Dear Members of the Redistricting Committee,

I am writing to request that you reject the Congressional district maps recently passed by the NH House.

Governor Sununu and I agree that the maps submitted to you are politically motivated. New Hampshire's Congressional districts should never be manipulated to favor a particular party.

Your action now will stop this gerrymandering in its tracks. Let's demand better maps that are suited to New Hampshire, a proudly purple state.

Sincerely,  
Alice Mahar
