

Dear Representative,

Thank you for your service to the state, and I ask you to oppose HCR 11 and HCR 7.

The Founding Fathers created three branches of government for good reason - an an effective check and balance on one another. These resolutions choose to undo that balance.

We have an educational funding crisis in NH. Our property taxes are out of control, the state chooses not to provide more funding, and the courts are the neutral arbiter for we, the citizens. Their decisions are based on what is fair and equitable. Then it is up to you, the legislators to find the fiscal solutions.
