidate, or for donations to charitable organizations. Such surplus campaign contributions, however, shall not be used for personal purposes *or other prohibited expenditures under RSA 664:5. All expenditures shall be reported according to RSA 664:6 through RSA 664:9. Special election cycle surpluses and deficits shall continue to be reported according to RSA 664:6 until a zero balance is reported.*

15 Prohibited Political Expenditures. Amend RSA 664:5 to read as follows:

664:5 Prohibited Political Expenditures.

No expenditure or use of a contribution, tangible or intangible, shall be made for the purpose of promoting the success or defeat of any political party, measure, or candidate:

I. By a political committee; except the political committee of a political party, unless the political committee meets the requirements of RSA 664:3, I.

II. ~~[By a political committee which is organized to support a candidate in any election, or to such candidate or the candidate's fiscal agent unless the committee secures and files the written consent of the candidate or the candidate's fiscal agent with the secretary of state in accordance with RSA 664:3, III.]~~

III. By any person, candidate, or political committee, for political advertising in *any format, including, but not limited to* a newspaper, periodical, or on a radio or television broadcast, or on a billboard, if at a rate more or less than the applicable rates to be filed with the secretary of state.

IV[-V. ~~Repealed.~~]

VI. By any foreign national, as defined in 52 U.S.C. section 30121(b) and 11 C.F.R. section 110.20(a)(3) [~~for any purpose, including for the use of telephones, facsimile machines, vehicles, and computers for electioneering. For the purposes of this paragraph, "electioneering" means to act in any way specifically designed to influence the vote of a voter on any question or office]~~

16 Reporting by Political Committee. RSA 664:6, I-III is repealed and reenacted to read as follows:

I. Any political committee whose receipts or expenditures exceed \$1,000 in an election cycle, shall file with the secretary of state an itemized statement, in the form prescribed by the secretary of state, signed by its chairman and treasurer. The \$1,000 threshold shall not apply to political committees renewed under 664:6, IV; these political committees shall continue to file until a zero balance is reported. For each receipt over \$50, the statement shall detail the full name and postal address of each contributor in alphabetical order, the amount of the contribution, the date it was received, and the aggregate total for each election cycle for each contributor of over \$200. Any receipts from a contributor with aggregate receipts of \$50 or under shall appear on the statements as unitemized receipts. Any receipt that exceeds a contributor's aggregate total of \$200 for each election cycle shall be reported with the contributor's occupation, the name of the contributor's employer, and the city or town of the contributor's principal place of business, if any. The statement shall also show each expenditure with the full name and postal address of the payee or promisee of payment, the date paid or obligated, whichever occurred first, and the specific nature and amount of each expenditure. Statements shall cover the period beginning the day after the last day covered in the prior statement period up to and including the Sunday before the statement is due.

II. Statements shall be filed not later than 5 PM according to the following schedule:

- (a) First Wednesday in June after the state general election;
- (b) First Wednesday in December one year after the state general election;
- (c) Wednesday 12 weeks before primary election;
- (d) Wednesday 3 weeks before primary election;
- (e) Wednesday before primary election;
- (f) Second Wednesday after the primary election;
- (g) Wednesday 3 weeks before general election;
- (h) Wednesday before general election;
- (i) Second Wednesday after the general election.

III. In addition to the reporting requirements contained in this section, the secretary of state shall be notified by the treasurer within 48 hours of any contribution exceeding \$500 that is received after the statement under subparagraph (8) is filed and prior to the election day.

17 Reporting by Political Committee. RSA 664:6, IV is repealed and reenacted to read as follows:

IV. Any political committee not subject to a registration fee under RSA 664:3 which has any outstanding debt, obligation, or surplus following the election cycle shall have its registration automatically renewed for the next election cycle. All other registered political committees will be conditionally renewed pending receipt by the secretary of state of the registration fee required under 664:3. Political committees that report a zero balance will expire. Statements shall continue to be filed according to RSA 664:6, I until a zero balance is reported.

18 Reporting by Political Committee. Amend RSA 664:6, VI to read as follows:

VI. Copies of the statements required by ~~[paragraphs H through V]~~ **this section** of the state committee of a political party shall be filed with the secretary of state in sufficient numbers so as to provide a copy for the state committee of each party on the ballot, which they may obtain by application to the secretary of state.

19 Registering and Reporting by Candidates. Amend RSA 664:7 to read as follows:

664:7 **Registering and Reporting by Candidates. *Prior to filing any campaign finance statements during an election cycle, each*** ~~[Each]~~ candidate ~~[at the primary or general election]~~ for governor, councilor, state senator, **state** representative ~~[to general court]~~, or county officer **shall register with the secretary of state through the secretary of state's online campaign finance system. Additionally, any candidate,** who has **receipts or** expenditures exceeding \$1,000, shall file statements before and after an election in like manner and detail as prescribed in RSA 664:6, ~~[H, H-a, III, IV, and V,]~~ excepting, however, the expenditures of political committees of the party to which the candidate belongs in elections other than primaries.

20 Reporting by Candidates for Speaker of the House of Representatives. Amend RSA 664:7-b to read as follows:

664:7-b Reporting by Candidates for Speaker of the House of Representatives.

I. Each candidate seeking election to the office of speaker of the house of representatives shall:

(a) ***Have filed all statements required under RSA 664 that are then due relating to the candidates most recent election for state representative.***

(b) File statements before and after ~~[such]~~ **the election for the speaker of the house of representatives** in like manner and detail prescribed in RSA 664:6, ~~[H, H-a, and III]~~ **I-IV-a**, except that the date of the respective election, rather than the date of the primary or general election, shall determine the dates of such statements; and

~~[(b)]~~ (c) Register as a political committee, pursuant to RSA 664:3, on the date that such person becomes a candidate for speaker of the house of representatives, notwithstanding the definition of the term "political committee" in RSA 664:2, III.

II. In this section, and notwithstanding RSA 664:2, II, the term "candidate" means ~~[a person]~~ **an individual** who seeks nomination for election, or election, to the office of the speaker of the house of representatives, and for purposes of this section, ~~[a person]~~ **an individual** shall be deemed to seek nomination for election, or election if such ~~[person]~~ **individual**:

(a) Has received gifts or contributions for such purposes; or

(b) Has given ~~[his or her]~~ consent to another person to receive gifts or contributions or make expenditures on behalf of such person and if such other person has received such gifts or contributions for such purposes.

III. No candidate shall be entitled to the office of speaker of the house of representatives until the sworn itemized statements, ~~[required to be filed by the candidate or on the candidate's behalf]~~ **except for the final statement required to be filed after the election**, have been filed as required by this section.

21 Political Expenditures and Contributions; Reports of Receipts and Expenditures. RSA 664:9-a and RSA 664:9-b are repealed and reenacted to read as follows:

664:9-a Reports of Receipts and Expenditures Filed Electronically. A political committee or a candidate may file such candidate's report of receipts and expenditures, pursuant to RSA 664:6, RSA 664:7, and RSA 664:7-b, electronically online by using the New Hampshire campaign finance system, which may also be used to register, file reports, and search information filed by candidates, political committees, and candidate committees.

664:9-b Reports of Receipts and Expenditures Filed by Other Methods. A political committee of a candidate or a candidate may file such candidate's required reports as an email attachment or a paper copy, provided that:

I. The font size of the document as printed is not less than an 8-point font.

II. Email attachments are to be in portable document format archive (PDF/A), or other acceptable format as determined by the secretary of state.

III. The report is mailed electronically or otherwise delivered, or sent to the secretary of state on or before the date and time that the report is due.

22 New Sections; Reports; Legibility Required. Amend RSA 664 by inserting after section 9-b the following new sections:

664:9-c Reports; Legibility Required. A political committee of a candidate or a candidate who files a report pursuant to RSA 664:9-b shall be responsible for ensuring the report is legible. The political committee of a

candidate or a candidate shall file an amended copy of such candidate's report within one week after being notified by the secretary of state or attorney general's office that such report is non-compliant. Non-compliant reports shall not be accepted by the secretary of state as filed and shall not be published to the online campaign finance system, pursuant to 664:11, until a legible amendment is received.

664:9-d Statements of Receipts and Expenditures Filed via Online Campaign Finance System.

After the dates specified in RSA 664:3, I, a political committee, or a candidate shall electronically file their statements of receipts and expenditures, as required by RSA 664:6, 664:7, and 664:7-b, by utilizing the online campaign finance system permitted by the secretary of state. The political committee or candidate may publicly release receipt and expenditure information under this section more frequently than is required by RSA 664 provided the receipt and expenditure report is up to date when due. Statements of receipts and expenditures, as required by RSA 664 may also be filed by means of electronic mail to elections@sos.nh.gov through the end of the 2024 election cycle. Statements filed via electronic mail shall be publicly available on the secretary of state's website within seven days after the statement is filed.

23 Inspection, Treasurers. Amend RSA 664:11-13 to read as follows:

664:11 Public Inspection. All statements, assents, and registrations filed by ~~[state committees,]~~ candidates~~;~~ and political committees shall be open to public inspection. ***Such statements, assents, and registrations shall be published on [The] the website of the*** secretary of state~~[shall publish on the Internet information on all contributions reported under this chapter, including the name of the contributor, the contributor's home state, and the date of the contribution].~~

664:12 ~~[Fiscal Agent]~~ ***Treasurer.***

As part of the declaration of candidacies filed by candidates for governor, councilor, state senator, ***state representative***, and county officer and other primary candidacies, every such candidate shall designate some person, who may be the ***individual*** candidate ~~[himself]~~, as ~~[his financial agent]~~ ***the treasurer*** for the purpose of the primary and general election campaign. If ~~[his]~~ candidacy for such office is established by a primary petition or nomination petitions, there shall be filed together with such petitions the name of the ~~[fiscal agent]~~ ***treasurer*** for such candidate. A candidate who is nominated by write-in vote at the primary shall, prior to making any campaign expenditures, file with the secretary of state the name of ~~[his fiscal agent]~~ ***the treasurer***. ~~[All]~~ ***The treasurer shall approve all*** sums expended or contracted for payment in the ~~[primary or general election campaign in behalf of such candidate shall be reported by the candidate or his political committee or both to his fiscal agent, and the candidate or his fiscal agent shall make or approve all disbursements in behalf of his candidate subsequent to his designation as fiscal agent]~~ ***election cycle*** and join with the candidate in making and filing the statements required by this chapter.

664:13 Committee Treasurer.

If ~~[a political committee has no treasurer, or if]~~ the treasurer fails to make a report ***required by this chapter***, it shall be the duty of each member of said ***political*** committee who received or pays out any money in behalf of said ***political*** committee to make such a report or to cause the same to be made. No member of such ***political*** committee shall make or permit any unlawful expenditure or act by said ***political committee***, in whole or in part, or consent thereto, or aid, abet or conspire to make or permit the same.

24 Signature, Identification, and Lack of Authorization. RSA 664:14 is repealed and reenacted to read as follows:

664:14 Identification and Lack of Authorization.

I. All political advertising shall comply with the provisions of this section.

II. All political advertising shall be signed at the beginning or the end. The signature shall state, "Paid for by (name of the candidate or political committee), (address of the candidate or political committee), (name of the treasurer) treasurer or (name of chair) chair". Political advertising in the form of signs or placards may contain an Internet address in lieu of the signature requirements of this section, if the Internet address is printed or written in a size of type or lettering large enough to be clearly legible and the website immediately and prominently displays all of the information required by this section through the election cycle. In the case of political advertising made on behalf of a political committee registered with the secretary of state pursuant to RSA 664, the name and address on the advertisement shall match the name and address registered with the secretary of state.

III. Political advertising to promote the success or defeat of a candidate, candidates, measure, or measures by a business organization, labor union, or other enterprise or organization shall be signed. The name of the business organization, labor union, or other enterprise or organization shall be indicated in or on the political advertising, and the chairman or treasurer of the business organization, labor union, or other enterprise or organization shall sign the political advertisement, including the name, position, and address of the signer. Nothing in this section shall be construed to permit contributions which are prohibited under RSA 664:4.

IV. Nothing in this section shall be construed to apply to communications at a town, school, or village district meeting, which communications shall be governed by the moderator.

V. Nothing in this section shall be construed to apply to a lone individual who independently authors, produces, and distributes political advertising in any format, including a leaflet, pamphlet, handbill, or digitally.

VI.(a) In the case of printed or written material, including material distributed by email, social media, or through other digital formats, the signature, position, and address of the signer shall be printed or written in a size or lettering large enough to be clearly legible.

(b) All political advertising via video media shall identify the name and address of the candidate or political committee paying for the political advertising. Such identification shall be made both aurally and visually whenever possible in the format of the political advertisement. The visual presentation shall be clearly legible and shall use letters equal to or greater than 12 percent of the vertical picture height and shall be present for not less than 4 seconds at the conclusion of the political advertisement.

VII. Notwithstanding any other provision of this section, buttons or any printed or written political advertising which is attached to or displayed on any clothing or motor vehicle need not be signed.

VIII. If the political advertisement is not authorized by the candidate or candidate committee, the advertising shall so state and shall identify the sponsor of the communication or political advertisement. All such political advertisements shall include the statement: "This advertisement has been paid for by (name of sponsor) and has not been authorized by any candidate." Such statement shall be made both aurally and visually if broadcast on television or similar medium, including social media, YouTube, or cable. The visual presentation on video media shall be clearly legible and shall use letters equal to or greater than 12 percent of the vertical picture height and shall be broadcast for not less than 4 seconds at the conclusion of the political advertisement.

IX. Any political advertisement that mentions or depicts a candidate, shall include the statement: "This advertisement has been paid for by (name of sponsor) and has not been authorized by any candidate."

25 Prerecorded Political Messages. Amend RSA 664:14-a, I-II to read as follows:

664:14-a Prerecorded Political Messages.

I. In this section, "prerecorded political message" means a prerecorded audio message delivered ~~by telephone~~ by:

(a) A candidate, ~~or~~ political committee, **or any other person** ~~;~~ ~~or~~

~~(b) Any person~~ When the content of the message expressly ~~or implicitly~~ advocates **or is the functional equivalent of express advocacy, promoting** the success or defeat of any party, **candidate**, measure, or person at any election, or contains information about any candidate, **measure**, or party.

II. No person shall deliver or knowingly cause to be delivered a prerecorded political message unless the message contains, or a live operator provides, within the first 30 seconds of the message, the following information:

(a) The name of the candidate, **the measure**, or of any organization or organizations the person is calling on behalf of.

(b) The name of the person or organization paying for the delivery of the message and the name of the fiscal agent **or treasurer**, if applicable.

26 Approval of Candidate or Treasurer. Amend RSA 664:15 to read as follows:

664:15 Approval of Candidate or ~~Fiscal Agent~~ **Treasurer**.

A person or business organization publishing a newspaper or periodical or selling billboard space or operating a radio or television station or public address system shall not publish, print or broadcast any political advertising by or in behalf of a candidate in an election unless the same shall be signed by or authorized in writing by the candidate or ~~his fiscal agent~~ **treasurer**.

27 Complaints. Amend RSA 664:18, II to read as follows:

II. Following **an** investigation **under RSA 554:18, I**, the attorney general **determines that a provision of this chapter has been violated, the attorney general** is empowered~~;~~ ~~if he determines that a provision of this chapter has been violated;~~ to:

(a) Issue an order requiring the violator to cease and desist from ~~his or her~~ **the** violation. If the attorney general's order is not obeyed, the attorney general or designee may petition the superior court of the county in which the violation occurred for an order of enforcement.

(b) Prosecute to final judgment through ~~his~~ **a** designee if sufficient cause for such prosecution is found.

28 Subpoena Power. Amend RSA 664:20 to read as follows:

664:20 Subpoena Power.

In the exercise of ~~his~~ **the** powers and duties **of the attorney general** under this chapter, the attorney general is authorized to require the appearance of individuals and to secure testimony and evidence by use of a subpoena duces tecum.

29 Penalty; Cross Reference Removed. Amend RSA 664:21, IX to read as follows:

IX. Any individual, **political** committee, or organization responsible for reporting under RSA 664:6~~;~~ ~~664:6-a;~~ and 664:7 that files a report with illegible material content shall receive a written warning for a first offense and shall be charged a civil penalty of \$1,000 per offense for any subsequent offenses.

30 Repeal. The following are repealed:

I. RSA 664:3, III, relative to requiring the written consent of a candidate before a fiscal agent may receive contributions or make expenditures.

II. RSA 664:3-a, relative to registration of political advocacy organizations.

III. RSA 664:6-a, relative to reporting by political advocacy organizations.

IV. RSA 664:9-a, relative to itemized statements filed by facsimile transmission.

V. RSA 664:3, III, relative to registration of political committees.

31 Effective Date.

I. Sections 21-22 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect January 1, 2025.

Floor amendment (1334h) was adopted.

The question being adoption of the committee report of Ought to Pass with Amendment.

Committee report was adopted, and the bill was ordered to third reading.

HB 1596-FN, requiring a disclosure of deceptive artificial intelligence usage in political advertising. **WITH-OUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bipartisan bill, with support from the Secretary of State, requires disclosure when deceptive artificial intelligence (AI) is used in political advertising during

a limited time frame of within 90 days of a candidate's appearance on the ballot. While multiple AI bills have been considered in various committees, including ones like this that pertain to deceptive deepfakes that make it appear that someone did something or said something that did not actually occur in real life, HB 1596 is the only one crafted in such a way that, if passed, would go into effect this year in advance of the November 2024 elections making this bill a "must pass" in the bipartisan supported suite of AI bills. The bill contains numerous safe harbors to adequately address first amendment concerns including an exemption for satire or parody as well as carve-outs for news broadcasters and more, matching the language and definitions of other AI bills. This 2024 election year is the first time deceptive deepfakes will play a significant role in influencing our elections because the rapid advancement of generative AI technology necessary to create deepfakes is now widely accessible for little to no money and requiring little to no skill. This common-sense bill aims to curb the dissemination of disinformation when it is in the form of media manipulated by technology capable of making it appear that something was done or said in real life when it did not actually occur. The required disclosure would read "this [image, video, or audio] has been manipulated or generated by artificial intelligence technology and depicts speech or conduct that did not occur." Those in support of Ought to Pass with Amendment believe this is a bipartisan, common sense, forward-thinking opportunity to provide a necessary tool for protecting the integrity of our elections.

Rep. Angela Brennan

Statement in support of Inexpedient to Legislate: This bill would have a chilling effect on freedom of expression. Those in opposition to the bill were concerned about severely impeding people's first amendment rights and potentially forcing the media to self-police content or be held liable for broadcasting content that may or may not be artificially generated if a disclaimer about authenticity of content is not audibly and or visually shared. The potential for self-censorship in our political media could be construed as voter intimidation. Other issues include holding liable sponsors, rather than creators of offending content, and opening the door to legal causes of action being raised against those who host or share such content, even without malicious intent.

Rep. Aidan Ankarberg

Rep. Brennan moved Ought to Pass and offered amendment (1209h).

Amendment (1209h)

Amend RSA 664:14-c as inserted by section 1 of the bill by replacing it with the following:

664:14-c Synthetic Media and Deceptive and Fraudulent Deepfakes.

I. In this section:

(a) "Synthetic media" means an image, an audio recording, or a video recording of an individual's appearance, speech, or conduct that has been created or intentionally manipulated with the use of generative adversarial network techniques or other digital technology in a manner to create a realistic but false image, audio, or video.

(b) "Artificial intelligence" or "AI" is the ability of a machine to display human-like capabilities for cognitive tasks such as reasoning, learning, planning, and creativity. AI systems may adapt their behavior to a certain degree by analyzing the effects of previous actions and operating under varying and unpredictable circumstances without significant human oversight.

(c) "Generative AI" is AI that can generate text, images, or other media in response to prompts.

(d) "Deepfake" means a video, audio, or any other media of a person in which his or her face, body, or voice has been digitally altered so that he or she appears to be someone else, he or she appears to be saying something that he or she has never said, or he or she appears to be doing something that he or she has never done.

II. Except as provided in paragraph III, a person, corporation, committee, or other entity shall not, within 90 days of an election at which a candidate for elective office will appear on the ballot, distribute a message created using artificial intelligence or generative AI that the person, corporation, committee or other entity knows or should have known is a deepfake, as defined in paragraph I, of a candidate or party on the state or local ballot.

III.(a) The prohibition in paragraph II shall not apply if the audio or visual media includes a disclosure stating: "This _____ has been manipulated or generated by artificial intelligence technology and depicts speech or conduct that did not occur."

(b) The blank in the disclosure required by subparagraph (a) shall be filled with whichever of the following terms most accurately describes the media:

(1) Image.

(2) Video.

(3) Audio.

(c) For visual media, the text of the disclosure shall appear in a size that is easily readable by the average viewer and no smaller than the largest font size of other text appearing in the visual media. If the visual media does not include any other text, the disclosure shall appear in a size that is easily readable by the average viewer. For visual media that is video, the disclosure shall appear for the duration of the video.

(d) If the media consists of audio only, the disclosure shall be read in a clearly spoken manner and in a pitch that can be easily heard by the average listener, at the beginning of the audio, at the end of the audio, and, if the audio is greater than two minutes in length, interspersed within the audio at intervals of not greater than 2 minutes each.

IV. This section shall not apply to any of the following:

(a) An interactive computer service provider or user as defined in 47 U.S.C. section 230 unless such provider or user was the creator of the deepfake prohibited by paragraph II.

(b) Any radio or television broadcasting station or network, newspaper, magazine, cable or satellite radio or television operator, programmer, or producer, Internet website or online platform, or other periodical that publishes, distributes or broadcasts a deepfake prohibited by paragraph II as part of a bona fide news report, newscast, news story, news documentary or similar undertaking in which the deepfake is a subject of the report and in which publication, distribution, or broadcast there is contained a clear acknowledgment that there are questions about the authenticity of the materials which are the subject of the report.

(c) Any radio or television broadcasting station or network, newspaper, magazine, cable or satellite television operator, Internet website or online platform, or other periodical when such entity is paid to publish, distribute or broadcast an election communication including a deepfake prohibited by paragraph II, provided that the entity does not remove or modify any disclaimer provided by the creator or sponsor of the election communication.

(d) A video, audio or any other media that constitutes satire or parody or the production of which is substantially dependent on the ability of one or more individuals to physically or verbally impersonate another person without reliance on artificial intelligence.

V. The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

AMENDED ANALYSIS

This bill requires the disclosure of media created using artificial intelligence and deepfakes used in political advertising.

Amendment (1209h) was adopted.

The question being adoption of the motion of Ought to Pass with Amendment.

Rep. Brennan offered floor amendment (1363h).

Floor Amendment (1363h)

Amend RSA 664:14-c as inserted by section 1 of the bill by inserting after paragraph III the following new paragraph, and renumbering the original paragraphs IV-V to read as V-VI, respectively:

IV.(a) A candidate whose appearance, action, or speech is depicted through the use of a deceptive and fraudulent deepfake in violation of paragraph II may seek injunctive or other equitable relief prohibiting the publication of such deceptive and fraudulent deepfake.

(b) A candidate whose appearance, action, or speech is depicted using a deceptive and fraudulent deepfake in violation of paragraph II may also bring an action for general or special damages against the sponsor. The court may award a prevailing party reasonable attorneys' fees and costs. This section shall not limit or preclude a plaintiff from securing or recovering any other available remedy.

AMENDED ANALYSIS

This bill requires the disclosure of media created using artificial intelligence and deepfakes used in political advertising.

Floor amendment (1363h) was adopted.

The question now being adoption of the motion of Ought to Pass with Amendment.

Motion was adopted and the bill was ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Berry moved that the House reconsider its action whereby, on a voice vote, the House adopted the motion of Ought to Pass with Amendment on **HB 1596-FN**, requiring a disclosure of deceptive artificial intelligence usage in political advertising.

Rep. Berry spoke against.

Motion failed.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Lane moved that the House reconsider its action whereby, on a voice vote, the House adopted the motion of Ought to Pass with Amendment on **HB 1091**, relative to the financing of political campaigns.

Rep. Lane spoke against.

Motion failed.

REGULAR CALENDAR CONT'D

HB 1102-FN, relative to the definition of animal cruelty. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: REFER FOR INTERIM STUDY.**

Rep. Peter Bixby for the Majority of Environment and Agriculture. Some brachycephalic, a.k.a. short nosed, dogs such as bulldogs and pugs, are prone to breathing problems that can be painful for the dog and expensive for the owner. This bill, as proposed, would have included the sale and breeding of brachycephalic dogs with breathing problems under the animal cruelty codes, making the first offense a misdemeanor and subsequent offenses felonies. While the committee was sympathetic to the problems these dogs face, we found the wording of the conditions that would trigger a cruelty charge unclear and problematic. The bill also contained very vague and subjective language regarding deformities and suffering. We also heard testimony that investigating and bringing a charge of cruelty with this bill as written would be nearly impossible. Another issue was that many dogs that would be considered brachycephalic do not exhibit these problems, making it hard to define exactly which dogs would be excluded from sale and breeding. Furthermore, if such dogs were surrendered to an animal shelter, the ban on sales could force the shelter to have them euthanized. For these reasons, the majority recommends this bill be found Inexpedient to Legislate. Vote 14-6.

Rep. Sherry Dutzy for the Minority of Environment and Agriculture. The minority of the committee believes that a Referral for Interim Study better addresses the issues covered in this bill. Although the minority recognizes that most breeders are reputable and take great care to breed healthy dogs, there were concerns that some may succumb to financial incentives to breed dogs with traits that are counter to the breed's health. The minority felt that an amendment which was drafted by the bill sponsor, but not formally considered by the committee, addressed many concerns of the committee regarding the original bill. The minority would like to see a study committee to see how the suffering of several breeds can be reduced or eliminated.

The question being adoption of the majority committee report of Inexpedient to Legislate.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1102-FN**, relative to the definition of animal cruelty, be laid on the table.

Rep. Read requested a roll call; sufficiently seconded.

REGULAR CALENDAR CONT'D

HB 1145-FN, prohibiting the private ownership of landfills. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Peter Bixby for the Majority of Environment and Agriculture. Approximately 50% of the trash that goes into New Hampshire landfills comes from out of state. Because of the Interstate Commerce Clause of the U.S. Constitution, the state cannot put restrictions on private landfills to treat trash coming from out of state differently from in-state trash. This bill would require that any future landfills in New Hampshire be owned either by the state or a subdivision thereof. The bill requires that a state-owned landfill would be operated by a private company and would also grandfather existing landfills. A municipal or county landfill would be able to choose between public or private operation. This would allow New Hampshire to control what and how much trash comes in from out of state. By reducing the amount of out-of-state trash, we can reduce the number of new landfills that will be needed, allow them to operate longer, and reduce their environmental impact. Vote 11-9.

Rep. Judy Aron for the Minority of Environment and Agriculture. The minority believes that banning private ownership of landfills in New Hampshire in order to control the amount of out of state waste being placed into our landfills is wrong. Our state and counties and municipalities already have the ability to establish landfills in our state and have done so successfully in several places, and they currently compete alongside privately owned landfills. Banning private ownership of landfills is just not business friendly. Even if a private business is allowed to enter into a contract with the state, county, or municipality to operate a publicly owned landfill but not own the land, why would they want to invest millions in infrastructure on a site that they would eventually abandon, or worse if their contract is not renewed by the public entity, hand over all that infrastructure to another contractor who would then run that landfill? There are many other questions regarding state, county, and municipal ownership of landfills, such as would they likely take land via eminent domain to establish a landfill? Who would have the liability for the land if the land becomes contaminated or becomes an environmental problem? Should these costs along with operational costs be borne by New Hampshire taxpayers? What about the increase in costs and tipping fees that are likely to occur? This would surely impact New Hampshire taxpayers. While the minority understands that this is an attempt to get

around the US Interstate Commerce Clause and control the amount of out of state trash being trucked into our landfills, we do not believe that this is the right solution as it creates many more problems and increases costs to New Hampshire taxpayers.

The question being adoption of the majority committee report of Ought to Pass.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1145-FN**, prohibiting the private ownership of landfills, be laid on the table. Rep. Weber requested a roll call; sufficiently seconded.

RECESS

The House reconvened at 1:45 p.m.

(Speaker Packard in the Chair)

REGULAR CALENDAR CONT'D

HB 1059, relative to the state building code. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Carol McGuire for Executive Departments and Administration. This bill updates to the 2021 version all building codes, with amendments adopted by the Building Code Review Board (BCRB), except the energy code, which stays at 2018. The board and the committee considered the energy code update and rejected it as imposing too many costs and restrictions on new homes. The committee amendment updates the code amendments to those adopted by the BCRB at its latest meeting. Vote 20-0.

Amendment (0804h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of State Building Code. Amend RSA 155-A:1, IV to read as follows:

IV. "New Hampshire building code" or "state building code" means the adoption by reference of the International Building Code [2018] **2021**, the International Existing Building Code [2018] **2021**, the International Plumbing Code [2018] **2021**, the International Mechanical Code [2018] **2021**, the International Energy Conservation Code 2018, the International Swimming Pool and Spa Code [2018] **2021** and the International Residential Code [2018] **2021**, as published by the International Code Council Inc., and the National Electrical Code 2020, as published by the National Fire Protection Association, Inc., as reviewed and recommended by the state building code review board, including all amendments reviewed and approved by the board as of [November 30, 2021] **January 12, 2024**, and ratified by the legislature in accordance with RSA 155-A:10. [The provisions of any other national code or model code referred to within a code listed in this definition shall not be included in the state building code unless specifically included in the codes listed in this definition.]

2 Effective Date. This act shall take effect July 1, 2024.

Committee amendment was adopted.

The question being adoption of the committee report of Ought to Pass with Amendment.

Rep. McWilliams offered floor amendment (1300h).

Floor Amendment (1300h)

and floor amendment (1300h) failed.

The question being adoption of the committee report of Ought to Pass with Amendment.
Committee report was adopted, and the bill was ordered to third reading.

HB 1190-FN, relative to adopting the interstate social work licensure compact. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Carol McGuire for the Majority of Executive Departments and Administration. This bill adopts a new licensing compact, which like all compacts, requires that the rules of the compact have the force and effect of law in the state. This violates the constitutional provision in Part I, Article 12 which states "...Nor are the inhabitants of this State controllable by any other laws than those to which they, or their representative body, have given their consent." This well-intentioned bill also raised concerns that it would not do what the supporters hoped it would do until many states, particularly neighboring states, joined the compact. Vote 12-8. Rep. Jaci Grote for the Minority of Executive Departments and Administration. New Hampshire participates in many compacts to achieve portability within licensed professions including nursing, occupational therapy, physical therapy, medicine, mental health, psychology, and audiology and speech pathology. States that adopt the compact early determine the license criteria that are governed by the compact board which is important to set standards that protect public safety. This bill would add social workers to the list of professional compacts in current statute. Members of the social workers compact states would be able to practice in the other compact states giving continuity of care to their clients who may have relocated for work or school and pay for one license as opposed to a fee for every state license. The minority of the committee felt that this was an important step in expanding the availability of mental health services to Granite Staters.

The question being adoption of the majority committee report of Inexpedient to Legislate.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1190-FN**, relative to adopting the interstate social work licensure compact, be laid on the table.

On a division vote, with 181 members having voted in the affirmative, and 192 in the negative, the motion failed.

The question being adoption of the majority committee report of Inexpedient to Legislate.

Rep. Schapiro spoke against.

Rep. Carol McGuire spoke in favor.

and the majority committee report failed.

Rep. Grote moved the minority committee report of Ought to Pass.

Minority committee report was adopted, and the bill was ordered to third reading.

HB 1222, relative to physician assistant scope of practice. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Tony Lekas for the Majority of Executive Departments and Administration. Currently Physician Assistants (PAs) may only practice if they have a signed collaboration agreement with a physician. From existing RSA 328-D:1 II-a "Collaboration" means a physician assistant's consultation with or referral to an appropriate physician or other health care professional as indicated based on the patient's condition, the physician assistant's education, training, and experience, and the applicable standards of care." The committee heard testimony that in some, possibly many, cases the physician who signed a collaboration agreement has, effectively, no relationship with the PA other than requiring the PA to pay for the signature. The committee heard from more than one person that the cost can be \$1,000/month. Also, even though current statute absolves the physician who signed the agreement of any liability for actions by the PA, the PAs are being required to include the physician on the PAs liability insurance, another cost to them. In some cases, the PA has never met the physician who signed their collaboration agreement. The committee heard no testimony of any problems caused by PAs even though at least some have a collaboration agreement that provides no oversight. However, Nurse Practitioners (NPs), also known as APRNs and ARNPs, who can provide similar medical care as a PA, are not required to have a collaboration agreement. There are many NPs practicing in New Hampshire and the committee did not hear any testimony concerning problems with NPs practicing without such an agreement. PAs and NPs take a similar but somewhat different path in training. However, by the end of their training they have spent about the same amount of time training and that training has covered similar material. Currently PAs may provide any legal medical service for which they have been prepared by their education, training, and experience and are competent to perform. If this bill were to become law that scope of practice would remain the same. Making it easier for PAs to practice in New Hampshire would help alleviate the shortage of medical personnel and increase access to medical care. That is true throughout the state but especially in rural areas that are not as well served. The genesis of this bill was a situation in the northern part of the state where a PA had been practicing for decades helping this underserved area. However, the physician who had signed his collaboration agreement was retiring and the PA was not able to find another physician to sign a new one. As it stands that PA will have to stop practicing, leaving his patients without his care. This is not unique to this particular PA or area. We heard testimony that Southern New Hampshire Family practice, in the Nashua area, had to replace PAs with NPs because the PAs could not find physicians to sign collaboration agreements and NPs don't need one. This unnecessarily limits the medical professionals that can meet the needs of the people of New Hampshire. The amendment updates language concerning PAs who are employed by the United States Department of Veterans Affairs and who are offering medical services to patients offered through the Veterans Administration Medical Center (VAMC). This update is required as part of removing the requirement for PAs to have a collaboration agreement. Vote 12-8.

Rep. Jaci Grote for the Minority of Executive Departments and Administration. HB 1222 eliminates the long-standing collaboration agreement between physician assistants (PA) and physicians allowing PAs to practice independently. The requirement for a PA is successfully completing an accredited PA program. In New Hampshire, there are two schools, one with a 24-month program and one with 27 months. Both schools require a BA or BS. A minority of the committee felt that the elimination of this collaboration agreement between a physician assistant (PA) and the responsible physician was too large a step in light on the changes made last year with SB 228. Before SB 228, PAs were supervised by physicians and, after long discussions, SB 228 changed the relationship from supervision to strictly collaboration. The rule making for this legislation is complete and states that physician assistants are responsible for their own medical decisions. It further states that physicians are not legally liable for malpractice. However, as a result of this change, some physicians have been reluctant to sign collaboration agreements because they will be liable for claims but will have had no supervisory input. This consequence was the main reason behind HB 1222. The minority does not want another unintended consequence and feels strongly that a joint effort with the other members of the healthcare teams such as the board of medicine, board of nursing, the hospital association and the New Hampshire Medical Society is needed to resolve this concern. None of these organizations were involved with the drafting of HB 1222. A request was made during the executive session to delay the vote on this bill to the House deadline date with the hope that such an understanding could be reached but it was rejected.

Majority Amendment (0454h)

Amend the bill by replacing section 1 with the following:

1 Physician Assistants; Definitions. Amend RSA 328-D:1, II-a to read as follows:

II-a. "Collaboration" means a physician assistant's consultation with or referral ~~to an appropriate physician or other health care professional~~ **to the appropriate member of the health care team** as indicated based on the patient's condition, the physician assistant's education, training, and experience, and the applicable standards of care.

Amend the bill by replacing section 4 with the following:

4 Physician Assistants; Licensure Requirements Suspended. Amend RSA 328-D:2-a, I-II to read as follows:

I. New Hampshire state licensure laws, rules, and regulations for physician assistants are hereby suspended for those physician assistants licensed by another state or territory of the United States or another country who are employed by the United States Department of Veterans Affairs and who are offering medical services to patients offered through the Veterans Administration Medical Center (VAMC), provided that such physician assistants are acting within the scope of their employment at the VAMC and possess a current license in good standing in their respective state, territory, or country of licensure. ~~[Physician assistants who are employed by the United States Department of Veterans Affairs and who are offering medical services to patients of the Veterans Administration Medical Center (VAMC) and requesting licensure in New Hampshire may collaborate with physicians licensed in any state or territory of the United States provided the participating physician possesses a current license in good standing in their respective state or territory of the United States.]~~

II. The acting director of the Manchester VAMC shall submit to the executive director of the New Hampshire office of professional licensure and certification, or designee, a list of all out-of-state or out-of-country licensed physician assistants offering services in the state of New Hampshire ~~[and out-of-state licensed physicians collaborating with physician assistants]~~.

Amend the bill by replacing section 5 with the following:

5 Repeal. The following are repealed:

- I. RSA 328-D:1, II-b, relative to the definition of collaboration agreement.
- II. RSA 328-D:1, II-c, relative to the definition of a participating physician.
- III. RSA 328-D:3-b, I-VI, relative to the requirements for collaboration agreements.
- IV. RSA 328-D:6, V, relative to operating outside of a collaboration agreement.
- V. RSA 328-D:12, relative to physician liability.

VI. RSA 328-D:15, III, relative to suspension of the need for collaboration agreements during disaster and emergency care.

VII. RSA 328-D:16, II, relative to suspension of the need for collaboration agreements during volunteer care.

AMENDED ANALYSIS

This bill eliminates the requirement for a collaboration agreement for physician assistants, and makes other changes to implement this elimination.

Majority committee amendment was adopted.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Kuttub offered floor amendment (1366h).

Floor Amendment (1366h)

Amend the bill by replacing all after the enacting clause with the following:

1 Physician Assistants; Definitions. Amend RSA 328-D:1, II-a to read as follows:

II-a. "Collaboration" means a physician assistant's consultation with or referral to ~~[an appropriate]~~ **a** physician or ~~[other health care professional]~~ **to the appropriate member of the health care team** as indicated based on the patient's condition, the physician assistant's education, training, and experience, and the applicable standards of care.

2 Physician Assistants; Definitions. Amend RSA 328-D:1, II-c to read as follows:

II-c. "Participating physician" means a physician practicing as a sole practitioner, a physician designated by a group of physicians to represent their physician group, or a physician designated by a health care facility to represent that facility, who **collaborates with a physician assistant or who** enters into a collaboration agreement with a physician assistant in accordance with this chapter.

3 Physician Assistants; Definitions. Amend RSA 328-D:1, III to read as follows:

III. "Physician assistant" or "P.A." means a person qualified both by academic and practical training to provide patient services ~~[in collaboration with one or more physicians pursuant to the requirements of]~~ **and licensed under** this chapter.

4 Physician Assistants; Licensure Requirements Suspended. Amend RSA 328-D:2-a, I-II to read as follows:

I. New Hampshire state licensure laws, rules, and regulations for physician assistants are hereby suspended for those physician assistants licensed by another state or territory of the United States or another country who are employed by the United States Department of Veterans Affairs and who are offering medical services to patients offered through the Veterans Administration Medical Center (VAMC), provided that such physician assistants are acting within the scope of their employment at the VAMC and possess a current license in good

standing in their respective state, territory, or country of licensure. [~~Physician assistants who are employed by the United States Department of Veterans Affairs and who are offering medical services to patients of the Veterans Administration Medical Center (VAMC) and requesting licensure in New Hampshire may collaborate with physicians licensed in any state or territory of the United States provided the participating physician possesses a current license in good standing in their respective state or territory of the United States.~~]

II. The acting director of the Manchester VAMC shall submit to the executive director of the New Hampshire office of professional licensure and certification, or designee, a list of all out-of-state or out-of-country licensed physician assistants offering services in the state of New Hampshire [~~and out-of-state licensed physicians collaborating with physician assistants~~].

5 Physician Assistants; Physician Assistant Scope of Practice. Amend RSA 328-D:3-b, I to read as follows:

I. Except as provided in RSA 328-D:15, III and RSA 328-D:16, II, ***physician assistants with fewer than 8,000 hours of clinical practice who practice without at least one licensed New Hampshire physician in the group, practice, or health system who practices in a similar area of medicine as the physician assistant, shall enter into a written collaboration agreement with a New Hampshire licensed physician who practices in a similar area of medicine as the physician assistant. The physician assistant shall provide proof of clinical hours worked upon request of the board of medicine.*** [~~a physician assistant shall engage in practice as a physician assistant in this state only if the physician assistant has entered into a written collaboration agreement with a sole practice physician or a physician representing a group or health system so long as the sole practitioner or at least one physician in the group or health system practices in a similar area of medicine as the physician assistant, and is a licensed New Hampshire physician.~~]

6 New Paragraphs; Physician Assistants; Physician Assistant Scope of Practice. Amend RSA 328-D:3-b by inserting after paragraph XVIII the following new paragraphs:

XIX. Physician assistants shall collaborate with, consult with, and/or refer to a physician or the appropriate member of the health care team as indicated by the patient's condition, the education, experience, and competencies of the physician assistant, and the standard of care. Physician assistants may only practice medicine when a physician or other appropriate member of the health care team is available for consultation in person or by electronic means. Physician assistants are solely responsible for the care they provide.

XX. Physician assistants shall comply with all internal policies regarding scope of practice as set forth by the physician assistant's employer.

7 Effective Date. This act shall take effect January 1, 2025.

AMENDED ANALYSIS

This bill eliminates the collaboration agreement requirement for physician assistants, except physician assistants who have completed fewer than 8,000 hours of clinical practice and work in a health care setting that does not employ a physician.

The question being adoption of floor amendment (1366h).

Rep. Rochefort spoke in favor.

Floor amendment (1366h) was adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment. Majority committee report was adopted, and the bill was ordered to third reading.

HB 1271, relative to the conversion, combination, and reorganization of boards and advisory boards. **MAJORITY: REFER FOR INTERIM STUDY. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Jaci Grote for the Majority of Executive Departments and Administration. As amended, this bill converts the boards of acupuncture licensing, midwifery, guardian ad litem, family mediators, manufactured housing installations, massage therapists, nursing home administrators, and septic system evaluators to advisory boards. Much of this was initially in HB 2 last year and reintroduced to the committee via an amendment to the bill. The majority of the committee was concerned with the negative sentiments expressed by two of the boards, specifically the acupuncturists and guardian ad litem. Their concerns and objections held weight with the committee and therefore interim study was a viable means of addressing these issues. Vote 11-9.

Rep. Tony Lekas for the Minority of Executive Departments and Administration. This bill, as amended, converts a number of the licensing boards into advisory boards. A number of existing boards are already advisory. The executive director of the Office of Professional Licensure and Certification (OPLC) will be required to consult with the boards in developing administrative rules defining licensing requirements and other matters concerning licensing of the professions the boards oversee. If the boards object to those rules, they will have a number of opportunities during the RSA 541-A rulemaking process to have their concerns heard. These are boards that oversee relatively few licensees. Having market participants oversee few licensees can open both the state and the members of the board to antitrust suits. This is particularly true when there are relatively few licensees. The concern is that since the members of the board likely know most if not all of the licensees, decisions might appear to be influenced by personal relationships or the fact that other licensees are com-

petitors. For example, there are only 33 licensed midwives in New Hampshire. The three midwives on the licensing board make up almost 10% of all the midwives licensed. In the 2015 case North Carolina State Board of Dental Examiners v. Federal Trade Commission, the US Supreme Court held that professional licensing boards comprised primarily of active market participants have immunity from antitrust laws only when they are actively supervised by the state. Advisory licensing boards have this immunity because, although they advise the OPLC, they do not have final authority. Regulatory boards have no such immunity. Since that 2015 decision a number of cases were filed across the country alleging anti-competitive actions by regulatory boards. Some of those cases resulted in settlements that required legislative changes similar to this bill. Others are still pending. The Federal Trade Commission (FTC) has a task force investigating state licensing practices. This is an active area of litigation, and it is likely only a matter of time before a New Hampshire licensing board is sued. In response to that Supreme Court case a number of states have passed legislation to make similar changes. Those include Maryland, Mississippi, Montana, Ohio, Tennessee. Vermont and other states which largely use the advisory board model. This is an issue that should be dealt with now by passing this bill. The problems and solutions are known and there is no need to study it further. This bill also combines the advisory board of massage therapists with the advisory board of reflexology, structural integration, and Asian bodywork therapy. This was at the request of those boards.

The question being adoption of the majority committee report of Refer for Interim Study.

Rep. Tony Lekas spoke against.

Rep. Schuett spoke in favor.

Rep. Sweeney requested a roll call; sufficiently seconded.

HB 1545, relative to the disposal of state surplus property for affordable housing. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill will facilitate in adding to affordable housing units in the state by helping convert non-tax generating surplus properties in communities into tax generating housing properties. By offering surplus real estate for lease or sale to develop into affordable housing, it will incentivize state agencies to set the necessary covenants and restrictions to ensure that it is affordable housing that is developed, and it stays affordable for a longer length of time. The current vacancy rate in New Hampshire is below 2%. There are different median income qualifiers, 80%, 60% and 50%, which are hard to find in many communities across the granite state. Here both market rate housing and affordable housing are given a fair and equitable playing field by enabling housing development across the income bracket.

Rep. Latha Mangipudi

Statement in support of Inexpedient to Legislate: This bill allows for the transfer of property from state agencies at less than fair market value if the property will be transferred to a nonprofit entity. The idea is that this will be another tool for the government to solve the so-called housing crisis. However, as with all government solutions, this will exacerbate the problem. Selling state surplus property at less than fair market value will affect the local real estate market. It might affect the viability of private development projects not receiving similar subsidies, leading to reduced investment in the area. This could slow the overall pace of housing construction or shift development to areas without such programs. Additionally, this bill is an unfunded subsidy. Since money is fungible, selling at a lower than market value is no different than the state giving a cash subsidy to a nonprofit entity. Therefore, it would be more reasonable for the state to sell the property at market value and give cash subsidies to nonprofits through a process with a fiscal note.

Rep. Matthew Santonastaso

Rep. Mangipudi moved Ought to Pass.

MOTION TO LAY ON THE TABLE

REGULAR CALENDAR CONT'D

HB 1279-FN-L, relative to payment by the state of a portion of retirement system contributions of political subdivision employers. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.** Rep. Kenneth Weyler for the Majority of Finance. One of the most important jobs of the legislature is to pass a balanced budget. In order to accomplish this task all expenditures must be limited to a given amount supported by expected revenue. The idea of the state paying for municipal and county employees retirement

share leaves too much uncertainty. In the 24 months after the budget is approved, the state has no control over how many new employees are hired, or any pay raises granted to them. This legislation echoes a bill from last year with the same title of Property Tax Reduction. It would not accomplish the claim of the title. In 2023 the budget sent back \$100 million of direct property tax reduction in reduced SWEPT payments. A request to any group asking, "how did that reduction workout?" is answered with "I never saw one." This proposal would possibly reduce those taxes by \$28 million. There would be even less notice of such a reduction. The amount of work this proposal entails at all the administrative levels is not worth all the fuss over such a minor effort. In 2012 we stopped contributing to the employers share of the retirement system for non-state employees. The difference for that contribution was largely made up by the increase in the employee share, which was far less than the employer's share. At the time those payments would have cost the state \$60 million, now they would be over \$100 million. Vote 16-9.

Rep. Chuck Grassie for the Minority of Finance. This bill requires the state to pay 7.5 percent of the normal and accrued liability contributions of the political subdivision retirement employers for group I teachers as well as group II (police and fire) members beginning in FY 2025. The intention of this bill is to alleviate the burden of the sole contribution by all participating municipalities in the New Hampshire Retirement System (NHRS), thus relieving the tax burden to the citizens when the state removed its obligation as a co-contributor to the NHRS system. This bill is a partial, prudent, and conservative attempt to reconstruct the state obligation. It is not at the original agreed to rate of 35% that was paid in the 1970's, but at a sensible rate of 5% relieving the applied tax to municipalities and their taxpayers this reduction inadvertently caused. To make a fair decision on this matter a brief overview and explanation is needed of the original agreement between the state and the contributing municipalities. NHRS was founded in 1967 from a combination of four existing retirement groups, Fire, Police, Teachers, and employees (e.g. state and local workers). Teachers and employees became known as group I, fire and police became known as group II. To entice municipalities to become contributing members, the state agreed to pay 40% of the shared costs in 1967. It was changed in the 1970's to what many of us remember of 35% of the shared costs. It remained under this agreement until 2010 when it was amended again to 30% then again amended to 25%, then further reduced to the current funding of zero. In 2012 it was understood by many of the municipalities that in 2012 it was supposed to be reinstated to 35%, but it was eliminated in the 2011 budget process which brings us to our current funding level of zero. Although changes were made over the years, at no time was it understood by the municipalities that this agreement by the state came with a sunset or termination date. Instead, it was understood that the state would continue as contributing partner in perpetuity. If municipalities had known in 1967 that the state would not fund their contributions, perhaps a different opinion would have been expressed by the municipalities at that time with legislation to continue the partnership. If one thinks that this elimination of the state's contribution responsibility was the panacea to the unfunded actuarial accrued liability (UAAL) they would be mistaken, for the UAAL still exists and other legislation was introduced to adjust that issue. In summary, the state walked away from being a contributing partner, which has led to a promise made and a promise unkept. Currently the state makes no contributions leaving the municipalities and taxpayers holding the bag and in essence a tax of 35% to member municipalities. This bill has the support of your municipal government expressed through the New Hampshire Municipal Association (NHMA). If you have employees in the NHRS, please just go ask your mayors, town administrators or other town officials if your community is feeling the pinch this downsizing has caused. So, you may then ask what is the solution? It is the adoption of this bill, which is a judicious and prudent attempt to compromise the absence of the state's contribution, not to the full 35%, but at a more practical 7.5%, and providing the 2012 intention of reinstating 35% that was eliminated in HB 2: Chapter 224, Laws of 2011, thus alleviating the inadvertent tax levied upon our constituents. This bill has the support of most communities in our state.

The question being adoption of the majority committee report of Inexpedient to Legislate.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1279-FN-L**, relative to payment by the state of a portion of retirement system contributions of political subdivision employers, be laid on the table.

Rep. Sweeney requested a roll call; sufficiently seconded.

MOTION TO PRINT DEBATE

Rep. McGhee moved that the debate on **HB 1279-FN-L**, relative to payment by the state of a portion of retirement system contributions of political subdivision employers, be printed in the Permanent Journal.

Without objection, the Speaker ordered.

DEBATE ON HB 1279-FN-L

Speaker Packard: For what reason does the member rise?

Representative Sweeney: Mister Speaker, I move to table HB 1279, and I request a roll call vote.

Speaker Packard: This is a proper motion. Rep. Sweeney has requested a roll call. Is that sufficiently seconded? It is. This will be a roll call vote. Members take your seats. The motion before us is to table HB 1279. This is a roll call vote. The Chair recognizes Rep. Weyler for a parliamentary inquiry.

Representative Weyler: Thank you, Mister Speaker. Mister Speaker, if I know that when the state stopped contributing the 35% to the municipal employer's cost of retirement in 2012 that we made up the loss by increasing the employee's contribution, which would be proportional to the increase of employees and their pay. The 35% that we looked at in 2012.

Speaker Packard: Rep. Weyler, this is a tabling motion.

Representative Weyler: Then would I now be in favor of tabling this as necessary because we have worked out a way to do it? Thank you. Press the green button.

Speaker Packard: The House will be in order. The Chair recognizes Rep. Grassie for a parliamentary inquiry.

Representative Grassie: Thank you, Mister Speaker. Mister Speaker, if I know that this was a promise that was made to communities back in 1967 to get communities to join into the retirement system for the State of New Hampshire. And if I know that this is an important bill for all our communities, whether they be Democratic or Republican, council members, board of aldermen, selectmen. If I know that they want this bill to help relieve the burden on taxpayers, would I now press the red button so a further motion can be made?

Speaker Packard: The motion before us is to table HB 1279. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations will be open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 182 voting Yea, 192 voting Nay, the tabling motion fails. The Chair recognizes Rep. Edgar.

Representative Edgar: Thank you, Mister Speaker. There are two different versions of this and I'm glad I get to give one of them anyway. Yeah, my name is Mike Edgar and this bill here is really for the cities and towns. You know, we had a retirement system back in the 60's. There was like four different ones and the state wanted it combined into one. The towns and cities agreed, but at the same time when the state convinced the cities and towns to do it, they promised to subsidize or pay for 40% of what the employer, in this case the cities and towns, would have to pay. Well eventually that got decreased. I want to remind everybody that this is for the teachers, the police, the firefighters. Those are the ones that are getting their retirement, which they are paying quite a bit for because it was increased as mentioned earlier. What they are paying is quite a bit so basically, we had it where the state was going to contribute 40% and then basically get down to 2011 where they paid zero. My goodness. I first became involved with this when the former representative from Hampton, Renny Cushing was bringing this up. He was always trying to get basically to stop the downshifting and to get the cities and towns what is due them and this is one of the ones that he really avid about. Then one of my best memories of this whole topic, which we discussed several times, is when our fighting leprechaun brought this up two years ago and we actually got it passed in the House. Mike O'Brien did a great job and I think that was really something to see. It's recently mentioned about property tax relief. This bill was criticized because it had the words property tax relief in it and I guess it must be a popular term because a bill that was put in by the other side used the same term, property tax relief. What they did was they changed it so there was only one year of it and that was in 2022 and it was great. Between the towns and the cities, they got about \$28 million back, but it's interesting that it also, getting that through, it also had a business tax relief in it. That was part of that bill that was put in for the one year. So, basically the state reneged on their promise and towns could really, really use the money. I hope that the people can see, who actually approved this, who approve the final bill after we change it, but vote red on the ITL and as I say, Yatahey, vote red.

Speaker Packard: The Chair recognizes Rep. Dan McGuire.

Representative Dan McGuire: Thank you, Mister Speaker. This is a perennial bill, and we had the identical bill last year in HB 50. When that bill came to the Finance Committee, we choose to redirect it for the same purpose but not as an immediate payment to municipalities, but as a pay down of the unfunded liability of the pension system. That's a slow way and steady way of improving the pension system over the long haul rather than a shot in the arm for this year's municipalities. So, that's what we passed. It was passed with a very strong vote on the House floor. We put it into the budget. Unfortunately, it was ripped out by our friends

on the other side of the wall and because we did not go to a committee of conference, that was the end of it for last year. It's something that in the committee of conference, we would have argued for it strongly. This year, earlier this year, we repurposed HB 436 to be exactly that. The exact same thing. This bill, as modified to pay down the unfunded liability. That bill is now on the other side of the wall, and they have not yet acted on it. I have high hopes. I have already spoken to them about it. I have high hopes that it may go forward in some form. The problem is, we have already given them a very heavy lift on the general fund this year. We have a much more important bill that we've already sent to enhance Group II liability features and we have HB 436, which is the paydown of the unfunded liability. If we add to it, essentially the same bill in this bill, that's yet another big chunk of the general funds and I think it will cause them to not pass our other important bills which we have already send them. It will just be too heavy a lift for their Finance Committee as it would be for ours. So please let's honor the decision that this body has already made and give our attention and our force to lowering the unfunded liability. That helps everyone, every municipality, the state in the long run, which is important. Thank you, Mister Speaker.

Speaker Packard: Rep. Edgar has requested a roll call. Is that sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. The motion before us is the majority committee report of Inexpedient to Legislate. This is a roll call vote. The Chair recognizes Rep. Grassie for a parliamentary inquiry.

Representative Grassie: Thank you, Mister Speaker. Mister Speaker, if I know that back in 1967 the State of New Hampshire promised communities a 40% share if they joined the retirement system. And if I know that in a strange quirk in 2011, this House and legislative body removed that contribution and became zero support for the communities. And if I know that what goes on on the other side of the wall is their business and what happens on this side of the wall is our business and that this bill will be back again if we do not do this this year because our city councils, our board of aldermen, our selectmen have requested this year after year after year. This is non partisan. If I know that this 7.5% will make up for that, basically bring back some of that promise that we had for our communities and help reduce taxes, would I now push the red button so we can get to Ought to Pass and move this bill forward?

Speaker Packard: The Chair recognizes Rep. Weyler.

Representative Weyler: Thank you, Mister Speaker. If I know that in 2012, the lack of money going to the municipalities for the retirement contribution was made up by the towns of making the employees pay the difference. That system has been stable for 13 years and the employees are still paying about less than half of what the employer pays so if that system has been going on for 13 years, why suddenly is there a travail about its affect on taxes? And finally, if I know that the Constitution Bill of Rights for New Hampshire in Article 36 says pensions will never be paid for more than one year, will I please stop hearing about broken promises? Press the green button to balance budgets. Thank you.

Speaker Packard: The motion before us is the majority committee report of Inexpedient to Legislate on HB 1279. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 178 voting Yea, 194 voting Nay, the motion fails. Rep. Grassie moves Ought to Pass. Are you ready for the question? All those in favor, say Aye; those opposed, Nay. The Ayes have it by 194 to 178.

REGULAR CALENDAR CONT'D

HB 1323-FN-A, making an appropriation for the printing costs of the New Hampshire state constitution. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kenneth Weyler for Finance. Every two years the Secretary of State contracts to have 5,000 copies of the New Hampshire Constitution printed. The copy is six inches by nine inches and has pictures of the elected leaders. So, it is only current for a two-year term. The distribution is mainly for the fourth graders who tour the State House as part of their education. The general distribution is somewhat limited. The size is not as convenient as most of the United States Constitutions that different groups distribute. The majority of those US Constitutions are three inches by six and a half inches, and easily fit in a pocket. The effective date will be after the results of the next election in order to include any Constitutional Amendments that might pass in that election. We hope the size and lack of pictures will reduce the cost as well as making it handier to carry. All of our citizens should be familiar with this document, not just legislators and fourth graders. Vote 25-0.

Amendment (0909h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the furnishing of copies of the state constitution by the secretary of state to the public.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Copies of State Constitution to be Furnished. Amend RSA 5 by inserting after section 5-b the following new section:

5:5-c Copies of State Constitution to be Furnished. The secretary of state is hereby directed to furnish such number of copies of the state constitution to the general public as he or she may deem necessary. The secretary of state may assess a fee to cover costs for bulk orders of copies of the state constitution requested by members of the legislative, judicial, and executive branches as well as members of the public.

2 Effective Date. This act shall take effect July 1, 2025.

AMENDED ANALYSIS

This bill requires the secretary of state to furnish copies of the state constitution to the general public. Committee amendment was adopted.

The question being adoption of the committee report of Ought to Pass with Amendment. Committee report was adopted, and the bill was ordered to third reading.

HB 1280, relative to informed consent and patient rights. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass: This bill defines informed consent and patients' rights in the context of a doctor patient relationship. Half of the Health, Human Services, and Elderly Affairs Committee felt that the bill codifies minimum best practices in the delivery of health care and serves as a necessary stopgap against the increasingly perfunctory execution of medical services driven by the growing administrative infrastructure around healthcare.

Rep. Mark McLean

Statement in support of Refer for Interim Study: This bill would put into statute informed consent procedures and patient rights that are already standard practice in New Hampshire, and in the nation, and is therefore not needed. Studying the issue further to see if there is a problem that needs a legislative approach would be more appropriate. The bill also states that the physician shall assess the patient's intangible ability to understand their treatment options and possible complications, which is a goal strived for but very difficult to measure. This bill may increase the already intolerable paperwork burden on physicians and also increase liability concerns making recruitment to New Hampshire more difficult than it already is. While the goals of this bill are in line with ideal medical practice, there is too much room for unintended consequences and should be further studied before action is taken.

Rep. William Palmer

Rep. McLean moved Ought to Pass and spoke in favor.

Rep. Palmer spoke against.

Rep. Cushman requested a roll call; sufficiently seconded.

and the motion of Ought to Pass was adopted and the bill was ordered to third reading.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Wilhelm moved that the House reconsider its action whereby, on a voice vote, the House adopted the motion of Ought to Pass on **HB 1279-FN-L**, relative to payment by the state of a portion of retirement system contributions of political subdivision employers.

Rep. Wilhelm spoke against.

On a division vote, with 179 members having voted in the affirmative, and 194 in the negative, the motion failed.

REGULAR CALENDAR CONT'D

HB 1568-FN, relative to Medicaid reimbursement for non-transport emergency medical services calls. **WITH-OUT RECOMMENDATION**

Statement in support of Ought to Pass: Currently, Medicaid reimburses providers of emergency services for patient care only when the patient is transported to a medical facility. Increasingly, though, our model of emergency services has changed, and often EMTs assess and stabilize a patient in the patient's home and transport to a medical facility is then not needed. The bill simply requires Medicaid to pay for emergency medical services when the patient does not need transport or refuses transport. Currently those services which allow a patient to stay safely in their home are unreimbursed and fall on the emergency service provider or directly on the taxpayer. Allowing them to be billed through to Medicaid would be a benefit to the patients, who receive the most appropriate care in the most appropriate setting, to the emergency services providing the care, and to the taxpayers in the municipality, who may otherwise be paying more of the costs. Those who voted in favor of Ought to Pass believe this is a simple solution to an ongoing problem and think that no more complexity is required.

Rep. Lucy Weber

Statement in support of Refer for Interim Study: The committee agrees that it is important to provide payment for services provided by emergency medical services, however half of the committee believes that this bill does not sufficiently define the terms for reimbursement and for that reason recommends the bill for Interim Study. Fortunately, this is not the only bill on this topic this year, and this committee will likely see a much more complete approach to this problem in our committee in the near future.

Rep. Erica Layon

Rep. Weber moved Ought to Pass.

On a division vote, with 237 members having voted in the affirmative, and 136 in the negative, the motion of Ought to Pass was adopted and the bill was ordered to third reading.

(Rep. Steven Smith in the Chair)

REGULAR CALENDAR CONT'D

HB 1607, relative to expanded safe haven protections. **MAJORITY: REFER FOR INTERIM STUDY. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Lucy Weber for the Majority of Health, Human Services and Elderly Affairs. Existing law allows a parent to surrender an infant within seven days of birth directly to a person at a hospital, church, police or fire station, or to an EMT at an agreed location. This bill would expand the time for surrender to 61 days, and would allow the parent increased anonymity, as the child could be placed in a safe haven baby box at a hospital, fire station or police station which is attended 24 hours a day. As drafted, the bill also provided for the exclusion of all evidence of abuse or neglect gathered as a result of the parent surrendering a child in this manner from being used as evidence in a criminal or civil trial. Committee members were united in their desire to preserve the lives of babies born to parents who are unable to care for them. There was debate, however, on many of the provisions of the bill. A majority of the committee approved an amendment that changed the provisions of how evidence derived from the surrender could be used. Some felt the amendment went too far, and some felt the amendment did not go far enough, in addressing the issue of what happens if a parent abuses an infant for up to two months, and then surrenders the infant. Should that parent escape prosecution entirely, or is the goal of protection of the infant a higher priority? The second issue still under discussion is the amount of time allowed for surrender. Is seven days too short? Is 61 days too long? A third issue was the question of the advisability of a "warm handoff" where the infant is surrendered to another person, or the greater anonymity of placing the child in a box for delivery to a person without direct contact with the parent. The majority of the committee decided that these issues are worthy of more discussion and are committed to doing that work. Vote 19-1.

Rep. Jim Kofalt for the Minority of Health, Human Services and Elderly Affairs. The 19-1 vote on Interim Study is not indicative of a lack of support for an Ought To Pass with Amendment. In fact, nearly half of the committee initially supported that motion, with bipartisan votes on both sides of the question. This bill expands the time window in which a parent may anonymously surrender a newborn baby to a hospital or other designated safe haven from seven days to 61 days. Although it does not exempt parents from criminal prosecution in the event of abuse, it does add some protections so as not to disincentivize parents from saving lives. Although that measure presents a true moral dilemma, the minority believes that this bill is a net positive that will save children's lives.

The question being adoption of the majority committee report of Refer for Interim Study.

MOTION TO LAY ON THE TABLE

Rep. Weber moved that **HB 1607**, relative to expanded safe haven protections, be laid on the table.

Rep. Hoell requested a roll call; sufficiently seconded.

and the majority committee report failed.

Rep. Kofalt moved the minority committee report of Ought to Pass with Amendment.

Rep. Cordelli offered floor amendment (1351h).

Floor Amendment (1351h)

Amend the bill by replacing all after the enacting clause with the following:

1 Legislative Findings. The general court finds that:

I. The New Hampshire safe haven legislation was signed into law 20 years ago and needs to be updated.

II. Advances since our law was implemented has allowed for development of safe haven infant safety devices that allow for anonymous surrender of babies. Similar devices have been installed in states around the United States. Hundreds of babies have been saved by these devices and no such device has ever harmed a child in any way.

III. Other New England states have passed legislation to update the age for which babies can be surrendered, leaving New Hampshire as the most restrictive state and the most dangerous state for at-risk babies.

IV. Although our current law allows a safe haven to keep parents' identities anonymous, some hospitals and law enforcement agencies have not honored the intent of the law. Instead, some hospitals have chosen to report parents' identities to police, while law enforcement have launched extensive statewide manhunts for mothers who had wished to remain anonymous.

V. There have been cases in New Hampshire in which a mother surrendering her baby at a safe haven location has been charged with crimes based on evidence obtained as a direct result of her surrendering the infant, causing a chilling effect for all mothers in crisis who consider surrendering their baby at a safe haven location – an effect which will almost certainly lead to further harm of the baby or even its death.

VI. The safe haven law was never intended as a law enforcement tool to lure and catch criminals who surrender their baby. On the contrary, it was meant to give parents every incentive to safely surrender an at-risk infant. Mothers in crisis surrendering their babies should not be prosecuted based on evidence gained from the baby's surrender but this fact should not prevent prosecutions based upon evidence not obtained by the surrender at a safe haven.

VII. These findings demonstrate that New Hampshire's safe haven law is in need of updates in line with other states, and which include protections for parents from prosecution solely based upon evidence obtained by the baby's surrender, but not a complete freedom from prosecution. The general court places the interest of the baby's life as the paramount priority.

2 New Paragraph; Safe Haven Infant Safety Device. Amend RSA 132-A:1 by inserting after paragraph III the following new paragraph:

IV. "Safe haven infant safety device" means a device or container to safely accept delivery of a child 61 days of age or younger that is:

- (a) Voluntarily installed by a hospital, law enforcement agency, or fire department;
- (b) Physically located inside a hospital, law enforcement facility, or fire department facility that is staffed 24 hours a day;
- (c) Located in an area that is conspicuous and visible to the employees of the hospital, law enforcement agency, or fire department; and
- (d) Equipped with an alarm that notifies the hospital, law enforcement agency, or fire department where the device or container is located.

3 Temporary Care and Control of Children at a Hospital or Safe Haven. Amend RSA 132-A:2, I to read as follows:

I. A hospital or safe haven, without a court order, shall take temporary care and control of a child who is not more than [7] **61** days old, provided that the child is handed to a person at the hospital or safe haven, **or is placed in a safe haven infant safety device**, by the child's parent or parents, and the parent or parents did not express an intent to return for the child. The child's parent or parents shall not be required to reveal personally identifiable information.

4 Safe Haven; Notice to Department. Amend RSA 132-A:3, III to read as follows:

III. Within 24 hours of receiving a report under this paragraph, the department shall request law enforcement officials to investigate the incident [~~using all resources available~~], including **by using** the National Crime Information Center database, to determine if the child is a missing child.

5 Temporary Care and Control of Children at a Hospital or Safehaven; Liability. Amend RSA 132-A:4 to read as follows:

132-A:4 Liability.

I. No person or entity subject to the provisions of this chapter shall be liable for any claim at law or in equity as a result of action taken pursuant to the requirements of this chapter.

II. Evidence of a parent's crime or wrongdoing obtained as a direct consequence of the parent acting pursuant to this chapter shall be subject to an exclusionary rule and, notwithstanding any contrary rule of evidence or law, shall be inadmissible in a criminal or civil trial against the parent.

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows a parent to surrender their child by placing the child in a safe haven infant safety device up to 61 days after the child's birth and provides protection from legal action to the parent.

The question being adoption of floor amendment (1351h).

Rep. Peternel spoke in favor.

Floor amendment (1351h) was adopted.

The question being adoption of the minority committee report of Ought to Pass with Amendment.

Rep. Seth King spoke against.

Rep. Peternel spoke in favor.

MOTION TO DIVIDE

Rep. Hoell moved that **HB 1607**, relative to expanded safe haven protections, be divided by removing Section 5 from floor amendment (1351h).

On a division vote, with 290 members having voted in the affirmative, and 82 in the negative, the motion to divide was adopted.

The question now being adoption of the minority committee report of Ought to Pass with Sections 1 through 4 and Section 6 of floor amendment (1351h).

Rep. Drye requested a roll call; sufficiently seconded.

CLERK'S NOTE

Without objection, the Clerk is authorized to renumber the bill accordingly.

(Speaker Packard in the Chair)

REGULAR CALENDAR CONT'D

HB 1181, relative to solid waste districts. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Jim Maggiore for the Majority of Municipal and County Government. This bill provides municipalities with the authority to contract with third party haulers for the transportation of solid waste generated both inside and outside of their districts. Secondly, it allows solid waste districts to use a manifest system like municipalities and school districts to smooth out the accounts payable process and ensure timely payment. Most solid waste districts' governing committees are operated by volunteers. Often the only reason the committees meet is to approve the payment of invoices. If the committee fails to get a quorum, as often happens in the summertime, it may be weeks before payment of invoices can be authorized, making payments overdue and, in some cases, financial hardship for some of the vendors. Finally, the most important aspect of this bill is to provide municipalities with the legal process to authorize emergency expenditures and/or over-expenditures, which currently does not exist in the municipal budgeting statute. Vote 12-8.

Rep. Josh Yokela for the Minority of Municipal and County Government. The minority amendment proposes to empower solid waste districts to "direct" waste rather than solely "accept" it from within their districts. This adjustment enables them to efficiently handle large waste producers, preventing capacity overload at drop-off locations from a single load and ensuring continued service to other waste contributors. The majority amendment raises procedural and accountability concerns; therefore, we urge support for the minority of the committee's recommendation of Ought to Pass with Amendment proffered by the minority's amendment.

Majority Amendment (1054h)

Amend the bill by replacing all after the enacting clause with the following:

1 Solid Waste Management Districts; Services for Public Entities. Amend RSA 53-B:7, XIX to read as follows:

XIX. To accept at a district facility solid waste generated inside and outside the boundaries of the district[-], **and to direct solid waste generated by political subdivisions inside the boundaries of the district to contracted third parties.**

2 Solid Waste District Committee; Authority to Pay Debt. Amend RSA 53-B:8, II to read as follows:

II. The committee shall choose a chairman by ballot from its membership. It shall appoint a secretary and a treasurer, who may be the same person, but who need not be members of the committee, and such other officers as may be provided for in the district agreement. The treasurer shall receive and take charge of all money belonging to the district and shall pay any debt of the district which has been approved by the committee[-], **or by a non contemporaneously signed manifest signed by 2 or more members of the district committee empowered by the district committee as a whole to authorize payments.** The treasurer may, by vote of the committee, be compensated for his services. Proceedings of the committee shall be held in accordance with RSA 91-A.

3 Solid Waste Management District; Expenditures. New Section; Expenditures. Amend RSA 53-B by inserting after section 9 the following new section:

53-B:9-a Emergency Expenditures and Overexpenditures. When an unusual circumstance arises during the year which makes it necessary to expend money in excess of amount budgeted pursuant to this chapter which may result in an overexpenditure of the total amount budgeted for all purposes, the district committee, upon application to the commissioner of revenue administration, may be given authority to make such expenditure, provided that:

I. The district has appealed to the governing bodies of the member municipalities for a commensurate adjustment to the apportionment established by the district budget and one or more boards have denied the request.

II. The commissioner of revenue administration may accept and approve an application after an expenditure if caused by a sudden or unexpected emergency, in which case paragraph I shall not apply.

III. The commissioner of revenue administration shall not approve such an expenditure unless the governing body designates the source of revenue to be used. The commissioner shall not have the authority to compel the member communities to increase the apportionment rate in order to fund such an expenditure.

IV. Notwithstanding the provisions of this section, if the district committee has by warrant article established a contingency fund in the annual budget for the purpose of unanticipated expenses, the district committee may expend funds from such account to meet the costs of such expenses.

4 Effective Date. This act shall take effect 60 days after its passage.

The question being adoption of the majority committee amendment.

Rep. Yokela spoke against.

Rep. Veilleux spoke in favor.

On a division vote, with 223 members having voted in the affirmative, and 136 in the negative, the majority committee amendment was adopted.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Yokela offered minority committee amendment (1048h).

Minority Amendment (1048h)

Amend the bill by replacing all after the enacting clause with the following:

1 Solid Waste Management Districts; Services for Public Entities. Amend RSA 53-B:7, XIX to read as follows:

XIX. To accept at a district facility solid waste generated inside and outside the boundaries of the district[.], ***and to direct solid waste generated inside the boundaries of the district to contracted third parties.***

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill permits a solid waste district to direct solid waste generated inside the boundaries of the district to contracted third parties.

The question being adoption of the minority committee amendment.

Rep. Yokela spoke in favor.

Rep. Veilleux spoke against.

On a division vote, with 149 members having voted in the affirmative, and 216 in the negative, the minority committee amendment failed.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Majority committee report was adopted, and the bill was ordered to third reading.

HB 1223, relative to governing body members of the budget committee. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Laurel Stavis for the Majority of Municipal and County Government. The amendment pertains to one of our primary purposes as a committee, which is to hear bills that enable municipalities to determine how they are permitted, by the legislature, to govern themselves. Since the state allows a local option for the adoption (or not) of Keno, the majority of the committee feels that local communities should be given the opportunity to determine whether they will allow games of chance/casinos or not. This amendment accomplishes that goal. Vote 15-5.

Rep. Josh Yokela for the Minority of Municipal and County Government. The minority of the committee asserts that the non-germane amendment seeks to modify established long-term status regarding gambling, thereby instituting a default prohibition on gaming activities in municipalities unless expressly permitted. The minority of the committee contends that hastening a resolution on this issue is unwarranted, given the existing moratorium and ongoing endeavors to prolong it, alongside the municipalities' authority to regulate gaming establishment through zoning ordinances. Rather than expedite a decision, the minority of the committee advocates for a thorough examination of concerns within the time frame afforded by the moratorium, to be addressed comprehensively during the upcoming legislative session.

Majority Amendment (1218h)

Amend the title of the bill by replacing it with the following:

AN ACT creating local options for games of chance.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Local Option; Games of Chance. Amend RSA 287-D by inserting after section 287-D:31 the following new section:

287-D:32 Local Option; Games of Chance.

I. Any applicant applying to the lottery commission after July 1, 2024, for a game operator employer license under RSA 287-D to operate games of chance in a municipality who has not previously made an application for a game operator employer license in that municipality shall first obtain the approval of the municipality where the applicant seeks to operate games of chance. Said approval shall be obtained from the town or city to allow the operation of games of chance according to the provisions of this subdivision, in the following manner:

(a) In a town, the question shall be placed on the warrant of an annual town meeting under the procedures set out in RSA 39:3, and shall be voted on a ballot. In a city, the legislative body may vote to place the question on the official ballot for any regular municipal election, or, in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition signed by 5 percent of the registered voters.

(b) The selectmen, aldermen, or city council shall hold a public hearing on the question at least 15 days, but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality, on the website of the municipality, and by publication in a newspaper of general circulation at least 14 days before the hearing.

(c) The wording of the question shall be substantially as follows: "Shall we allow the operation of games of chance within the town or city?"

II. If a majority of those voting on the question vote "Yes," games of chance may be operated within the town or city.

III. If the question is not approved, the question may later be voted upon according to the provisions of paragraph I as early as the next annual town meeting or regular municipal election. Notwithstanding any other provision of law, including RSA 287-D:32, I and II, the requirement for obtaining local approval to apply for a license as a game operator employer shall not apply to:

(a) Any game operator employer licensed by the lottery as of May 1, 2021 and still licensed as of the effective date of this act; or

(b) Any applicant for a game operator license who applied to the lottery between January 1, 2023 and October 15, 2023.

IV.(a) A city or town may rescind its approval for operation of games of chance under RSA 287-D or disallow such operation by following procedures in paragraph I in this section where one of the following exists:

(1) A facility allowed to operate games of chance pursuant to this section that has not begun operation within 7 years of the grant of permission;

(2) A facility that applied to the lottery for a game operator employer license prior to July 1, 2024 and has not begun operation within 7 years of the date of application approval or by July 1, 2024, whichever is later; or

(3) A gaming operation where the operator has ceased its operation and does not reopen the operation in the same municipality for 7 years after such cessation; or where a facility exists that has been inoperative for the most recent 7 continuous years beginning any time after July 1, 2024.

(b) The wording of the question shall be substantially as follows: "Shall we prohibit the operation of games of chance within the town or city?" If 60 percent of those voting on the question vote "Yes," the town or city shall not permit the operation of games of chance.

V. An unincorporated place may allow the operation of games of chance by majority vote of the county delegation, after a public hearing is held.

VI. In an unincorporated place, if no facility exists that was allowed to operate games of chance pursuant to this section, or which, having been licensed prior to July 1, 2024, has begun operation within 7 years of the grant of permission or the period starting July 1, 2024, whichever is later, or if there exists no facility in operation for the most recent 7 continuous years beginning any time after July 1, 2024, the delegation may consider rescinding its action or disallowing the operation in the same manner as paragraph V. with the requirement that a 60 percent "yes" vote would be required to rescind the action or disallow the operation.

VII. The lottery commission shall maintain a list of municipalities where games of chance are available.

VIII. If the town, city, or unincorporated place has voted within this section to prohibit games of chance, that municipality may pass an ordinance allowing only a specified number of charitable gaming events per year, or certain number of dates per year to be determined by the town, hosted by local charitable organizations pursuant to RSA 287-D:4, and specifying how the municipality shall determine how charitable organizations register for a gaming event.

2 Effective Date. This act shall take effect July 1, 2024.

AMENDED ANALYSIS

This bill gives municipalities a local option for games of chance.

MOTION TO LAY ON THE TABLE

Rep. Yokela moved that **HB 1223**, creating local options for games of chance, be laid on the table.

On a division vote, with 166 members having voted in the affirmative, and 196 in the negative, the motion failed.

The question being adoption of majority committee amendment (1218h).

Rep. Yokela spoke against.

Reps. Rochefort and David Paige spoke in favor.

On a division vote, with 282 members having voted in the affirmative, and 86 in the negative, the majority committee amendment was adopted.

The question now being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Yokela requested a roll call; not sufficiently seconded.

Majority committee report was adopted, and the bill was ordered to third reading.

HB 2024, relative to the state 10-year transportation improvement plan. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Mark McConkey for the Majority of Public Works and Highways. This bill is the biennial update to the state's Ten Year Transportation Improvement Plan (TYP) as required by RSA 228:99 and RSA 240. The draft plan of all projects can be found on the New Hampshire Department of Transportation (NHDOT) website and covers fiscal years 2025-2034. The plan spends \$5.079 billion over the next ten years. The plan is fiscally constrained relying on anticipated revenue and includes the federal Infrastructure Investment and Jobs Act (IIJA) funding received under the recently passed bipartisan infrastructure bill. The plan relies on funding from several different federal appropriations, state highway funds, as well as turnpike funds. In broad categories spending is as follows over ten years: individual projects \$1.527 billion; roadsides (culverts, guard rails, etc.) \$287 million; paving \$747 million; bridges \$1.039 billion; mandated federal programs \$449 million; rail \$12 million; transit \$442 million; airports \$345 million; debt service \$229 million. These expenditures include \$299 million in active transportation projects. Active transportation was added as a category in the prior TYP due to citizen support of this type of transportation network encompassing pedestrian walkways and bicycle trails. The overall TYP sequence starts at the municipal level, after which projects are selected and prioritized at the regional level by the Regional Planning Commissions, who forward their recommendations to the NHDOT. The NHDOT began working with the Governor's Advisory Council on Intermodal Transportation (GACIT) last August to refine the draft TYP, with the initial draft being released last September. GACIT held 24 public hearings, each chaired by a member of GACIT (the Executive Councilors). While refining the initial plan and incorporating the IIJA federal funds, GACIT and the NHDOT used the following overall strategy: fund Regional Planning Commission priority projects; focus on the preservation and maintenance of the existing network of roads and bridges; continue to prioritize core system programs; increase investment in municipally owned red list bridges; and focus on existing projects and programs with the revenue received from the IIJA. The IIJA legislation also includes \$45 million a year to be used for bridges with 15% of this money slated for use on municipal bridges. The NHDOT prioritized the red list bridges and in collaboration with municipalities, added 56 municipally owned red list bridges to the plan. The New Hampshire Turnpike System is one segment of the transportation system that is not funded with federal funds. Over the past several years, due to the decrease in traffic volume and the elimination of toll plazas, turnpike revenue has declined considerably. This decline in revenue is forcing the delay of several major turnpike projects. Based on declining turnpike revenues and other historical reasons, the majority committee amendment calls for the transfer of ownership of Continental Boulevard to the Town of Merrimack. This road is currently maintained by the New Hampshire Turnpike System but is tangential to the New Hampshire Turnpike System as a whole. The annual maintenance cost of Continental Boulevard is \$96,000.00 a year. The majority of the committee feels that to continue to expend limited turnpike funds in maintaining a roadway that does not contribute to the system as a whole is unwarranted. The majority also believes that based on the NHDOT current maintenance cost per mile lane using FY 21-23 three-year average cost, the figure used by the minority for annual maintenance appears to be inflated by more than double the annual cost. But if the costs stated by the minority are not inflated, then the same annual costs would be borne by the New Hampshire Turnpike System. This TYP is fiscally constrained and utilizes all available funding without over promising. The overwhelming bipartisan majority of the committee supports HB 2024 as amended. Vote 18-1.

Rep. Bill Boyd for the Minority of Public Works and Highways. The minority of the committee unequivocally supports the New Hampshire Department of Transportation's 10-year plan except for the amendment which reclassifies Continental Boulevard in Merrimack from a Class II roadway, owned and maintained by the state, to a Class V roadway, owned and maintained by the town. Continental Boulevard has served as a regional, arterial roadway connecting the F.E. Everett Turnpike with all state roadways. This reclassification would immediately shift all costs associated with the maintenance of this roadway to the Town of Merrimack. This downshifting of costs to the local taxpayers is estimated to exceed \$510,000 annually. Continental Boulevard is not primarily used for local town navigation. It facilitates travel between Nashua and Amherst, Hollis, Milford and points west. The minority of the committee believes that local taxpayers should not assume costs for state roads that only serve the state's interests. The traffic volumes on the state section of Continental Boulevard exceed those of any other Merrimack public road - including the urban compact (Class IV) section of Daniel Webster Highway (Route 3). Continental Boulevard's primary purpose serves as a regional thoroughfare for these state roads. Consequently, it should remain under state control.

Majority Amendment (0961h)

Amend the bill by replacing all after the enacting clause with the following:

1 State 10-Year Transportation Improvement Plan. The legislature hereby adopts the plan known as the "State of New Hampshire Ten Year Transportation Improvement Plan 2025-2034" submitted by the governor to the legislature pursuant to RSA 228:99 and RSA 240 and encourages expeditious implementation of the projects shown therein.

2 Claremont; Project Added. The project named Claremont, project number 27691, NH 12A, bridge rehabilitation carrying NH 12A over Sugar River shall be included in the 2025-2034 10-year transportation improvement plan with \$1,700,000 in 2025.

3 Londonderry; Project Added. The project named Londonderry, project number 41715, operational and capacity improvements at the intersection of NH 28 & Stonehenge Road shall be included in the 2025-2034 10-year transportation improvement plan with \$3,900,000 in 2025.

4 North Hampton; Project Added. The project named North Hampton, project number 24457, superstructure replacement of bridge carrying US 1 over Boston and Maine RR (red list bridge), shall be included in the 2025-2034 10-year transportation improvement plan with \$5,600,000 in 2025.

6 New Castle, NH 1B Causeway; Project Restored. The project named New Castle NH 1B Causeway, project number 44493, modifications to the portion of Route 1B that runs from Goat Island to New Castle Island, said project having been inadvertently removed, shall be included in the 2025-2034 10-year transportation improvement plan.

7 Projects Removed. The following projects shall be removed from the 2025-2034 10-year transportation improvement plan as said projects were withdrawn, combined with other projects, or advanced in prior years:

I. The project named Goffstown, project number 41597, said project being withdrawn by the local public agency.

II. The project named Manchester-Hooksett, project number 42753, said project being previously advanced.

III. The project named Merrimack, project number 41588, said project being withdrawn and combined with Merrimack, project number 29174, said combination being requested by the local public agency.

IV. The project named Moultonborough, project number 41580, said project being withdrawn by the town.

V. The project named Salem, project number 42884, said project being previously advanced.

VI. The project named statewide red list bridges, project number 40817, said project funds being transferred to the Bow-Concord, project number 13742.

VII. The project named Surry, project number 41470, said project being withdrawn by the local public agency.

VIII. The project named Waterville Valley, project number 43734, project being withdrawn by the local public agency.

8 Project Funding. The funding for the following projects in the 2025-2034 10-year transportation improvement plan is increased as stated:

I. The project named Bow-Concord, project number 13742, is amended to increase the funding by an additional \$97,500,000 and to include funds transferred from the statewide red list bridges, project number 40817.

II. The project named Charlestown, project number 40667, is amended to increase the funding by an additional \$3,000,000.

III. The project named Concord, project number 41468, is amended to increase the funding by an additional \$1,700,000.

IV. The project named Cornish, project number 44417, is amended to increase the funding by an additional \$1,300,000.

V. The project named Derry-Londonderry, project number 13065B, is amended to increase the funding by an additional \$4,500,000.

VI. The project named Dover, project number 41824, is amended to increase the funding by an additional \$7,700,000.

VII. The project named Dover-Somersworth-Rochester, project number 29604, is amended to increase the funding by an additional \$15,900,000.

VIII. The project named Hampton, project number 40797, is amended to increase the funding by an additional \$2,300,000.

IX. The project named Manchester, project number 16099 (Exits 6 & 7), is amended to increase the funding by an additional \$4,900,000.

X. The project named Manchester, project number 16099A (Exit 6), is amended to increase the funding by an additional \$5,100,000.

XI. The project named Manchester, project number 16099B (Exit 7), is amended to increase the funding by an additional \$2,500,000.

XII. The project named Nashua-Merrimack-Bedford, project number 13761A, is amended to increase the funding by an additional \$1,500,000.

XIII. The project named Portsmouth, project number 43760, is amended to increase the funding by an additional \$6,400,000.

9 Salvage Rail to Offset Trail Construction Cost. Any and all rail removed from a portion of the so-called Conway Branch rail line between the rail crossing at Center Ossipee/Moultonville Road to the rail crossing at route 113 in Madison shall be salvaged as either relay rail or steel salvage. The revenue generated shall be used to remove the rail for trail construction in that section of the Conway Branch rail bed.

10 Reclassification; Continental Boulevard, Merrimack. Continental Boulevard in the town of Merrimack is reclassified as a class V highway.

11 Effective Date.

I. Section 10 of this act shall take effect July 1, 2026.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Adopts the 2025-2034 10-year transportation plan.

II. Adds certain projects to the 2025-2034 10-year transportation improvement plan.

III. Removes certain projects from the 2025-2034 10-year transportation improvement plan.

IV. Increases funding for certain projects in the 2025-2034 10-year transportation.

V. Requires that all rail removed from a portion of the Conway Branch rail line be used to offset construction costs of the portion's rail bed.

VI. Reclassifies Continental Boulevard in the town of Merrimack as a class V highway.

Majority committee amendment was adopted.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

Rep. Bill Boyd offered floor amendment (1269h).

The question being adoption of floor amendment (1269h).

Rep. Bill Boyd spoke in favor and yielded to questions.

Rep. Rung spoke in favor.

Rep. McConkey spoke against.

On a division vote, with 172 members having voted in the affirmative, and 195 in the negative, floor amendment (1269h) failed.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

Majority committee report was adopted, and the bill was ordered to third reading.

MOTION TO PRINT DEBATE

Rep. Hoell moved that the debate on **HB 1607**, relative to expanded safe haven protections, be printed in the Permanent Journal.

Without objection, the Speaker ordered.

DEBATE ON HB 1607

Speaker Steven Smith: For what reason does the member rise?

Representative Weber: The member rises for a motion to lay the bill on the table.

Speaker Steven Smith: Rep. Weber moves that HB 1607 be laid on the table. Are you ready for the question? Rep. Hoell requests a roll call and it's well seconded. This will be a roll call. The question is whether to lay HB 1607 on the table and this is a roll call vote. Rep. Weber is recognized for a parliamentary inquiry.

Representative Weber: Thank you, Mister Speaker. If I know that everybody wants babies to be safe and cherished. And if I know that the numerous questions raised by this bill include the problem of leaving a 61-day period in which a child might be abused and then because of changes in the laws of evidence, that abuse might never be addressed either civilly or criminally, would I now press green on the tabling motion, and we will go to work for this in the future?

Speaker Steven Smith: Rep. Peternel is recognized for a parliamentary inquiry.

Representative Peternel: Thank you, Mister Speaker. If I know that our 20-year-old safe haven law is in dire need of updating. If I know that with the increased use of illegal drugs that we are likely to see more and more babies surrendered. If we do not surrender those babies safely, they may end up dead somewhere as we have seen in the past. If I know that evidence can be obtained in ways other than the surrender of the child and that the New Hampshire Association of Criminal Defense Attorneys supports this bill. If I know that this bill has bipartisan sponsorship and committee support and that saving a baby's life should take precedence over prosecuting a struggling mother, would I please press the red button to not table this bill so that another motion can be made?

Speaker Steven Smith: The question is whether to lay HB 1607 on the table. If you are in favor, press the green button. Opposed, press the red. Voting stations are open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 183 in the affirmative, 187 in the negative, tabling fails. One on one debate. Rep. Peternel is recognized to speak against the motion. Hold up, we have amendments. Go ahead.

Representative Peternel: Thank you, Mister Speaker. Imagine a woman who is a serious criminal surrounded by drug abuse and violence giving birth to a baby. This mother does not want or cannot handle the responsibility of raising this child. She would welcome an opportunity to anonymously wash her hands of the baby and surrender it to someone else. Some parents who surrender their infants may be heroic, but this woman is no hero. She wants to surrender the baby for one reason because it would be in her own self interests to be free of this child. But it is ultimately in the best interest of the baby to allow an option of anonymous surrender. Danielle Daughinais surrendered her baby to a New Hampshire hospital in 2021. Instead of keeping Daughinais identity anonymous, that hospital reported her to the police which led directly to her arrest for a separate murder charge and a litany of other crimes. In other words, New Hampshire's Safe Haven Law was used as a law enforcement tool. We need to update our Safe Haven Law so mothers know that they can surrender their baby free from fear of arrest. If a mother realizes that by safely surrendering her baby, the hospital will report her identity to the police who then pursue and investigate her, she may not come forward to surrender her baby and instead she might keep the baby out of fear of arrest. What will happen to the baby? We know what will happen. As long as our safe havens are used as a tool of law enforcement to catch criminal parents, then that baby might die, be neglected or like Daughinais first child, live a short life of unspeakable abuse. There is a critical difference between babies and our other constituents. There is a critical difference between this issue and most of the issues we consider in this House. A helpless baby cannot drive to another state with better safe haven laws. Only we can give parents every incentive to save these babies. This bill will expand the age window in which parents can surrender their child and allow the optional construction of baby boxes to better protect infants and the anonymity of their parents. As the New Hampshire Association of Criminal Defense Attorneys has explained, this is no different from other areas where we restrict the tools that law enforcement can use. Our laws exclude evidence obtained from illegal searches, but this does not mean we want criminals to go free. It means the police must use other tools, not illegal searches to catch those criminals. In the same way, police must use other tools to catch criminals besides baby safe havens. What is more critical, punishing criminals or saving babies lives? Your most vulnerable and innocent constituents need you. If you have concerns with this bill, help us continue the conversation and let them be addressed on the other side of the wall. Speak for those who cannot speak for themselves and join us in protecting them by pressing the red button to overturn the motion for Interim Study.

Speaker Steven Smith: Rep. Weber is recognized to speak for the committee report.

Representative Weber: Thank you, Mister Speaker. So, you've heard a number of most excellent points in favor of this bill, and I understand all of those arguments and I agree with them, but there is another side as well so let's look at the bill. Currently, anybody can surrender a baby within five days of birth by giving a warm handoff to a hospital, EMT, fire station, police station, a church, whatever. The bill would change that to 61 days for surrender and it has the anonymous use of the baby box as a protection and an incentive for the parent to surrender the child anonymously and I understand all of those arguments. Here is the other

side of the question. Oh, and the third thing is of course it limits the liability to prosecution either civilly or criminally for acting under the act. So, here's the other side of the question. First off, somebody who is so deep in the depths of addiction or poverty or mental illness that they are considering surrendering a baby may not even know this law exists, may not know it's available to them and may not be organized enough to take advantage of the law. That is a tragedy. Secondly, for a parent who is in despair because of their circumstances and the arrival of an infant, what could be better than a warm handoff at a place where there are people who might offer support, offer comfort, offer help and prevent a parent in a moment of despair from doing something they will regret for the rest of their lives? Third, one of the things I found the most troubling with this bill was that part of our hearing on the bill really amounted to an infomercial by the manufacturer of these devices who made it very clear that he was making it his mission in life to change all the laws in all the states and yes, there is nothing that requires that his devices be used, but he's the only person who is doing it at the moment. Finally, there is that thorny issue of liability. If this bill passes, there is the very real possibility that someone, not necessarily the mother, could be abusing the child for 60 days and then could possibly put that comatose and battered infant into a box and escape criminal prosecution and imagine the howls from our constituents if that happens. There is a great deal to admire about this legislation. There is a great deal to be worked on in this legislation so I would urge you to support the Interim Study so that we can continue to work on the bill and bring back a better product with more of those questions resolved. Thank you.

Speaker Steven Smith: Does the member yield to a question? The member does not yield. The question is the majority committee report of Interim Study on HB 1607. This will be a division vote. Please take your seats. Rep. Hoell requests a roll call. Is it sufficiently seconded? It is sufficiently seconded. This will be a roll call vote. Still take your seats. The question is on the report of Interim Study on HB 1607. The House should be in order. This is a roll call vote. Rep. Mazur is recognized for a parliamentary inquiry.

Representative Mazur: Thank you, Mister Speaker. If I know that safe haven boxes are being used in 16 other states and we want to lead New England in child protections. And if I know that evidence can be obtained in ways other than the surrender of the child and that the New Hampshire Association of Criminal Defense Law supports the bill. And I also know that there was no manufacturer at the hearing because I was there, and they were not doing an infomercial. And lastly, if I know this bill has bipartisan sponsorship and committee support and that saving a baby's life should take precedence over prosecuting a struggling mother, would I please press the red button to overturn the Interim Study so a better motion can be made? Thank you.

Speaker Steven Smith: Rep. Weber is recognized for a parliamentary inquiry.

Representative Weber: Thank you, Mister Speaker. If I know that we all want to protect infants. And if I know.

Speaker Steven Smith: The House will be in order. Look, I know I let a lot of stuff slide, but just for once can we remember who we are, where we are and give the subject matter the gravity it deserves? Please continue.

Representative Weber: Thank you, Mister Speaker. And if I know that I want to protect a suffering mother or parent, but I don't want to protect an abusive person. And if I know that you can't have it both ways. You can't say that this bill will allow people to go free and clear so they of course will adopt this procedure and also argue that they can also be brought to answer for their actions in other ways, would I now vote green to support Interim Study so we can resolve the questions and bring back a better bill next time around? Thank you.

Speaker Steven Smith: The question is on the committee report of Interim Study on HB 1607. This is a roll call vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations will be open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 182 in the affirmative, 189 in the negative, the motion fails. Rep. Kofalt moves Ought to Pass on HB 1607. Rep. Cordelli moves floor amendment (1351h) which can be found in your seat pockets. Rep. Peternel is recognized to speak.

Representative Peternel: Thank you, Mister Speaker. If I know that floor amendment (1351h).

Speaker Steven Smith: You can just talk. This doesn't have to be a PI.

Representative Peternel: What a relief. Thank you, Mister Speaker. Amendment (1351h) simply adds. I'm sorry. It simply adds a list of findings at the beginning of the amendment and also changes the name of the safe haven baby box to just to a baby box. It can be any device. It is not incorporated. It is not patented. It is not trademarked. We could machine manufacture them right here in New Hampshire if we needed to. Thank you.

Speaker Steven Smith: The question is on the adoption of the amendment. Are you ready for the question? All those in favor, say Aye, all those opposed, Nay. The Ayes have it and the amendment is adopted. Now the question is on the main motion of Ought to Pass as Amended. Rep. Seth King is recognized to speak against the motion.

Representative Seth King: Thank you, Mister Speaker. Friends, I have something very important to say here. This bill, I really like the vast majority of this bill. I like the baby boxes. I like increasing the number of days and that had bipartisan support. The main problem is with a very small section of the bill, which is referred to as the exclusionary clause. What this does is it allows individuals to abuse, including sexually abusing children for up to 61 days, drop them off and have a get out of jail free card. That is a bridge too far for me and when I brought this up in committee, we had enough support, including on the Republican side,

to say you know what, that's also a bridge too far for me as well. That's why we originally supported the Interim Study bill. The problem is in the last minute, leadership has decided to switch around and say we want to fight for the bill completely. Let me ask you a question. If somebody kidnapped a child right now and the child was missing for 3 weeks, would the police ever come out in the media and say, you know what, just bring back the child, we don't care what you have done to it in the last 3 weeks, we will let you off Scott free? Would we ever do that? No, they wouldn't. They would never do that. We will prosecute you to the fullest extent of the law. We cannot tolerate child abusers and the problem is that if you were ever to say something like this, you would give, it would be a clarion call to all of the would-be abusers out there. All you have to do is bring back the child and we'll let you off Scott free no matter what you have done to it. So, what I would recommend is to not to support the OTP. It's very unfortunate because me and some other Representatives worked very hard with the authors of the bill and we said hey, let's have a compromise here. I'm perfectly fine, we were perfectly fine with saying look, if you're drug addicted, then we are not going to come after you, alright? I've been against the war on drugs my entire life. I don't want a drug addicted mother to be afraid of dropping off her baby and then getting busted. That is not what I want, but if you are sexually abusing children, if you are breaking their bones and brutalizing them, we will come after you with the full extent of the law. We cannot tolerate that, and the problem is this sends the wrong message and we are going to send a clarion call to everybody out there who is a would-be abuser that you have 61 days. Matter of fact, there was a, just a couple of days ago, there was a mother who was found, who was busted for pimping out her newborn child to sexual predators. There is real evil in the world. People will take advantage of this, and I don't want my hands on this bill at all. So please send the bill back. Let's fix that. We need some compromise. We cannot just have a free for all. That is unacceptable. As a Republican that's just embarrassing. Thank you.

Speaker Steven Smith: Rep. Peternel is recognized to speak in support of the motion.

Representative Peternel: Thank you, Mister Speaker. This bill provides a requirement that within 24 hours of receiving a report, the department shall request law enforcement officials to investigate the incident, including by using the National Crime Information Center database to determine if the child is missing. As for the exclusionary rule, this uses the Fourth Amendment. Under the Fourth Amendment, criminal investigations cannot directly result from an illegal search. The exclusionary rule prevents the government from using most evidence gathered in violation of the United States Constitution. For example, the decision in *Miranda vs. Arizona* established that the exclusionary rule applies to improperly elicited self-incriminatory statements into evidence gained in situations where the government violated the defendants Sixth Amendment right to counsel. Some of these individuals should be investigated or imprisoned but should not be discouraged from legally abandoning their babies. Remember, this is about saving the babies, not prosecuting the parents. Find them some other way. Arrests due to the safe haven drop off have led to a decrease in abandonment and an increase in abandoned infant death.

Speaker Steven Smith: The question is on the motion of Ought to Pass as Amended. For what reason does the member rise?

Representative Hoell: I have a question for the Speaker. Is Section 5, now that we have adopted this amendment, something that can be separated out so that we can pass Sections 1 through 4 and Section 6?

Speaker Steven Smith: Yes, it is divisible.

Representative Hoell: Then Mister Speaker, I would move to divide the amendment that we adopted, removing Section 5 and pass Sections 1 through 4 and 6.

Speaker Steven Smith: Okay, so the question is shall Section 5 be divided? The question is shall Section 5 be divided? Are you ready for the question? Rep. Hoell is recognized. Okay, the Clerk is recognized to explain the motion.

Clerk Smith: Mister Speaker, the question is shall the bill be divided. What that would mean is Section 5 that Rep. Hoell is asking to be divided, means that we would vote on them separately if you vote yes to divide it. So, Sections 1 through 4 and Section 6 would be a stand-alone motion and then subsequently, if the division is successful, then Section 5 would be voted on separately. You can adopt one without adopting the other. To be clear, you cannot table one or the other because that tables the whole bill.

Speaker Steven Smith: So, the first question is whether or not you want to divide. Are you ready for the question? All those in favor, say Aye. All those opposed, Nay. Keep the doors closed. Let's do a division vote. Don't let any other members in. This is for clarification. The question is whether to divide Section 5. If you are in favor, press the green button. Opposed, press the red. Voting stations are open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 290 in the affirmative, 82 in the negative, the question shall be divided. Now, the question is shall Sections 1 through 4 and 6 be adopted. Are you ready for the question? If anybody is outside, they are allowed to come in. Rep. Drye has requested a roll call and its sufficiently seconded. It will be a roll call vote. Members take your seats. The question is shall we adopt Sections 1 through 4 and 6. This is a roll call vote. If you are in favor of that, press the green button. If you are opposed, press the red. Voting stations are open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 372 voting in the affirmative and 1 Nay, the motion is adopted. The question now is shall we adopt Section 5.

Are you ready for the question? Rep. Drye requests a roll call. It is sufficiently seconded. Let's do another roll call. Members take your seats. The question is whether to adopt Section 5. Rep. Peternel is recognized for a parliamentary inquiry.

Representative Peternel: Mister Speaker, if I know that Section 5 is the most important part of this bill. That without the exclusionary rule, parents are going to dump their babies into dumpsters, kill them on the side of the road, let them suffocate in couches.

Speaker Steven Smith: The House will be in order.

Representative Peternel: If I know that without this exclusionary rule, the bill has no teeth, would I now vote green?

Speaker Steven Smith: The question is whether to adopt Section 5. This is a roll call vote. If you are in favor, press the green button. If you are opposed, press the red. Voting stations are open for 30 seconds. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 185 voting in the affirmative, 188 in the negative, the motion fails. Without objection, the Clerk is allowed to renumber the bill accordingly.

MOTION TO PRINT DEBATE

Rep. Wilhelm moved that the debate on **HB 2024**, relative to the state 10-year transportation improvement plan, be printed in the Permanent Journal.

Without objection, the Speaker ordered.

DEBATE ON HB 2024

Speaker Packard: The majority committee amendment is (0961h) printed in House Record 12 pages 170 through 171. Are you ready for the question on the majority amendment? All those in favor, say Aye; those opposed, Nay. The Ayes have it and the majority committee amendment is adopted. The bill is on second reading and open to further amendment. Rep. Boyd offers floor amendment (1269h) and is recognized to speak to his amendment.

Representative Bill Boyd: Thank you, Mister Speaker. Mister Speaker, to you to my esteemed colleagues of the New Hampshire General Court, I rise in support of my floor amendment to HB 2024, the state 10-year plan, which seeks to keep Continental Boulevard in the hands of the state. I refer my right honorable colleagues to the minority report and to the minority amendment which can be found on page 171 of the amendment calendar. Two years ago, I stood here in the well in Representatives Hall making a case as to why the state should retain ownership of Continental Boulevard and today, I return. Those same facts remain as the road maintenance price tag gets a little bigger. The Town of Merrimack has never owned this road. The state's Department of Transportation built this 2.5 mile stretch of road in 1993 through eminent domain proceedings over the objections of the town. The prevailing argument made by the DOT at that moment in time was that public necessity for the use of private property for this road was needed by the public and region for the greater good. Some 30 years later, Continental Boulevard serves as the primary arterial connection from Route 101-A to the F.E. Everett Turnpike. The road handles over 17,000 vehicles daily as it feeds westbound and eastbound traffic along 101-A to exits 10 and 11 on the F.E. Everett in Merrimack away from overburdening exit 7 in Nashua. These traffic volumes also exceed the urban compact section of Daniel Webster Highway in Merrimack. That road handles approximately 15,000 vehicles daily in my town. Now the DOT contends that this stretch of roadway is no longer a public necessity to the state, and it seeks to abdicate its ownership and responsibility from a roadway it richly wanted back in 1993. The towns absorption of this roadway to our town budget will be an additional \$500,000 annually with long term capital costs exceeding \$7 million over the next 20 years. Furthermore, the town could be acquiring a roadway from the DOT that is currently scheduled by them for a facelift next year. The towns projected cost for repaving this 2.5 mile stretch of roadway lands just shy of \$2 million, a single cost that exceeds the towns yearly paving budget. As you deliberate this floor amendment, please consider this fact. The states abdication of Continental Boulevard to the Town of Merrimack will be a lynchpin in how the DOT handles other state roadways in New Hampshire that they don't want to maintain and pay. The mission creep of giving up state roadways for cost efficiencies would begin and it could happen in your community. Auxiliary roadways like 11-A in Gilford and Alton, 12-A in Surry and Alstead, portions of 101-A in Milford and Mast Road 114-A in Goffstown to name a few. The list will become endless if we remove the lynchpin and vote to approve the transfer of Continental Boulevard to the Town of Merrimack. If you agree with me, then please press the green button to approve the floor amendment and ensure that DOT remains committed and engaged to maintaining the roads and the highways it has been entrusted to oversee. Thank you, Mister Speaker and I ask for a division vote.

Speaker Packard: Does the member yield to a question? The member yields. Rep. McGough, you may inquire.

Representative McGough: Thank you, Mister Speaker and thank you, Representative Boyd for taking my question. So, if I understand correctly, if we support this floor amendment, it will prevent the unfunded mandate to Merrimack and will stop the dangerous precedent that could happen in any town?

Representative Bill Boyd: Thank you for the question, Representative McGough. That's correct. It would stop the unfunded mandate that is elucidated in Part 1, article 28 of our constitution, where the state shall not mandate or assign any new responsibilities to any political subdivisions in such a way as to necessitate additional local expenditures.

Speaker Packard: For what reason does the member rise?

Representative Wendy Thomas: I'd like to ask the representative a question.

Speaker Packard: Does the member yield to a further question? You may inquire.

Representative Wendy Thomas: Thank you, Mister Speaker. Representative, thank you for taking my question. This is regarding the DOT construction on Route 101-A at Pennichuck Square. Would you believe that if the state didn't think that Continental Boulevard had a regional impact to traffic flows along Route 101-A then they wouldn't be proposing to widen that stretch of roadway there, a project that is currently underway?

Representative Bill Boyd: I thank the gentlelady for the question and yes, I would believe because I know that the DOT met with the Town of Merrimack last week to discuss the prospects of the construction in Pennichuck Square construction project. That has been in the 10-year plan previously to the tune of \$5 million and includes widening, sewer, amongst other amenities to improve that particular roadway.

Speaker Packard: The Chair recognizes Rep. Rung.

Representative Rung: Thank you, Mister Speaker. Thanks to my esteemed colleague from Merrimack for bringing forth this floor amendment. For years, misinformation has infiltrated the debate about Merrimack tolls and now about Continental Boulevard, which has led to some bad decisions. Handing over ownership of Continental Boulevard to Merrimack from the state would be a bad decision so allow me to set the record straight. Decades ago, against the wishes of the Town of Merrimack, which you have heard, the state built Continental Boulevard to connect to 101-A and the Everett Turnpike, both state roads. It was so important to the state to have this connection, that they took many properties by eminent domain and cut through school district property leaving the Thorntons Elementary School on one side of the road and what could have been playing fields for the school on the other. Their oversalting of this road caused the contamination of a public well that forced our water municipality to spend hundreds of thousands of dollars to replace. Now, after all this cost that Merrimack has had to absorb and lost property tax revenues from the eminent domain, the state wants our property taxpayers to make up for their lost revenue. Also, decades ago, the town agreed to a toll at exit 11 to pay for the construction of a ramp to serve the Digital Equipment Corporation campus, which is now Fidelity Investments. That toll was to remain up until the bond, the construction bond for the ramp, was paid for, however, DOT has refinanced that bond at least twice for other purposes even though the actual ramp construction costs were paid many years ago. So, it was only fair for that toll to come down. So, let's look at the majority report that is on page 35 of this week's calendar. It states, over the past several years, due to the decrease in traffic volume and the elimination of toll plazas, turnpike revenue has declined considerably. Based on declining turnpike revenues and other historical reasons, the majority committee amendment calls for the transfer of ownership of Continental Boulevard to the Town of Merrimack. Why should local property taxpayers shoulder the cost of declining turnpike revenue? Turnpikes by definition are paid for by users, however, the first third of the Everett Turnpike and the most travelled section is from the Massachusetts state line to exit 8. This stretch has never had a toll, despite an earlier 10-year transportation plan that called for one along with extensive improvements which were already completed. So, new ramps, road widening, a bridge to connect to the bridge that goes to Hudson and toll infrastructure was constructed. If this toll station was put into operation as was planned in that 10-year transportation study, that revenue would be more than enough to cover the turnpike costs, but the users of that stretch of turnpike have paid nothing, zero, zilch, nada. It is so unfair to have one town pay so the majority of users on a turnpike don't have to. Please vote green to pass this amendment. Thank you.

Speaker Packard: The Chair recognizes Rep. McConkey.

Representative McConkey: Thank you, Mister Speaker, and esteemed colleagues. You are not accustomed to seeing the Chair of Public Works and Highways at the well. There is a very good reason for that. In our committee, there is not a partisan bone in our collective body. We work together, reason among ourselves and we nearly always reach a unanimous decision that results with our bills on the Consent Calendar. Public Works and Highways has two charges. On the even years, we bring forward the 10-year transportation plan and on the odd year we provide the state capital budget. Before you today is HB 2024, and the only point of contention is floor amendment (1269h) to stop the reclassification of Continental Boulevard in the Town of Merrimack from becoming a town-maintained road. To defend the committee's position, I will offer a bit of background for your consideration. While the turnpike system received limited federal funds, it is primarily funded through the toll revenue. Nearly 30 years ago, the Town of Merrimack requested the turnpike to construct ramps to provide access for its citizens to the turnpike system to alleviate traffic on Route 3 and to enable development in the areas surrounding the ramps. The turnpike system did not have adequate funds to construct the access. In order to advance the projects, Merrimack agreed that the ramps would be tolled. Continental Boulevard was constructed as part of exit 10 interchange to support major developments in

the area and provide construction to both exit 10, Industrial Drive and exit 11, via Continental Boulevard. Both exits 10 and 11 were tolled but over time the town advocated for the removal of tolls from exits 10, 11 and 12 resulting in a loss of nearly \$1.6 million a year in revenue and it cost the turnpike, when they were removed, \$2.2 million to remove those tolls. Insult to injury, Continental Boulevard is not even connected to the turnpike, but costs the turnpike \$96,000 annually to maintain Continental Boulevard that only benefits Merrimack. The turnpike cannot afford this expense without offsetting revenue. The overwhelming majority of our Public Works and Highways Committee, 18-1 supports HB 2024 as amended without the Boyd floor amendment (1269h). I ask that you support our committee position, oppose this amendment, and press the red button when the Speaker calls for the vote. Thank you.

Speaker Packard: The motion before us is the Boyd floor amendment (1269h). Are you ready for the question? Did I hear a division? This will be a division vote. Members take your seats. The House will be in order. The motion before us is the Boyd floor amendment (1269h). This is going to be a division vote. The Chair recognizes Rep. Murphy for a parliamentary inquiry.

Representative Nancy Murphy: Thank you, Mister Speaker. If I know that the Department of Transportation seeks to make up for a drop in toll revenue by reclassifying Continental Boulevard and dumping ownership, obligation, and responsibility onto the Town of Merrimack. And if I know that the committee amendment violates the Constitution Bill of Rights, Article 28-A creating the mother of all unfunded mandates that will unjustly increase property taxes for Merrimack residents who will become responsible for maintenance costs such as the \$1.8 million anticipated cost for repaving this road, a sum that will exceed the entire paving budget for the town. And finally, if I know that New Hampshire municipalities like mine and potentially yours at some point in the future should not be mandated to take on DOT responsibilities for state owned roads that the town never wanted or owned in the first place, then would I now press the green button to support adoption of this bipartisan amendment? Thank you, Mister Speaker.

Speaker Packard: The Chair recognizes Rep. McConkey for a parliamentary inquiry.

Representative McConkey: Thank you, Mister Speaker. If I know the New Hampshire turnpike constructed ramps at exits 10, 11 and 12 for the Everett Turnpike, improved and extended an existing town road known as Camp Sargent, creating Continental Boulevard that relieved traffic on Route 3 and enabled economic development in those areas surrounding those ramps for the sole benefit of Merrimack. If I know the New Hampshire Turnpike only took on the major investment with the expressed understanding the Town of Merrimack would permit tolls to be collected for those aforementioned ramps to pay for the construction and the continued maintenance. And if I know that Merrimack later actively pursued and secured removal of the Merrimack tolls triggering a \$1.6 million annual loss of tolls and the removal of those tolls locations cost the turnpike \$2.1 million and after all that the turnpike is left with an expensive of \$96,000 annually to maintain Continental Boulevard as mentioned, a local road that is not connected to the New Hampshire Turnpike System. Finally, if you are not from Merrimack, and believe as I the Town of Merrimack should have fully considered the financial ramifications for their town before they removed a stable revenue stream that would have fully funded the continued maintenance of their local road, would you now join me and press the red button to defeat this amendment? Thank you.

Speaker Packard: The motion before us is the Boyd floor amendment (1269h). This is a division vote. If you are in favor, you'll press the green button. If you are opposed, you'll press the red button. Voting stations are open for 30 seconds. Okay, there was a slight malfunction, so we are going to do this again. Voting stations are open for 30 seconds. The House will be in order. Have all members present had the opportunity to vote? The House will attend to the state of the vote. 172 voting Yea and 195 voting Nay, the amendment fails. We are back to the majority committee motion of Ought to Pass as Amended on HB 2024. Are you ready for the question? All those in favor, say Aye, those opposed, Nay. The Ayes have it and the committee report is adopted.

REGULAR CALENDAR CONT'D

HB 1113, relative to shoreland septic systems. OUGHT TO PASS WITH AMENDMENT.

Rep. Rosemarie Rung for Resources, Recreation and Development. This bill seeks to reduce the negative impact on water bodies from failed septic systems located on property within the shoreland protection zone by requiring an evaluation of the septic system prior to the sale of such property. If the system is older than September 1, 1989 or unapproved by the New Hampshire Department of Environmental Services (NHDES), the buyer must hire a New Hampshire permitted septic system designer to do a more thorough analysis of the system. If the system is determined to be in failure, it must be replaced within a year and a report of operational approval filed with the local health officer and NHDES. As amended, the bill clarifies the buyer's responsibility, allows a year from the repair/replacement to be completed, allows the buyer to opt out of the evaluation if they plan to replace or repair the system within one year of property transfer and requires them to provide notification of their intent to the local health officer and NHDES. Vote 20-0.

Amendment (1077h)

Amend the bill by replacing all after section 2 with the following:

3 Waterfront Property Sale; Site Assembly Study. RSA 485-A:39 is repealed and reenacted to read as follows:
485-A:39 Waterfront Property Transfer; Septic System Evaluation Required.

I. Prior to the transfer of any developed waterfront property using a septic system, where any portion of the septic system is within 250 feet of the reference line as defined in RSA 483-B:4, XVII, the buyer of the property shall, at the buyer's expense, engage a New Hampshire licensed septic system evaluator to conduct a septic system evaluation. However, the buyer may accept an evaluation prepared for the seller of the property if the evaluation was completed within 3 years of the date of property transfer. The septic system evaluation prepared for the seller, with stated findings, shall be given to the buyer and acceptance of the evaluation shall be acknowledged in writing by the buyer.

II. For developed waterfront properties where any portion of the septic system is within 250 feet of the reference line as defined in RSA 483-B:4, XVII, if the existing septic system is not approved by the department per RSA 485-A:29 or the department's approval was prior to September 1, 1989, the buyer shall also hire a New Hampshire permitted septic system designer to determine the elevation of the bottom of the effluent disposal area relative to the elevation of the seasonal high water table. Based on this information, the designer shall determine if the system is in failure, as defined in RSA 485-A:2, IV. The determination from the permitted septic system designer shall be completed prior to the transfer of the property.

III. The commissioner shall adopt rules pursuant to RSA 541-A relative to the enforcement of this section.

IV. The findings of the septic system evaluator or septic system designer shall not prohibit the sale of the property, but shall be disclosed to the buyer as full and proper notice of the possible limitations of the septic system.

V. If the septic system evaluator, utilizing board-approved standards of practice, determines that the septic system shows signs of failure or, if the septic system designer determines that the system is in failure:

(a) The buyer shall sign a document, prepared by the evaluator, authorizing the evaluator to conduct notifications to the department and the local health officer;

(b) The evaluator shall notify the department and the local health officer;

(c) The buyer shall replace the system within one year of the transfer of the property; and

(d) The buyer shall file a report with the department and the local health officer after the system is replaced with a copy of the state approval for operation for the replacement system.

VI. The buyer is not required to comply with the other paragraphs of this section if they replace or repair the septic system within one year of the transfer of the property. Prior to the transfer of the property, the buyer shall notify the department and the local health officer that a septic system evaluation was not performed because the system will be replaced. The buyer shall file a report with the department and the local health officer with a copy of the state approval for operation for the replacement system within one year of the close of the property sale. Timely receipt of this report by the department and the local health officer shall satisfy all obligations of the buyer relative to this section.

VII. Notwithstanding any other provision of this section, if snow cover or frozen ground conditions preclude the evaluation or, if needed, replacement of the septic system, the department shall, upon request, grant an extension for the required action of up to 180 days.

4 Effective Date. This act shall take effect 60 days after its passage.

The question being adoption of the committee report of Ought to Pass with Amendment.

Rep. Harb offered floor amendment (1302h).

Floor Amendment (1302h)

Amend the bill by replacing all after section 2 with the following:

3 Waterfront Property Sale; Site Assembly Study. RSA 485-A:39 is repealed and reenacted to read as follows:
485-A:39 Waterfront Property Transfer; Septic System Evaluation Required.

I. Prior to the transfer of any developed waterfront property using a septic system, where any portion of the septic system is within 250 feet of the reference line as defined in RSA 483-B:4, XVII, the buyer of the property sha, at the buyer's expense, engage a New Hampshire licensed septic system evaluator to conduct a septic system evaluation. However, the buyer may accept an evaluation prepared for the seller of the property if the evaluation was completed within 180 days of the date of property transfer. The septic system evaluation prepared for the seller by a New Hampshire state licensed septic system evaluator with stated findings shall be given to the buyer and acceptance of the evaluation shall be acknowledged in writing by the buyer.

II. For developed waterfront properties where any portion of the septic system is within 250 feet of the reference line as defined in RSA 483-B:4, XVII, if the existing septic system is not approved by the department per RSA 485-A:29 or the department's approval was prior to September 1, 1989, the buyer shall also hire a New Hampshire permitted septic system designer to determine the elevation of the bottom of the effluent disposal area relative to the elevation of the seasonal high water table. Based on this information, the New Hampshire permitted septic system designer shall determine if the system is in failure, as defined in RSA 485-A:2, IV. The determination from the permitted septic system designer shall be completed prior to the transfer of the property.

III. The commissioner shall adopt rules pursuant to RSA 541-A relative to the enforcement of this section.

IV. The findings of the New Hampshire licensed septic system evaluator or septic system designer shall not prohibit the sale of the property, but shall be disclosed to the buyer as full and proper notice of the possible limitations of the septic system.

The buyer shall file a report with the department and the local health officer with a copy of the state approval for operation for the replacement system within 180 days of the close of the property sale. Timely receipt of this report by the department and the local health officer shall satisfy all obligations of the buyer relative to this section.

VII. Notwithstanding any other provision of this section, if circumstances beyond the control of the buyer preclude the evaluation or, if needed, replacement of the septic system or cause an evaluation prepared for the seller to be older than 180 days, the department shall, upon request, grant an extension of up to 180 days.

4 Effective Date. This act shall take effect 60 days after its passage.

HB 1121, relative to creating certain wetlands permit exemptions after a natural disaster or flooding event. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Juliet Harvey-Bolia for the Majority of Resources, Recreation and Development. The bill, as amended, codifies the ability of property owners to remove woody debris and stream blockages from their streambeds after a flooding event or natural disaster. The committee heard from the Wetlands Bureau Administrator who stated that property owners already could remove woody debris from their streambeds without prior authorization as this type of removal is not a jurisdictional activity. However, the current language found in both the Rules and the Wetlands Emergency Authorization Fact Sheet doesn't specifically address the subject of woody debris and stream blockage removal. The Wetlands Bureau Administrator has stated that efforts are being brought forth that will streamline or clarify blockage clearing and other minor acts of work. Even so, the majority of the committee feels that codifying this language in statute will serve to inform homeowners facing a flooding crisis about removing stream blockages and what to avoid when undertaking such work. The amendment adds an important departmental maxim that stream blockages can be removed if sediment disturbance is minimized and if no new permanent impacts are created. Vote 17-3.

Rep. Jessica LaMontagne for the Minority of Resources, Recreation and Development. While the amendment approved in committee simplified the original bill, and included language that removal of debris and blockages from watercourses would be allowed "without a permit provided sediment disturbance is minimized," the bill is still unnecessary as the New Hampshire Department of Environmental Services (DES) already has a simple process with no fees for emergency clearing of debris after storms. The bill states that the debris clearing would result in "no new permanent impacts to the bed of the watercourse" but this would be subjective solely to the opinion of the property owner with no oversight from DES, leaving the department to retroactively address any damage caused by overzealous cleanout efforts.

Majority Amendment (1102h)

Amend the bill by replacing section 1 with the following:

1 New Subparagraph; Excavating and Dredging Permit; Certain Exemptions. Amend RSA 482-A:3, IV by inserting after subparagraph (c) the following new subparagraph:

(d) Removal of woody debris and blockages from the channels of watercourses, or from culverts or bridges by the owners of said structure, by the property owner, is allowed without a permit provided sediment disturbance is minimized and the work results in no new permanent impacts to the bed of the watercourse.

HB 1301, relative to wake surfing on public bodies of water. **WITHOUT RECOMMENDATION**

Statement in support of Ought to Pass with Amendment: This bill would create a process to allow residents and property owners to petition the New Hampshire Department of Safety to conduct a public hearing to consider wake surfing restrictions on vulnerable portions of lakes and ponds, similar to existing law for hearings on rafting, speed limits, and mooring restrictions. The bill requires the department to consider access to and use of public waters for all individuals, in addition to impacts to the environment and wildlife, ensuring safety of persons and property and other concerns before granting a petition. As amended, the bill sets a high bar for petitioners to request a hearing to encourage public participation and eliminate frivolous petitions, and it grants the department authority to adopt hearing scheduling rules to address these requests with existing hearing officers. Wake surfing is enjoyed throughout New Hampshire, and this bill would not place restrictions on suitable open lake areas or wake boats. However, the committee heard and received impassioned testimony from lake users about the severe impacts from wake surfing in inappropriate locations to waterfront property and non-motorized water activities including kayaking, swimming and children wading near shore. The Department of Environmental Services also testified on the significant contribution of wake surfing in shallow areas, i.e., less than 20-foot depths, has on increasing the phosphorus load in a lake due to sediment disruption, which adds to the scourge of cyanobacteria blooms throughout the state. Residents testified from Salem, Merrimack and Spofford about serious cyanobacteria blooms closing lakes that would not be protected by modest increases to the required wake surfing distance from shore. New Hampshire Lakes, the Lake Winnepesaukee Association, New Hampshire Lakes Management Advisory Committee, New Hampshire Rivers Management Advisory Committee, and the Loon Preservation Committee all support this bill, which offers a balance of access to all lake users with protections for water quality and habitat.

Rep. Will Darby

Statement in support of Inexpedient to Legislate: This bill seeks to establish a petition process before the New Hampshire Department of Safety where 25 people can request a hearing to ban wake surfing on a specific body of water. Half of the committee believes that we should not be banning wake sports through this administrative process. Additionally, the New Hampshire Department of Safety stated they did not have the resources or enough hearing officers to implement this law without additional funding. Restricting access to a public body of water is a significant decision that should come before the legislature rather than a hearing before an administrative law officer. Bodies of water in New Hampshire are held in public trust for all to enjoy – not the privileged few.

Rep. Juliet Harvey-Bolia

Rep. Darby moved Ought to Pass.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1301**, relative to wake surfing on public bodies of water, be laid on the table. On a division vote, with 196 members having voted in the affirmative, and 172 in the negative, the motion was adopted.

REGULAR CALENDAR CONT'D

HB 1390, relative to regulating wakeboating and wakesports. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Suzanne Vail for the Majority of Resources, Recreation and Development. This bill adds definitions of "Wakeboat," "Wakesports," and "Wakesports zone" to RSA 270-D:1. The bill also establishes a section in RSA 270-D:3-a that prohibits wakesports between sunset and sunrise, behind a vessel propulsion system that extends beyond the swim platform, on a body of water smaller than 50 contiguous acres, and within 500 feet of a shoreline or in-water structures. It also directs the Commissioner of the Department of Safety to develop rules pursuant to RSA 541-A, and to make publicly available wakesports zones maps of lakes in New Hampshire. The amendment reduces the distance from shore from 500 to 300 feet and removes a limitation on lake depth. The amended distance from shore was thought by the majority to help to lessen the impact of the energy distributed by these waves to shoreline and unintentionally to people who are recreating in smaller craft. The committee also learned that smaller lakes, such as Baboosic Lake in Merrimack, have been disproportionately affected by wake surfing due to complex and accumulating environmental challenges, such as increasing water temperature, flooding, cyanobacteria, failing shoreland septic systems, and aquatic invasive species. The majority of the committee believes there is firsthand evidence that this bill takes action where it is needed most. In 2019, the House Resources, Recreation and Development Committee recommended 20-0 a commission to study the positive and negative uses of wakeboats, specifically tasked with examining the role of "wakesports" in the spread of aquatic invasive species, shoreline erosion, impacts to private property, and the safety of swimmers and other boaters. As signed into law, the commission's members were environmental experts as well as "wakeboat" industry leaders. The commission created a database of research and resources along with the final report which can be found on the General Court website. Vote 13-7.

Rep. Robert Harb for the Minority of Resources, Recreation and Development. This bill seeks to single out and restrict a particular type of boat, wakeboats. This bill would impose a new set of regulations for watersports that have been popular among New Hampshire families and tourists for decades. There is no demonstrable improvement to the environment but there is clear harm to New Hampshire's marine industry and tourism economy if this bill is passed. Testimony indicated that much of the environmental challenges our lakes face come from Mother Nature. Severe storms, high winds, flooding and ice all contribute to major impacts to our shorelines. Boat waves for a few summer months do not do the same damage we have seen documented from these causes. The Department of Safety expressed concern that they don't have the technology or manpower to implement this bill. It is noted that the effective date of this bill is in the middle of boating season. The bill would steer wakesports families to fewer bodies of water to recreate on, creating dangerous congestion and safety concerns for those lakes. Better ways to address disruptive user activities on our public bodies of water would be through boating education and enforcement.

Majority Amendment (1085h)

Amend RSA 270-D:1, XVI as inserted by section 1 of the bill by replacing it with the following:

XVI. "Wakesports zone" means an area of a waterbody that has a minimum of 50 contiguous acres that are at least 300 feet from shore on all sides, located on a lake, pond, or reservoir on which vessels powered by internal combustion motors are allowed and may be used at speeds exceeding 5 miles per hour.

Amend RSA 270-D:3-a, I(c) as inserted by section 2 of the bill by replacing it with the following:

(c) Wakesports shall not be permitted:

- (1) On a body of water smaller than 50 contiguous acres.
- (2) Within 300 feet of a shoreline or in-water structures.

MOTION TO LAY ON THE TABLE

Rep. Sweeney moved that **HB 1390**, relative to regulating wakeboating and wakesports, be laid on the table. On a division vote, with 190 members having voted in the affirmative, and 178 in the negative, the motion was adopted.

(Rep. Steven Smith in the Chair)

REGULAR CALENDAR CONT'D

HB 1291, relative to accessory dwelling unit uses allowed by right. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Ellen Read for the Majority of Special Committee on Housing. This bill, as amended, is a modest expansion of property owner rights that has been worked extensively on, and enthusiastically supported by developers, associations of realtors, New Hampshire Housing Finance Authority, town planners, housing advocates, un-housed crisis organizations, the disabled community, market-solution research groups, academia, landlords, and tenants, for over two years. It curtails some of the restrictions on building an accessory dwelling unit (ADU) that towns currently place on homeowners who are supposed to be allowed to build one ADU by right, and yet many homeowners have run into roadblocks on the municipal level. ADUs are a unique win-win-win solution to New Hampshire's housing crisis. They help tenants by adding high-quality and low-cost units to supply, and it is estimated that the loosening of restrictions in this bill would create an additional 40-90,000 units over the coming years, commensurate with the 60,000-unit shortage New Hampshire is experiencing. In addition, ADUs are one of the only housing solutions that help people buy homes as well as help with rental units, as Fannie Mae and other institutions have developed formulae to account for rental income when home buyers purchase their home, thereby helping homeowners defray the cost of mortgages. Homeowners also appreciate that ADUs are "life-cycle housing," allowing living space for aging parents, adult children, family members with disabilities, or themselves when they age. Unlike housing projects and low-income developments, ADUs are the decentralized, victory-garden approach to supply, the gentlest form of density, leaving rural character of towns intact as they are practically invisible. New Hampshire has the fastest rise of homelessness of any state in the country with homelessness currently increasing yearly by 52%; our housing situation is simply unsustainable, and we will simply not have workers in New Hampshire by 2040. We cannot delay action anymore. This bill is the lowest hanging fruit to address the housing crisis, and after a year and a half of the Housing Committee studying and carefully crafting the language, we feel strongly that this bill is the right balance for property owner rights and people in need of housing, as well as New Hampshire character. Vote 8-2.

Rep. Thomas Walsh for the Minority of Special Committee on Housing. This bill is a mandatory major expansion of the accessory dwelling unit (ADU) statute. Currently, single family homes are allowed by right to one attached ADU no less than 750 sq ft. this bill changes that to two ADUs, one attached and one detached with a size no less than 1000 sq ft for one and no less than 850 sq ft for the second. This applies to any lot 1/2 acre or larger. This turns any single-family home into a 3-unit rental property. The minority believes it is important to look for solutions to the housing inventory, but this bill could potentially devastate the single-family neighborhood that our citizens enjoy. Again, this is not enabling. This is a top down, one size fits all zoning change mandated by the state. Local control should prevail in these matters.

Majority Amendment (1203h)

Amend the bill by replacing all after the enacting clause with the following:

1 Accessory Dwelling Units; Definition. Amend RSA 674:71 to read as follows:

674:71 Definition. As used in this subdivision[;]:

I. "Accessory dwelling unit" means a residential living unit that is ~~[within or attached to]~~ located on a lot containing a single-family dwelling, and that provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the principal dwelling unit it accompanies. ***Accessory dwelling units may be constructed at the same time as the principal dwelling unit.***

II. "Attached unit" means a unit that is within or physically connected to the principal dwelling unit, or completely contained within a preexisting detached structure.

III. "Detached unit" means a unit that is neither within nor physically connected to the principal dwelling unit, nor completely contained within a preexisting detached structure.

2 Accessory Dwelling Units. Amend RSA 674:72 to read as follows:

674:72 Accessory Dwelling Units.

I. A municipality that adopts a zoning ordinance pursuant to the authority granted in this chapter shall allow accessory dwelling units ~~[as a matter of right or by either conditional use permit pursuant to RSA 674:21 or by special exception,]~~ in all zoning districts that permit single-family dwellings. One accessory dwelling unit, *which may be either attached or detached, shall be allowed as a matter of right, and a second accessory dwelling unit shall be allowed as a matter of right or by either conditional use permit pursuant to RSA 674:21 or special exception. If a detached accessory dwelling unit is established on a property, the municipality may require that any additional accessory dwelling units must be attached.* The municipality shall ~~[be allowed]~~ allow at least 2 accessory dwelling units without additional requirements for lot size, *except as described by this section, setbacks, aesthetic requirements, design review requirements,* frontage, space limitations, or other controls beyond what would be required for a single-family dwelling without an accessory dwelling unit. The municipality is not required to allow more than ~~[one]~~ 2 accessory dwelling ~~[unit]~~ units for any single-family dwelling. The municipality may prohibit accessory dwelling units associated with multiple single-family dwellings attached to each other such as townhouses~~[- and with manufactured housing as defined in RSA 674:31].~~ Subsequent condominium conveyance of any accessory dwelling unit separate from that of the principal dwelling unit shall be prohibited, notwithstanding the provisions of RSA 356-B:5, unless allowed by the municipality.

II. If a zoning ordinance contains no provisions pertaining to accessory dwelling units, then ~~[one]~~ 2 accessory dwelling ~~[unit]~~ units shall be deemed a permitted accessory use, as a matter of right, to any single-family dwelling in the municipality, and no municipal permits or conditions shall be required other than a building permit, if necessary.

III. ~~[An interior door shall be provided between the principal dwelling unit and the accessory dwelling unit, but a municipality shall not require that it remain unlocked.] Attached accessory dwelling units shall have either an independent means of ingress and egress, or ingress and egress through a common space shared with the principal dwelling, but the municipality shall not limit the choice of ingress and egress.~~

IV. Any municipal regulation applicable to single-family dwellings shall also apply to the combination of a principal dwelling unit and an accessory dwelling unit, including, but not limited to lot coverage standards and standards for maximum occupancy per bedroom consistent with policy adopted by the United States Department of Housing and Urban Development, *provided that such municipal regulations shall not be more restrictive for accessory dwelling units than for any single-family use in the same zoning district.* ~~[A municipality may require adequate parking to accommodate an accessory dwelling unit.] If a municipality has established regulations requiring parking for the principal dwelling unit, it may require up to one additional parking space for each accessory dwelling unit; required parking spaces may be provided either on-site or at a legally dedicated off-site location, at the property owner's discretion.~~

V. The applicant for a permit to construct an accessory dwelling unit shall make adequate provisions for water supply and sewage disposal for the accessory dwelling unit in accordance with RSA 485-A:38, but separate systems shall not be required for the principal and accessory dwelling units. In order to comply with this paragraph and prior to constructing an accessory dwelling unit, an application for approval for a sewage disposal system shall be submitted in accordance with RSA 485-A as applicable. The approved sewage disposal system shall be installed if the existing system has not received construction approval and approval to operate under current rules or predecessor rules, or the system fails or otherwise needs to be repaired or replaced.

VI. A municipality may require owner occupancy of one of the dwelling units, but it shall not specify which unit the owner must occupy. A municipality may require that the owner demonstrate that one of the units is his or her principal place of residence, and the municipality may establish reasonable regulations to enforce such a requirement.

VII. A municipality may [~~establish~~] **apply aesthetic** standards [~~for~~] **to** accessory dwelling units [~~for the purpose of maintaining the aesthetic continuity with~~] **only if the municipality has also applied such standards to** the principal dwelling unit [~~as a single-family dwelling~~]. A municipality may also establish minimum and maximum sizes for an accessory dwelling unit, provided that size may not be restricted to less than [~~750~~] **1,000** square feet **for one of the units by right, and 850 square feet for any other units.**

VIII. A municipality may not require a familial relationship between the occupants of an accessory dwelling unit and the occupants of a principal dwelling unit.

IX. A municipality may not limit an accessory dwelling unit to only one bedroom.

X. An accessory dwelling unit may be deemed a unit of workforce housing for purposes of satisfying the municipality's **regional fair share** obligation under RSA [674:59] **674:59, III** if the unit meets the criteria in RSA 674:58, IV for rental units. **The municipality may require that if a property has more than one accessory dwelling unit, the additional units shall meet the definition of workforce housing in RSA 674:58, IV as it pertains to rental housing, and shall meet the definition of affordable in RSA 674:58, I. A municipality may require a restrictive covenant to be recorded in the registry of deeds to enforce compliance with these definitions.**

XI. A municipality shall allow accessory dwelling units to be converted from existing structures, including, but not limited to detached garages, regardless of whether such structure violates current dimensional requirements for setbacks or lot coverage.

3 Accessory Dwelling Units; Definition. Amend RSA 674:73 to read as follows:

674:73 Detached Accessory Dwelling Units. A municipality [~~is not required to but may~~] **shall** permit **at least one** detached accessory dwelling [~~units~~] **unit, but may require any other units to be attached.** Detached accessory dwelling units shall comply with the requirements of, and any municipal ordinances or regulations adopted pursuant to, RSA 674:72, IV through IX. [~~If a municipality allows detached accessory dwelling units, it may require an increased lot size.~~] **A municipality may require a property have a minimum lot size of up to one half acre in order to have more than one accessory dwelling units.**

4 Effective Date. This act shall take effect July 1, 2025.

Majority committee amendment was adopted.

The question being adoption of the majority committee report of Ought to Pass with Amendment.

MOTION TO LAY ON THE TABLE

Rep. Len Turcotte moved that **HB 1291**, relative to accessory dwelling unit uses allowed by right, be laid on the table.

Rep. Phillips requested a roll call; sufficiently seconded.

and the majority committee report was adopted, and the bill was ordered to third reading.
Rep. Soti declared a conflict of interest and did not participate in the vote.

HB 1399, allowing municipalities to permit 2 residential units in certain single-family residential zones. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.** Rep. Josh Yokela for the Majority of Special Committee on Housing. Duplexes are “Missing Middle Housing” - in short supply and difficult to either build new or purchase an existing grand fathered building - due to historic local zoning ordinances. The New Hampshire Zoning Atlas notes that “It’s hard to justify zoning that allows rental housing of five units or more, but bans duplexes and triplexes, for example.” This particular rule shows up in a surprising number of New Hampshire communities. This bill, as amended, enables homeowners to expand an existing home into a duplex, or build two new duplex homes on lots of two acres or less in size, and on 50% of all lots in a single-family residential zone. It protects existing affordable housing, maintains ¾ of an existing building envelope, and prevents development in environmentally sensitive areas. Municipalities are able to apply objective zoning standards to the proposed duplex. We heard testimony that local zoning regulations violate landowners’ private property rights and prevent working-class families from getting their kids into good schools. There aren’t enough houses in the state to meet the need. One fix is increasing where housing can be built. Allowing construction of more duplexes helps fix our housing shortage and addresses cost-of living problems for all Granite Staters. Vote 9-1.

Rep. Thomas Walsh for the Minority of Special Committee on Housing. The title of this bill is misleading. It states, “Allowing Municipalities to permit 2 residential units.” But the bill sets the requirements of when and where they can be built. It also prevents local planning boards from imposing any objective zoning standards. The amendment sets an arbitrary number of 50% of all lots in a municipality zoned single family shall now

allow two residential units. Also, the amendment states that if a municipality denies the two-unit application where the lot is subject to water and sewer, after 10 years the project will be allowed by right. They could force municipalities into major capitol improvement projects where a cost/benefit analysis would not support it. This is a top down, one size fits all zoning change mandated by the state. Local control should prevail in these matters.

Majority Amendment (1157h)

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Planning and Zoning; Regulatory Powers; Single-family Expansion. Amend RSA 674:16 by inserting after paragraph V the following new paragraph:

VI.(a) For all lots 2 acres or less in size, and for at least 50 percent of all lots in a municipality zoned for single-family residences, a proposed housing development of building or expanding a single family residence within a residential zone with no more than 2 residential units shall be allowed by right, without special application, discretionary review, or a hearing, if the proposed development meets all of the following requirements:

(1) The proposed development does not require demolition or alteration of the housing if it is subject to a recorded covenant, ordinance, or law that restricts rents to levels affordable to persons and families of moderate, low, or very low income.

(2) The proposed housing development does not allow the demolition of more than 25 percent of the existing exterior structural walls, unless the housing development meets at least one of the following conditions:

(A) If a local ordinance so allows.

(B) The site has not been occupied by a tenant in the last 12 months.

(3) The development is located outside of hazard risk areas, as identified by either:

(A) A hazard risk map that has been developed specifically for and adopted by a particular municipality, or

(B) A Risk Factor rating of "Minimal" or "1" for both Flood and Fire Risk from the First Street Foundation.

(b) A municipality may impose objective zoning standards, objective subdivision standards, and objective design review standards. The municipality shall not impose objective zoning standards, objective subdivision standards, and objective design standards that would have the effect of physically precluding the construction of up to 2 units and each being at least 1,250 square feet in floor area. However, no setback shall be required for an existing structure or a structure constructed in the same location and to the same dimensions as an existing structure, or to the same dimensions as immediate abutters; and, in all other circumstances, a municipality may require a setback of up to 3 feet from the side and rear lot lines.

(c) A municipality may require any of the following conditions when considering an application for 2 residential units:

(1) Off-street parking of up to one space per unit.

(2) For residential units connected to an on-site wastewater treatment system, the owner shall provide proof of New Hampshire department of environmental services subsurface construction approval for the increased septic system loading. Upon the department's issuance of an approval for septic system operation, the municipality may issue a certificate of occupancy.

(3) A municipality may charge impact fees for new connections to municipal water and sewer services.

(4) If the municipality has proven through an engineering study that it does not have adequate water or sewer capacity to allow this development in parcels subject to municipal water or sewer, proposed housing developments of 2 units under this statute may be disallowed by the municipality for those subject parcels for a term of up to 10 years after the first proposed housing development, but then after the expiration of that term, all previously delayed housing development projects must be allowed by the municipality by right. Notwithstanding municipal water or sewer capacity, proposed housing developments must meet all other state regulations for water and sewer.

(d) A municipality may deny a proposed housing development project if the state makes a written finding, based upon a preponderance of the evidence, that the proposed housing development project under this section would have a specific, adverse impact upon public health and safety or the physical environment and for which there is no feasible method to satisfactorily mitigate or avoid the specific, adverse impact.

(e) A municipality may require that a rental of any unit created pursuant to this paragraph be for a term longer than 30 days.

(f) An application shall not be rejected solely because it proposes adjacent or connected structures, provided that the structures meet building code safety standards and are sufficient to allow separate conveyance.

Majority committee amendment was adopted.

Rep. Soti declared a conflict of interest and did not participate in the vote.

The question being adoption of the majority committee report of Ought to Pass with Amendment.
 Rep. Len Turcotte spoke against and yielded to questions.
 Rep. McWilliams spoke in favor.
 Rep. Granger requested a roll call; sufficiently seconded.

REGULAR CALENDAR CONT'D

HB 1273-FN, relative to the protection of personal information in driver licenses. **REFER FOR INTERIM STUDY.**

Rep. Ted Gorski for Transportation. The intention of this bill is to protect the personal information from driver licenses. One of the bill's intentions is to restrict retail establishments, supermarkets, liquor stores, from scanning and storing driver license information which could be used for marketing or other purposes. The committee felt that the bill has merit, but more work is needed to create a final bill. Vote 19-0. Committee report was adopted.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Weber moved that the House reconsider its action whereby, on a roll call vote of 182 to 178, the House adopted the motion of Ought to Pass on **HB 546-FN-L**, relative to the school building aid program.

Rep. Weber spoke against.

On a division vote, with 172 members having voted in the affirmative, and 188 in the negative, the motion failed.

(Speaker Packard in the Chair)

BILLS REMOVED FROM THE CONSENT CALENDAR

HB 1711-FN, authorizing the state to report mental health data for firearms background check purposes and providing for processes for confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Terry Roy for Criminal Justice and Public Safety. The committee, after hearing from numerous stakeholders and citizens, agreed that this bill ought to pass with amendment. Currently, there are 47 states that report certain mental health matters to the National Instant Criminal Background Check System (NICS). New Hampshire is one of the three states that does not. In 2016 to establish the minimum due process requirements for making these reports available to NICS, this line was inserted into HB 1696, the Medicaid expansion bill: "No person, organization, department, or agency shall submit the name of any person to the National Instant Criminal Background Check System (NICS) on the basis that the person has been adjudicated a 'mental defective' or has been committed to a mental institution, except pursuant to a court order issued following a hearing in which the person participated and was represented by an attorney." Prior to this, there was no mention of reporting mental health issues to NICS in New Hampshire law. The bill passed with bipartisan support. Unfortunately, at the time, the New Hampshire Supreme Court was of the opinion that the law was insufficiently clear, as it conflicted with privacy statutes, and while the law said under what conditions a report could be made, it did not mandate the actual report. Sadly, since 2016, three New Hampshire police officers have been shot, one of them fatally, by individuals whose information should have been reported to NICS, pursuant to the federal law that prohibits such persons from purchasing or possessing firearms. Involuntary commitments hearings in New Hampshire are all conducted in a court, where the

person participates, is provided with an attorney, and a ruling is made by a judge. HB 1711, fixes the privacy conflict, but still protects patient rights by only sharing the minimum information necessary for inclusion in the system. Most importantly, rather than barring someone from their 2nd Amendment rights for life, this bill provides for a "Restoration of Rights" process that will enable a person to have their name removed from NICS once they are better and no longer deemed a danger to themselves or others. Mental illness is not a life sentence. That is why it is appropriate for a temporary restriction of rights. Some have said, both during the committee hearing and in public mailers, that rather than temporarily bar these people from possessing weapons, we should permanently bar the people from society. The committee disagrees. What could be more unconstitutional than taking a person's freedom for an indeterminate length of time, and thus infringing upon all of their Constitutional rights? The committee believes it is better for us to balance both the safety of society and individual liberty. We should always choose the least restrictive, and temporary law available to protect the safety of society. In summation, this bill does not infringe on the 2nd Amendment rights of anyone who is not already a prohibited person by federal law. This bill provides people who are prohibited by federal law from exercising their 2nd Amendment rights, a path to restore those rights. This bill will not allow one person to be reported unless, and until the process to remove people from NICS is approved by the ATF. This bill will allow New Hampshire and our law enforcement agencies to be eligible for millions of dollars in grants from which they are now excluded. This bill will save lives by temporarily preventing people who have been found in a court of law, to be a danger to themselves or others, from purchasing firearms. With three of our police officers shot, one of whom was killed, in the last 8 years, doing nothing is not an option. Doing nothing will result in more people being harmed and invite more restrictive gun control measures. Bills such as red flag laws, that make a citizen prove they are not dangerous after their rights and property have already been removed, versus this bill, which makes the government prove a citizen is dangerous before their rights and property can be removed. Vote 18-2.

Amendment (0431h)

Amend RSA 159-F:3 and 159-F:4 as inserted by section 3 of the bill by replacing it with the following:

159-F:3 Entry Into the National Instant Criminal Background Check System.

I. Notwithstanding any other provision of law, including the requirement of a closed hearing and file under RSA 135-C:43, when a judge orders a nonemergency involuntary admission pursuant to RSA 135-C:34-54 or a commitment pursuant to RSA 171-B:2, and the order is one that qualifies under 18 U.S.C. section 922(g)(4), the court shall retain a record of the court order and promptly cause the disposition to be entered in the NICS Indices. When a person is found not guilty by reason of insanity, or incompetent to stand trial and found by the court to be a danger to himself or herself or others court pursuant to RSA 135-E or 135:17-a, as provided in this section, the department of safety shall promptly cause that disposition to be entered in the NICS Indices, in accordance with paragraph II.

II. The court or the department of safety shall report only the person's name, an identifier signifying the applicable prohibition under 18 U.S.C. section 922(g), the person's social security number, and date of birth.

III. If a court determines that a person is not competent to stand trial and finds that the person is also a danger to themselves or others, but, after 90 days, the person is not committed pursuant to RSA 171-B:2, 135-C:34-54, or 135-E:5, upon the motion of any party or sua sponte, the court may transmit that finding to the department of safety for entry into the NICS Indices.

159-F:4 Notifications; Confiscation of Firearms.

I. Before the close of the hearing conducted pursuant to RSA 135:17-a, RSA 135-C:34-54, RSA 135-E:5, or RSA 171-B:2, the court shall inquire of the person if he or she currently owns or has access to any firearms, and if so, where they are located. If the person answers affirmatively, the court shall inform the person that the court may order law enforcement to confiscate those firearms or ammunition. In addition, the court shall offer the opportunity for the person to make voluntary arrangements to relinquish possession of his or her firearms or ammunition to law enforcement or to another individual in accordance with paragraph III.

II. On the conclusion of a proceeding under RSA 135:17-a establishing dangerousness under RSA 159-F:3, or on an order of commitment under RSA 135-C:34-54, 135-E:5, or 171-B:2, or upon the entry of a judgment of not guilty by reason of insanity, the court shall notify the person that such person is prohibited under federal law from purchasing, possessing, carrying, or transporting a firearm unless a petition for relief from disability is subsequently granted pursuant to RSA 159-G.

III. The court may simultaneously with any order of commitment issue an order:

(a) Directing the person to make arrangements to voluntarily relinquish possession of any firearms or ammunition he or she owns to law enforcement;

(b) Directing the person to transfer any firearms to another person with whom the person committed does not cohabitate, who is not himself or herself a prohibited person, and to whom the court determines such transfer should be permitted; or

(c) Directing law enforcement to confiscate any firearms or ammunition owned by the person no later than 48 hours after the order is issued.

IV. Firearms voluntarily relinquished or confiscated by law enforcement may be transferred to a federally licensed firearms dealer, at the person's own expense, for further disposition at the request of the owner and upon order of the court. Retrieval and disposal of any firearms not transferred to an individual or federally licensed firearms dealer shall be through the process as set forth in RSA 595-A:6.

Amend the bill by replacing section 5 with the following:

5 New Chapter; Relief from Disabilities. Amend RSA by inserting after chapter 159-F the following new chapter:

CHAPTER 159-G RELIEF FROM DISABILITIES

159-G:1 Relief from Disabilities Petition.

Any person who has a non-emergency involuntary commitment under RSA 135-C:34-54 or has been found not guilty by reason of insanity or incompetent to stand trial and found by the court to be a danger to himself or herself or others pursuant to RSA 171-B:2, 135-E:5 or 135:17-a, as outlined in RSA 159-F, and who is subject to the firearm disabilities of 18 U.S.C. section 922 (g)(4), may petition for a review of the person's mental capacity to possess or purchase a firearm no sooner than the following time frames. Individuals found not guilty by reason of insanity may file for relief with the court 6 months after the finding of not guilty by reason of insanity status, unless the person was committed to an institution pursuant to RSA 651:8-b, in which case the person may file for relief 15 days after absolute discharge. Individuals found incompetent to stand trial and found by the court to be a danger to themselves or others under RSA 135:17-a, as outlined in RSA 159-F, may file for relief with the court 6 months after the finding of incompetency, unless the person was committed to an institution pursuant to RSA 171-B:2 or RSA 135-C:34-54, in which case the person may file for relief 15 days from when an absolute discharge order has been filed with the probate court. A person committed under RSA 135-E:5 may petition for relief 15 days after absolute discharge.

159-G:2 Psychiatric Examination.

Upon receipt of a petition for relief, the court shall schedule a hearing no later than 60 days after the date the petition was filed. Simultaneously, the court shall order an independent psychiatric examination be completed no more than 45 days from the date of the court's order. The independent psychiatrist shall provide the court with an opinion as to whether the person is disabled by a mental illness and is likely to act in a manner dangerous to public safety.

159-G:3 Hearing; Order; Appeals.

I. The petitioner may present evidence and call witnesses at the hearing on the petition. The court shall make written findings of fact and conclusions of law on the issues before it and issue a final order. The court may only consider applications for relief due to mental health adjudications or commitments that occurred in New Hampshire. The court shall review the circumstances regarding the firearms disabilities imposed by 18 U.S.C. section 922(g)(4), and records consisting of at minimum mental health and any criminal record, if applicable, and the person's reputation developed through character witness testimony, witness statements, or other character evidence.

II. The court shall grant the relief requested in the petition if the judge finds by clear and convincing evidence that the petitioner will not be likely to act in a manner that is dangerous to public safety and that granting the relief would not be contrary to the public interest. If the final order grants relief, the court shall, as soon as possible, request that the NICS entry be redacted and shall notify the United States Attorney General that the basis for the record being made available no longer applies. The petitioner may appeal a final order denying relief within 30 days of the order to the New Hampshire supreme court. The supreme court shall review the case de novo and has discretion to review additional evidence.

III. If the motion for relief is denied, unless a court finds good cause for considering a petition for relief sooner, the person may petition the court for relief again after 2 years have elapsed.

MOTION TO LAY ON THE TABLE

Rep. Hoell moved that **HB 1711-FN**, authorizing the state to report mental health data for firearms background check purposes and providing for processes for confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities, be laid on the table. On a division vote, with 150 members having voted in the affirmative, and 205 in the negative, the motion failed.

The question being adoption of committee amendment (0431h).

Committee amendment was adopted.

The question being adoption of the committee report of Ought to Pass with Amendment.

Rep. Comtois offered floor amendment (1350h).

Floor Amendment (1350h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a study committee to study authorizing the state to report mental health data for firearms background check purposes and providing for processes for confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study authorizing the state to report mental health data for firearms background check purposes and providing for processes for confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) One member of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee's study shall include, but not be limited to:

I. Determine whether and how the state should authorize the state to report mental health data to the National Instant Criminal Background Check System for firearms background check purposes, including review of analogous state laws.

II. Determine whether and how the state should provide for processes for the confiscation of any firearms or ammunition from those found to be legally prohibited from possessing them, including review of analogous state laws.

III. Determine whether and how the state should provide for relief from firearms disabilities to allow a court to review a person's mental capacity to purchase a firearm, including review of analogous state laws.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Two members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2024.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a study committee to study authorizing the state to report mental health data for firearms background check purposes and providing for processes for confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities.

The question being adoption of floor amendment (1350h).

Rep. Hoell spoke in favor.

Rep. Roy spoke against.

Floor amendment (1350h) failed.

The question being adoption of the committee report of Ought to Pass with Amendment.

Rep. Hoell offered floor amendment (1358h).

Floor Amendment (1358h)

Amend the title of the bill by replacing it with the following:

AN ACT authorizing the state to report mental health data for firearms background check purposes, providing for processes for confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities, and creating a study committee to determine why Chief Bradley Haas was unarmed when he was working as the primary security detail at the main entrance to the New Hampshire Hospital.

Amend RSA 159-F:2 and 159-F:3 as inserted by section 3 of the bill by replacing it with the following:

159-F:2 Mental Health Reporting Authorized.

In compliance with the federal NICS Improvement Amendments Act of 2007, Public Law 110-180 and the Brady Handgun Violence Prevention Act of 1993, Public Law 103-159, the New Hampshire judicial branch and the department of safety are authorized to report to the National Instant Criminal Background Check System (NICS) records concerning persons who have been disqualified from possessing or receiving a firearm under 18 U.S.C. section 922(g)(4) because they have been:

I. Adjudicated as not guilty of a crime by reason of insanity;

II. Adjudicated as incompetent to stand trial and found by the court to be a danger to others pursuant to RSA 171-B:2, 135-E:5 or 135:17-a; or

III. Involuntarily committed to a mental health facility pursuant to RSA 135-C:34-54 on the grounds that the individual is a danger to others.

159-F:3 Entry Into the National Instant Criminal Background Check System.

I. Notwithstanding any other provision of law, including the requirement of a closed hearing and file under RSA 135-C:43, when a judge orders a nonemergency involuntary admission pursuant to RSA 135-C:34-54 or a commitment pursuant to RSA 171-B:2, for a person who is deemed to be a danger to others pursuant to a separate, dedicated court hearing relative to the submission of the name to the NICS Indices and where the person was physically present and represented by counsel, and the order is one that qualifies under 18 U.S.C. section 922(g)(4), the court shall retain a record of the court order and promptly cause the disposition to be entered in the NICS Indices. When a person is found not guilty by reason of insanity, or incompetent to stand trial and found by the court to be a danger to others pursuant to RSA 135-E or 135:17-a, as provided in this section, the department of safety shall promptly cause that disposition to be entered in the NICS Indices, in accordance with paragraph II.

II. The court or the department of safety shall report only the person's name, an identifier signifying the applicable prohibition under 18 U.S.C. section 922(g), the person's social security number, and date of birth.

III. If a court determines that a person is not competent to stand trial and finds that the person is also a danger to others, but, after 90 days, the person is not committed pursuant to RSA 171-B:2, 135-C:34-54, or 135-E:5, upon the motion of any party or sua sponte, the court may transmit that finding to the department of safety for entry into the NICS Indices.

Amend the bill by inserting after section 8 the following and renumbering the original sections 9 and 10 to read as 10 and 11, respectively:

9 Study Committee Established. There is established a committee to study why Chief Bradley Haas was unarmed when working as the primary security detail at the main entrance to the New Hampshire Hospital.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Two members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The committee's duties shall include, but not be limited to:

(a) Examine why Chief Haas was unarmed when manning the metal detector as the primary security detail at the main entrance of the New Hampshire Hospital.

(b) Determine if the state was partially complicit in the murder of Chief Haas by disarming Chief Haas and if the state should set up a dedicated fund to compensate the family for this murder.

(c) Investigate all department policies and any contracts that might have applied to Chief Haas.

IV. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Three members of the committee shall constitute a quorum.

V. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2024.

AMENDED ANALYSIS

This bill authorizes the state to report mental health data for firearms background check purposes and provides for processes for the confiscation of firearms following certain mental health-related court proceedings and for relief from mental health-related firearms disabilities. This bill further establishes a study committee to determine why Chief Haas was unarmed when he was working as the primary security detail at the main entrance to the New Hampshire Hospital.

The question being adoption of floor amendment (1358h).

Rep. Roy spoke against.

Rep. Hoell spoke in favor and requested a roll call; sufficiently seconded.

and the committee report was adopted, and the bill was ordered to third reading.

HB 1637, relative to reducing requirements for vehicle inspections. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John Sellers for Transportation. When it comes to vehicle inspections, the committee all wanted to help our citizens alleviate stress and financial pressure during the process. This bill provides a bit more time to

inspect their vehicle, especially now where scheduling is taking longer than normal. The bill also allows for vehicles with body rust and rust on brakes to pass inspection. In addition, a cracked headlight, directional, and tail lenses will now pass inspection by using a color matching automotive lens tape which is widely used in the industry today. Vote 19-0.

Amendment (1222h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Prohibition of Inspection Performance Within a Specified Amount of Time. Amend RSA 266:1 by inserting after paragraph XII the following new paragraph:

XIII. The department shall not require an inspection station to perform inspections within any minimum or maximum amount of time. No penalty or audit shall result based on the amount of time spent on inspections, whether individually or on average.

2 Thirty-Day Inspection Grace Period. Amend RSA 266:I, IV to read as follows:

IV. Notwithstanding paragraphs II and III, newly registered vehicles, other than vehicles transferred to a licensed dealer, OHRVs, snowmobiles, mopeds, roadable aircraft, and vehicles, other than vehicles transferred to a licensed dealer, OHRVs, snowmobiles, mopeds, and roadable aircraft, the ownership of which has been transferred, shall be inspected not later than ~~[10]~~ **30** days after the registration or transfer of ownership of said vehicle. However, if a new vehicle is purchased at retail from a licensed dealer, as defined in RSA 259:18, the vehicle shall be inspected not later than 20 days after the date of transfer. A used vehicle for which a dealer has issued a 20-day plate pursuant to RSA 261:109 shall be inspected by the dealer or an authorized inspection station on behalf of the dealer at the time of the attachment of the plate unless a valid inspection sticker issued by the dealer is in place, in which case the vehicle shall be inspected within ~~[20]~~ **30** days or before the sticker expires, whichever occurs first. All other expired motor vehicle inspections shall be subject to the ~~[10-day]~~ **30-day** grace period in RSA 266:5.

3 Penalty for Failing to Obey Inspection Requirements; Thirty-Day Grace Period. Amend RSA 266:5 to read as follows:

266:5 Penalty for Failing to Obey Inspection Requirements. The driver or owner of any motor vehicle failing to comply with the requirements of the director relative to inspection shall be guilty of a violation, and the director may refuse to register, or may suspend or revoke the registration of, any motor vehicle, trailer, or semi-trailer which has not been inspected as required or which is unsafe or unfit to be driven; provided, however, no person shall be charged with a violation of this section until a period of ~~[10]~~ **30** days has elapsed from the date the inspection was due. It shall be a rebuttable presumption that a vehicle that is required to be inspected is in violation of this section if the vehicle fails to display a valid inspection sticker. This section shall not apply to those vehicles required to be inspected under the provisions of RSA 266:1, IV. The fine for a violation of this section shall be \$60.

4 New Paragraph; Time Allotted for Inspections. Amend RSA 266:1-a by inserting after paragraph II the following new paragraph:

III. A law enforcement officer shall not require inspections within any minimum or maximum amount of time nor shall any penalty or audit result solely from the amount of time spent on inspections, whether individually or on average.

5 Front Lights. Amend RSA 266:31 to read as follows:

266:31 Front Lights. Every motor vehicle driven during the period from 1/2 hour after sunset to 1/2 hour before sunrise, and whenever rain, snow, or fog shall interfere with the proper view of the road so that persons and vehicles on the way are not clearly discernible at a distance of 1000 feet ahead, shall display at least 2 lighted lamps on the front; provided, however, that one suitable lighted lamp on the front of a motorcycle shall be sufficient. The headlamp shall throw sufficient light ahead within the traveled portion of the way to make clearly visible all vehicles, persons, or substantial objects within a distance of 200 feet, except that the headlamps of motorcycles shall be sufficient if they make clearly visible objects within a distance of 150 feet. No headlamp shall be used unless it is approved by the director and is equipped with a proper lens or other device designed to prevent glaring rays. All headlamps on every motor vehicle shall be located at a height of not more than 54 inches nor less than 24 inches from the ground on an unladen vehicle. The measurement shall be made from the ground to the center of the lens. No device which obstructs, reflects, or alters the beam of such headlamp shall be used in connection therewith unless approved by the director. Every lens or other device to prevent glaring rays, the use of which on motor vehicles has been approved by the director, shall be arranged, adjusted, and operated in accordance with the requirements of the certificate approving the use thereof. Every lamp, bulb, or light used in any headlamp shall be of such candle power as may be specified for the approved device in the certificate approving the use thereof. Every reflector which is used as a part of such headlamp shall have a reflecting surface approved by the director after satisfactory tests have been made, and every reflecting surface shall be free from dents ~~[,rust]~~ and other imperfections *that inhibit the ability for light to project as described this section. Cracks in a sealed beam headlamp shall cause inspection failure. Cracks in a projection headlamp that are covered by color matching automotive*

lens tape shall not cause inspection failure, except that any taped or untaped cracks that allow moisture to penetrate the headlamp shall cause inspection failure. Clouded/oxidized headlamps shall fail inspection when the light shines yellow or another color besides white, or if the light is so dim that headlamp aim cannot be checked on a headlamp aimer. The driver of every motor vehicle shall permit any properly authorized person to inspect the headlamping equipment of such motor vehicle and to make such tests as he or she may deem necessary to determine whether the provisions of this section are being complied with. Any headlamp color approved by the director for motor vehicles shall be considered approved for motorcycles.

6 Directional Signals. Amend RSA 266:42 to read as follows:

266:42 Directional Signals. It shall be unlawful to drive on any way in this state any motor vehicle registered in this state which is manufactured or assembled after January 1, 1952, unless such vehicle is equipped with directional signals approved by the director. The provisions of this section shall not apply to motorcycles manufactured prior to January 1, 1973. ***No directional signal shall cause inspection failure unless it does not function properly, is not properly directed, is obscured, or has a minimum light output and projection lower than the vehicle's original equipment. Cracks in a directional signal that are covered by color matching automotive lens tape shall not cause inspection failure, except that any taped or untaped cracks that allow moisture to penetrate the directional signal shall cause inspection failure.***

7 Reflectors. Amend RSA 266:43 to read as follows:

266:43 Reflectors. Every new motor vehicle sold and driven upon a way, other than a tractor truck, shall carry on the rear, either as a part of the tail lamps or separately, 2 red reflectors, except that every motorcycle, moped and motor-driven cycle shall carry at least one reflector. ***Cracks in a reflector that are covered by color matching automotive lens tape or color matching reflective tape shall not cause inspection failure.***

8 New Section; Restrictions and Rulemaking. Amend RSA 266 by inserting after section 117 the following new section:

266:118 Rulemaking Restrictions.

No rule shall require inspection failure when there are cracks in any functional headlamp lens or reflector.

9 Brakes; Inspection Failure. Amend RSA 266:28 to read as follows:

266:28 Brake Performance.

I. Every motor vehicle and every combination of motor vehicle with trailer or semi-trailer when driven upon the ways of the state shall at a speed of 20 miles per hour be capable, at all times and under all conditions of loading, of stopping on a dry, smooth, approximately level pavement free from loose material, upon application of the foot or service brake, within a distance of 30 feet.

II. Regarding brake pads and shoes, brakes shall fail inspection where:

(a) Bonded linings on brake shoes or pads are less than 2/32 inch thick, when measured at the thinnest point;

(b) Riveted linings on the brake shoes or disc brake pads are worn to within 2/32 inch of any rivet head; or

(c) A rivet on the brake lining is loose or missing or the lining is not securely fastened to the shoe or pads.

III. Regarding brake drums or discs, brakes shall fail inspection only where discs or drums:

(a) Show evidence of mechanical damage other than wear;

(b) Show evidence of delamination on the friction surface, such that either would affect proper brake operation, except that rust shall not be reason for inspection failure unless so required under RSA 266:3-a.

(c) Have cracks on the friction surface extending to the open edge or on the outside of the drum, particularly at the drum mounting area;

(d) Have a broken disc;

(e) Have cracks on the friction surface extending to the open edge on a disc;

(f) Have defective grease retainers;

(g) Are worn below the manufacturer's specifications; or

(h) Have a thickness less than the minimum which is stamped on the assembly.

10 Effective Date. This act shall take effect 60 days after its passage.

Committee amendment was adopted.

The question being adoption of the committee report of Ought to Pass with Amendment.

Rep. Sykes offered floor amendment (1305h).

Floor Amendment (1305h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Prohibition of Inspection Performance Within a Specified Amount of Time. Amend RSA 266:1 by inserting after paragraph XII the following new paragraph:

XIII. The department shall not require an inspection station to perform inspections within any minimum or maximum amount of time. No penalty or audit shall result based on the amount of time spent on inspections, whether individually or on average.

2 Thirty-Day Inspection Grace Period. Amend RSA 266:I, IV to read as follows:

IV. Notwithstanding paragraphs II and III, newly registered vehicles, other than vehicles transferred to a licensed dealer, OHRVs, snowmobiles, mopeds, roadable aircraft, and vehicles, other than vehicles transferred to a licensed dealer, OHRVs, snowmobiles, mopeds, and roadable aircraft, the ownership of which has been transferred, shall be inspected not later than ~~[10]~~ **30** days after the registration or transfer of ownership of said vehicle. All other expired motor vehicle inspections shall be subject to the ~~[10-day]~~ **30-day** grace period in RSA 266:5.

3 Penalty for Failing to Obey Inspection Requirements; Thirty-Day Grace Period. Amend RSA 266:5 to read as follows:

266:5 Penalty for Failing to Obey Inspection Requirements. The driver or owner of any motor vehicle failing to comply with the requirements of the director relative to inspection shall be guilty of a violation, and the director may refuse to register, or may suspend or revoke the registration of, any motor vehicle, trailer, or semi-trailer which has not been inspected as required or which is unsafe or unfit to be driven; provided, however, no person shall be charged with a violation of this section until a period of ~~[10]~~ **30** days has elapsed from the date the inspection was due. It shall be a rebuttable presumption that a vehicle that is required to be inspected is in violation of this section if the vehicle fails to display a valid inspection sticker. This section shall not apply to those vehicles required to be inspected under the provisions of RSA 266:1, IV. The fine for a violation of this section shall be \$60.

4 New Paragraph; Time Allotted for Inspections. Amend RSA 266:1-a by inserting after paragraph II the following new paragraph:

III. A law enforcement officer shall not require inspections within any minimum or maximum amount of time nor shall any penalty or audit result solely from the amount of time spent on inspections, whether individually or on average.

5 Front Lights. Amend RSA 266:31 to read as follows:

(b) Riveted linings on the brake shoes or disc brake pads are worn to within 2/32 inch of any rivet head; or

(c) A rivet on the brake lining is loose or missing or the lining is not securely fastened to the shoe or pads.

III. Regarding brake drums or discs, brakes shall fail inspection only where discs or drums:

(a) Show evidence of mechanical damage other than wear;

(b) Show evidence of pitting on 50 percent or more of the friction surface or delamination on the friction surface, such that either would affect proper brake operation, except that rust shall not be reason for inspection failure unless so required under RSA 266:3-a.

(c) Have cracks on the friction surface extending to the open edge or on the outside of the drum, particularly at the drum mounting area;

(d) Have a broken disc;

(e) Have cracks on the friction surface extending to the open edge on a disc;

(f) Have defective grease retainers;

(g) Are worn below the manufacturer's specifications; or
