

Transgender rights are HUMAN RIGHTS, and all oppression is interconnected. Discrimination against transgender people is a disgrace!!! Transgender people, whether they are students, athletes or NH citizens, deserve to:

- \*Use a bathroom in peace
- \*Come out to their parents if and when they are ready
- \*Have access to medically necessary and life-affirming/saving healthcare
- \*Play sports
- \*Be educated free from fear and book censorship

Please DO NOT let unfounded fear cause you to support **DISCRIMINATORY BILLS** that are based purely on **I\*M\*A\*G\*I\*N\*E\*D safety concerns!!!** Instead, please read the 40+ years of studies and trust the leading medical organizations such as the American Academy of Pediatrics and the American Medical Association. Healthcare decisions should NOT be made by politicians!!! Like all medical interventions, medical experts are the ones to provide consultation, NOT politicians.

I ask you to VOTE DOWN the many upcoming bills that directly attack the freedom and safety of transgender people in our state, and support bills that seeks to understand the reality of school bullying and to protect the LGBTQIA+ community. **UNFOUNDED FEAR HAS NO PLACE IN OUR LAWS!!!**

Sincerely, Kelly Rochford, Grantham, NH
