**Representative Sherman Packard Secures Speakership**

Concord, NH: Speaker Sherman Packard (R-Londonderry) issued a statement thanking his colleagues for entrusting him with the responsibility of leading the New Hampshire House of Representatives for the 2025-2026 term:

“It is an honor and privilege to serve as Speaker of the New Hampshire House of Representatives,” Speaker Packard said. “I am deeply grateful to my fellow House members for their trust and confidence in me, and I look forward to working with them to make an impactful change in our state.”

Speaker Packard emphasized that the primary focus for the upcoming term will be crafting a responsible and balanced state budget that puts the needs of the people first:

"Our mission is clear – to create a budget that keeps money in the pockets of families, builds a strong and resilient economy, and prioritizes the well-being of our citizens. We have a unique opportunity to shape New Hampshire’s future in a way that benefits everyone, ensuring our state remains the best place to live, work, and raise a family."
