Amend the title of the bill by replacing it with the following:

AN ACT establishing a Merrimack county superior court jury selection pilot program.

Amend the bill by replacing all after the enacting clause with the following:

1 Merrimack County Superior Court Jury Selection Pilot Program. There is established a pilot program regarding the examination of prospective jurors by judges and counsel. In addition to the provisions of RSA 500-A:12, the following provisions shall be incorporated into jury selection in Merrimack county superior court:

- I. The court shall instruct the panel of prospective jurors prior to jury selection as to:
 - (a) The nature and purpose of the selection process.
 - (b) The nature of the case to be presented.
 - (c) The specific issues for resolution.
 - (d) A summary of the law to be used in their consideration of the evidence.
 - (e) Any controversial aspects of the trial likely to invoke bias.

II. Counsel for each party shall be allowed a reasonable amount of time to address the panel of prospective jurors for the purpose of explaining such party's claims, defenses, and concerns in sufficient detail to prompt jury reflection, probing, and subsequent disclosure of information, opinion, bias, or prejudices which might prevent a juror from attaining the requisite degree of neutrality required.

III. The trial judge shall examine the prospective jurors. Upon completion of the judge's initial examination, counsel for each party shall have the right to examine, by oral and direct questioning, any of the prospective jurors in order to enable counsel to intelligently exercise both peremptory challenges and challenges for cause. During any examination conducted by counsel for the parties, the trial judge shall permit liberal and probing examination calculated to discover bias or prejudice with regard to the circumstances of the particular case. The fact that a topic has been included in the judge's examination shall not preclude additional non-repetitive or non-duplicative questioning in the same area by counsel.

IV. The scope of the examination conducted by counsel shall be within reasonable limits prescribed by the trial judge's sound discretion. In exercising his or her sound discretion as to the form and subject matter of voir dire questions, the trial judge shall consider, among other criteria, any unique or complex elements, legal or factual, in the case and the individual responses or conduct of jurors which may evince attitudes inconsistent with suitability to serve as a fair and impartial juror in the particular case. Specific unreasonable or arbitrary time limits shall not be imposed. The trial judge shall permit counsel to conduct voir dire examination without requiring prior submission of the questions unless a particular counsel engages in improper questioning. For purposes of this section, an "improper question" is any question which, as its dominant purpose, attempts to precondition the prospective jurors to a particular result, indoctrinate the jury, or question the prospective jurors concerning the pleadings or the applicable law. A court shall not arbitrarily or unreasonably refuse to submit reasonable written questionnaires, the contents of which are determined by the court in its sound discretion, when requested by counsel.

V. Each party shall have 5 preemptory challenges with which to remove prospective jurors.

VI. No later than December 1, 2003, the chief justice of the superior court shall report findings on this program to the president of the senate, the speaker of the house, the governor, and the state library. The report shall include a recommendation to terminate, continue, or expand the program.

2 Repeal. Section 1, establishing the Merrimack county superior court jury selection pilot program, is repealed.

3 Effective Date.

I. Section 2 of this act shall take effect December 31, 2003.

II. The remainder of this act shall take effect January 1, 2002.

Amendment to HB 703

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Prevention of Frauds and Perjuries; Powers of Attorney, Disability or Incompetence of Principal; Gifts; Durable Power of Attorney Document; Notification. Amend RSA 506:6 by inserting after paragraph IV the following new paragraphs:

V. An attorney in fact is not authorized to make gifts to the attorney in fact or to others unless the durable power of attorney explicitly authorizes such gifts.

VI. The following disclosure statement, signed by the principal, may accompany a durable power of attorney:

INFORMATION CONCERNING THE DURABLE POWER OF ATTORNEY

THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT YOU SHOULD KNOW THESE IMPORTANT FACTS:

Notice to the Principal: As the 'Principal,' you are using this Durable Power of Attorney to grant power to another person (called the 'Agent' or 'Attorney in Fact') to make decisions, including, but not limited to, decisions concerning your money, property, or both, and to use your money, property, or both on your behalf. If this written Durable Power of Attorney does not limit the powers that you give to your Agent, your Agent will have broad and sweeping powers to sell or otherwise dispose of your property, and to spend your money without advance notice to you or approval by you. Under this document, your agent will continue to have these powers after you become incapacitated, and unless otherwise indicated your Agent will have these powers before you become incapacitated. You have the right to retain this Power and not to release this Power until you instruct your attorney or any other person who may hold this Power of Attorney to so release it to your Agent pursuant to written instructions. You have the right to revoke or take back this Durable Power of Attorney at any time, so long as you are of sound mind. If there is anything about this Durable Power of Attorney that you do not understand, you should seek professional advice.

Principal

The language required by this paragraph shall not confer any powers to the agent that are not otherwise contained in the durable power of attorney.

VII. An agent, prior to acting in the capacity of agent, shall execute and affix to the power of attorney an acknowledgment in substantially the following form:

I, _____, have read the attached power of attorney and am the person identified as the Agent for the Principal. I hereby acknowledge that when I act as Agent or "attorney in fact," I am given power under this Durable Power of Attorney to make decisions about money, property, or both belonging to the Principal, and to spend the Principal's money, property, or both on the Principal's behalf, in accordance with the terms of this Durable Power of Attorney. This Durable Power of Attorney is valid only if the Principal is of sound mind when the Principal signs it. When acting in the capacity of Agent, I am under a duty (called a 'fiduciary duty') to observe the standards observed by a prudent person, which means the use of those powers that is reasonable in view of the interests of the Principal and in view of the way in which a person of ordinary judgment would act in carrying out that person's own affairs. If the exercise of my acts is called into question, the burden will be upon me to prove that I acted under the standards of a fiduciary. As the Agent, I am not entitled to use the money or property for my own benefit or to make gifts to myself or others unless the Durable Power of Attorney specifically gives me the authority to do so. As the Agent, my authority under this Durable Power of

Attorney will end when the Principal dies and I will not have authority to manage or dispose of any property or administer the estate unless I am authorized to do so by a New Hampshire Probate Court. If I violate my fiduciary duty under this Durable Power of Attorney, I may be liable for damages and may be subject to criminal prosecution. If there is anything about this Durable Power of Attorney, or my duties under it, that I do not understand, I understand that I should seek professional advice.

Agent

VIII. Nothing in paragraphs V-XI of this section shall render ineffective a durable power of attorney validly executed under New Hampshire law.

IX. A durable power of attorney validly executed under the laws of another state or foreign jurisdiction shall be deemed valid under New Hampshire law. Foreign powers of attorney shall be subject to the provisions of RSA 506:7.

X. The failure to meet the requirements of paragraph VI shall not impair the legal validity of an otherwise valid durable power of attorney.

2 Powers of Attorney; Limitations on the Agent. Amend RSA 506:7, IV to read as follows:

IV.(a) The court may hold hearings, make orders and decrees, and take other actions ***that are*** necessary or proper ~~[to make]~~ ***in making*** determinations on matters presented by a petition filed under paragraph III.

(b) When a gift or transfer made by an agent is challenged in a petition filed under paragraph III of this section, the gift or transfer shall be presumed to be lawful if the durable power of attorney is accompanied by the disclosure statement and acknowledgement drafted in accordance with RSA 506:6, VI and VII, and explicitly authorizes gifts or transfers. However, if the petitioner establishes that the agent made a transfer for less than adequate consideration, and the transfer is not explicitly authorized by a durable power of attorney drafted in accordance with RSA 506:6, VI and VII, the agent shall be required to prove by a preponderance of evidence that the transfer was authorized and was not a result of undue influence, fraud, or misrepresentation.

3 Effective Date. This act shall take effect January 1, 2002.

2001-1590s

AMENDED ANALYSIS
