NOTICES

LEGISLATIVE ETHICS COMMITTEE

At its meeting on May 17, 2010, the Legislative Ethics Committee voted to issue the following advisory opinions, which are printed below in their entirety.

**Advisory Opinion 2010-1
Response to a Request for an Advisory Opinion
from Representative John B. Hunt
(May 17, 2010)**

Representative Hunt has requested an Advisory Opinion whether, consistent with applicable statutes and the Ethics Guidelines, it would be permissible for him to accept a prize he won at a raffle conducted at an event to which he was invited as a legislator, and attended in that capacity.

According to the facts supplied by Rep. Hunt and other facts elicited by the Committee, the event was the 8th Annual St. Patrick's Day Roast, sponsored by a lobbying group for the benefit of a charitable hospital. The event was attended by legislators and others. Legislators were invited to attend admission free, through notices published in legislative Calendars. Members of the public attending the event were charged an admission fee.

At the event, raffle tickets were offered to all attendees, at a separate charge of \$5.00 each. Raffle prizes had been donated by various sponsors. All proceeds of the raffle were donated to the charitable beneficiary. Raffle ticket purchase was optional. Rep. Hunt purchased a ticket and, at the drawing, won a computer valued at \$300.00.

The Committee responds as follows.

Relevant provisions of statute and the Ethics Guidelines are:

RSA 15-B:3, III which provides in part: "III. No elected official...shall knowingly accept, directly or indirectly, any gift, as defined in this chapter."

RSA 15-B:2, V(a)(2) which includes in the definition of "gift," "Any other tangible thing...having more than insignificant economic value. Any such item with a value of less than \$25 is presumed to be of insignificant economic value."

Ethics Guidelines, Section 4, Prohibited Activities, Paragraph I, which states in part: "Legislators shall not solicit, accept, or agree to accept anything of value from another for themselves or other persons, if the legislator receives such thing of value*** (g) In violation of RSA 15-B."

The Committee advises that under the specific circumstances of this case, the raffle prize won by Rep. Hunt is not a prohibited gift. He paid substantial consideration to participate in the raffle in which participation was optional and open to all attendees, legislators and non-legislators alike, on the same basis. The raffle was conducted for the benefit of a charitable beneficiary in accordance with RSA 287-A.

While the free admission to the event accorded to Rep. Hunt by the sponsors was not a prohibited gift pursuant to RSA 15-B:2, V(b)(9)(C), that fact does not determine whether a prize from a raffle conducted at the event is not a prohibited gift. Rather, the

Committee has previously interpreted the relevant statutes as prohibiting legislators' acceptance of "door prizes" having significant economic value, awarded by lot or otherwise at such events. See *Interpretive Ruling 2007-1* (October 29, 2007), Issue C. In context, that ruling assumed that eligibility for a door prize was part of a free or reduced price admission accorded to legislators, which does not appear to be the case here.

To be clear, the Committee's conclusion here is based on the following facts:

- (1) The raffle in question was open to all attendees at the event, legislators and non-legislators alike;
- (2) Participation in the raffle was optional, and separate substantial consideration was required of all participants, at the same price;
- (3) The raffle was conducted in accordance with RSA 287-A.

We appreciate the opportunity to be of assistance.

Advisory Opinion 2010-2
Response to a Request for an Advisory Opinion
from Senator Sharon M. Carson
(May 17, 2010)

Senator Carson has requested an Advisory Opinion whether, consistent with applicable statutes and the Ethics Guidelines, it would be permissible for her to accept from a third party a free ticket with a face value of \$50.00 to attend a political event.

According to the facts supplied by Senator Carson, the event was the Lincoln-Reagan Dinner sponsored by the Manchester Republican Committee, and proceeds from the event would be reported by the Manchester Republican Committee to the Secretary of State.

Relevant provisions of statute and the Ethics Guidelines are:

RSA 15-B:3, III which provides in part: "III. No elected official...shall knowingly accept, directly or indirectly, any gift, as defined in this chapter."

RSA 15-B:2, V(a)(2) which includes in the definition of "gift," "Any other tangible thing...having more than insignificant economic value. Any such item with a value of less than \$25 is presumed to be of insignificant economic value."

RSA 15-B:2, V(b) which states in part: "Notwithstanding subparagraph (a), 'gift' shall not include*** (9) Tickets or free admission to a charitable, ceremonial, or political event provided that: (A) The proceeds of the event are subject to the political contributions and expenditure reporting law, RSA 664****."

Ethics Guidelines, Section 4, Prohibited Activities, Paragraph VII, which states in part: "Nothing in this section on prohibited activities should be construed to prohibit the following*** (h) Acceptance of anything permitted to be accepted pursuant to RSA 15-B, except that [exception not applicable here]."

We advise as follows: The ticket you have described is not itself a prohibited "gift," because based on the facts you have supplied, it qualifies for the exemption provided under RSA 15-B:2, V(b)(9)(A), and is therefore permitted to be accepted under RSA 15-B.

We appreciate the opportunity to be of assistance.

Martin L. Gross, Chairman
For the Committee

Advisory Opinion 2010-3
Response to a Request for an Advisory Opinion
from Representative Frank R. Holden
(May 17, 2010)

Representative Holden has requested an Advisory Opinion whether, consistent with applicable statutes and the Ethics Guidelines, it would be permissible for him to accept an award of hotel accommodations and airline tickets as a result of a

drawing for which he qualified in attending an event at a commercial sports facility.

According to information provided to the Committee by Representative Holden, the event he attended was at New Hampshire Motor Speedway and he attended as a general admission patron, not as a legislator or in connection with any legislative event.

Relevant provisions of statute and the Ethics Guidelines are:

RSA 15-B: 3, III which provides in part: "III. No elected official... shall knowingly accept, directly or indirectly, any gift, as defined in this chapter."

RSA 15-B:2, V(a)(2) which includes in the definition of "gift," "Any other tangible thing... having more than insignificant economic value. Any such item with a value of less than \$25 is presumed to be of insignificant economic value."

RSA 15-B:2, V(b) which states in part: "Notwithstanding subparagraph (a), 'gift' shall not include*** (6) *** any tangible or intangible thing or service of economic value, where the donor's act of giving is purely private and personal in nature and the ... tangible or intangible thing or service of economic value would have been given and received even if the person were not an elected official****."

Ethics Guidelines, Section 4, Prohibited Activities, Paragraph VII, which states in part: "Nothing in this section on prohibited activities should be construed to prohibit the following*** (h) Acceptance of anything permitted to be accepted pursuant to RSA 15-B, except that [exception not applicable here]."

-

We advise as follows: Under the circumstances Rep. Holden has described, accepting the items would not constitute acceptance of a prohibited "gift." On the facts, he was attending the event as a private citizen, was a paid general admission patron, and qualified for the award under the same circumstances as any other patron of the event would have qualified. Proceeds of the drawing he has described would not be a prohibited "gift," because based on the facts he supplied, they would qualify for the exemption provided under RSA 15-B:2, V(b)(6) and therefore are permitted to be accepted under RSA 15-B.

We appreciate the opportunity to be of assistance.

LEGISLATIVE ETHICS COMMITTEE

The Legislative Ethics Committee has recently issued a Letter of Caution and would like to remind the members of the General Court that the first "Principle of Public Service" set forth in the General Court's Ethics Guidelines requires members to treat their office as a public trust, using the powers and resources of public office only to "advance public interests and not to attain personal benefits...."

The Committee believes it is particularly important to comply with this Principle of Public Service where members have private contractual relationships with the State and other outside commercial relationships. Such members must be continually mindful of, and make special efforts to avoid, any conduct that could be perceived as use of the member's official position to advance personal interests, in violation of the Ethics Guidelines.

Also, Section 5 of the Ethics Guidelines requires members to prepare and submit a Declaration of Intent to the Clerk of their chamber, when an official activity involves a potential conflict of interest not adequately disclosed in the member's Financial Disclosure Form. For all members who have substantial private business interests, the better practice would be to avoid concerns by filing a Declaration of Intent whenever a bill or other official activity involves such business interests.

Finally, best ethical practices should indicate to members that their private business relationships with the State of New Hampshire must be conducted with utmost probity and circumspection, in precise compliance with whatever rules and terms that govern the relationship. This would avoid provoking concerns about use of a member's official position to gain preferred treatment in the relationship.

If members are in doubt about the applicability of a provision of the ethics statutes or Guidelines to a specific factual situation, they are, of course, entitled to submit to the Committee a request for an Advisory Opinion, in accordance with RSA 14-B:3, I (c). Also, members are reminded that the Committee's website contains current information about the ethics statutes and Guidelines, and actions the Committee has taken to interpret, apply and enforce them. The website is viewable at
