Senator Ricciardi Statement on Passage of SB 526

CONCORD, NH – Senator Denise Ricciardi (R-Bedford) released the following statement after SB 526, establishing a New Hampshire-Greece trade council, was voted OTP/A:

“This initiative delivers real results for Granite Staters and makes New Hampshire the first in the nation to take up this trade agreement with Greece. By strengthening economic ties, expanding trade, and attracting investment, we’re opening new global relationships for our small businesses, manufacturers, and entrepreneurs. It helps our companies reach new markets, grow exports, and create high-quality jobs here at home—driving innovation, boosting competitiveness, and building a stronger, more resilient economy across the Granite State.”
