Subject: Congressional maps

Good evening,

I wanted to reach out to in regards to the bill containing the proposed map for the NH State House of Representatives since I will be unable to attend the Election Law and Municipal Affairs Committee hearing on 1/31.

When the Executive Council and state Senate maps are drawn, it is imperative that they are:

- Not gerrymandered
- Fair to all New Hampshire voters
- Drawn with transparency (i.e. there is a publicly accessible process)

Thank you for your consideration.
