Subject: Please amend HB52 and SB241 and hold hearings

Dear Senators,

The Congressional (HB52) and Executive Council (SB241) redistricting maps are clearly gerrymandered. I hope you will amend them to make them fairer -- so that the voters can choose their elected officials rather than the other way around. Constituents all over the state have been asking for fair, nonpartisan redistricting, many in warrant articles that passed in 2021. It is also important to hold public hearings so that citizens may comment on the amended plans. The new districts will be affecting our lives for the next ten years.

Thank you for your hard work on this.

Sincerely,

Anne Huberman
