THE SENATE WILL MEET IN SESSION ON THURSDAY, MARCH 21, 2002 AT 10:00 A.M.

VETO MESSAGE

February 7, 2002

To the Honorable Members of the General Court:

By the authority vested in me as Governor of New Hampshire, pursuant to Part II, Article 44 of the Constitution of New Hampshire, I have this day vetoed Senate Bill 141, an Act relative to proof of qualifications for voter registration.

The right to vote is a fundamental right. Restrictions should be placed on that right if, and only if, there is a compelling need. S.B. 141, which is identical to legislation I vetoed last year, does not meet that test.

While the proponents of S.B. 141 say the purpose of this legislation is to protect our elections from fraud, there is no evidence that voter fraud is a problem in New Hampshire. That is, in large part, because our laws already provide protection from voter fraud. Our statutory requirement that the checklists be purged on a regular basis prevents "graveyard" voting. Our laws permit any voter to challenge the identity and eligibility of any other voter, with any so challenged voter required to sign an affidavit under penalty of perjury before being permitted to vote. Moreover, anyone registering to vote on election day is required to sign a form swearing, under penalty of perjury, that he or she is a qualified voter.

In order to be eligible to vote in New Hampshire, one must be a citizen of the United States, be 18 years of age or older, and be domiciled where he or she intends to vote. Under current New Hampshire law, supervisors of the checklist and town or city clerks may ask an applicant to provide proof of citizenship, age and domicile. If Senate Bill 141 became law, voting registration officials would be required to demand this proof.

S.B. 141 would have the effect of discouraging eligible voters from exercising their right to vote. Not all voters carry proof of their age with them, and in our country, few citizens carry proof of their citizenship. No discretion is given to supervisors of the checklist and town and city clerks under S.B. 141. No matter how well the supervisor of the checklist or town or city clerk knows the voter, he or she must still demand proof of age and citizenship. This would potentially cause lengthy delays for all voters.

While New Hampshire's voter turnout percentage compares well with the rest of the country, it is troubling that one-third of our registered voters did not exercise their franchise in the 2000 general election, an election to choose the President of the United States. Rather than erecting new barriers to voting, lawmakers should instead investigate

why so many of our fellow citizens do not vote and develop public policy to encourage every eligible citizen to exercise this precious and fundamental right.

For all of the above reasons, I am today vetoing Senate Bill 141.

Respectfully submitted,

Jeanne Shaheen
Governor
