Speaker Packard Statement on Senator Jeb Bradley's Retirement

Concord, NH – House Speaker Sherman Packard (R-Londonderry) released the following statement regarding Senator Jeb Bradley's announcement that he will not seek re-election:

“Both Senator Bradley and I assumed office together as House Representatives in December 1990. After more than 30 years of working together, I have gotten to know him as more than a colleague - he has become a friend. It has been a pleasure and an honor working with Senator Bradley on key legislation that has positioned our state as the premier state in which to live, work and raise a family. His tireless work ethic and strong leadership helped deliver tangible results to families and small businesses across the Granite State. His respect for the institution and his colleagues speaks volumes of his character and will be a part of his legacy. I wish him the best in his retirement and sincerely thank him for his public service.”
