

I Oppose HB317

Honorable Representatives:

I am glad that this bill is not facing the rigors of House Rule 44.

This bill is not about voting integrity.

This bill is a partisan attempt to create a process that is onerous to anyone involved with voting.

It defies common sense.

Please oppose this bill for the respect for the NH Constitution. “all government of right originates from the people, is founded in consent, and instituted for the general good.”
