House Concurs on Senate Amendment to HB 266 - Sends Bill to Governor

CONCORD, NH – The New Hampshire House of Representatives today voted to concur with the Senate’s amendment to HB 266, clearing the legislation for enrollment and sending it to the Governor for consideration.

HB 266 affirms that public school events may be recorded or streamed in accordance with federal requirements and strengthens the state’s slayer statute to ensure that no individual may profit from a crime they committed.

The House’s concurrence marks the final legislative step before the bill reaches the Governor’s desk.
