

I Oppose SB434

The General Court of NH continues to try to create a wedge between the moral understandings of various communities in NH.

This is a bill that will not only have that affect but can create chaos as complaints will gum up the time and mission of the school districts responding to a complaint that one person might have.

NH already has a definition of "Harmful to minors" as defined in RSA 571-B:1, I

Leave it at that!!

Please return SB434 as inexpedient to legislate so that "all government of right originates from the people, is founded in consent, and instituted for the general good."

Respectfully,

Len
