HOUSE JOURNAL NO. 17

Thursday, October 10, 2024

The House assembled at 10:00 a.m. and was called to order by the Speaker.

Prayer was offered by the Member from Exeter, Representative Alexis Simpson.

Good morning, everyone. Source of love, thank you for giving us the opportunity to be together one last time this biennium. In the midst of the devastation and heartbreak of global conflict and natural disasters, You have given us an opportunity to connect with one another. Remind us that even in the midst of the chaos of political campaigning, it is the human connection here that is most valuable. The relationships that drive this work, that allow us to negotiate to compromise and to come together to serve the greater good. Let us never forget that there are people who care about us. As we mourn the loss of Fish and Game Conservation Officer Levy Frye, let us remember that life is a struggle for many people. May You surround his family and the families of all those who mourn with Your love and Your care. Please show us how we can continue to show up for one another and offer help in all the ways that we are able. In the words of Saint Francis, "Oh God, make us instruments of Your peace. Where there is hatred, let us sow love. Where there is offense, let us bring pardon. Where there is discord, let us bring union. Where there is error, let us bring truth. Where there is doubt, let us bring faith. Where there is despair, let us bring hope. Where there is darkness, let us bring Your light. Where there is sadness, let us bring joy. Oh Lord, grant that we may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love. For it is in giving that one receives. It is in self-forgetting that one finds. It is in forgiving that one is forgiven. It is dying that one awakens to eternal life. Amen.

Representative Zoe Manos, member from Stratham, led the Pledge of Allegiance.

The National Anthem was sung by Chris Eaton of Stratham.

Mr. Clerk,
I have been proud to serve the City of Manchester for the last 2 years as one of its New Hampshire State Representatives, so it is with great gratitude and a little sorrow that I must resign from this position. My time in the New Hampshire House has been both an absolute pleasure and one of difficulty. Thank you and your staff for the grace and patience you have shown over the last two years. Dear Mr. Speaker and Clerk,
It is with great regret that I must resign my office, State Representative of Cheshire county District 11, effective immediately. My privacy was invaded by the Winchester town clerk in which he entered our gated backyard and looked into several windows into our home in Winchester. We have purchased a home in the surrounding town and will no longer be residents of the town of Winchester. It has been a great honor to have served my town and state. Thank you for the incredible experience.

GOVERNOR'S VETO MESSAGE ON HB 194-FN

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on August 2, 2024, I have vetoed House Bill 194-FN, requiring the Director of the Division of Historical Resources to compile and maintain a list of public monuments and requiring legislative approval of the amendment or permanent removal of historical markers. New Hampshire state government is based the essential constitutional philosophy of separation of powers, in fact, Article 37 of the New Hampshire constitution says, "In the government of this State, the three essential powers thereof, to wit, the Legislative, Executive, and Judicial, ought to be kept as separate from, and independent of, each other, as the nature of free government will admit, or as is consistent with that chain of connection that binds the whole fabric of the Constitution in one indissoluble bond of union and amity." Requiring approval by the Joint Legislative Fiscal committee before "amending or permanently removing any marker" crosses the line of separation between the branches and wrongly places the fiscal committee in charge of an Executive Branch decision that has no fiscal impact. As such, this legislation sets a problematic precedent. For the reason stated above, I have vetoed House Bill 194-FN.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 194-FN,** requiring the director of the division of historical resources to compile and maintain a list of public monuments and requiring legislative approval of the amendment or permanent removal of historical markers, become law?

GOVERNOR'S VETO MESSAGE ON HB 274

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 19, 2024, I have vetoed House Bill 274 relative to the administrative rulemaking process. This bill proposes several changes that increase bureaucracy with broad strokes and will be onerous to implement. The requirement to send a notice "to past participants in similar rulemaking proceedings" would require substantial increases of staff time for the creation and continual maintenance of a registry of anyone who has participated in the rulemaking process. Additionally, the bill does not define a "past participant." There is no provision for any participant to opt out of this notice and would require the maintenance of a past participant list well beyond any record retention policy. Notices of rules are already required to be publicly posted and interested parties can easily access them. This provision would create undue burden with no clear need or beneficial outcome. Furthermore, this legislation would also introduce a new uncertain liability for the state with an unknown fiscal impact. It is not clear what is included in "plaintiff's legal expenses," which s would apply to every agency that promulgates rules under RSA 541-A. There is no fiscal note attached to the bill, thus the cost of implementation is unknown. Any introduction of new fiscal liabilities requires thorough review and feedback to protect New Hampshire taxpayers. For the reasons stated above, I have vetoed House Bill 274.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 274,** relative to the administrative rule-making process, become law?

Rep. Steven Smith spoke in favor.

GOVERNOR'S VETO MESSAGE ON HB 396

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 19, 2024, I have vetoed House Bill 396, relative to permitting classification of individuals based on biological sex under certain, limited, circumstances. In 2018, Republicans and Democrats passed legislation to prevent discrimination because as I said at the time, it is unacceptable and runs contrary to New Hampshire's Live Free or Die Spirit. That still rings true today. The challenge with HB 396 is that in some cases it seeks to solve problems that have not presented themselves in New Hampshire, and in doing so invites unnecessary discord. For the reasons stated above, I have vetoed House Bill 396.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 396,** permitting classification of individuals based on biological sex under certain limited circumstances, become law?

Reps. Hoell, Kristine Perez and Kofalt spoke in favor.

GOVERNOR'S VETO MESSAGE ON HB 1093

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 2, 2024 I have vetoed House Bill 1093, an act prohibiting mandatory mask policies in schools. When vetoing a nearly identical bill in 2022, I stated that just because we may not like a local decision, does not mean we should remove their authority. One of the State's foremost responsibilities is to know the limits of its power. This is as true now as it was then. As Granite Staters, we take pride in local control and our bottom-up approach to education. Similar to our fight to retain states' rights against a bloated and ever-encroaching federal government, we have a responsibility to ensure the State minimizes its infringement on local control. Big government is never the solution, and neither is a one-size-fits-all approach. The State must remain steadfast in protecting local control as decisions like this are best left to authorities closest to parents and families where they can work with their neighbors to decide what is right for their children. For the reasons stated above, I have vetoed House Bill 1093.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 1093,** prohibiting mandatory mask policies in schools, become law?

Reps. Quaratiello and Noble spoke in favor.
Rep. Balboni spoke against.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

GOVERNOR'S VETO MESSAGE ON HB 1187

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 26, 2024, I have vetoed House Bill 1187 relative to prohibiting lease agreements of equipment for building or facility improvements. This bill would effectively prohibit the use of municipal leases to acquire fixtures, a practice that is both common and beneficial to municipalities and businesses alike. While the proponents of this bill have raised examples of certain scenarios in which such agreements have been purportedly misused, the offered legislation would, without exception, undercut municipalities' opportunity to explore such agreements in the search of advantageous timing and financing terms. Municipalities have ever evolving needs, from school boilers to energy efficiency projects, that must be secured more frequently then bonding opportunities permit. These decisions must still go through multiple layers of approval offering the opportunity for public input and as such, this bill would unnecessarily tie the hands of our local communities. For the reasons stated above, I have vetoed House Bill 1187.

Respectfully submitted, Christopher T. Sununu, Governor

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled Senate Bill numbered 137.

Rep. Osborne, Sen. Carson for the Committee

GOVERNOR'S VETO MESSAGE ON HB 1233

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on May 29, 2024, I have vetoed House Bill 1233, relative to animal chiropractors. This bill seeks to exempt select individuals from licensure requirements in the context of providing chiropractic care to animals. While the notion of reducing rigidity in licensing requirements for purposes of promoting access is laudable, such initiatives must be done with prudence to avoid unintended consequences. The exemption set forth in this bill is vague and stakeholders from the chiropractic and veterinary communities have been uniform in expressing concern over potential unintended consequences, inclusive of allowing individuals to treat animals who lack certain fundamental and foundational training and knowledge concerning animal care. In addition to concerns over the direct care of animals, the proposed language appears to entirely exempt these prospective practitioners from licensure requirements as opposed to offer the grant of licensure through recognized review and reciprocity. Intended or not, this presents the possibility that these individuals would operate in the absence of the oversight or accountability generally attendant to provision of such services. While I understand the intent of this bill and am an advocate for reducing unnecessary obstacles to individuals engaging in a trade, upon advice of professionals currently engaged in the field, further adjustments to this bill are needed. For the reasons stated above, I have vetoed House Bill 1233.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 1233,** relative to animal chiropractors, become law?

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

GOVERNOR'S VETO MESSAGE ON HB 1293-FN

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 19, 2024, I have vetoed House Bill 1293 relative to the use of certain fertilizers on turf. Despite this bill's well-sought intention to reduce fertilizer contamination, it contains several unworkable and impractical provisions. Rather than focusing on areas close to bodies of water, this bill would restrict any citizen or business in the state from applying fertilizer to a lawn within 25 feet of a storm drain. This would put countless well-meaning families unintentionally in violation of the law when maintaining privately owned lawns. Additionally, restricting fertilizer application before a predicted heavy rain is too vague and makes families beholden to ever-changing summer weather. Not only are these and a number of other restrictions in this bill highly unreasonable, the Department of Agriculture reports that enforcement of this law would be entirely reliant on neighbors telling on neighbors rather than direct action by the agency. If the intent of the Legislature was

to reduce the impact of these fertilizers in New Hampshire water bodies, then I encourage future legislation to be more targeted toward lakes, streams, and other environmentally sensitive areas as well as include a practical mechanism for enforcement. For the reasons stated above, I have vetoed House Bill 1293.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 1293-FN,** relative to the use of certain fertilizers on turf, become law?

Reps. Carroll Brown and Bordes spoke against.
Rep. Creighton spoke in favor.

Pursuant to the New Hampshire Constitution, Part II, Article 44, a roll call, requiring a two-thirds vote of the House for approval, was taken.

GOVERNOR'S VETO MESSAGE ON HB 1415

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on August 2, 2024, I have vetoed House Bill 1415, relative to PFAS facility liability. It is concerning that the broad definition of perfluoroalkyls (PFAS) facility in HB 1415 would encompass any facility that previously used PFAS at their location, such as fire stations and other municipal facilities. The requirements under this bill would be inappropriate and unnecessarily burdensome to those entities. In a letter from the New Hampshire Business & Industry Association, they noted that the concentrations triggering regulatory action in HB 1649 conflict and are set at two different standards – 100 parts per trillion in HB 1415 and 10,000 parts per trillion in HB 1649. This contrary language makes it impossible to administer both and enforce them appropriately. Therefore, I have signed HB 1649 and vetoed HB 1415. It is extremely important to hold appropriate parties accountable for their actions, but this legislation misses the mark. For the reasons stated above, I have vetoed House Bill 1415.

Respectfully submitted, Christopher T. Sununu, Governor

The question being, notwithstanding the Governor's veto, shall **HB 1415,** relative to PFAS facility liability, become law?

Reps. Nancy Murphy and McGough spoke in favor.

GOVERNOR'S VETO MESSAGE ON HB 1581

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on July 10, 2024, I have vetoed House Bill 1581 relative to cultivation locations for alternative treatment centers. This bill seeks to allow alternative treatment centers to operate additional cultivation centers inclusive of greenhouses. The legislation provides scant detail regarding safety, security and location requirements. These details are necessary to ensure appropriate controls on a regulated substance. For the reasons stated above, I have vetoed House Bill 1581.

GOVERNOR'S VETO MESSAGE ON HB 1622-FN

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on August 2, 2024, I have vetoed House Bill 1622 relative to administrative rulemaking and license renewals by the office of professional licensure and certification. The majority of provisions in this bill would apply to every state agency that engages in rulemaking under RSA 541-A and as such multiple agencies have expressed operational and financial concerns with this bill. If enacted, this legislation would substantially increase the burden on executive agencies when promulgating rules without providing the financial support to do so. These mandates will dramatically increase the amount of staff time required to simply draft a rule, which could increase the number of staff needed, or pull staff away from other essential functions within our agencies. Public input is essential to good public policy, however the burdens created by this legislation are overly taxing for a minimal amount of public benefit. Additionally, while I do not support enforcement of expired rules, ordering an agency to pay a fine or attorney's fees as required means that fees from other, unrelated, licensees, assessment fees, or taxpayer dollars must be used. The potential fiscal impact of this is entirely unknown. This policy decision requires more attention to balance the accountability of rule enforcement with the financial interests of taxpayers and those who pay fees to fund regulatory agencies. For the reasons stated above, I have vetoed House Bill 1622.

Respectfully submitted, Christopher T. Sununu, Governor

REMARKS

Speaker Packard: This is the last time the legislature will meet before the new term begins in December. There are many of you who won't be returning for the next term. Maybe you choose not to run for reelection or seek another office. Whatever your case may, we want to thank you for your service to your communities

and the State of New Hampshire by serving in this historic body. I'd like to just read a few of these and please no clapping until the end. Twenty or more years of service, Jeff Goley and Steve Shurtleff. Eighteen years of service, Andy Renzullo, Mark McConkey, David Bickford, Pat Long and Jane Beaulieu. Sixteen years of service, Mike O'Brien. Fourteen years of service, Laurie Sanborn and Joe Pitre. Twelve years of service, Bruce Tatro, Dave Huot, Latha Mangipudi, Mel Myer. Eleven years of service, Mary Heath, Ten years of service, Tracy Emerick, JR Hoell, Amanda Bouldin, Susan Treleaven, Michael Abbott, Cliff Newton and Rebecca McBeath. Can I have all of those that I read off stand up, that are here? Now, can we have everybody that isn't coming back stand up? Now I want to thank and I want to give them tremendous applause. I want to thank the Clerk's staff. I've got to say that they have done an absolutely tremendous job over the last four years and especially the last two years. I also want to thank the staff of the General Court. The Majority Office, the Minority Office, the Speaker's Office. Without them I can guarantee you this body probably wouldn't run properly. They deserve a tremendous round of applause. We also need to thank Committee Services and all the other staff people in this building that make this place work. We have one of the smallest staffs in the country and I can tell you that these people do a tremendous amount of work and I personally want to thank all of you. Thank you.
