

I Oppose HB693

Honorable Representatives:

I am glad that this bill is not facing the rigors of House Rule 44.

This bill is not about voting integrity.

This bill is a partisan attempt to slow down the voting process and cast doubt on results that should be immediately available to the citizens of their town.

Please oppose this bill for the respect for the NH Constitution. “all government of right originates from the people, is founded in consent, and instituted for the general good.”
