Subject: I Oppose HB50

Hon. Legislators,

I Oppose HB50.

How is this bill allowing the free expression of thought and opinion at the polls?

Why is concentrating political power necessary unless a political party doesn't have a message that resonates with voters? So the areas need to be gerrymandered?

Please return HB50 as inexpedient to legislate so that "all government of right originates from the people, is founded in consent, and instituted for the general good."

Not the laughing-stock of political whims.

Respectfully,

Len
