Amendment to SB 186-FN

Amend the title of the bill by replacing it with the following:

AN ACT relative to additional cost of living adjustments and increased minimum allowances for certain retired group II members, and relative to requiring spousal acknowledgement of a member's election of an optional retirement allowance.

Amend the bill by replacing all after the enacting clause with the following:

1 Service Retirement; Group II; Minimum Allowance Increased. Amend RSA 100-A:5, II (c) (1) to read as follows:

(c)(1) Notwithstanding any provision of RSA 100-A to the contrary, any group II member who has retired on a full service retirement allowance shall receive a minimum service retirement allowance of [~~\$5,200~~] **\$10,000**. In comparing the minimum service retirement allowance and the full service retirement allowance, the full service retirement allowance shall be the sum of the basic allowance plus COLA's. The provisions of this subparagraph shall not apply to a group II member who has retired on a reduced or on a vested deferred retirement allowance. In the case of a group II member who has retired on a full service retirement allowance, and who has elected to convert the retirement allowance into an optional allowance for the surviving spouse under RSA 100-A:13, the surviving spouse shall be entitled to a proportional share of the [~~\$5,200~~] **\$10,000** which shall be based upon the optional allowance which the surviving spouse is receiving. Under no circumstances shall the provisions of this subparagraph be construed to reduce the retirement benefits being paid to a group II member as of the effective date of this subparagraph.

2 Optional Allowances; Spousal Acknowledgement of Election. Amend RSA 100-A:13, I to read as follows:

I. Any member who has reached service retirement age as provided in RSA 100-A:5, I(a), or II(a), or RSA 100-A:19-b, or any retiree within 120 days after the effective date of retirement,

may elect to receive, instead of the retirement allowance otherwise payable, a retirement allowance of equivalent actuarial value under one of the options named in paragraph III, or to redesignate any such option previously elected. When the member elects to receive an optional retirement allowance under paragraph III, the beneficiary or beneficiaries whom he nominates may include the member's children, with the reduced retirement allowance payable to be divided equally among the children. The notice of election or change of retirement option shall be on a form designated by the board, ***and which shall include a spousal acknowledgment with signature, if any election or change by the member.*** The optional allowance shall be effective upon retirement if the election is made before the effective date of retirement, and on the first day of the month following receipt by the board of the notice of election or change of option if made during the 120-day grace period. When an election or change of option is made during the 120-day grace period, no retroactive adjustments will be made in payments already received by the retiree. After expiration of the 120-day grace period no change in option selection shall be permitted except as provided in paragraph II. If a retiree dies after filing notice of election or change of option during the 120-day grace period but before the effective date, the election or change shall be effective as of the date of death. If a member dies after filing an election for a survivorship retirement option and before the effective date of retirement, whether or not the member has filed for retirement, the beneficiary who was nominated by the member in the election of the option may elect to receive either the optional survivor benefit which the member had elected or the ordinary death benefit provided under RSA 100-A:9, whichever is more advantageous to the beneficiary; provided that, in the case of the member's death before retirement, if the beneficiary named in the survivorship option election is not the same person as the beneficiary under RSA 100-A:9, then the death benefit under RSA 100-A:9, II, and not the survivorship option shall apply.

3 New Section; Supplemental Allowances for Certain Retired Group II Members. Amend RSA 100-A by inserting after section 41-a the following new section:

100-A:41-b Supplemental Allowances for Certain Retired Group II Members.

I. An eligible retired group II member of the New Hampshire retirement system, or beneficiary, whose annual retirement allowance as reported on the member's Internal Revenue Service Form 1099-R was less than \$17,700 and who retired on or before June 30, 1998, shall receive an additional allowance or a \$10,000 minimum service retirement allowance whichever is greater, as provided in paragraph II and RSA 100-A:5, II. An eligible retired group II member shall be a member, or beneficiary of such member, who retired with at least 20 years of creditable service under RSA 100-A:5, II, or member, or beneficiary of such member, who retired under RSA 100-A:6, II. The provisions of this section shall not apply to a group II member who has retired on a reduced or vested deferred retirement allowance. The additional allowance shall become a permanent addition to each member or beneficiary's base retirement allowance, as provided in RSA 100-A:41-a.

II. The supplemental allowance, or COLA, provided in paragraph I shall be the following percent increase for the following annual reported retirement allowance of each member:

- (a) \$15,700 - \$17,699, 3 percent;
- (b) \$13,700 - \$15,699, 4 percent;
- (c) \$11,700 - \$13,699, 5 1/2 percent;
- (d) \$9,700 - \$11,699, 7 1/2 percent;
- (e) \$7,700 - \$9,699, 10 percent;

(f) \$5,700 - \$7,699, 14 percent; or

(g) Less than \$5,700, 21 percent.

4 Funding of Supplemental Allowances. The total actuarial cost of the additional allowances provided in RSA 100-A:41-b as inserted by section 3 of this act shall be funded on a terminal basis from the special account established in RSA 100-A:16, II(h).

5 Repeal. RSA 100-A:5, II(c)(2) and (3), relative to the reduction in minimum service retirement allowance due to federal social security benefits or other benefits, are repealed.

6 Effective Date. This act shall take effect July 1, 1999.

1999-0894s

AMENDED ANALYSIS

This bill increases the minimum allowance and grants additional COLAs to retired group II members whose annual retirement allowance is less than a certain amount. The additional COLAs are funded on a terminal basis from the special account.

The bill also adds a requirement of spousal acknowledgment for a member's election or change of an optional allowance.
