New Hampshire General Court  
Housing Committee

Honorable Chairman Alexender and members of the Committee,

The Windham Planning Board supports HB 1010 and HB 1065 as introduced. Although the Board recognizes that these bills may be subject to significant amendment, it supports their intent to remedy substantial issues created by HB 631 (2025) and its impact on local zoning.

Respectfully,

Jacob Cross, Chairman  
Windham NH Planning Board

CC Senator Birdsell, Representative Kuttub, Lynn, McMahon, Popovici-Muller, and Soti  
Board of Selectmen  
NH Municipal Association  
Windham NH Planning Board
