Vacation Week

Monday, November 1, 1999 Study Committee reports filed.

All committee work on re-referred bills should be completed.

Legislation with late introduction should have had a hearing.

****NOTE****

Legislation that was late crossing over from the house in the 1999 session, should be dealt with before the January 5, 2000 convening session. Therefore, the Senate will have session days in the fall to keep them within the 1999 session parameter.
