**House Speaker Statement on the Budget**

Concord, NH: Speaker Sherman Packard (R-Londonderry) released the following statement after the budget passed out of the House:

I extend my deepest gratitude to my colleagues for their dedication to crafting a balanced, fiscally responsible budget. This budget ensures taxpayers keep more of their hard-earned money and keeps state spending in-line with our no-tax pledge.

From the start, our number one priority was to protect New Hampshire citizens and our critical programs while securing a strong fiscal future. This budget reflects that commitment. We're now ready to move forward to the next phase of the process, and we have secured a seat for the House at the negotiation table.

Thank you to the Legislative Budget Assistant Office (LBA), Office of Legislative Services (OLS), House Clerk's Office (HCO), House Committee Services (HCS), and both Republican and Democratic offices for their incredible support. Their behind-the-scenes efforts power this institution, and the legislature is thankful for their expertise and dedication.
