Amendment to HB 569-FN

Amend the title of the bill by replacing it with the following:

AN ACT regarding insurance coverage requirements for diagnosis and treatment of autism spectrum disorders.

Amend the bill by replacing all after section 1 with the following:

2 New Section; Coverage for Treatment of Pervasive Developmental Disorder or Autism. Amend RSA 417-E by inserting after section 1 the following new section:

417-E:2 Coverage for Treatment of Pervasive Developmental Disorder or Autism

I. For the purposes of this chapter, treatment of pervasive developmental disorder or autism as required under RSA 417-E:1, III(h) shall include the following:

- (a) Professional services and treatment programs, including applied behavioral analysis, necessary to produce socially significant improvements in human behavior or to prevent loss of attained skill or function. To be eligible for coverage, applied behavior analysis must be provided by a person professionally certified by the national Behavior Analyst Certification Board or performed under the supervision of a person professionally certified by the national Behavior Analyst Certification Board.
- (b) Prescribed pharmaceuticals subject to the same terms and conditions of the policy as other prescribed pharmaceuticals.
- (c) Direct or consultative services provided by a licensed professional including a licensed psychiatrist, licensed advanced practice registered nurse, licensed psychologist, or licensed clinical social worker; and
- (d) Therapy services provided by a licensed speech therapist, licensed occupational therapist, or licensed physical therapist.

II. An insurer may require submission of a treatment plan, including the frequency and duration of treatment, signed by the primary care provider, an appropriately credentialed treating specialist, a child psychiatrist, a pediatrician with a specialty in behavioral-developmental pediatrics, a neurologist with a specialty in child neurology, or a licensed psychologist with training in child psychology, that the treatment is medically necessary for the patient and is consistent with nationally recognized treatment standards for the condition such as those set forth by the American Academy of Pediatrics. An insurer may require an updated treatment plan no more frequently than on a semi-annual basis. Coverage shall not be denied on the basis that services are habilitative in nature.

III. The policy, contract, or certificate may limit coverage for applied behavior analysis to \$50,000 per year for children 0 to 8 years of age, and \$36,000 thereafter. An insurer may not apply payments for coverage unrelated to autism spectrum disorders to any maximum benefit established under this paragraph.

IV. Nothing in this section shall be construed to affect any obligation by a school district or the state of New Hampshire to provide services to an individual under an individualized family service plan or an individualized education program, as required under the federal Individuals With Disabilities Education Act, or the provision of services to an individual under any other federal or state law.

V. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the insurance coverage requirements established under this section, including those rules required to ensure compliance with the Gramm-Leach-Bliley Act of 1999, Public Law 106-102, as amended.

Amendment to HB 138

Amend RSA 135-E:1 as inserted by section 1 of the bill by replacing it with the following:

135-E:1 Findings and Intent. The general court finds that a small but extremely dangerous number of sexually violent predators exist who ~~[do not have a mental disease or defect that renders them appropriate for involuntary treatment under RSA~~

~~135-C, which is intended to provide short-term treatment to individuals with serious mental disorders and then return them to the community. In contrast to persons appropriate for civil commitment, sexually violent predators generally]~~ have antisocial personality features which are unamenable to existing mental illness treatment modalities, and those features render them likely to engage in criminal, sexually violent behavior. The general court further finds that the likelihood of sexually violent predators engaging in repeat acts of predatory sexual violence is high. The existing involuntary commitment procedures for the treatment and care of mentally ill persons are inadequate to address the risk these sexually violent predators pose to society. The general court further finds that the prognosis for rehabilitating sexually violent predators in a prison setting is poor, the treatment needs of this population are very long term, and the treatment modalities for this population are very different from the traditional treatment modalities for people appropriate for commitment under existing law. It is therefore the intent of the general court to create a civil commitment procedure for the long-term care and treatment of sexually violent predators. ***This procedure primarily targets individuals who are nearing completion of their maximum sentence of imprisonment, having been refused parole, who pose a high risk of repeated acts of predatory behavior if released to the community.***

Amend RSA 135-E:2, XI(d) as inserted by section 2 of the bill by replacing it with the following:

Amendment to HB 1286

Amend the title of the bill by replacing it with the following:

AN ACT requiring public academies to obtain a criminal history records check on employees and volunteers and permitting nonpublic schools to obtain criminal history records checks on employees and volunteers.

Amend the bill by replacing section 1 with the following:

□ School Employee and Volunteer Background Investigations. Amend RSA 189:13-a to read as follows:

189:13-a School Employee and Volunteer ~~[Background Investigations]~~ **Criminal History Records Check.**

I. **(a)** The employing school administrative unit, school district, or chartered public school shall complete a ~~[background investigation and a]~~ criminal history records check on every selected applicant for employment in any position in the school administrative unit, school district, or chartered public school prior to a final offer of employment. **A public academy approved by the New Hampshire state board of education shall submit a criminal history records check on applicants for employment pursuant to this section.** A school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** may extend a conditional offer of employment to a selected applicant ~~[after completing a background investigation]~~, with a final offer of employment subject to a successfully completed criminal history records check. No selected applicant may be extended a ~~[conditional]~~ **final** offer of employment unless the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** has ~~[initiated]~~ **completed** a criminal history records check. The school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall not be held liable in any lawsuit alleging that the extension of a conditional or final offer of employment to an applicant, or the acceptance of volunteer services from a designated volunteer, with a criminal history was in any way negligent or deficient, if the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** fulfilled the requirements of this section.

(b) A nonpublic school may elect to require a criminal history records check on selected applicants for employment or selected volunteers. A nonpublic school that elects to conduct a criminal history records check shall comply with the procedures and requirements set forth in this section.

II. The selected applicant for employment or designated volunteer with a school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall submit to the employer a notarized criminal history records release form, as

provided by the division of state police, which authorizes the release of information regarding the presence or absence of any record of convictions of the applicant of felonies or of the crimes listed in paragraph V. The applicant shall submit with the release form a complete set of fingerprints taken by a qualified law enforcement agency or an authorized employee of the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy**. In the event that the first set of fingerprints is invalid due to insufficient pattern and a second set of fingerprints is necessary in order to complete the criminal history records check, the conditional offer of employment shall remain in effect. If, after 2 attempts, a set of fingerprints is invalid due to insufficient pattern, the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** may, in lieu of the criminal history records check, accept police clearances from every city, town, or county where an applicant has lived during the past 5 years.

III. The school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall submit the criminal history records release form to the New Hampshire state police which shall conduct a criminal history records check through its records and through the Federal Bureau of Investigation. ~~[Upon completion of the background investigation,]~~ The state police shall examine the list of crimes constituting grounds for non-approval of employment, or non-acceptance of volunteer services in that school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy**, and shall report the presence or absence of any such crime to the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy**. Under no circumstances shall the criminal records be released to the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy**. The school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall maintain the confidentiality of all criminal history records information received pursuant to this paragraph. If the criminal history records information indicates no criminal record, the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall destroy the information received immediately following its review of the information. If the criminal history records information indicates that the applicant has been convicted of a felony or of a crime listed in paragraph V, the school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall review the information for a hiring decision, and the division of state police shall notify the department of education of any such convictions. The school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** shall destroy any criminal history record information that indicates a criminal record within 30 days of receiving such information.

IV. The school administrative unit, school district, ~~[or charter]~~ **chartered public school, or public academy** may require the selected applicant for employment or designated volunteer to pay the actual costs of the ~~[background investigation and a]~~ criminal history records check.

V. Any person who has been convicted of any violation or attempted violation of RSA 630:1; 630:1-a; 630:1-b; 630:2; 632-A:2; 632-A:3; 632-A:4; 633:1; 639:2; 639:3; 645:1, II or III; 645:2; 649-A:3; 649-A:3-a; 649-A:3-b; 649-B:3; or 649-B:4; or any violation or any attempted violation of RSA 650:2 where the act involves a child in material deemed obscene; in this state, or under any statute prohibiting the same conduct in another state, territory, or possession of the United States, shall not be hired by a school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy**. By decision of the appropriate governing body, a school administrative unit, school district, ~~[or]~~ chartered public school, **or public academy** may deny a selected applicant a final offer of employment if such person has been convicted of any felony in addition to those listed above. It is time for another Legislative Orientation Day sponsored by Gun Owners of New Hampshire. This year, it will be held the day after Mother's Day, on May 10, 2010. It will start at 10:00 a.m. and end at 3:00 p.m., at Sunset Mountain Fish and Game Club in Canterbury. You will have the opportunity to shoot and learn about muzzle-loading rifles, modern rifles and pistols, as well as shotguns. A Cowboy Action demonstration, Captain Morrill's Company and their cannons, and Roland Huber with his elephant gun are just a few of the many interesting special events planned. All in all, the day is intended to be a relaxing, informative event, centered around shooting and the shooting sports. Firearm instructors and range officers in a variety of disciplines will be present on site, and safe firearm practices and procedures will be in place. We will provide shooting and safety instruction, ammunition, targets, eye and ear protection, and loaner firearms.

From North or South, take Route 93 to Exit 18. Take a left at the end of the exit. The Club will be on the left, after the gas station and store.
