Re: Legislative Hearings on HB 1068, HB1580, SB634 , and HB1707 - Negative Response

To Whom It May Concern:

I oppose the proposed bills: HB 1068, HB1580, SB634, and HB1707. These measures will only alienate and punish New Hampshire taxpayers who own vacation homes and other properties in the state. This is not good for New Hampshire.

Thank you for your attention.
