Senators Carson and Abbas Applaud Progress on Clean Drinking Water Investment

CONCORD, NH –Senate President Sharon Carson (R-Londonderry) and Senator Daryl Abbas (R-Salem) applaud the passage of SB 541-FN-A out of the House:

Senator Carson said, “I want to thank the House for concurring on this critical measure, which advances the Southern New Hampshire Regional Water Pipeline Project. This investment will expand access to clean, reliable drinking water and remove key infrastructure barriers that have limited economic growth for too long.”

Senator Abbas added, “This is a win for families and local businesses. By providing access to clean, safe drinking water, we are giving communities across Southern New Hampshire the foundation they need to grow and thrive.”
